

# DEDICATE AND CELEBRATE WITH A MEMORIAL TREE

Trees have always held a special place in the hearts, lives and traditions of individuals, families and communities. The city of Aurora is pleased to provide the opportunity to plant a Memorial Tree in honor of a loved one or event.

Memorial Trees are planted in irrigated city parks during the active growing seasons (April 1 – June 1 and Aug. 15 – Oct. 1). Species selection and planting locations are determined during the application process.

A Memorial Tree costs \$260 for a 2 inch diameter shade tree or 6 foot evergreen. Memorial Tree plaques are displayed at the Aurora Municipal Center to acknowledge tree honorees. No plaques, markers or signs can be displayed on or near Memorial Trees.

Ceremonies or gatherings at tree plantings must be arranged with Aurora's Forestry Division. As with all city trees, we make every effort to nurture and protect Memorial Trees, but are unable to warranty trees placed in public park areas.

For more information, visit [AuroraGov.org/Trees](http://AuroraGov.org/Trees) or call the Forestry Division at 303.739.7177.
