The path to citizenship begins at the Aurora Public Library!

In June of 2016, the Aurora Public Library began offering a new service – Citizenship Corners – in partnership with U.S. Citizenship and Immigration Services. Citizenship Corners are now available at Central Library, Martin Luther King, Jr. Library and Hoffman Heights Library/PC Center. The corners are dedicated areas of the library that offer educational materials for immigrants and refugees that are preparing for the naturalization process. The materials are free of charge and include flash cards, booklets, CDs and brochures. Information covered by the materials include the steps of applying for citizenship, assisting oneself or a relative in becoming a permanent resident, immigration options for victims of crime, study questions for the naturalization test and more. Most items are available in English and Spanish, with some materials also available in French, Chinese, Somali, Arabic and Korean.

For additional information about the resources, please call Central Library at 303.739.6642.

El camino hacia la ciudadanía comienza en la biblioteca

Desde de junio de 2016, la Biblioteca Pública de Aurora comenzó un nuevo servicio: las Esquinas de Ciudadanía, en colaboración con los Servicios de Ciudadanía e Inmigración de Estados Unidos.

Las Esquinas de Ciudadanía se localizan en las bibliotecas Central, Martin Luther King, Jr., y Hoffman Heights. Estas esquinas son áreas dedicadas dentro de la biblioteca que ofrecen materiales educativos para inmigrantes y refugiados que están preparándose para el proceso de naturalización. Los materiales son gratuitos e incluyen tarjetas de memoria, folletos, CDs y volantes. Estos materiales tratan los pasos para solicitar la ciudadanía, cómo convertirse uno mismo, o ayudar a un familiar, en ciudadano permanente, opciones migratorias para víctimas de crimen y el estudio de preguntas para el examen de ciudadanía, entre otras cosas. La mayoría de los materiales se ofrecen en inglés y español y algunos de ellos también están disponibles en francés, chino, somalí, árabe y coreano.

Para más información sobre estos recursos, favor de comunicarse a la Biblioteca Central al 303.739.6642.
