Union membership dues and year-to-date totals of dues shall be noted, where possible, in the appropriate space on the employee's pay slip.

Any Fire Fighter who is not a member of the Union and who individually requests in writing that a fair share deduction be made by completing an "Authorization for Payroll Deduction" form shall have such deduction implemented by the City.

The Union agrees to indemnify and hold harmless the City for any loss or damage arising from the operation of this Article, unless such loss or damage is caused or contributed to by actions of the City.

ARTICLE 17 -- RESEARCH COMMITTEE

The findings of the Arbitrator shall be final and binding on all parties concerned.

This Agreement shall become effective January 1, 2023 and all of its provisions shall remain effective through December 31, 2023. Additionally, all provisions which do not have a budget impact shall remain effective from and including January 1, 2023 through and including December 31, 2024.

The parties to this contract mutually desire that all of its provisions shall be and remain effective from January 1, 2023, through and including December 31, 2024. However, in order to ensure compliance with the provisions of the Tabor Amendment, Article X, Section 20(4)(b) of the Colorado Constitution and because the parties recognize that there may be an inability on behalf of the City of Aurora to contract at this time for items with a budget impact until such time as the budget process for the fiscal year 2024 is followed, the parties hereby agree that the Local 1290 shall reopen this contract for negotiations of all items with a fiscal impact (an impact on budget) which are to be effective on January 1, 2024 through and including December 31, 2024. This reopener shall be initiated within the time limits specified by Article XV of the Charter of the City of Aurora. In the event the parties are unable to agree that those items contained in the

Agreement which by their own terms are to be effective on January 1, 2024 shall be placed into effect, then that party which refuses to renew the Agreement at that time shall be deemed to have bargained in bad faith during negotiations leading to the 2024 contract for any and all purposes.

It is specifically understood and agreed that this conclusion of failure to bargain in good faith shall be utilized by any fact finder, mediator, or arbitrator appointed pursuant to Article XV of the Charter of the City of Aurora, and may be the basis relied upon by the fact finder pursuant to Article XV to recommend that those provisions contained in this contract to be effective on January 1, 2024, should be placed into effect on January 1, 2024.

IN WITNESS WHEREOF, the parties hereto have hereunto executed this Agreement as of the date hereof by their respective representatives duly authorized to do so this _____ day of _____, 2022.
