

Tips to Avoid Getting a **Parking Ticket**

1

Make sure to display valid (unexpired) license plates on front and back of your vehicle

2

Commercial vehicles over **6,000 pounds** empty weight are **NOT** allowed to be parked on any public street

3

Always display a valid disabled parking permit when parked in a designated disabled-accessible parking spot.

4

DON'T LEAVE YOUR VEHICLE PARKED TOO LONG:

- Allowed only **3 consecutive days** if the vehicle does not work properly
 - Allowed only **7 consecutive days** if the vehicle works properly
- Recreational vehicles, motorhomes and boats are only allowed to park for up to **24 consecutive hours**
 - Utility trailers are only allowed to park up to **24 consecutive hours**

5

If it's time to move your vehicle, make sure to move it at least **100 feet** from the previous parking position

6

Don't park within **5 feet** of any driveway

7

Don't park within **15 feet** of any Fire Hydrant

8

Don't park within **20 feet** of a crosswalk (marked or not)

9

Don't park within **30 feet** of a stop sign or traffic signal

10

Always look for signs to determine if permits are needed or payment is required
