

**OWNER AUTHORIZATION TO ENTER PROPERTY
AND REMOVE GRAFFITI FROM DONATION COLLECTION BIN**

Please use a separate authorization form for each bin

I understand I have a duty to remove graffiti from the Donation Collection Bin or otherwise abate the graffiti within forty-eight (48) hours of receiving notice by the City to remove graffiti from the Donation Collection Bin.

I understand and authorize the City, either its employees or contractors, to enter upon my property and remove the graffiti from the Donation Collection Bin on my property if I have not removed the graffiti by the deadline provided in the notice to remove the graffiti.

I agree and understand if the City removes graffiti from the Donation Collection Bin the costs and expenses incurred by the City for the removal will be assessed against me and I will receive a notice of assessment for the amount of such costs by first-class mail.

I agree and understand if I do not pay the assessment amount provided in the notice of assessment or if the payment is not received by the City within thirty (30) days of the mailing date of notice of assessment of costs a lien for such costs and expenses shall attach to my property.

I understand the attachment of such a lien will create additional costs and expenses as enumerated in the notice.

I understand that the City or its contractors do not guarantee the structural or aesthetic soundness of the areas from which graffiti will be removed and that, even in the exercise of due care, damage or injury to property may result. I acknowledge that the City or its contractors will determine the method to remove the graffiti. I fully release the City, its employees and contractors from all claims, actions or demands for damage of whatever nature to the property in connection with, or by reason of, the graffiti removal.
