

CITY OF AURORA GOLF COURSES – COVID-19 POLICIES

We are pleased to make the City of Aurora golf courses available to golfers during this difficult time. In order to keep the courses open, we need your help with the guidelines outlined below.

- 6-foot social distancing is required at all times on the property. Masks are recommended.
- If players fail to adhere to social distancing and modified operating guidelines, we reserve the right to ask patrons to leave the course immediately. There are no refunds for those asked to leave.
- Anyone with signs of a fever or respiratory ailment will not be allowed on the premises. Please stay home if you do not feel well or you are waiting on a Covid test result. Remember to sanitize or wash your hands often and do not touch your face or mouth.
- From the time you arrive at the course to the time you leave, there is no reason to touch anyone or anyone's equipment other than your own.

Reservations:

- The online system is available to book tee times.
- No walk-on play allowed. All play must be booked online or via telephone in advance.
- The first and last times of the day will vary based on staffing availability at each course.
- Back nine tee times available on a limited basis, please check with the golf courses directly.
- Our golf shops are open. Signage on the floor and out the door will identify how many people can be waiting inside to pay fees. As mandated by the state, face coverings are now required inside our clubhouses.
- We request golfers arrive at the course no more than 30 minutes prior to scheduled tee time.
- Credit cards, Premier/Gift Cards, gift certificates, checks and rainchecks are the only acceptable forms of payment. **At this time, cash payments will not be accepted.**
- Groups must be pre-paid and ready to be called to the tee 5 minutes prior to scheduled time.
- Singles and twosomes should expect to be paired with other golfers during busy hours.

On the Course:

- Carts are available on a first come first served basis, based on your tee time. Please note there are no guarantees that a cart will be available. Golfers from the same household may share a cart. Golfers from different households are allowed to ride in a cart together as long as they are wearing face masks.
- Do not go to the first tee until instructed to do so.

- Scorecards & pencils will be available at each course, either at the counter (one at a time), with the starter or at the starter window. Scorecards can also be downloaded from our website at GolfAurora.com. (click on Golf Courses and pick the course you are playing)
- Push carts available for rent. Personal push carts are allowed.
- Rental clubs available.
- Players are not to touch or remove flagsticks. Foam noodles around flagsticks will prevent balls from falling into cup.
- Restrooms will be sprayed with disinfectant multiple times a day.
- No bunker rakes, ball washers, towel buckets or water coolers on the course. Please use foot to smooth bunker. Please bring your own water bottle.
- Driving ranges and practice areas are open. Until further notice there will be a 40 minute time limit on the driving range.

Clubhouse/Pro Shop:

- With the exception of Meadow Hills, interior clubhouse restrooms are open.
- Restaurants are open for take-out and dine-in services (based on limited occupancy and group restrictions).
- Gathering in or around the clubhouse area is not allowed. Social distancing must be observed at all times.

I understand I am personally responsible for my safety and actions while using the City of Aurora's golf course, facilities, tools or equipment. I agree to comply with City's golf course's policies and rules and agree to hold harmless the City from any and against all losses or liabilities arising either directly or indirectly from my use of the resources. I acknowledge and represent that I have read and agree to the terms of this disclaimer.

Many of our services may vary based on the availability of staffing. We appreciate your understanding as we face this difficult time together. Together we will get through it. Stay healthy!
