Emma Donahue and Linda Templin gave a presentation in regards to Rank Choice Voting. We participated in an actual exercise to help better understand the process. There were still many questions including voter by in, education, how we process Write in candidates and many more.

Old Business:

Steve updated us on the Caring for Aurora Ballot Initiative question. They would need to collect 11,501 valid signatures. There may be a quarter cent sales tax ballot initiative on the 2020 ballot. This would provide \$16.5 Million dollars for Aurora Mental Health. Steve will keep us abreast of these developments.
