ADOPTION
When searching for a new family pet, please visit the Aurora Animal Shelter. We have many wonderful dogs and cats in need of a good home, a wide variety of purebred and mixed breed’s area available. Aurora Animal Shelter staff recommends potential adopters research various breeds for temperament and inherited behaviors to ensure a good match for your family’s lifestyle.

If the breed you’ve selected isn’t currently in the kennel, staff maintains a computerized breed request list (including your preferences for age, sex of animal, etc.). When an animal closely matching your description enters the shelter, you will be called to come and meet the pet for adoption consideration. Each Adoption includes a free first-year license for Aurora residents.

LOST PETS
Please remember to promptly look for your missing pet at the Aurora shelter. Stray animals without any form of identification are maintained a maximum of only 72 hours for owners to claim them. At the end of the three-day period, the animal becomes city property and may be adopted or otherwise disposed of by the Animal Care Division.

FOUND ANIMALS
If you find a stray animal, please bring it to the Aurora Animal Shelter or call 303-326-8288 and ask an officer to pick it up. The shelter is one of the first places owners look for their missing pet and the Animal Care Division can help quickly reunite them. An adoption “hold” may be placed on an animal you’ve found and brought to the shelter. If the animal’s owner does not come to claim it, the hold gives you first opportunity for adoption.

AURORA PET LAWS
• All dogs and cats over 4 months of age must be vaccinated against rabies and receive booster shots to keep immunization up-to-date. The current year’s rabies tag must be attached to the animal’s collar or harness and worn by your pet at all times. Aurora acknowledges 3-year rabies vaccinations. Aurora Animal Shelter staff conducts quarterly pet vaccination clinics to help protect pets from deadly diseases.
• All dogs and cats over six months of age are also required to be licensed by the Animal care Division. The metal tag must be attached to a collar or harness and worn by your pet at all times
• All dogs, cats and rabbits over six months of age are required to be spayed or neutered; for exemptions visit www.Auroragov.Org.
• Dogs and cats must be confined to their owner’s property or physically restrained when off premises. Dogs must be walked on a leash ten-foot or shorter in length and held by someone capable of controlling the animal. This leash requirement includes all Aurora parks and open spaces.

For a complete list of Aurora pet laws, or to learn more about services provided by the Aurora Animal Shelter, please visit www.Auroragov.Org.
The city of Aurora has 28 boards, commissions, committees and/or authorities that are composed of volunteers appointed to the board or commission by city council. The job of board or commission members is crucial to the success of Aurora’s representative government. By sharing their experience, expertise, and time, citizens provide valuable insight—the citizen’s point of view—to the operations of the city and city council’s decision-making process. Boards and commissions review new and existing operations in specific areas and suggest an appropriate course of action to city management and city council.

Boards and Commissions openings are updated as needed. You don’t need to be a member to attend Board or Commission meetings; everyone is welcome. If you want to receive Board and Commission vacancy announcements electronically, please send your email address to cityclerk@auroragov.org.
