11. **PUBLIC HEARING WITHOUT RELATED ORDINANCE**

- a. Public Hearing and Consideration to Appeal the Planning Commission's decision to approve a Site Plan Amendment with Waivers for Ethiopian Evangelical Church located at 445 S Lansing Street in Aurora, Colorado. **(Case Number 1984-6009-09) Approved unanimously at the March 14, 2018 Planning Commission Meeting.** STAFF SOURCE: Daniel Osoba, Planner, Planning & Development Services

Mayor Pro Tem Berzins opened the public hearing on the item.

Mary Alice Reda, Hye Sook Rae, and Don Mroz, Aurora, Colorado, spoke in opposition to the item.

Pastor Endashaw (Andy) Kelkele, Ethiopian Evangelical Church, Aurora, Colorado, spoke in favor of the item.

Keith Zahlier, Aurora, Colorado, stated he was present to answer any site plan questions.

- ◆ ***The City Charter prescribes the Mayor may vote on resolutions and ordinances only to create or break a tie vote of Council Members present. The Mayor Pro-Tem is always permitted to vote on all items.***

Daniel Osoba, Planner, Planning & Development Services, gave a presentation on the item, noting it related to a major amendment to the existing site plan that would allow the expansion of the church.

Council Member Bergan asked Mr. Osoba to speak to the fence on the southern property line. Mr. Osoba did so, noting it belonged to the individual property owners. He confirmed additional landscaping would be put in and the existing landscaping would remain. Council Member Bergan asked staff to speak to the cost of putting in a wall rather than a fence as requested.

Pastor Kelkele discussed the cost of building a wall, noting it would be paid by the congregation and a six-foot fence was already in place and a wall would be cost prohibitive.

Council Member Bergan expressed her appreciation that the church wanted to be good neighbors. She stated her hope that the issue would be resolved and wondered if the City could help in the construction of a wall.

Council Member Roth asked staff to speak to the notice in this case and asked if it deviated from other notice processes. Mr. Osoba answered no and discussed the notice process in the City.

Council Member Johnston agreed maintaining an updated property owner address list was a constant challenge, noting her plan to follow-up in that regard moving forward. She asked how the names and addresses were obtained from the county. Mr. Osoba stated the names and addresses were those of the property owners. Council Member Johnston asked if the notifications were sent by certified mail. Mr. Osoba stated that was so with the public hearing notice, noting the original notice was sent via regular mail. Council Member Johnston asked Mr. Osoba to address the concerns raised in the public comment related to the February 18 notification. Mr. Osoba did so, noting notice for that date was related to a neighborhood meeting that was held during the development process. Council Member Johnston asked where those addresses and names were obtained. Mr. Osoba stated he provided them to the applicant who then sent out the mailers.

Council Member Lawson raised the topic of traffic and parking concerns and asked if a traffic study was conducted in this regard. Mr. Osoba answered affirmatively, noting the study stated that due to the needs of the church, the parking was needed to reconfigure the site and get people off of the street. Council Member Lawson asked if notification to residents for the stealth tower was sent separately. Mr. Osoba noted they were separate applications and zoning did not require notification on stealth towers.

Council Member LeGare raised the topic of light intrusion and asked staff to speak to that concern. Mr. Osoba did so, noting three additional parking lot lights would be added and the highest light level at the property line was .01. Council Member LeGare asked staff to speak to the tree replacement and if those were in addition to the existing trees or was it based on the expansion. Mr. Osoba stated they were two different plantings. Council Member LeGare stated that an additional 27 caliper inches which translated into nine three-inch caliper trees would be planted.

Mr. Osoba concurred.

Council Member LeGare asked staff to speak to the rationale of paying \$22k to the City of Aurora Forestry Tree Mitigation Fund.

Mindy Parnes, Planning, stated it was a standard procedure to use the money to plant back into the general neighborhood or parks within the neighborhood. She stated there was the choice to plant and/or pay into the fund and the applicant chose to plant some back onto the site and to pay some into the fund but the preference of the City was always to plant.

- ◆ ***The City Charter prescribes the Mayor may vote on resolutions and ordinances only to create or break a tie vote of Council Members present. The Mayor Pro-Tem is always permitted to vote on all items.***

Council Member LeGare asked the applicant if they chose to pay rather than plant onto the site. Mr. Zahlier stated there was no feasible space to plant more trees. Council Member LeGare asked staff to speak to the issue of notification.

Dan Money noted courtesy notices went out to let people know that something was coming into their neighborhood and pointed out not having updated addresses, did not make an inefficiency in notice.

Council Member LeGare stated two notices were provided to the adjacent property owners for the two public hearings.

Dan Money concurred, noting notice was received because people attended the Planning Commission hearing to speak in opposition which was the point of notice.

Council Member LeGare asked the applicant if he would consider approaching the southern adjacent neighbors regarding planting trees on their property line at the applicant's expense with the agreement that the neighbors would maintain them. Mr. Zahlier answered affirmatively.

Council Member Gruber referenced the adjacent church, Church of the Latter Day Saints (LDS) and asked if the zoning was the same for both churches. Mr. Osoba answered no, noting everything around the Ethiopian church was zoned R-1 while the church site was zoned R-4. Council Member Gruber asked what could be built at that location if the church was not there. Mr. Osoba stated any high-density residential.

Ms. Parnes confirmed churches and community centers were allowed in all districts.

Council Member Gruber pointed out the LDS church had significant parking which made it not out of the ordinary for the Ethiopian church to also do so.

Mr. Osoba concurred.

Council Member Gruber stated his opinion that the neighbors should not be surprised if the incoming church should have parking similar to the existing church.

Council Member Hiltz expressed appreciation to Mr. Osoba for answering her question about whether anyone with decision-making authority in this matter was a church member and the answer was no.

Mayor Pro Tem Berzins asked if the neighbors and the church representatives have sat down to talk about the issue. Ms. Reda answered no, noting they would love to have a conversation to mitigate their issues. She stated the adjacent property owners did not receive notification until February 5, noting the addresses were not erroneous. Mayor Pro Tem Berzins stated her support of the two groups taking time to communicate. She stated she would like to see an eight-foot cinderblock fence put in along the southern border and asked staff if that was a consideration. She understood it was expensive to do so and asked if anyone has used the tree mitigation in that way. Ms. Parnes stated that was under Forestry's purview, noting the funds had to be used for public services.

Council Member LeGare agreed there should be additional discussions but he did not want to drag the item out too far. He stated City Council wanted to approve it based on staff recommendations but also wanted to use the \$20k for sound mitigation and asked if that was something staff could do. Ms. Parnes stated Planning could not determine how the funds were utilized.

Nancy Freed, Deputy City Manager, stated it was a legal question because the fund was established to either provide for trees on a site or replace trees on a site.

- ◆ ***The City Charter prescribes the Mayor may vote on resolutions and ordinances only to create or break a tie vote of Council Members present. The Mayor Pro-Tem is always permitted to vote on all items.***

Mike Hyman, City Attorney, concurred, noting the potential of waiving the fee and adding the consideration to use the fee to take care of another problem on the site.

Council Member LeGare asked if the item were approved with the potential waiver would staff be able to work with the individual property owners to plant a tree on the property equal to the amount being waived for the applicant. Mr. Hyman agreed that was a consideration in terms of utilizing the tree mitigation fund, noting the Forestry Department would need to approve that use.

Council Member Johnston expressed concerns related to approving the item at this time because of the questions raised related to communication.

*ORIGINAL MOTION*

Motion by Johnston, to defer item 11a for 30 days to allow for further communication between the neighbors and the applicant.

Mayor Pro Tem Berzins discussed the need for communication on both sides.

Council Member LeGare stated his understanding that the applicant could not build an eight-foot masonry fence without a permit.

Mayor Pro Tem Berzins stated her intention for the applicant to hire an engineer and to do the work themselves under the code.

Council Member Bergan pointed out this was approved by the Planning Commission as recommended by staff. She stated she would not support a 30-day delay and asked if the Council outcome would be different if there was a delay.

Council Member Richardson stated his support of the deferral to the next formal Council meeting of May 7, 2018.

Mayor Pro Tem Berzins closed the public hearing on the item.

*SUBSTITUTE MOTION*

Motion by Richardson, second by Gruber, to continue item 11a to the May 7, 2018 City Council meeting.

Council Member LeGare stated he did not support the deferral because he did not believe it would change anything.

Council Member Berzins stated she would like to have the two parties come together.

Council Member Bergan stated she would support the deferral to allow for further communication and possible resolution.

Council Member Roth asked if the plan was to have a staff liaison help to coordinate the meeting.

Mayor Pro Tem Berzins stated her assumption that would be the case.

Mr. Osoba concurred.

Voting Aye: Berzins, Bergan, Gruber, Hiltz, Johnston, Lawson, Murillo, Richardson, Roth

Voting Nay: LeGare

Voting Aye: Berzins, Bergan, Gruber, Hiltz, Johnston, Lawson, LeGare, Murillo, Richardson, Roth

13. **RECONSIDERATIONS AND CALL-UPS**

Motion by Johnston, second by Murillo, to call-up the East annexation Framework Development Plan. (FDP)

Council Member LeGare asked if this call-up related to the annexation of 3,000 acres east of Eastern Hills along with the Framework Development Plan. Council Member Johnston answered affirmatively.

Council Member Bergan asked for more information on the purpose of the call-up. Council Member Johnston stated significant action has been taken in the area and she felt it was important to take the time to understand how the FDP worked with the new comprehensive plan. She stated she did not have a position on the annexation but noted she did have concerns so she was calling it up to verify a few things.

Council Member LeGare stated his support of the call-up because annexation was a very interesting and contentious topic and more conversation was a good idea.

Council Member Bergan stated her support of the item.

Voting Aye: Berzins, Bergan, Gruber, Hiltz, Johnston, Lawson, LeGare, Murillo, Richardson, Roth

14. **GENERAL BUSINESS**

- ◆ *The City Charter prescribes the Mayor may vote on resolutions and ordinances only to create or break a tie vote of Council Members present. The Mayor Pro-Tem is always permitted to vote on all items.*

- a. Consideration to reappoint one (1) member and appoint two (2) members to the Golf Course Advisory Committee. STAFF SOURCE: Linda Blackston, City Clerk, General Management

Council Member Bergan nominated Norman Nuwash and Doug Webb.

Council Member LeGare nominated Corey Orrel.

Motion by Richardson, second by Bergan, to reappoint Richard Johnson to the Golf Course Advisory Committee.

Voting Aye: Berzins, Bergan, Gruber, Hiltz, Johnston, Lawson, LeGare, Murillo, Richardson, Roth

Council Member LeGare nominated Matthew Stephens.

Council Member Hiltz stated her support of the nominations included in the staff recommendations, noting she called and spoke with the board in that regard.

Motion by LeGare, second by Bergan, to appoint Norman Nuwash to the Golf Course Advisory Committee.

Voting Aye: Berzins, Bergan, Gruber, Lawson, Roth

Voting Nay: Hiltz, Johnston, LeGare, Murillo, Richardson

Motion by LeGare, second by Bergan, to appoint Corey Orrel to the Golf Course Advisory Committee.

Voting Aye: Gruber, Hiltz, Johnston, LeGare, Murillo, Richardson

Motion by LeGare, second by Hiltz, to appoint Matthew Stephens to the Golf Course Advisory.

Voting Aye: Berzins, Bergan, Gruber, Hiltz, Johnston, Lawson, LeGare, Murillo, Richardson, Roth

Council Member Richardson noted a point of order that when a nominee received six votes it closed out the other individuals.

Jason Batchelor, Interim City Manager, pointed out the first vote was on a nomination and the second vote was for appointment.

Mike Hyman, City Attorney, clarified six people supported Mr. Nuwash and that motion failed, then there were six votes to support the nomination and the motion for Mr. Orrel and Mr. Stephens so they passed. Therefore the appointments were Matthew Stephens and Corey Orrel and the reappointment was Richard Johnson.

- b. Consideration to appoint one (1) member and Reappoint one (1) member to the Election Commission. STAFF SOURCE: Linda Blackston, City Clerk, General Management
