

Are You Ready for a large disaster or emergency?
Are you CERTain?

Community Emergency Response Training (CERT)

CERT teaches readiness, people helping people, rescuer safety, and doing the greatest good for the greatest number. **CERT** is a positive and realistic approach to emergency and disaster situations where citizens will be initially on their own and their actions can make a difference.

Through training, citizens can manage utilities, put out small fires, provide basic medical aid, search for and rescue victims safely, and organize themselves and spontaneous volunteers to be effective.

Who: Any interested Citizen in the metro area (16 and up)

Where: Heritage Eagle Bend Clubhouse
