VISION

By providing high-quality and innovative arts education and training, taught by professional artists, the city of Aurora’s Cultural Arts program will create a new generation of artists, patrons, community members and informed citizens and will provide an avenue of expression for young people who are often denied a voice.

FINE ART AND MUSIC

The city of Aurora classes in visual art and music are designed to nurture individual creativity, encourage collaboration, and give participants the chance to explore new and sometimes different experiences in the arts. Supplies are provided for youth classes. Supply lists for adult classes are available online at AurorGov.org/Arts or by calling 303.344.1776.
