

SNOW BUSTERS

HELP A NEIGHBOR WITH SHOVELING THIS WINTER

The city of Aurora's Snow Busters program pairs volunteers with people who have limited financial resources, are elderly or have a disability, and are incapable of shoveling after a snowfall with someone who lives near them to shovel snow. The volunteer only needs to commit to helping one person for one snow season, shoveling the resident's sidewalk within 24 hours after a snowfall. This is a great project for families, church groups, Boy Scouts and other groups to teach the value of lending a hand to a neighbor and to keep sidewalks safe.

It's easy to volunteer! Apply online at auroragov.org/snowbusters or call 303.739.7280 for more information.
