At the regularly scheduled meeting on November 7, 2017 the Civil Service Commission unanimously voted to extend the 2017 Fire Engineer Certification list by 90 days. The Commission cited budgetary concerns as the primary reason for this Charter-authorized extension. Therefore, the 2017 Fire Engineer Certification list will now expire on July 13, 2018.

The Fire Engineer written exam will be tentatively scheduled for May 30, 2018 and practical exam will be tentatively scheduled for June 26-27, 2018. A promotional notice will be published approximately 90 days in advance formally announcing the exact dates and reading list for the written exam.
