What is the Festival of Wreaths?

This festive annual fundraiser features wreaths decorated by local businesses, organizations and individuals. Wreaths are donated and sold to the highest bidder through an online auction. Wreath donors decorate a wreath for display and recognition at the museum and online.

AMF selects a few wreaths for a live auction at the opening reception on November 10.

This year's proceeds will provide assistance to pay for the planning and eventual construction of the Museum's New Entrance to provide increased attendance and visibility for all visitors. In addition, a portion of the funding will also go to support the museum's education programs and community events.

Wreath donors can purchase a wreath from the Aurora Museum Foundation for $10. This is NOT considered a donation, it is a sales transaction.

Our Mission: To advocate for broad-based funding and community support to ensure the continued viability of the Aurora History Museum & Historic Sites.

Donation Guidelines

• Must drop off wreaths by deadline or contact staff to make other arrangements.

• All wreaths will be given a “priceless” value unless accompanied by a product or experience with a set fair market value.

• Products, vouchers and/or gift cards must be delivered to the museum to be stored until the auction winner collects the wreath.

• The museum will not post a value unless the product/voucher is at the museum.

• There is no discount for purchasing more than one wreath.

• Suggested total value per wreath of donated products or certificates is $5 - $100.

• Businesses are allowed to donate products without decorating a wreath. Donated products that do not have a wreath will be attached to a decorated wreath.

Decoration Guidelines

• Wreath donors can provide their own wreaths. The average size of a wreath is 24” in diameter.

• All decoration items must be non-perishable.

• You are not required to include products or gift certificates as part of your wreath donation.

• DO NOT use donated products to decorate a wreath. If product is used to decorate a wreath, it will NOT be included in the monetary value of the wreath.
