

The charts below illustrate the City of Aurora's preliminary major index crime data for the current and prior year. Final crime statistics for the previous year are officially reported to the state and to the FBI in February of each year. So these crime statistics may differ slightly from current FBI reporting for the same years. This may be explained by new investigation results or new evidence that can change the case classification.

APD Citywide Crime Stats Year-End	2012	2013	% Chg
