Change in Beneficial Ownership Applications

Any ownership changes (CCBO & Changes Exempt from CCBO) are to be reported locally when changes are made, even if the MED only requires notification at time of renewal. We are seeing an influx of unreported changes locally. Re-inspection fees for any failed marijuana inspection is \$200 for the first re-inspection and \$400 for any subsequent re-inspections. Fees will be invoiced on the license record and due within 7 days to maintain a current license
