At the Commission meeting on September 13, 2016, the Civil Service Commission unanimously voted to extend the 2016 Captain certification list by 90 days. The Commission cited budgetary concerns as the primary reason for this Charter-authorized extension. Therefore, the 2016 Captain certification list will now expire November 12, 2017 or upon certification of a new list.

The Captain assessment center will be held tentatively during the month of November, 2017. A promotional notice will be published approximately 90 days in advance of the assessment center with formal dates.
