Bicentennial Art Center May 2021

Janice will be leaving the BAC in May

Janice has spent years here at the Bicentennial Arts Center and will be leaving us starting this May. Her knowledge of the office and friendly greeting of students and instructors alike will be missed. We want to thank her for her years of service, and her dedication to the center. We wish her the best in her next endeavors.

Welcome Gabriel

Gabriel is our new Facility Coordinator here at BAC and is very excited to be joining such a creative and friendly bunch of potters. Gabriel comes from a long line of artist and has a BFA with a concentration in photography. He loves to see the work produced here and looks forward to learning more about each student.

Locker fees

Are you up to date with your locker fees? With the COVID closure lockers and their fees are hard to keep in mind. Next time you check in ask our friendly staff if your locker fees are up to date. We will be happy to check your status and let you know where you stand.

Your safety is important to us

We are continuing to clean the facility in accordance with our COVID cleaning guidelines daily. This includes the regular cleaning and a sanitizing of the studio work spaces between each class. In order to help keep all our staff and students safe we ask that you continue to wear face masks while here at BAC. Thank you for helping making safety a priority here at BAC.

Aurora Potters Guild Spring Sale

Weather permitting there will be an outdoor Spring pottery sale held by the Aurora Potters Guild on May 1st, 2021 from 9 am – 4 pm at the Community College of Aurora. It will be held in the student center parking lot and should have a large variety of work represented.

Open hours

Open hours here at Bicentennial Arts Center are only available to our current students. There are several class options for open hours as well as by the hour rates. Ask our front staff about which one best fits your needs.
