## FIVE DINOSAUR FRIENDS BY TESS JONES

Five dinosaur friends, one named Tyrannosaur  
One wandered away to find a snack, then there were four.  
Four dinosaur friends, playing wild and free  
One wanted to go for a swim, and then there were three  
Three dinosaur friends, ready for a game of peekaboo  
One got scared away and then there were two  
Two dinosaur friends, relaxing in the sun  
One forgot her sunscreen and then there was one  
One dinosaur friend, feeling rather lonely  
He called and called, for there were none  
"ROAR!" Then all five friends returned, every one.

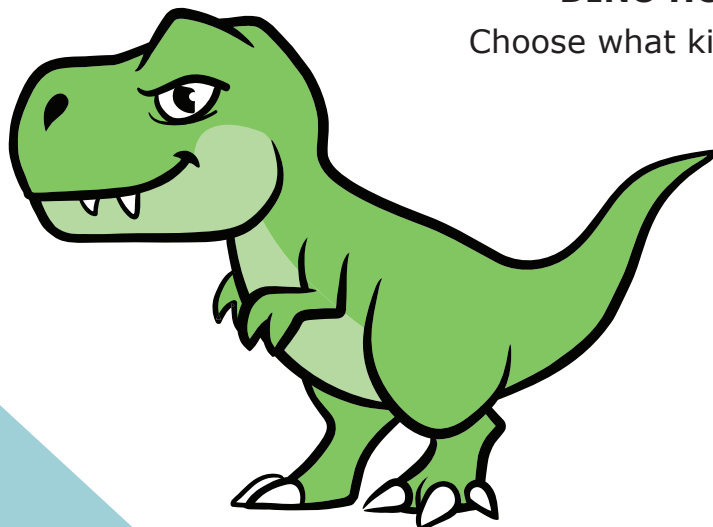

## DINO HOKEY POKEY BY TESS JONES

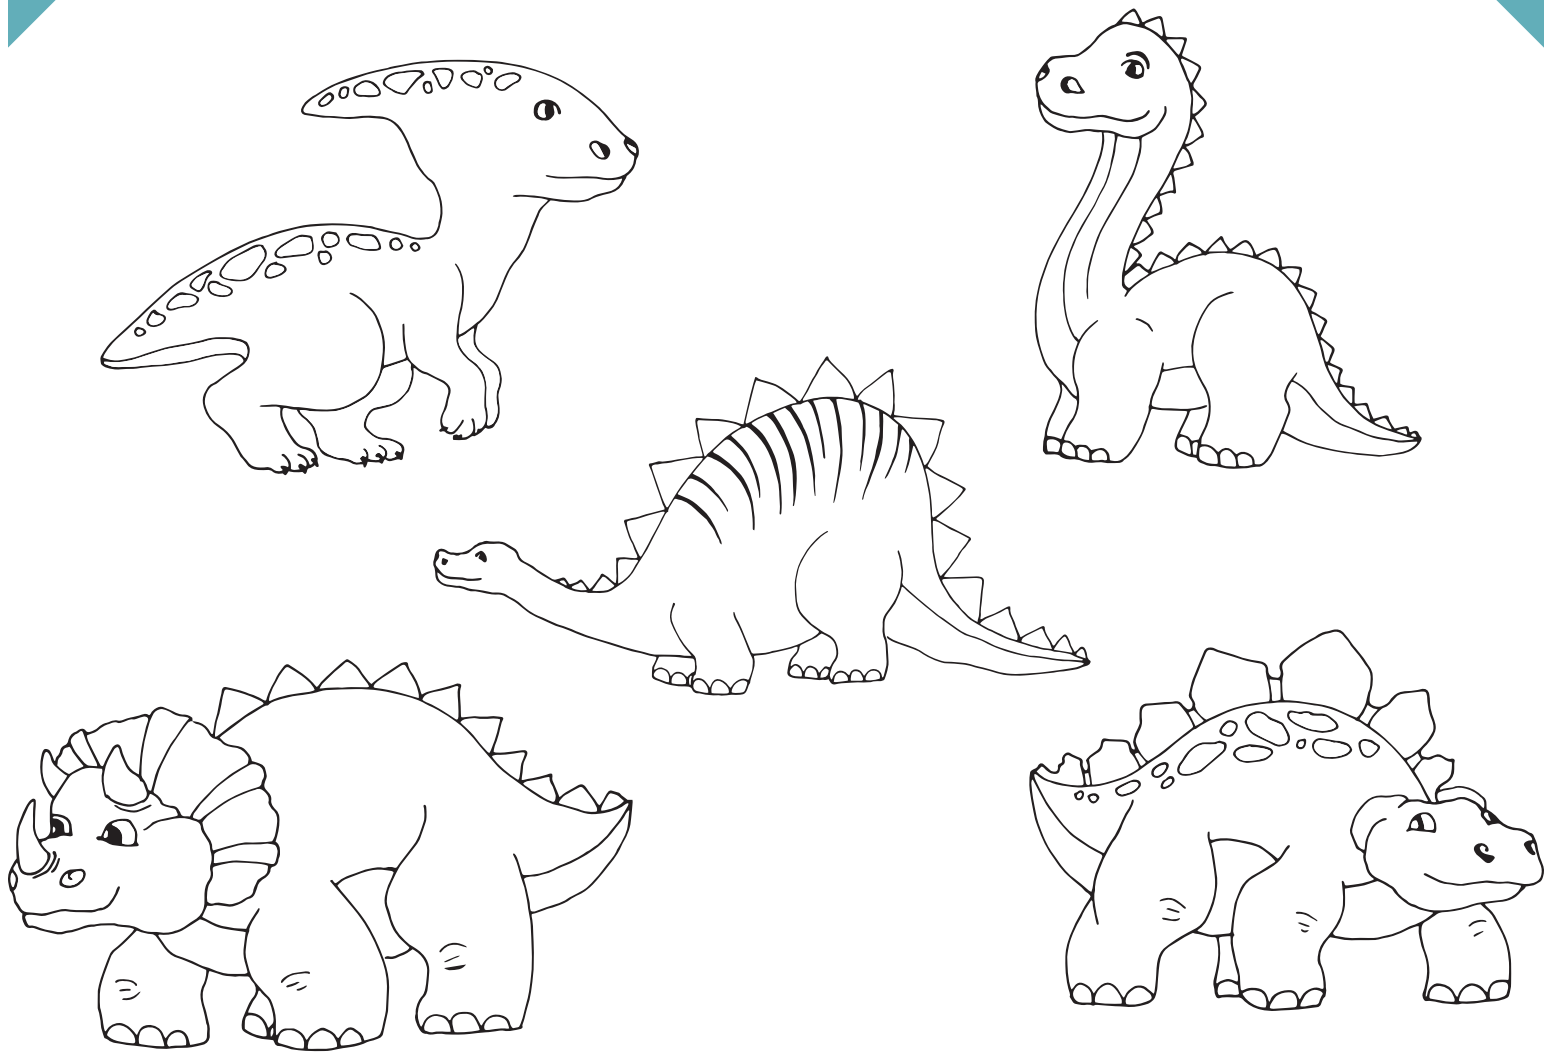

Choose what kind of dinosaur you want to be!  
You put your right claw in,  
You put your right claw out,  
You put your right claw in  
And you shake it all about!  
You do the dino pokey  
And you turn yourself around.  
That's what it's all about!

Repeat with:

Left claw (or wing)  
Horns (or jaws)  
Tail  
Whole dino-self
