

# PROS DEPARTMENT

## 2018/2019 SNOW & ICE REMOVAL PLAN

## TABLE OF CONTENTS

The Aurora Parks, Recreation, and Open Space Department (PROS) is responsible for snow and ice removal at many city owned public buildings, RTD connector trails and all Park facilities during the winter season. In normal and emergency situations, the Department's Employees will also provide assistance to the Public Works Department in their snow removal efforts. This Snow Removal Plan will provide the needed guidance for the planned and orderly winter maintenance operation for both normal snow removal and emergency snow removal instances. This report will be divided into two (2) separate sections:

## Snow Removal Program

### 2018/2019

The Aurora Parks, Recreation, and Open Space Department (PROS) is responsible for snow and ice removal at many City owned public buildings, RTD connector trails and all Park Facilities during the winter season. In normal and emergency situations, the Department's Employees will also provide assistance to the Public Works Department in their snow removal efforts. This Snow Removal Plan will provide the needed guidance for the planned and orderly winter maintenance operation for both normal snow removal and emergency snow removal instances. This report will be divided into two (2) separate sections: Normal Procedures & Emergency Procedures.

Normal procedures cover all snow removal up until the time the City has declared an official emergency situation. Because of various weather conditions, an emergency may be called at any time. As mentioned above, the second procedure will be followed when the City Manager, or their designated representative, declares an emergency situation. **All Departmental Employees** are expected to be available for emergency snow removal activities as outlined in A.P.M. 4-15. Reference Appendix E for specific information.

## NORMAL PROCEDURES

### I. Purpose of Plan

- a) Ensure that all City Facilities (excluding Fire Stations) are maintained.
- b) Ensure the Parks, Recreation, and Open Space Department responds in a coordinated manner.
- c) Duties & Responsibilities are assigned each to Parks O&M, Forestry, Golf, Open Space & Natural Resources (OSNR), and Recreation Divisions and by specific individuals within each Division.

### II. Activation of Plan

- a) Snow removal at public buildings will begin when the snowfall accumulates, or when, because of blowing conditions, the snow starts drifting or when directed by the Manager of Parks O&M, the Operations Superintendents or the Snow Standby Supervisor. High usage public places (e.g. Libraries, Recreation Centers and other City owned buildings) may warrant attention before any accumulation develops. This decision will be made on a storm by storm basis.
- b) The Operations Superintendents and/or Supervisors will direct all Department staff to begin removing snow in each respective area. See attachments for specific areas of responsibility.
- c) Snow removal will continue until all areas of responsibility are clear of snow and ice according to City Ordinance and safe passage is provided to Facility Users.
- d) The Operations Superintendents and or Supervisors will be responsible for setting schedules and assigning personnel and equipment to begin snow removal procedures. They will have flexibility in determining snow removal duties and priorities for **all Departmental staff**.
- e) Call Out Procedures:
  - **Weekday** - Normally, personnel will not be scheduled to start earlier on weekdays except those assigned to the snow removal of the public buildings listed as a **RED** priority and other public places.
  - **Weekend** - Depending on weather conditions and/or forecasts, volunteers may be selected Friday for callback on Saturday morning. If needed, these personnel will be notified by District/Division Supervisors as early in the work shift as possible on Friday.
  - **Holiday** - Callback procedures are the same as for weekends.
  - **Emergency Callback** - This procedure will be initiated by the Operations Superintendents through the District/Division Supervisors (including Forestry, Golf, Recreation, and O.S.N.R.) to obtain volunteer personnel as needed. An emergency callback will be any time before or after normal work schedules that a person is requested to work. This emergency callback is not to be confused with a declared emergency situation.

### **III. General Statements**

- a) If Recreation Centers, Libraries or Art/Cultural Centers are scheduled for use on weekends or holidays for standard/special use, the Superintendent for the coinciding area will be notified by 10:00 a.m. the preceding Friday by the appropriate Librarian, Recreation or Cultural Supervisor. Public buildings open on Saturdays will have the snow removed before their business hours begin.
- b) All Department field personnel are considered essential Employees and may be required to work overtime in order to complete all necessary responsibilities. Variances for not working overtime will be evaluated on a case by case basis and will be subject to approval by the Director of the PROS Department. A revised work schedule (e.g. 4:00 a.m. - 12:00 noon and/or 12:00 p.m. - 8:00 p.m.) may also be implemented as an alternative approach to handling all duties. Snow shifts for Facility snow removal will generally be defined as; one hour before the normal opening of the Facility: 1) Individual snow occurrence; a regular 8 hour shift, or on a weekend and/or holiday shift may end when snow is removed. 2) Continual extended occurrence; the shift may be extended either to 10 or 12 hours or on a weekend and/or holiday shift may end when snow is removed. 3) As previously stated, split shifts may be instituted. Appropriate lead time will be given to all employees if this measure were necessary.
- c) Snow dump sites shall be limited to the following areas:
- Signature Park - (Limited and defined area adjacent to Buckley Road)
  - South Satellite property
  - Del Mar West Parking Lot – South side

## **EMERGENCY PROCEDURES**

Occasionally, the City receives a major snowstorm that requires emergency actions to make streets passable. This section of the snow removal plan deals specifically with emergency conditions and the information necessary to make an emergency situation as orderly as possible.

### **I. Purpose of Plan**

- a) Ensure that all essential City services are maintained during a major snowstorm.
- b) Ensure the PROS Department responds to the needs of the Public Works Department in a coordinated manner.

### **II. Activation of Plan**

- a) City Manager or their designated representative declares an emergency.
- b) Director of PROS Department reports to the Emergency Control Center to direct the operations of the department.
- c) The Manager of Parks shall contact the Operations Superintendents that an emergency has been declared. They will coordinate department field activities with the Public Works Department.
- d) Supervisors will be given assignments when the Control Center is in full operation.
- e) The Manager of Parks Operations and Management or the respective Operations Superintendents will report to either the Central Facilities Parks Division Offices, the A.M.C. – 4<sup>th</sup> Floor, or the Emergency Response Center to monitor the desk, radios and telephones.
- f) Office staff from the Parks, Forestry, Golf, OSNR, and Recreation Divisions may be assigned at the beginning of each snow emergency to report to the A.M.C. to handle department telephones.
- g) Supervisors from the Parks, Recreation, and Open Space Department will be responsible for tracking the assignments of personnel and all equipment currently in operation or out of service.
- h) Personnel from Forestry, Golf and OSNR will be available to receive instructions and shall coordinate operations with the Manager of Parks or their designee.
- i) The **RED** priorities will be addressed with an immediate response, with ongoing snow and ice removal during the course of snow fall to allow access to all essential city buildings and services. **BLUE** and **YELLOW** priorities will be completed as staffing allows. **GREEN** routes will be evaluated by Supervisors to determine the need for snow removal. *For a full list of sites and their assigned priority see pages 8-21.*

### **III. Departmental “Snow Board”**

The “Snow Board” will be activated and posted effective on or about the second full weekend in October of each year. This board will be utilized as a mechanism to notify appropriate employees of their commitment and availability to work for the Streets Division for City wide snow removal duties. These employees will be assigned to work under the direction of the Streets Division Supervisor after being notified by the Parks Supervisor. Posting of Departmental employee names will occur as follows:

- a)** Staff members from the Department are requested to volunteer to work each shift (Noon to midnight, A Shift, and midnight to Noon, B Shift) at either North or South Satellite locations for the Streets Division to provide snow removal duties throughout the city.
- b)** The Snow Board will consist of 2 distinct lists of 8 employees per shift, with a total of 16 employee names listed. The list will include volunteers for the Street Department’s noon to midnight shift (A Shift) and the midnight to noon shift (B Shift) at South Satellite.
- c)** Employees wishing to volunteer will be placed in their preferred shift and location on a space available, first request basis. All shifts will be filled either by volunteer or with a mandatory placement.
- d)** As the shifts on the Snow Board are filled and activated, the volunteers are allowed to remain on the board as long as preferred, but may also need to be rotated out, to allow others to volunteer on occasion.
- e)** The Parks Supervisor (on snow standby status), once called by the Streets Division will then call all PROS Department employees that are listed on the board and issue assignments.
- f)** If the department is unable to fill all 8 positions for each shift with volunteers, then employees will be assigned in a mandatory capacity. This obligation will be fulfilled with a 1 (one) week placement on the board. At the conclusion of the week, the employee will be rotated off and replaced with another name. No employee (unless voluntarily doing so) will remain on the Snow Board longer than 1 (one) week unless an extended snow storm/severe weather occurrence lingers on.
- g)** Employees placed on the mandatory list are expected to be available and accessible for the ‘after hours’ phone call regardless of the extent of the storm.
- h)** Employees are not obligated to remain at home but are to remain in touch with the Snow Standby Supervisor and to remain aware of their obligation.

**PARKS, RECREATION AND OPEN SPACE  
DEPARTMENT  
Citywide Site Listing**

**RED ROUTES  
(NOT IN PRIORITY)**

- **Assist Streets Division** with city-wide snow removal activities
- **AMC Campus** (includes Central Library, History Museum, Police Building, Municipal Courts, AMC Building)
- **AMC Slice Application** (Unit 1776 and Unit 900 backup)
- **Aurora Sports Park** - Entrance roads and maintenance yard parking lot
- **Aurora Reservoir** - Parking lots and walkways
- **Central Facilities** - Building "A" walkways, employee parking lots and drive lanes
- **Colorado Freedom Memorial** - Parking lot and walkways
- **District One Police at Fitzsimons**- Sidewalks and parking lots
- **Fitzsimons Properties** - Homeless Shelter Parking lot and perimeter paths
- **Golf Courses** - Parking lots and walkways
- **Intergenerational Center at Lowry Park** (Bldg. 880) - Parking lot and walkways
- **Libraries** - Mission Viejo Library - Walkways, parking lot and delivery drive
- **North Satellite** - Admin building, animal shelter, and sidewalks (including 32<sup>nd</sup> Ave.)
- **Plains Conservation Center**
- **Recreation/Activity Centers** (parking lots, walkways, paths, plazas)
  - Aurora Center for Active Adults
  - Beck Center
  - Bicentennial Art Center
  - Central Recreation Center
  - Delaney Farm
  - Expo Park (Center only)
  - Hoffman Municipal Services Center
  - MLK Library Complex (Includes Fox Theater & Fletcher Plaza)
  - Meadowood Park (Center only)
  - Morrison Nature Center (If scheduled to be open for use)
  - Moorhead Recreation Center
  - Summer Valley Park (If scheduled for use)
  - Utah pool parking lot (continue on paths if snow has stopped)
  - Village Green Park and Greenbelt
- **RTD Connectors**
  - Ellsworth to 2<sup>nd</sup> Ave.
  - Florida Station Connector – Potomac to West Entrance of Station.
  - City Center/RTD Connector
  - Anschutz Campus Connector
  - Iliff Parking Garage and Paths
  - East Harvard Ave.
- **Tallyn's Reach Municipal Center**

**BLUE ROUTES**  
**(NOT IN PRIORITY)**

- 13<sup>th</sup> Ave. at Ursula St. - Sidewalks
- 17<sup>th</sup> and Del Mar Pkwy (Chadash Gardens Walks)
- 2530 S. Fairplay Way - Easement between houses
- 2<sup>nd</sup> Ave. (at High Line Canal) - Sidewalks at bridge
- 6<sup>th</sup> Ave. (4<sup>th</sup> Ave/Havana to south side 6<sup>th</sup> Ave Havana to Potomac) - Bike path
- 6<sup>th</sup> Ave. - Pedestrian overpass at Vaughn Street
  - Including sidewalks from Potomac and from housing entrance (north side)
- 6<sup>th</sup> Ave. (Dayton to Airport Blvd) - Bike path (north side)
- 6<sup>th</sup> Ave. path from Airport Blvd to Telluride (south side)
- Airport Blvd. (east and west sides, Colfax to Property line north of Sand Creek bridge)
- Airport Blvd. and Colfax – Bridge over High Line Canal
- Airport Blvd. and Colfax- Sidewalks
- Airport Blvd.( I-70 Interchange to 40<sup>th</sup> Ave.) – Sidewalks, east and west sides
- Alameda (north side) - Geneva to Havana
- Alameda Bridge - Sidewalks (over I-225)
- Alameda Ave.- Sidewalks along I-225 bridge and on north side of the Goddess
- Alameda Ave. - Sidewalk (north side, from Peoria to Potomac)
- Alta Vista Park – Sidewalks and steps
- Altura Park – North sidewalk
- Appaloosa Park – Sidewalks
- Aurora Sports Park Connector trail along the southern border of park to Colfax
- Bates Ave. - Sidewalk over drainage way next to Arrowhead Elementary
- Boston Islands - Sidewalks
- Bridge west of Meadowood Tot lot - West of residence 2879 S. Olathe Way
- Buckley Road (west side, Kentucky to Mississippi) – Sidewalk
- Buckley/Colfax S.E. monument corner
- Buckley – Sidewalk along eastern edge of Center Hills Park
- Centennial House – Sidewalks
- Central Facilities – Sidewalks along Ellsworth
- Centre Hills Park – Parking lot and sidewalk along Airport Blvd
- Century Elementary Walkway
- Chambers Road (east and west sides of Cherry Creek Spillway) – Sidewalks
- Chambers Road (east side, Highline Canal to 1st Avenue) - Sidewalk
- Cherry Creek Trail – Gates Soccer Complex South to COA limits
- Church easement at Del Mar Circle – Walk way
- City Park – Sidewalks
- Colfax – South sidewalks from Sand Creek trailhead to Highline trailhead
- Conservatory bike paths and sidewalks
- Del Mar Islands at Havana Park (11th Ave. and 13th Ave.) – Sidewalks
- Del Mar Park - Bike path and sidewalks
- Elmira St. – Drive through from Colfax
- Evanston St. – South from Pheasant Run Park sidewalks
- Expo Park - Bike paths, bridges and parking lot
- Fire Station 1

- Fire Station 2 (west lot)
- Fire Station 11
- Florence Street – Parking lot and building sidewalks
- Florida Place – South sidewalks
- Fulton Park - Sidewalks
- Fulton St at 6th Ave. - Sidewalk
- Golden Eagle Park – Sidewalk along east Plymouth Dr.
- Greenhouse - Driveway and parking lot
- Hampden Hills Greenbelt (west of Milan) - Bike path and fire easement
- Hampden Run Park - Sidewalks
- Havana and Parker Rd. - Sidewalks
- Havana St. (East side, 4th Ave. to 6th Ave.) - Sidewalks
- Highland Hollows Park – Sidewalks, steps and bridge connecting neighborhood to Uravan and connecting to Arkansas Elementary School
- High Line Canal – Bike path (Havana to Springhill Park, including all bridges and street crossings)
- Highline Park (west and north sides) - Sidewalks
- Hilltop Park – Sidewalks
- Homeless Day Center – Perimeter Walkway and Parking Lot, Montview Blvd, Fitzsimmons to Wheeling
- Homestead Park – Sidewalks and connecting walks to neighborhood to east
- Hoops Park sidewalks along 6<sup>th</sup> Ave. and Laredo St.
- Horizon Park - Sidewalks, including the walk parallel to Fire Station # 10
- Horseshoe Park – Pathways, parking lot and walks
- Jewell Ave. (north side, Peoria to Moline St.) - Sidewalk
- Jewell Park - Sidewalks and parking lot
- Laredo School path (12th and Laredo)
- Larkspur Park – Sidewalks and connecting trails
- Los Niños Park - Sidewalks and greenbelt
- Louisiana Pkwy. – North sidewalks bordering Murphy Creek Golf Course
- Louisiana Pkwy. – South sidewalks bordering Murphy Creek Golf Course
- Marguerite Pkwy. - Sidewalks and cul-de-sac
- Marina Park - Sidewalks
- Meadow Hills/ OSNR Shop - Sidewalk (east side of Parker Rd to entrance of Meadow Hills)
- Mission Viejo and Seville Greenbelt - Sidewalks
- Mission Viejo drainage - Bike path
- Mississippi Bridge sidewalks (over I-225)
- Montview Park - Sidewalks
- Montview Blvd. (Peoria to Scranton and Fitz Pkwy to Wheeling) - Sidewalks
- Path and stairs between 19774 & 19764 East Loyola Circle, South to Milan Circle
- Path between 19100 & 19096 East Mansfield Drive, west to East Mercer Drive
- Pedestrian Easements – Sidewalks
  - At 1434 South Vaughn Circle – east end
  - At 1490 South Vaughn Circle
  - At 1440 South Oakland Street
- Peoria Hills Park - Sidewalks and bike path
- Peoria St. (east side, Alameda to 2nd Ave.) - Bike path and sidewalk
- Peoria St. at High Line Canal - Sidewalks at bridge

- Peoria St. 33<sup>rd</sup> to 37<sup>th</sup> Sidewalk on east side (new fly-over section)
- Pheasant Run Pkwy. (Smoky Hill Rd. to Quincy Ave.) - Sidewalks
- Piney Creek Trail - Liverpool to Aurora Pkwy.
- Pipeline Trail – Tollgate Park to Mississippi Ave.
- Potomac sidewalk - Highline canal to 2<sup>nd</sup> Ave.
- Potomac St. (Alameda to 2<sup>nd</sup> Ave.) - Sidewalks
- Red-tailed Hawk – Sidewalk along Aurora Pkwy.
- RTD Connectors
  - 17th Ave Intersection – West of tracks
  - 17<sup>th</sup> Ave Intersection – Bridge Sidewalks
  - Montview Crossing
  - Tollgate Bike Path – Montview North (Fenced and elevated)
  - Tollgate Bike Path – Montview North to Victor Intersection
  - Tollgate Bike Path – Victor Intersection (Fenced and elevated)
  - Tollgate Bike Path – Victor Intersection to Ursula Connector
  - Connector Bike Path east of Ursula
  - Sandcreek Parking – Pedestrian Connector
  - Fitzsimons Parkway - Sandcreek Parking Lot West to Peoria
  - Peoria Sandcreek Parkway to Bridge – West Side Attached
  - Peoria Bridge – Both Sides of Bridge
  - Peoria – Sandcreek Bridge north to 30<sup>th</sup>
  - Peoria – 30<sup>th</sup> to 31<sup>st</sup> Place
  - Peoria – 31<sup>st</sup> Place to 33<sup>rd</sup> St
  - Plaza - underneath Peoria Flyover Bridge
  - Peoria Crossing Flyover Bridge
  - 13<sup>th</sup> Avenue Station – From Tollgate Path intersection to Tollgate Bridge
- Saddle Rock Tract “F” bike path
- Sagebrush Park - Sidewalks
- Seven Hills Park and Greenbelt - Sidewalks
- Sidewalk E. Florida Place, south
- Sidewalk E. Louisiana Pkwy. north
- Sidewalk E. Louisiana Pkwy. south
- Soccer Skills area – Path and driveway
- Spencer Garrett Park - Sidewalks
- Springhill Phase Two/Colorado Freedom Memorial parking lot and sidewalks
- Stairs and walk at Seville Greenbelt - Between residences at 3631 and 3621 S. Kalispell St. west to S. Joplin St.
- Stairs and walk off of Wagon Trail Pkwy. - Between residences at 4627 & 4631 S. Norfolk Way
- Stairs and walk to Meadow Point Elementary - Between residences at 4930 - 4938 S. Sedalia Way
- Stairs at Mrachek Middle School - Between residences at 2044 and 17499 S. Salida Street
- Stairs off of Buckley - Between residences at 2538 and 2540 S. Ouray Way
- Stairs off of Yale - Between residences at 16826 and 16836 E. Villanova Circle
- Summer Valley Park - Sidewalks and bike path
- Sunrise Park (along Genoa and Genoa Way) - Sidewalks
- Tierra Park - Sidewalks
- Tollgate Creek (Alameda to Mexico) - Bike path and bridges

- Tollgate Park – Sidewalks and bridge over Tollgate Creek
- Trolley Park – Walkway
- Troy St. (Nevada to Ursula, near Virginia Court Park) - Sidewalks
- Ursula St. (near Parklane Elementary) - Walkway
- Utah Park – Sidewalks and paths
- Virginia Court Park – Sidewalks
- Vassar/Telluride Perimeter sidewalks around Central Rec Center
- Wagon Trail Park and Pkwy. – Sidewalks
- West Tollgate Creek Greenway – Bike paths, sidewalks and bridge (Meadowood South to Hampden)
- Westerly Creek (Mississippi to Expo) - Bike path and bridges
- Westerly Creek (Yale to Mississippi), including sidewalk on Yale, crosswalk at Iliff Ave. median, sidewalks at E. Florida and Peoria St. (NW corner and SE corner) - Bike path
- Wheel Park – Bike path
- Wheeling Park - Sidewalks
- Yale Ave (north side, Buckley to Truckee St.) - Sidewalk
- Yale Ave. (north and south sides, Cherry Creek Spillway) - Sidewalks
- Yale Elementary (between homes at 2581 and 2571 S. Kittredge Way and 2471 S. Kittredge) - Walkway

**YELLOW ROUTES**  
**(NOT IN PRIORITY)**

- 6th Ave. Bridge over Tollgate Creek (north and south sides) – Sidewalks
- 6th Ave. and Sable Blvd.
- 17th Ave at Alton, Boston and Beeler
- 25th Ave. (Lima to Lansing) – Sidewalks
- I-225 underpass (28th and 30th Ave.) – Sidewalks
- Alameda sidewalk – Kalispell to Mobile
- Anchor Point – Sidewalks
- Apache Mesa Park – Sidewalks
- Aqua Vista Park and Pond – Sidewalks including north side of Wagon Trail Cir. (Quincy Res.)
- Arapahoe Little League – Sidewalks on Kentucky and Airport Blvd
- Beeler Garden
- Carson Park
- Centre Pointe Park – Sidewalks
- Chambers Islands R.O.W. at Piney Creek (west side only) – Sidewalks
- Cherry Creek Spillway (Iliff to Mexico) - Bike path
- Cherry Creek Trail - Iliff through Wheel Park, through Cherry Creek Spillway to Hampden Ave.
- City Center Park - Walkways and pedestrian bridge over High Line Canal
- Colfax Ave. (Norfolk St. to Triangle Park) - Sidewalks and bike path
- Columbia Creek Greenbelt Trail
- Conservatory Parks – Willow Bend, Switch Grass, East Willow Bend, and Blue Grama
- Cottonwood Park - Sidewalks and bike path
- Country Lane – Sidewalks
- Crestridge Park – Sidewalks
- Del Mar Park – Tennis court walks
- Del Mar Circle West – Walkway
- Eagle Park - Sidewalks, plazas and bike path
- Eldorado Park – Sidewalks
- Exposition (Sable to Walsh) – Sidewalk
- Fairplay Park – Sidewalks
- Fire Stations 3-10, 12, 14 and 15
- Flanders Park - Sidewalks and trails
- Fletcher Park – Sidewalks
- Fletcher Plaza
- Freedom Park – Sidewalks
- General's Park - Driveway and parking lot and sidewalks on Quentin
- Golden Eagle Park – Interior sidewalks
- Great Plains Park - Sidewalks, trails
- Hampden Sidewalk (Chambers to Tower Road south side)
- Hampden/Parker Road Interchange - Sidewalks and bike paths
- Havana Heights Park - Sidewalks, parking lots and plaza area
- Havana Heights Pond – Sidewalks
- Havana Park - Bike path and sidewalks
- Havana St. (west side, 1st Ave. to Alameda Ave.) – Sidewalk
- Hoffman Park - Parking lot, sidewalks and bike path
- Jewell Wetland – Walkways

- Kingsborough Park – Sidewalks
- Kestrel Point Natural Area
- La Parquita Park - Sidewalks and parking lot
- Lowry Community Park - Sidewalks and walkways also sanding route
- Lowry Community Park - Solar Pavilion
- McMullen Park – Sidewalks
- Meadowood Triangle
- Mexico Ave, Buckley to Tollgate Creek south sidewalk
- Mission Viejo Park - Sidewalks and plaza
- Mississippi – south side sidewalk – Tollgate Creek to Rocky Ridge Park
- Mississippi – south side sidewalk– Elkhart to shopping center
- Mountain View Park – Sidewalks
- Murphy Creek Trail
- Norfolk Glen Park (sidewalks, bike paths, bridge over High Line Canal, and greenbelt)
- Olympic Neighborhood Park – Sidewalks
- Olympic Park - Sidewalks (excludes Park-n-Ride)
- Pagosa Park – Sidewalks
- Panorama Park – Sidewalks
- Parker Rd./I-225 interchange – Sidewalks
- Parklane Park - Sidewalks and bike path
- Parklane Trail
- Peoria St. bridge at Sand Creek – Sidewalks
- Phillips Pipeline Trail (south/east of Hampden to Genoa) - Bike path
- Piney Creek Trail – Aurora Pkwy. to Ponderosa Preserve
- Power Line Trail – From Jewell and Dunkirk west to Buckley Rd and west to Mobile St.
- Prairie Winds (future park site) – Sidewalks
- Quincy Reservoir (along Quincy Ave.) – Sidewalk
- Radio Tower – Sidewalks
- Red Delicious Press – Perimeter walk
- Red-Tailed Hawk – Bike paths, interior walks and parking lots
- Robinson Gulch - Trails and Sidewalks
- Rocky Ridge Park - Sidewalks and walkways
- Sable Bridge at Sand Creek and along 30th Avenue
- Sampson Gulch Trail
- Sand Creek at Airport
- Sand Creek at Chambers
- Sand Creek Park – Walks, bridges & trails including east section a of Fitzsimons Pkwy.
- Settlers Park – Sidewalks
- Seven hills pipeline connectors (Argonne to Bates)
- Shop Creek Trail – Sidewalk along Parker Rd. and trail into Cherry Creek State Park
- Side Creek Park – Sidewalks
- Sidewalk S. Old Tom Morris Rd. north
- Singletree Park - Sidewalks and bike path
- South Lewiston – Asphalt path behind the S. Lewiston cul-de-sac
- South Old Tom Morris Rd. – Sidewalks
- South Satellite – Parking lot and sidewalk along Eagle St.
- Spillway to Chambers
- Sunburst Park – Sidewalks

- Tallyn's Gulch Trail
- Terrace Park – Sidewalks
- Tollgate Creek (Hampden to Buckley) – Hutchison Channel
- Tollgate Creek (Mexico Ave. to Buckley & Iliff including sidewalks north and south and bridge east to South Mobile St.) - Bike path
- Triangle Park – Sidewalks
- Ursula St. (Bicentennial Park to High Line Canal) - Bike path and bridge
- Unnamed Creek Trail – From Hampden to the Hutchinson Channel
- Utah Park – East parking lot
- West Tollgate Creek (Meadowood Recreation Center to Iliff Ave.) - Bike path
- West Tollgate Creek - Quincy Ave. to Hampden Ave.
- Westerly Creek (at Beeler Street) – Sidewalk
- Wheatlands – Bike path and sidewalks
- Yale bridge sidewalks (over I-225)

**GREEN ROUTES**  
**(Supervisors Will Determine Priority)**

- Aqua Vista Park - Parking lot
- Bellewood Park
- Bicentennial - North parking lot
- Del Mar Park - East parking lots
- Great Plains Observation (rattlesnake dog park) – Parking lot
- Great Plains Park - Parking lot
- Highline Park - Parking lots
- Hoops Park - Parking lot and sidewalks
- Kalispell Park - Parking lot
- Larkspur Park – Parking lot
- La Parquita Park - Parking lots
- Mexico – Tollgate Creek to Buckley. South sidewalk
- Mission Viejo Park - Parking lots
- Olympic Park - Lower parking lot

## **Snow Removal Locations and General Descriptions** **RTD Pedestrian Trails and Connectors**

### **Red**

#### **Ellsworth to 2<sup>nd</sup> Ave**

- 680 lineal ft. of sidewalk
  - 350 feet from Ellsworth north, 5' wide sidewalk.
  - Hand shovel the ADA entrance at Ellsworth and at 2<sup>nd</sup> Ave.
  - 330 feet bordered by barrier to the station, 6' wide sidewalk.
  - One double track crossing pedestrian gate at 2<sup>nd</sup> and Abilene.

#### **Florida Station Connector – Potomac to West Entrance of Station.**

- 480 linear feet by 8' wide sidewalk.
- 40 linear feet by 8' sidewalks from parking lots on each side of main walk.
  - Pedestrian crossings at Potomac Avenue.
  - Pedestrian crossings at parking lot walks, one each side.

#### **City Center/RTD Connector**

- 2,574 linear feet by 10' path from Metro Center station to underpass and through underpass to north side of Alameda.
- Includes path from main path to connect to sidewalk on Alameda at bridge.
  - Includes two sets of steps.
- 115 linear feet by 20' path in the underpass.
- 180 linear feet by 10' of sidewalk on Alameda bridge, south side of Alameda.
- 154 linear feet by 10' of sidewalk on Alameda bridge, north side of Alameda.

#### **Anschutz Campus Connector**

- 2,400 linear feet by 12' wide path from Sandcreek Station, east along Fitzsimons Pkwy., then south into to 23<sup>rd</sup> Avenue.
  - 4 pedestrian crossings on at Fitzsimons Pkwy, 3 at 23<sup>rd</sup> Pl. and Ave.
- 60 linear feet by 10' wide Pedestrian Crossing in Fitzsimons Pkwy median.
  - 2 pedestrian crossings.
