Your plan assets are commingled for investment purposes in the Members' Benefit Investment Fund – Glide-Path Pool ("Pool") as of July 1, 2019.

Investment Performance

How to Calculate Your Plan Specific Expense Ratio

Your Allocation Report may reflect expenses specific to your plan such as actuarial expense and legal fees as well as expenses you directed FPPA to pay from your plan assets. These expenses are reflected in the line items *Plan Directed Expenses* and *Direct Expense Allocation*. As such, your plan's administrative expenses may differ from the Pool. In order to calculate your plan's administrative expense ratio, you will need to add the line items *Plan Directed Expenses*, *Direct Expense Allocation* and *Allocated Fees & Expenses* and divide by the *Ending Balance*.

Allocation Methodology

Investment Expenses and *Allocated Fees & Expenses* are separately allocated and separately reported in the Allocation Report. The *Investment Expenses* are allocated to each plan based on the plan's proportion of total assets. The *Allocated Fees & Expenses* are allocated based on the plan's proportion of total membership, including active, inactive and retired members as of December 31 of the prior year as defined by the guidelines within the Annual Comprehensive Financial Report. Member counts may be adjusted during the year for plan affiliation, disaffiliation, or reentry.

Review of the Report

Review the items *Member Contributions, Employer Contributions, Refunds, Affiliations, Net Benefits, Plan Directed Expenses and State Funding* and confirm that these amounts are correct year-to-date. **If any amount is not correct, please send a written response to FPPA by March 31, 2024. If FPPA does not receive a response by March 31, 2024, you are confirming that these report items are correct.**

Annual Contributions Received

FPPA provides a schedule of your 2023 contributions received by FPPA year to date. This schedule compares contributions received in the current year to the actuarial required contributions for 2023. **Please be aware that this report shows contributions based on the date received by FPPA and does not consider if contributions relate to a prior year.** All required contributions were due to FPPA before December 31, 2023 to be included in this report.

Direct Expense Allocation Summary

Direct Expense Allocation

FPPA provides a summary of expenses directly allocated to your plan, payments received related to these expenses and the related annual budgeted amounts. These costs are identified as direct plan expenses and are charged directly to the plan as a reduction of plan assets. They are reflected in the *Direct Expense Allocation* row of your Allocation Report. You may contact me to request a detailed summary of these allocated expenses.

The direct expense allocation is comprised of costs for audit and actuarial services. The audit services relate to the SOC 1 Type 2 report over the operating effectiveness of FPPA's controls for processing data and transactions related to your plan. The SOC 1 Type 2 report has been provided since 2014 to assist employers in reporting in accordance with Governmental Accounting Standards Board Statement No. 68 (GASB 68), *Accounting and Financial Reporting for Pensions*. Actuarial services include the biennial funding valuation report (issued in odd years for Volunteer Firefighter plans and even years for Old Hire plans) and the annual GASB 68 report. Actuarial services are provided by Gabriel Roeder Smith & Co. Audit services are provided by Eide Bailly LLP.

The Colorado Revised Statutes allow FPPA to allocate expenses that are directly related to the administration of the local affiliated plans from those plan's assets. For additional information, please see C.R.S. 31-31-701(7)(a)(VI).

Payment of Settlor Expenses

Please discuss these direct plan expenses with your legal counsel to determine if they are a "settlor" expense. The Department of Labor believes that the employer should bear the cost of settlor expenses. If you agree, you should reimburse the plan for these expenses. This payment is in addition to any employer contributions made to the plan or as determined by the actuary (the actuarially determined contribution).

To reimburse the plan for these costs, please send payment via ACH or wire to FPPA. These payments need to be identified separately from your actuarial required contribution in order to net out the expense. Please contact FPPA for ACH or wire Instructions.

If you have any questions regarding your allocation report or the direct allocated plan expenses, please call me at 303-770-3772 in Metro Denver or 800-332-3772 or email me at pjob@fppaco.org.
