

City of Aurora Protocol for Spring Sports (4/27/2021)

- Any player, coach or official who is not feeling well, having a fever at or higher than 100.4, or exhibiting any signs or symptoms of COVID-19, including mild to severe respiratory illness with fever, and/or difficulty breathing, or other symptoms identified by the CDC, is not allowed to participate. Temperatures must be taken prior to game.
- Any player, coach or official who has been in contact with someone who has tested positive for COVID-19 may not attend game. A player who tests positive for COVID-19 must sit out a minimum of 14 days, or provide results of a negative COVID-19 test.
- If a player, coach or official tests positive for COVID-19, governing league must keep active rosters with contact information to provide to local health department.
- There is no longer a limit on spectators for outdoor sporting events. 6 foot social distancing must be maintained for spectators of different households on the sidelines at all times.
- To assist with social distancing, we request that players and coaches wait in their vehicles until the previous game's players and coaches are completely clear and in vehicles. In turn, teams must exit the facility immediately following their game's conclusion.
- No tailgating or congregating in the parking lot.
- A maximum of 50 players can be on the field of play within the boundary lines, excluding coaches or referees/umpires, at a time per court or per field.
- Players and coaches should practice 6 foot social distancing on the sideline and in dugouts. No portable benches are allowed.
- Masks are encouraged, but not required. Please wear masks when utilizing on-site restroom facilities.

- Players should use hand sanitizer before and after the game. Coaches need to keep disinfecting wipes to wipe balls and other game used equipment frequently.
- There will be no handshakes during coin flip or post-game. Use a wave or salute. High fives, chest bumps or other direct contact outside game play is discouraged.
- Avoid spitting, no sunflower or other shelled seeds.
- Players should not share any equipment, snacks or water (no communal jug).
- The city expects the above stated protocols to be followed 100% of the time.

We thank you for your understanding and cooperation. Our utmost concern is that of the health and safety of our community. We feel confident, if we work together, we can be successful!
