License Agreement: A license agreement must be obtained through the Real Property Division of the Public Works Department for any encroachment into or over a designated or dedicated fire lane or emergency access easements. Examples of typical encroachments allowed by a license agreement can include but are not limited to:

- Any portion of the building structure, such as a porte cochere, eaves, lighting fixtures, etc.
- Alternative fire lane surfacing materials other than those specified by the Public Works Department.
- Gating and barrier systems encroaching within a fire lane or emergency access easements.
