

ADOPT-A-BOOK

Share meaningful events in your life and support Aurora Public Library through a gift to the Adopt-A-Book program.

For a \$20 donation, the Library places a bookplate in a newly purchased book with your name and special message. You may specify a book in a general subject area (children's area, history, gardening) to place your bookplate. The honored party receives a letter of acknowledgement of your gift. Your message can:

- celebrate a birthday or wedding
- congratulate a graduate
- remember a beloved friend or relative
- honor an anniversary
- honor any other occasion

Your gift is tax-deductible as allowed by law.

To Adopt A Book, complete the application form on the right and return it with your check payable to: **Aurora Public Library**. You can also Adopt A Book online at: www.auroralibrary.org. Search "Support the Library," and if you have questions, call 303-739-6600.
