

# FREE MULCH

## AVAILABLE NOW IN AURORA!

### MULCHING IS AN IMPORTANT PART OF SUSTAINING A HEALTHY LANDSCAPE,

especially in Colorado's arid climate. Apply a 3 – 4 inch layer of wood chips, bark or other organic material over the soil around trees and in gardens to:

**RETAIN** soil moisture

**REDUCE** weeds and control grass

**INCREASE** soil fertility

**IMPROVE** soil structure  
(better aeration, temperature and moisture)

**PROTECT** trees from injuries  
caused by mowing and trimming

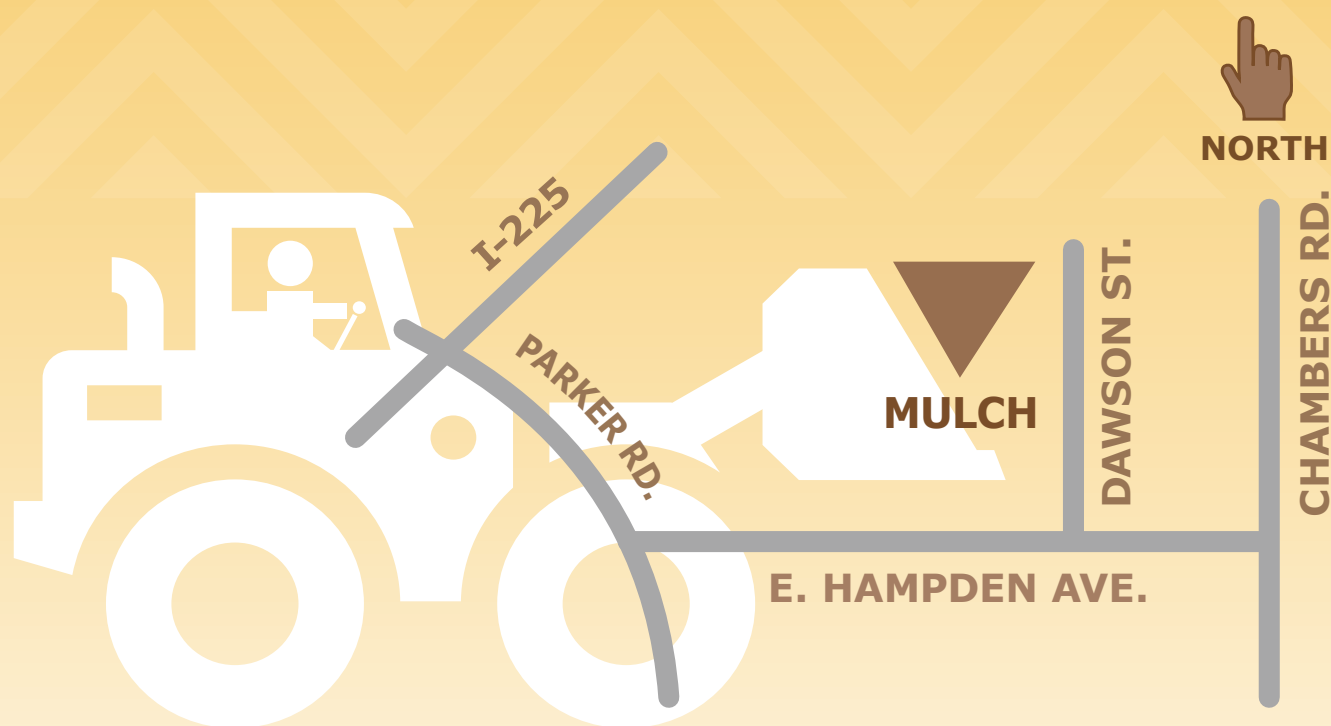

**Bring a pick-up truck or open trailer and we will load it full of mulch for you for FREE!**

Bring your own shovels, pitch forks and containers to serve yourself.

**2017  
FREE  
LOADER  
DAYS**

**8 a.m.-12 Noon  
while supplies last**

- Saturday, April 29
- Saturday, May 6
- Saturday, June 24
- Saturday, July 22
- Saturday, Aug. 26

The city's mulch pile is located near the intersection of East Hampden Ave. and Dawson St. near the water treatment facility – enter via the west side of Dawson St. The mulch pile is located outside and is accessible 24/7 for self-service.

**For more information, call Aurora's Forestry Division at 303.739.7177**
