

City of Aurora Election Cycles

Election Cycle: The period of time beginning 31 days following an election for the particular office and ending 31 days following the next election for that office. Election cycles are used for campaign finance reporting requirements and are not the same as the terms of office. *A.C.C. Section 54-2*

Term of Office: Terms begin at the commencement of the first regular council meeting in December after election in the year elected. Elected officials take an oath of office before entering upon the duties of the office.
