

NOTICE OF COUNCIL MEETING

MONDAY, November 14, 2022

Members of the public and media are invited to attend in person or remotely through the options listed below. Public comment is welcome for items appearing on the agenda or on any matter of city concern. One hour is dedicated to public comment on non-agenda items at the beginning of every council meeting (Public Invited to be Heard). Each speaker is allotted a maximum of three minutes to speak.

Individuals wishing to comment during 'Public Invited to be Heard' or on an agenda item may register in advance. Online registration begins at 8 a.m. on the Friday before the meeting date, and ends at noon on Monday, the day of the meeting. To register in advance, visit the city's website at www.auroragov.org/PublicComment.

View or Listen Live

Live streamed at www.auroraTV.org

Cable Channels 8 and 880 in Aurora

Call: 885-695-3475

In-person Participation

Members of the public may participate in-person at the Aurora Municipal Center, Council Chamber, 15151 E. Alameda Pkwy. The building will open at 6:00 p.m. on the day of the council meeting.

- Individuals wishing to comment during 'Public Invited to Be Heard' must submit a speaker slip by 6:30 p.m.
- Individuals wishing to comment on an agenda item must submit a speaker slip before the city clerk reads the title of the item.

Call-in Participation

Call the live public comment line at 855-695-3475 and press *3 to reach the operator. The public call-in line opens at 6 p.m. on the day of the Council Meeting.

- Individuals calling in to comment during 'Public Invited to Be Heard' must call in and be in the queue by 6:30 p.m.
- Individuals calling to comment on agenda items must call in and be in the queue before the City Clerk reads the title of the item. Once the Clerk reads the title, no additional calls for that item will be accepted.

Translation/Accessibility

The city provides closed captioning services on Cable Channels 8 and 880. The Aurora Municipal Center is wheelchair accessible with entry ramps and accessible parking located on the west and east side of the building. Please make your request for accommodations or assistance by noon on the Friday preceding the Monday meeting by contacting the City Clerk's Office at 303-739-7094.

If you are in need of an interpreter, please contact the Office of International and Immigrant Affairs at 303-739-7521 by Monday, November 14th at 9:00 a.m. (Si necesita un intérprete, comuníquese con la oficina de asuntos internacionales e inmigrantes en 303-739-7521 por el viernes anterior a la reunión del lunes.)

MINUTES

Regular Meeting of the Aurora City Council

Monday, October 24, 2022

1. **RECONVENE REGULAR MEETING OF OCTOBER 24, 2022, AND CALL TO ORDER**

Mayor Coffman reconvened the regular meeting of the City Council for October 24, 2022, at 6:30 p.m.

2. **ROLL CALL**– Kadee Rodriguez, City Clerk

COUNCIL MEMBERS PRESENT: Mayor Coffman, Bergan, Coombs, Gardner, Jurinsky
Lawson, Marciano, Medina, Murillo, Sundberg, Zvonek

Public call-in instructions were provided in both English and Spanish.

3. **INVOCATION/MOMENT OF SILENCE**– Mike Coffman, Mayor

Mayor Coffman led in prayer and followed with reading the Land Acknowledgement.

4. **PLEDGE OF ALLEGIANCE** (all standing)

5. **EXECUTIVE SESSION UPDATE**

Mayor Coffman stated that during the executive session, council discussed the search of the APD Chief and personnel evaluations for two executive positions.

6. **APPROVAL OF MINUTES**

6.a. **October 10, 2022, Meeting Minutes**

Motion by Bergan, second by Murillo, to approve the minutes of October 10, 2022 as presented.

Voting Aye: Mayor Coffman, Bergan, Coombs, Gardner, Jurinsky, Lawson, Marciano,
Medina, Murillo, Sundberg, Zvonek

7. **PROCLAMATIONS OR CEREMONIES**

7.a. **Veterans Day Minute of Silence**

1

♦ *The City Charter prescribes the Mayor may vote on resolutions and ordinances only to create or break a tie vote of Council Members present. The Mayor Pro-Tem is always permitted to vote on all items.*

Mayor Coffman proclaimed November 11, 2022 as Veterans Day – Minute of Silence.

7.b. Commitment to Combatting Antisemitism

Mayor Coffman proclaimed October 27, 2022 as **a day to reaffirm Aurora’s Commitment to Combatting Antisemitism.**

8. PUBLIC INVITED TO BE HEARD

(non-agenda-related issues only)

Council heard public in-person and call-in testimony on non-agenda-related items.

Mayor Coffman explained that he will hold a public meeting regarding issues on Havana together with Council members Medina and Marcano. He asked for the contact information of the individual that spoke about issues experienced on Havana.

CM Marcano requested the information of the individual that spoke on the increasing rent prices. CM Coombs requested the information of the resident in her ward that spoke on the increasing rent prices and the Multifamily Systemic Inspection Program.

CM Marcano requested the information of the Ward IV resident that expressed concerns about excessive speeding on roadways in the city and residential neighborhoods.

CM Sundberg asked for a status update on the speed radar vans. J. Batchelor said that they have been in contact with the pilot vendor and are working through the process to roll them out in 2023.

9. ADOPTION OF THE AGENDA

Motion by Marcano, second by Jurinsky to adopt the agenda as presented.

Voting Aye: Mayor Coffman, Bergan, Coombs, Gardner, Jurinsky, Lawson, Marcano, Medina, Murillo, Sundberg, Zvonek

10. CONSENT CALENDAR

This portion of the agenda is a meeting management tool to allow the City Council to handle several routine items with one action. Any member of the Council may request an item to be removed from the Consent Calendar and considered separately. Any item removed will be considered immediately following the adoption of the remainder of the Consent Calendar.

10.a. Consideration to AMEND THE SINGLE SOURCE CONTRACT with HDR Engineering, Denver, CO in the amount of \$191,656.00 for I-70/Picadilly Interchange Design-Build Procurement and Program Management Consulting Services

Matt Kozakowski, Transportation Project Delivery Manager / Dave Lathers, Senior Assistant City Attorney

- 10.b. **Consideration to AWARD A COMPETITIVELY BID CONTRACT to Brannan Sand and Gravel Company, Denver, CO in the amount of \$309,859.00 for the 2022 Speed Cushion Installation Services; Project 5901A.**

Waiver of reconsideration is requested due to the urgency to start construction to avoid winter weather delays and asphalt plants shutdown for the season.

Carl Harline, Public Works / Dave Lathers, Senior Assistant City Attorney

- 10.c. **Consideration to AWARD AN OPENLY SOLICITED CONTRACT to Alfred Benesch, Denver, Colorado in the amount of \$6,688,593.51 for CMCI and Material Testing for the I70 Picadilly Design Build Project; R-2262.**

Matt Kozakowski, Transportation Project Delivery Manager / Dave Lathers, Senior Assistant City Attorney

- 10.d. **Grey and Black Market Marijuana Enforcement Grant Program**

Timothy Sherbondy, Grants Analyst / Megan Platt, Assistant City Attorney

Motion by Bergan, second by Sundberg to approve the consent calendar items 10a through 10d.

Voting Aye: Mayor Coffman, Bergan, Coombs, Gardner, Jurinsky, Lawson, Marciano, Medina, Murillo, Sundberg, Zvonek

11. **RESOLUTIONS**

- 11.a. **2023 Employee Pay Table and Classification**

R2022-191 A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF AURORA, COLORADO, APPROVING THE 2023 EMPLOYEE PAY TABLE AND CLASSIFICATIONS

Ryan Lantz, Director of Human Resources / Kim Skaggs, Assistant City Attorney

Ryan Lantz, Director of Human Resources, provided a summary of the item.

CM Sundberg asked who gathers the data for the table of standard or average pay. He asked if it is a subscribed service or if it is done by staff. R. Lantz said that there is a Compensation Division within Human Resources that does the research. They use a variety of different sources to gather data in collaboration with department directors.

CM Coombs asked if there are efforts being done to look at pay rates for lower-wage employees. R. Lantz said they are addressing the issues through recent pay increases applied to all employees that raised their pay above \$15 per hour. The compensation team is also finalizing a new pay table that looks at market data specific to seasonal and part-time positions.

Motion by Sundberg, second by Coombs to approve item 11a.

Voting Aye: Bergan, Coombs, Gardner, Jurinsky, Lawson, Marcano, Medina, Murillo, Sundberg, Zvonek

11.b. Business Safety and Security Upgrade Grant Program

R2022-192 A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF AURORA, COLORADO, EXPRESSING THE AURORA CITY COUNCIL'S SUPPORT FOR ADDITIONAL FUNDING FOR THE BUSINESS SAFETY AND SECURITY UPGRADE GRANT PROGRAM USING ARPA FUNDS

Sponsor: Curtis Gardner, Council Member

Kendall Koca, Manager of Special Projects / Tim Joyce, Assistant City Attorney

Kendall Koca, Manager of Special Projects, provided a summary of the item.

Motion by Gardner, second by Bergan to approve item 11b.

Voting Aye: Bergan, Coombs, Gardner, Jurinsky, Lawson, Marcano, Medina, Murillo, Sundberg, Zvonek

11.c. 4th Amendment to 22nd Outfall to Westerly Creek Improvement Plan

R2022-193 A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF AURORA, COLORADO, EXPRESSING THE AURORA CITY COUNCIL'S SUPPORT OF THE AMENDMENT TO AN INTERGOVERNMENTAL AGREEMENT BETWEEN THE CITY OF AURORA COLORADO ACTING BY AND THROUGH ITS UTILITY ENTERPRISE AND THE URBAN DRAINAGE AND FLOOD CONTROL DISTRICT, d/b/a MILE HIGH FLOOD DISTRICT REGARDING FINAL DESIGN AND CONSTRUCTION OF DRAINAGE AND FLOOD CONTROL IMPROVEMENTS FOR 22nd AVENUE OUTFALL TO WESTERLY CREEK

Sponsor: Steve Sundberg, Council Member

Swirvine Nyirenda, Planning and Engineering Services Manager / Ian Best, Assistant City Attorney

Sarah Young, Aurora Water Deputy Director of Planning & Engineering, provided a summary of the item.

Motion by Sundberg, second by Coombs to approve item 11c.

Voting Aye: Bergan, Coombs, Gardner, Jurinsky, Lawson, Marcano, Medina, Murillo, Sundberg, Zvonek

11.d. Proposed Modifications to Moral Obligations Policy and Review of Existing Moral Obligations

R2022-194 A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF AURORA, COLORADO, ADOPTING A POLICY ON THE USE OF MORAL OBLIGATION PLEDGES BY THE CITY

Teresa Sedmak, City Treasurer / Hanosky Hernandez, Senior Assistant City Attorney

Teresa Sedmak, City Treasurer, provided a summary of the item.

Motion by Bergan, second by Coombs to approve item 11d.

Voting Aye: Bergan, Coombs, Gardner, Jurinsky, Lawson, Marcano, Medina, Murillo, Sundberg, Zvonek

11.e. Homelessness Initiative

R2022-195 A RESOLUTION FROM THE CITY COUNCIL OF THE CITY OF AURORA, COLORADO, EXPRESSING THE AURORA CITY COUNCIL'S DESIRE TO REDUCE THE NUMBER OF PEOPLE EXPERIENCING HOMELESSNESS THROUGH EMPLOYMENT-BASED PROGRAMMING AND CONDITIONS-BASED TRANSITIONAL HOUSING THAT LEADS TO SELF-SUFFICIENCY. THE CITY COUNCIL DIRECTS THE CITY MANAGER AND HIS STAFF TO SUPPORT THIS EFFORT BY DEVELOPING AND EXECUTING A COMPREHENSIVE APPROACH THAT ALIGNS WITH THE NECESSARY SUPPORT TO MEET THE NEEDS OF THE DIVERSE HOMELESS POPULATION IN AURORA

Sponsor: Mike Coffman, Mayor

Mayor Mike Coffman provided a summary of the item.

Council heard public in-person testimony.

Discussion on the Bergan Amendment

Mayor Pro Tem Bergan offered an amendment that states the campus will be operated by nonprofit organizations in which no general fund revenues will be used for the construction, maintenance, and operations of the campus. Mayor Coffman considered this a friendly amendment. Mayor Pro Tem Bergan clarified that CDBG and ESG funds may be used.

Mayor Coffman said that operations in Colorado Springs and Haven for Hope have as many partners on the campus as possible for mental health, addiction recovery, job training, etc.

CM Marcano expressed concerns that the campus is not just an initiative of Aurora, and they are getting support from the state and other jurisdictions. He asked if the funding requirements have been discussed and if they are expecting Aurora to contribute from its homeless fund. Mayor Coffman said the city will negotiate with surrounding jurisdictions. He mentioned that Adams and Arapahoe County Commissioners have signed off. He asked for updates from J. Prosser. Mayor Pro Tem Bergan added that the

land is city-owned. J. Prosser said the grant monies from the state require a 50% match. But the final version of the NoFo is not out yet.

CM Marcano expressed concerns about the contribution, the required match, and the language possibly sending the wrong signal. Mayor Pro Tem Bergan said they will communicate with partners for clarification. She added that they can still use CDBG, ESG, and marijuana funds. R. Venegas clarified that marijuana funds are considered general funds. Mayor Coffman said they can also use ARPA dollars on the capital construction side. He added that they will negotiate with all partners. He mentioned the operator is still expected to raise the money. He reiterated that Mayor Pro Tem Bergan wrote that no more of 10% of the general fund revenues could go to it and they can always go back to Council for amendments depending on what the partners do. He mentioned it is better to say that no general fund dollars would be used at this point in time.

Mayor Pro Tem Bergan said the land also has value. J. Prosser said an appraisal will be done to determine the value of the land and it would be part of the match amount. Mayor Pro Tem Bergan clarified that they are reducing the reliance on general funds. She stressed that it is a different model since they are looking for partners and a nonprofit organization will be responsible for fundraising. Mayor Coffman mentioned that Haven for Hope and Colorado Springs have families outside the campus run by a partner nonprofit. He added that they need to see what other jurisdictions and the state will contribute. He mentioned that it is wrong to give the burden to Aurora taxpayers for a facility whose area is beyond city limits.

CM Marcano said that he agrees with the intent. He mentioned he is fine with the amendment as long as they are open to revisiting it. Mayor Pro Tem Bergan said she is open to revisiting this.

Discussion on the First Marcano Amendment

CM Marcano mentioned he is offering 17 amendments and said they are more aligned than not with the proposed resolution. He added that his preference is to not do a campus, but he understands that staff has a good reason for wanting to do it. He explained that his goal for the amendments is to serve as many people as possible through the investment and incorporate best practices into the resolution. CM Marcano offered his first amendment which revises the first paragraph of the resolution into: evidence-based policy that prioritizes housing, supportive services, and workforce development opportunities that lead to self-reliance.

Mayor Coffman asked why “employment-based programming and conditions-based transitional housing that leads to self-sufficiency” should be removed. CM Marcano explained that Haven for Hope, Houston, and Colorado Springs said that conditions become barriers to serving as many people as they can. This is since individuals must first be sound of body, sound of mind, and able and willing to work to participate in the Work-First Programming. A lot of unhoused do not fall into this category. He explained that his amendment will address the exclusion. Mayor Coffman said that for Phase 1, the campus will provide emergency services to anyone irrespective of their participation

in a program or case management. He mentioned that he liked the language for those moving into Phase 2 and Phase 3.

CM Zvonek recalled that San Antonio talked about having requirements for participation and services as barriers to entry. He said that he looked at HUD numbers which state that there are over 1 million people experiencing homelessness. But people who are in transitional housing which has requirements are not included in the count. Between 2007 and 2014, there was a 31% drop when wraparound services for participants were required. When Housing-First became a policy, there was an increase in homelessness. He mentioned that the programs may be chasing federal dollars, compromising their program, and not doing what's best for the unhoused population. He stressed that Housing First in the early stages can offer false hope and looks like socialism in the late stages.

CM Marciano said that he is ensuring that any project that the city invests in serves the maximum population possible. He mentioned that the Bridge House's model doesn't reach everybody that they could. Mayor Pro Tem Bergan said that she is not comfortable with the amendment's language. She added that she does not want to take out condition-based transitional housing. She mentioned that if there are no conditions, then there are no incentives to move into counselling, drug addiction services, and eventually self-actualization. She stressed that this is much more compassionate than simply putting people in housing that continue to have mental health problems or drug addiction.

Mayor Coffman explained that the first tier of the resolution talks about low-barrier entry for those experiencing homelessness and who need emergency services. He reiterated that the resolution expresses the council's desire to reduce the number of people experiencing homelessness through employment-based programming and conditions-based transitional housing. He stressed that he wants to retain the language.

CM Coombs clarified that the proposed amendment does not reduce the prioritization of employment and supportive services. She highlighted that prioritizing housing does not change the resolution's thesis. Based on the evidence, ensuring that people have housing leads to success. She mentioned that the amendment highlights supportive services that include case and addiction management and workforce development opportunities which is employment. Mayor Pro Tem Bergan asked why they are taking out the original language instead of blending the two together.

Mayor Coffman mentioned that CM Marciano will present amendments that they did agree on that would require reporting by the contractor for visibility and transparency. This will include reports on program and job training participation. He said that these would accomplish the evidence-based approach. CM Murillo commented that the language including "evidence-based policy" is more accurate and encompassing and will pave the way for the effective and efficient use of taxpayer dollars. Mayor Pro Tem Bergan mentioned that they don't know what the evidence is at this point.

Discussion on the Second Marciano Amendment

- ◆ ***The City Charter prescribes the Mayor may vote on resolutions and ordinances only to create or break a tie vote of Council Members present. The Mayor Pro-Tem is always permitted to vote on all items.***

CM Marcano proposed his second amendment. Mayor Coffman stated that he had substantial discussions with the individual that developed the Colorado Springs Rescue Mission Campus, Mr. Yonker. He said that the individual felt that the language is fine and would be helpful for the nonprofit that operates the facility in terms of making their case for the increase in homelessness.

Discussion on the Third Marcano Amendment

CM Marcano proposed his third amendment. Mayor Pro Tem Bergan said that the conditions and incentives set by the Colorado Springs Rescue Mission were good and helped people transition. She said that she would like to keep some of the conditions in the language. Mayor Coffman mentioned that Mr. Yonker said that the language in the amendment is fine.

CM Marcano reiterated that his goal is to serve as many people as possible. He mentioned that there is evidence showing that more hurdles and conditions added to recovery programs increase the difficulty of people to succeed. If the unhoused individuals have underlying conditions that would make them not want to participate in the program, then the number of unhoused will not drop. CM Marcano said that they **can't have conditions as a default requirement. He said that they can have different** buckets of services and programming for people who might be open to the programs.

Mayor Pro Tem Bergan expressed concerns regarding individuals with drug addiction problems that would be offered housing but would not be required to be accountable. CM Zvonek stressed that their goal should be helping people become self-sufficient with the right services and support. He restated the increase in the number of people experiencing homelessness because of the Housing-First Policy. He mentioned that housing should be a part of the solution for the small segment of the unhoused **population that can't be self-sufficient** because of mental or physical disabilities. However, services should be required for most of the population. He said that they are simply hiding the homeless if they were to put them in housing but not change their condition and not help them become self-sufficient.

CM Marcano said that it is disingenuous to attribute the rise in homelessness to Housing First given that they experienced the Great Recession, eviction crises, and ballooning house prices at the time. He said there are studies done that indicate the leading cause of homelessness is the inability to afford shelter. He said putting people in shelters sets them up for greater success in the future. If they were to provide people with housing, they will continuously be checked in on and not simply left alone.

Mayor Pro Tem Bergan mentioned that if a person with a serious drug problem is housed and continuously refuses to seek help, then they are getting free housing being paid for by taxpayers. She stressed that they want to entice these individuals to have hope and move toward recovery. She stated that it would not be ideal to set zero expectations, conditions, and accountability. CM Marcano asked if these people would be better off on the street. Mayor Pro Tem Bergan said that the city offers pallet homes and other alternatives.

CM Coombs called for a point of order. She asked if the mayor votes on amendments regardless of a tie. D. Brotzman said that until the final resolution, the mayor is allowed **to vote on the amendments**. K. Rodriguez noted Mayor Coffman's votes for the first three Marciano Amendments.

Discussion on the Fourth Marciano Amendment

Mayor Pro Tem Bergan expressed her opposition since the amendments take out the conditions and the people can get housing but choose not to get help. Mayor Coffman stated that Mr. Yonker is okay with the amendment since the low-barrier housing is **available to everybody**. He added that Mr. Yonker didn't feel that the amendment conflicted with the program as envisioned. Mayor Pro Tem Bergan asked if the conditions on transitional housing are being taken out and letting people make their **choice if they want to get help**. Mayor Coffman said that they can't force people. Mayor Pro Tem Bergan said that transitional housing and low-barrier housing should be differentiated. She added that the city already offers low-barrier housing.

Discussion on the Gardner Motion to Table

CM Gardner stated that the item should be pulled and voted on when it is ready. Mayor Pro Tem Bergan agreed. CM Marciano said that it should go to the HORNS Committee for a discussion before being brought back to the full council. CM Gardner said that there is no reason to debate through all the proposals given that most have already been agreed upon by the proposer and the sponsor.

Mayor Coffman said that this is a major policy that needs to move forward, and the changes being made are not very substantive. Mayor Pro Tem Bergan said that they are making substantive changes and she might end up opposing the resolution. CM Sundberg commented that the amendment will take a bite out of the proposal changing the conditions-**based approach to allowing the person to decide and be the "CEO of their own life"**. CM Marciano said that they can't force people to change but they can give opportunities. Mayor Pro Tem Bergan commented that they can give conditions. CM Marciano stated that the language is in keeping with best practices and that the people must have buy-in for any good recovery program. Mayor Pro Tem Bergan commented that she thinks that CM Marciano is against the resolution and is offering 17 amendments to sabotage it.

CM Coombs said that if they expect people to be self-sufficient, then they should expect **them to be "CEO of their own life."** People experiencing homelessness need to have control over what they are deciding to do and how they do it. CM Coombs stressed that they should respect these adult human beings to support them instead of only giving them the tools and opportunities once they do what they're told. She said that they should look at what Mayor Coffman and CM Marciano are doing in a positive way, which is compromising and coming to a sense of agreement.

CM Gardner recommended sending the item to the committee prior to being discussed by the full Council. CM Jurinsky commented that it would be a wasted step. She said

DRAFT

that the mayor should decide which amendments he considers friendly and comes back with one resolution.

Mayor Coffman asked when the process starts for the state grant application. J. Prosser said that the State NoFo is coming out on November 15th. Then they will have more information regarding the application and the deadline, which is anticipated to be in January. Mayor Coffman said that he allowed amendments to be considered since many do not appear to be substantive. He added that he will forward a proposal without multiple amendments. He offered a substitute motion to delay the item for two weeks to the next Regular Meeting. CM Gardner accepted this as a friendly amendment.

Motion by Coffman, second by Zvonek to approve item 11e.

Motion by Bergan, second by Coffman to approve the Bergan amendment adding "Whereas the campus will be operated by nonprofit organization(s) in which no general fund revenues will be used either for the construction, maintenance, or operations of the campus."

Voting Aye: Bergan, Gardner, Jurinsky, Lawson, Marcano, Medina, Murillo, Sundberg, Zvonek

Voting Nay: Coombs

Motion by Marcano, second by Coombs to approve the first Marcano Amendment which revises **the first paragraph to state** "evidence-based policy that prioritizes housing, supportive services, and workforce development opportunities that lead to self-reliance."

Voting Aye: Coombs, Marcano, Medina, Murillo

Voting Nay: Bergan, Gardner, Jurinsky, Lawson, Sundberg, Zvonek

Motion by Marcano, second by Coffman to approve the Second Marcano Amendment, adding "WHEREAS, homelessness in Aurora has been increasing for years and has dramatically increased since the onset of the COVID-19 global pandemic."

Voting Aye: Bergan, Coombs, Gardner, Jurinsky, Lawson, Marcano, Medina, Murillo, Sundberg

Voting Nay: Zvonek

DRAFT

Motion by Marciano, second by Coombs to approve the Third Marciano Amendment which revises the Whereas **Clause to state** "WHEREAS, the City Council (Council) of the City believes, that providing an approach of supportive services with defined conditions and incentives can transform the lives of people experiencing homelessness and it is inhumane and far more expensive to allow people experiencing homelessness to languish on the streets than it is to provide housing with supportive services to this population and help put them on a path toward self-reliance."

Motion by Jurinsky, second by Zvonek to close debate on the Third Marciano Amendment.

Voting Aye: Bergan, Gardner, Jurinsky, Lawson, Marciano, Medina, Sundberg, Zvonek

Voting Nay: Coombs, Murillo

Motion by Marciano, second by Coombs to approve the Third Marciano Amendment which revises the Whereas **Clause to state** "WHEREAS, the City Council (Council) of the City believes, that providing an approach of supportive services with defined conditions and incentives can transform the lives of people experiencing homelessness and it is inhumane and far more expensive to allow people experiencing homelessness to languish on the streets than it is to provide housing with supportive services to this population and help put them on a path toward self-reliance."

Voting Aye: Coombs, Marciano, Medina, Murillo

Voting Nay: Bergan, Gardner, Jurinsky, Lawson, Sundberg, Zvonek

Motion by Marciano, second by Murillo to approve the Fourth Marciano Amendment which revises the Whereas **Clause to state** "that empower individuals experiencing homelessness to choose for themselves their path to self-reliance, to include mental and physical health care, job training, educational assistance, and low-barrier housing."

Motion by Gardner, second by Jurinsky to table item 11e until the next Regular Council Meeting.

Voting Aye: Coffman, Bergan, Coombs, Gardner, Jurinsky, Lawson, Marciano, Medina, Murillo, Sundberg, Zvonek

Erik Gates, Planner, provided a summary of the item.

Mayor Coffman closed the public hearing.

Motion by Bergan, second by Medina to approve item 12b.

Voting Aye: Bergan, Gardner, Jurinsky, Lawson, Marcano, Medina, Murillo, Sundberg, Zvonek

13. **PUBLIC HEARING WITHOUT RELATED ORDINANCE**

14. **INTRODUCTION OF ORDINANCES**

14.a. **2023 Adopting Budget**

2022-58 AN ORDINANCE OF THE CITY OF AURORA, COLORADO, ADOPTING AN OPERATING AND CAPITAL IMPROVEMENTS PROJECTS BUDGET FOR THE FISCAL YEAR BEGINNING JANUARY 1, 2023, AND ENDING DECEMBER 31, 2023

Greg Hays, Budget Officer / Hanosky Hernandez, Senior Assistant City Attorney

Council heard public in-person testimony.

Greg Hays, Budget Officer, provided a summary of the item.

CM Zvonek commented that prior to the Patterns and Practice Report by the Attorney General, the city created the Office of the Independent Monitor with four FTE created but never filled, and ultimately eliminated as a budget-saving opportunity. This is because an independent monitor was hired for over \$700,000 a year to do the job of the created

FTEs for as long as the consent decree is in place. CM Lawson stated that they are different functions since the police monitor is more public facing while the auditor is more internal and looks at the programs through a policy lens. She stressed that the independent monitor looks at incidents and complaints brought in by the community. She stated that she will propose reinstating the independent monitor position. CM Zvonek replied that the recently hired independent monitor through the consent decree monitors policies and practices and makes recommendations, which are the tasks of the original office. He reiterated that the roles are duplicative. CM Lawson restated that the police monitor is not more public facing with the community.

Mayor Pro Tem Bergan mentioned that they asked J. Twombly during the Budget Meeting if the four FTE positions were needed despite having an independent monitor through the consent decree. J. Twombly said that there is an overlap. The independent police monitor intakes citizen-initiated complaints and conduct investigations as a public-facing independent review of police actions. They also discussed the roles of a consent decree monitor and an independent police monitor at **the Attorney General's Office**. He mentioned that the three positions at the Office of the Independent Police Monitor were not filled due to concerns regarding confusion between the two roles and not being privy to what the implementation of the consent decree would look like. J. Twombly explained that the consent decree monitor looks at practices, policies, the use of force, internal investigations, etc.

Mayor Pro Tem Bergan said that they are saving over \$500,000 by not filling the **positions since they are paying \$700,000 to the Consent Decree Monitor's team to look** at the practices and policies. J. Twombly added that they look at practices and policies as it relates to the patterns of practice investigation and its findings. Mayor Pro Tem Bergan suggested fulfilling all the needs of the consent decree, which could take another four years, and then adding back in the independent police monitor and filling the positions. J. Twombly said that it is a policy decision. He mentioned that he would not strongly advocate for filling the independent police monitor position as an economic decision. He mentioned that they could always add the position later.

CM Murillo mentioned that she was uncomfortable with eliminating the positions. She mentioned that the consent decree monitor is only temporary. She stressed that budgets are moral documents, and they should be willing to state that it is a department and position that will have filled regardless of a recession. She **said that it doesn't sound** guaranteed that this position would be revisited and implemented in a few years. They could guarantee that it continues if it is incorporated into the 2023 Budget. CM Murillo recalled other council members having to cut the budget for their own proposals, such as **the occupational task**. She expressed support for CM Lawson's proposal to keep the positions in the budget in addition to the DEI position. She mentioned that the office is new, and time, resources, and budgets are required for it to grow and thrive. She stressed the importance of investing in equity, access, and diversity regardless of fiscal position.

CM Zvonek mentioned that the office was created before the consent decree. He stated that if they were not under the consent decree, the three positions would be appropriate. He stressed that the monitor, even if temporary, would be in the city for no less than

four years for over \$700,000 a year. Once that is completed, the money being spent on the consent decree monitor could then be put to fund the office and its positions. If they held money in the budget for the three FTEs in question, the money could not be spent on other priorities.

Discussion on the Marciano Amendment

CM Marciano asked about the \$419,000 amount. G. Hays explained that it is the amount from the elimination of the vacant police monitor program. CM Marciano mentioned that the consent decree monitor position will lapse. He suggested hiring a manager for the office to be trained by the current consent decree monitor on the job and to ensure a clean transition. The manager will then be responsible for training the additional FTEs of the office.

Mayor Pro Tem Bergan said that the consent decree monitor probably has four more years. She reiterated that they are heading into a recession and are talking about spending \$419,000 on vacant positions despite the need being met by the Consent Decree Monitor. She suggested getting through the next budget year, revisiting it, and adding one position first. CM Coombs mentioned that it would be fiscally responsible to not spend the money that was already budgeted. She mentioned that the budget is already balanced with the \$419,000 to be held over as the office is built back up. She **expressed support for CM Marciano's** idea to have a transition person. She said that if they are in dire fiscal strains, they are not looking for what else to cut to fund the positions when they are finally needed. CM Coombs stressed that holding the money aside in general management guarantees having funding for the program in the future.

CM Lawson expressed support for CM Marciano's proposal to have one person for the transition and CM Coombs' proposal of putting the money in the general management fund. She mentioned that the Budget Workshop was not televised, and the community did not know what was happening.

Mayor Pro Tem Bergan asked if they are supposed to be voting on a budget that is already balanced. G. Hays said yes. Mayor Pro Tem Bergan asked if holding the \$419,000 would create extra money. G. Hays said that budget cuts were done in the workshop and the budget was lowered by \$775,000. He explained that if something were to be added back in, it would still be balanced because the budget was cut enough. Mayor Pro Tem Bergan said that she is not supporting adding something that the city **already has, and it would only make sense to have the positions if there isn't a** consent decree monitor. She suggested putting the FTEs back in the budget in one or two years depending on the status of the consent decree. She recalled CM Lawson voting to eliminate the positions during the workshop. CM Lawson explained she changed her position because she received additional information, talked to community members, and reviewed her previous vote.

CM Coombs clarified that the proposal is not to duplicate the consent decree monitor but to have an internal position that provides the necessary structure and institutional knowledge to support the transition of the consent decree monitor to an Independent Police Monitor. The manager will also perform some of the functions that the consent

decree monitor does not perform. She stressed that expecting a seamless transition without having a person with institutional knowledge is a problem. She proposed a friendly amendment to fill the one position and hold the remaining funds for the two FTEs in general management as a guarantee for the future of the program.

Mayor Pro Tem Bergan asked why there are three positions. J. Twombly explained that there is a monitor, investigator, and admin person. Mayor Pro Tem Bergan asked what the current process is. J. Batchelor clarified that APD has its own investigations for **discipline. If there's any criminal action, an outside agency would review it. The Office of** the Independent Police Monitor conducts its own investigation independent of APD. Mayor Pro Tem Bergan asked if the Consent Decree Monitor Team has investigators. J. Batchelor said that the team looks at different areas identified by the consent decree including use of force, documentation of stops, racially biased policing, etc. There is a team of experts that do research into those areas and other issues.

CM Gardner expressed interest in CM Marciano's proposal but said that it needs to be more fleshed out in terms of cost and responsibilities. He said that he is interested in funding the position in the Spring Supplemental. He mentioned that the Police Chief finalists said that the consent decree may be in place for 7 to 10 more years and CM Gardner stressed that he does not want to waste taxpayer money on duplicative positions. He mentioned that they cut several positions in other departments in addition to the DEI office and the Office of the Independent Monitor. He said that they are not wasting taxpayer money on vacant positions, instead, put them into other priorities.

CM Zvonek agreed with CM Gardner and said that it makes sense to have someone for **the transition, but they still don't know when it will be. He explained that the Consent** Decree Monitor Contract is more expensive early on and tapers towards the end. Funding will be available for the Independent Monitor using the funds allocated in the contract toward the end. He said that the \$775,000 that is freed up could be used to build up reserves for the potential recessionary period. He said that it is irresponsible to keep money in the general management fund but not fill the roles and only fill one role for the transition out of the consent decree, which does not yet have an end date.

D. Brotzman explained that the Charter states that the mayor may not vote on ordinances or resolutions unless it is to make or break a tie. The Council Rules state that the mayor is not entitled to vote on any resolution, ordinance, or amendments thereto **and that the mayor votes on all motions. For consistency, the mayor's vote on** amendments will not be recorded unless to make or break a tie.

Discussion on the Gardner Amendment

CM Gardner proposed his amendment which brings the authorized force from 774 to 778. He explained that he understands that these may not be filled until the end of 2023, but it is important to comply with the consent decree. Mayor Coffman asked what the positions do. J. Batchelor explained that the four sworn officers would cost \$113,000 ongoing and \$45,000 one-time for each position. Currently, there are 40 to 45 unfilled positions in terms of authorized staffing. CM Gardner added that they are not dedicated to anything specific and could be patrol or otherwise. J. Batchelor added that they would

not be put into the shift soon since the positions cannot be filled until the end of the year. As soon as they are available, they will be put on the street.

CM Zvonek offered an amendment to have it take effect in the fourth quarter to give some budget savings but still comply with the 778. CM Gardner took this as a friendly amendment.

CM Marcano mentioned that they can meet the requirement without sworn officers. This is why the 12 FTEs were changed to 7 since they would still be in compliance with the mandate to dedicate resources to public safety. He stated that Chief Oates said during the Budget Workshop that if the number of Civilian Traffic Officers is boosted, it is a 1:1 differential and a cost savings since they take menial tasks off the sworn officers.

CM Marcano offered an amendment to switching the sworn to civilian positions to provide immediate relief.

Mayor Pro Tem Bergan mentioned that they are mandated to have two officers per 1,000 population. J. Batchelor confirmed that under the consent decree with the Aurora Police Association, two sworn post-certified officers are needed per 1,000 population. The 778 officers are the staffing target for December 15th, 2023.

CM Murillo asked for clarification regarding the 1:1 return for transitioning a sworn officer to a civilian position. She mentioned that it is less expensive to hire for a civilian position. She added that they could afford more civilian positions to provide the needed administrative relief to the department. G. Hays stated that they added 7 civilian positions for \$500,000, which is \$72,000 per civilian. Adding the four police officers for a quarter of the year would be \$113,000 ongoing.

CM Zvonek reiterated that they have to be authorized at 778 by December 15, 2023 to be in compliance with the agreement. He mentioned that Chief Oates said that filling civilian positions would be a significant help. A 2017 staffing study indicated that civilian positions could benefit the APD and take some administrative burden. However, there are staffing issues to consider. If Chief Oates could fill the roles and come back in the Spring Supplemental, Council would be happy to look at more civilian-type roles. He said that it is fiscally responsible to hold the money only from Q4 of 2023 since they are roles that are difficult to fill.

CM Coombs mentioned that they were told at the Budget Workshop that the civilian positions could count toward the modified stipulated consent decree with the APA. J. Batchelor explained that the council that entered into the consent decree limited the scope to provide two officers per 1,000. Mayor Pro Tem Bergan said that they can go above 2 per 1,000 with the civilians, but the two police officers are still required. J. Batchelor added that the modified consent decree defines a police officer as post-certified.

Mayor Pro Tem Bergan expressed support for CM Gardner's amendment and CM Zvonek's proposal of filling it in Q4 of 2023.

CM Marcano stated that strict formulas for staffing are not considered best practices. He mentioned that the International Association of Chiefs of Police holds the same position. He said that staffing should be based on need, which could be sworn or civilian. He asked if the Modified Stipulated Consent Decree is actually enforceable given that the APA is no longer the bargaining unit for APD. D. Brotzman said that the Council previously directed the City Attorney to enter the consent decree and has given prior authorization to move forward with the language.

CM Murillo said that they entered into an agreement that they should have staffing at a certain level regardless of whether they can fill the position or not. Speaking regarding the consent decree monitor, she mentioned that there are some logical fallacies that they are okay in one area with the same type of arrangement, but not in another.

CM Coombs called for a point of order. She stressed that CM Marcano made a substitute motion to switch the sworn to civilian positions to provide immediate relief. Mayor Coffman said that CM Gardner did not answer whether it was a friendly amendment or not and it was not offered as a substitute motion. He explained that the motion was not recognized since it was not formally made.

Discussion on the Coombs Amendment

CM Coombs proposed adding back the position in the DEI office that was eliminated despite it not being vacant for years. She stressed that they should also give this office a few months as a courtesy to fill the positions instead of cutting them. They need the time and opportunity to build up what they are doing for the community regarding diversity, equity, and inclusion. Mayor Pro Tem Bergan explained that the office has two filled positions, while one position remains vacant and costs \$157,900. She said that the office **has not yet provided its reports. She added that she doesn't see the need to add another position**, but they could do so next year. She reiterated that they need to be careful with the budget in light of the recession.

CM Sundberg mentioned that they examined vacancies across the city. He stated that he acknowledges that vacancies can create stress with an increased workload but can also create efficiencies in doing the same amount of work with fewer people. He said that he feels that the answers fell short when he asked questions regarding the structure of the department, analysis of productivity, and success measures. CM Jurinsky mentioned that the DEI Office was not supposed to be an entire office. One person was hired to be the DEI officer and then more positions were added. It has since been reorganized and restructured into the HR Department. CM Murillo also asked why one position became three.

J. Twombly explained that the Assistant City Manager moved into the DEI office. During the first year, the budget included consultants who trained with employees. Then, a second position was added to rely less on consultants which are more expensive. The third position was added for admin support since they used to be supported by the City **Manager's Office** admin staff. CM Murillo summarized that the positions grew based on need. She said that it makes sense that a new office or department grows for it to be successful. She added that an office of three people is not that much. She said that they

are moving backward with creating the DEI but not truly funding it at the required staffing levels.

CM Jurinsky asked if there will be additional admin support since the DEI has moved into HR. J. Twombly said that HR would not be able to provide admin support since they are already stretched thin. He added that the admin person is still part of the DEI, but the manager position was deleted from the budget.

Mayor Coffman said that there is a bias in the administration towards employees versus contracts. He asked G. Hays to provide numbers on what was spent on contract support for the DEI functions compared to adding another person in-house. G. Hays said that they will research this.

CM Coombs mentioned that the DEI office looks at contracts and procurements. She asked how HR relates to and has expertise associated with that component. She asked how the work of the DEI office will get done by removing another position. T. Velasquez said that they have a partnership with the DEI Director on initiatives regarding procurement.

Mayor Pro Tem Bergan said that there are people willing to work flexible hours or part-time for admin duties. She suggested that temporary staffing may be more efficient than adding FTEs with high salaries and benefits. She added that she wants to see an audit of the office or reporting of what gets done before adding another position. Mayor Pro Tem Bergan expressed that she will not be in support unless additional information is provided.

Mayor Coffman asked when the spring supplemental will be. Staff stated that it would be around April 2023. Mayor Coffman said that he will look at the position in terms of functions, contracts, and efficiency to provide the functions on a contract basis.

Discussion on Item 14a

CM Coombs expressed disappointment in the **Council's inability to prioritize meaningful** things that the community wants. She stated that she will not vote yes on the budget.

Mayor Pro Tem Bergan said that they still have the DEI Office and police monitoring and are supporting them. However, they are being fiscally responsible with the budget. CM Marciano said that they are cutting services that the residents have asked for. He pointed out that since the new council was sworn in, he has never seen so many people call for the question in the years that he has been following the council.

CM Lawson expressed concerns and disappointment regarding the budget cuts. She mentioned that the community did not know about this at the Workshop. She said that she will vote yes on the budget because of the other services that the City has to provide.

Motion by Marciano, second by Zvonek to approve item 14a.

DRAFT

Motion by Marciano, second by Coombs to approve the Marciano Amendment to fill a manager position for the Independent Police Monitor within the 2023 Budget and hold the remainder of the funds for the two positions in the General Management Fund to be applied in the future.

Motion by Jurinsky, second by Bergan to end debate on the Marciano Amendment.

Voting Aye: Coffman, Bergan, Gardner, Jurinsky, Medina, Sundberg, Zvonek

Voting Nay: Coombs, Lawson, Marciano, Murillo

Motion by Marciano, second by Coombs to approve the Marciano Amendment to fill a manager position for the Independent Police Monitor within the 2023 Budget and hold the remainder of the funds for the two positions in the General Management Fund to be applied in the future.

Voting Aye: Coombs, Lawson, Marciano, Medina, Murillo

Voting Nay: Coffman, Bergan, Gardner, Jurinsky, Sundberg, Zvonek

Motion by Gardner, second by Bergan to add four (4) additional sworn officers effective the 4th Quarter of 2023.

Motion by Coffman, second by Zvonek to end debate on the Gardner Amendment.

Voting Aye: Coffman, Bergan, Gardner, Jurinsky, Lawson, Marciano, Medina, Sundberg, Zvonek

14.b. **2023 Budget Appropriations**

2022-59 AN ORDINANCE OF THE CITY OF AURORA, COLORADO, APPROPRIATING SUMS OF MONEY TO DEFRAY EXPENSES AND LIABILITIES FOR THE FISCAL YEAR BEGINNING JANUARY 1, 2023, AND ENDING DECEMBER 31, 2023

Greg Hays, Budget Officer / Hanosky Hernandez, Senior Assistant City Attorney

CM Murillo asked for an explanation of the difference between 14a and 14b. G. Hays said that one adopts the big budget and the second will be doled out into the departments and into the funds for the fund accounting.

CM Marcano asked if this would be amended to reflect the changes made in item 14a. G. Hays stated that they will adjust this, but it still has to be approved.

Motion by Gardner, second by Marcano to approve item 14b.

Voting Aye: Bergan, Gardner, Jurinsky, Lawson, Marcano, Medina, Murillo, Sundberg, Zvonek

Voting Nay: Coombs

14.c. Transportation Maintenance Fund Creation

2022-60 FOR AN ORDINANCE OF THE CITY OF AURORA, COLORADO, CREATING THE TRANSPORTATION MAINTENANCE FUND

Greg Hays, Budget Officer / Hans Hernandez, Senior Assistant City Attorney

Greg Hays, Budget Officer, provided a summary of the item.

Motion by Sundberg, second by Zvonek to approve item 14c.

Voting Aye: Bergan, Coombs, Gardner, Jurinsky, Lawson, Marcano, Medina, Murillo, Sundberg, Zvonek

14.d. 2023 Tax Levy

2022-61 FOR AN ORDINANCE ESTABLISHING THE TAX LEVY ON ALL TAXABLE PROPERTY WITHIN THE CORPORATE LIMITS OF THE CITY OF AURORA, COLORADO, FOR THE TAX COLLECTION YEAR BEGINNING JANUARY 1, 2023, AND ENDING DECEMBER 31, 2023

Greg Hays, Budget Officer / Hanosky Hernandez, Senior Assistant City Attorney

Greg Hays, Budget Officer, provided a summary of the item.

Motion by Medina, second by Marcano to approve item 14d.

Voting Aye: Bergan, Coombs, Gardner, Jurinsky, Lawson, Marcano, Medina, Murillo, Sundberg, Zvonek

14.e. Water Rate Ordinance

2022-62 CONSIDERATION OF THE CITY COUNCIL OF THE CITY OF AURORA TO APPROVE AN ORDINANCE AMENDING CERTAIN SECTIONS OF CHAPTER 138 OF THE CITY CODE OF THE CITY OF AURORA RELATING TO SERVICES FOR THE PROVISION OF WATER

Jo Ann Giddings, Deputy Director of Business Services, Aurora Water / Rachel Allen, Manager of Client Services, City Attorney

Marshall Brown, General Manager of Aurora Water, provided a summary of the item.

Mayor Coffman asked if the credit card processing fees would be given to the consumers. M. Brown explained that there will be a public campaign done to educate customers on water bill payment options. The city still covers the cost of ACH and bank transfers since they are still low. However, credit card processing costs have been higher, and people are discouraged to use credit cards. For those that must use cards, a processing fee will be charged. Mayor Coffman asked if there will be an efficiency offset for checks versus credit cards. M. Brown said that electronic checks are easier to process since they have contracts with Wells Fargo to process electronic bank transactions. For credit card transactions, the city pays a processing company. Previously, staff has been negotiating with the vendor to lower fees. Mayor Coffman asked what the costs are associated with processing checks. M. Brown explained that they are initially administered by staff at a low cost and use Wells Fargo for processing.

CM Sundberg asked where the rate increase will put Aurora relative to other municipalities. M. Brown said that Aurora is in the lower third of overall costs for utility, water, wastewater, sewer, and stormwater combined. He said that this position will remain despite the rate increase and could possibly go down.

CM Gardner expressed his opposition. He mentioned that other businesses do not **charge credit card fees because they have competition and it's the cost of doing business**. He mentioned that the three entities that charge processing fees, including Xcel Energy, DMV, and Aurora Water, do not have competition. He stated that he is not inclined to support a water rate increase in a time of extraordinary inflation and recession.

Mayor Pro Tem Bergan asked how the water department would be affected if the rate increase will not be imposed. M. Brown said that the **costs of Aurora Water's operating budget** are up 12% and they are proposing a 4% increase to cover the costs to control some inflationary impacts. If the 4% increase is not approved, it will compromise the ability of Aurora Water to provide services. They would then tap into reserves, which may not be available should there be a drought. Mayor Pro Tem Bergan asked for the cost of chemicals. M. Brown stated that the hydrogen peroxide costs are up by 20% and some other chemicals have gone up to 50%. He added that electricity is also difficult in **addition to the 35% personnel costs. He mentioned that they don't have options to get** electricity elsewhere. Even a 15% increase in the items has a significant impact. Mayor Pro Tem Bergan expressed support for the ordinance.

CM Sundberg mentioned that he was charged a credit card processing fee when he was at The View House. This is not done for debit cards or cash. He mentioned that he hates to see rate increases and inflation but added that people are not surprised especially in small businesses. He said that people are typically understanding of price increases.

Motion by Coombs, second by Murillo to approve item 14e.

Voting Aye: Bergan, Coombs, Marcano, Medina, Murillo, Sundberg

Voting Nay: Gardner, Lawson, Jurinsky, Zvonek

14.f. General Improvement District 3-2008 (Meadow Hills Country Club) 2023 Operating Budget

2022-63 CONSIDERATION OF AN ORDINANCE FOR INTRODUCTION OF THE CITY COUNCIL OF THE CITY OF AURORA, COLORADO, OF GENERAL IMPROVEMENT DISTRICT 3-2008 (MEADOW HILLS COUNTRY CLUB) ADOPTING AN OPERATING BUDGET, ESTABLISHING THE TAX LEVY, AND APPROPRIATING SUMS OF MONEY TO DEFRAY EXPENSES AND LIABILITIES FOR THE FISCAL YEAR BEGINNING JANUARY 1, 2023, AND ENDING DECEMBER 31, 2023.

Andrew Jamison, Debt and Treasury Supervisor, Finance / Hanosky Hernandez, Senior Assistant City Attorney

Andrew Jamison, Debt and Treasury Supervisor, provided a summary items 14f through 14k.

CM Jurinsky asked if items 14f through 14k can be voted on together. D. Brotzman clarified that the Council is acting as a Board in each. Therefore, each one is different and should be voted on separately.

Motion by Bergan, second by Jurinsky to approve item 14f.

Voting Aye: Bergan, Gardner, Jurinsky, Lawson, Marcano, Medina, Murillo, Sundberg, Zvonek

14.g. General Improvement District 2-2011 (Aurora Conference Center) 2023 Operating Budget

2022-64 CONSIDERATION OF AN ORDINANCE FOR INTRODUCTION OF THE CITY COUNCIL OF THE CITY OF AURORA, COLORADO, OF GENERAL IMPROVEMENT DISTRICT 2-2011 (AURORA CONFERENCE CENTER) ADOPTING AN OPERATING BUDGET, ESTABLISHING THE TAX LEVY, AND APPROPRIATING SUMS OF MONEY TO DEFRAY EXPENSES AND LIABILITIES FOR THE FISCAL YEAR BEGINNING JANUARY 1, 2023, AND ENDING DECEMBER 31, 2023.

Andrew Jamison, Debt and Treasury Supervisor, provided a summary of the item.

Motion by Gardner, second by Sundberg to approve item 14j.

Voting Aye: Bergan, Gardner, Jurinsky, Lawson, Marcano, Medina, Murillo, Sundberg, Zvonek

14.k. Pier Point 7 General Improvement District 2-2009 2023 Operating Budget

2022-68 CONSIDERATION OF AN ORDINANCE FOR INTRODUCTION OF THE CITY COUNCIL OF THE CITY OF AURORA, COLORADO, OF PIER POINT 7 GENERAL IMPROVEMENT DISTRICT 2-2009 ADOPTING AN OPERATING BUDGET, ESTABLISHING THE TAX LEVY, AND APPROPRIATING SUMS OF MONEY TO DEFRAY EXPENSES AND LIABILITIES FOR THE FISCAL YEAR BEGINNING JANUARY 1, 2023, AND ENDING DECEMBER 31, 2023.

Andrew Jamison, Debt and Treasury Supervisor, Finance / Hanosky Hernandez, Senior Assistant City Attorney

Andrew Jamison, Debt and Treasury Supervisor, provided a summary of the item.

Motion by Sundberg, second by Gardner to approve item 14k.

Voting Aye: Bergan, Gardner, Jurinsky, Lawson, Marcano, Medina, Murillo, Sundberg, Zvonek

14.l. 2023 Ward Redistricting

2022-69 FOR AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF AURORA, COLORADO, ADOPTING AN UPDATED MAP OF WARD BOUNDARIES PURSUANT TO THE MANDATE OF SECTION 54-5(B) OF THE CITY CODE

Kadee Rodriguez, City Clerk / Dave Lathers, Senior Assistant City Attorney

Kadee Rodriguez, City Clerk, provided a summary of the item.

Motion by Gardner, second by Marcano to approve item 14l.

Voting Aye: Bergan, Gardner, Jurinsky, Lawson, Marcano, Medina, Murillo, Sundberg, Zvonek

14.m. Ward Realignment Recommendation Deadline

2022-70 FOR AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF AURORA, COLORADO, AMENDING SECTION 54-5 OF THE CITY CODE OF THE CITY OF AURORA,

COLORADO, BY ADOPTING ADDITIONAL CLARIFYING LANGUAGE TO SUBSECTIONS (b) AND (c) TO DIRECT THE AURORA ELECTION COMMISSION TO COMPLETE ITS REVIEW OF WARD BOUNDARIES AND SUBSEQUENT RECOMMENDATIONS FOR REALIGNMENT OF WARD BOUNDARIES, IF ANY, AND TO TRANSMIT THE SAME TO CITY COUNCIL NO LATER THAN THE FIFTEENTH (15TH) DAY OF OCTOBER IN THE YEAR PRECEDING THE YEAR IN WHICH THE REALIGNMENT SHALL TAKE EFFECT, CURRENTLY IN CALENDAR YEARS ENDING IN "3" AND "9"

Sponsor: Juan Marcano, Council Member

Dave Lathers, Senior Assistant City Attorney

Dave Lathers, Senior Assistant City Attorney, and Council Member Marcano provided a summary of the item.

Mayor Pro Tem Bergan thanked the Management and Finance Committee for setting the dates. CM Sundberg expressed appreciation to staff for their work on the redistricting.

Motion by Marcano, second by Medina to approve item 14m.

Voting Aye: Bergan, Gardner, Jurinsky, Lawson, Marcano, Medina, Murillo, Sundberg, Zvonek

15. **FINALIZING OF ORDINANCES**

Ordinances on final reading which were introduced by unanimous vote of those present on the first reading may be taken under consideration and voted upon as a single item. Related ordinances may be acted upon as one item after the titles are read in series by the City Clerk. Any member of the Council may request an item to be considered separately. Any item removed will be considered immediately following the adoption of the remainder of the Finalizing of Ordinances.

CM Jurinsky wished everyone a happy and safe Halloween.

DRAFT

CM Medina reported that he attended the Open Space Committee Meeting. He mentioned that they have plans to bring to Council the east side of the Morrison Nature Center where structures and nature pieces for children will be placed.

CM Sundberg mentioned the rededication of the Coal Creek Schoolhouse. He added that he had a great discussion with Forestry, PROS, Aurora Water, and water conservation regarding efforts for a broader conservation effort for the city and a campaign. CM Sundberg also attended the cadet graduation. He announced that the Aurora Interfaith Community Network had a fundraising event for a nonprofit that feeds a lot of people.

CM Marcano reminded the public to exercise their right to vote and that the ballots are out. He mentioned that if they have not yet received a ballot, they can check its status at www.govotecolorado.com **or contact the County Clerk's Office for a replacement.** Ballots must be mailed in by November 4th or dropped in a drop box by 7 PM on election day.

Mayor Pro Tem Bergan mentioned that she was a judge at the Halloween Dog Costume Contest.

21. **ADJOURNMENT**

Mayor Coffman adjourned the regular meeting of the City Council.

Aurora, Colorado

Proclamation

WHEREAS, the City of Aurora, Colorado is committed to ensuring that every member of our community can achieve their full potential; and,

WHEREAS, each year, National Hunger and Homelessness Awareness Week is an important reminder that many Aurorans lack food or a safe, stable place to call home, which prevents them from reaching their full potential; and,

WHEREAS, the city of Aurora recognizes that if we work together, hunger and homelessness are solvable; and,

WHEREAS, 2022's Aurora's Hunger and Homelessness Week is focused on preventing homelessness through rental assistance and outreach, combating hunger through additional food banks and resources, and providing additional resources through this post-pandemic time; and,

WHEREAS, in partnership with the city of Aurora, the Aurora@Home collaborative organizations are committed to connecting residents to available services and implementing public policy and initiatives; and,

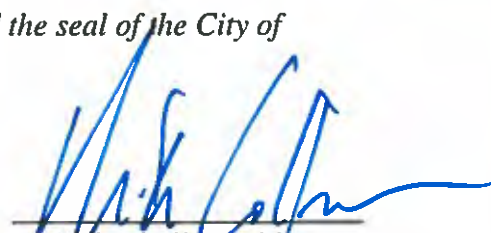

WHEREAS, the city of Aurora has sourced marijuana tax revenue of \$3 million annually to enhance outreach programs, such as House Aurora Partnership, to find lasting solutions for individuals and families experiencing homelessness, housing insecurity, and hunger.

WHEREAS, all Aurorans are encouraged to help their struggling neighbors by volunteering, donating blankets, coats, hats, gloves, and non-perishable foods, donating funds to the city's House Aurora Partnership, and to ask their leaders to commit to making homelessness and hunger history within our community.

NOW, THEREFORE, I, Mike Coffman, Mayor of the City of Aurora, do hereby proclaim November 12th – 20th as:

National Homeless and Hunger Awareness Week

IN WITNESS WHEREOF, I have hereunto set my hand and caused the seal of the City of Aurora, Colorado to be affixed this 4th day of November 2022.

Mike Coffman, Mayor
Aurora, Colorado

CITY OF AURORA

Council Agenda Commentary

Item Title: Consideration to EXTEND A SINGLE SOURCE CONTRACT with GolfNow, Chicago, Illinois in the amount of \$69,000.00 for the Golf Course Point of Sale Software for the points of sale at the five City of Aurora owned golf courses through December 31, 2023.

Item Initiator: Heidi Ellis, Procurement Agent, Finance

Staff Source/Legal Source: Doug McNeil, Manager of Golf/ Dave Lathers, Senior Assistant City Attorney

Outside Speaker: N/A

Council Goal: 2012: 3.0--Ensure excellent infrastructure that is well maintained and operated.

COUNCIL MEETING DATES:

Study Session: N/A

Regular Meeting: 11/14/2022

Doug McNeil, Manager of Golf / Dave Lathers, Senior Assistant City Attorney

Reason for waiver is described in the Item Details field. | |

HISTORY *(Dates reviewed by City council, Policy Committees, Boards and Commissions, or Staff. Summarize pertinent comments. ATTACH MINUTES OF COUNCIL MEETINGS, POLICY COMMITTEES AND BOARDS AND COMMISSIONS.)*

The first extension was approved by City Council on the January 10, 2022, Agenda Item #10.I.

ITEM SUMMARY *(Brief description of item, discussion, key points, recommendations, etc.)*

The PROS Department has an annual requirement for the point of sale software subscription for the five City of Aurora owned golf courses.

A Request for Proposals was issued two years ago that resulted in a subsequent termination by the City due to significant technical and implementation problems with the awarded vendor's software system. The City returned to using the GolfNow (EZLinks) software as a Single Source contract with no customer service issues occurring.

GolfNow has submitted an annual renewal price quote in the total amount of \$69,000.00 for the subscription software, which is the same pricing as paid in 2022. Therefore, staff considers the GolfNow pricing to be fair and reasonable.

Based on the above, staff recommends extending the single source award to GolfNow for the annual subscription for Point of Sale Software for the Aurora golf courses in the not-to-exceed amount of \$69,000.00.

QUESTIONS FOR COUNCIL

Does City Council approve the single source award to GolfNow for the annual subscription for the Golf Course Point of Sales Software in the not-to-exceed amount of \$69,000.00?

LEGAL COMMENTS

Purchase orders or contracts in any amount may be awarded without benefit of formal competitive bidding when a vendor offers to extend an existing contract under the same conditions and at the same or lower price (adjusted for inflation), and such extension is in the best interests of the City (City Code § 2-674(2), and City Code Section 2-672(a)(4)). (Lathers)

PUBLIC FINANCIAL IMPACT

NOTICE OF COUNCIL MEETING

TELECONFERENCE/ELECTRONIC PARTICIPATION PROCEDURES

Members of the Aurora City Council will participate in the January 10, 2022 City Council Meeting by teleconference due to concerns surrounding the COVID-19 (coronavirus) outbreak. To keep the members of our community, employees and leaders safe, there will be no public presence at the meeting. Members of the public and media will be able to participate remotely through the options listed below:

View or listen live

Live streamed at www.auroraTV.org

Cable Channels 8 and 880 in Aurora

Call: 855.695.3475

Provide comment during Public Invited to Be Heard, or to speak on a specific agenda item on the regular agenda

- Call the live public comment line at 855.695.3475 and once connected press *3 to reach the operator.
- The operator will ask which item the caller would like to speak on and place you in the queue for that item.
- The public comment call-in line will open at 6:00 p.m. the day of the Council Meeting.

Public Comment Call-In Deadlines

- Public Invited to Be Heard is at 6:30 p.m. Callers wishing to speak during the Public Invited to be Heard portion of the agenda must call in and be in the queue by 6:30 p.m.
- Comment on specific agenda items and public hearings must call in after 6:00pm and before the City Clerk reads the title of the item they wish to speak on. Once the Clerk reads the title, no additional calls for that item will be accepted.

Translation/Accessibility

The City will provide closed captioning services on Cable Channels 8 and 880. If you need any other accommodation, please contact the Office of the City Clerk. If you are in need of an interpreter, please contact the Office of International and Immigrant Affairs at 303-739-7521 by Monday, January 10, 2022 at 9:00 a.m. (Si necesita un intérprete, comuníquese con la oficina de asuntos internacionales e inmigrantes en 303-739-7521 por el viernes anterior a la reunión del lunes.)

HISTORY *(Dates reviewed by City council, Policy Committees, Boards and Commissions, or Staff. Summarize pertinent comments. ATTACH MINUTES OF COUNCIL MEETINGS, POLICY COMMITTEES AND BOARDS AND COMMISSIONS.)*

Council approved the previous award to Republic Services of Denver in the not-to-exceed amount of \$109,295.92 for Trash Collection – South Side of the City on September 13, 2021, Agenda Item 10i.

ITEM SUMMARY *(Brief description of item, discussion, key points, recommendations, etc.)*

Public Works has a requirement for Trash Collection for the South Side of the City. Republic Services of Denver is our current provider for trash collection. This is year two of a potential three-year agreement.

Republic Services of Denver's pricing has increased by 3% from the previous award. Given the Municipal Cost Index (MCI) is up 9.89% for the prior 12-months ending July 2022, the pricing is considered to be fair and reasonable.

Based on the above, it is staff's recommendation to extend the competitively bid contract to Republic Services of Denver, Commerce City, Colorado in the amount of \$113,000.00 for Trash Collection – South Side of the City.

QUESTIONS FOR COUNCIL

Does City Council approve the extension of a competitively bid contract to Republic Services of Denver in the amount of \$113,000.00 for Trash Collection – South Side of the City through August 31, 2023?

- Community Enterprise Development Services - \$50,000

QUESTIONS FOR COUNCIL

Does Council wish to approve the ARPA nonprofit grant agreements for the projects approved at the 10/3 Study Session?

LEGAL COMMENTS

In Pub. Law. 117-2, Subtitle M, Sec. 9901, (The American Rescue Act or “ARPA”) the US Congress allocated money to local government for various purposes. The Department of the Treasury issued Rule

2021-10283 discussing the lawfully permitted uses of the funds allocated by the US Congress. Council has discretion to provide the necessary funding for the programs or needs across the city that have been impacted by the Covid-19 pandemic. The Council has found that providing funds for the community organizations listed in this item in the form of grants fulfills these purposes. (Hernandez)

PUBLIC FINANCIAL IMPACT

☒ YES ☐ NO

If yes, explain: Federal ARPA funds will be disbursed to approved nonprofit grantees.

PRIVATE FISCAL IMPACT

☐ Not Applicable ☐ Significant ☒ Nominal

If Significant or Nominal, explain: Federal ARPA funds will be disbursed to approved nonprofit grantees.

SUBRECIPIENT AGREEMENT

CORONAVIRUS STATE FISCAL RECOVERY - ARPA FUNDS ASSISTANCE LISTING NUMBER (formerly CFDA): 21-027

FAIN:

THIS SUBRECIPIENT AGREEMENT ("Agreement") is made and entered into this Fourteenth day of November 2022, by and between the City of Aurora, Colorado, a Colorado municipal corporation, hereinafter referred to as the "City" and Downtown Aurora Visual Arts, a Colorado nonprofit corporation, hereinafter referred to as the "Subrecipient" UEI (if applicable): N/A. City and Subrecipient are sometimes each referred to as a "Party" and collectively "Parties."

RECITALS

WHEREAS, on March 11, 2021, President Biden signed the U.S. Senate-amended H.R. 1319 (P.L. 117-2) known as the American Rescue Plan Act (hereinafter "ARPA"); and

WHEREAS, In Pub. Law. 117-2, Subtitle M, Sec. 9901, (The American Rescue Act or "ARPA") the US Congress allocated money to local government for various purposes; and

WHEREAS, on May 10, 2021, the U.S. Treasury issued the Interim Final Rule to implement ARPA in Title 31, Part 35 of the Code of Federal Regulations ("CFR"); and

WHEREAS, under ARPA Section 603 (c)(1)(A) and (3) and the Interim Final Rule 31 CFR 35.6(b)(7) recipients may use Coronavirus Local Fiscal Recovery ("CLFR") Funds to award grants to nonprofit organizations that are responding to the negative economic impacts of the COVID-19 public health emergency; and

WHEREAS, under ARPA Section 603 (c)(1)(A) and the Interim Final Rule 31 CFR 35.6(b)(7) and (12) recipients may provide CLFR Funds to programs or services to disproportionately impacted communities; and

WHEREAS, the City desires to disburse funds from Project No. CI-2113 to the Subrecipient to administer the Project and perform certain services in connection therewith as set forth in this Agreement and in the Scope of Services attached hereto; and

WHEREAS, Subrecipient has represented to the City that is duly qualified, eligible and willing to undertake the Project and provide the services identified herein and in the Scope of Services attached hereto.

NOW, THEREFORE, in consideration of the foregoing recitals and in consideration of the terms and conditions set forth herein, the Parties hereto mutually agree as follows:

1. SCOPE OF SERVICES

Subrecipient agrees to satisfactorily perform and complete all services and items of work, and furnish all labor and materials encompassed within or reasonably necessary to accomplish the tasks and functions described in the Scope of Services attached hereto as Exhibit "A" and incorporated herein by reference, in full compliance with all provisions of this Agreement.

Administrative Costs as defined in 24 CFR 576.108 are not an eligible reimbursable cost offered to subrecipients.

This award is not for Research and Development.

2. BUDGET AND METHOD OF PAYMENT

- a. City will pay to Subrecipient an amount up to that specified in subparagraph (c) of this paragraph as full compensation for all services and work to be performed or undertaken by Subrecipient under this Agreement. Payment of funds to Subrecipient is subject to all of the following requirements, which shall be conditions precedent to payment:
 - i. That Subrecipient has expended funds for eligible approved expenditures;
 - ii. That Subrecipient is not in default of any material provision of this Agreement nor applicable law or regulation;
 - iii. That Subrecipient has timely submitted requests for payment or reimbursement detailing the eligible payment or reimbursement items in a format approved by City; and
 - iv. That Subrecipient has certified with each payment or reimbursement request compliance with the requirements identified in Exhibit "C" and that all expenditures for which reimbursement is sought were made for and in furtherance of the approved Project and are an eligible use of federal assistance under ARPA and federal regulations.
- b. Payment hereunder is also subject to and may only be disbursed in accordance with applicable Federal regulations including but not limited to those at 31 CFR Part 35, as presently promulgated and as same may be revised from time to time in the future, all other terms of this Agreement, and any special provisions in the Scope of Services. All payments received by Subrecipient hereunder are subject to repayment by Subrecipient as provided in 31 CFR Part 35.
- c. The aggregate of all payments made hereunder shall not exceed **twenty-five thousand dollars and zero cents (\$25,000.00)**.
- d. Upon expiration of the term of this Agreement or upon any prior termination, Subrecipient shall transfer to City any funds provided hereunder which are on hand at the time of expiration or termination.

3. TERM OF PROJECT AND AGREEMENT

- a. PROJECT. The term of the Project shall be from the date this Agreement. The Project will be completed on June 30, 2024 unless this Agreement is sooner terminated as herein provided.
- b. AGREEMENT. The term of this Agreement shall be from the date this Agreement. The activities contemplated by this Agreement will be completed on or before June 30, 2024 unless sooner terminated as herein provided.

4. SUBRECIPIENT RECORDS

Subrecipient shall maintain records as to all services provided, reimbursable expenses incurred in performing the Scope of Services and complete accounting records. Accounting records shall be kept on a generally recognized accounting basis and as requested by any representee of the City. Subrecipient agrees to comply with all applicable uniform administrative requirements described or referenced in 31 CFR 35. The Compliance Provisions attached as Exhibit "B" hereto are made a part of this Agreement and Subrecipient agrees to perform and comply with same. The City, Comptroller General of the United States, the Inspector General of the U.S. Treasury and any of their authorized representatives, shall have the right to inspect and copy, during reasonable business hours, all books, documents, papers and records of the Subrecipient which relate to this Agreement for making an audit or examination. Upon completion of the work and end of the term of this Agreement, the City may require copies of all Subrecipient's financial records relating to this Agreement to be turned over to City.

The Subrecipient, which is a non-federal agency, that expends \$750,000 or more during the Subrecipient's fiscal year, shall have a single audit conducted for that year in accordance with the provisions 2 CFR 200, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards", "Super Circular", Audit shall be completed within nine (9) months of the Subrecipients audit period and a copy of the most recent audit shall be forwarded to the City within thirty (30) days of completion.

5. MONITORING AND EVALUATION

City and its consultants shall have the right to monitor and evaluate the progress and performance of Subrecipient to assure that the terms of this Agreement are being satisfactorily fulfilled in accordance with City's and other applicable monitoring and evaluation criteria and standards. City may at least quarterly review Subrecipient's performance using on-site visits, progress reports required to be submitted by Subrecipient, audit findings, disbursements transactions, and contact Subrecipient as necessary. Subrecipient shall furnish City quarterly program and financial reports of its activities in such form and manner as may be requested by the City. Subrecipient shall fully cooperate with the City in relation to training and education on requirements and attending training sessions as well as monitoring, evaluation, and audits.

6. PERFORMANCE REPORTING

City shall at least quarterly review Subrecipient's performance using on-site visits, progress reports required to be submitted by Subrecipient, audit findings, disbursements transactions and contact with the Subrecipient as necessary. Subrecipient shall furnish to City quarterly program performance and financial reports of its activities in such form and manner as may be requested by the City. Quarterly reports are due by last day of first month following the end of a quarter. Subrecipients shall fully cooperate with City in relation to such monitoring, evaluation, and audits.

7. SUBRECIPIENT FILES AND INFORMATION REPORTS

Subrecipient shall maintain files containing information which shall clearly document all activities performed in conjunction with this Agreement, including, but not limited to, financial transactions, conformance with assurances and activity reports. These records shall be retained by Subrecipient for a period of three years after the completion of the Project.

The Subrecipient shall keep accurate books and records of accounts in accordance with generally accepted accounting principles of all expenditures made and all costs and liabilities incurred utilizing Program Funds. The aforementioned accounts and all project records shall be made available upon request by the City or any other federal agency for examination and audit. All books and records of accounts must be retained for four (4) years from the date of this agreement.

8. ASSIGNABILITY

This Agreement shall not be assigned or transferred by the Subrecipient without the prior written consent of the City. Any assignment or attempted assignment made in violation of this provision shall, at City's election, be deemed void and of no effect whatsoever.

9. AVOIDANCE OF CONFLICT OF INTEREST

Subrecipient certifies and warrants that neither it nor any members of its Board of Directors, officers or employees has or will derive any personal or financial interest or benefit from the activity or activities assisted pursuant to this Agreement, nor has an interest in any contract,

subcontract or agreement with respect thereunto, nor the proceeds thereunder, either for themselves or for those with whom they have family or business ties, during their tenure and for one year thereafter. Subrecipient shall avoid all conflicts of interest which are prohibited by applicable federal regulations including but not limited to those set forth in 31 CFR Part 35 as presently promulgated and as same may be revised from time to time in the future.

10. INDEPENDENCE OF SUBRECIPIENT

Nothing herein contained nor the relationship of Subrecipient to City, which relationship is expressly declared to be that of an independent contractor, shall make or be construed to make Subrecipient or any of Subrecipient's agents or employees the agents or employees of the City. Subrecipient shall be solely and entirely responsible for its acts and the acts of its agents, employees and subcontractors

11. INDEMNIFICATION. LEGAL DISCLAIMER

Subrecipient and any and all of its personnel operating under the terms of this agreement are not to be considered agents or employees of the City for any purpose and are not entitled to any of the benefits that the City provides for the City's employees. Subrecipient covenants and agrees to, and does hereby, indemnify and hold harmless, to the extent permitted by law, defend the City, its agents, servants, or employees, from and against any and all claims for injuries or damages to persons or property of whatsoever kind of character, whether real or asserted, arising out of this agreement for the work to be performed hereunder. The Subrecipient hereby assumes all liability and responsibility for injuries, claims or suits for damages to persons or property of whatsoever kind or character, whether real or asserted, arising out of the performance.

Pursuant to Colorado Constitution Article XI, Sections 1 and 2 the City shall not indemnify or hold harmless Subrecipient, or any party related or operating under this Agreement with or without the City's consent. No provision in this Agreement shall limit or set the amount of damages available to the City to any amount other than the actual direct and indirect damages to the City, regardless of the theory or basis for such damages. Any provision included or incorporated herein by reference which purports to negate this provision in whole or in part shall not be valid or enforceable or available in any action at law or equity, whether by way of complaint, defense, or otherwise. Any provision rendered null and void by this provision shall not invalidate the remainder of the Agreement.

12. TERMINATION OF AGREEMENT

- a. For Cause: This Agreement may be terminated by City for cause, including any nonperformance by the Subrecipient, upon ten (10) days written notice to Subrecipient including a statement of the reasons therefore, and after an opportunity for a hearing has been afforded. If a hearing is requested, it shall be held before the City's Mayor whose decision shall be final. The determination of the City as to the cause of termination and the appropriateness thereof shall be final and binding upon both City and Subrecipient. Cause for termination shall include:
 - Improper use of funds;
 - Failure to comply with the terms and conditions of this Agreement;
 - Failure to comply with the terms and conditions of the Scope of Services, Exhibit A;
 - If, for any reason, this Agreement's performance is rendered impossible or unfeasible;
 - Failure to comply with applicable Federal, State, or local laws and regulations.
- b. For Convenience: This Agreement may be terminated by City for convenience upon ten (10) days written notice to Subrecipient, which decision shall not be subject to appeal.

- c. Post Expiration and Termination Procedures: Upon expiration or in the event of a prior termination, all remaining and unspent grant funds, shall immediately become the sole and separate property of the City and the Subrecipient shall perform all acts and execute all instruments necessary to transfer and assign such funds to the City. All finished or unfinished documents, data, studies, reports, and work product prepared by the Subrecipient under this Agreement or with grant funds shall, at the option of the City, become City's property.

13. LIABILITY

As to the City, Subrecipient agrees to assume the risk of all personal injury, including death and bodily injury, and damage to and destruction of property, including loss of use therefrom, caused by or sustained, in whole or in part, in conjunction with or arising out of the performance or nonperformance of this Agreement by Subrecipient or by the conditions created thereby. Subrecipient further agrees to indemnify and save harmless the City, its officers, agents and employees, from and against all claims, liabilities, costs, expenses, penalties and attorney fees arising from such injuries to persons or damages to property or based upon or arising out of the performance or nonperformance of this Agreement by Subrecipient or out of any violation by Subrecipient of any statute, ordinance, rule or regulation. Subrecipient shall be responsible for any injury to persons or damage to property to the extent arising from negligent or otherwise wrongful acts, errors and omissions of Artist, its agents, and employees.

14. INSURANCE

If Subrecipient and any sub-contractor of Subrecipient have employees Subrecipient and the sub-contractor(s) shall provide the appropriate certificates of insurance and Worker Compensation documents, at no cost to the City, as described in Exhibit "D". Subrecipient further agrees and understands that it, and any sub-contractor are to maintain and keep in force the appropriate insurance certificates throughout the term of this Agreement.

15. CERTIFICATIONS

Subrecipient agrees to execute and abide by the certifications contained in Exhibit "C" hereto, and Subrecipient's application for ARPA funds, both of which are hereby made a part of this Agreement. In the event of any conflict between the terms of this Agreement and Subrecipient's Application, this Agreement shall control.

16. REVERSION OF ASSETS

- a. Upon expiration of the term of this Agreement, or upon any prior termination, Subrecipient shall transfer to City any funds provided hereunder which are on hand at the time of expiration or termination.
- b. In the event City incurs any costs or expenses in enforcing the requirements of this paragraph or in bringing any action to recover the property or amount of any repayment obligation, City shall be entitled to recover its costs and expenses, including reasonable attorney's fees.

17. RESPONSIBILITIES OF SUBRECIPIENT

Subrecipient warrants and represents that it:

- a. Has the requisite authority and capacity to perform all terms and conditions on Subrecipient's part to be performed hereunder;
- b. That it is duly organized as a non-profit organization under state law and is in good standing with the Secretary of State of Colorado;

- c. That it is a nonprofit organization exempt from Federal income taxation under Section 501(c)(3) of the Internal Revenue Code;
- d. That it is fully aware of and understands its duty to perform all functions and services in accordance with the regulatory requirements of 31 CFR Part 35 and those identified in Exhibit "C" hereto; and
- e. That it is accepting federal financial assistance hereunder subject to certain mandatory repayment provisions.

18. RESPONSIBILITIES OF THE CITY

- a. City shall provide Subrecipient with the information necessary to facilitate the performance of this Agreement;
- b. Give prompt notice to Subrecipient when the City becomes aware or observes of any deficiencies or discrepancies in the services provided.

19. ENTIRE AGREEMENT; AMENDMENTS

The provisions set forth in this Agreement, and all Exhibits and attachments to this Agreement, constitute the entire and complete agreement of the parties hereto and supersede all prior written and oral agreements, understandings or representations related thereto. No amendment or modification of this Agreement, and no waiver of any provisions of this Agreement shall be binding unless made in writing and executed by the duly authorized officers of both the Subrecipient and City

20. NOTICES

Notices, as referred to in this Agreement, shall be sent to:

City	City of Aurora, Colorado Attn: Controller 15151 East Alameda Parkway Aurora, Colorado 80012
With a copy to:	Office of the City Attorney 15151 East Alameda Parkway Aurora, Colorado 80012
Subrecipient	Downtown Aurora Visual Arts 1405 Florence St. Aurora, CO 80010

21. LOBBYING

Subrecipient certifies that no Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the Subrecipient shall complete and submit the Standard Form LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

Subrecipient shall require that the language of this certification be included in the award documents for all sub awards at all tiers including subcontracts, sub grants, and contracts under grants, loans, and cooperative agreements and that all referenced shall certify and disclose accordingly.

22. EQUAL EMPLOYMENT OPPORTUNITY/NONDISCRIMINATION.

Subrecipient shall not discriminate against any employee, applicant for employment, contractor, or subcontractor because of race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. The Subrecipient shall adhere to acceptable affirmative action guidelines in selecting employees and contractors and shall ensure that employees and contractors receive fair treatment during employment or agreement, without regard to their race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.

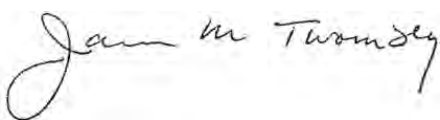

The Subrecipient shall not discriminate because of race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status in Subrecipient services, activities, accommodations, or facility use. The Subrecipient shall adhere to and assure that employment and activity programming are conducted such that all individuals and groups, clients, participants, and/or employees will be treated equally without regard to their race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. The Subrecipient understands and agrees that any act of discrimination based upon race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status may jeopardize grant funding to the Subrecipient and may be subject to loss of funding, reimbursement of funds allocated, or denial of future funds.

23. SIGNATURES

The persons signing this Agreement on behalf of Subrecipient represent and warrant that such persons and Subrecipient have the requisite power and authority to enter, execute and deliver this Agreement and that this Agreement is a valid and legally binding obligation of Subrecipient enforceable against Subrecipient in accordance with its terms.

IN WITNESS, WHEREOF, the Subrecipient and the City have executed this Agreement as of the date first above written and under the laws of the State of Colorado.

CITY OF AURORA, COLORADO

JAMES M. TWOMBLY,
City Manager

APPROVED AS TO FORM:

HANOSKY HERNANDEZ,
Sr. Assistant City Attorney

SUBRECIPIENT*Krista Robinson*

Executive Director

EXHIBIT A

SCOPE OF SERVICES

A. Principal Tasks

Title of project/program

DAVA Community Art Center

Description of project/program

One of DAVA's ongoing challenges is to maintain our 8,000 square foot facility and keep it safe and comfortable for the families we serve. With year-round programming and up to 100 kids on-site each day, our classrooms and systems experience a lot of wear and tear. Running programs at full capacity depends directly on keeping heating, cooling, and ventilations systems working properly. As mentioned in the financial section of the narrative above, in the last month, two of DAVA's HVAC units broke down, leaving classrooms so hot we cannot hold programs on 100 degree days; and a full property assessment (conducted in March 2022) concluded that our two boilers need to be replaced this year. This ARPA grant proposal addresses support for HVAC repair and boiler replacement so that DAVA can continue to offer full programming for students in a comfortable environment. We have already received the necessary estimates (totaling approximately \$50,000), which are being reviewed by DAVA's Board of Directors this month, and we are hopeful that we will be able to raise the funds to make these critical repairs in the coming months. Over the years, we have not only valued the City of Aurora's support for DAVA's programming, but also our facility, which is a cornerstone for youth in this community. Our original 1952 building was acquired through a Community Development Block Grant (CDGB) in 1996. CDGB + CEEP grant funds then allowed us to renovate our Job Training Studio in 2011-2012, kicking off DAVA's larger capital campaign to renovate our entire building by 2016. DAVA's transformation has solidified our standing as a community institution and created one of the top arts facilities in the region. For the purposes of this proposal, we refer to the specific "project" as support for HVAC repair and boiler

replacement. However, in the remainder of the grant narrative, we feel it is more appropriate to provide highlights about the results and impact of our “programs” offered at DAVA – all of which depend on maintaining our facility and a positive learning environment.

Describe your project/program timeline and anticipated schedule of completion.

We hope to complete the HVAC repairs as soon as possible and replace the boilers by the end of the year, as heating ramps up for the colder months. Estimates for this work have been received, and a contractor will be selected by the end of the month.

How will you measure the success and impact of this program or project?

DAVA measures the success of our programs with a year round system of qualitative and quantitative evaluation methods that center on participant experience and growth. We routinely track demographic data and attendance for all of our program participants, and staff provides constructive direction for youth during performance reviews each semester. Our internal data collection captures each visit to class, which is a proven best practice in tracking student skill-building and progress. Each year, we also use a National Research Center (NRC) Youth Outcomes Toolkit to measure students’ 21st Century skill development. This evaluation tool, along with input from DAVA Youth Advisory Committee meetings and parent surveys, provides staff with valuable feedback that can be immediately incorporated into program improvement. Our commitment to being responsive to the needs of the families and youth we serve is unwavering. We base our success on programs full of students who return day after day, year after year to engage in the arts.

B. Approved Budget

The **approved budget** during the term of this agreement is attached at this link: [Link to Project Budget \(https://arpaauroracityco.powerappsportals.com/entity/annotation/5470463f-7504-ed11-82e4-002248087522/3dde7168-56f6-ec11-bb3d-6045bd00d4ec\)](https://arpaauroracityco.powerappsportals.com/entity/annotation/5470463f-7504-ed11-82e4-002248087522/3dde7168-56f6-ec11-bb3d-6045bd00d4ec)

Changes in the scope of services, budget, or method of compensation contained in this Agreement, unless otherwise noted, may only be made through a written amendment to this Agreement, executed by the Subrecipient and the City.

C. Performance Monitoring

The City and its consultants will monitor the performance of the Subrecipient according to the Principal Tasks and Budget set forth herein. Subrecipient shall fully cooperate with the City in relation to training and education on requirements and attending training sessions as well as monitoring, evaluation, and audits. Substandard performance shall mean non-compliance with this Agreement. If actions to correct such substandard performance are not taken by the Subrecipient within a reasonable period of time after being so notified by the City, contract suspension or termination procedures may be initiated, in the sole discretion of the City.

EXHIBIT B

COMPLIANCE PROVISIONS INCORPORATED IN THE SUBRECIPIENT AGREEMENT

1. An accounting system using the accrual basis of generally accepted accounting principles which accurately reflects all costs chargeable (paid and unpaid) to the Project is mandatory. A receipts and disbursements ledger must be maintained. A general ledger with an income and expense account for each budgeted line item is necessary. Paid invoices revealing check number, date paid,

and item is necessary. Similarly, cash receipts for the payment of wages is mandatory. Paid invoices revealing check number, date paid, and evidence of goods or services received are to be filed per the expense account they were charged. The City must review and approve your account system and internal controls prior to the release of funds.

2. There is no flexibility on budgets. Line items may be changed only by the City's written concurrence of a budget amendment.
3. Eligible expenses are those considered reasonable and necessary costs for the efficient operation of the Project as determined by the City. All costs must be budgeted items. Request for advance or reimbursements of expenses must be accompanied by:
 1. Original invoice marked with funding source
 2. Detailed listing of each expense showing:
 - a. recipient
 - b. brief description of purchase
 - c. amount with method of computation detailed
 - d. how expense meets program goal per approved proposal

Cost Summary must be submitted monthly to reflect entries through the closing date for the books (indicate Closing Date on Cost Summary).

4. The City shall not be obligated to any third-party contractors of the Subrecipient. The subrecipient is further cautioned against obligating funds beyond the contract date of the agreement between the City and the Subrecipient.
5. The Subrecipient will furnish the City such statements, records, data and information, and permit such interviews with personnel as the City may request to effectively monitor and evaluate the project.
6. City auditors will periodically make interim audits and may, upon completion of the Project, make a final audit.
7. All records must be retained by the Subrecipient for a period of three years following the last day of the Agreement. (Cost summary reports must reflect actual general ledger balances.)

EXHIBIT C

CERTIFICATIONS

Subrecipient hereby certifies that the grant will be conducted and administered in compliance with:

1. Title VII of the Civil Rights Act of 1964 (Pub. L. 88-352; 42 U.S.C. 2000d, et seq.) and implementing regulations issued at 24 CFR Part 1;
2. Title VIII of the Civil Rights Act of 1968 (Pub. L. 90-284; 42 U.S.C. 3601, et seq.), as amended; and that the subrecipient will administer all programs and activities related to housing and community development in a manner to affirmatively further fair housing;
3. Section 109 of the Housing and Community Development Act of 1974, as amended; and the regulations issued pursuant thereto;
4. Section 3 of the Housing and Urban Development Act of 1968, as amended;

5. Executive Order 11246, as amended by Executive Orders 11375 and 12086, and implementing regulations issued at 41 CFR Chapter 60;
6. Executive Order 11063, as amended by Executive Orders 12259, and implementing regulations at 24 CFR Part 107;
7. Section 504 of the Rehabilitation Act of 1973 (Pub. L. 93-112), as amended, and implementing regulations when published for effect;
8. The Age Discrimination in Employment Act of 1975 (Pub. L. 94-135), as amended, and implementing regulations when published for effect;
9. The Subrecipient, as applicable to a governmental or nongovernmental agency, shall comply with the requirements and standards of 2 CFR Chapter I, and Chapter II, Parts 200, 215, 220, 225 and 230, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards" aka "Super Circular"; and shall comply with applicable sections of 79 FR 75871 "Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments".
10. Executive Order 11988 relating to the evaluation of flood hazards and Executive Order 11288 relating to the prevention, control and abatement of water pollution;
11. The flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (Pub. L. 93-234);
12. The applicable regulations, policies, guidelines and requirements of OMB Circular Nos. A-102, Revised, 24 CFR 85 and Subpart J of 24 CFR 570, A-87, A-110, A-122, A-128 and A-133 as they relate to the acceptance and use of federal funds under this federally-assisted program;
13. The Clean Air Act (42 U.S.C. 7401 et.seq.) as amended; particularly section 176 (c) and (d) [42 U.S.C. 7506 (c) and (d)];
14. The Safe Drinking Water Act of 1974 (42 U.S.C. 201, 300 (f) et.seq., and 21 U.S.C. 349) as amended; particularly section 1424 (e) (42 U.S.C. 300 (h)-303 (e));
15. The Endangered Species Act of 1973 (16 U.S.C. 1531 et. Seq.) as amended; including but not limited to section 7 (16 U.S.C. 1536) thereof;
16. The Reservoir Salvage Act of 1960 916 U.S.C. 469 et.seq.); particularly section 3 (16 U.S.C. 469a-1); as amended by the Archeological and Historical Preservation Act of 1974;
17. Flood Disaster Protection Act of 1973 (42 U.S.C. 4001 et.seq.) as amended; particularly sections 102(a) and 202(a) [42 U.S.C. 4012a(a) and 4106(a)];
18. Executive order 11990, Protection of Wetlands, May 24, 1977 (42 FR 26961 et. Seq.); particularly sections 2 and 5;
19. Lead-Based Paint Poisoning Prevention requirements of 25 CFR Part 35 issued pursuant to the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4821 et.seq.);
20. The National Historic Preservation Act of 1966 (16 U.S.C. 470 et seq.) as amended; particularly section 106 (16 U.S.C. 470f); and
21. Executive Order 11593, Protection and Enhancement of the Cultural Environment, May 13, 1971 (36 FR 8921 et seq.); particularly section 2(c).

22. Construction work financed in whole or in part with federal funds is subject to the prevailing wage requirements of the Davis-Bacon Act (29 CFR, Parts 3 and 5), the Copeland Act (29 CFR Part 3), and the Contract Work Hours and Safety Standards Act (Public Law 91-54, 83 Stat. 96). When a project meets this applicability requirement, the labor standards provision of the HUD 4010 and the Davis Bacon Wage Decision issued for the project will be incorporated into this contract document and shall be incorporated into all construction contracts and subcontracts of any tier thereunder.
23. No ARPA funds may be expended for lobbying purposes and payments from other sources for lobbying must be disclosed (24 CFR Part 87).
- a. No federally appropriated funds have been or will be paid, by or on behalf of subrecipient, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.
 - b. If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, 14 a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.
24. Where asbestos is present in property undergoing rehabilitation, Federal requirements apply regarding worker exposure, abatement procedures and disposal. (CPD-90-44 EPA/OSHA).

EXHIBIT D

INSURANCE REQUIREMENTS

During the term of this Agreement and until final acceptance by the City of all work covered by the Agreement, Subrecipient performing services under this Agreement shall provide, pay for and maintain in full force and effect the types and minimum limits of insurance, as indicated below, covering the Subrecipient, their employees, subcontractors or representatives, along with: the activities of any and all subcontractors retained by the Subrecipient or Subcontractors, the activities of anyone employed by any Subrecipient, Subcontractors, their representatives or anyone for whose acts they may be liable.

Commercial General Liability Insurance. Subrecipient shall maintain commercial general liability insurance covering all operations by or on behalf of Subrecipient on a per occurrence basis against claims for personal injury (including bodily injury and death) and property damage (including loss of use). Coverage will include, if appropriate for the scope of services: Products and Completed Operations, Contractual Liability and a Waiver of Subrogation. The City, its elected and appointed officials, employees, agents and representatives shall be named as Additional Insureds by endorsement.

Minimum limits:

\$1,000,000 each occurrence

\$2,000,000 general aggregate

\$2,000,000 products and completed

Commercial Automobile Liability Insurance. Subrecipient shall maintain business automobile liability covering liability arising out of the operation of any vehicle (including owned, non-owned and hired vehicles) with minimum limits of \$1,000,000 combined single limit each accident, naming the City as an Additional Insured by endorsement.

Workers' Compensation and Employers Liability Insurance. Subrecipient shall maintain Worker's Compensation Insurance with limits in accordance with the provisions of the Workers' Compensation Act, as amended, by the State of Colorado. Additionally, Subrecipient shall maintain Employers Liability Insurance with minimum limits of \$500,000 bodily injury for each accident, \$100,000 bodily injury by disease each employee and \$500,000 bodily injury disease aggregate. If Subrecipient does not have employees, Subrecipient will provide a written statement indicating that it has no employees and is not subject to the provisions of Colorado Workers' Compensation Act.

If Subrecipient engages services of a subcontractor, Subrecipient is responsible for verifying that the subcontractor's insurance meets the insurance requirements set forth above and that it is in effect prior to and throughout performance of work under this agreement. Any subcontractor who ceases to provide insurance coverage as set forth above must be removed from the project until such time that insurance coverage can be verified as in full force and effect.

Limits of Insurance. The total limits of general and excess liability insurance set forth above may be provided to the City using a combination of primary and excess liability insurance.

Additional Insured and Waiver of Subrogation. Subrecipient shall name the City of Aurora, its elected and appointed officials, employees, agents and representatives as additional insureds by endorsement and provide a waiver of subrogation for the Commercial General Liability and Auto Liability insurance policies. The certificate of insurance will include these specific requirements along with a copy of the relevant endorsements.

Certificates of Insurance. Upon the execution of this Agreement, Subrecipient shall provide certificates of insurance to the City demonstrating that at the minimum coverages required herein are in effect. Subrecipient agrees that the required coverages will not be reduced, canceled, non-renewed or materially changed without Thirty (30) days prior written notice to the City. All certificates of insurance must be kept in force throughout the duration of the services. If any of Subrecipient's or its subcontractor's coverage is renewed at any time prior to completion of the services, Subrecipient shall be responsible for obtaining updated insurance certificates for itself and such subcontractor from the respective insurance carriers and forwarding the replacement certificates to the City within five (5) days of the expiration date of any previously delivered certificate.

The minimum A.M. Best rating of each primary insurer shall be A- VIII and the minimum A.M. Best rating of each excess insurer shall be A- VII. The Subrecipient shall provide copies of insurance policies to the City Risk Manager upon request.

Any of the minimum limits of insurance set out herein may be raised or lowered at the sole discretion of the Risk Manager for the City in response to the particular circumstances giving rise to the contract. Subrecipient's policy will be primary and non-contributory with respect to any and all insurance policies purchased by the City.

In the event that the contract involves professional or consulting services, in addition to the aforementioned insurance requirements, the contract shall also be protected by a Professional Liability Insurance policy as set forth below:

Professional Liability Insurance. Subrecipient shall maintain professional liability insurance with minimum limits of One Million Dollars (\$1,000,000), covering those claims which arise out of the negligent acts or omissions of the Subrecipient, its Subcontractor and any other parties for whom it may be liable including without limitation, bodily injury, personal injury, property damage and including a contractual liability endorsement specifically applicable to the insurable indemnity obligations set forth herein which Professional Liability Insurance shall be carried on a claims-made basis maintained in full force and effect for the term of this Agreement and, to the extent possible, for a minimum period of Three (3) years after the completion of any and all of Subrecipient's Services hereunder. Any retroactive date or prior acts exclusion to which such coverage is subject shall pre-date both the date upon which any services hereunder are commenced and the date of this Agreement. In the event that coverage is renewed during the original term of any subsequent term of this agreement, endorsement(s) for the new policy(ies) shall be delivered within ten (10) days of the expiration date of any previously delivered certificate.

SUBRECIPIENT AGREEMENT

CORONAVIRUS STATE FISCAL RECOVERY - ARPA FUNDS ASSISTANCE LISTING NUMBER (formerly CFDA): 21-027

FAIN:

THIS SUBRECIPIENT AGREEMENT ("Agreement") is made and entered into this Fourteenth day of November 2022, by and between the City of Aurora, Colorado, a Colorado municipal corporation, hereinafter referred to as the "City" and Issues of Life Church Ministries Aurora, a Colorado nonprofit corporation, hereinafter referred to as the "Subrecipient" UEI (if applicable): HWGJEDYA5GJ8. City and Subrecipient are sometimes each referred to as a "Party" and collectively "Parties."

RECITALS

WHEREAS, on March 11, 2021, President Biden signed the U.S. Senate-amended H.R. 1319 (P.L. 117-2) known as the American Rescue Plan Act (hereinafter "ARPA"); and

WHEREAS, In Pub. Law. 117-2, Subtitle M, Sec. 9901, (The American Rescue Act or "ARPA") the US Congress allocated money to local government for various purposes; and

WHEREAS, on May 10, 2021, the U.S. Treasury issued the Interim Final Rule to implement ARPA in Title 31, Part 35 of the Code of Federal Regulations ("CFR"); and

WHEREAS, under ARPA Section 603 (c)(1)(A) and (3) and the Interim Final Rule 31 CFR 35.6(b)(7) recipients may use Coronavirus Local Fiscal Recovery ("CLFR") Funds to award grants to nonprofit organizations that are responding to the negative economic impacts of the COVID-19 public health emergency; and

WHEREAS, under ARPA Section 603 (c)(1)(A) and the Interim Final Rule 31 CFR 35.6(b)(7) and (12) recipients may provide CLFR Funds to programs or services to disproportionately impacted communities; and

WHEREAS, the City desires to disburse funds from Project No. CI-2113 to the Subrecipient to administer the Project and perform certain services in connection therewith as set forth in this Agreement and in the Scope of Services attached hereto; and

WHEREAS, Subrecipient has represented to the City that is duly qualified, eligible and willing to undertake the Project and provide the services identified herein and in the Scope of Services attached hereto.

NOW, THEREFORE, in consideration of the foregoing recitals and in consideration of the terms and conditions set forth herein, the Parties hereto mutually agree as follows:

1. SCOPE OF SERVICES

Subrecipient agrees to satisfactorily perform and complete all services and items of work, and furnish all labor and materials encompassed within or reasonably necessary to accomplish the tasks and functions described in the Scope of Services attached hereto as Exhibit "A" and incorporated herein by reference, in full compliance with all provisions of this Agreement.

Administrative Costs as defined in 24 CFR 576.108 are not an eligible reimbursable cost offered to subrecipients.

This award is not for Research and Development.

2. BUDGET AND METHOD OF PAYMENT

- a. City will pay to Subrecipient an amount up to that specified in subparagraph (c) of this paragraph as full compensation for all services and work to be performed or undertaken by Subrecipient under this Agreement. Payment of funds to Subrecipient is subject to all of the following requirements, which shall be conditions precedent to payment:
 - i. That Subrecipient has expended funds for eligible approved expenditures;
 - ii. That Subrecipient is not in default of any material provision of this Agreement nor applicable law or regulation;
 - iii. That Subrecipient has timely submitted requests for payment or reimbursement detailing the eligible payment or reimbursement items in a format approved by City; and
 - iv. That Subrecipient has certified with each payment or reimbursement request compliance with the requirements identified in Exhibit "C" and that all expenditures for which reimbursement is sought were made for and in furtherance of the approved Project and are an eligible use of federal assistance under ARPA and federal regulations.
- b. Payment hereunder is also subject to and may only be disbursed in accordance with applicable Federal regulations including but not limited to those at 31 CFR Part 35, as presently promulgated and as same may be revised from time to time in the future, all other terms of this Agreement, and any special provisions in the Scope of Services. All payments received by Subrecipient hereunder are subject to repayment by Subrecipient as provided in 31 CFR Part 35.
- c. The aggregate of all payments made hereunder shall not exceed **one hundred thousand dollars and zero cents (\$100,000.00)**.
- d. Upon expiration of the term of this Agreement or upon any prior termination, Subrecipient shall transfer to City any funds provided hereunder which are on hand at the time of expiration or termination.

3. TERM OF PROJECT AND AGREEMENT

- a. PROJECT. The term of the Project shall be from the date this Agreement. The Project will be completed on June 30, 2024 unless this Agreement is sooner terminated as herein provided.
- b. AGREEMENT. The term of this Agreement shall be from the date this Agreement. The activities contemplated by this Agreement will be completed on or before June 30, 2024 unless sooner terminated as herein provided.

4. SUBRECIPIENT RECORDS

Subrecipient shall maintain records as to all services provided, reimbursable expenses incurred in performing the Scope of Services and complete accounting records. Accounting records shall be kept on a generally recognized accounting basis and as requested by any representee of the City. Subrecipient agrees to comply with all applicable uniform administrative requirements described or referenced in 31 CFR 35. The Compliance Provisions attached as Exhibit "B" hereto are made a part of this Agreement and Subrecipient agrees to perform and comply with same. The City, Comptroller General of the United States, the Inspector General of the U.S. Treasury and any of their authorized representatives, shall have the right to inspect and copy, during reasonable business hours, all books, documents, papers and records of the Subrecipient which relate to this Agreement for making an audit or examination. Upon completion of the work and end of the term of this Agreement, the City may require copies of all Subrecipient's financial records relating to this Agreement to be turned over to City.

The Subrecipient, which is a non-federal agency, that expends \$750,000 or more during the Subrecipient's fiscal year, shall have a single audit conducted for that year in accordance with the provisions 2 CFR 200, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards", "Super Circular", Audit shall be completed within nine (9) months of the Subrecipients audit period and a copy of the most recent audit shall be forwarded to the City within thirty (30) days of completion.

5. MONITORING AND EVALUATION

City and its consultants shall have the right to monitor and evaluate the progress and performance of Subrecipient to assure that the terms of this Agreement are being satisfactorily fulfilled in accordance with City's and other applicable monitoring and evaluation criteria and standards. City may at least quarterly review Subrecipient's performance using on-site visits, progress reports required to be submitted by Subrecipient, audit findings, disbursements transactions, and contact Subrecipient as necessary. Subrecipient shall furnish City quarterly program and financial reports of its activities in such form and manner as may be requested by the City. Subrecipient shall fully cooperate with the City in relation to training and education on requirements and attending training sessions as well as monitoring, evaluation, and audits.

6. PERFORMANCE REPORTING

City shall at least quarterly review Subrecipient's performance using on-site visits, progress reports required to be submitted by Subrecipient, audit findings, disbursements transactions and contact with the Subrecipient as necessary. Subrecipient shall furnish to City quarterly program performance and financial reports of its activities in such form and manner as may be requested by the City. Quarterly reports are due by last day of first month following the end of a quarter. Subrecipients shall fully cooperate with City in relation to such monitoring, evaluation, and audits.

7. SUBRECIPIENT FILES AND INFORMATION REPORTS

Subrecipient shall maintain files containing information which shall clearly document all activities performed in conjunction with this Agreement, including, but not limited to, financial transactions, conformance with assurances and activity reports. These records shall be retained by Subrecipient for a period of three years after the completion of the Project.

The Subrecipient shall keep accurate books and records of accounts in accordance with generally accepted accounting principles of all expenditures made and all costs and liabilities incurred utilizing Program Funds. The aforementioned accounts and all project records shall be made available upon request by the City or any other federal agency for examination and audit. All books and records of accounts must be retained for four (4) years from the date of this agreement.

8. ASSIGNABILITY

This Agreement shall not be assigned or transferred by the Subrecipient without the prior written consent of the City. Any assignment or attempted assignment made in violation of this provision shall, at City's election, be deemed void and of no effect whatsoever.

9. AVOIDANCE OF CONFLICT OF INTEREST

Subrecipient certifies and warrants that neither it nor any members of its Board of Directors, officers or employees has or will derive any personal or financial interest or benefit from the activity or activities assisted pursuant to this Agreement, nor has an interest in any contract,

subcontract or agreement with respect thereunto, nor the proceeds thereunder, either for themselves or for those with whom they have family or business ties, during their tenure and for one year thereafter. Subrecipient shall avoid all conflicts of interest which are prohibited by applicable federal regulations including but not limited to those set forth in 31 CFR Part 35 as presently promulgated and as same may be revised from time to time in the future.

10. INDEPENDENCE OF SUBRECIPIENT

Nothing herein contained nor the relationship of Subrecipient to City, which relationship is expressly declared to be that of an independent contractor, shall make or be construed to make Subrecipient or any of Subrecipient's agents or employees the agents or employees of the City. Subrecipient shall be solely and entirely responsible for its acts and the acts of its agents, employees and subcontractors

11. INDEMNIFICATION. LEGAL DISCLAIMER

Subrecipient and any and all of its personnel operating under the terms of this agreement are not to be considered agents or employees of the City for any purpose and are not entitled to any of the benefits that the City provides for the City's employees. Subrecipient covenants and agrees to, and does hereby, indemnify and hold harmless, to the extent permitted by law, defend the City, its agents, servants, or employees, from and against any and all claims for injuries or damages to persons or property of whatsoever kind of character, whether real or asserted, arising out of this agreement for the work to be performed hereunder. The Subrecipient hereby assumes all liability and responsibility for injuries, claims or suits for damages to persons or property of whatsoever kind or character, whether real or asserted, arising out of the performance.

Pursuant to Colorado Constitution Article XI, Sections 1 and 2 the City shall not indemnify or hold harmless Subrecipient, or any party related or operating under this Agreement with or without the City's consent. No provision in this Agreement shall limit or set the amount of damages available to the City to any amount other than the actual direct and indirect damages to the City, regardless of the theory or basis for such damages. Any provision included or incorporated herein by reference which purports to negate this provision in whole or in part shall not be valid or enforceable or available in any action at law or equity, whether by way of complaint, defense, or otherwise. Any provision rendered null and void by this provision shall not invalidate the remainder of the Agreement.

12. TERMINATION OF AGREEMENT

- a. For Cause: This Agreement may be terminated by City for cause, including any nonperformance by the Subrecipient, upon ten (10) days written notice to Subrecipient including a statement of the reasons therefore, and after an opportunity for a hearing has been afforded. If a hearing is requested, it shall be held before the City's Mayor whose decision shall be final. The determination of the City as to the cause of termination and the appropriateness thereof shall be final and binding upon both City and Subrecipient. Cause for termination shall include:
 - Improper use of funds;
 - Failure to comply with the terms and conditions of this Agreement;
 - Failure to comply with the terms and conditions of the Scope of Services, Exhibit A;
 - If, for any reason, this Agreement's performance is rendered impossible or unfeasible;
 - Failure to comply with applicable Federal, State, or local laws and regulations.
- b. For Convenience: This Agreement may be terminated by City for convenience upon ten (10) days written notice to Subrecipient, which decision shall not be subject to appeal.

- c. Post Expiration and Termination Procedures: Upon expiration or in the event of a prior termination, all remaining and unspent grant funds, shall immediately become the sole and separate property of the City and the Subrecipient shall perform all acts and execute all instruments necessary to transfer and assign such funds to the City. All finished or unfinished documents, data, studies, reports, and work product prepared by the Subrecipient under this Agreement or with grant funds shall, at the option of the City, become City's property.

13. LIABILITY

As to the City, Subrecipient agrees to assume the risk of all personal injury, including death and bodily injury, and damage to and destruction of property, including loss of use therefrom, caused by or sustained, in whole or in part, in conjunction with or arising out of the performance or nonperformance of this Agreement by Subrecipient or by the conditions created thereby. Subrecipient further agrees to indemnify and save harmless the City, its officers, agents and employees, from and against all claims, liabilities, costs, expenses, penalties and attorney fees arising from such injuries to persons or damages to property or based upon or arising out of the performance or nonperformance of this Agreement by Subrecipient or out of any violation by Subrecipient of any statute, ordinance, rule or regulation. Subrecipient shall be responsible for any injury to persons or damage to property to the extent arising from negligent or otherwise wrongful acts, errors and omissions of Artist, its agents, and employees.

14. INSURANCE

If Subrecipient and any sub-contractor of Subrecipient have employees Subrecipient and the sub-contractor(s) shall provide the appropriate certificates of insurance and Worker Compensation documents, at no cost to the City, as described in Exhibit "D". Subrecipient further agrees and understands that it, and any sub-contractor are to maintain and keep in force the appropriate insurance certificates throughout the term of this Agreement.

15. CERTIFICATIONS

Subrecipient agrees to execute and abide by the certifications contained in Exhibit "C" hereto, and Subrecipient's application for ARPA funds, both of which are hereby made a part of this Agreement. In the event of any conflict between the terms of this Agreement and Subrecipient's Application, this Agreement shall control.

16. REVERSION OF ASSETS

- a. Upon expiration of the term of this Agreement, or upon any prior termination, Subrecipient shall transfer to City any funds provided hereunder which are on hand at the time of expiration or termination.
- b. In the event City incurs any costs or expenses in enforcing the requirements of this paragraph or in bringing any action to recover the property or amount of any repayment obligation, City shall be entitled to recover its costs and expenses, including reasonable attorney's fees.

17. RESPONSIBILITIES OF SUBRECIPIENT

Subrecipient warrants and represents that it:

- a. Has the requisite authority and capacity to perform all terms and conditions on Subrecipient's part to be performed hereunder;
- b. That it is duly organized as a non-profit organization under state law and is in good standing with the Secretary of State of Colorado;

- c. That it is a nonprofit organization exempt from Federal income taxation under Section 501(c)(3) of the Internal Revenue Code;
- d. That it is fully aware of and understands its duty to perform all functions and services in accordance with the regulatory requirements of 31 CFR Part 35 and those identified in Exhibit "C" hereto; and
- e. That it is accepting federal financial assistance hereunder subject to certain mandatory repayment provisions.

18. RESPONSIBILITIES OF THE CITY

- a. City shall provide Subrecipient with the information necessary to facilitate the performance of this Agreement;
- b. Give prompt notice to Subrecipient when the City becomes aware or observes of any deficiencies or discrepancies in the services provided.

19. ENTIRE AGREEMENT; AMENDMENTS

The provisions set forth in this Agreement, and all Exhibits and attachments to this Agreement, constitute the entire and complete agreement of the parties hereto and supersede all prior written and oral agreements, understandings or representations related thereto. No amendment or modification of this Agreement, and no waiver of any provisions of this Agreement shall be binding unless made in writing and executed by the duly authorized officers of both the Subrecipient and City

20. NOTICES

Notices, as referred to in this Agreement, shall be sent to:

City	City of Aurora, Colorado Attn: Controller 15151 East Alameda Parkway Aurora, Colorado 80012
With a copy to:	Office of the City Attorney 15151 East Alameda Parkway Aurora, Colorado 80012
Subrecipient	Issues of Life Church Ministries Aurora 887 S Evanston Circle Aurora, CO 80012

21. LOBBYING

Subrecipient certifies that no Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the Subrecipient shall complete and submit the Standard Form LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

Subrecipient shall require that the language of this certification be included in the award documents for all sub awards at all tiers including subcontracts, sub grants, and contracts under grants, loans, and cooperative agreements and that all referenced shall certify and disclose accordingly.

22. EQUAL EMPLOYMENT OPPORTUNITY/NONDISCRIMINATION.

Subrecipient shall not discriminate against any employee, applicant for employment, contractor, or subcontractor because of race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. The Subrecipient shall adhere to acceptable affirmative action guidelines in selecting employees and contractors and shall ensure that employees and contractors receive fair treatment during employment or agreement, without regard to their race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.

The Subrecipient shall not discriminate because of race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status in Subrecipient services, activities, accommodations, or facility use. The Subrecipient shall adhere to and assure that employment and activity programming are conducted such that all individuals and groups, clients, participants, and/or employees will be treated equally without regard to their race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. The Subrecipient understands and agrees that any act of discrimination based upon race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status may jeopardize grant funding to the Subrecipient and may be subject to loss of funding, reimbursement of funds allocated, or denial of future funds.

23. SIGNATURES

The persons signing this Agreement on behalf of Subrecipient represent and warrant that such persons and Subrecipient have the requisite power and authority to enter, execute and deliver this Agreement and that this Agreement is a valid and legally binding obligation of Subrecipient enforceable against Subrecipient in accordance with its terms.

IN WITNESS, WHEREOF, the Subrecipient and the City have executed this Agreement as of the date first above written and under the laws of the State of Colorado.

CITY OF AURORA, COLORADO

EXHIBIT A

SCOPE OF SERVICES

A. Principal Tasks

Title of project/program

Community Life Services

Description of project/program

Provide Community Life Services such as tutoring for grades 2-8, food bags, gas, rent, utility assistance, job search assistance as well as computer classes. Provide Youth Services programs during the summer months.

Describe your project/program timeline and anticipated schedule of completion.

We expect to be up and running in August 2022 with providing food bags, rent/utility assistance, transportation vouchers, computer classes and assistance with job search. August 2022 with no end of completion. Continuous service as long as we're able to do so.

How will you measure the success and impact of this program or project?

We will an online registration process with monthly tracking/follow-up. Our measure of success is to help 1 in any given week/month. To know that our stakeholders/marketing flyers/social media to get the word out and how people respond.

B. Approved Budget

The **approved budget** during the term of this agreement is attached at this link: [Link to Project Budget \(https://arpaaauracityco.powerappsportals.com/entity/annotation/9280bf60-b254-ed11-bba2-000d3a31c665/e30a779b-5ffd-ec11-82e5-000d3a3ba323\)](https://arpaaauracityco.powerappsportals.com/entity/annotation/9280bf60-b254-ed11-bba2-000d3a31c665/e30a779b-5ffd-ec11-82e5-000d3a3ba323).

Changes in the scope of services, budget, or method of compensation contained in this Agreement, unless otherwise noted, may only be made through a written amendment to this Agreement, executed by the Subrecipient and the City.

C. Performance Monitoring

The City and its consultants will monitor the performance of the Subrecipient according to the Principal Tasks and Budget set forth herein. Subrecipient shall fully cooperate with the City in relation to training and education on requirements and attending training sessions as well as monitoring, evaluation, and audits. Substandard performance shall mean non-compliance with this Agreement. If actions to correct such substandard performance are not taken by the Subrecipient within a reasonable period of time after being so notified by the City, contract suspension or termination procedures may be initiated in the sole discretion of the City.

EXHIBIT B

COMPLIANCE PROVISIONS INCORPORATED IN THE SUBRECIPIENT AGREEMENT

1. An accounting system using the accrual basis of generally accepted accounting principles which accurately reflects all costs chargeable (paid and unpaid) to the Project is mandatory. A receipts and disbursements ledger must be maintained. A general ledger with an income and expense account for each budgeted line item is necessary. Paid invoices revealing check number, date paid, and item is necessary. Similarly, cash receipts for the payment of wages is mandatory. Paid invoices revealing check number, date paid, and evidence of goods or services received are to be filed per the expense account they were charged. The City must review and approve your account system and internal controls prior to the release of funds.
2. There is no flexibility on budgets. Line items may be changed only by the City's written concurrence of a budget amendment.
3. Eligible expenses are those considered reasonable and necessary costs for the efficient operation of the Project as determined by the City. All costs must be budgeted items. Request for advance or reimbursements of expenses must be accompanied by:
 1. Original invoice marked with funding source
 2. Detailed listing of each expense showing:
 - a. recipient
 - b. brief description of purchase
 - c. amount with method of computation detailed
 - d. how expense meets program goal per approved proposal

Cost Summary must be submitted monthly to reflect entries through the closing date for the books (indicate Closing Date on Cost Summary).

4. The City shall not be obligated to any third-party contractors of the Subrecipient. The subrecipient is further cautioned against obligating funds beyond the contract date of the agreement between the City and the Subrecipient.
5. The Subrecipient will furnish the City such statements, records, data and information, and permit such interviews with personnel as the City may request to effectively monitor and evaluate the project.
6. City auditors will periodically make interim audits and may, upon completion of the Project, make a final audit.

7. All records must be retained by the Subrecipient for a period of three years following the last day of the Agreement. (Cost summary reports must reflect actual general ledger balances.)

EXHIBIT C

CERTIFICATIONS

Subrecipient hereby certifies that the grant will be conducted and administered in compliance with:

1. Title VII of the Civil Rights Act of 1964 (Pub. L. 88-352; 42 U.S.C. 2000d, et seq.) and implementing regulations issued at 24 CFR Part 1;
2. Title VIII of the Civil Rights Act of 1968 (Pub. L. 90-284; 42 U.S.C. 3601, et seq.), as amended; and that the subrecipient will administer all programs and activities related to housing and community development in a manner to affirmatively further fair housing;
3. Section 109 of the Housing and Community Development Act of 1974, as amended; and the regulations issued pursuant thereto;
4. Section 3 of the Housing and Urban Development Act of 1968, as amended;
5. Executive Order 11246, as amended by Executive Orders 11375 and 12086, and implementing regulations issued at 41 CFR Chapter 60;
6. Executive Order 11063, as amended by Executive Orders 12259, and implementing regulations at 24 CFR Part 107;
7. Section 504 of the Rehabilitation Act of 1973 (Pub. L. 93-112), as amended, and implementing regulations when published for effect;
8. The Age Discrimination in Employment Act of 1975 (Pub. L. 94-135), as amended, and implementing regulations when published for effect;
9. The Subrecipient, as applicable to a governmental or nongovernmental agency, shall comply with the requirements and standards of 2 CFR Chapter I, and Chapter II, Parts 200, 215, 220, 225 and 230, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards" aka "Super Circular"; and shall comply with applicable sections of 79 FR 75871 "Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments".
10. Executive Order 11988 relating to the evaluation of flood hazards and Executive Order 11288 relating to the prevention, control and abatement of water pollution;
11. The flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (Pub. L. 93-234);
12. The applicable regulations, policies, guidelines and requirements of OMB Circular Nos. A-102, Revised, 24 CFR 85 and Subpart J of 24 CFR 570, A-87, A-110, A-122, A-128 and A-133 as they relate to the acceptance and use of federal funds under this federally-assisted program;
13. The Clean Air Act (42 U.S.C. 7401 et seq.) as amended; particularly section 176 (c) and (d) [42 U.S.C. 7506 (c) and (d)];

14. The Safe Drinking Water Act of 1974 (42 U.S.C. 201, 300 (f) et.seq., and 21 U.S.C. 349) as amended; particularly section 1424 (e) (42 U.S.C. 300 (h)-303 (e));
15. The Endangered Species Act of 1973 (16 U.S.C. 1531 et. Seq.) as amended; including but not limited to section 7 (16 U.S.C. 1536) thereof;
16. The Reservoir Salvage Act of 1960 916 U.S.C. 469 et.seq.); particularly section 3 (16 U.S.C. 469a-1); as amended by the Archeological and Historical Preservation Act of 1974;
17. Flood Disaster Protection Act of 1973 (42 U.S.C. 4001 et.seq.) as amended; particularly sections 102(a) and 202(a) [42 U.S.C. 4012a(a) and 4106(a)];
18. Executive order 11990, Protection of Wetlands, May 24, 1977 (42 FR 26961 et. Seq.); particularly sections 2 and 5;
19. Lead-Based Paint Poisoning Prevention requirements of 25 CFR Part 35 issued pursuant to the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4821 et.seq.);
20. The National Historic Preservation Act of 1966 (16 U.S.C. 470 et seq.) as amended; particularly section 106 (16 U.S.C. 470f); and
21. Executive Order 11593, Protection and Enhancement of the Cultural Environment, May 13, 1971 (36 FR 8921 et seq.); particularly section 2(c).
22. Construction work financed in whole or in part with federal funds is subject to the prevailing wage requirements of the Davis-Bacon Act (29 CFR, Parts 3 and 5), the Copeland Act (29 CFR Part 3), and the Contract Work Hours and Safety Standards Act (Public Law 91-54, 83 Stat. 96). When a project meets this applicability requirement, the labor standards provision of the HUD 4010 and the Davis Bacon Wage Decision issued for the project will be incorporated into this contract document and shall be incorporated into all construction contracts and subcontracts of any tier thereunder.
23. No ARPA funds may be expended for lobbying purposes and payments from other sources for lobbying must be disclosed (24 CFR Part 87).
 - a. No federally appropriated funds have been or will be paid, by or on behalf of subrecipient, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.
 - b. If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, 14 a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.
24. Where asbestos is present in property undergoing rehabilitation, Federal requirements apply regarding worker exposure, abatement procedures and disposal. (CPD-90-44 EPA/OSHA).

EXHIBIT D

INSURANCE REQUIREMENTS

During the term of this Agreement and until final acceptance by the City of all work covered by the Agreement, Subrecipient performing services under this Agreement shall provide, pay for and maintain in full force and effect the types and minimum limits of insurance, as indicated below, covering the Subrecipient, their employees, subcontractors or representatives, along with: the activities of any and all subcontractors retained by the Subrecipient or Subcontractors, the activities of anyone employed by any Subrecipient, Subcontractors, their representatives or anyone for whose acts they may be liable.

Commercial General Liability Insurance. Subrecipient shall maintain commercial general liability insurance covering all operations by or on behalf of Subrecipient on a per occurrence basis against claims for personal injury (including bodily injury and death) and property damage (including loss of use). Coverage will include, if appropriate for the scope of services: Products and Completed Operations, Contractual Liability and a Waiver of Subrogation. The City, its elected and appointed officials, employees, agents and representatives shall be named as Additional Insureds by endorsement.

Minimum limits:

\$1,000,000 each occurrence

\$2,000,000 general aggregate

\$2,000,000 products and completed

Commercial Automobile Liability Insurance. Subrecipient shall maintain business automobile liability covering liability arising out of the operation of any vehicle (including owned, non-owned and hired vehicles) with minimum limits of \$1,000,000 combined single limit each accident, naming the City as an Additional Insured by endorsement.

Workers' Compensation and Employers Liability Insurance. Subrecipient shall maintain Worker's Compensation Insurance with limits in accordance with the provisions of the Workers' Compensation Act, as amended, by the State of Colorado. Additionally, Subrecipient shall maintain Employers Liability Insurance with minimum limits of \$500,000 bodily injury for each accident, \$100,000 bodily injury by disease each employee and \$500,000 bodily injury disease aggregate. If Subrecipient does not have employees, Subrecipient will provide a written statement indicating that it has no employees and is not subject to the provisions of Colorado Workers' Compensation Act.

If Subrecipient engages services of a subcontractor, Subrecipient is responsible for verifying that the subcontractor's insurance meets the insurance requirements set forth above and that it is in effect prior to and throughout performance of work under this agreement. Any subcontractor who ceases to provide insurance coverage as set forth above must be removed from the project until such time that insurance coverage can be verified as in full force and effect.

Limits of Insurance. The total limits of general and excess liability insurance set forth above may be provided to the City using a combination of primary and excess liability insurance.

Additional Insured and Waiver of Subrogation. Subrecipient shall name the City of Aurora, its elected and appointed officials, employees, agents and representatives as additional insureds by endorsement and provide a waiver of subrogation for the Commercial General Liability and Auto Liability insurance policies. The certificate of insurance will include these specific requirements along with a copy of the relevant endorsements.

Certificates of Insurance. Upon the execution of this Agreement, Subrecipient shall provide certificates of insurance to the City demonstrating that at the minimum coverages required herein are in effect. Subrecipient agrees that the required coverages will not be reduced, canceled, non-renewed or materially changed without Thirty (30) days prior written notice to the City. All certificates of insurance must be kept in force throughout the duration of the services. If any of Subrecipient's or its subcontractor's coverage is renewed at any time prior to completion of the services, Subrecipient shall be responsible for obtaining updated insurance certificates for itself and such subcontractor from the respective insurance carriers and forwarding the replacement certificates to the City within five (5) days of the expiration date of any previously delivered certificate.

The minimum A.M. Best rating of each primary insurer shall be A- VIII and the minimum A.M. Best rating of each excess insurer shall be A- VII. The Subrecipient shall provide copies of insurance policies to the City Risk Manager upon request.

Any of the minimum limits of insurance set out herein may be raised or lowered at the sole discretion of the Risk Manager for the City in response to the particular circumstances giving rise to the contract. Subrecipient's policy will be primary and non-contributory with respect to any and all insurance policies purchased by the City.

In the event that the contract involves professional or consulting services, in addition to the aforementioned insurance requirements, the contract shall also be protected by a Professional Liability Insurance policy as set forth below:

Professional Liability Insurance. Subrecipient shall maintain professional liability insurance with minimum limits of One Million Dollars (\$1,000,000), covering those claims which arise out of the negligent acts or omissions of the Subrecipient, its Subcontractor and any other parties for whom it may be liable including without limitation, bodily injury, personal injury, property damage and including a contractual liability endorsement specifically applicable to the insurable indemnity obligations set forth herein which Professional Liability Insurance shall be carried on a claims-made basis maintained in full force and effect for the term of this Agreement and, to the extent possible, for a minimum period of Three (3) years after the completion of any and all of Subrecipient's Services hereunder. Any retroactive date or prior acts exclusion to which such coverage is subject shall pre-date both the date upon which any services hereunder are commenced and the date of this Agreement. In the event that coverage is renewed during the original term of any subsequent term of this agreement, endorsement(s) for the new policy(ies) shall be delivered within ten (10) days of the expiration date of any previously delivered certificate.

SUBRECIPIENT AGREEMENT

CORONAVIRUS STATE FISCAL RECOVERY - ARPA FUNDS ASSISTANCE LISTING NUMBER (formerly CFDA): 21-027

FAIN:

THIS SUBRECIPIENT AGREEMENT ("Agreement") is made and entered into this Fourteenth day of November 2022, by and between the City of Aurora, Colorado, a Colorado municipal corporation, hereinafter referred to as the "City" and Tigray-Ethiopian Community Association in Colorado, a Colorado nonprofit corporation, hereinafter referred to as the "Subrecipient" UEI (if applicable): DQP6P9T3EA53. City and Subrecipient are sometimes each referred to as a "Party" and collectively "Parties."

RECITALS

WHEREAS, on March 11, 2021, President Biden signed the U.S. Senate-amended H.R. 1319 (P.L. 117-2) known as the American Rescue Plan Act (hereinafter "ARPA"); and

WHEREAS, In Pub. Law. 117-2, Subtitle M, Sec. 9901, (The American Rescue Act or "ARPA") the US Congress allocated money to local government for various purposes; and

WHEREAS, on May 10, 2021, the U.S. Treasury issued the Interim Final Rule to implement ARPA in Title 31, Part 35 of the Code of Federal Regulations ("CFR"); and

WHEREAS, under ARPA Section 603 (c)(1)(A) and (3) and the Interim Final Rule 31 CFR 35.6(b)(7) recipients may use Coronavirus Local Fiscal Recovery ("CLFR") Funds to award grants to nonprofit organizations that are responding to the negative economic impacts of the COVID-19 public health emergency; and

WHEREAS, under ARPA Section 603 (c)(1)(A) and the Interim Final Rule 31 CFR 35.6(b)(7) and (12) recipients may provide CLFR Funds to programs or services to disproportionately impacted communities; and

WHEREAS, the City desires to disburse funds from Project No. CI-2113 to the Subrecipient to administer the Project and perform certain services in connection therewith as set forth in this Agreement and in the Scope of Services attached hereto; and

WHEREAS, Subrecipient has represented to the City that is duly qualified, eligible and willing to undertake the Project and provide the services identified herein and in the Scope of Services attached hereto.

NOW, THEREFORE, in consideration of the foregoing recitals and in consideration of the terms and conditions set forth herein, the Parties hereto mutually agree as follows:

1. SCOPE OF SERVICES

Subrecipient agrees to satisfactorily perform and complete all services and items of work, and furnish all labor and materials encompassed within or reasonably necessary to accomplish the tasks and functions described in the Scope of Services attached hereto as Exhibit "A" and incorporated herein by reference, in full compliance with all provisions of this Agreement.

Administrative Costs as defined in 24 CFR 576.108 are not an eligible reimbursable cost offered to subrecipients.

This award is not for Research and Development.

2. BUDGET AND METHOD OF PAYMENT

- a. City will pay to Subrecipient an amount up to that specified in subparagraph (c) of this paragraph as full compensation for all services and work to be performed or undertaken by Subrecipient under this Agreement. Payment of funds to Subrecipient is subject to all of the following requirements, which shall be conditions precedent to payment:
 - i. That Subrecipient has expended funds for eligible approved expenditures;
 - ii. That Subrecipient is not in default of any material provision of this Agreement nor applicable law or regulation;
 - iii. That Subrecipient has timely submitted requests for payment or reimbursement detailing the eligible payment or reimbursement items in a format approved by City; and
 - iv. That Subrecipient has certified with each payment or reimbursement request compliance with the requirements identified in Exhibit "C" and that all expenditures for which reimbursement is sought were made for and in furtherance of the approved Project and are an eligible use of federal assistance under ARPA and federal regulations.
- b. Payment hereunder is also subject to and may only be disbursed in accordance with applicable Federal regulations including but not limited to those at 31 CFR Part 35, as presently promulgated and as same may be revised from time to time in the future, all other terms of this Agreement, and any special provisions in the Scope of Services. All payments received by Subrecipient hereunder are subject to repayment by Subrecipient as provided in 31 CFR Part 35.
- c. The aggregate of all payments made hereunder shall not exceed **two hundred and fifty thousand dollars and zero cents (\$250,000.00)**.
- d. Upon expiration of the term of this Agreement or upon any prior termination, Subrecipient shall transfer to City any funds provided hereunder which are on hand at the time of expiration or termination.

3. TERM OF PROJECT AND AGREEMENT

- a. PROJECT. The term of the Project shall be from the date this Agreement. The Project will be completed on June 30, 2024 unless this Agreement is sooner terminated as herein provided.
- b. AGREEMENT. The term of this Agreement shall be from the date this Agreement. The activities contemplated by this Agreement will be completed on or before June 30, 2024 unless sooner terminated as herein provided.

4. SUBRECIPIENT RECORDS

Subrecipient shall maintain records as to all services provided, reimbursable expenses incurred in performing the Scope of Services and complete accounting records. Accounting records shall be kept on a generally recognized accounting basis and as requested by any representee of the City. Subrecipient agrees to comply with all applicable uniform administrative requirements described or referenced in 31 CFR 35. The Compliance Provisions attached as Exhibit "B" hereto are made a part of this Agreement and Subrecipient agrees to perform and comply with same. The City, Comptroller General of the United States, the Inspector General of the U.S. Treasury and any of their authorized representatives, shall have the right to inspect and copy, during reasonable business hours, all books, documents, papers and records of the Subrecipient which relate to this Agreement for making an audit or examination. Upon completion of the work and end of the term of this Agreement, the City may require copies of all Subrecipient's financial records relating to this Agreement to be turned over to City.

The Subrecipient, which is a non-federal agency, that expends \$750,000 or more during the Subrecipient's fiscal year, shall have a single audit conducted for that year in accordance with the provisions 2 CFR 200, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards", "Super Circular", Audit shall be completed within nine (9) months of the Subrecipients audit period and a copy of the most recent audit shall be forwarded to the City within thirty (30) days of completion.

5. MONITORING AND EVALUATION

City and its consultants shall have the right to monitor and evaluate the progress and performance of Subrecipient to assure that the terms of this Agreement are being satisfactorily fulfilled in accordance with City's and other applicable monitoring and evaluation criteria and standards. City may at least quarterly review Subrecipient's performance using on-site visits, progress reports required to be submitted by Subrecipient, audit findings, disbursements transactions, and contact Subrecipient as necessary. Subrecipient shall furnish City quarterly program and financial reports of its activities in such form and manner as may be requested by the City. Subrecipient shall fully cooperate with the City in relation to training and education on requirements and attending training sessions as well as monitoring, evaluation, and audits.

6. PERFORMANCE REPORTING

City shall at least quarterly review Subrecipient's performance using on-site visits, progress reports required to be submitted by Subrecipient, audit findings, disbursements transactions and contact with the Subrecipient as necessary. Subrecipient shall furnish to City quarterly program performance and financial reports of its activities in such form and manner as may be requested by the City. Quarterly reports are due by last day of first month following the end of a quarter. Subrecipients shall fully cooperate with City in relation to such monitoring, evaluation, and audits.

7. SUBRECIPIENT FILES AND INFORMATION REPORTS

Subrecipient shall maintain files containing information which shall clearly document all activities performed in conjunction with this Agreement, including, but not limited to, financial transactions, conformance with assurances and activity reports. These records shall be retained by Subrecipient for a period of three years after the completion of the Project.

The Subrecipient shall keep accurate books and records of accounts in accordance with generally accepted accounting principles of all expenditures made and all costs and liabilities incurred utilizing Program Funds. The aforementioned accounts and all project records shall be made available upon request by the City or any other federal agency for examination and audit. All books and records of accounts must be retained for four (4) years from the date of this agreement.

8. ASSIGNABILITY

This Agreement shall not be assigned or transferred by the Subrecipient without the prior written consent of the City. Any assignment or attempted assignment made in violation of this provision shall, at City's election, be deemed void and of no effect whatsoever.

9. AVOIDANCE OF CONFLICT OF INTEREST

Subrecipient certifies and warrants that neither it nor any members of its Board of Directors, officers or employees has or will derive any personal or financial interest or benefit from the activity or activities assisted pursuant to this Agreement, nor has an interest in any contract,

subcontract or agreement with respect thereunto, nor the proceeds thereunder, either for themselves or for those with whom they have family or business ties, during their tenure and for one year thereafter. Subrecipient shall avoid all conflicts of interest which are prohibited by applicable federal regulations including but not limited to those set forth in 31 CFR Part 35 as presently promulgated and as same may be revised from time to time in the future.

10. INDEPENDENCE OF SUBRECIPIENT

Nothing herein contained nor the relationship of Subrecipient to City, which relationship is expressly declared to be that of an independent contractor, shall make or be construed to make Subrecipient or any of Subrecipient's agents or employees the agents or employees of the City. Subrecipient shall be solely and entirely responsible for its acts and the acts of its agents, employees and subcontractors

11. INDEMNIFICATION. LEGAL DISCLAIMER

Subrecipient and any and all of its personnel operating under the terms of this agreement are not to be considered agents or employees of the City for any purpose and are not entitled to any of the benefits that the City provides for the City's employees. Subrecipient covenants and agrees to, and does hereby, indemnify and hold harmless, to the extent permitted by law, defend the City, its agents, servants, or employees, from and against any and all claims for injuries or damages to persons or property of whatsoever kind of character, whether real or asserted, arising out of this agreement for the work to be performed hereunder. The Subrecipient hereby assumes all liability and responsibility for injuries, claims or suits for damages to persons or property of whatsoever kind or character, whether real or asserted, arising out of the performance.

Pursuant to Colorado Constitution Article XI, Sections 1 and 2 the City shall not indemnify or hold harmless Subrecipient, or any party related or operating under this Agreement with or without the City's consent. No provision in this Agreement shall limit or set the amount of damages available to the City to any amount other than the actual direct and indirect damages to the City, regardless of the theory or basis for such damages. Any provision included or incorporated herein by reference which purports to negate this provision in whole or in part shall not be valid or enforceable or available in any action at law or equity, whether by way of complaint, defense, or otherwise. Any provision rendered null and void by this provision shall not invalidate the remainder of the Agreement.

12. TERMINATION OF AGREEMENT

- a. For Cause: This Agreement may be terminated by City for cause, including any nonperformance by the Subrecipient, upon ten (10) days written notice to Subrecipient including a statement of the reasons therefore, and after an opportunity for a hearing has been afforded. If a hearing is requested, it shall be held before the City's Mayor whose decision shall be final. The determination of the City as to the cause of termination and the appropriateness thereof shall be final and binding upon both City and Subrecipient. Cause for termination shall include:
 - Improper use of funds;
 - Failure to comply with the terms and conditions of this Agreement;
 - Failure to comply with the terms and conditions of the Scope of Services, Exhibit A;
 - If, for any reason, this Agreement's performance is rendered impossible or unfeasible;
 - Failure to comply with applicable Federal, State, or local laws and regulations.
- b. For Convenience: This Agreement may be terminated by City for convenience upon ten (10) days written notice to Subrecipient, which decision shall not be subject to appeal.

- c. Post Expiration and Termination Procedures: Upon expiration or in the event of a prior termination, all remaining and unspent grant funds, shall immediately become the sole and separate property of the City and the Subrecipient shall perform all acts and execute all instruments necessary to transfer and assign such funds to the City. All finished or unfinished documents, data, studies, reports, and work product prepared by the Subrecipient under this Agreement or with grant funds shall, at the option of the City, become City's property.

13. LIABILITY

As to the City, Subrecipient agrees to assume the risk of all personal injury, including death and bodily injury, and damage to and destruction of property, including loss of use therefrom, caused by or sustained, in whole or in part, in conjunction with or arising out of the performance or nonperformance of this Agreement by Subrecipient or by the conditions created thereby. Subrecipient further agrees to indemnify and save harmless the City, its officers, agents and employees, from and against all claims, liabilities, costs, expenses, penalties and attorney fees arising from such injuries to persons or damages to property or based upon or arising out of the performance or nonperformance of this Agreement by Subrecipient or out of any violation by Subrecipient of any statute, ordinance, rule or regulation. Subrecipient shall be responsible for any injury to persons or damage to property to the extent arising from negligent or otherwise wrongful acts, errors and omissions of Artist, its agents, and employees.

14. INSURANCE

If Subrecipient and any sub-contractor of Subrecipient have employees Subrecipient and the sub-contractor(s) shall provide the appropriate certificates of insurance and Worker Compensation documents, at no cost to the City, as described in Exhibit "D". Subrecipient further agrees and understands that it, and any sub-contractor are to maintain and keep in force the appropriate insurance certificates throughout the term of this Agreement.

15. CERTIFICATIONS

Subrecipient agrees to execute and abide by the certifications contained in Exhibit "C" hereto, and Subrecipient's application for ARPA funds, both of which are hereby made a part of this Agreement. In the event of any conflict between the terms of this Agreement and Subrecipient's Application, this Agreement shall control.

16. REVERSION OF ASSETS

- a. Upon expiration of the term of this Agreement, or upon any prior termination, Subrecipient shall transfer to City any funds provided hereunder which are on hand at the time of expiration or termination.
- b. In the event City incurs any costs or expenses in enforcing the requirements of this paragraph or in bringing any action to recover the property or amount of any repayment obligation, City shall be entitled to recover its costs and expenses, including reasonable attorney's fees.

17. RESPONSIBILITIES OF SUBRECIPIENT

Subrecipient warrants and represents that it:

- a. Has the requisite authority and capacity to perform all terms and conditions on Subrecipient's part to be performed hereunder;
- b. That it is duly organized as a non-profit organization under state law and is in good standing with the Secretary of State of Colorado;

- c. That it is a nonprofit organization exempt from Federal income taxation under Section 501(c)(3) of the Internal Revenue Code;
- d. That it is fully aware of and understands its duty to perform all functions and services in accordance with the regulatory requirements of 31 CFR Part 35 and those identified in Exhibit "C" hereto; and
- e. That it is accepting federal financial assistance hereunder subject to certain mandatory repayment provisions.

18. RESPONSIBILITIES OF THE CITY

- a. City shall provide Subrecipient with the information necessary to facilitate the performance of this Agreement;
- b. Give prompt notice to Subrecipient when the City becomes aware or observes of any deficiencies or discrepancies in the services provided.

19. ENTIRE AGREEMENT; AMENDMENTS

The provisions set forth in this Agreement, and all Exhibits and attachments to this Agreement, constitute the entire and complete agreement of the parties hereto and supersede all prior written and oral agreements, understandings or representations related thereto. No amendment or modification of this Agreement, and no waiver of any provisions of this Agreement shall be binding unless made in writing and executed by the duly authorized officers of both the Subrecipient and City

20. NOTICES

Notices, as referred to in this Agreement, shall be sent to:

City	City of Aurora, Colorado Attn: Controller 15151 East Alameda Parkway Aurora, Colorado 80012
With a copy to:	Office of the City Attorney 15151 East Alameda Parkway Aurora, Colorado 80012
Subrecipient	Tigray-Ethiopian Community Association in Colorado 11182 e Mississippi Ave Aurora, CO 80012

21. LOBBYING

Subrecipient certifies that no Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the Subrecipient shall complete and submit the Standard Form LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

Subrecipient shall require that the language of this certification be included in the award documents for all sub awards at all tiers including subcontracts, sub grants, and contracts under grants, loans, and cooperative agreements and that all referenced shall certify and disclose accordingly.

22. EQUAL EMPLOYMENT OPPORTUNITY/NONDISCRIMINATION.

Subrecipient shall not discriminate against any employee, applicant for employment, contractor, or subcontractor because of race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. The Subrecipient shall adhere to acceptable affirmative action guidelines in selecting employees and contractors and shall ensure that employees and contractors receive fair treatment during employment or agreement, without regard to their race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.

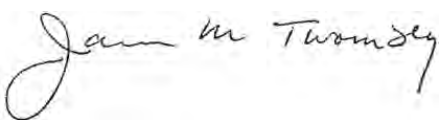

The Subrecipient shall not discriminate because of race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status in Subrecipient services, activities, accommodations, or facility use. The Subrecipient shall adhere to and assure that employment and activity programming are conducted such that all individuals and groups, clients, participants, and/or employees will be treated equally without regard to their race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. The Subrecipient understands and agrees that any act of discrimination based upon race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status may jeopardize grant funding to the Subrecipient and may be subject to loss of funding, reimbursement of funds allocated, or denial of future funds.

23. SIGNATURES

The persons signing this Agreement on behalf of Subrecipient represent and warrant that such persons and Subrecipient have the requisite power and authority to enter, execute and deliver this Agreement and that this Agreement is a valid and legally binding obligation of Subrecipient enforceable against Subrecipient in accordance with its terms.

IN WITNESS, WHEREOF, the Subrecipient and the City have executed this Agreement as of the date first above written and under the laws of the State of Colorado.

Community Building Project

Description of project/program

The community building project for the Tigray-Ethiopian Community Association in Colorado comes at a pivotal time for the community. The members pooled their resources to purchase the acre of land just prior to COVID. The land is valued at more than \$750,000 today. Tigrayans, whose families are facing genocide in their homelands, have come together again post-COVID to rebuild the only place they know as home today in Colorado. The development project consists of a 24,000 square foot, 2-story building. The building project would include 4 retail store fronts for business incubation and business training; a full gym and flex space for our youth engagement; classrooms for our cultural and language classes; and a full event space on the second floor to be used for performances, community event space, conferences and more. The building project has already begun with an architect identified, rough plans, all soil and environmental studies completed. The next phase is permitting and utilities buildout. The completed project puts the association in a position to serve a greater number in the community of more than 35,000 Tigrayan-Ethiopians.

Describe your project/program timeline and anticipated schedule of completion.

The building project has already started in that rough drawings are complete, the environmental study, soil study and asbestos testing has been completed. An architect is already engaged and ready to move forward. Once grant funding is secured, community matches are triggered and we will start with permits, demolition and utilities building. The total building project is projected to take 18 months.

How will you measure the success and impact of this program or project?

The building project is a tangible asset so measuring completion is straight forward. The project is broken up into phases. The first phase is complete and involves all of the environmental studies. The second phase is architectural drawings and permitting. The third phase is the utilities installation and framing. The fourth phase completes the building through interior finishes. The grant and matching funds will take the building project through most of phase 3. The remainder of the project will be funded through a loan from a lending partner that has provided a letter of interest. The success is measured by meeting the milestones detailed in our building project outline. The impact will be measured upon completion of our project and ongoing by evaluating community membership enrollment, use of facilities, number of events booked among other variables. We are limited in the number of people who can fit in our current 1-room schoolhouse so those numbers are expected to increase immediately upon completion of the building project.

B. Approved Budget

The **approved budget** during the term of this agreement is attached at this link: [Link to Project Budget \(https://arpaauroracityco.powerappsportals.com/entity/annotation/806d84d4-2c8a-3201-8a2d-6fd3c6533c48/60375eb0-5c01-ed11-82e4-002248087dcc\)](https://arpaauroracityco.powerappsportals.com/entity/annotation/806d84d4-2c8a-3201-8a2d-6fd3c6533c48/60375eb0-5c01-ed11-82e4-002248087dcc).

Changes in the scope of services, budget, or method of compensation contained in this Agreement, unless otherwise noted, may only be made through a written amendment to this Agreement, executed by the Subrecipient and the City.

C. Performance Monitoring

The City and its consultants will monitor the performance of the Subrecipient according to the Principal Tasks and Budget set forth herein. Subrecipient shall fully cooperate with the City in relation to training and education on requirements and attending training sessions as well as monitoring, evaluation, and audits. Substandard performance shall mean non-compliance with this Agreement. If actions to correct such substandard performance are not taken by the Subrecipient within a reasonable period of time after being so notified by the City, contract suspension or termination procedures may be initiated, in the sole discretion of the City.

EXHIBIT B

COMPLIANCE PROVISIONS INCORPORATED IN THE SUBRECIPIENT AGREEMENT

1. An accounting system using the accrual basis of generally accepted accounting principles which accurately reflects all costs chargeable (paid and unpaid) to the Project is mandatory. A receipts and disbursements ledger must be maintained. A general ledger with an income and expense account for each budgeted line item is necessary. Paid invoices revealing check number, date paid, and item is necessary. Similarly, cash receipts for the payment of wages is mandatory. Paid invoices revealing check number, date paid, and evidence of goods or services received are to be filed per the expense account they were charged. The City must review and approve your account system and internal controls prior to the release of funds.
2. There is no flexibility on budgets. Line items may be changed only by the City's written concurrence of a budget amendment.

3. Eligible expenses are those considered reasonable and necessary costs for the efficient operation of the Project as determined by the City. All costs must be budgeted items. Request for advance or reimbursements of expenses must be accompanied by:

1. Original invoice marked with funding source
2. Detailed listing of each expense showing:
 - a. recipient
 - b. brief description of purchase
 - c. amount with method of computation detailed
 - d. how expense meets program goal per approved proposal

Cost Summary must be submitted monthly to reflect entries through the closing date for the books (indicate Closing Date on Cost Summary).

4. The City shall not be obligated to any third-party contractors of the Subrecipient. The subrecipient is further cautioned against obligating funds beyond the contract date of the agreement between the City and the Subrecipient.
5. The Subrecipient will furnish the City such statements, records, data and information, and permit such interviews with personnel as the City may request to effectively monitor and evaluate the project.
6. City auditors will periodically make interim audits and may, upon completion of the Project, make a final audit.
7. All records must be retained by the Subrecipient for a period of three years following the last day of the Agreement. (Cost summary reports must reflect actual general ledger balances.)

EXHIBIT C

CERTIFICATIONS

Subrecipient hereby certifies that the grant will be conducted and administered in compliance with:

1. Title VII of the Civil Rights Act of 1964 (Pub. L. 88-352; 42 U.S.C. 2000d, et seq.) and implementing regulations issued at 24 CFR Part 1;
2. Title VIII of the Civil Rights Act of 1968 (Pub. L. 90-284; 42 U.S.C. 3601, et seq.), as amended; and that the subrecipient will administer all programs and activities related to housing and community development in a manner to affirmatively further fair housing;
3. Section 109 of the Housing and Community Development Act of 1974, as amended; and the regulations issued pursuant thereto;
4. Section 3 of the Housing and Urban Development Act of 1968, as amended;
5. Executive Order 11246, as amended by Executive Orders 11375 and 12086, and implementing regulations issued at 41 CFR Chapter 60;
6. Executive Order 11063, as amended by Executive Orders 12259, and implementing regulations at 24 CFR Part 107;
7. Section 504 of the Rehabilitation Act of 1973 (Pub. L. 93-112), as amended, and implementing regulations when published for effect;
8. The Age Discrimination in Employment Act of 1975 (Pub. L. 94-135), as amended, and implementing regulations when published for effect;

9. The Subrecipient, as applicable to a governmental or nongovernmental agency, shall comply with the requirements and standards of 2 CFR Chapter I, and Chapter II, Parts 200, 215, 220, 225 and 230, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards" aka "Super Circular"; and shall comply with applicable sections of 79 FR 75871 "Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments".
10. Executive Order 11988 relating to the evaluation of flood hazards and Executive Order 11288 relating to the prevention, control and abatement of water pollution;
11. The flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (Pub. L. 93-234);
12. The applicable regulations, policies, guidelines and requirements of OMB Circular Nos. A-102, Revised, 24 CFR 85 and Subpart J of 24 CFR 570, A-87, A-110, A-122, A-128 and A-133 as they relate to the acceptance and use of federal funds under this federally-assisted program;
13. The Clean Air Act (42 U.S.C. 7401 et.seq.) as amended; particularly section 176 (c) and (d) [42 U.S.C. 7506 (c) and (d)];
14. The Safe Drinking Water Act of 1974 (42 U.S.C. 201, 300 (f) et.seq., and 21 U.S.C. 349) as amended; particularly section 1424 (e) (42 U.S.C. 300 (h)-303 (e));
15. The Endangered Species Act of 1973 (16 U.S.C. 1531 et. Seq.) as amended; including but not limited to section 7 (16 U.S.C. 1536) thereof;
16. The Reservoir Salvage Act of 1960 916 U.S.C. 469 et.seq.); particularly section 3 (16 U.S.C. 469a-1); as amended by the Archeological and Historical Preservation Act of 1974;
17. Flood Disaster Protection Act of 1973 (42 U.S.C. 4001 et.seq.) as amended; particularly sections 102(a) and 202(a) [42 U.S.C. 4012a(a) and 4106(a)];
18. Executive order 11990, Protection of Wetlands, May 24, 1977 (42 FR 26961 et. Seq.); particularly sections 2 and 5;
19. Lead-Based Paint Poisoning Prevention requirements of 25 CFR Part 35 issued pursuant to the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4821 et.seq.);
20. The National Historic Preservation Act of 1966 (16 U.S.C. 470 et seq.) as amended; particularly section 106 (16 U.S.C. 470f); and
21. Executive Order 11593, Protection and Enhancement of the Cultural Environment, May 13, 1971 (36 FR 8921 et seq.); particularly section 2(c).
22. Construction work financed in whole or in part with federal funds is subject to the prevailing wage requirements of the Davis-Bacon Act (29 CFR, Parts 3 and 5), the Copeland Act (29 CFR Part 3), and the Contract Work Hours and Safety Standards Act (Public Law 91-54, 83 Stat. 96). When a project meets this applicability requirement, the labor standards provision of the HUD 4010 and the Davis Bacon Wage Decision issued for the project will be incorporated into this contract document and shall be incorporated into all construction contracts and subcontracts of any tier thereunder.
23. No ARPA funds may be expended for lobbying purposes and payments from other sources for lobbying must be disclosed (24 CFR Part 87).

- a. No federally appropriated funds have been or will be paid, by or on behalf of subrecipient, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.
 - b. If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, 14 a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.
24. Where asbestos is present in property undergoing rehabilitation, Federal requirements apply regarding worker exposure, abatement procedures and disposal. (CPD-90-44 EPA/OSHA).

EXHIBIT D

INSURANCE REQUIREMENTS

During the term of this Agreement and until final acceptance by the City of all work covered by the Agreement, Subrecipient performing services under this Agreement shall provide, pay for and maintain in full force and effect the types and minimum limits of insurance, as indicated below, covering the Subrecipient, their employees, subcontractors or representatives, along with: the activities of any and all subcontractors retained by the Subrecipient or Subcontractors, the activities of anyone employed by any Subrecipient, Subcontractors, their representatives or anyone for whose acts they may be liable.

Commercial General Liability Insurance. Subrecipient shall maintain commercial general liability insurance covering all operations by or on behalf of Subrecipient on a per occurrence basis against claims for personal injury (including bodily injury and death) and property damage (including loss of use). Coverage will include, if appropriate for the scope of services: Products and Completed Operations, Contractual Liability and a Waiver of Subrogation. The City, its elected and appointed officials, employees, agents and representatives shall be named as Additional Insureds by endorsement.

Minimum limits:

\$1,000,000 each occurrence

\$2,000,000 general aggregate

\$2,000,000 products and completed

Commercial Automobile Liability Insurance. Subrecipient shall maintain business automobile liability covering liability arising out of the operation of any vehicle (including owned, non-owned and hired vehicles) with minimum limits of \$1,000,000 combined single limit each accident, naming the City as an Additional Insured by endorsement.

Workers' Compensation and Employers Liability Insurance. Subrecipient shall maintain Worker's Compensation Insurance with limits in accordance with the provisions of the Workers' Compensation Act, as amended, by the State of Colorado. Additionally, Subrecipient shall maintain Employers Liability Insurance with minimum limits of \$500,000 bodily injury for each accident, \$100,000 bodily injury by

disease each employee and \$500,000 bodily injury disease aggregate. If Subrecipient does not have employees, Subrecipient will provide a written statement indicating that it has no employees and is not subject to the provisions of Colorado Workers' Compensation Act.

If Subrecipient engages services of a subcontractor, Subrecipient is responsible for verifying that the subcontractor's insurance meets the insurance requirements set forth above and that it is in effect prior to and throughout performance of work under this agreement. Any subcontractor who ceases to provide insurance coverage as set forth above must be removed from the project until such time that insurance coverage can be verified as in full force and effect.

Limits of Insurance. The total limits of general and excess liability insurance set forth above may be provided to the City using a combination of primary and excess liability insurance.

Additional Insured and Waiver of Subrogation. Subrecipient shall name the City of Aurora, its elected and appointed officials, employees, agents and representatives as additional insureds by endorsement and provide a waiver of subrogation for the Commercial General Liability and Auto Liability insurance policies. The certificate of insurance will include these specific requirements along with a copy of the relevant endorsements.

Certificates of Insurance. Upon the execution of this Agreement, Subrecipient shall provide certificates of insurance to the City demonstrating that at the minimum coverages required herein are in effect. Subrecipient agrees that the required coverages will not be reduced, canceled, non-renewed or materially changed without Thirty (30) days prior written notice to the City. All certificates of insurance must be kept in force throughout the duration of the services. If any of Subrecipient's or its subcontractor's coverage is renewed at any time prior to completion of the services, Subrecipient shall be responsible for obtaining updated insurance certificates for itself and such subcontractor from the respective insurance carriers and forwarding the replacement certificates to the City within five (5) days of the expiration date of any previously delivered certificate.

The minimum A.M. Best rating of each primary insurer shall be A- VIII and the minimum A.M. Best rating of each excess insurer shall be A- VII. The Subrecipient shall provide copies of insurance policies to the City Risk Manager upon request.

Any of the minimum limits of insurance set out herein may be raised or lowered at the sole discretion of the Risk Manager for the City in response to the particular circumstances giving rise to the contract. Subrecipient's policy will be primary and non-contributory with respect to any and all insurance policies purchased by the City.

In the event that the contract involves professional or consulting services, in addition to the aforementioned insurance requirements, the contract shall also be protected by a Professional Liability Insurance policy as set forth below:

Professional Liability Insurance. Subrecipient shall maintain professional liability insurance with minimum limits of One Million Dollars (\$1,000,000), covering those claims which arise out of the negligent acts or omissions of the Subrecipient, its Subcontractor and any other parties for whom it may be liable including without limitation, bodily injury, personal injury, property damage and including a contractual liability endorsement specifically applicable to the insurable indemnity obligations set forth herein which Professional Liability Insurance shall be carried on a claims-made basis maintained in full force and effect for the term of this Agreement and, to the extent possible, for a minimum period of Three (3) years after the completion of any and all of Subrecipient's Services hereunder. Any retroactive date or prior acts exclusion to which such coverage is subject shall pre-date both the date upon which

any services hereunder are commenced and the date of this Agreement. In the event that coverage is renewed during the original term of any subsequent term of this agreement, endorsement(s) for the new policy(ies) shall be delivered within ten (10) days of the expiration date of any previously delivered certificate.

SUBRECIPIENT AGREEMENT

CORONAVIRUS STATE FISCAL RECOVERY - ARPA FUNDS ASSISTANCE LISTING NUMBER (formerly CFDA): 21-027

FAIN:

THIS SUBRECIPIENT AGREEMENT ("Agreement") is made and entered into this Fourteenth day of November 2022, by and between the City of Aurora, Colorado, a Colorado municipal corporation, hereinafter referred to as the "City" and Brothers Redevelopment, Inc., a Colorado nonprofit corporation, hereinafter referred to as the "Subrecipient" UEI (if applicable): C85UDE8953E6. City and Subrecipient are sometimes each referred to as a "Party" and collectively "Parties."

RECITALS

WHEREAS, on March 11, 2021, President Biden signed the U.S. Senate-amended H.R. 1319 (P.L. 117-2) known as the American Rescue Plan Act (hereinafter "ARPA"); and

WHEREAS, In Pub. Law. 117-2, Subtitle M, Sec. 9901, (The American Rescue Act or "ARPA") the US Congress allocated money to local government for various purposes; and

WHEREAS, on May 10, 2021, the U.S. Treasury issued the Interim Final Rule to implement ARPA in Title 31, Part 35 of the Code of Federal Regulations ("CFR"); and

WHEREAS, under ARPA Section 603 (c)(1)(A) and (3) and the Interim Final Rule 31 CFR 35.6(b)(7) recipients may use Coronavirus Local Fiscal Recovery ("CLFR") Funds to award grants to nonprofit organizations that are responding to the negative economic impacts of the COVID-19 public health emergency; and

WHEREAS, under ARPA Section 603 (c)(1)(A) and the Interim Final Rule 31 CFR 35.6(b)(7) and (12) recipients may provide CLFR Funds to programs or services to disproportionately impacted communities; and

WHEREAS, the City desires to disburse funds from Project No. CI-2113 to the Subrecipient to administer the Project and perform certain services in connection therewith as set forth in this Agreement and in the Scope of Services attached hereto; and

WHEREAS, Subrecipient has represented to the City that is duly qualified, eligible and willing to undertake the Project and provide the services identified herein and in the Scope of Services attached hereto.

NOW, THEREFORE, in consideration of the foregoing recitals and in consideration of the terms and conditions set forth herein, the Parties hereto mutually agree as follows:

1. SCOPE OF SERVICES

Subrecipient agrees to satisfactorily perform and complete all services and items of work, and furnish all labor and materials encompassed within or reasonably necessary to accomplish the tasks and functions described in the Scope of Services attached hereto as Exhibit "A" and incorporated herein by reference, in full compliance with all provisions of this Agreement.

Administrative Costs as defined in 24 CFR 576.108 are not an eligible reimbursable cost offered to subrecipients.

This award is not for Research and Development.

2. BUDGET AND METHOD OF PAYMENT

- a. City will pay to Subrecipient an amount up to that specified in subparagraph (c) of this paragraph as full compensation for all services and work to be performed or undertaken by Subrecipient under this Agreement. Payment of funds to Subrecipient is subject to all of the following requirements, which shall be conditions precedent to payment:
 - i. That Subrecipient has expended funds for eligible approved expenditures;
 - ii. That Subrecipient is not in default of any material provision of this Agreement nor applicable law or regulation;
 - iii. That Subrecipient has timely submitted requests for payment or reimbursement detailing the eligible payment or reimbursement items in a format approved by City; and
 - iv. That Subrecipient has certified with each payment or reimbursement request compliance with the requirements identified in Exhibit "C" and that all expenditures for which reimbursement is sought were made for and in furtherance of the approved Project and are an eligible use of federal assistance under ARPA and federal regulations.
- b. Payment hereunder is also subject to and may only be disbursed in accordance with applicable Federal regulations including but not limited to those at 31 CFR Part 35, as presently promulgated and as same may be revised from time to time in the future, all other terms of this Agreement, and any special provisions in the Scope of Services. All payments received by Subrecipient hereunder are subject to repayment by Subrecipient as provided in 31 CFR Part 35.
- c. The aggregate of all payments made hereunder shall not exceed **thirty thousand dollars and zero cents (\$30,000.00)**.
- d. Upon expiration of the term of this Agreement or upon any prior termination, Subrecipient shall transfer to City any funds provided hereunder which are on hand at the time of expiration or termination.

3. TERM OF PROJECT AND AGREEMENT

- a. PROJECT. The term of the Project shall be from the date this Agreement. The Project will be completed on June 30, 2024 unless this Agreement is sooner terminated as herein provided.
- b. AGREEMENT. The term of this Agreement shall be from the date this Agreement. The activities contemplated by this Agreement will be completed on or before June 30, 2024 unless sooner terminated as herein provided.

4. SUBRECIPIENT RECORDS

Subrecipient shall maintain records as to all services provided, reimbursable expenses incurred in performing the Scope of Services and complete accounting records. Accounting records shall be kept on a generally recognized accounting basis and as requested by any representee of the City. Subrecipient agrees to comply with all applicable uniform administrative requirements described or referenced in 31 CFR 35. The Compliance Provisions attached as Exhibit "B" hereto are made a part of this Agreement and Subrecipient agrees to perform and comply with same. The City, Comptroller General of the United States, the Inspector General of the U.S. Treasury and any of their authorized representatives, shall have the right to inspect and copy, during reasonable business hours, all books, documents, papers and records of the Subrecipient which relate to this Agreement for making an audit or examination. Upon completion of the work and end of the term of this Agreement, the City may require copies of all Subrecipient's financial records relating to this Agreement to be turned over to City.

The Subrecipient, which is a non-federal agency, that expends \$750,000 or more during the Subrecipient's fiscal year, shall have a single audit conducted for that year in accordance with the provisions 2 CFR 200, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards", "Super Circular", Audit shall be completed within nine (9) months of the Subrecipients audit period and a copy of the most recent audit shall be forwarded to the City within thirty (30) days of completion.

5. MONITORING AND EVALUATION

City and its consultants shall have the right to monitor and evaluate the progress and performance of Subrecipient to assure that the terms of this Agreement are being satisfactorily fulfilled in accordance with City's and other applicable monitoring and evaluation criteria and standards. City may at least quarterly review Subrecipient's performance using on-site visits, progress reports required to be submitted by Subrecipient, audit findings, disbursements transactions, and contact Subrecipient as necessary. Subrecipient shall furnish City quarterly program and financial reports of its activities in such form and manner as may be requested by the City. Subrecipient shall fully cooperate with the City in relation to training and education on requirements and attending training sessions as well as monitoring, evaluation, and audits.

6. PERFORMANCE REPORTING

City shall at least quarterly review Subrecipient's performance using on-site visits, progress reports required to be submitted by Subrecipient, audit findings, disbursements transactions and contact with the Subrecipient as necessary. Subrecipient shall furnish to City quarterly program performance and financial reports of its activities in such form and manner as may be requested by the City. Quarterly reports are due by last day of first month following the end of a quarter. Subrecipients shall fully cooperate with City in relation to such monitoring, evaluation, and audits.

7. SUBRECIPIENT FILES AND INFORMATION REPORTS

Subrecipient shall maintain files containing information which shall clearly document all activities performed in conjunction with this Agreement, including, but not limited to, financial transactions, conformance with assurances and activity reports. These records shall be retained by Subrecipient for a period of three years after the completion of the Project.

The Subrecipient shall keep accurate books and records of accounts in accordance with generally accepted accounting principles of all expenditures made and all costs and liabilities incurred utilizing Program Funds. The aforementioned accounts and all project records shall be made available upon request by the City or any other federal agency for examination and audit. All books and records of accounts must be retained for four (4) years from the date of this agreement.

8. ASSIGNABILITY

This Agreement shall not be assigned or transferred by the Subrecipient without the prior written consent of the City. Any assignment or attempted assignment made in violation of this provision shall, at City's election, be deemed void and of no effect whatsoever.

9. AVOIDANCE OF CONFLICT OF INTEREST

Subrecipient certifies and warrants that neither it nor any members of its Board of Directors, officers or employees has or will derive any personal or financial interest or benefit from the activity or activities assisted pursuant to this Agreement, nor has an interest in any contract,

subcontract or agreement with respect thereunto, nor the proceeds thereunder, either for themselves or for those with whom they have family or business ties, during their tenure and for one year thereafter. Subrecipient shall avoid all conflicts of interest which are prohibited by applicable federal regulations including but not limited to those set forth in 31 CFR Part 35 as presently promulgated and as same may be revised from time to time in the future.

10. INDEPENDENCE OF SUBRECIPIENT

Nothing herein contained nor the relationship of Subrecipient to City, which relationship is expressly declared to be that of an independent contractor, shall make or be construed to make Subrecipient or any of Subrecipient's agents or employees the agents or employees of the City. Subrecipient shall be solely and entirely responsible for its acts and the acts of its agents, employees and subcontractors

11. INDEMNIFICATION. LEGAL DISCLAIMER

Subrecipient and any and all of its personnel operating under the terms of this agreement are not to be considered agents or employees of the City for any purpose and are not entitled to any of the benefits that the City provides for the City's employees. Subrecipient covenants and agrees to, and does hereby, indemnify and hold harmless, to the extent permitted by law, defend the City, its agents, servants, or employees, from and against any and all claims for injuries or damages to persons or property of whatsoever kind of character, whether real or asserted, arising out of this agreement for the work to be performed hereunder. The Subrecipient hereby assumes all liability and responsibility for injuries, claims or suits for damages to persons or property of whatsoever kind or character, whether real or asserted, arising out of the performance.

Pursuant to Colorado Constitution Article XI, Sections 1 and 2 the City shall not indemnify or hold harmless Subrecipient, or any party related or operating under this Agreement with or without the City's consent. No provision in this Agreement shall limit or set the amount of damages available to the City to any amount other than the actual direct and indirect damages to the City, regardless of the theory or basis for such damages. Any provision included or incorporated herein by reference which purports to negate this provision in whole or in part shall not be valid or enforceable or available in any action at law or equity, whether by way of complaint, defense, or otherwise. Any provision rendered null and void by this provision shall not invalidate the remainder of the Agreement.

12. TERMINATION OF AGREEMENT

- a. For Cause: This Agreement may be terminated by City for cause, including any nonperformance by the Subrecipient, upon ten (10) days written notice to Subrecipient including a statement of the reasons therefore, and after an opportunity for a hearing has been afforded. If a hearing is requested, it shall be held before the City's Mayor whose decision shall be final. The determination of the City as to the cause of termination and the appropriateness thereof shall be final and binding upon both City and Subrecipient. Cause for termination shall include:
 - Improper use of funds;
 - Failure to comply with the terms and conditions of this Agreement;
 - Failure to comply with the terms and conditions of the Scope of Services, Exhibit A;
 - If, for any reason, this Agreement's performance is rendered impossible or unfeasible;
 - Failure to comply with applicable Federal, State, or local laws and regulations.
- b. For Convenience: This Agreement may be terminated by City for convenience upon ten (10) days written notice to Subrecipient, which decision shall not be subject to appeal.

- c. Post Expiration and Termination Procedures: Upon expiration or in the event of a prior termination, all remaining and unspent grant funds, shall immediately become the sole and separate property of the City and the Subrecipient shall perform all acts and execute all instruments necessary to transfer and assign such funds to the City. All finished or unfinished documents, data, studies, reports, and work product prepared by the Subrecipient under this Agreement or with grant funds shall, at the option of the City, become City's property.

13. LIABILITY

As to the City, Subrecipient agrees to assume the risk of all personal injury, including death and bodily injury, and damage to and destruction of property, including loss of use therefrom, caused by or sustained, in whole or in part, in conjunction with or arising out of the performance or nonperformance of this Agreement by Subrecipient or by the conditions created thereby. Subrecipient further agrees to indemnify and save harmless the City, its officers, agents and employees, from and against all claims, liabilities, costs, expenses, penalties and attorney fees arising from such injuries to persons or damages to property or based upon or arising out of the performance or nonperformance of this Agreement by Subrecipient or out of any violation by Subrecipient of any statute, ordinance, rule or regulation. Subrecipient shall be responsible for any injury to persons or damage to property to the extent arising from negligent or otherwise wrongful acts, errors and omissions of Artist, its agents, and employees.

14. INSURANCE

If Subrecipient and any sub-contractor of Subrecipient have employees Subrecipient and the sub-contractor(s) shall provide the appropriate certificates of insurance and Worker Compensation documents, at no cost to the City, as described in Exhibit "D". Subrecipient further agrees and understands that it, and any sub-contractor are to maintain and keep in force the appropriate insurance certificates throughout the term of this Agreement.

15. CERTIFICATIONS

Subrecipient agrees to execute and abide by the certifications contained in Exhibit "C" hereto, and Subrecipient's application for ARPA funds, both of which are hereby made a part of this Agreement. In the event of any conflict between the terms of this Agreement and Subrecipient's Application, this Agreement shall control.

16. REVERSION OF ASSETS

- a. Upon expiration of the term of this Agreement, or upon any prior termination, Subrecipient shall transfer to City any funds provided hereunder which are on hand at the time of expiration or termination.
- b. In the event City incurs any costs or expenses in enforcing the requirements of this paragraph or in bringing any action to recover the property or amount of any repayment obligation, City shall be entitled to recover its costs and expenses, including reasonable attorney's fees.

17. RESPONSIBILITIES OF SUBRECIPIENT

Subrecipient warrants and represents that it:

- a. Has the requisite authority and capacity to perform all terms and conditions on Subrecipient's part to be performed hereunder;
- b. That it is duly organized as a non-profit organization under state law and is in good standing with the Secretary of State of Colorado;

- c. That it is a nonprofit organization exempt from Federal income taxation under Section 501(c)(3) of the Internal Revenue Code;
- d. That it is fully aware of and understands its duty to perform all functions and services in accordance with the regulatory requirements of 31 CFR Part 35 and those identified in Exhibit "C" hereto; and
- e. That it is accepting federal financial assistance hereunder subject to certain mandatory repayment provisions.

18. RESPONSIBILITIES OF THE CITY

- a. City shall provide Subrecipient with the information necessary to facilitate the performance of this Agreement;
- b. Give prompt notice to Subrecipient when the City becomes aware or observes of any deficiencies or discrepancies in the services provided.

19. ENTIRE AGREEMENT; AMENDMENTS

The provisions set forth in this Agreement, and all Exhibits and attachments to this Agreement, constitute the entire and complete agreement of the parties hereto and supersede all prior written and oral agreements, understandings or representations related thereto. No amendment or modification of this Agreement, and no waiver of any provisions of this Agreement shall be binding unless made in writing and executed by the duly authorized officers of both the Subrecipient and City

20. NOTICES

Notices, as referred to in this Agreement, shall be sent to:

City	City of Aurora, Colorado Attn: Controller 15151 East Alameda Parkway Aurora, Colorado 80012
With a copy to:	Office of the City Attorney 15151 East Alameda Parkway Aurora, Colorado 80012
Subrecipient	Brothers Redevelopment, Inc. 2250 Eaton Street Lvl B Denver, CO 80214

21. LOBBYING

Subrecipient certifies that no Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the Subrecipient shall complete and submit the Standard Form LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

Subrecipient shall require that the language of this certification be included in the award documents for all sub awards at all tiers including subcontracts, sub grants, and contracts under grants, loans, and cooperative agreements and that all referenced shall certify and disclose accordingly.

22. EQUAL EMPLOYMENT OPPORTUNITY/NONDISCRIMINATION.

Subrecipient shall not discriminate against any employee, applicant for employment, contractor, or subcontractor because of race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. The Subrecipient shall adhere to acceptable affirmative action guidelines in selecting employees and contractors and shall ensure that employees and contractors receive fair treatment during employment or agreement, without regard to their race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.

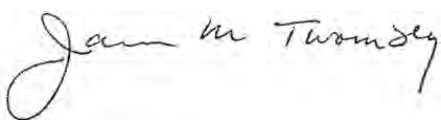

The Subrecipient shall not discriminate because of race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status in Subrecipient services, activities, accommodations, or facility use. The Subrecipient shall adhere to and assure that employment and activity programming are conducted such that all individuals and groups, clients, participants, and/or employees will be treated equally without regard to their race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. The Subrecipient understands and agrees that any act of discrimination based upon race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status may jeopardize grant funding to the Subrecipient and may be subject to loss of funding, reimbursement of funds allocated, or denial of future funds.

23. SIGNATURES

The persons signing this Agreement on behalf of Subrecipient represent and warrant that such persons and Subrecipient have the requisite power and authority to enter, execute and deliver this Agreement and that this Agreement is a valid and legally binding obligation of Subrecipient enforceable against Subrecipient in accordance with its terms.

IN WITNESS, WHEREOF, the Subrecipient and the City have executed this Agreement as of the date first above written and under the laws of the State of Colorado.

CITY OF AURORA, COLORADO

Sr. Assistant City Attorney

SUBRECIPIENT

Jeff Martinez

President

EXHIBIT A

SCOPE OF SERVICES

A. Principal Tasks

Title of project/program

BRI Home Modifications and Paint-A-Thon Vehicle

Description of project/program

BRI Programming allows low-income (owner occupied) homeowners in Aurora to have access to health, safety and accessibility related home repair and modification projects completed that would otherwise be unaffordable, saving these homeowners thousands of dollars. Common repairs include ramps, grab bars, handrails, stair lifts, bathroom modifications, electrical, plumbing, HVAC, roof and gutter repairs, and other minor repairs as needed. The Paint-A-Thon (PAT) program offers home exterior painting, minor home repairs, and yard cleanup/maintenance for low-income senior and disabled adult homeowners. This work is done with help from hardworking volunteer groups from May through October every year. PAT staff coordinate repairs for senior and disabled homeowners in need of services via volunteer groups, materials, and any additional labor. This request is specifically to provide PAT services to aging residents in the City of Aurora. The programs operate as follows: (1) BRI staff send a program application to elderly and disabled Aurora residents who are interested in the program; (2) BRI staff screen applications and determine eligibility; (3) If eligible, a home assessment is conducted, and cost estimate is prepared; (4) BRI selects homeowners based upon the work needed and funds available; (5) BRI recruits local volunteer teams from corporate, civic, religious, and school communities; (6) Work is scheduled, volunteer teams are assigned, and supplies are furnished; (7) Volunteers paint the home of the

senior during their scheduled day; (8) A post-project evaluation is presented to the client upon completion or work; (9) Finally, BRI staff refer clients to additional resources as necessary. BRI has dedicated Home Modification Repair and Paint-A-Thon crews, facilities, fleet, and fabrication shop that is exclusively available for project needs, essentially serving as a fully functional general contracting company. There has been increasing community need in Aurora, which requires a great deal of wear and tear on our current fleet of vehicles. With our current vehicles becoming less reliable, (six trucks broke down last summer) we have an urgent need for new commuter vehicles that can safely transport staff and supplies to homes in need of repairs in Aurora. Our fleet consists of 11 vans and trucks, 1996 being the oldest and 2008 being the newest. Aurora grant funds are requested to contribute to the purchase of at least one vehicle, with a total goal of six replaced this year.

Describe your project/program timeline and anticipated schedule of completion.

All BRI programming is ongoing and available to Aurora residents now. Within 90 days of notice of award and contract execution funds will be fully expended, and at minimum, one vehicle purchased.

How will you measure the success and impact of this program or project?

Information is compiled along with data to determine and identify program needs and purpose service/process improvement. All caller/project/client data is tracked in the agency database. Clients are provided with a survey to evaluate their experience; Client evaluation forms are reviewed and results are used to improve the program and caller experience. BRI has a robust tracking and data collection point system used by all the housing navigators. Demographics and AML information is collected from callers willing/able to identify themselves. All program managers produce monthly reports which reflect the monthly activities and results which allow leadership to evaluate the success of the programs monthly and works to collect the specific type of data to help determine the degree of increasing and changing housing needs the community experiences. Meetings are held on a regular basis and as needed to address program issues as they arise. Financials are reviewed by the Executive Board and the president monthly to ensure that income and expenditures are within the allowable variances. Measuring Impact and evaluation is an essential component of the organizations success. Evidence from evaluation suggests that BRI programs result in community wide impact with outcomes that have resulted in significant, visible improvement in area neighborhoods and communities. Thanks to the established interconnectedness between all BRI's programs, housing resource navigators track client data for all clients, information is logged in the agency database and used to make program improvements. Initial and final project inspection reports are completed; all clients are invited to complete a client evaluation form and the data collected is compiled, reviewed and the results are used to improve the program. Among other things, we measure client satisfaction and the quality of work completed the change in demand for our services and positive outcomes experienced by our clients. To date, success is measured in many ways: through the number of clients assisted, projects completed, amount of funds leveraged, number of referrals to BRI programs and trusted partnering agencies and improved quality of life.

B. Approved Budget

The **approved budget** during the term of this agreement is attached at this link: *fetching link to the approved budget document...*

Changes in the scope of services, budget, or method of compensation contained in this Agreement, unless otherwise noted, may only be made through a written amendment to this Agreement, executed by the Subrecipient and the City.

C. Performance Monitoring

The City and its consultants will monitor the performance of the Subrecipient according to the Principal Tasks and Budget set forth herein. Subrecipient shall fully cooperate with the City in relation to training and education on requirements and attending training sessions as well as monitoring, evaluation, and audits. Substandard performance shall mean non-compliance with this Agreement. If actions to correct such substandard performance are not taken by the Subrecipient within a reasonable period of time after being so notified by the City, contract suspension or termination procedures may be initiated, in the sole discretion of the City.

EXHIBIT B

COMPLIANCE PROVISIONS INCORPORATED IN THE SUBRECIPIENT AGREEMENT

1. An accounting system using the accrual basis of generally accepted accounting principles which accurately reflects all costs chargeable (paid and unpaid) to the Project is mandatory. A receipts and disbursements ledger must be maintained. A general ledger with an income and expense account for each budgeted line item is necessary. Paid invoices revealing check number, date paid, and item is necessary. Similarly, cash receipts for the payment of wages is mandatory. Paid invoices revealing check number, date paid, and evidence of goods or services received are to be filed per the expense account they were charged. The City must review and approve your account system and internal controls prior to the release of funds.
2. There is no flexibility on budgets. Line items may be changed only by the City's written concurrence of a budget amendment.
3. Eligible expenses are those considered reasonable and necessary costs for the efficient operation of the Project as determined by the City. All costs must be budgeted items. Request for advance or reimbursements of expenses must be accompanied by:
 1. Original invoice marked with funding source
 2. Detailed listing of each expense showing:
 - a. recipient
 - b. brief description of purchase
 - c. amount with method of computation detailed
 - d. how expense meets program goal per approved proposalCost Summary must be submitted monthly to reflect entries through the closing date for the books (indicate Closing Date on Cost Summary).
4. The City shall not be obligated to any third-party contractors of the Subrecipient. The subrecipient is further cautioned against obligating funds beyond the contract date of the agreement between the City and the Subrecipient.
5. The Subrecipient will furnish the City such statements, records, data and information, and permit such interviews with personnel as the City may request to effectively monitor and evaluate the project.

6. City auditors will periodically make interim audits and may, upon completion of the Project, make a final audit.
7. All records must be retained by the Subrecipient for a period of three years following the last day of the Agreement. (Cost summary reports must reflect actual general ledger balances.)

EXHIBIT C

CERTIFICATIONS

Subrecipient hereby certifies that the grant will be conducted and administered in compliance with:

1. Title VII of the Civil Rights Act of 1964 (Pub. L. 88-352; 42 U.S.C. 2000d, et seq.) and implementing regulations issued at 24 CFR Part 1;
2. Title VIII of the Civil Rights Act of 1968 (Pub. L. 90-284; 42 U.S.C. 3601, et seq.), as amended; and that the subrecipient will administer all programs and activities related to housing and community development in a manner to affirmatively further fair housing;
3. Section 109 of the Housing and Community Development Act of 1974, as amended; and the regulations issued pursuant thereto;
4. Section 3 of the Housing and Urban Development Act of 1968, as amended;
5. Executive Order 11246, as amended by Executive Orders 11375 and 12086, and implementing regulations issued at 41 CFR Chapter 60;
6. Executive Order 11063, as amended by Executive Orders 12259, and implementing regulations at 24 CFR Part 107;
7. Section 504 of the Rehabilitation Act of 1973 (Pub. L. 93-112), as amended, and implementing regulations when published for effect;
8. The Age Discrimination in Employment Act of 1975 (Pub. L. 94-135), as amended, and implementing regulations when published for effect;
9. The Subrecipient, as applicable to a governmental or nongovernmental agency, shall comply with the requirements and standards of 2 CFR Chapter I, and Chapter II, Parts 200, 215, 220, 225 and 230, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards" aka "Super Circular"; and shall comply with applicable sections of 79 FR 75871 "Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments".
10. Executive Order 11988 relating to the evaluation of flood hazards and Executive Order 11288 relating to the prevention, control and abatement of water pollution;
11. The flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (Pub. L. 93-234);
12. The applicable regulations, policies, guidelines and requirements of OMB Circular Nos. A-102, Revised, 24 CFR 85 and Subpart J of 24 CFR 570, A-87, A-110, A-122, A-128 and A-133 as they relate to the acceptance and use of federal funds under this federally-assisted program;
13. The Clean Air Act (42 U.S.C. 7401 et seq.) as amended; particularly section 176 (c) and (d) [42 U.S.C. 7506 (c) and (d)];

14. The Safe Drinking Water Act of 1974 (42 U.S.C. 201, 300 (f) et.seq., and 21 U.S.C. 349) as amended; particularly section 1424 (e) (42 U.S.C. 300 (h)-303 (e));
15. The Endangered Species Act of 1973 (16 U.S.C. 1531 et. Seq.) as amended; including but not limited to section 7 (16 U.S.C. 1536) thereof;
16. The Reservoir Salvage Act of 1960 916 U.S.C. 469 et.seq.); particularly section 3 (16 U.S.C. 469a-1); as amended by the Archeological and Historical Preservation Act of 1974;
17. Flood Disaster Protection Act of 1973 (42 U.S.C. 4001 et.seq.) as amended; particularly sections 102(a) and 202(a) [42 U.S.C. 4012a(a) and 4106(a)];
18. Executive order 11990, Protection of Wetlands, May 24, 1977 (42 FR 26961 et. Seq.); particularly sections 2 and 5;
19. Lead-Based Paint Poisoning Prevention requirements of 25 CFR Part 35 issued pursuant to the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4821 et.seq.);
20. The National Historic Preservation Act of 1966 (16 U.S.C. 470 et seq.) as amended; particularly section 106 (16 U.S.C. 470f); and
21. Executive Order 11593, Protection and Enhancement of the Cultural Environment, May 13, 1971 (36 FR 8921 et seq.); particularly section 2(c).
22. Construction work financed in whole or in part with federal funds is subject to the prevailing wage requirements of the Davis-Bacon Act (29 CFR, Parts 3 and 5), the Copeland Act (29 CFR Part 3), and the Contract Work Hours and Safety Standards Act (Public Law 91-54, 83 Stat. 96). When a project meets this applicability requirement, the labor standards provision of the HUD 4010 and the Davis Bacon Wage Decision issued for the project will be incorporated into this contract document and shall be incorporated into all construction contracts and subcontracts of any tier thereunder.
23. No ARPA funds may be expended for lobbying purposes and payments from other sources for lobbying must be disclosed (24 CFR Part 87).
 - a. No federally appropriated funds have been or will be paid, by or on behalf of subrecipient, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.
 - b. If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, 14 a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.
24. Where asbestos is present in property undergoing rehabilitation, Federal requirements apply regarding worker exposure, abatement procedures and disposal. (CPD-90-44 EPA/OSHA).

EXHIBIT D

INSURANCE REQUIREMENTS

During the term of this Agreement and until final acceptance by the City of all work covered by the Agreement, Subrecipient performing services under this Agreement shall provide, pay for and maintain in full force and effect the types and minimum limits of insurance, as indicated below, covering the Subrecipient, their employees, subcontractors or representatives, along with: the activities of any and all subcontractors retained by the Subrecipient or Subcontractors, the activities of anyone employed by any Subrecipient, Subcontractors, their representatives or anyone for whose acts they may be liable.

Commercial General Liability Insurance. Subrecipient shall maintain commercial general liability insurance covering all operations by or on behalf of Subrecipient on a per occurrence basis against claims for personal injury (including bodily injury and death) and property damage (including loss of use). Coverage will include, if appropriate for the scope of services: Products and Completed Operations, Contractual Liability and a Waiver of Subrogation. The City, its elected and appointed officials, employees, agents and representatives shall be named as Additional Insureds by endorsement.

Minimum limits:

\$1,000,000 each occurrence

\$2,000,000 general aggregate

\$2,000,000 products and completed

Commercial Automobile Liability Insurance. Subrecipient shall maintain business automobile liability covering liability arising out of the operation of any vehicle (including owned, non-owned and hired vehicles) with minimum limits of \$1,000,000 combined single limit each accident, naming the City as an Additional Insured by endorsement.

Workers' Compensation and Employers Liability Insurance. Subrecipient shall maintain Worker's Compensation Insurance with limits in accordance with the provisions of the Workers' Compensation Act, as amended, by the State of Colorado. Additionally, Subrecipient shall maintain Employers Liability Insurance with minimum limits of \$500,000 bodily injury for each accident, \$100,000 bodily injury by disease each employee and \$500,000 bodily injury disease aggregate. If Subrecipient does not have employees, Subrecipient will provide a written statement indicating that it has no employees and is not subject to the provisions of Colorado Workers' Compensation Act.

If Subrecipient engages services of a subcontractor, Subrecipient is responsible for verifying that the subcontractor's insurance meets the insurance requirements set forth above and that it is in effect prior to and throughout performance of work under this agreement. Any subcontractor who ceases to provide insurance coverage as set forth above must be removed from the project until such time that insurance coverage can be verified as in full force and effect.

Limits of Insurance. The total limits of general and excess liability insurance set forth above may be provided to the City using a combination of primary and excess liability insurance.

Additional Insured and Waiver of Subrogation. Subrecipient shall name the City of Aurora, its elected and appointed officials, employees, agents and representatives as additional insureds by endorsement and provide a waiver of subrogation for the Commercial General Liability and Auto Liability insurance policies. The certificate of insurance will include these specific requirements along with a copy of the relevant endorsements.

Certificates of Insurance. Upon the execution of this Agreement, Subrecipient shall provide certificates of insurance to the City demonstrating that at the minimum coverages required herein are in effect. Subrecipient agrees that the required coverages will not be reduced, canceled, non-renewed or materially changed without Thirty (30) days prior written notice to the City. All certificates of insurance must be kept in force throughout the duration of the services. If any of Subrecipient's or its subcontractor's coverage is renewed at any time prior to completion of the services, Subrecipient shall be responsible for obtaining updated insurance certificates for itself and such subcontractor from the respective insurance carriers and forwarding the replacement certificates to the City within five (5) days of the expiration date of any previously delivered certificate.

The minimum A.M. Best rating of each primary insurer shall be A- VIII and the minimum A.M. Best rating of each excess insurer shall be A- VII. The Subrecipient shall provide copies of insurance policies to the City Risk Manager upon request.

Any of the minimum limits of insurance set out herein may be raised or lowered at the sole discretion of the Risk Manager for the City in response to the particular circumstances giving rise to the contract. Subrecipient's policy will be primary and non-contributory with respect to any and all insurance policies purchased by the City.

In the event that the contract involves professional or consulting services, in addition to the aforementioned insurance requirements, the contract shall also be protected by a Professional Liability Insurance policy as set forth below:

Professional Liability Insurance. Subrecipient shall maintain professional liability insurance with minimum limits of One Million Dollars (\$1,000,000), covering those claims which arise out of the negligent acts or omissions of the Subrecipient, its Subcontractor and any other parties for whom it may be liable including without limitation, bodily injury, personal injury, property damage and including a contractual liability endorsement specifically applicable to the insurable indemnity obligations set forth herein which Professional Liability Insurance shall be carried on a claims-made basis maintained in full force and effect for the term of this Agreement and, to the extent possible, for a minimum period of Three (3) years after the completion of any and all of Subrecipient's Services hereunder. Any retroactive date or prior acts exclusion to which such coverage is subject shall pre-date both the date upon which any services hereunder are commenced and the date of this Agreement. In the event that coverage is renewed during the original term of any subsequent term of this agreement, endorsement(s) for the new policy(ies) shall be delivered within ten (10) days of the expiration date of any previously delivered certificate.

SUBRECIPIENT AGREEMENT

CORONAVIRUS STATE FISCAL RECOVERY - ARPA FUNDS ASSISTANCE LISTING NUMBER (formerly CFDA): 21-027

FAIN:

THIS SUBRECIPIENT AGREEMENT ("Agreement") is made and entered into this Fourteenth day of November 2022, by and between the City of Aurora, Colorado, a Colorado municipal corporation, hereinafter referred to as the "City" and Rocky Mountain Welcome Center, a Colorado nonprofit corporation, hereinafter referred to as the "Subrecipient" UEI (if applicable): jfujv7fe8y62. City and Subrecipient are sometimes each referred to as a "Party" and collectively "Parties."

RECITALS

WHEREAS, on March 11, 2021, President Biden signed the U.S. Senate-amended H.R. 1319 (P.L. 117-2) known as the American Rescue Plan Act (hereinafter "ARPA"); and

WHEREAS, In Pub. Law. 117-2, Subtitle M, Sec. 9901, (The American Rescue Act or "ARPA") the US Congress allocated money to local government for various purposes; and

WHEREAS, on May 10, 2021, the U.S. Treasury issued the Interim Final Rule to implement ARPA in Title 31, Part 35 of the Code of Federal Regulations ("CFR"); and

WHEREAS, under ARPA Section 603 (c)(1)(A) and (3) and the Interim Final Rule 31 CFR 35.6(b)(7) recipients may use Coronavirus Local Fiscal Recovery ("CLFR") Funds to award grants to nonprofit organizations that are responding to the negative economic impacts of the COVID-19 public health emergency; and

WHEREAS, under ARPA Section 603 (c)(1)(A) and the Interim Final Rule 31 CFR 35.6(b)(7) and (12) recipients may provide CLFR Funds to programs or services to disproportionately impacted communities; and

WHEREAS, the City desires to disburse funds from Project No. CI-2113 to the Subrecipient to administer the Project and perform certain services in connection therewith as set forth in this Agreement and in the Scope of Services attached hereto; and

WHEREAS, Subrecipient has represented to the City that is duly qualified, eligible and willing to undertake the Project and provide the services identified herein and in the Scope of Services attached hereto.

NOW, THEREFORE, in consideration of the foregoing recitals and in consideration of the terms and conditions set forth herein, the Parties hereto mutually agree as follows:

1. SCOPE OF SERVICES

Subrecipient agrees to satisfactorily perform and complete all services and items of work, and furnish all labor and materials encompassed within or reasonably necessary to accomplish the tasks and functions described in the Scope of Services attached hereto as Exhibit "A" and incorporated herein by reference, in full compliance with all provisions of this Agreement.

Administrative Costs as defined in 24 CFR 576.108 are not an eligible reimbursable cost offered to subrecipients.

This award is not for Research and Development.

2. BUDGET AND METHOD OF PAYMENT

- a. City will pay to Subrecipient an amount up to that specified in subparagraph (c) of this paragraph as full compensation for all services and work to be performed or undertaken by Subrecipient under this Agreement. Payment of funds to Subrecipient is subject to all of the following requirements, which shall be conditions precedent to payment:
 - i. That Subrecipient has expended funds for eligible approved expenditures;
 - ii. That Subrecipient is not in default of any material provision of this Agreement nor applicable law or regulation;
 - iii. That Subrecipient has timely submitted requests for payment or reimbursement detailing the eligible payment or reimbursement items in a format approved by City; and
 - iv. That Subrecipient has certified with each payment or reimbursement request compliance with the requirements identified in Exhibit "C" and that all expenditures for which reimbursement is sought were made for and in furtherance of the approved Project and are an eligible use of federal assistance under ARPA and federal regulations.
- b. Payment hereunder is also subject to and may only be disbursed in accordance with applicable Federal regulations including but not limited to those at 31 CFR Part 35, as presently promulgated and as same may be revised from time to time in the future, all other terms of this Agreement, and any special provisions in the Scope of Services. All payments received by Subrecipient hereunder are subject to repayment by Subrecipient as provided in 31 CFR Part 35.
- c. The aggregate of all payments made hereunder shall not exceed **ten thousand dollars and zero cents (\$10,000.00)**.
- d. Upon expiration of the term of this Agreement or upon any prior termination, Subrecipient shall transfer to City any funds provided hereunder which are on hand at the time of expiration or termination.

3. TERM OF PROJECT AND AGREEMENT

- a. PROJECT. The term of the Project shall be from the date this Agreement. The Project will be completed on June 30, 2024 unless this Agreement is sooner terminated as herein provided.
- b. AGREEMENT. The term of this Agreement shall be from the date this Agreement. The activities contemplated by this Agreement will be completed on or before June 30, 2024 unless sooner terminated as herein provided.

4. SUBRECIPIENT RECORDS

Subrecipient shall maintain records as to all services provided, reimbursable expenses incurred in performing the Scope of Services and complete accounting records. Accounting records shall be kept on a generally recognized accounting basis and as requested by any representee of the City. Subrecipient agrees to comply with all applicable uniform administrative requirements described or referenced in 31 CFR 35. The Compliance Provisions attached as Exhibit "B" hereto are made a part of this Agreement and Subrecipient agrees to perform and comply with same. The City, Comptroller General of the United States, the Inspector General of the U.S. Treasury and any of their authorized representatives, shall have the right to inspect and copy, during reasonable business hours, all books, documents, papers and records of the Subrecipient which relate to this Agreement for making an audit or examination. Upon completion of the work and end of the term of this Agreement, the City may require copies of all Subrecipient's financial records relating to this Agreement to be turned over to City.

The Subrecipient, which is a non-federal agency, that expends \$750,000 or more during the Subrecipient's fiscal year, shall have a single audit conducted for that year in accordance with the provisions 2 CFR 200, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards", "Super Circular", Audit shall be completed within nine (9) months of the Subrecipients audit period and a copy of the most recent audit shall be forwarded to the City within thirty (30) days of completion.

5. MONITORING AND EVALUATION

City and its consultants shall have the right to monitor and evaluate the progress and performance of Subrecipient to assure that the terms of this Agreement are being satisfactorily fulfilled in accordance with City's and other applicable monitoring and evaluation criteria and standards. City may at least quarterly review Subrecipient's performance using on-site visits, progress reports required to be submitted by Subrecipient, audit findings, disbursements transactions, and contact Subrecipient as necessary. Subrecipient shall furnish City quarterly program and financial reports of its activities in such form and manner as may be requested by the City. Subrecipient shall fully cooperate with the City in relation to training and education on requirements and attending training sessions as well as monitoring, evaluation, and audits.

6. PERFORMANCE REPORTING

City shall at least quarterly review Subrecipient's performance using on-site visits, progress reports required to be submitted by Subrecipient, audit findings, disbursements transactions and contact with the Subrecipient as necessary. Subrecipient shall furnish to City quarterly program performance and financial reports of its activities in such form and manner as may be requested by the City. Quarterly reports are due by last day of first month following the end of a quarter. Subrecipients shall fully cooperate with City in relation to such monitoring, evaluation, and audits.

7. SUBRECIPIENT FILES AND INFORMATION REPORTS

Subrecipient shall maintain files containing information which shall clearly document all activities performed in conjunction with this Agreement, including, but not limited to, financial transactions, conformance with assurances and activity reports. These records shall be retained by Subrecipient for a period of three years after the completion of the Project.

The Subrecipient shall keep accurate books and records of accounts in accordance with generally accepted accounting principles of all expenditures made and all costs and liabilities incurred utilizing Program Funds. The aforementioned accounts and all project records shall be made available upon request by the City or any other federal agency for examination and audit. All books and records of accounts must be retained for four (4) years from the date of this agreement.

8. ASSIGNABILITY

This Agreement shall not be assigned or transferred by the Subrecipient without the prior written consent of the City. Any assignment or attempted assignment made in violation of this provision shall, at City's election, be deemed void and of no effect whatsoever.

9. AVOIDANCE OF CONFLICT OF INTEREST

Subrecipient certifies and warrants that neither it nor any members of its Board of Directors, officers or employees has or will derive any personal or financial interest or benefit from the activity or activities assisted pursuant to this Agreement, nor has an interest in any contract,

subcontract or agreement with respect thereunto, nor the proceeds thereunder, either for themselves or for those with whom they have family or business ties, during their tenure and for one year thereafter. Subrecipient shall avoid all conflicts of interest which are prohibited by applicable federal regulations including but not limited to those set forth in 31 CFR Part 35 as presently promulgated and as same may be revised from time to time in the future.

10. INDEPENDENCE OF SUBRECIPIENT

Nothing herein contained nor the relationship of Subrecipient to City, which relationship is expressly declared to be that of an independent contractor, shall make or be construed to make Subrecipient or any of Subrecipient's agents or employees the agents or employees of the City. Subrecipient shall be solely and entirely responsible for its acts and the acts of its agents, employees and subcontractors

11. INDEMNIFICATION. LEGAL DISCLAIMER

Subrecipient and any and all of its personnel operating under the terms of this agreement are not to be considered agents or employees of the City for any purpose and are not entitled to any of the benefits that the City provides for the City's employees. Subrecipient covenants and agrees to, and does hereby, indemnify and hold harmless, to the extent permitted by law, defend the City, its agents, servants, or employees, from and against any and all claims for injuries or damages to persons or property of whatsoever kind of character, whether real or asserted, arising out of this agreement for the work to be performed hereunder. The Subrecipient hereby assumes all liability and responsibility for injuries, claims or suits for damages to persons or property of whatsoever kind or character, whether real or asserted, arising out of the performance.

Pursuant to Colorado Constitution Article XI, Sections 1 and 2 the City shall not indemnify or hold harmless Subrecipient, or any party related or operating under this Agreement with or without the City's consent. No provision in this Agreement shall limit or set the amount of damages available to the City to any amount other than the actual direct and indirect damages to the City, regardless of the theory or basis for such damages. Any provision included or incorporated herein by reference which purports to negate this provision in whole or in part shall not be valid or enforceable or available in any action at law or equity, whether by way of complaint, defense, or otherwise. Any provision rendered null and void by this provision shall not invalidate the remainder of the Agreement.

12. TERMINATION OF AGREEMENT

- a. For Cause: This Agreement may be terminated by City for cause, including any nonperformance by the Subrecipient, upon ten (10) days written notice to Subrecipient including a statement of the reasons therefore, and after an opportunity for a hearing has been afforded. If a hearing is requested, it shall be held before the City's Mayor whose decision shall be final. The determination of the City as to the cause of termination and the appropriateness thereof shall be final and binding upon both City and Subrecipient. Cause for termination shall include:
 - Improper use of funds;
 - Failure to comply with the terms and conditions of this Agreement;
 - Failure to comply with the terms and conditions of the Scope of Services, Exhibit A;
 - If, for any reason, this Agreement's performance is rendered impossible or unfeasible;
 - Failure to comply with applicable Federal, State, or local laws and regulations.
- b. For Convenience: This Agreement may be terminated by City for convenience upon ten (10) days written notice to Subrecipient, which decision shall not be subject to appeal.

- c. Post Expiration and Termination Procedures: Upon expiration or in the event of a prior termination, all remaining and unspent grant funds, shall immediately become the sole and separate property of the City and the Subrecipient shall perform all acts and execute all instruments necessary to transfer and assign such funds to the City. All finished or unfinished documents, data, studies, reports, and work product prepared by the Subrecipient under this Agreement or with grant funds shall, at the option of the City, become City's property.

13. LIABILITY

As to the City, Subrecipient agrees to assume the risk of all personal injury, including death and bodily injury, and damage to and destruction of property, including loss of use therefrom, caused by or sustained, in whole or in part, in conjunction with or arising out of the performance or nonperformance of this Agreement by Subrecipient or by the conditions created thereby. Subrecipient further agrees to indemnify and save harmless the City, its officers, agents and employees, from and against all claims, liabilities, costs, expenses, penalties and attorney fees arising from such injuries to persons or damages to property or based upon or arising out of the performance or nonperformance of this Agreement by Subrecipient or out of any violation by Subrecipient of any statute, ordinance, rule or regulation. Subrecipient shall be responsible for any injury to persons or damage to property to the extent arising from negligent or otherwise wrongful acts, errors and omissions of Artist, its agents, and employees.

14. INSURANCE

If Subrecipient and any sub-contractor of Subrecipient have employees Subrecipient and the sub-contractor(s) shall provide the appropriate certificates of insurance and Worker Compensation documents, at no cost to the City, as described in Exhibit "D". Subrecipient further agrees and understands that it, and any sub-contractor are to maintain and keep in force the appropriate insurance certificates throughout the term of this Agreement.

15. CERTIFICATIONS

Subrecipient agrees to execute and abide by the certifications contained in Exhibit "C" hereto, and Subrecipient's application for ARPA funds, both of which are hereby made a part of this Agreement. In the event of any conflict between the terms of this Agreement and Subrecipient's Application, this Agreement shall control.

16. REVERSION OF ASSETS

- a. Upon expiration of the term of this Agreement, or upon any prior termination, Subrecipient shall transfer to City any funds provided hereunder which are on hand at the time of expiration or termination.
- b. In the event City incurs any costs or expenses in enforcing the requirements of this paragraph or in bringing any action to recover the property or amount of any repayment obligation, City shall be entitled to recover its costs and expenses, including reasonable attorney's fees.

17. RESPONSIBILITIES OF SUBRECIPIENT

Subrecipient warrants and represents that it:

- a. Has the requisite authority and capacity to perform all terms and conditions on Subrecipient's part to be performed hereunder;
- b. That it is duly organized as a non-profit organization under state law and is in good standing with the Secretary of State of Colorado;

- c. That it is a nonprofit organization exempt from Federal income taxation under Section 501(c)(3) of the Internal Revenue Code;
- d. That it is fully aware of and understands its duty to perform all functions and services in accordance with the regulatory requirements of 31 CFR Part 35 and those identified in Exhibit "C" hereto; and
- e. That it is accepting federal financial assistance hereunder subject to certain mandatory repayment provisions.

18. RESPONSIBILITIES OF THE CITY

- a. City shall provide Subrecipient with the information necessary to facilitate the performance of this Agreement;
- b. Give prompt notice to Subrecipient when the City becomes aware or observes of any deficiencies or discrepancies in the services provided.

19. ENTIRE AGREEMENT; AMENDMENTS

The provisions set forth in this Agreement, and all Exhibits and attachments to this Agreement, constitute the entire and complete agreement of the parties hereto and supersede all prior written and oral agreements, understandings or representations related thereto. No amendment or modification of this Agreement, and no waiver of any provisions of this Agreement shall be binding unless made in writing and executed by the duly authorized officers of both the Subrecipient and City

20. NOTICES

Notices, as referred to in this Agreement, shall be sent to:

City	City of Aurora, Colorado Attn: Controller 15151 East Alameda Parkway Aurora, Colorado 80012
With a copy to:	Office of the City Attorney 15151 East Alameda Parkway Aurora, Colorado 80012
Subrecipient	Rocky Mountain Welcome Center 10760 E Iliff Ave Aurora, CO 80014

21. LOBBYING

Subrecipient certifies that no Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the Subrecipient shall complete and submit the Standard Form LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

Subrecipient shall require that the language of this certification be included in the award documents for all sub awards at all tiers including subcontracts, sub grants, and contracts under grants, loans, and cooperative agreements and that all referenced shall certify and disclose accordingly.

22. EQUAL EMPLOYMENT OPPORTUNITY/NONDISCRIMINATION.

Subrecipient shall not discriminate against any employee, applicant for employment, contractor, or subcontractor because of race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. The Subrecipient shall adhere to acceptable affirmative action guidelines in selecting employees and contractors and shall ensure that employees and contractors receive fair treatment during employment or agreement, without regard to their race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.

The Subrecipient shall not discriminate because of race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status in Subrecipient services, activities, accommodations, or facility use. The Subrecipient shall adhere to and assure that employment and activity programming are conducted such that all individuals and groups, clients, participants, and/or employees will be treated equally without regard to their race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. The Subrecipient understands and agrees that any act of discrimination based upon race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status may jeopardize grant funding to the Subrecipient and may be subject to loss of funding, reimbursement of funds allocated, or denial of future funds.

23. SIGNATURES

The persons signing this Agreement on behalf of Subrecipient represent and warrant that such persons and Subrecipient have the requisite power and authority to enter, execute and deliver this Agreement and that this Agreement is a valid and legally binding obligation of Subrecipient enforceable against Subrecipient in accordance with its terms.

IN WITNESS, WHEREOF, the Subrecipient and the City have executed this Agreement as of the date first above written and under the laws of the State of Colorado.

CITY OF AURORA, COLORADO

JAMES M. TWOMBLY,
City Manager

APPROVED AS TO FORM:

HANOSKY HERNANDEZ,
Sr. Assistant City Attorney

Authorized Representative

EXHIBIT A

SCOPE OF SERVICES

A. Principal Tasks

Title of project/program

Rocky Mountain Scholars

Description of project/program

Rocky Mountain Scholars (RMS) provides reading instruction to immigrant/refugee students (grades 1st -6th) who are one or more years behind in reading at their grade level. RMS provides students with 40 hours of tutoring, twice weekly for 2 hours during each ten-week session. It is expected that students will gain a minimum of nine weeks progress in reading per session of attendance. Each class provides instruction time and computer lab time to reinforce topics taught by our teachers. Learned concepts are reinforced through cutting-edge technology such as Achievement Technology's Star Reading computer software, an award-winning series that strengthens the fundamental skills of Reading Vocabulary, Comprehension and Phonics. Teachers and volunteers use guided reading, and two programs: Raz-Kids, which provides animated reading with pronunciation and vocabulary support; and Learning A to Z, books and worksheets with interactive components. RMWC's Rocky Mountain Scholars' goals are to help refugee and immigrant children reach and exceed grade level expectations in reading according to Colorado standards. Outcomes for each session include: 98% of children will show success in literacy gains 100% of children will demonstrate increased self pride and love of reading. 100% of children will receive at least 10 age appropriate books to take home. RMWC is currently developing a partnership with Aurora Housing Authority to provide programming on site at one of their properties beginning in fall 2022.

Describe your project/program timeline and anticipated schedule of completion.

Funding from the City of Aurora will contribute to a minimum of two Rocky Mountain Scholar cohorts, or a total of 24 students and their parents. Each cohort consists of 10-week sessions with 2-two hour classes per week. First session is expected to begin in September 2022 in partnership with the Aurora Housing Authority. Second session is expected to be held in the Winter or Spring either at the Rocky Mountain Welcome Center or AHA's facility.

How will you measure the success and impact of this program or project?

RMWC understands the importance of evaluation to assess the effectiveness and impact of its programs, as well as reporting to our constituents. Every program developed by RMWC collects data to measure the impact of each program on the community, as well as the individuals served. This is done through the use of surveys, interviews and observations made by staff, as well as the documentation of progress made through learning and assessments. Specific program data will be collected for RMS, including attendance, pre-and post- testing, skills assessments, and outcomes. This program seeks to help immigrant and refugee students (grade 1-6) reach grade-level expectations in reading, which will have a tremendous impact in the future of the children. Relevant data for the evaluation of RMS will be collected to assure the progress on the reading level of every child. Results from recent programming showed that for those students who attended at least 90% of the cohort session 81% made measurable gains in academic achievement advancing at least 9 weeks in reading per session of attendance. We hope to maintain and exceed these outcomes.

B. Approved Budget

The **approved budget** during the term of this agreement is attached at this link: [Link to Project Budget \(https://arpaauracityco.powerappsportals.com/_entity/annotation/ef308dec-5202-ed11-82e4-002248087dcc/a1ec06cf-4d02-ed11-82e4-002248087522\)](https://arpaauracityco.powerappsportals.com/_entity/annotation/ef308dec-5202-ed11-82e4-002248087dcc/a1ec06cf-4d02-ed11-82e4-002248087522).

Changes in the scope of services, budget, or method of compensation contained in this Agreement, unless otherwise noted, may only be made through a written amendment to this Agreement, executed by the Subrecipient and the City.

C. Performance Monitoring

The City and its consultants will monitor the performance of the Subrecipient according to the Principal Tasks and Budget set forth herein. Subrecipient shall fully cooperate with the City in relation to training and education on requirements and attending training sessions as well as monitoring, evaluation, and audits. Substandard performance shall mean non-compliance with this Agreement. If actions to correct such substandard performance are not taken by the Subrecipient within a reasonable period of time after being so notified by the City, contract suspension or termination procedures may be initiated, in the sole discretion of the City.

EXHIBIT B

COMPLIANCE PROVISIONS INCORPORATED IN THE SUBRECIPIENT AGREEMENT

1. An accounting system using the accrual basis of generally accepted accounting principles which accurately reflects all costs chargeable (paid and unpaid) to the Project is mandatory. A receipts and disbursements ledger must be maintained. A general ledger with an income and expense account for each budgeted line item is necessary. Paid invoices revealing check number, date paid, and item is necessary. Similarly, cash receipts for the payment of wages is mandatory. Paid invoices

- revealing check number, date paid, and evidence of goods or services received are to be filed per the expense account they were charged. The City must review and approve your account system and internal controls prior to the release of funds.
2. There is no flexibility on budgets. Line items may be changed only by the City's written concurrence of a budget amendment.
 3. Eligible expenses are those considered reasonable and necessary costs for the efficient operation of the Project as determined by the City. All costs must be budgeted items. Request for advance or reimbursements of expenses must be accompanied by:
 1. Original invoice marked with funding source
 2. Detailed listing of each expense showing:
 - a. recipient
 - b. brief description of purchase
 - c. amount with method of computation detailed
 - d. how expense meets program goal per approved proposal

Cost Summary must be submitted monthly to reflect entries through the closing date for the books (indicate Closing Date on Cost Summary).

4. The City shall not be obligated to any third-party contractors of the Subrecipient. The subrecipient is further cautioned against obligating funds beyond the contract date of the agreement between the City and the Subrecipient.
5. The Subrecipient will furnish the City such statements, records, data and information, and permit such interviews with personnel as the City may request to effectively monitor and evaluate the project.
6. City auditors will periodically make interim audits and may, upon completion of the Project, make a final audit.
7. All records must be retained by the Subrecipient for a period of three years following the last day of the Agreement. (Cost summary reports must reflect actual general ledger balances.)

EXHIBIT C

CERTIFICATIONS

Subrecipient hereby certifies that the grant will be conducted and administered in compliance with:

1. Title VII of the Civil Rights Act of 1964 (Pub. L. 88-352; 42 U.S.C. 2000d, et seq.) and implementing regulations issued at 24 CFR Part 1;
2. Title VIII of the Civil Rights Act of 1968 (Pub. L. 90-284; 42 U.S.C. 3601, et seq.), as amended; and that the subrecipient will administer all programs and activities related to housing and community development in a manner to affirmatively further fair housing;
3. Section 109 of the Housing and Community Development Act of 1974, as amended; and the regulations issued pursuant thereto;
4. Section 3 of the Housing and Urban Development Act of 1968, as amended;
5. Executive Order 11246, as amended by Executive Orders 11375 and 12086, and implementing regulations issued at 41 CFR Chapter 60;

6. Executive Order 11063, as amended by Executive Orders 12259, and implementing regulations at 24 CFR Part 107;
7. Section 504 of the Rehabilitation Act of 1973 (Pub. L. 93-112), as amended, and implementing regulations when published for effect;
8. The Age Discrimination in Employment Act of 1975 (Pub. L. 94-135), as amended, and implementing regulations when published for effect;
9. The Subrecipient, as applicable to a governmental or nongovernmental agency, shall comply with the requirements and standards of 2 CFR Chapter I, and Chapter II, Parts 200, 215, 220, 225 and 230, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards" aka "Super Circular"; and shall comply with applicable sections of 79 FR 75871 "Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments".
10. Executive Order 11988 relating to the evaluation of flood hazards and Executive Order 11288 relating to the prevention, control and abatement of water pollution;
11. The flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (Pub. L. 93-234);
12. The applicable regulations, policies, guidelines and requirements of OMB Circular Nos. A-102, Revised, 24 CFR 85 and Subpart J of 24 CFR 570, A-87, A-110, A-122, A-128 and A-133 as they relate to the acceptance and use of federal funds under this federally-assisted program;
13. The Clean Air Act (42 U.S.C. 7401 et.seq.) as amended; particularly section 176 (c) and (d) [42 U.S.C. 7506 (c) and (d)];
14. The Safe Drinking Water Act of 1974 (42 U.S.C. 201, 300 (f) et.seq., and 21 U.S.C. 349) as amended; particularly section 1424 (e) (42 U.S.C. 300 (h)-303 (e));
15. The Endangered Species Act of 1973 (16 U.S.C. 1531 et. Seq.) as amended; including but not limited to section 7 (16 U.S.C. 1536) thereof;
16. The Reservoir Salvage Act of 1960 916 U.S.C. 469 et.seq.); particularly section 3 (16 U.S.C. 469a-1); as amended by the Archeological and Historical Preservation Act of 1974;
17. Flood Disaster Protection Act of 1973 (42 U.S.C. 4001 et.seq.) as amended; particularly sections 102(a) and 202(a) [42 U.S.C. 4012a(a) and 4106(a)];
18. Executive order 11990, Protection of Wetlands, May 24, 1977 (42 FR 26961 et. Seq.); particularly sections 2 and 5;
19. Lead-Based Paint Poisoning Prevention requirements of 25 CFR Part 35 issued pursuant to the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4821 et.seq.);
20. The National Historic Preservation Act of 1966 (16 U.S.C. 470 et seq.) as amended; particularly section 106 (16 U.S.C. 470f); and
21. Executive Order 11593, Protection and Enhancement of the Cultural Environment, May 13, 1971 (36 FR 8921 et seq.); particularly section 2(c).

22. Construction work financed in whole or in part with federal funds is subject to the prevailing wage requirements of the Davis-Bacon Act (29 CFR, Parts 3 and 5), the Copeland Act (29 CFR Part 3), and the Contract Work Hours and Safety Standards Act (Public Law 91-54, 83 Stat. 96). When a project meets this applicability requirement, the labor standards provision of the HUD 4010 and the Davis Bacon Wage Decision issued for the project will be incorporated into this contract document and shall be incorporated into all construction contracts and subcontracts of any tier thereunder.
23. No ARPA funds may be expended for lobbying purposes and payments from other sources for lobbying must be disclosed (24 CFR Part 87).
- a. No federally appropriated funds have been or will be paid, by or on behalf of subrecipient, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.
 - b. If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, 14 a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.
24. Where asbestos is present in property undergoing rehabilitation, Federal requirements apply regarding worker exposure, abatement procedures and disposal. (CPD-90-44 EPA/OSHA).

EXHIBIT D

INSURANCE REQUIREMENTS

During the term of this Agreement and until final acceptance by the City of all work covered by the Agreement, Subrecipient performing services under this Agreement shall provide, pay for and maintain in full force and effect the types and minimum limits of insurance, as indicated below, covering the Subrecipient, their employees, subcontractors or representatives, along with: the activities of any and all subcontractors retained by the Subrecipient or Subcontractors, the activities of anyone employed by any Subrecipient, Subcontractors, their representatives or anyone for whose acts they may be liable.

Commercial General Liability Insurance. Subrecipient shall maintain commercial general liability insurance covering all operations by or on behalf of Subrecipient on a per occurrence basis against claims for personal injury (including bodily injury and death) and property damage (including loss of use). Coverage will include, if appropriate for the scope of services: Products and Completed Operations, Contractual Liability and a Waiver of Subrogation. The City, its elected and appointed officials, employees, agents and representatives shall be named as Additional Insureds by endorsement.

Minimum limits:

\$1,000,000 each occurrence

\$2,000,000 general aggregate

\$2,000,000 products and completed

Commercial Automobile Liability Insurance. Subrecipient shall maintain business automobile liability covering liability arising out of the operation of any vehicle (including owned, non-owned and hired vehicles) with minimum limits of \$1,000,000 combined single limit each accident, naming the City as an

Additional Insured by endorsement.

Workers' Compensation and Employers Liability Insurance. Subrecipient shall maintain Worker's Compensation Insurance with limits in accordance with the provisions of the Workers' Compensation Act, as amended, by the State of Colorado. Additionally, Subrecipient shall maintain Employers Liability Insurance with minimum limits of \$500,000 bodily injury for each accident, \$100,000 bodily injury by disease each employee and \$500,000 bodily injury disease aggregate. If Subrecipient does not have employees, Subrecipient will provide a written statement indicating that it has no employees and is not subject to the provisions of Colorado Workers' Compensation Act.

If Subrecipient engages services of a subcontractor, Subrecipient is responsible for verifying that the subcontractor's insurance meets the insurance requirements set forth above and that it is in effect prior to and throughout performance of work under this agreement. Any subcontractor who ceases to provide insurance coverage as set forth above must be removed from the project until such time that insurance coverage can be verified as in full force and effect.

Limits of Insurance. The total limits of general and excess liability insurance set forth above may be provided to the City using a combination of primary and excess liability insurance.

Additional Insured and Waiver of Subrogation. Subrecipient shall name the City of Aurora, its elected and appointed officials, employees, agents and representatives as additional insureds by endorsement and provide a waiver of subrogation for the Commercial General Liability and Auto Liability insurance policies. The certificate of insurance will include these specific requirements along with a copy of the relevant endorsements.

Certificates of Insurance. Upon the execution of this Agreement, Subrecipient shall provide certificates of insurance to the City demonstrating that at the minimum coverages required herein are in effect. Subrecipient agrees that the required coverages will not be reduced, canceled, non-renewed or materially changed without Thirty (30) days prior written notice to the City. All certificates of insurance must be kept in force throughout the duration of the services. If any of Subrecipient's or its subcontractor's coverage is renewed at any time prior to completion of the services, Subrecipient shall be responsible for obtaining updated insurance certificates for itself and such subcontractor from the respective insurance carriers and forwarding the replacement certificates to the City within five (5) days of the expiration date of any previously delivered certificate.

The minimum A.M. Best rating of each primary insurer shall be A- VIII and the minimum A.M. Best rating of each excess insurer shall be A- VII. The Subrecipient shall provide copies of insurance policies to the City Risk Manager upon request.

Any of the minimum limits of insurance set out herein may be raised or lowered at the sole discretion of the Risk Manager for the City in response to the particular circumstances giving rise to the contract. Subrecipient's policy will be primary and non-contributory with respect to any and all insurance policies purchased by the City.

In the event that the contract involves professional or consulting services, in addition to the aforementioned insurance requirements, the contract shall also be protected by a Professional Liability Insurance policy as set forth below:

Professional Liability Insurance. Subrecipient shall maintain professional liability insurance with minimum limits of One Million Dollars (\$1,000,000), covering those claims which arise out of the negligent acts or omissions of the Subrecipient, its Subcontractor and any other parties for whom it may

be liable including without limitation, bodily injury, personal injury, property damage and including a contractual liability endorsement specifically applicable to the insurable indemnity obligations set forth herein which Professional Liability Insurance shall be carried on a claims-made basis maintained in full force and effect for the term of this Agreement and, to the extent possible, for a minimum period of Three (3) years after the completion of any and all of Subrecipient's Services hereunder. Any retroactive date or prior acts exclusion to which such coverage is subject shall pre-date both the date upon which any services hereunder are commenced and the date of this Agreement. In the event that coverage is renewed during the original term of any subsequent term of this agreement, endorsement(s) for the new policy(ies) shall be delivered within ten (10) days of the expiration date of any previously delivered certificate.

SUBRECIPIENT AGREEMENT

CORONAVIRUS STATE FISCAL RECOVERY - ARPA FUNDS ASSISTANCE LISTING NUMBER (formerly CFDA): 21-027

FAIN:

THIS SUBRECIPIENT AGREEMENT ("Agreement") is made and entered into this Fourteenth day of November 2022, by and between the City of Aurora, Colorado, a Colorado municipal corporation, hereinafter referred to as the "City" and You be You Early Learning, a Colorado nonprofit corporation, hereinafter referred to as the "Subrecipient" UEI (if applicable): Q3T6KABXPAN3. City and Subrecipient are sometimes each referred to as a "Party" and collectively "Parties."

RECITALS

WHEREAS, on March 11, 2021, President Biden signed the U.S. Senate-amended H.R. 1319 (P.L. 117-2) known as the American Rescue Plan Act (hereinafter "ARPA"); and

WHEREAS, In Pub. Law. 117-2, Subtitle M, Sec. 9901, (The American Rescue Act or "ARPA") the US Congress allocated money to local government for various purposes; and

WHEREAS, on May 10, 2021, the U.S. Treasury issued the Interim Final Rule to implement ARPA in Title 31, Part 35 of the Code of Federal Regulations ("CFR"); and

WHEREAS, under ARPA Section 603 (c)(1)(A) and (3) and the Interim Final Rule 31 CFR 35.6(b)(7) recipients may use Coronavirus Local Fiscal Recovery ("CLFR") Funds to award grants to nonprofit organizations that are responding to the negative economic impacts of the COVID-19 public health emergency; and

WHEREAS, under ARPA Section 603 (c)(1)(A) and the Interim Final Rule 31 CFR 35.6(b)(7) and (12) recipients may provide CLFR Funds to programs or services to disproportionately impacted communities; and

WHEREAS, the City desires to disburse funds from Project No. CI-2113 to the Subrecipient to administer the Project and perform certain services in connection therewith as set forth in this Agreement and in the Scope of Services attached hereto; and

WHEREAS, Subrecipient has represented to the City that is duly qualified, eligible and willing to undertake the Project and provide the services identified herein and in the Scope of Services attached hereto.

NOW, THEREFORE, in consideration of the foregoing recitals and in consideration of the terms and conditions set forth herein, the Parties hereto mutually agree as follows:

1. SCOPE OF SERVICES

Subrecipient agrees to satisfactorily perform and complete all services and items of work, and furnish all labor and materials encompassed within or reasonably necessary to accomplish the tasks and functions described in the Scope of Services attached hereto as Exhibit "A" and incorporated herein by reference, in full compliance with all provisions of this Agreement.

Administrative Costs as defined in 24 CFR 576.108 are not an eligible reimbursable cost offered to subrecipients.

This award is not for Research and Development.

2. BUDGET AND METHOD OF PAYMENT

- a. City will pay to Subrecipient an amount up to that specified in subparagraph (c) of this paragraph as full compensation for all services and work to be performed or undertaken by Subrecipient under this Agreement. Payment of funds to Subrecipient is subject to all of the following requirements, which shall be conditions precedent to payment:
 - i. That Subrecipient has expended funds for eligible approved expenditures;
 - ii. That Subrecipient is not in default of any material provision of this Agreement nor applicable law or regulation;
 - iii. That Subrecipient has timely submitted requests for payment or reimbursement detailing the eligible payment or reimbursement items in a format approved by City; and
 - iv. That Subrecipient has certified with each payment or reimbursement request compliance with the requirements identified in Exhibit "C" and that all expenditures for which reimbursement is sought were made for and in furtherance of the approved Project and are an eligible use of federal assistance under ARPA and federal regulations.
- b. Payment hereunder is also subject to and may only be disbursed in accordance with applicable Federal regulations including but not limited to those at 31 CFR Part 35, as presently promulgated and as same may be revised from time to time in the future, all other terms of this Agreement, and any special provisions in the Scope of Services. All payments received by Subrecipient hereunder are subject to repayment by Subrecipient as provided in 31 CFR Part 35.
- c. The aggregate of all payments made hereunder shall not exceed **eighty-five thousand dollars and zero cents (\$85,000.00)**.
- d. Upon expiration of the term of this Agreement or upon any prior termination, Subrecipient shall transfer to City any funds provided hereunder which are on hand at the time of expiration or termination.

3. TERM OF PROJECT AND AGREEMENT

- a. PROJECT. The term of the Project shall be from the date this Agreement. The Project will be completed on June 30, 2024 unless this Agreement is sooner terminated as herein provided.
- b. AGREEMENT. The term of this Agreement shall be from the date this Agreement. The activities contemplated by this Agreement will be completed on or before June 30, 2024 unless sooner terminated as herein provided.

4. SUBRECIPIENT RECORDS

Subrecipient shall maintain records as to all services provided, reimbursable expenses incurred in performing the Scope of Services and complete accounting records. Accounting records shall be kept on a generally recognized accounting basis and as requested by any representee of the City. Subrecipient agrees to comply with all applicable uniform administrative requirements described or referenced in 31 CFR 35. The Compliance Provisions attached as Exhibit "B" hereto are made a part of this Agreement and Subrecipient agrees to perform and comply with same. The City, Comptroller General of the United States, the Inspector General of the U.S. Treasury and any of their authorized representatives, shall have the right to inspect and copy, during reasonable business hours, all books, documents, papers and records of the Subrecipient which relate to this Agreement for making an audit or examination. Upon completion of the work and end of the term of this Agreement, the City may require copies of all Subrecipient's financial records relating to this Agreement to be turned over to City.

The Subrecipient, which is a non-federal agency, that expends \$750,000 or more during the Subrecipient's fiscal year, shall have a single audit conducted for that year in accordance with the provisions 2 CFR 200, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards", "Super Circular", Audit shall be completed within nine (9) months of the Subrecipients audit period and a copy of the most recent audit shall be forwarded to the City within thirty (30) days of completion.

5. MONITORING AND EVALUATION

City and its consultants shall have the right to monitor and evaluate the progress and performance of Subrecipient to assure that the terms of this Agreement are being satisfactorily fulfilled in accordance with City's and other applicable monitoring and evaluation criteria and standards. City may at least quarterly review Subrecipient's performance using on-site visits, progress reports required to be submitted by Subrecipient, audit findings, disbursements transactions, and contact Subrecipient as necessary. Subrecipient shall furnish City quarterly program and financial reports of its activities in such form and manner as may be requested by the City. Subrecipient shall fully cooperate with the City in relation to training and education on requirements and attending training sessions as well as monitoring, evaluation, and audits.

6. PERFORMANCE REPORTING

City shall at least quarterly review Subrecipient's performance using on-site visits, progress reports required to be submitted by Subrecipient, audit findings, disbursements transactions and contact with the Subrecipient as necessary. Subrecipient shall furnish to City quarterly program performance and financial reports of its activities in such form and manner as may be requested by the City. Quarterly reports are due by last day of first month following the end of a quarter. Subrecipients shall fully cooperate with City in relation to such monitoring, evaluation, and audits.

7. SUBRECIPIENT FILES AND INFORMATION REPORTS

Subrecipient shall maintain files containing information which shall clearly document all activities performed in conjunction with this Agreement, including, but not limited to, financial transactions, conformance with assurances and activity reports. These records shall be retained by Subrecipient for a period of three years after the completion of the Project.

The Subrecipient shall keep accurate books and records of accounts in accordance with generally accepted accounting principles of all expenditures made and all costs and liabilities incurred utilizing Program Funds. The aforementioned accounts and all project records shall be made available upon request by the City or any other federal agency for examination and audit. All books and records of accounts must be retained for four (4) years from the date of this agreement.

8. ASSIGNABILITY

This Agreement shall not be assigned or transferred by the Subrecipient without the prior written consent of the City. Any assignment or attempted assignment made in violation of this provision shall, at City's election, be deemed void and of no effect whatsoever.

9. AVOIDANCE OF CONFLICT OF INTEREST

Subrecipient certifies and warrants that neither it nor any members of its Board of Directors, officers or employees has or will derive any personal or financial interest or benefit from the activity or activities assisted pursuant to this Agreement, nor has an interest in any contract,

subcontract or agreement with respect thereunto, nor the proceeds thereunder, either for themselves or for those with whom they have family or business ties, during their tenure and for one year thereafter. Subrecipient shall avoid all conflicts of interest which are prohibited by applicable federal regulations including but not limited to those set forth in 31 CFR Part 35 as presently promulgated and as same may be revised from time to time in the future.

10. INDEPENDENCE OF SUBRECIPIENT

Nothing herein contained nor the relationship of Subrecipient to City, which relationship is expressly declared to be that of an independent contractor, shall make or be construed to make Subrecipient or any of Subrecipient's agents or employees the agents or employees of the City. Subrecipient shall be solely and entirely responsible for its acts and the acts of its agents, employees and subcontractors

11. INDEMNIFICATION. LEGAL DISCLAIMER

Subrecipient and any and all of its personnel operating under the terms of this agreement are not to be considered agents or employees of the City for any purpose and are not entitled to any of the benefits that the City provides for the City's employees. Subrecipient covenants and agrees to, and does hereby, indemnify and hold harmless, to the extent permitted by law, defend the City, its agents, servants, or employees, from and against any and all claims for injuries or damages to persons or property of whatsoever kind of character, whether real or asserted, arising out of this agreement for the work to be performed hereunder. The Subrecipient hereby assumes all liability and responsibility for injuries, claims or suits for damages to persons or property of whatsoever kind or character, whether real or asserted, arising out of the performance.

Pursuant to Colorado Constitution Article XI, Sections 1 and 2 the City shall not indemnify or hold harmless Subrecipient, or any party related or operating under this Agreement with or without the City's consent. No provision in this Agreement shall limit or set the amount of damages available to the City to any amount other than the actual direct and indirect damages to the City, regardless of the theory or basis for such damages. Any provision included or incorporated herein by reference which purports to negate this provision in whole or in part shall not be valid or enforceable or available in any action at law or equity, whether by way of complaint, defense, or otherwise. Any provision rendered null and void by this provision shall not invalidate the remainder of the Agreement.

12. TERMINATION OF AGREEMENT

- a. For Cause: This Agreement may be terminated by City for cause, including any nonperformance by the Subrecipient, upon ten (10) days written notice to Subrecipient including a statement of the reasons therefore, and after an opportunity for a hearing has been afforded. If a hearing is requested, it shall be held before the City's Mayor whose decision shall be final. The determination of the City as to the cause of termination and the appropriateness thereof shall be final and binding upon both City and Subrecipient. Cause for termination shall include:
 - Improper use of funds;
 - Failure to comply with the terms and conditions of this Agreement;
 - Failure to comply with the terms and conditions of the Scope of Services, Exhibit A;
 - If, for any reason, this Agreement's performance is rendered impossible or unfeasible;
 - Failure to comply with applicable Federal, State, or local laws and regulations.
- b. For Convenience: This Agreement may be terminated by City for convenience upon ten (10) days written notice to Subrecipient, which decision shall not be subject to appeal.

- c. Post Expiration and Termination Procedures: Upon expiration or in the event of a prior termination, all remaining and unspent grant funds, shall immediately become the sole and separate property of the City and the Subrecipient shall perform all acts and execute all instruments necessary to transfer and assign such funds to the City. All finished or unfinished documents, data, studies, reports, and work product prepared by the Subrecipient under this Agreement or with grant funds shall, at the option of the City, become City's property.

13. LIABILITY

As to the City, Subrecipient agrees to assume the risk of all personal injury, including death and bodily injury, and damage to and destruction of property, including loss of use therefrom, caused by or sustained, in whole or in part, in conjunction with or arising out of the performance or nonperformance of this Agreement by Subrecipient or by the conditions created thereby. Subrecipient further agrees to indemnify and save harmless the City, its officers, agents and employees, from and against all claims, liabilities, costs, expenses, penalties and attorney fees arising from such injuries to persons or damages to property or based upon or arising out of the performance or nonperformance of this Agreement by Subrecipient or out of any violation by Subrecipient of any statute, ordinance, rule or regulation. Subrecipient shall be responsible for any injury to persons or damage to property to the extent arising from negligent or otherwise wrongful acts, errors and omissions of Artist, its agents, and employees.

14. INSURANCE

If Subrecipient and any sub-contractor of Subrecipient have employees Subrecipient and the sub-contractor(s) shall provide the appropriate certificates of insurance and Worker Compensation documents, at no cost to the City, as described in Exhibit "D". Subrecipient further agrees and understands that it, and any sub-contractor are to maintain and keep in force the appropriate insurance certificates throughout the term of this Agreement.

15. CERTIFICATIONS

Subrecipient agrees to execute and abide by the certifications contained in Exhibit "C" hereto, and Subrecipient's application for ARPA funds, both of which are hereby made a part of this Agreement. In the event of any conflict between the terms of this Agreement and Subrecipient's Application, this Agreement shall control.

16. REVERSION OF ASSETS

- a. Upon expiration of the term of this Agreement, or upon any prior termination, Subrecipient shall transfer to City any funds provided hereunder which are on hand at the time of expiration or termination.
- b. In the event City incurs any costs or expenses in enforcing the requirements of this paragraph or in bringing any action to recover the property or amount of any repayment obligation, City shall be entitled to recover its costs and expenses, including reasonable attorney's fees.

17. RESPONSIBILITIES OF SUBRECIPIENT

Subrecipient warrants and represents that it:

- a. Has the requisite authority and capacity to perform all terms and conditions on Subrecipient's part to be performed hereunder;
- b. That it is duly organized as a non-profit organization under state law and is in good standing with the Secretary of State of Colorado;

- c. That it is a nonprofit organization exempt from Federal income taxation under Section 501(c)(3) of the Internal Revenue Code;
- d. That it is fully aware of and understands its duty to perform all functions and services in accordance with the regulatory requirements of 31 CFR Part 35 and those identified in Exhibit "C" hereto; and
- e. That it is accepting federal financial assistance hereunder subject to certain mandatory repayment provisions.

18. RESPONSIBILITIES OF THE CITY

- a. City shall provide Subrecipient with the information necessary to facilitate the performance of this Agreement;
- b. Give prompt notice to Subrecipient when the City becomes aware or observes of any deficiencies or discrepancies in the services provided.

19. ENTIRE AGREEMENT; AMENDMENTS

The provisions set forth in this Agreement, and all Exhibits and attachments to this Agreement, constitute the entire and complete agreement of the parties hereto and supersede all prior written and oral agreements, understandings or representations related thereto. No amendment or modification of this Agreement, and no waiver of any provisions of this Agreement shall be binding unless made in writing and executed by the duly authorized officers of both the Subrecipient and City

20. NOTICES

Notices, as referred to in this Agreement, shall be sent to:

 You be You Early Learning
 P.O. Box 390331
 Denver, CO 80239

21. LOBBYING

Subrecipient certifies that no Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the Subrecipient shall complete and submit the Standard Form LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

Subrecipient shall require that the language of this certification be included in the award documents for all sub awards at all tiers including subcontracts, sub grants, and contracts under grants, loans, and cooperative agreements and that all referenced shall certify and disclose accordingly.

22. EQUAL EMPLOYMENT OPPORTUNITY/NONDISCRIMINATION.

Subrecipient shall not discriminate against any employee, applicant for employment, contractor, or subcontractor because of race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. The Subrecipient shall adhere to acceptable affirmative action guidelines in selecting employees and contractors and shall ensure that employees and contractors receive fair treatment during employment or agreement, without regard to their race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.

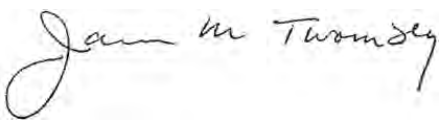

The Subrecipient shall not discriminate because of race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status in Subrecipient services, activities, accommodations, or facility use. The Subrecipient shall adhere to and assure that employment and activity programming are conducted such that all individuals and groups, clients, participants, and/or employees will be treated equally without regard to their race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. The Subrecipient understands and agrees that any act of discrimination based upon race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status may jeopardize grant funding to the Subrecipient and may be subject to loss of funding, reimbursement of funds allocated, or denial of future funds.

23. SIGNATURES

The persons signing this Agreement on behalf of Subrecipient represent and warrant that such persons and Subrecipient have the requisite power and authority to enter, execute and deliver this Agreement and that this Agreement is a valid and legally binding obligation of Subrecipient enforceable against Subrecipient in accordance with its terms.

IN WITNESS, WHEREOF, the Subrecipient and the City have executed this Agreement as of the date first above written and under the laws of the State of Colorado.

CITY OF AURORA, COLORADO

SCOPE OF SERVICES

A. Principal Tasks

Title of project/program

Peoria Crossing Mobile Preschool

Description of project/program

You be You Early Learning is a teacher-led cooperative mobile preschool grounded in principles of diversity, equity, inclusion and social justice. We promote equity and access to early childhood education by eliminating cost and transportation barriers for families of historically marginalized communities. Our holistic, culturally responsive approach to teaching and learning aims to transform social, academic, and economic outcomes for young children, their families, and the communities we proudly serve. For the 2021-2022 school year, we partnered with Aurora Housing Authority to provide early childhood education programming year-round for young children ages 3-5 in two half-day classes, four days per week. Based on our success at Willow Park and community demand, we have now contracted with AHA to expand our services to a new location at Peoria Crossing, 3002 Peoria St., Aurora, CO 80010 in Adams County. We need to purchase a new RV or fifth wheel to convert to a mobile classroom for this new location. This new vehicle will enable us to expand and extend our inclusive programming to other local communities in north Aurora and beyond. We are applying for a capital grant to fund the purchase this vehicle.

Describe your project/program timeline and anticipated schedule of completion.

By 08/01/2022: Complete Planning for the Peoria Crossing Community By 08/15/2022: Hire staff/ECE teacher By 11/01/2022: Purchase an RV/ fifth wheel for the Peoria Crossing Community By 11/01/2022 Purchase classroom materials and lesson plan activities 11/28/2022: Fall ECE classes begin Conduct Winter ECE Classes: Nov 28, 2022- Mar 10, 2023 (12 Wks) Conduct Spring ECE Classes: Mar 20, 2023- May 26, 2023 (10 Wks) Conduct Summer ECE Classes: Jun 5, 2023 - Aug 11,

2023 (10 Wks) Conduct Fall ECE Classes: Aug 21, 2023 – Nov 17, 2023 (12 Wks) Conduct Winter ECE Classes: Nov 27, 2023- Mar 15, 2024 (12 Wks) Conduct Spring ECE Classes: Mar 25, 2024- May 24, 2024 (10 Wks) Conduct Summer ECE Classes: Jun 3, 2024 - Aug 9, 2024 (10 Wks)

How will you measure the success and impact of this program or project?

The impact and success of our programming will be measured using qualitative and quantitative measures. YbY measures program success using the following metrics. Numbers reached: Within the next year, we plan to offer 188 seats for enrollment in four 10–12-week sessions of ECE programming. Since families may enroll a child in back-to-back sessions, we have 188 enrollment opportunities (not necessarily 188 students). • Maintain 85% enrollment for each session Hold over 2,112 program hours • Offer ~48 hours/year of professional development to all teachers To measure the impact of our programming, we routinely conduct interviews and observational assessments, including Preschool Behavioral and Emotional Rating Scale (preBERS), Preschool and Kindergarten Behavior Scales-2nd Edition (PKSB-2), and Student-Teacher Relationship Scale (STRS). We also incorporate Teaching Strategies Gold, an authentic, ongoing observational system for assessing young children in the context of everyday experiences. Importantly, we survey students and families and use qualitative feedback to evaluate program impact. In the domains of science and social-emotional learning (SEL) we expect that: • students show increases in developmental milestones by 20-30%, indicating Kindergarten readiness • preschool students are on par with peers from conventional preschool programs • over 90% of parents report that our program meets or exceeds their expectations To date, some of our proudest moments as an organization have been: • Our first successful year of running ECE and afterschool programs at Willow Park Community has led to discussions of expanding our services to other housing authorities and a second location within the Aurora Housing Authority jurisdiction. • We have received consistently excellent feedback from students, families, the community, and Aurora Housing Authority vis-à-vis our holistic programming and extracurricular community events. • The amount of local and national media coverage we received in our first year of operation is remarkable and highlights our transformational work. YbY was featured in the Aurora Sentinel, Metro State University and Morgridge College of Education (University of Denver) publications, Denver 7 and Fox31 news. • Our Executive Director has been selected to serve as a volunteer in a panel to review and provide feedback on Colorado Kindergarten Mathematics assessments and End-of-PreK Standards. The Preschool Through 3rd Grade Office (P-3) at the Colorado Department of Education and the Office of Early Childhood (OEC) in the Colorado Department of Human Services have initiated efforts to conduct research on PreK and Kindergarten School Readiness assessments utilized in Colorado to understand alignment and coherence needs. Marzano Research is working in partnership with the OEC and P-3 staff to conduct activities in support of this project. • The success we've had with grants, most recently as a recipient of the Early Milestones CIRCLE grant.

B. Approved Budget

The **approved budget** during the term of this agreement is attached at this link: [Link to Project Budget \(https://arpaauracityco.powerappsportals.com/entity/annotation/288dd00a-ac02-ed11-82e4-002248087dcc/92485bae-ab02-ed11-82e4-002248087522\)](https://arpaauracityco.powerappsportals.com/entity/annotation/288dd00a-ac02-ed11-82e4-002248087dcc/92485bae-ab02-ed11-82e4-002248087522)

Changes in the scope of services, budget, or method of compensation contained in this Agreement, unless otherwise noted, may only be made through a written amendment to this Agreement, executed by the Subrecipient and the City.

C. Performance Monitoring

The City and its consultants will monitor the performance of the Subrecipient according to the Principal Tasks and Budget set forth herein. Subrecipient shall fully cooperate with the City in relation to training and education on requirements and attending training sessions as well as monitoring, evaluation, and audits. Substandard performance shall mean non-compliance with this Agreement. If actions to correct such substandard performance are not taken by the Subrecipient within a reasonable period of time after being so notified by the City, contract suspension or termination procedures may be initiated, in the sole discretion of the City.

EXHIBIT B

COMPLIANCE PROVISIONS INCORPORATED IN THE SUBRECIPIENT AGREEMENT

1. An accounting system using the accrual basis of generally accepted accounting principles which accurately reflects all costs chargeable (paid and unpaid) to the Project is mandatory. A receipts and disbursements ledger must be maintained. A general ledger with an income and expense account for each budgeted line item is necessary. Paid invoices revealing check number, date paid, and item is necessary. Similarly, cash receipts for the payment of wages is mandatory. Paid invoices revealing check number, date paid, and evidence of goods or services received are to be filed per the expense account they were charged. The City must review and approve your account system and internal controls prior to the release of funds.
2. There is no flexibility on budgets. Line items may be changed only by the City's written concurrence of a budget amendment.
3. Eligible expenses are those considered reasonable and necessary costs for the efficient operation of the Project as determined by the City. All costs must be budgeted items. Request for advance or reimbursements of expenses must be accompanied by:
 1. Original invoice marked with funding source
 2. Detailed listing of each expense showing:
 - a. recipient
 - b. brief description of purchase
 - c. amount with method of computation detailed
 - d. how expense meets program goal per approved proposalCost Summary must be submitted monthly to reflect entries through the closing date for the books (indicate Closing Date on Cost Summary).
4. The City shall not be obligated to any third-party contractors of the Subrecipient. The subrecipient is further cautioned against obligating funds beyond the contract date of the agreement between the City and the Subrecipient.
5. The Subrecipient will furnish the City such statements, records, data and information, and permit such interviews with personnel as the City may request to effectively monitor and evaluate the project.
6. City auditors will periodically make interim audits and may, upon completion of the Project, make a final audit.
7. All records must be retained by the Subrecipient for a period of three years following the last day of the Agreement. (Cost summary reports must reflect actual general ledger balances.)

EXHIBIT C

CERTIFICATIONS

Subrecipient hereby certifies that the grant will be conducted and administered in compliance with:

1. Title VII of the Civil Rights Act of 1964 (Pub. L. 88-352; 42 U.S.C. 2000d, et seq.) and implementing regulations issued at 24 CFR Part 1;
2. Title VIII of the Civil Rights Act of 1968 (Pub. L. 90-284; 42 U.S.C. 3601, et seq.), as amended; and that the subrecipient will administer all programs and activities related to housing and community development in a manner to affirmatively further fair housing;
3. Section 109 of the Housing and Community Development Act of 1974, as amended; and the regulations issued pursuant thereto;
4. Section 3 of the Housing and Urban Development Act of 1968, as amended;
5. Executive Order 11246, as amended by Executive Orders 11375 and 12086, and implementing regulations issued at 41 CFR Chapter 60;
6. Executive Order 11063, as amended by Executive Orders 12259, and implementing regulations at 24 CFR Part 107;
7. Section 504 of the Rehabilitation Act of 1973 (Pub. L. 93-112), as amended, and implementing regulations when published for effect;
8. The Age Discrimination in Employment Act of 1975 (Pub. L. 94-135), as amended, and implementing regulations when published for effect;
9. The Subrecipient, as applicable to a governmental or nongovernmental agency, shall comply with the requirements and standards of 2 CFR Chapter I, and Chapter II, Parts 200, 215, 220, 225 and 230, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards" aka "Super Circular"; and shall comply with applicable sections of 79 FR 75871 "Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments".
10. Executive Order 11988 relating to the evaluation of flood hazards and Executive Order 11288 relating to the prevention, control and abatement of water pollution;
11. The flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (Pub. L. 93-234);
12. The applicable regulations, policies, guidelines and requirements of OMB Circular Nos. A-102, Revised, 24 CFR 85 and Subpart J of 24 CFR 570, A-87, A-110, A-122, A-128 and A-133 as they relate to the acceptance and use of federal funds under this federally-assisted program;
13. The Clean Air Act (42 U.S.C. 7401 et seq.) as amended; particularly section 176 (c) and (d) [42 U.S.C. 7506 (c) and (d)];
14. The Safe Drinking Water Act of 1974 (42 U.S.C. 201, 300 (f) et seq., and 21 U.S.C. 349) as amended; particularly section 1424 (e) (42 U.S.C. 300 (h)-303 (e));

15. The Endangered Species Act of 1973 (16 U.S.C. 1531 et. Seq.) as amended; including but not limited to section 7 (16 U.S.C. 1536) thereof;
16. The Reservoir Salvage Act of 1960 916 U.S.C. 469 et.seq.); particularly section 3 (16 U.S.C. 469a-1); as amended by the Archeological and Historical Preservation Act of 1974;
17. Flood Disaster Protection Act of 1973 (42 U.S.C. 4001 et.seq.) as amended; particularly sections 102(a) and 202(a) [42 U.S.C. 4012a(a) and 4106(a)];
18. Executive order 11990, Protection of Wetlands, May 24, 1977 (42 FR 26961 et. Seq.); particularly sections 2 and 5;
19. Lead-Based Paint Poisoning Prevention requirements of 25 CFR Part 35 issued pursuant to the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4821 et.seq.);
20. The National Historic Preservation Act of 1966 (16 U.S.C. 470 et seq.) as amended; particularly section 106 (16 U.S.C. 470f); and
21. Executive Order 11593, Protection and Enhancement of the Cultural Environment, May 13, 1971 (36 FR 8921 et seq.); particularly section 2(c).
22. Construction work financed in whole or in part with federal funds is subject to the prevailing wage requirements of the Davis-Bacon Act (29 CFR, Parts 3 and 5), the Copeland Act (29 CFR Part 3), and the Contract Work Hours and Safety Standards Act (Public Law 91-54, 83 Stat. 96). When a project meets this applicability requirement, the labor standards provision of the HUD 4010 and the Davis Bacon Wage Decision issued for the project will be incorporated into this contract document and shall be incorporated into all construction contracts and subcontracts of any tier thereunder.
23. No ARPA funds may be expended for lobbying purposes and payments from other sources for lobbying must be disclosed (24 CFR Part 87).
 - a. No federally appropriated funds have been or will be paid, by or on behalf of subrecipient, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.
 - b. If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, 14 a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.
24. Where asbestos is present in property undergoing rehabilitation, Federal requirements apply regarding worker exposure, abatement procedures and disposal. (CPD-90-44 EPA/OSHA).

EXHIBIT D

INSURANCE REQUIREMENTS

During the term of this Agreement and until final acceptance by the City of all work covered by the Agreement, Subrecipient performing services under this Agreement shall provide, pay for and maintain in full force and effect the types and minimum limits of insurance, as indicated below, covering the Subrecipient, their employees, subcontractors or representatives, along with: the activities of any and all subcontractors retained by the Subrecipient or Subcontractors, the activities of anyone employed by any Subrecipient, Subcontractors, their representatives or anyone for whose acts they may be liable.

Commercial General Liability Insurance. Subrecipient shall maintain commercial general liability insurance covering all operations by or on behalf of Subrecipient on a per occurrence basis against claims for personal injury (including bodily injury and death) and property damage (including loss of use). Coverage will include, if appropriate for the scope of services: Products and Completed Operations, Contractual Liability and a Waiver of Subrogation. The City, its elected and appointed officials, employees, agents and representatives shall be named as Additional Insureds by endorsement.

Minimum limits:

\$1,000,000 each occurrence

\$2,000,000 general aggregate

\$2,000,000 products and completed

Commercial Automobile Liability Insurance. Subrecipient shall maintain business automobile liability covering liability arising out of the operation of any vehicle (including owned, non-owned and hired vehicles) with minimum limits of \$1,000,000 combined single limit each accident, naming the City as an Additional Insured by endorsement.

Workers' Compensation and Employers Liability Insurance. Subrecipient shall maintain Worker's Compensation Insurance with limits in accordance with the provisions of the Workers' Compensation Act, as amended, by the State of Colorado. Additionally, Subrecipient shall maintain Employers Liability Insurance with minimum limits of \$500,000 bodily injury for each accident, \$100,000 bodily injury by disease each employee and \$500,000 bodily injury disease aggregate. If Subrecipient does not have employees, Subrecipient will provide a written statement indicating that it has no employees and is not subject to the provisions of Colorado Workers' Compensation Act.

If Subrecipient engages services of a subcontractor, Subrecipient is responsible for verifying that the subcontractor's insurance meets the insurance requirements set forth above and that it is in effect prior to and throughout performance of work under this agreement. Any subcontractor who ceases to provide insurance coverage as set forth above must be removed from the project until such time that insurance coverage can be verified as in full force and effect.

Limits of Insurance. The total limits of general and excess liability insurance set forth above may be provided to the City using a combination of primary and excess liability insurance.

Additional Insured and Waiver of Subrogation. Subrecipient shall name the City of Aurora, its elected and appointed officials, employees, agents and representatives as additional insureds by endorsement and provide a waiver of subrogation for the Commercial General Liability and Auto Liability insurance policies. The certificate of insurance will include these specific requirements along with a copy of the relevant endorsements.

Certificates of Insurance. Upon the execution of this Agreement, Subrecipient shall provide certificates of insurance to the City demonstrating that at the minimum coverages required herein are in effect. Subrecipient agrees that the required coverages will not be reduced, canceled, non-renewed or materially changed without Thirty (30) days prior written notice to the City. All certificates of insurance must be kept in force throughout the duration of the services. If any of Subrecipient's or its subcontractor's coverage is renewed at any time prior to completion of the services, Subrecipient shall be responsible for obtaining updated insurance certificates for itself and such subcontractor from the respective insurance carriers and forwarding the replacement certificates to the City within five (5) days of the expiration date of any previously delivered certificate.

The minimum A.M. Best rating of each primary insurer shall be A- VIII and the minimum A.M. Best rating of each excess insurer shall be A- VII. The Subrecipient shall provide copies of insurance policies to the City Risk Manager upon request.

Any of the minimum limits of insurance set out herein may be raised or lowered at the sole discretion of the Risk Manager for the City in response to the particular circumstances giving rise to the contract. Subrecipient's policy will be primary and non-contributory with respect to any and all insurance policies purchased by the City.

In the event that the contract involves professional or consulting services, in addition to the aforementioned insurance requirements, the contract shall also be protected by a Professional Liability Insurance policy as set forth below:

Professional Liability Insurance. Subrecipient shall maintain professional liability insurance with minimum limits of One Million Dollars (\$1,000,000), covering those claims which arise out of the negligent acts or omissions of the Subrecipient, its Subcontractor and any other parties for whom it may be liable including without limitation, bodily injury, personal injury, property damage and including a contractual liability endorsement specifically applicable to the insurable indemnity obligations set forth herein which Professional Liability Insurance shall be carried on a claims-made basis maintained in full force and effect for the term of this Agreement and, to the extent possible, for a minimum period of Three (3) years after the completion of any and all of Subrecipient's Services hereunder. Any retroactive date or prior acts exclusion to which such coverage is subject shall pre-date both the date upon which any services hereunder are commenced and the date of this Agreement. In the event that coverage is renewed during the original term of any subsequent term of this agreement, endorsement(s) for the new policy(ies) shall be delivered within ten (10) days of the expiration date of any previously delivered certificate.

SUBRECIPIENT AGREEMENT

CORONAVIRUS STATE FISCAL RECOVERY - ARPA FUNDS ASSISTANCE LISTING NUMBER (formerly CFDA): 21-027

FAIN:

THIS SUBRECIPIENT AGREEMENT ("Agreement") is made and entered into this Fourteenth day of November 2022, by and between the City of Aurora, Colorado, a Colorado municipal corporation, hereinafter referred to as the "City" and RISE Colorado, a Colorado nonprofit corporation, hereinafter referred to as the "Subrecipient" UEI (if applicable): GD9BWY9ECM8. City and Subrecipient are sometimes each referred to as a "Party" and collectively "Parties."

RECITALS

WHEREAS, on March 11, 2021, President Biden signed the U.S. Senate-amended H.R. 1319 (P.L. 117-2) known as the American Rescue Plan Act (hereinafter "ARPA"); and

WHEREAS, In Pub. Law. 117-2, Subtitle M, Sec. 9901, (The American Rescue Act or "ARPA") the US Congress allocated money to local government for various purposes; and

WHEREAS, on May 10, 2021, the U.S. Treasury issued the Interim Final Rule to implement ARPA in Title 31, Part 35 of the Code of Federal Regulations ("CFR"); and

WHEREAS, under ARPA Section 603 (c)(1)(A) and (3) and the Interim Final Rule 31 CFR 35.6(b)(7) recipients may use Coronavirus Local Fiscal Recovery ("CLFR") Funds to award grants to nonprofit organizations that are responding to the negative economic impacts of the COVID-19 public health emergency; and

WHEREAS, under ARPA Section 603 (c)(1)(A) and the Interim Final Rule 31 CFR 35.6(b)(7) and (12) recipients may provide CLFR Funds to programs or services to disproportionately impacted communities; and

WHEREAS, the City desires to disburse funds from Project No. CI-2113 to the Subrecipient to administer the Project and perform certain services in connection therewith as set forth in this Agreement and in the Scope of Services attached hereto; and

WHEREAS, Subrecipient has represented to the City that is duly qualified, eligible and willing to undertake the Project and provide the services identified herein and in the Scope of Services attached hereto.

NOW, THEREFORE, in consideration of the foregoing recitals and in consideration of the terms and conditions set forth herein, the Parties hereto mutually agree as follows:

1. SCOPE OF SERVICES

Subrecipient agrees to satisfactorily perform and complete all services and items of work, and furnish all labor and materials encompassed within or reasonably necessary to accomplish the tasks and functions described in the Scope of Services attached hereto as Exhibit "A" and incorporated herein by reference, in full compliance with all provisions of this Agreement.

Administrative Costs as defined in 24 CFR 576.108 are not an eligible reimbursable cost offered to subrecipients.

This award is not for Research and Development.

2. BUDGET AND METHOD OF PAYMENT

- a. City will pay to Subrecipient an amount up to that specified in subparagraph (c) of this paragraph as full compensation for all services and work to be performed or undertaken by Subrecipient under this Agreement. Payment of funds to Subrecipient is subject to all of the following requirements, which shall be conditions precedent to payment:
 - i. That Subrecipient has expended funds for eligible approved expenditures;
 - ii. That Subrecipient is not in default of any material provision of this Agreement nor applicable law or regulation;
 - iii. That Subrecipient has timely submitted requests for payment or reimbursement detailing the eligible payment or reimbursement items in a format approved by City; and
 - iv. That Subrecipient has certified with each payment or reimbursement request compliance with the requirements identified in Exhibit "C" and that all expenditures for which reimbursement is sought were made for and in furtherance of the approved Project and are an eligible use of federal assistance under ARPA and federal regulations.
- b. Payment hereunder is also subject to and may only be disbursed in accordance with applicable Federal regulations including but not limited to those at 31 CFR Part 35, as presently promulgated and as same may be revised from time to time in the future, all other terms of this Agreement, and any special provisions in the Scope of Services. All payments received by Subrecipient hereunder are subject to repayment by Subrecipient as provided in 31 CFR Part 35.
- c. The aggregate of all payments made hereunder shall not exceed **one hundred and seventy-five thousand dollars and zero cents (\$175,000.00)**.
- d. Upon expiration of the term of this Agreement or upon any prior termination, Subrecipient shall transfer to City any funds provided hereunder which are on hand at the time of expiration or termination.

3. TERM OF PROJECT AND AGREEMENT

- a. PROJECT. The term of the Project shall be from the date this Agreement. The Project will be completed on June 30, 2024 unless this Agreement is sooner terminated as herein provided.
- b. AGREEMENT. The term of this Agreement shall be from the date this Agreement. The activities contemplated by this Agreement will be completed on or before June 30, 2024 unless sooner terminated as herein provided.

4. SUBRECIPIENT RECORDS

Subrecipient shall maintain records as to all services provided, reimbursable expenses incurred in performing the Scope of Services and complete accounting records. Accounting records shall be kept on a generally recognized accounting basis and as requested by any representee of the City. Subrecipient agrees to comply with all applicable uniform administrative requirements described or referenced in 31 CFR 35. The Compliance Provisions attached as Exhibit "B" hereto are made a part of this Agreement and Subrecipient agrees to perform and comply with same. The City, Comptroller General of the United States, the Inspector General of the U.S. Treasury and any of their authorized representatives, shall have the right to inspect and copy, during reasonable business hours, all books, documents, papers and records of the Subrecipient which relate to this Agreement for making an audit or examination. Upon completion of the work and end of the term of this Agreement, the City may require copies of all Subrecipient's financial records relating to this Agreement to be turned over to City.

The Subrecipient, which is a non-federal agency, that expends \$750,000 or more during the Subrecipient's fiscal year, shall have a single audit conducted for that year in accordance with the provisions 2 CFR 200, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards", "Super Circular", Audit shall be completed within nine (9) months of the Subrecipients audit period and a copy of the most recent audit shall be forwarded to the City within thirty (30) days of completion.

5. MONITORING AND EVALUATION

City and its consultants shall have the right to monitor and evaluate the progress and performance of Subrecipient to assure that the terms of this Agreement are being satisfactorily fulfilled in accordance with City's and other applicable monitoring and evaluation criteria and standards. City may at least quarterly review Subrecipient's performance using on-site visits, progress reports required to be submitted by Subrecipient, audit findings, disbursements transactions, and contact Subrecipient as necessary. Subrecipient shall furnish City quarterly program and financial reports of its activities in such form and manner as may be requested by the City. Subrecipient shall fully cooperate with the City in relation to training and education on requirements and attending training sessions as well as monitoring, evaluation, and audits.

6. PERFORMANCE REPORTING

City shall at least quarterly review Subrecipient's performance using on-site visits, progress reports required to be submitted by Subrecipient, audit findings, disbursements transactions and contact with the Subrecipient as necessary. Subrecipient shall furnish to City quarterly program performance and financial reports of its activities in such form and manner as may be requested by the City. Quarterly reports are due by last day of first month following the end of a quarter. Subrecipients shall fully cooperate with City in relation to such monitoring, evaluation, and audits.

7. SUBRECIPIENT FILES AND INFORMATION REPORTS

Subrecipient shall maintain files containing information which shall clearly document all activities performed in conjunction with this Agreement, including, but not limited to, financial transactions, conformance with assurances and activity reports. These records shall be retained by Subrecipient for a period of three years after the completion of the Project.

The Subrecipient shall keep accurate books and records of accounts in accordance with generally accepted accounting principles of all expenditures made and all costs and liabilities incurred utilizing Program Funds. The aforementioned accounts and all project records shall be made available upon request by the City or any other federal agency for examination and audit. All books and records of accounts must be retained for four (4) years from the date of this agreement.

8. ASSIGNABILITY

This Agreement shall not be assigned or transferred by the Subrecipient without the prior written consent of the City. Any assignment or attempted assignment made in violation of this provision shall, at City's election, be deemed void and of no effect whatsoever.

9. AVOIDANCE OF CONFLICT OF INTEREST

Subrecipient certifies and warrants that neither it nor any members of its Board of Directors, officers or employees has or will derive any personal or financial interest or benefit from the activity or activities assisted pursuant to this Agreement, nor has an interest in any contract,

subcontract or agreement with respect thereunto, nor the proceeds thereunder, either for themselves or for those with whom they have family or business ties, during their tenure and for one year thereafter. Subrecipient shall avoid all conflicts of interest which are prohibited by applicable federal regulations including but not limited to those set forth in 31 CFR Part 35 as presently promulgated and as same may be revised from time to time in the future.

10. INDEPENDENCE OF SUBRECIPIENT

Nothing herein contained nor the relationship of Subrecipient to City, which relationship is expressly declared to be that of an independent contractor, shall make or be construed to make Subrecipient or any of Subrecipient's agents or employees the agents or employees of the City. Subrecipient shall be solely and entirely responsible for its acts and the acts of its agents, employees and subcontractors

11. INDEMNIFICATION. LEGAL DISCLAIMER

Subrecipient and any and all of its personnel operating under the terms of this agreement are not to be considered agents or employees of the City for any purpose and are not entitled to any of the benefits that the City provides for the City's employees. Subrecipient covenants and agrees to, and does hereby, indemnify and hold harmless, to the extent permitted by law, defend the City, its agents, servants, or employees, from and against any and all claims for injuries or damages to persons or property of whatsoever kind of character, whether real or asserted, arising out of this agreement for the work to be performed hereunder. The Subrecipient hereby assumes all liability and responsibility for injuries, claims or suits for damages to persons or property of whatsoever kind or character, whether real or asserted, arising out of the performance.

Pursuant to Colorado Constitution Article XI, Sections 1 and 2 the City shall not indemnify or hold harmless Subrecipient, or any party related or operating under this Agreement with or without the City's consent. No provision in this Agreement shall limit or set the amount of damages available to the City to any amount other than the actual direct and indirect damages to the City, regardless of the theory or basis for such damages. Any provision included or incorporated herein by reference which purports to negate this provision in whole or in part shall not be valid or enforceable or available in any action at law or equity, whether by way of complaint, defense, or otherwise. Any provision rendered null and void by this provision shall not invalidate the remainder of the Agreement.

12. TERMINATION OF AGREEMENT

- a. For Cause: This Agreement may be terminated by City for cause, including any nonperformance by the Subrecipient, upon ten (10) days written notice to Subrecipient including a statement of the reasons therefore, and after an opportunity for a hearing has been afforded. If a hearing is requested, it shall be held before the City's Mayor whose decision shall be final. The determination of the City as to the cause of termination and the appropriateness thereof shall be final and binding upon both City and Subrecipient. Cause for termination shall include:
 - Improper use of funds;
 - Failure to comply with the terms and conditions of this Agreement;
 - Failure to comply with the terms and conditions of the Scope of Services, Exhibit A;
 - If, for any reason, this Agreement's performance is rendered impossible or unfeasible;
 - Failure to comply with applicable Federal, State, or local laws and regulations.
- b. For Convenience: This Agreement may be terminated by City for convenience upon ten (10) days written notice to Subrecipient, which decision shall not be subject to appeal.

- c. Post Expiration and Termination Procedures: Upon expiration or in the event of a prior termination, all remaining and unspent grant funds, shall immediately become the sole and separate property of the City and the Subrecipient shall perform all acts and execute all instruments necessary to transfer and assign such funds to the City. All finished or unfinished documents, data, studies, reports, and work product prepared by the Subrecipient under this Agreement or with grant funds shall, at the option of the City, become City's property.

13. LIABILITY

As to the City, Subrecipient agrees to assume the risk of all personal injury, including death and bodily injury, and damage to and destruction of property, including loss of use therefrom, caused by or sustained, in whole or in part, in conjunction with or arising out of the performance or nonperformance of this Agreement by Subrecipient or by the conditions created thereby. Subrecipient further agrees to indemnify and save harmless the City, its officers, agents and employees, from and against all claims, liabilities, costs, expenses, penalties and attorney fees arising from such injuries to persons or damages to property or based upon or arising out of the performance or nonperformance of this Agreement by Subrecipient or out of any violation by Subrecipient of any statute, ordinance, rule or regulation. Subrecipient shall be responsible for any injury to persons or damage to property to the extent arising from negligent or otherwise wrongful acts, errors and omissions of Artist, its agents, and employees.

14. INSURANCE

If Subrecipient and any sub-contractor of Subrecipient have employees Subrecipient and the sub-contractor(s) shall provide the appropriate certificates of insurance and Worker Compensation documents, at no cost to the City, as described in Exhibit "D". Subrecipient further agrees and understands that it, and any sub-contractor are to maintain and keep in force the appropriate insurance certificates throughout the term of this Agreement.

15. CERTIFICATIONS

Subrecipient agrees to execute and abide by the certifications contained in Exhibit "C" hereto, and Subrecipient's application for ARPA funds, both of which are hereby made a part of this Agreement. In the event of any conflict between the terms of this Agreement and Subrecipient's Application, this Agreement shall control.

16. REVERSION OF ASSETS

- a. Upon expiration of the term of this Agreement, or upon any prior termination, Subrecipient shall transfer to City any funds provided hereunder which are on hand at the time of expiration or termination.
- b. In the event City incurs any costs or expenses in enforcing the requirements of this paragraph or in bringing any action to recover the property or amount of any repayment obligation, City shall be entitled to recover its costs and expenses, including reasonable attorney's fees.

17. RESPONSIBILITIES OF SUBRECIPIENT

Subrecipient warrants and represents that it:

- a. Has the requisite authority and capacity to perform all terms and conditions on Subrecipient's part to be performed hereunder;
- b. That it is duly organized as a non-profit organization under state law and is in good standing with the Secretary of State of Colorado;

- c. That it is a nonprofit organization exempt from Federal income taxation under Section 501(c)(3) of the Internal Revenue Code;
- d. That it is fully aware of and understands its duty to perform all functions and services in accordance with the regulatory requirements of 31 CFR Part 35 and those identified in Exhibit "C" hereto; and
- e. That it is accepting federal financial assistance hereunder subject to certain mandatory repayment provisions.

18. RESPONSIBILITIES OF THE CITY

- a. City shall provide Subrecipient with the information necessary to facilitate the performance of this Agreement;
- b. Give prompt notice to Subrecipient when the City becomes aware or observes of any deficiencies or discrepancies in the services provided.

19. ENTIRE AGREEMENT; AMENDMENTS

The provisions set forth in this Agreement, and all Exhibits and attachments to this Agreement, constitute the entire and complete agreement of the parties hereto and supersede all prior written and oral agreements, understandings or representations related thereto. No amendment or modification of this Agreement, and no waiver of any provisions of this Agreement shall be binding unless made in writing and executed by the duly authorized officers of both the Subrecipient and City

21. LOBBYING

Subrecipient certifies that no Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the Subrecipient shall complete and submit the Standard Form LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

Subrecipient shall require that the language of this certification be included in the award documents for all sub awards at all tiers including subcontracts, sub grants, and contracts under grants, loans, and cooperative agreements and that all referenced shall certify and disclose accordingly.

22. EQUAL EMPLOYMENT OPPORTUNITY/NONDISCRIMINATION.

Subrecipient shall not discriminate against any employee, applicant for employment, contractor, or subcontractor because of race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. The Subrecipient shall adhere to acceptable affirmative action guidelines in selecting employees and contractors and shall ensure that employees and contractors receive fair treatment during employment or agreement, without regard to their race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.

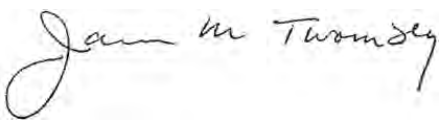

The Subrecipient shall not discriminate because of race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status in Subrecipient services, activities, accommodations, or facility use. The Subrecipient shall adhere to and assure that employment and activity programming are conducted such that all individuals and groups, clients, participants, and/or employees will be treated equally without regard to their race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. The Subrecipient understands and agrees that any act of discrimination based upon race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status may jeopardize grant funding to the Subrecipient and may be subject to loss of funding, reimbursement of funds allocated, or denial of future funds.

23. SIGNATURES

The persons signing this Agreement on behalf of Subrecipient represent and warrant that such persons and Subrecipient have the requisite power and authority to enter, execute and deliver this Agreement and that this Agreement is a valid and legally binding obligation of Subrecipient enforceable against Subrecipient in accordance with its terms.

IN WITNESS, WHEREOF, the Subrecipient and the City have executed this Agreement as of the date first above written and under the laws of the State of Colorado.

RISE Colorado—Educate, Engage, Empower

Description of project/program

Our program acts as a bridge connecting Aurora's most impacted families to the crucial organizations providing the resources families need during this challenging time. Our Navigators and other staff help us to provide the holistic, wrap-around services through community partnerships to support families with food, mental health, housing assistance, direct cash assistance, and other essential needs. RISE aims to ensure that every member of the RISE Community has access to a therapist or counselor who understands their cultural identity and language while also being committed to fostering their mental and emotional resilience. Mental health issues have become more insidious and common since the pandemic and these issues are more prevalent in the populations we serve. The American Academy of Pediatrics actually declared a national adolescent mental health state of emergency in 2021 (<https://www.aap.org/en/advocacy/child-and-adolescent-healthy-mental-development/aap-aacap-cha-declaration-of-a-national-emergency-in-child-and-adolescent-mental-health/>). The mental health and other direct supports we are providing are essential for this disrupted population. RISE offers free therapy sessions for RISE Family and Student Leaders with a therapist of choice to process this trauma. RISE integrates these holistic wellness and self-care practices and strategies into our organizational structure to support the health and sustainability of the staff. Under this grant, our program will support community members in Aurora, Colorado with Community Navigators and Mental Health and Wellness sessions with Family and Student Leaders. Our team will work with Family and Student Leaders to ensure they have access to the mental and emotional wellness supports that are appropriate for their individual needs. Our request to the City of Aurora

ARPA for this program includes eleven Community Navigators to connect the community in their native language to resources and four licensed therapists to conduct culturally responsive sessions with Family Leaders and Student Leaders. Four licensed and trained Therapists of color from will work alongside our RISE Team and Family Leaders in monthly wellness sessions (in the community's native language) to teach and equip Family Leader and Student Leaders with mental health and wellness tools to make their ability to work with community more robust. We will provide one-on-one and group interactions that support mental health and wellness. The curriculum guides students and families' members to solution building which will become a long-term skill to ensure their success. The model for this work was developed during the height of the pandemic, when RISE engaged Norka Ayllón, Licensed Professional Counselor (LPC), of Restorative Solutions Counseling to work alongside our RISE Team and Family Leaders in monthly wellness sessions. Norka met with family groups along with interpreters to facilitate free virtual group sessions in seven of Family Leaders' native languages about mental health and wellness. Family Leaders gained so much from the sessions that they requested to work with therapists from their own cultural and linguistic groups. Hence, RISE developed a plan alongside Norka to hire a Black therapist, Melody Brown, PhD for Black Family Leaders, a Nepali therapist, Shely Basnet, LCSW, LAC for the Bhutanese Nepali Family Leaders, and train the Community Organizers and Navigators from the Burmese, Karen, and Karenni communities on how to conduct mental health and wellness sessions in families' native languages.

Describe your project/program timeline and anticipated schedule of completion.

Pre-award: Identify existing community members who might benefit from Community Navigator and/or Student and Family Leaders who would work with the therapists on mental health and wellness tools. Year One 10/1/22 through 9/30/23: Community Navigators will conduct outreach/engage for referrals/services as appropriate while also tracking the progress. Community Navigators work is year-round. Staff will engage up to 700 community members in Educate, Engage, and Empower programming efforts and participate in ongoing community events to raise awareness. RISE will be tracking the progress on all components of programming. Family and Student Leaders will work with therapists to gain an understanding on how to utilize mental health and wellness tools. Mental health support is aligned with the school year, which runs from September to May. October 2023: Evaluation and reporting to the City of Aurora on the grant at close of the yearly funding period. Year Two 10/1/23 through 6/30/24: Community Navigators will conduct outreach/engage for referrals/services as appropriate while also tracking the progress. Community Navigators work is year-round. Staff will engage up to 700 community members in Educate, Engage, and Empower programming efforts and participate in ongoing community events to raise awareness. RISE will be tracking the progress on all components of programming. Family and Student Leaders will work with therapists to gain an understanding of how to utilize mental health and wellness tools. Mental health support is aligned with the school year, which runs from September to May. Fall 2024: Evaluation and reporting to the City of Aurora on the grant at close of the two-year funding period. Project Completion: This project is ongoing; however, there will be a close out period in Fall 2024 for evaluation and reporting on activities and learnings at the end of the two-year period.

How will you measure the success and impact of this program or project?

Our project success is measured by our ability to meet goals for community organizing, education, and building equity and inclusion. Measures of number of sessions and engagement relative to stated timeline and project budget will be measured as part of this effort. To measure our progress,

RISE gathers, tracks, and analyzes our data through both quantitative and qualitative methods. Our quantitative impact is tracked through our customized data platform on Salesforce which captures individuals and total engagements. Total engagements reflect individuals who attend multiple RISE events within a set time frame. Our greatest measure of success is when those most impacted by educational inequity are leading the movement for change in our public education system. For our End-of-Year survey, RISE Family and Student Leaders co-created our survey questions, administered it, and shared the findings with district officials. We will use this as a baseline to compare results during this grant period. The baseline survey found that out of 230 family respondents: *93% are very interested in learning more about educational inequity in the United States. *98% agreed or strongly agreed that their involvement with RISE had a meaningful impact on their family's lives. *67% reported that their student was now performing at or above grade level *85% agreed or strongly agreed that RISE empowered them to support their students in meeting academic goals and achieving success. Our Family and Student-led survey model also makes RISE a powerful partner for assessing multiple indicators that impact learning, and we have worked with school districts and McRel (a K-12 research service) to support our approach. In 2019, RISE partnered with Aurora Public Schools to complete a community education survey, which again can be used as a baseline for future analysis and program evaluation. Analysis of the data found that in order to equitably capture need and impact: *Centering the voices of families is essential. *The way you reach out determines who you reach, and who you reach determines what you learn. *Marginalized communities have unique responses and insights and were not reached by other methods; the RISE approach reaches marginalized communities while other approaches did not.

B. Approved Budget

The **approved budget** during the term of this agreement is attached at this link: [Link to Project Budget \(https://arpaauracityco.powerappsportals.com/_entity/annotation/22d06dec-8104-ed11-82e4-002248087522/74877922-d502-ed11-82e4-002248087522\)](https://arpaauracityco.powerappsportals.com/_entity/annotation/22d06dec-8104-ed11-82e4-002248087522/74877922-d502-ed11-82e4-002248087522).

Changes in the scope of services, budget, or method of compensation contained in this Agreement, unless otherwise noted, may only be made through a written amendment to this Agreement, executed by the Subrecipient and the City.

C. Performance Monitoring

The City and its consultants will monitor the performance of the Subrecipient according to the Principal Tasks and Budget set forth herein. Subrecipient shall fully cooperate with the City in relation to training and education on requirements and attending training sessions as well as monitoring, evaluation, and audits. Substandard performance shall mean non-compliance with this Agreement. If actions to correct such substandard performance are not taken by the Subrecipient within a reasonable period of time after being so notified by the City, contract suspension or termination procedures may be initiated, in the sole discretion of the City.

EXHIBIT B

COMPLIANCE PROVISIONS INCORPORATED IN THE SUBRECIPIENT AGREEMENT

1. An accounting system using the accrual basis of generally accepted accounting principles which accurately reflects all costs chargeable (paid and unpaid) to the Project is mandatory. A receipts and disbursements ledger must be maintained. A general ledger with an income and expense

account for each budgeted line item is necessary. Paid invoices revealing check number, date paid, and item is necessary. Similarly, cash receipts for the payment of wages is mandatory. Paid invoices revealing check number, date paid, and evidence of goods or services received are to be filed per the expense account they were charged. The City must review and approve your account system and internal controls prior to the release of funds.

2. There is no flexibility on budgets. Line items may be changed only by the City's written concurrence of a budget amendment.
3. Eligible expenses are those considered reasonable and necessary costs for the efficient operation of the Project as determined by the City. All costs must be budgeted items. Request for advance or reimbursements of expenses must be accompanied by:
 1. Original invoice marked with funding source
 2. Detailed listing of each expense showing:
 - a. recipient
 - b. brief description of purchase
 - c. amount with method of computation detailed
 - d. how expense meets program goal per approved proposal

Cost Summary must be submitted monthly to reflect entries through the closing date for the books (indicate Closing Date on Cost Summary).

4. The City shall not be obligated to any third-party contractors of the Subrecipient. The subrecipient is further cautioned against obligating funds beyond the contract date of the agreement between the City and the Subrecipient.
5. The Subrecipient will furnish the City such statements, records, data and information, and permit such interviews with personnel as the City may request to effectively monitor and evaluate the project.
6. City auditors will periodically make interim audits and may, upon completion of the Project, make a final audit.
7. All records must be retained by the Subrecipient for a period of three years following the last day of the Agreement. (Cost summary reports must reflect actual general ledger balances.)

EXHIBIT C

CERTIFICATIONS

Subrecipient hereby certifies that the grant will be conducted and administered in compliance with:

1. Title VII of the Civil Rights Act of 1964 (Pub. L. 88-352; 42 U.S.C. 2000d, et seq.) and implementing regulations issued at 24 CFR Part 1;
2. Title VIII of the Civil Rights Act of 1968 (Pub. L. 90-284; 42 U.S.C. 3601, et seq.), as amended; and that the subrecipient will administer all programs and activities related to housing and community development in a manner to affirmatively further fair housing;
3. Section 109 of the Housing and Community Development Act of 1974, as amended; and the regulations issued pursuant thereto;
4. Section 3 of the Housing and Urban Development Act of 1968, as amended;

5. Executive Order 11246, as amended by Executive Orders 11375 and 12086, and implementing regulations issued at 41 CFR Chapter 60;
6. Executive Order 11063, as amended by Executive Orders 12259, and implementing regulations at 24 CFR Part 107;
7. Section 504 of the Rehabilitation Act of 1973 (Pub. L. 93-112), as amended, and implementing regulations when published for effect;
8. The Age Discrimination in Employment Act of 1975 (Pub. L. 94-135), as amended, and implementing regulations when published for effect;
9. The Subrecipient, as applicable to a governmental or nongovernmental agency, shall comply with the requirements and standards of 2 CFR Chapter I, and Chapter II, Parts 200, 215, 220, 225 and 230, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards" aka "Super Circular"; and shall comply with applicable sections of 79 FR 75871 "Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments".
10. Executive Order 11988 relating to the evaluation of flood hazards and Executive Order 11288 relating to the prevention, control and abatement of water pollution;
11. The flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (Pub. L. 93-234);
12. The applicable regulations, policies, guidelines and requirements of OMB Circular Nos. A-102, Revised, 24 CFR 85 and Subpart J of 24 CFR 570, A-87, A-110, A-122, A-128 and A-133 as they relate to the acceptance and use of federal funds under this federally-assisted program;
13. The Clean Air Act (42 U.S.C. 7401 et.seq.) as amended; particularly section 176 (c) and (d) [42 U.S.C. 7506 (c) and (d)];
14. The Safe Drinking Water Act of 1974 (42 U.S.C. 201, 300 (f) et.seq., and 21 U.S.C. 349) as amended; particularly section 1424 (e) (42 U.S.C. 300 (h)-303 (e));
15. The Endangered Species Act of 1973 (16 U.S.C. 1531 et. Seq.) as amended; including but not limited to section 7 (16 U.S.C. 1536) thereof;
16. The Reservoir Salvage Act of 1960 916 U.S.C. 469 et.seq.); particularly section 3 (16 U.S.C. 469a-1); as amended by the Archeological and Historical Preservation Act of 1974;
17. Flood Disaster Protection Act of 1973 (42 U.S.C. 4001 et.seq.) as amended; particularly sections 102(a) and 202(a) [42 U.S.C. 4012a(a) and 4106(a)];
18. Executive order 11990, Protection of Wetlands, May 24, 1977 (42 FR 26961 et. Seq.); particularly sections 2 and 5;
19. Lead-Based Paint Poisoning Prevention requirements of 25 CFR Part 35 issued pursuant to the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4821 et.seq.);
20. The National Historic Preservation Act of 1966 (16 U.S.C. 470 et seq.) as amended; particularly section 106 (16 U.S.C. 470f); and
21. Executive Order 11593, Protection and Enhancement of the Cultural Environment, May 13, 1971 (36 FR 8921 et seq.); particularly section 2(c).

22. Construction work financed in whole or in part with federal funds is subject to the prevailing wage requirements of the Davis-Bacon Act (29 CFR, Parts 3 and 5), the Copeland Act (29 CFR Part 3), and the Contract Work Hours and Safety Standards Act (Public Law 91-54, 83 Stat. 96). When a project meets this applicability requirement, the labor standards provision of the HUD 4010 and the Davis Bacon Wage Decision issued for the project will be incorporated into this contract document and shall be incorporated into all construction contracts and subcontracts of any tier thereunder.
23. No ARPA funds may be expended for lobbying purposes and payments from other sources for lobbying must be disclosed (24 CFR Part 87).
- a. No federally appropriated funds have been or will be paid, by or on behalf of subrecipient, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.
 - b. If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, 14 a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.
24. Where asbestos is present in property undergoing rehabilitation, Federal requirements apply regarding worker exposure, abatement procedures and disposal. (CPD-90-44 EPA/OSHA).

EXHIBIT D

INSURANCE REQUIREMENTS

During the term of this Agreement and until final acceptance by the City of all work covered by the Agreement, Subrecipient performing services under this Agreement shall provide, pay for and maintain in full force and effect the types and minimum limits of insurance, as indicated below, covering the Subrecipient, their employees, subcontractors or representatives, along with: the activities of any and all subcontractors retained by the Subrecipient or Subcontractors, the activities of anyone employed by any Subrecipient, Subcontractors, their representatives or anyone for whose acts they may be liable.

Commercial General Liability Insurance. Subrecipient shall maintain commercial general liability insurance covering all operations by or on behalf of Subrecipient on a per occurrence basis against claims for personal injury (including bodily injury and death) and property damage (including loss of use). Coverage will include, if appropriate for the scope of services: Products and Completed Operations, Contractual Liability and a Waiver of Subrogation. The City, its elected and appointed officials, employees, agents and representatives shall be named as Additional Insureds by endorsement.

Minimum limits:

\$1,000,000 each occurrence

\$2,000,000 general aggregate

\$2,000,000 products and completed

Commercial Automobile Liability Insurance. Subrecipient shall maintain business automobile liability covering liability arising out of the operation of any vehicle (including owned, non-owned and hired vehicles) with minimum limits of \$1,000,000 combined single limit each accident, naming the City as an Additional Insured by endorsement.

Workers' Compensation and Employers Liability Insurance. Subrecipient shall maintain Worker's Compensation Insurance with limits in accordance with the provisions of the Workers' Compensation Act, as amended, by the State of Colorado. Additionally, Subrecipient shall maintain Employers Liability Insurance with minimum limits of \$500,000 bodily injury for each accident, \$100,000 bodily injury by disease each employee and \$500,000 bodily injury disease aggregate. If Subrecipient does not have employees, Subrecipient will provide a written statement indicating that it has no employees and is not subject to the provisions of Colorado Workers' Compensation Act.

If Subrecipient engages services of a subcontractor, Subrecipient is responsible for verifying that the subcontractor's insurance meets the insurance requirements set forth above and that it is in effect prior to and throughout performance of work under this agreement. Any subcontractor who ceases to provide insurance coverage as set forth above must be removed from the project until such time that insurance coverage can be verified as in full force and effect.

Limits of Insurance. The total limits of general and excess liability insurance set forth above may be provided to the City using a combination of primary and excess liability insurance.

Additional Insured and Waiver of Subrogation. Subrecipient shall name the City of Aurora, its elected and appointed officials, employees, agents and representatives as additional insureds by endorsement and provide a waiver of subrogation for the Commercial General Liability and Auto Liability insurance policies. The certificate of insurance will include these specific requirements along with a copy of the relevant endorsements.

Certificates of Insurance. Upon the execution of this Agreement, Subrecipient shall provide certificates of insurance to the City demonstrating that at the minimum coverages required herein are in effect. Subrecipient agrees that the required coverages will not be reduced, canceled, non-renewed or materially changed without Thirty (30) days prior written notice to the City. All certificates of insurance must be kept in force throughout the duration of the services. If any of Subrecipient's or its subcontractor's coverage is renewed at any time prior to completion of the services, Subrecipient shall be responsible for obtaining updated insurance certificates for itself and such subcontractor from the respective insurance carriers and forwarding the replacement certificates to the City within five (5) days of the expiration date of any previously delivered certificate.

The minimum A.M. Best rating of each primary insurer shall be A- VIII and the minimum A.M. Best rating of each excess insurer shall be A- VII. The Subrecipient shall provide copies of insurance policies to the City Risk Manager upon request.

Any of the minimum limits of insurance set out herein may be raised or lowered at the sole discretion of the Risk Manager for the City in response to the particular circumstances giving rise to the contract. Subrecipient's policy will be primary and non-contributory with respect to any and all insurance policies purchased by the City.

In the event that the contract involves professional or consulting services, in addition to the aforementioned insurance requirements, the contract shall also be protected by a Professional Liability Insurance policy as set forth below:

Professional Liability Insurance. Subrecipient shall maintain professional liability insurance with minimum limits of One Million Dollars (\$1,000,000), covering those claims which arise out of the negligent acts or omissions of the Subrecipient, its Subcontractor and any other parties for whom it may be liable including without limitation, bodily injury, personal injury, property damage and including a contractual liability endorsement specifically applicable to the insurable indemnity obligations set forth herein which Professional Liability Insurance shall be carried on a claims-made basis maintained in full force and effect for the term of this Agreement and, to the extent possible, for a minimum period of Three (3) years after the completion of any and all of Subrecipient's Services hereunder. Any retroactive date or prior acts exclusion to which such coverage is subject shall pre-date both the date upon which any services hereunder are commenced and the date of this Agreement. In the event that coverage is renewed during the original term of any subsequent term of this agreement, endorsement(s) for the new policy(ies) shall be delivered within ten (10) days of the expiration date of any previously delivered certificate.

SUBRECIPIENT AGREEMENT

CORONAVIRUS STATE FISCAL RECOVERY - ARPA FUNDS ASSISTANCE LISTING NUMBER (formerly CFDA): 21-027

FAIN:

THIS SUBRECIPIENT AGREEMENT ("Agreement") is made and entered into this Fourteenth day of November 2022, by and between the City of Aurora, Colorado, a Colorado municipal corporation, hereinafter referred to as the "City" and Aurora Public Schools Foundation, a Colorado nonprofit corporation, hereinafter referred to as the "Subrecipient" UEI (if applicable): Pending. City and Subrecipient are sometimes each referred to as a "Party" and collectively "Parties."

RECITALS

WHEREAS, on March 11, 2021, President Biden signed the U.S. Senate-amended H.R. 1319 (P.L. 117-2) known as the American Rescue Plan Act (hereinafter "ARPA"); and

WHEREAS, In Pub. Law. 117-2, Subtitle M, Sec. 9901, (The American Rescue Act or "ARPA") the US Congress allocated money to local government for various purposes; and

WHEREAS, on May 10, 2021, the U.S. Treasury issued the Interim Final Rule to implement ARPA in Title 31, Part 35 of the Code of Federal Regulations ("CFR"); and

WHEREAS, under ARPA Section 603 (c)(1)(A) and (3) and the Interim Final Rule 31 CFR 35.6(b)(7) recipients may use Coronavirus Local Fiscal Recovery ("CLFR") Funds to award grants to nonprofit organizations that are responding to the negative economic impacts of the COVID-19 public health emergency; and

WHEREAS, under ARPA Section 603 (c)(1)(A) and the Interim Final Rule 31 CFR 35.6(b)(7) and (12) recipients may provide CLFR Funds to programs or services to disproportionately impacted communities; and

WHEREAS, the City desires to disburse funds from Project No. CI-2113 to the Subrecipient to administer the Project and perform certain services in connection therewith as set forth in this Agreement and in the Scope of Services attached hereto; and

WHEREAS, Subrecipient has represented to the City that is duly qualified, eligible and willing to undertake the Project and provide the services identified herein and in the Scope of Services attached hereto.

NOW, THEREFORE, in consideration of the foregoing recitals and in consideration of the terms and conditions set forth herein, the Parties hereto mutually agree as follows:

1. SCOPE OF SERVICES

Subrecipient agrees to satisfactorily perform and complete all services and items of work, and furnish all labor and materials encompassed within or reasonably necessary to accomplish the tasks and functions described in the Scope of Services attached hereto as Exhibit "A" and incorporated herein by reference, in full compliance with all provisions of this Agreement.

Administrative Costs as defined in 24 CFR 576.108 are not an eligible reimbursable cost offered to subrecipients.

This award is not for Research and Development.

2. BUDGET AND METHOD OF PAYMENT

- a. City will pay to Subrecipient an amount up to that specified in subparagraph (c) of this paragraph as full compensation for all services and work to be performed or undertaken by Subrecipient under this Agreement. Payment of funds to Subrecipient is subject to all of the following requirements, which shall be conditions precedent to payment:
 - i. That Subrecipient has expended funds for eligible approved expenditures;
 - ii. That Subrecipient is not in default of any material provision of this Agreement nor applicable law or regulation;
 - iii. That Subrecipient has timely submitted requests for payment or reimbursement detailing the eligible payment or reimbursement items in a format approved by City; and
 - iv. That Subrecipient has certified with each payment or reimbursement request compliance with the requirements identified in Exhibit "C" and that all expenditures for which reimbursement is sought were made for and in furtherance of the approved Project and are an eligible use of federal assistance under ARPA and federal regulations.
- b. Payment hereunder is also subject to and may only be disbursed in accordance with applicable Federal regulations including but not limited to those at 31 CFR Part 35, as presently promulgated and as same may be revised from time to time in the future, all other terms of this Agreement, and any special provisions in the Scope of Services. All payments received by Subrecipient hereunder are subject to repayment by Subrecipient as provided in 31 CFR Part 35.
- c. The aggregate of all payments made hereunder shall not exceed **twenty-five thousand dollars and zero cents (\$25,000.00)**.
- d. Upon expiration of the term of this Agreement or upon any prior termination, Subrecipient shall transfer to City any funds provided hereunder which are on hand at the time of expiration or termination.

3. TERM OF PROJECT AND AGREEMENT

- a. PROJECT. The term of the Project shall be from the date this Agreement. The Project will be completed on June 30, 2024 unless this Agreement is sooner terminated as herein provided.
- b. AGREEMENT. The term of this Agreement shall be from the date this Agreement. The activities contemplated by this Agreement will be completed on or before June 30, 2024 unless sooner terminated as herein provided.

4. SUBRECIPIENT RECORDS

Subrecipient shall maintain records as to all services provided, reimbursable expenses incurred in performing the Scope of Services and complete accounting records. Accounting records shall be kept on a generally recognized accounting basis and as requested by any representee of the City. Subrecipient agrees to comply with all applicable uniform administrative requirements described or referenced in 31 CFR 35. The Compliance Provisions attached as Exhibit "B" hereto are made a part of this Agreement and Subrecipient agrees to perform and comply with same. The City, Comptroller General of the United States, the Inspector General of the U.S. Treasury and any of their authorized representatives, shall have the right to inspect and copy, during reasonable business hours, all books, documents, papers and records of the Subrecipient which relate to this Agreement for making an audit or examination. Upon completion of the work and end of the term of this Agreement, the City may require copies of all Subrecipient's financial records relating to this Agreement to be turned over to City.

The Subrecipient, which is a non-federal agency, that expends \$750,000 or more during the Subrecipient's fiscal year, shall have a single audit conducted for that year in accordance with the provisions 2 CFR 200, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards", "Super Circular", Audit shall be completed within nine (9) months of the Subrecipients audit period and a copy of the most recent audit shall be forwarded to the City within thirty (30) days of completion.

5. MONITORING AND EVALUATION

City and its consultants shall have the right to monitor and evaluate the progress and performance of Subrecipient to assure that the terms of this Agreement are being satisfactorily fulfilled in accordance with City's and other applicable monitoring and evaluation criteria and standards. City may at least quarterly review Subrecipient's performance using on-site visits, progress reports required to be submitted by Subrecipient, audit findings, disbursements transactions, and contact Subrecipient as necessary. Subrecipient shall furnish City quarterly program and financial reports of its activities in such form and manner as may be requested by the City. Subrecipient shall fully cooperate with the City in relation to training and education on requirements and attending training sessions as well as monitoring, evaluation, and audits.

6. PERFORMANCE REPORTING

City shall at least quarterly review Subrecipient's performance using on-site visits, progress reports required to be submitted by Subrecipient, audit findings, disbursements transactions and contact with the Subrecipient as necessary. Subrecipient shall furnish to City quarterly program performance and financial reports of its activities in such form and manner as may be requested by the City. Quarterly reports are due by last day of first month following the end of a quarter. Subrecipients shall fully cooperate with City in relation to such monitoring, evaluation, and audits.

7. SUBRECIPIENT FILES AND INFORMATION REPORTS

Subrecipient shall maintain files containing information which shall clearly document all activities performed in conjunction with this Agreement, including, but not limited to, financial transactions, conformance with assurances and activity reports. These records shall be retained by Subrecipient for a period of three years after the completion of the Project.

The Subrecipient shall keep accurate books and records of accounts in accordance with generally accepted accounting principles of all expenditures made and all costs and liabilities incurred utilizing Program Funds. The aforementioned accounts and all project records shall be made available upon request by the City or any other federal agency for examination and audit. All books and records of accounts must be retained for four (4) years from the date of this agreement.

8. ASSIGNABILITY

This Agreement shall not be assigned or transferred by the Subrecipient without the prior written consent of the City. Any assignment or attempted assignment made in violation of this provision shall, at City's election, be deemed void and of no effect whatsoever.

9. AVOIDANCE OF CONFLICT OF INTEREST

Subrecipient certifies and warrants that neither it nor any members of its Board of Directors, officers or employees has or will derive any personal or financial interest or benefit from the activity or activities assisted pursuant to this Agreement, nor has an interest in any contract,

subcontract or agreement with respect thereunto, nor the proceeds thereunder, either for themselves or for those with whom they have family or business ties, during their tenure and for one year thereafter. Subrecipient shall avoid all conflicts of interest which are prohibited by applicable federal regulations including but not limited to those set forth in 31 CFR Part 35 as presently promulgated and as same may be revised from time to time in the future.

10. INDEPENDENCE OF SUBRECIPIENT

Nothing herein contained nor the relationship of Subrecipient to City, which relationship is expressly declared to be that of an independent contractor, shall make or be construed to make Subrecipient or any of Subrecipient's agents or employees the agents or employees of the City. Subrecipient shall be solely and entirely responsible for its acts and the acts of its agents, employees and subcontractors

11. INDEMNIFICATION. LEGAL DISCLAIMER

Subrecipient and any and all of its personnel operating under the terms of this agreement are not to be considered agents or employees of the City for any purpose and are not entitled to any of the benefits that the City provides for the City's employees. Subrecipient covenants and agrees to, and does hereby, indemnify and hold harmless, to the extent permitted by law, defend the City, its agents, servants, or employees, from and against any and all claims for injuries or damages to persons or property of whatsoever kind of character, whether real or asserted, arising out of this agreement for the work to be performed hereunder. The Subrecipient hereby assumes all liability and responsibility for injuries, claims or suits for damages to persons or property of whatsoever kind or character, whether real or asserted, arising out of the performance.

Pursuant to Colorado Constitution Article XI, Sections 1 and 2 the City shall not indemnify or hold harmless Subrecipient, or any party related or operating under this Agreement with or without the City's consent. No provision in this Agreement shall limit or set the amount of damages available to the City to any amount other than the actual direct and indirect damages to the City, regardless of the theory or basis for such damages. Any provision included or incorporated herein by reference which purports to negate this provision in whole or in part shall not be valid or enforceable or available in any action at law or equity, whether by way of complaint, defense, or otherwise. Any provision rendered null and void by this provision shall not invalidate the remainder of the Agreement.

12. TERMINATION OF AGREEMENT

- a. For Cause: This Agreement may be terminated by City for cause, including any nonperformance by the Subrecipient, upon ten (10) days written notice to Subrecipient including a statement of the reasons therefore, and after an opportunity for a hearing has been afforded. If a hearing is requested, it shall be held before the City's Mayor whose decision shall be final. The determination of the City as to the cause of termination and the appropriateness thereof shall be final and binding upon both City and Subrecipient. Cause for termination shall include:
 - Improper use of funds;
 - Failure to comply with the terms and conditions of this Agreement;
 - Failure to comply with the terms and conditions of the Scope of Services, Exhibit A;
 - If, for any reason, this Agreement's performance is rendered impossible or unfeasible;
 - Failure to comply with applicable Federal, State, or local laws and regulations.
- b. For Convenience: This Agreement may be terminated by City for convenience upon ten (10) days written notice to Subrecipient, which decision shall not be subject to appeal.

- c. Post Expiration and Termination Procedures: Upon expiration or in the event of a prior termination, all remaining and unspent grant funds, shall immediately become the sole and separate property of the City and the Subrecipient shall perform all acts and execute all instruments necessary to transfer and assign such funds to the City. All finished or unfinished documents, data, studies, reports, and work product prepared by the Subrecipient under this Agreement or with grant funds shall, at the option of the City, become City's property.

13. LIABILITY

As to the City, Subrecipient agrees to assume the risk of all personal injury, including death and bodily injury, and damage to and destruction of property, including loss of use therefrom, caused by or sustained, in whole or in part, in conjunction with or arising out of the performance or nonperformance of this Agreement by Subrecipient or by the conditions created thereby. Subrecipient further agrees to indemnify and save harmless the City, its officers, agents and employees, from and against all claims, liabilities, costs, expenses, penalties and attorney fees arising from such injuries to persons or damages to property or based upon or arising out of the performance or nonperformance of this Agreement by Subrecipient or out of any violation by Subrecipient of any statute, ordinance, rule or regulation. Subrecipient shall be responsible for any injury to persons or damage to property to the extent arising from negligent or otherwise wrongful acts, errors and omissions of Artist, its agents, and employees.

14. INSURANCE

If Subrecipient and any sub-contractor of Subrecipient have employees Subrecipient and the sub-contractor(s) shall provide the appropriate certificates of insurance and Worker Compensation documents, at no cost to the City, as described in Exhibit "D". Subrecipient further agrees and understands that it, and any sub-contractor are to maintain and keep in force the appropriate insurance certificates throughout the term of this Agreement.

15. CERTIFICATIONS

Subrecipient agrees to execute and abide by the certifications contained in Exhibit "C" hereto, and Subrecipient's application for ARPA funds, both of which are hereby made a part of this Agreement. In the event of any conflict between the terms of this Agreement and Subrecipient's Application, this Agreement shall control.

16. REVERSION OF ASSETS

- a. Upon expiration of the term of this Agreement, or upon any prior termination, Subrecipient shall transfer to City any funds provided hereunder which are on hand at the time of expiration or termination.
- b. In the event City incurs any costs or expenses in enforcing the requirements of this paragraph or in bringing any action to recover the property or amount of any repayment obligation, City shall be entitled to recover its costs and expenses, including reasonable attorney's fees.

17. RESPONSIBILITIES OF SUBRECIPIENT

Subrecipient warrants and represents that it:

- a. Has the requisite authority and capacity to perform all terms and conditions on Subrecipient's part to be performed hereunder;
- b. That it is duly organized as a non-profit organization under state law and is in good standing with the Secretary of State of Colorado;

- c. That it is a nonprofit organization exempt from Federal income taxation under Section 501(c)(3) of the Internal Revenue Code;
- d. That it is fully aware of and understands its duty to perform all functions and services in accordance with the regulatory requirements of 31 CFR Part 35 and those identified in Exhibit "C" hereto; and
- e. That it is accepting federal financial assistance hereunder subject to certain mandatory repayment provisions.

18. RESPONSIBILITIES OF THE CITY

- a. City shall provide Subrecipient with the information necessary to facilitate the performance of this Agreement;
- b. Give prompt notice to Subrecipient when the City becomes aware or observes of any deficiencies or discrepancies in the services provided.

19. ENTIRE AGREEMENT; AMENDMENTS

The provisions set forth in this Agreement, and all Exhibits and attachments to this Agreement, constitute the entire and complete agreement of the parties hereto and supersede all prior written and oral agreements, understandings or representations related thereto. No amendment or modification of this Agreement, and no waiver of any provisions of this Agreement shall be binding unless made in writing and executed by the duly authorized officers of both the Subrecipient and City

20. NOTICES

Notices, as referred to in this Agreement, shall be sent to:

Subrecipient
 Aurora Public Schools Foundation
 15701 E 1st Ave Suite 206
 Aurora, CO 80011

21. LOBBYING

Subrecipient certifies that no Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the Subrecipient shall complete and submit the Standard Form LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

Subrecipient shall require that the language of this certification be included in the award documents for all sub awards at all tiers including subcontracts, sub grants, and contracts under grants, loans, and cooperative agreements and that all referenced shall certify and disclose accordingly.

22. EQUAL EMPLOYMENT OPPORTUNITY/NONDISCRIMINATION.

Subrecipient shall not discriminate against any employee, applicant for employment, contractor, or subcontractor because of race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. The Subrecipient shall adhere to acceptable affirmative action guidelines in selecting employees and contractors and shall ensure that employees and contractors receive fair treatment during employment or agreement, without regard to their race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.

The Subrecipient shall not discriminate because of race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status in Subrecipient services, activities, accommodations, or facility use. The Subrecipient shall adhere to and assure that employment and activity programming are conducted such that all individuals and groups, clients, participants, and/or employees will be treated equally without regard to their race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. The Subrecipient understands and agrees that any act of discrimination based upon race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status may jeopardize grant funding to the Subrecipient and may be subject to loss of funding, reimbursement of funds allocated, or denial of future funds.

23. SIGNATURES

The persons signing this Agreement on behalf of Subrecipient represent and warrant that such persons and Subrecipient have the requisite power and authority to enter, execute and deliver this Agreement and that this Agreement is a valid and legally binding obligation of Subrecipient enforceable against Subrecipient in accordance with its terms.

IN WITNESS, WHEREOF, the Subrecipient and the City have executed this Agreement as of the date first above written and under the laws of the State of Colorado.

CITY OF AURORA, COLORADO

JAMES M. TWOMBLY,
City Manager

APPROVED AS TO FORM:

HANOSKY HERNANDEZ,
Sr. Assistant City Attorney

SUBRECIPIENT

EXHIBIT A

SCOPE OF SERVICES

A. Principal Tasks

Title of project/program

The Educator Emporium

Description of project/program

In 2021, the Aurora Public Schools Foundation opened the Educator Emporium to all Aurora Public Schools (APS) educators. The program was developed as a partnership between Aurora Public Schools Foundation, Aurora Public Schools Professional Learning Department, and District Credit Union. Further, the creation of this program stemmed from a significant in-kind donation from Wal-Mart (local store at Tower Rd.). Located at the District Credit Union, the Educator Emporium is open twice monthly for educators to "shop" for brand-new, free of charge school supplies throughout the year. Because demand for the resource is growing, the free store will be open three additional days before the start of the 2022-23 school year and twice a month for the remainder of the school year. Aurora Public Schools Foundation is seeking funding from the City of Aurora ARPA nonprofit grants, to purchase in-demand school supplies for the Educator Emporium.

Describe your project/program timeline and anticipated schedule of completion.

Summer 2022: Recruitment of 12 volunteers to staff the Educator Emporium in August 2022. The Educator Emporium will be open before the school year on August 3-4 for all educators to pick-up school supplies. It will also open for APS Child Development Centers on August 11, 2022. Fall Semester 2022: The Educator Emporium will be open a total of seven times in the fall semester, including one teacher work day. Typically, the Emporium will open on the second Tuesday and Wednesday of the month. Spring Semester 2022: The Educator Emporium will be open a total of seven times in the spring semester, including one teacher work day. Typically, the Emporium will open on the second Tuesday and Wednesday of the month. Ongoing activities: Staff will dedicate

time to organizing, hosting and managing volunteers for the Educator Emporium. Staff also purchase supplies, restock, and inventory the store on a regular basis. For the 2023-2024 school year, a similar schedule will be followed. With the anticipated increase in demand, Aurora Public Schools Foundation will continue to open the store more days as needed.

How will you measure the success and impact of this program or project?

During the first year of operations (2021-2022 school year), 50 Aurora Public Schools were served, including 4 Child Development Centers, 15 Elementary Schools, 7 K-8 Schools, 5 Middle Schools, and 4 High Schools. The Aurora Public Schools Foundation will measure success for this program through the following performance indicators: Objective: Increased engagement with APS educators with the Educator Emporium. Measure: The number of educators who visit the Educator Emporium and testimonials collected via educator survey. Objective: Increased community engagement and participation in the Educator Emporium. Measure: The number of volunteers recruited and participating, the number of community partners, surveys regarding the Educator Emporium.

B. Approved Budget

The **approved budget** during the term of this agreement is attached at this link: [Link to Project Budget \(https://arpaauroracityco.powerappsportals.com/entity/annotation/767fe37f-f602-ed11-82e4-002248087dcc/03d58d3b-f602-ed11-82e4-002248087522\)](https://arpaauroracityco.powerappsportals.com/entity/annotation/767fe37f-f602-ed11-82e4-002248087dcc/03d58d3b-f602-ed11-82e4-002248087522).

Changes in the scope of services, budget, or method of compensation contained in this Agreement, unless otherwise noted, may only be made through a written amendment to this Agreement, executed by the Subrecipient and the City.

C. Performance Monitoring

The City and its consultants will monitor the performance of the Subrecipient according to the Principal Tasks and Budget set forth herein. Subrecipient shall fully cooperate with the City in relation to training and education on requirements and attending training sessions as well as monitoring, evaluation, and audits. Substandard performance shall mean non-compliance with this Agreement. If actions to correct such substandard performance are not taken by the Subrecipient within a reasonable period of time after being so notified by the City, contract suspension or termination procedures may be initiated, in the sole discretion of the City.

EXHIBIT B

COMPLIANCE PROVISIONS INCORPORATED IN THE SUBRECIPIENT AGREEMENT

1. An accounting system using the accrual basis of generally accepted accounting principles which accurately reflects all costs chargeable (paid and unpaid) to the Project is mandatory. A receipts and disbursements ledger must be maintained. A general ledger with an income and expense account for each budgeted line item is necessary. Paid invoices revealing check number, date paid, and item is necessary. Similarly, cash receipts for the payment of wages is mandatory. Paid invoices revealing check number, date paid, and evidence of goods or services received are to be filed per the expense account they were charged. The City must review and approve your account system and internal controls prior to the release of funds.

2. There is no flexibility on budgets. Line items may be changed only by the City's written concurrence of a budget amendment.
3. Eligible expenses are those considered reasonable and necessary costs for the efficient operation of the Project as determined by the City. All costs must be budgeted items. Request for advance or reimbursements of expenses must be accompanied by:
 1. Original invoice marked with funding source
 2. Detailed listing of each expense showing:
 - a. recipient
 - b. brief description of purchase
 - c. amount with method of computation detailed
 - d. how expense meets program goal per approved proposal

Cost Summary must be submitted monthly to reflect entries through the closing date for the books (indicate Closing Date on Cost Summary).

4. The City shall not be obligated to any third-party contractors of the Subrecipient. The subrecipient is further cautioned against obligating funds beyond the contract date of the agreement between the City and the Subrecipient.
5. The Subrecipient will furnish the City such statements, records, data and information, and permit such interviews with personnel as the City may request to effectively monitor and evaluate the project.
6. City auditors will periodically make interim audits and may, upon completion of the Project, make a final audit.
7. All records must be retained by the Subrecipient for a period of three years following the last day of the Agreement. (Cost summary reports must reflect actual general ledger balances.)

EXHIBIT C

CERTIFICATIONS

Subrecipient hereby certifies that the grant will be conducted and administered in compliance with:

1. Title VII of the Civil Rights Act of 1964 (Pub. L. 88-352; 42 U.S.C. 2000d, et seq.) and implementing regulations issued at 24 CFR Part 1;
2. Title VIII of the Civil Rights Act of 1968 (Pub. L. 90-284; 42 U.S.C. 3601, et seq.), as amended; and that the subrecipient will administer all programs and activities related to housing and community development in a manner to affirmatively further fair housing;
3. Section 109 of the Housing and Community Development Act of 1974, as amended; and the regulations issued pursuant thereto;
4. Section 3 of the Housing and Urban Development Act of 1968, as amended;
5. Executive Order 11246, as amended by Executive Orders 11375 and 12086, and implementing regulations issued at 41 CFR Chapter 60;
6. Executive Order 11063, as amended by Executive Orders 12259, and implementing regulations at 24 CFR Part 107;

7. Section 504 of the Rehabilitation Act of 1973 (Pub. L. 93-112), as amended, and implementing regulations when published for effect;
8. The Age Discrimination in Employment Act of 1975 (Pub. L. 94-135), as amended, and implementing regulations when published for effect;
9. The Subrecipient, as applicable to a governmental or nongovernmental agency, shall comply with the requirements and standards of 2 CFR Chapter I, and Chapter II, Parts 200, 215, 220, 225 and 230, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards" aka "Super Circular"; and shall comply with applicable sections of 79 FR 75871 "Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments".
10. Executive Order 11988 relating to the evaluation of flood hazards and Executive Order 11288 relating to the prevention, control and abatement of water pollution;
11. The flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (Pub. L. 93-234);
12. The applicable regulations, policies, guidelines and requirements of OMB Circular Nos. A-102, Revised, 24 CFR 85 and Subpart J of 24 CFR 570, A-87, A-110, A-122, A-128 and A-133 as they relate to the acceptance and use of federal funds under this federally-assisted program;
13. The Clean Air Act (42 U.S.C. 7401 et.seq.) as amended; particularly section 176 (c) and (d) [42 U.S.C. 7506 (c) and (d)];
14. The Safe Drinking Water Act of 1974 (42 U.S.C. 201, 300 (f) et.seq., and 21 U.S.C. 349) as amended; particularly section 1424 (e) (42 U.S.C. 300 (h)-303 (e));
15. The Endangered Species Act of 1973 (16 U.S.C. 1531 et. Seq.) as amended; including but not limited to section 7 (16 U.S.C. 1536) thereof;
16. The Reservoir Salvage Act of 1960 916 U.S.C. 469 et.seq.); particularly section 3 (16 U.S.C. 469a-1); as amended by the Archeological and Historical Preservation Act of 1974;
17. Flood Disaster Protection Act of 1973 (42 U.S.C. 4001 et.seq.) as amended; particularly sections 102(a) and 202(a) [42 U.S.C. 4012a(a) and 4106(a)];
18. Executive order 11990, Protection of Wetlands, May 24, 1977 (42 FR 26961 et. Seq.); particularly sections 2 and 5;
19. Lead-Based Paint Poisoning Prevention requirements of 25 CFR Part 35 issued pursuant to the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4821 et.seq.);
20. The National Historic Preservation Act of 1966 (16 U.S.C. 470 et seq.) as amended; particularly section 106 (16 U.S.C. 470f); and
21. Executive Order 11593, Protection and Enhancement of the Cultural Environment, May 13, 1971 (36 FR 8921 et seq.); particularly section 2(c).
22. Construction work financed in whole or in part with federal funds is subject to the prevailing wage requirements of the Davis-Bacon Act (29 CFR, Parts 3 and 5), the Copeland Act (29 CFR Part 3), and the Contract Work Hours and Safety Standards Act (Public Law 91-54, 83 Stat. 96). When a project

meets this applicability requirement, the labor standards provision of the HUD 4010 and the Davis Bacon Wage Decision issued for the project will be incorporated into this contract document and shall be incorporated into all construction contracts and subcontracts of any tier thereunder.

23. No ARPA funds may be expended for lobbying purposes and payments from other sources for lobbying must be disclosed (24 CFR Part 87).

- a. No federally appropriated funds have been or will be paid, by or on behalf of subrecipient, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.
- b. If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, 14 a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

24. Where asbestos is present in property undergoing rehabilitation, Federal requirements apply regarding worker exposure, abatement procedures and disposal. (CPD-90-44 EPA/OSHA).

EXHIBIT D

INSURANCE REQUIREMENTS

During the term of this Agreement and until final acceptance by the City of all work covered by the Agreement, Subrecipient performing services under this Agreement shall provide, pay for and maintain in full force and effect the types and minimum limits of insurance, as indicated below, covering the Subrecipient, their employees, subcontractors or representatives, along with: the activities of any and all subcontractors retained by the Subrecipient or Subcontractors, the activities of anyone employed by any Subrecipient, Subcontractors, their representatives or anyone for whose acts they may be liable.

Commercial General Liability Insurance. Subrecipient shall maintain commercial general liability insurance covering all operations by or on behalf of Subrecipient on a per occurrence basis against claims for personal injury (including bodily injury and death) and property damage (including loss of use). Coverage will include, if appropriate for the scope of services: Products and Completed Operations, Contractual Liability and a Waiver of Subrogation. The City, its elected and appointed officials, employees, agents and representatives shall be named as Additional Insureds by endorsement.

Minimum limits:

\$1,000,000 each occurrence

\$2,000,000 general aggregate

\$2,000,000 products and completed

Commercial Automobile Liability Insurance. Subrecipient shall maintain business automobile liability covering liability arising out of the operation of any vehicle (including owned, non-owned and hired vehicles) with minimum limits of \$1,000,000 combined single limit each accident, naming the City as an Additional Insured by endorsement.

Workers' Compensation and Employers Liability Insurance. Subrecipient shall maintain Worker's Compensation Insurance with limits in accordance with the provisions of the Workers' Compensation Act, as amended, by the State of Colorado. Additionally, Subrecipient shall maintain Employers Liability Insurance with minimum limits of \$500,000 bodily injury for each accident, \$100,000 bodily injury by disease each employee and \$500,000 bodily injury disease aggregate. If Subrecipient does not have employees, Subrecipient will provide a written statement indicating that it has no employees and is not subject to the provisions of Colorado Workers' Compensation Act.

If Subrecipient engages services of a subcontractor, Subrecipient is responsible for verifying that the subcontractor's insurance meets the insurance requirements set forth above and that it is in effect prior to and throughout performance of work under this agreement. Any subcontractor who ceases to provide insurance coverage as set forth above must be removed from the project until such time that insurance coverage can be verified as in full force and effect.

Limits of Insurance. The total limits of general and excess liability insurance set forth above may be provided to the City using a combination of primary and excess liability insurance.

Additional Insured and Waiver of Subrogation. Subrecipient shall name the City of Aurora, its elected and appointed officials, employees, agents and representatives as additional insureds by endorsement and provide a waiver of subrogation for the Commercial General Liability and Auto Liability insurance policies. The certificate of insurance will include these specific requirements along with a copy of the relevant endorsements.

Certificates of Insurance. Upon the execution of this Agreement, Subrecipient shall provide certificates of insurance to the City demonstrating that at the minimum coverages required herein are in effect. Subrecipient agrees that the required coverages will not be reduced, canceled, non-renewed or materially changed without Thirty (30) days prior written notice to the City. All certificates of insurance must be kept in force throughout the duration of the services. If any of Subrecipient's or its subcontractor's coverage is renewed at any time prior to completion of the services, Subrecipient shall be responsible for obtaining updated insurance certificates for itself and such subcontractor from the respective insurance carriers and forwarding the replacement certificates to the City within five (5) days of the expiration date of any previously delivered certificate.

The minimum A.M. Best rating of each primary insurer shall be A- VIII and the minimum A.M. Best rating of each excess insurer shall be A- VII. The Subrecipient shall provide copies of insurance policies to the City Risk Manager upon request.

Any of the minimum limits of insurance set out herein may be raised or lowered at the sole discretion of the Risk Manager for the City in response to the particular circumstances giving rise to the contract. Subrecipient's policy will be primary and non-contributory with respect to any and all insurance policies purchased by the City.

In the event that the contract involves professional or consulting services, in addition to the aforementioned insurance requirements, the contract shall also be protected by a Professional Liability Insurance policy as set forth below:

Professional Liability Insurance. Subrecipient shall maintain professional liability insurance with minimum limits of One Million Dollars (\$1,000,000), covering those claims which arise out of the negligent acts or omissions of the Subrecipient, its Subcontractor and any other parties for whom it may be liable including without limitation, bodily injury, personal injury, property damage and including a contractual liability endorsement specifically applicable to the insurable indemnity obligations set forth

herein which Professional Liability Insurance shall be carried on a claims-made basis maintained in full force and effect for the term of this Agreement and, to the extent possible, for a minimum period of Three (3) years after the completion of any and all of Subrecipient's Services hereunder. Any retroactive date or prior acts exclusion to which such coverage is subject shall pre-date both the date upon which any services hereunder are commenced and the date of this Agreement. In the event that coverage is renewed during the original term of any subsequent term of this agreement, endorsement(s) for the new policy(ies) shall be delivered within ten (10) days of the expiration date of any previously delivered certificate.

CORONAVIRUS STATE FISCAL RECOVERY - ARPA FUNDS ASSISTANCE LISTING NUMBER (formerly CFDA): 21-027

FAIN:

THIS SUBRECIPIENT AGREEMENT ("Agreement") is made and entered into this Fourteenth day of November 2022, by and between the City of Aurora, Colorado, a Colorado municipal corporation, hereinafter referred to as the "City" and African Chamber of Commerce Colorado USA, a Colorado nonprofit corporation, hereinafter referred to as the "Subrecipient" UEI (if applicable): 0737332780000. City and Subrecipient are sometimes each referred to as a "Party" and collectively "Parties."

RECITALS

WHEREAS, on March 11, 2021, President Biden signed the U.S. Senate-amended H.R. 1319 (P.L. 117-2) known as the American Rescue Plan Act (hereinafter "ARPA"); and

WHEREAS, In Pub. Law. 117-2, Subtitle M, Sec. 9901, (The American Rescue Act or "ARPA") the US Congress allocated money to local government for various purposes; and

WHEREAS, on May 10, 2021, the U.S. Treasury issued the Interim Final Rule to implement ARPA in Title 31, Part 35 of the Code of Federal Regulations ("CFR"); and

WHEREAS, under ARPA Section 603 (c)(1)(A) and (3) and the Interim Final Rule 31 CFR 35.6(b)(7) recipients may use Coronavirus Local Fiscal Recovery ("CLFR") Funds to award grants to nonprofit organizations that are responding to the negative economic impacts of the COVID-19 public health emergency; and

WHEREAS, under ARPA Section 603 (c)(1)(A) and the Interim Final Rule 31 CFR 35.6(b)(7) and (12) recipients may provide CLFR Funds to programs or services to disproportionately impacted communities; and

WHEREAS, the City desires to disburse funds from Project No. CI-2113 to the Subrecipient to administer the Project and perform certain services in connection therewith as set forth in this Agreement and in the Scope of Services attached hereto; and

WHEREAS, Subrecipient has represented to the City that is duly qualified, eligible and willing to undertake the Project and provide the services identified herein and in the Scope of Services attached hereto.

NOW, THEREFORE, in consideration of the foregoing recitals and in consideration of the terms and conditions set forth herein, the Parties hereto mutually agree as follows:

1. SCOPE OF SERVICES

Subrecipient agrees to satisfactorily perform and complete all services and items of work, and furnish all labor and materials encompassed within or reasonably necessary to accomplish the tasks and functions described in the Scope of Services attached hereto as Exhibit "A" and incorporated herein by reference, in full compliance with all provisions of this Agreement.

Administrative Costs as defined in 24 CFR 576.108 are not an eligible reimbursable cost offered to subrecipients.

This award is not for Research and Development.

2. BUDGET AND METHOD OF PAYMENT

- a. City will pay to Subrecipient an amount up to that specified in subparagraph (c) of this paragraph as full compensation for all services and work to be performed or undertaken by Subrecipient under this Agreement. Payment of funds to Subrecipient is subject to all of the following requirements, which shall be conditions precedent to payment:
 - i. That Subrecipient has expended funds for eligible approved expenditures;
 - ii. That Subrecipient is not in default of any material provision of this Agreement nor applicable law or regulation;
 - iii. That Subrecipient has timely submitted requests for payment or reimbursement detailing the eligible payment or reimbursement items in a format approved by City; and
 - iv. That Subrecipient has certified with each payment or reimbursement request compliance with the requirements identified in Exhibit "C" and that all expenditures for which reimbursement is sought were made for and in furtherance of the approved Project and are an eligible use of federal assistance under ARPA and federal regulations.
- b. Payment hereunder is also subject to and may only be disbursed in accordance with applicable Federal regulations including but not limited to those at 31 CFR Part 35, as presently promulgated and as same may be revised from time to time in the future, all other terms of this Agreement, and any special provisions in the Scope of Services. All payments received by Subrecipient hereunder are subject to repayment by Subrecipient as provided in 31 CFR Part 35.
- c. The aggregate of all payments made hereunder shall not exceed **seventy-five thousand dollars and zero cents (\$75,000.00)**.
- d. Upon expiration of the term of this Agreement or upon any prior termination, Subrecipient shall transfer to City any funds provided hereunder which are on hand at the time of expiration or termination.

3. TERM OF PROJECT AND AGREEMENT

- a. PROJECT. The term of the Project shall be from the date this Agreement. The Project will be completed on June 30, 2024 unless this Agreement is sooner terminated as herein provided.
- b. AGREEMENT. The term of this Agreement shall be from the date this Agreement. The activities contemplated by this Agreement will be completed on or before June 30, 2024 unless sooner terminated as herein provided.

4. SUBRECIPIENT RECORDS

Subrecipient shall maintain records as to all services provided, reimbursable expenses incurred in performing the Scope of Services and complete accounting records. Accounting records shall be kept on a generally recognized accounting basis and as requested by any representee of the City. Subrecipient agrees to comply with all applicable uniform administrative requirements described or referenced in 31 CFR 35. The Compliance Provisions attached as Exhibit "B" hereto are made a part of this Agreement and Subrecipient agrees to perform and comply with same. The City, Comptroller General of the United States, the Inspector General of the U.S. Treasury and any of their authorized representatives, shall have the right to inspect and copy, during reasonable business hours, all books, documents, papers and records of the Subrecipient which relate to this Agreement for making an audit or examination. Upon completion of the work and end of the term of this Agreement, the City may require copies of all Subrecipient's financial records relating to this Agreement to be turned over to City.

The Subrecipient, which is a non-federal agency, that expends \$750,000 or more during the Subrecipient's fiscal year, shall have a single audit conducted for that year in accordance with the provisions 2 CFR 200, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards", "Super Circular", Audit shall be completed within nine (9) months of the Subrecipients audit period and a copy of the most recent audit shall be forwarded to the City within thirty (30) days of completion.

5. MONITORING AND EVALUATION

City and its consultants shall have the right to monitor and evaluate the progress and performance of Subrecipient to assure that the terms of this Agreement are being satisfactorily fulfilled in accordance with City's and other applicable monitoring and evaluation criteria and standards. City may at least quarterly review Subrecipient's performance using on-site visits, progress reports required to be submitted by Subrecipient, audit findings, disbursements transactions, and contact Subrecipient as necessary. Subrecipient shall furnish City quarterly program and financial reports of its activities in such form and manner as may be requested by the City. Subrecipient shall fully cooperate with the City in relation to training and education on requirements and attending training sessions as well as monitoring, evaluation, and audits.

6. PERFORMANCE REPORTING

City shall at least quarterly review Subrecipient's performance using on-site visits, progress reports required to be submitted by Subrecipient, audit findings, disbursements transactions and contact with the Subrecipient as necessary. Subrecipient shall furnish to City quarterly program performance and financial reports of its activities in such form and manner as may be requested by the City. Quarterly reports are due by last day of first month following the end of a quarter. Subrecipients shall fully cooperate with City in relation to such monitoring, evaluation, and audits.

7. SUBRECIPIENT FILES AND INFORMATION REPORTS

Subrecipient shall maintain files containing information which shall clearly document all activities performed in conjunction with this Agreement, including, but not limited to, financial transactions, conformance with assurances and activity reports. These records shall be retained by Subrecipient for a period of three years after the completion of the Project.

The Subrecipient shall keep accurate books and records of accounts in accordance with generally accepted accounting principles of all expenditures made and all costs and liabilities incurred utilizing Program Funds. The aforementioned accounts and all project records shall be made available upon request by the City or any other federal agency for examination and audit. All books and records of accounts must be retained for four (4) years from the date of this agreement.

8. ASSIGNABILITY

This Agreement shall not be assigned or transferred by the Subrecipient without the prior written consent of the City. Any assignment or attempted assignment made in violation of this provision shall, at City's election, be deemed void and of no effect whatsoever.

9. AVOIDANCE OF CONFLICT OF INTEREST

Subrecipient certifies and warrants that neither it nor any members of its Board of Directors, officers or employees has or will derive any personal or financial interest or benefit from the activity or activities assisted pursuant to this Agreement, nor has an interest in any contract,

subcontract or agreement with respect thereunto, nor the proceeds thereunder, either for themselves or for those with whom they have family or business ties, during their tenure and for one year thereafter. Subrecipient shall avoid all conflicts of interest which are prohibited by applicable federal regulations including but not limited to those set forth in 31 CFR Part 35 as presently promulgated and as same may be revised from time to time in the future.

10. INDEPENDENCE OF SUBRECIPIENT

Nothing herein contained nor the relationship of Subrecipient to City, which relationship is expressly declared to be that of an independent contractor, shall make or be construed to make Subrecipient or any of Subrecipient's agents or employees the agents or employees of the City. Subrecipient shall be solely and entirely responsible for its acts and the acts of its agents, employees and subcontractors

11. INDEMNIFICATION. LEGAL DISCLAIMER

Subrecipient and any and all of its personnel operating under the terms of this agreement are not to be considered agents or employees of the City for any purpose and are not entitled to any of the benefits that the City provides for the City's employees. Subrecipient covenants and agrees to, and does hereby, indemnify and hold harmless, to the extent permitted by law, defend the City, its agents, servants, or employees, from and against any and all claims for injuries or damages to persons or property of whatsoever kind of character, whether real or asserted, arising out of this agreement for the work to be performed hereunder. The Subrecipient hereby assumes all liability and responsibility for injuries, claims or suits for damages to persons or property of whatsoever kind or character, whether real or asserted, arising out of the performance.

Pursuant to Colorado Constitution Article XI, Sections 1 and 2 the City shall not indemnify or hold harmless Subrecipient, or any party related or operating under this Agreement with or without the City's consent. No provision in this Agreement shall limit or set the amount of damages available to the City to any amount other than the actual direct and indirect damages to the City, regardless of the theory or basis for such damages. Any provision included or incorporated herein by reference which purports to negate this provision in whole or in part shall not be valid or enforceable or available in any action at law or equity, whether by way of complaint, defense, or otherwise. Any provision rendered null and void by this provision shall not invalidate the remainder of the Agreement.

12. TERMINATION OF AGREEMENT

- a. For Cause: This Agreement may be terminated by City for cause, including any nonperformance by the Subrecipient, upon ten (10) days written notice to Subrecipient including a statement of the reasons therefore, and after an opportunity for a hearing has been afforded. If a hearing is requested, it shall be held before the City's Mayor whose decision shall be final. The determination of the City as to the cause of termination and the appropriateness thereof shall be final and binding upon both City and Subrecipient. Cause for termination shall include:
 - Improper use of funds;
 - Failure to comply with the terms and conditions of this Agreement;
 - Failure to comply with the terms and conditions of the Scope of Services, Exhibit A;
 - If, for any reason, this Agreement's performance is rendered impossible or unfeasible;
 - Failure to comply with applicable Federal, State, or local laws and regulations.
- b. For Convenience: This Agreement may be terminated by City for convenience upon ten (10) days written notice to Subrecipient, which decision shall not be subject to appeal.

- c. Post Expiration and Termination Procedures: Upon expiration or in the event of a prior termination, all remaining and unspent grant funds, shall immediately become the sole and separate property of the City and the Subrecipient shall perform all acts and execute all instruments necessary to transfer and assign such funds to the City. All finished or unfinished documents, data, studies, reports, and work product prepared by the Subrecipient under this Agreement or with grant funds shall, at the option of the City, become City's property.

13. LIABILITY

As to the City, Subrecipient agrees to assume the risk of all personal injury, including death and bodily injury, and damage to and destruction of property, including loss of use therefrom, caused by or sustained, in whole or in part, in conjunction with or arising out of the performance or nonperformance of this Agreement by Subrecipient or by the conditions created thereby. Subrecipient further agrees to indemnify and save harmless the City, its officers, agents and employees, from and against all claims, liabilities, costs, expenses, penalties and attorney fees arising from such injuries to persons or damages to property or based upon or arising out of the performance or nonperformance of this Agreement by Subrecipient or out of any violation by Subrecipient of any statute, ordinance, rule or regulation. Subrecipient shall be responsible for any injury to persons or damage to property to the extent arising from negligent or otherwise wrongful acts, errors and omissions of Artist, its agents, and employees.

14. INSURANCE

If Subrecipient and any sub-contractor of Subrecipient have employees Subrecipient and the sub-contractor(s) shall provide the appropriate certificates of insurance and Worker Compensation documents, at no cost to the City, as described in Exhibit "D". Subrecipient further agrees and understands that it, and any sub-contractor are to maintain and keep in force the appropriate insurance certificates throughout the term of this Agreement.

15. CERTIFICATIONS

Subrecipient agrees to execute and abide by the certifications contained in Exhibit "C" hereto, and Subrecipient's application for ARPA funds, both of which are hereby made a part of this Agreement. In the event of any conflict between the terms of this Agreement and Subrecipient's Application, this Agreement shall control.

16. REVERSION OF ASSETS

- a. Upon expiration of the term of this Agreement, or upon any prior termination, Subrecipient shall transfer to City any funds provided hereunder which are on hand at the time of expiration or termination.
- b. In the event City incurs any costs or expenses in enforcing the requirements of this paragraph or in bringing any action to recover the property or amount of any repayment obligation, City shall be entitled to recover its costs and expenses, including reasonable attorney's fees.

17. RESPONSIBILITIES OF SUBRECIPIENT

Subrecipient warrants and represents that it:

- a. Has the requisite authority and capacity to perform all terms and conditions on Subrecipient's part to be performed hereunder;
- b. That it is duly organized as a non-profit organization under state law and is in good standing with the Secretary of State of Colorado;

- c. That it is a nonprofit organization exempt from Federal income taxation under Section 501(c)(3) of the Internal Revenue Code;
- d. That it is fully aware of and understands its duty to perform all functions and services in accordance with the regulatory requirements of 31 CFR Part 35 and those identified in Exhibit "C" hereto; and
- e. That it is accepting federal financial assistance hereunder subject to certain mandatory repayment provisions.

18. RESPONSIBILITIES OF THE CITY

- a. City shall provide Subrecipient with the information necessary to facilitate the performance of this Agreement;
- b. Give prompt notice to Subrecipient when the City becomes aware or observes of any deficiencies or discrepancies in the services provided.

19. ENTIRE AGREEMENT; AMENDMENTS

The provisions set forth in this Agreement, and all Exhibits and attachments to this Agreement, constitute the entire and complete agreement of the parties hereto and supersede all prior written and oral agreements, understandings or representations related thereto. No amendment or modification of this Agreement, and no waiver of any provisions of this Agreement shall be binding unless made in writing and executed by the duly authorized officers of both the Subrecipient and City

20. NOTICES

Notices, as referred to in this Agreement, shall be sent to:

21. LOBBYING

Subrecipient certifies that no Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the Subrecipient shall complete and submit the Standard Form LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

Subrecipient shall require that the language of this certification be included in the award documents for all sub awards at all tiers including subcontracts, sub grants, and contracts under grants, loans, and cooperative agreements and that all referenced shall certify and disclose accordingly.

22. EQUAL EMPLOYMENT OPPORTUNITY/NONDISCRIMINATION.

Subrecipient shall not discriminate against any employee, applicant for employment, contractor, or subcontractor because of race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. The Subrecipient shall adhere to acceptable affirmative action guidelines in selecting employees and contractors and shall ensure that employees and contractors receive fair treatment during employment or agreement, without regard to their race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.

The Subrecipient shall not discriminate because of race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status in Subrecipient services, activities, accommodations, or facility use. The Subrecipient shall adhere to and assure that employment and activity programming are conducted such that all individuals and groups, clients, participants, and/or employees will be treated equally without regard to their race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. The Subrecipient understands and agrees that any act of discrimination based upon race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status may jeopardize grant funding to the Subrecipient and may be subject to loss of funding, reimbursement of funds allocated, or denial of future funds.

23. SIGNATURES

The persons signing this Agreement on behalf of Subrecipient represent and warrant that such persons and Subrecipient have the requisite power and authority to enter, execute and deliver this Agreement and that this Agreement is a valid and legally binding obligation of Subrecipient enforceable against Subrecipient in accordance with its terms.

IN WITNESS, WHEREOF, the Subrecipient and the City have executed this Agreement as of the date first above written and under the laws of the State of Colorado.

CITY OF AURORA, COLORADO

JAMES M. TWOMBLY,
City Manager

EXHIBIT A

SCOPE OF SERVICES

A. Principal Tasks

Title of project/program

The ACCCOUSA Technical Assistance Program

Description of project/program

The AACCCOUSA's technical assistance program aims to help start-ups and existing businesses continue their path to recovery and growth. Our immigrant population includes a significant number of these entrepreneurs, and for many new immigrants to succeed, they must learn fundamental business skills such as entity formation, employment, resource acquisition, business planning, business loans, commercial leasing, financing, and market research in order to establish sustainable business entities that can hire employees from the community. By launching this technical assistance program last year, we hoped to increase the vitality of these businesses, avert small business failure, and promote social inclusion within the Denver metro area. We put more than 97 small businesses on the road to success in 2021 with the assistance of technical assistance. The African Chamber provided information from experts on topics that helped them increase sales, get access to capital, streamline their operations, take advantage of new technologies, expand into new markets, and position themselves for long-term success.

Describe your project/program timeline and anticipated schedule of completion.

Two full-time contractors and one part-time contractor will be hired to assist with the technical assistance program. They should be hired by the Fall of 2022. A Digital Marketer will be hired for one position, while a Business Development Specialist will be hired for the other, and to assist them a part-time administrative assistant will be hired. As a result, we would shift our marketing to a 50/50 group/one-on-one model instead of our current 80% class and 20% one-on-one support model. A Business Development Specialist will also assist each participant in developing a personalized action plan (i.e. business plans and financial documents needed to be considered funding ready to apply for a loan or grant).

How will you measure the success and impact of this program or project?

Our success is determined by evaluating the impact that we have made on our constituency. This impact includes the number of businesses engaged with our program and evaluating their economic progress over time via increased profitability, decreased losses, improved inventory management, the utilization of Best Business Practices, and higher customer awareness and retention. Success is also recognized when our technical assistance and navigation services connect businesses to necessary community resources. New jobs created for minority or immigrant community members is also an indicator of our success. If we are able to close the Digital Divide and combat barriers including language, the written word, and technology for our constituency, it is considered a success. It is also considered a success when our businesses access capital and other financial resources and material of which they were previously unaware. Similarly, if our minority and immigrant businesses are able to develop a website and create an internet-based retail presence, the playing field for the distribution of wealth is made more level. Finally, success is celebrated when we have enhanced the capacity of a business by opening up international trade and investment; helping businesses and families access relief programs and financial assistance from local, state, and federal governments; new partnerships and collaborations are created; and when social barriers are reduced. In order to measure the success and impact of this program, methodologies will be employed to determine qualitative and quantitative data points that include cataloging the number of businesses engaged with the program, tracking them, and evaluating their economic progress over time via increased profitability, decreased losses, improved inventory management, the utilization of Best Business Practices, and higher customer awareness and retention. Please see specific targets below.

Activity Business Skills Classes Increase in establishment of Business Increase participation in Membership Outcome Participants feel more confident in their ability to manage their business Participants take action to establish or expand business Maintain membership retention rate of 90% Indicators # of participants who feel more confident in their ability to manage their business and apply new skills # of participants who complete one target outline on their individualized plan # of participants that become members Target 100% or more feel more confident in their ability to manage their business and apply new skills 95% of participants will complete one or more actions on their individualized plan 90% of participants will become members Measurement Pre/Post survey Submitted business documents or action plan Membership signup

B. Approved Budget

The **approved budget** during the term of this agreement is attached at this link: [Link to Project Budget \(https://arpaauracityco.powerappsportals.com/_entity/annotation/8c679574-a854-ed11-bba2-00224804174b/afddd2e6-b803-ed11-82e4-002248087dcc\)](https://arpaauracityco.powerappsportals.com/_entity/annotation/8c679574-a854-ed11-bba2-00224804174b/afddd2e6-b803-ed11-82e4-002248087dcc)

Changes in the scope of services, budget, or method of compensation contained in this Agreement, unless otherwise noted, may only be made through a written amendment to this Agreement, executed by the Subrecipient and the City.

C. Performance Monitoring

The City and its consultants will monitor the performance of the Subrecipient according to the Principal Tasks and Budget set forth herein. Subrecipient shall fully cooperate with the City in relation to training and education on requirements and attending training sessions as well as monitoring, evaluation, and audits. Substandard performance shall mean non-compliance with this Agreement. If actions to correct such substandard performance are not taken by the Subrecipient within a reasonable period of time after being notified by the City, contract suspension or termination procedures may be initiated, in the sole discretion of the City.

EXHIBIT B

COMPLIANCE PROVISIONS INCORPORATED IN THE SUBRECIPIENT AGREEMENT

1. An accounting system using the accrual basis of generally accepted accounting principles which accurately reflects all costs chargeable (paid and unpaid) to the Project is mandatory. A receipts and disbursements ledger must be maintained. A general ledger with an income and expense account for each budgeted line item is necessary. Paid invoices revealing check number, date paid, and item is necessary. Similarly, cash receipts for the payment of wages is mandatory. Paid invoices revealing check number, date paid, and evidence of goods or services received are to be filed per the expense account they were charged. The City must review and approve your account system and internal controls prior to the release of funds.
2. There is no flexibility on budgets. Line items may be changed only by the City's written concurrence of a budget amendment.
3. Eligible expenses are those considered reasonable and necessary costs for the efficient operation of the Project as determined by the City. All costs must be budgeted items. Request for advance or reimbursements of expenses must be accompanied by:
 1. Original invoice marked with funding source
 2. Detailed listing of each expense showing:
 - a. recipient
 - b. brief description of purchase
 - c. amount with method of computation detailed
 - d. how expense meets program goal per approved proposal

Cost Summary must be submitted monthly to reflect entries through the closing date for the books (indicate Closing Date on Cost Summary).
4. The City shall not be obligated to any third-party contractors of the Subrecipient. The subrecipient is further cautioned against obligating funds beyond the contract date of the agreement between the City and the Subrecipient.
5. The Subrecipient will furnish the City such statements, records, data and information, and permit such interviews with personnel as the City may request to effectively monitor and evaluate the project.
6. City auditors will periodically make interim audits and may, upon completion of the Project, make a final audit.

7. All records must be retained by the Subrecipient for a period of three years following the last day of the Agreement. (Cost summary reports must reflect actual general ledger balances.)

EXHIBIT C

CERTIFICATIONS

Subrecipient hereby certifies that the grant will be conducted and administered in compliance with:

1. Title VII of the Civil Rights Act of 1964 (Pub. L. 88-352; 42 U.S.C. 2000d, et seq.) and implementing regulations issued at 24 CFR Part 1;
2. Title VIII of the Civil Rights Act of 1968 (Pub. L. 90-284; 42 U.S.C. 3601, et seq.), as amended; and that the subrecipient will administer all programs and activities related to housing and community development in a manner to affirmatively further fair housing;
3. Section 109 of the Housing and Community Development Act of 1974, as amended; and the regulations issued pursuant thereto;
4. Section 3 of the Housing and Urban Development Act of 1968, as amended;
5. Executive Order 11246, as amended by Executive Orders 11375 and 12086, and implementing regulations issued at 41 CFR Chapter 60;
6. Executive Order 11063, as amended by Executive Orders 12259, and implementing regulations at 24 CFR Part 107;
7. Section 504 of the Rehabilitation Act of 1973 (Pub. L. 93-112), as amended, and implementing regulations when published for effect;
8. The Age Discrimination in Employment Act of 1975 (Pub. L. 94-135), as amended, and implementing regulations when published for effect;
9. The Subrecipient, as applicable to a governmental or nongovernmental agency, shall comply with the requirements and standards of 2 CFR Chapter I, and Chapter II, Parts 200, 215, 220, 225 and 230, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards" aka "Super Circular"; and shall comply with applicable sections of 79 FR 75871 "Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments".
10. Executive Order 11988 relating to the evaluation of flood hazards and Executive Order 11288 relating to the prevention, control and abatement of water pollution;
11. The flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (Pub. L. 93-234);
12. The applicable regulations, policies, guidelines and requirements of OMB Circular Nos. A-102, Revised, 24 CFR 85 and Subpart J of 24 CFR 570, A-87, A-110, A-122, A-128 and A-133 as they relate to the acceptance and use of federal funds under this federally-assisted program;
13. The Clean Air Act (42 U.S.C. 7401 et seq.) as amended; particularly section 176 (c) and (d) [42 U.S.C. 7506 (c) and (d)];
14. The Safe Drinking Water Act of 1974 (42 U.S.C. 201, 300 (f) et seq., and 21 U.S.C. 349) as amended; particularly section 1424 (e) (42 U.S.C. 300 (h)-303 (e));

15. The Endangered Species Act of 1973 (16 U.S.C. 1531 et. Seq.) as amended; including but not limited to section 7 (16 U.S.C. 1536) thereof;
16. The Reservoir Salvage Act of 1960 916 U.S.C. 469 et.seq.); particularly section 3 (16 U.S.C. 469a-1); as amended by the Archeological and Historical Preservation Act of 1974;
17. Flood Disaster Protection Act of 1973 (42 U.S.C. 4001 et.seq.) as amended; particularly sections 102(a) and 202(a) [42 U.S.C. 4012a(a) and 4106(a)];
18. Executive order 11990, Protection of Wetlands, May 24, 1977 (42 FR 26961 et. Seq.); particularly sections 2 and 5;
19. Lead-Based Paint Poisoning Prevention requirements of 25 CFR Part 35 issued pursuant to the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4821 et.seq.);
20. The National Historic Preservation Act of 1966 (16 U.S.C. 470 et seq.) as amended; particularly section 106 (16 U.S.C. 470f); and
21. Executive Order 11593, Protection and Enhancement of the Cultural Environment, May 13, 1971 (36 FR 8921 et seq.); particularly section 2(c).
22. Construction work financed in whole or in part with federal funds is subject to the prevailing wage requirements of the Davis-Bacon Act (29 CFR, Parts 3 and 5), the Copeland Act (29 CFR Part 3), and the Contract Work Hours and Safety Standards Act (Public Law 91-54, 83 Stat. 96). When a project meets this applicability requirement, the labor standards provision of the HUD 4010 and the Davis Bacon Wage Decision issued for the project will be incorporated into this contract document and shall be incorporated into all construction contracts and subcontracts of any tier thereunder.
23. No ARPA funds may be expended for lobbying purposes and payments from other sources for lobbying must be disclosed (24 CFR Part 87).
 - a. No federally appropriated funds have been or will be paid, by or on behalf of subrecipient, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.
 - b. If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, 14 a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.
24. Where asbestos is present in property undergoing rehabilitation, Federal requirements apply regarding worker exposure, abatement procedures and disposal. (CPD-90-44 EPA/OSHA).

EXHIBIT D

INSURANCE REQUIREMENTS

During the term of this Agreement and until final acceptance by the City of all work covered by the Agreement, Subrecipient performing services under this Agreement shall provide, pay for and maintain in full force and effect the types and minimum limits of insurance, as indicated below, covering the Subrecipient, their employees, subcontractors or representatives, along with: the activities of any and all subcontractors retained by the Subrecipient or Subcontractors, the activities of anyone employed by any Subrecipient, Subcontractors, their representatives or anyone for whose acts they may be liable.

Commercial General Liability Insurance. Subrecipient shall maintain commercial general liability insurance covering all operations by or on behalf of Subrecipient on a per occurrence basis against claims for personal injury (including bodily injury and death) and property damage (including loss of use). Coverage will include, if appropriate for the scope of services: Products and Completed Operations, Contractual Liability and a Waiver of Subrogation. The City, its elected and appointed officials, employees, agents and representatives shall be named as Additional Insureds by endorsement.

Minimum limits:

\$1,000,000 each occurrence

\$2,000,000 general aggregate

\$2,000,000 products and completed

Commercial Automobile Liability Insurance. Subrecipient shall maintain business automobile liability covering liability arising out of the operation of any vehicle (including owned, non-owned and hired vehicles) with minimum limits of \$1,000,000 combined single limit each accident, naming the City as an Additional Insured by endorsement.

Workers' Compensation and Employers Liability Insurance. Subrecipient shall maintain Worker's Compensation Insurance with limits in accordance with the provisions of the Workers' Compensation Act, as amended, by the State of Colorado. Additionally, Subrecipient shall maintain Employers Liability Insurance with minimum limits of \$500,000 bodily injury for each accident, \$100,000 bodily injury by disease each employee and \$500,000 bodily injury disease aggregate. If Subrecipient does not have employees, Subrecipient will provide a written statement indicating that it has no employees and is not subject to the provisions of Colorado Workers' Compensation Act.

If Subrecipient engages services of a subcontractor, Subrecipient is responsible for verifying that the subcontractor's insurance meets the insurance requirements set forth above and that it is in effect prior to and throughout performance of work under this agreement. Any subcontractor who ceases to provide insurance coverage as set forth above must be removed from the project until such time that insurance coverage can be verified as in full force and effect.

Limits of Insurance. The total limits of general and excess liability insurance set forth above may be provided to the City using a combination of primary and excess liability insurance.

Additional Insured and Waiver of Subrogation. Subrecipient shall name the City of Aurora, its elected and appointed officials, employees, agents and representatives as additional insureds by endorsement and provide a waiver of subrogation for the Commercial General Liability and Auto Liability insurance policies. The certificate of insurance will include these specific requirements along with a copy of the relevant endorsements.

Certificates of Insurance. Upon the execution of this Agreement, Subrecipient shall provide certificates of insurance to the City demonstrating that at the minimum coverages required herein are in effect. Subrecipient agrees that the required coverages will not be reduced, canceled, non-renewed or materially changed without Thirty (30) days prior written notice to the City. All certificates of insurance must be kept in force throughout the duration of the services. If any of Subrecipient's or its subcontractor's coverage is renewed at any time prior to completion of the services, Subrecipient shall be responsible for obtaining updated insurance certificates for itself and such subcontractor from the respective insurance carriers and forwarding the replacement certificates to the City within five (5) days of the expiration date of any previously delivered certificate.

The minimum A.M. Best rating of each primary insurer shall be A- VIII and the minimum A.M. Best rating of each excess insurer shall be A- VII. The Subrecipient shall provide copies of insurance policies to the City Risk Manager upon request.

Any of the minimum limits of insurance set out herein may be raised or lowered at the sole discretion of the Risk Manager for the City in response to the particular circumstances giving rise to the contract. Subrecipient's policy will be primary and non-contributory with respect to any and all insurance policies purchased by the City.

In the event that the contract involves professional or consulting services, in addition to the aforementioned insurance requirements, the contract shall also be protected by a Professional Liability Insurance policy as set forth below:

Professional Liability Insurance. Subrecipient shall maintain professional liability insurance with minimum limits of One Million Dollars (\$1,000,000), covering those claims which arise out of the negligent acts or omissions of the Subrecipient, its Subcontractor and any other parties for whom it may be liable including without limitation, bodily injury, personal injury, property damage and including a contractual liability endorsement specifically applicable to the insurable indemnity obligations set forth herein which Professional Liability Insurance shall be carried on a claims-made basis maintained in full force and effect for the term of this Agreement and, to the extent possible, for a minimum period of Three (3) years after the completion of any and all of Subrecipient's Services hereunder. Any retroactive date or prior acts exclusion to which such coverage is subject shall pre-date both the date upon which any services hereunder are commenced and the date of this Agreement. In the event that coverage is renewed during the original term of any subsequent term of this agreement, endorsement(s) for the new policy(ies) shall be delivered within ten (10) days of the expiration date of any previously delivered certificate.

SUBRECIPIENT AGREEMENT

CORONAVIRUS STATE FISCAL RECOVERY - ARPA FUNDS ASSISTANCE LISTING NUMBER (formerly CFDA): 21-027

FAIN:

THIS SUBRECIPIENT AGREEMENT ("Agreement") is made and entered into this Fourteenth day of November 2022, by and between the City of Aurora, Colorado, a Colorado municipal corporation, hereinafter referred to as the "City" and Metro Community Provider Network, Inc., a Colorado nonprofit corporation, hereinafter referred to as the "Subrecipient" UEI (if applicable): W5SGGWBJCNM8. City and Subrecipient are sometimes each referred to as a "Party" and collectively "Parties."

RECITALS

WHEREAS, on March 11, 2021, President Biden signed the U.S. Senate-amended H.R. 1319 (P.L. 117-2) known as the American Rescue Plan Act (hereinafter "ARPA"); and

WHEREAS, In Pub. Law. 117-2, Subtitle M, Sec. 9901, (The American Rescue Act or "ARPA") the US Congress allocated money to local government for various purposes; and

WHEREAS, on May 10, 2021, the U.S. Treasury issued the Interim Final Rule to implement ARPA in Title 31, Part 35 of the Code of Federal Regulations ("CFR"); and

WHEREAS, under ARPA Section 603 (c)(1)(A) and (3) and the Interim Final Rule 31 CFR 35.6(b)(7) recipients may use Coronavirus Local Fiscal Recovery ("CLFR") Funds to award grants to nonprofit organizations that are responding to the negative economic impacts of the COVID-19 public health emergency; and

WHEREAS, under ARPA Section 603 (c)(1)(A) and the Interim Final Rule 31 CFR 35.6(b)(7) and (12) recipients may provide CLFR Funds to programs or services to disproportionately impacted communities; and

WHEREAS, the City desires to disburse funds from Project No. CI-2113 to the Subrecipient to administer the Project and perform certain services in connection therewith as set forth in this Agreement and in the Scope of Services attached hereto; and

WHEREAS, Subrecipient has represented to the City that is duly qualified, eligible and willing to undertake the Project and provide the services identified herein and in the Scope of Services attached hereto.

NOW, THEREFORE, in consideration of the foregoing recitals and in consideration of the terms and conditions set forth herein, the Parties hereto mutually agree as follows:

1. SCOPE OF SERVICES

Subrecipient agrees to satisfactorily perform and complete all services and items of work, and furnish all labor and materials encompassed within or reasonably necessary to accomplish the tasks and functions described in the Scope of Services attached hereto as Exhibit "A" and incorporated herein by reference, in full compliance with all provisions of this Agreement.

Administrative Costs as defined in 24 CFR 576.108 are not an eligible reimbursable cost offered to subrecipients.

This award is not for Research and Development.

2. BUDGET AND METHOD OF PAYMENT

- a. City will pay to Subrecipient an amount up to that specified in subparagraph (c) of this paragraph as full compensation for all services and work to be performed or undertaken by Subrecipient under this Agreement. Payment of funds to Subrecipient is subject to all of the following requirements, which shall be conditions precedent to payment:
 - i. That Subrecipient has expended funds for eligible approved expenditures;
 - ii. That Subrecipient is not in default of any material provision of this Agreement nor applicable law or regulation;
 - iii. That Subrecipient has timely submitted requests for payment or reimbursement detailing the eligible payment or reimbursement items in a format approved by City; and
 - iv. That Subrecipient has certified with each payment or reimbursement request compliance with the requirements identified in Exhibit "C" and that all expenditures for which reimbursement is sought were made for and in furtherance of the approved Project and are an eligible use of federal assistance under ARPA and federal regulations.
- b. Payment hereunder is also subject to and may only be disbursed in accordance with applicable Federal regulations including but not limited to those at 31 CFR Part 35, as presently promulgated and as same may be revised from time to time in the future, all other terms of this Agreement, and any special provisions in the Scope of Services. All payments received by Subrecipient hereunder are subject to repayment by Subrecipient as provided in 31 CFR Part 35.
- c. The aggregate of all payments made hereunder shall not exceed **two hundred and fifty thousand dollars and zero cents (\$250,000.00)**.
- d. Upon expiration of the term of this Agreement or upon any prior termination, Subrecipient shall transfer to City any funds provided hereunder which are on hand at the time of expiration or termination.

3. TERM OF PROJECT AND AGREEMENT

- a. PROJECT. The term of the Project shall be from the date this Agreement. The Project will be completed on June 30, 2024 unless this Agreement is sooner terminated as herein provided.
- b. AGREEMENT. The term of this Agreement shall be from the date this Agreement. The activities contemplated by this Agreement will be completed on or before June 30, 2024 unless sooner terminated as herein provided.

4. SUBRECIPIENT RECORDS

Subrecipient shall maintain records as to all services provided, reimbursable expenses incurred in performing the Scope of Services and complete accounting records. Accounting records shall be kept on a generally recognized accounting basis and as requested by any representee of the City. Subrecipient agrees to comply with all applicable uniform administrative requirements described or referenced in 31 CFR 35. The Compliance Provisions attached as Exhibit "B" hereto are made a part of this Agreement and Subrecipient agrees to perform and comply with same. The City, Comptroller General of the United States, the Inspector General of the U.S. Treasury and any of their authorized representatives, shall have the right to inspect and copy, during reasonable business hours, all books, documents, papers and records of the Subrecipient which relate to this Agreement for making an audit or examination. Upon completion of the work and end of the term of this Agreement, the City may require copies of all Subrecipient's financial records relating to this Agreement to be turned over to City.

The Subrecipient, which is a non-federal agency, that expends \$750,000 or more during the Subrecipient's fiscal year, shall have a single audit conducted for that year in accordance with the provisions 2 CFR 200, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards", "Super Circular", Audit shall be completed within nine (9) months of the Subrecipients audit period and a copy of the most recent audit shall be forwarded to the City within thirty (30) days of completion.

5. MONITORING AND EVALUATION

City and its consultants shall have the right to monitor and evaluate the progress and performance of Subrecipient to assure that the terms of this Agreement are being satisfactorily fulfilled in accordance with City's and other applicable monitoring and evaluation criteria and standards. City may at least quarterly review Subrecipient's performance using on-site visits, progress reports required to be submitted by Subrecipient, audit findings, disbursements transactions, and contact Subrecipient as necessary. Subrecipient shall furnish City quarterly program and financial reports of its activities in such form and manner as may be requested by the City. Subrecipient shall fully cooperate with the City in relation to training and education on requirements and attending training sessions as well as monitoring, evaluation, and audits.

6. PERFORMANCE REPORTING

City shall at least quarterly review Subrecipient's performance using on-site visits, progress reports required to be submitted by Subrecipient, audit findings, disbursements transactions and contact with the Subrecipient as necessary. Subrecipient shall furnish to City quarterly program performance and financial reports of its activities in such form and manner as may be requested by the City. Quarterly reports are due by last day of first month following the end of a quarter. Subrecipients shall fully cooperate with City in relation to such monitoring, evaluation, and audits.

7. SUBRECIPIENT FILES AND INFORMATION REPORTS

Subrecipient shall maintain files containing information which shall clearly document all activities performed in conjunction with this Agreement, including, but not limited to, financial transactions, conformance with assurances and activity reports. These records shall be retained by Subrecipient for a period of three years after the completion of the Project.

The Subrecipient shall keep accurate books and records of accounts in accordance with generally accepted accounting principles of all expenditures made and all costs and liabilities incurred utilizing Program Funds. The aforementioned accounts and all project records shall be made available upon request by the City or any other federal agency for examination and audit. All books and records of accounts must be retained for four (4) years from the date of this agreement.

8. ASSIGNABILITY

This Agreement shall not be assigned or transferred by the Subrecipient without the prior written consent of the City. Any assignment or attempted assignment made in violation of this provision shall, at City's election, be deemed void and of no effect whatsoever.

9. AVOIDANCE OF CONFLICT OF INTEREST

Subrecipient certifies and warrants that neither it nor any members of its Board of Directors, officers or employees has or will derive any personal or financial interest or benefit from the activity or activities assisted pursuant to this Agreement, nor has an interest in any contract,

subcontract or agreement with respect thereunto, nor the proceeds thereunder, either for themselves or for those with whom they have family or business ties, during their tenure and for one year thereafter. Subrecipient shall avoid all conflicts of interest which are prohibited by applicable federal regulations including but not limited to those set forth in 31 CFR Part 35 as presently promulgated and as same may be revised from time to time in the future.

10. INDEPENDENCE OF SUBRECIPIENT

Nothing herein contained nor the relationship of Subrecipient to City, which relationship is expressly declared to be that of an independent contractor, shall make or be construed to make Subrecipient or any of Subrecipient's agents or employees the agents or employees of the City. Subrecipient shall be solely and entirely responsible for its acts and the acts of its agents, employees and subcontractors

11. INDEMNIFICATION. LEGAL DISCLAIMER

Subrecipient and any and all of its personnel operating under the terms of this agreement are not to be considered agents or employees of the City for any purpose and are not entitled to any of the benefits that the City provides for the City's employees. Subrecipient covenants and agrees to, and does hereby, indemnify and hold harmless, to the extent permitted by law, defend the City, its agents, servants, or employees, from and against any and all claims for injuries or damages to persons or property of whatsoever kind of character, whether real or asserted, arising out of this agreement for the work to be performed hereunder. The Subrecipient hereby assumes all liability and responsibility for injuries, claims or suits for damages to persons or property of whatsoever kind or character, whether real or asserted, arising out of the performance.

Pursuant to Colorado Constitution Article XI, Sections 1 and 2 the City shall not indemnify or hold harmless Subrecipient, or any party related or operating under this Agreement with or without the City's consent. No provision in this Agreement shall limit or set the amount of damages available to the City to any amount other than the actual direct and indirect damages to the City, regardless of the theory or basis for such damages. Any provision included or incorporated herein by reference which purports to negate this provision in whole or in part shall not be valid or enforceable or available in any action at law or equity, whether by way of complaint, defense, or otherwise. Any provision rendered null and void by this provision shall not invalidate the remainder of the Agreement.

12. TERMINATION OF AGREEMENT

- a. For Cause: This Agreement may be terminated by City for cause, including any nonperformance by the Subrecipient, upon ten (10) days written notice to Subrecipient including a statement of the reasons therefore, and after an opportunity for a hearing has been afforded. If a hearing is requested, it shall be held before the City's Mayor whose decision shall be final. The determination of the City as to the cause of termination and the appropriateness thereof shall be final and binding upon both City and Subrecipient. Cause for termination shall include:
 - Improper use of funds;
 - Failure to comply with the terms and conditions of this Agreement;
 - Failure to comply with the terms and conditions of the Scope of Services, Exhibit A;
 - If, for any reason, this Agreement's performance is rendered impossible or unfeasible;
 - Failure to comply with applicable Federal, State, or local laws and regulations.
- b. For Convenience: This Agreement may be terminated by City for convenience upon ten (10) days written notice to Subrecipient, which decision shall not be subject to appeal.

- c. Post Expiration and Termination Procedures: Upon expiration or in the event of a prior termination, all remaining and unspent grant funds, shall immediately become the sole and separate property of the City and the Subrecipient shall perform all acts and execute all instruments necessary to transfer and assign such funds to the City. All finished or unfinished documents, data, studies, reports, and work product prepared by the Subrecipient under this Agreement or with grant funds shall, at the option of the City, become City's property.

13. LIABILITY

As to the City, Subrecipient agrees to assume the risk of all personal injury, including death and bodily injury, and damage to and destruction of property, including loss of use therefrom, caused by or sustained, in whole or in part, in conjunction with or arising out of the performance or nonperformance of this Agreement by Subrecipient or by the conditions created thereby. Subrecipient further agrees to indemnify and save harmless the City, its officers, agents and employees, from and against all claims, liabilities, costs, expenses, penalties and attorney fees arising from such injuries to persons or damages to property or based upon or arising out of the performance or nonperformance of this Agreement by Subrecipient or out of any violation by Subrecipient of any statute, ordinance, rule or regulation. Subrecipient shall be responsible for any injury to persons or damage to property to the extent arising from negligent or otherwise wrongful acts, errors and omissions of Artist, its agents, and employees.

14. INSURANCE

If Subrecipient and any sub-contractor of Subrecipient have employees Subrecipient and the sub-contractor(s) shall provide the appropriate certificates of insurance and Worker Compensation documents, at no cost to the City, as described in Exhibit "D". Subrecipient further agrees and understands that it, and any sub-contractor are to maintain and keep in force the appropriate insurance certificates throughout the term of this Agreement.

15. CERTIFICATIONS

Subrecipient agrees to execute and abide by the certifications contained in Exhibit "C" hereto, and Subrecipient's application for ARPA funds, both of which are hereby made a part of this Agreement. In the event of any conflict between the terms of this Agreement and Subrecipient's Application, this Agreement shall control.

16. REVERSION OF ASSETS

- a. Upon expiration of the term of this Agreement, or upon any prior termination, Subrecipient shall transfer to City any funds provided hereunder which are on hand at the time of expiration or termination.
- b. In the event City incurs any costs or expenses in enforcing the requirements of this paragraph or in bringing any action to recover the property or amount of any repayment obligation, City shall be entitled to recover its costs and expenses, including reasonable attorney's fees.

17. RESPONSIBILITIES OF SUBRECIPIENT

Subrecipient warrants and represents that it:

- a. Has the requisite authority and capacity to perform all terms and conditions on Subrecipient's part to be performed hereunder;
- b. That it is duly organized as a non-profit organization under state law and is in good standing with the Secretary of State of Colorado;

- c. That it is a nonprofit organization exempt from Federal income taxation under Section 501(c)(3) of the Internal Revenue Code;
- d. That it is fully aware of and understands its duty to perform all functions and services in accordance with the regulatory requirements of 31 CFR Part 35 and those identified in Exhibit "C" hereto; and
- e. That it is accepting federal financial assistance hereunder subject to certain mandatory repayment provisions.

18. RESPONSIBILITIES OF THE CITY

- a. City shall provide Subrecipient with the information necessary to facilitate the performance of this Agreement;
- b. Give prompt notice to Subrecipient when the City becomes aware or observes of any deficiencies or discrepancies in the services provided.

19. ENTIRE AGREEMENT; AMENDMENTS

The provisions set forth in this Agreement, and all Exhibits and attachments to this Agreement, constitute the entire and complete agreement of the parties hereto and supersede all prior written and oral agreements, understandings or representations related thereto. No amendment or modification of this Agreement, and no waiver of any provisions of this Agreement shall be binding unless made in writing and executed by the duly authorized officers of both the Subrecipient and City

20. NOTICES

Notices, as referred to in this Agreement, shall be sent to:

21. LOBBYING

Subrecipient certifies that no Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the Subrecipient shall complete and submit the Standard Form LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

Subrecipient shall require that the language of this certification be included in the award documents for all sub awards at all tiers including subcontracts, sub grants, and contracts under grants, loans, and cooperative agreements and that all referenced shall certify and disclose accordingly.

22. EQUAL EMPLOYMENT OPPORTUNITY/NONDISCRIMINATION.

Subrecipient shall not discriminate against any employee, applicant for employment, contractor, or subcontractor because of race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. The Subrecipient shall adhere to acceptable affirmative action guidelines in selecting employees and contractors and shall ensure that employees and contractors receive fair treatment during employment or agreement, without regard to their race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.

The Subrecipient shall not discriminate because of race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status in Subrecipient services, activities, accommodations, or facility use. The Subrecipient shall adhere to and assure that employment and activity programming are conducted such that all individuals and groups, clients, participants, and/or employees will be treated equally without regard to their race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. The Subrecipient understands and agrees that any act of discrimination based upon race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status may jeopardize grant funding to the Subrecipient and may be subject to loss of funding, reimbursement of funds allocated, or denial of future funds.

23. SIGNATURES

The persons signing this Agreement on behalf of Subrecipient represent and warrant that such persons and Subrecipient have the requisite power and authority to enter, execute and deliver this Agreement and that this Agreement is a valid and legally binding obligation of Subrecipient enforceable against Subrecipient in accordance with its terms.

IN WITNESS, WHEREOF, the Subrecipient and the City have executed this Agreement as of the date first above written and under the laws of the State of Colorado.

SCOPE OF SERVICES

A. Principal Tasks

Title of project/program

Peoria Dental Clinic Renovation

Description of project/program

STRIDE's Peoria Dental clinic operates out of STRIDE's largest health care facility located at 3292 Peoria St, Aurora, CO 80010. This dental clinic is essential to providing oral health care to Aurora's low-income community. Peoria Dental clinic offers routine dental services including, exams, cleaning diagnostic x-rays, adult and child prophylaxis, periodontal maintenance, scaling and root planning, sealants, fluoride application, silver diamine fluoride applications, composite and amalgam fillings, crowns, bridges, interim therapeutic restorations, anterior root canals, posterior root canals, simple extractions, partial dentures, full dentures, anesthesia, stainless steel crowns, emergency telehealth visits, post-op checkups, denture consult and external referrals. STRIDE's Peoria Dental department is staffed with 2.6 FTE Doctor of Dental Surgery (DDS), 1.8 FTE Registered Dental Hygienist (RDH), and 4.3 FTE Dental Assistants (DA). In 2022, STRIDE's Peoria Dental Clinic has held 4,287 appointments. At Peoria, appointment times range between thirty to ninety minutes – the most common being around sixty minutes. A STRIDE dentist typically sees around 13 patients/day when working 8 hours and 17 patients/day when working 10 hours. A hygienist typically sees around 6 patients/day when working 8 hours and 9 patients/day when working 10 hours and pediatric dentists typically sees around 18 patients/day when working 8 hours and 22 patients/day when working 10 hours. Peoria Dental Clinic averages about 90-100 patients/day when the clinic is fully staffed and functional. The majority of these patients are some of Aurora's most vulnerable individuals and families who are also underinsured. STRIDE Dental Department anticipates serving at least 6,849 individual dental patients at its Peoria Dental Clinic location in 2023. Because of the influx of patients needing care after avoiding dental services and treatments

from 2020-2022, it was essential that the department invest in updating its facilities in anticipation of community need. While STRIDE operates from an annual budget of 53 million, Peoria Dental Department has an annual operations budget runs on less than .9% of that total. STRIDE believes that Aurora patients deserve the most comfortable care and are committed to meet that need as oral health access becomes more critical than ever.

Describe your project/program timeline and anticipated schedule of completion.

Construction Timeline: Meetings and Strategic Discussions: December 2021- February 2022 Board Discussion and Decision: February 2022 C8E HRSA Funds 10 Dental Chairs: February 2022 RFP Issued: February 2022 Letter of Intent Due: March 2022 Contract Questions to STRIDE Due: March 2022 Applications Due: March 2022 Notification of Finalists: April 2022 Bid Selection of Pinkard Construction: May 2022 Board and Senior Leadership Team Funding Decision: June 2022 Construction: September 2022 Project Completion: December 2022 Patient Impact Collected: Jan 2023- June 2024 Patient Experience during Peoria Construction: During construction, STRIDE will open all fixed dental facilities, including West Arvada Dental in 08/2022, for the first time since 2020 – increasing access to our South and West Regions. STRIDE's dentist, Dr. Chandrasekaran will be located at the nearest facility, STRIDE CHC – Delmar Dental, offering the same scope of service and creating the least disruption to patient care. Due to the construction, the organization will reopen three local sites for dental services previously shut down due to staffing shortages cause by the pandemic: STRIDE CHC – Parker Dental, STRIDE CHC – West Arvada Dental & STRIDE CHC – Chambers & Hampden Dental. During construction, the department is working to rehire the staff needed to fully ramp up oral health services at all six dental sites and improve oral health services for the most vulnerable populations in the community. Additionally, during Peoria construction STRIDE will help Aurora dental patients receive care and reduce barriers to traveling to dental clinics other than Peoria through Specialty Care Management Department efforts, specifically Dental Care Managers, to ensure patients' barriers to care are being addressed. Providers send messages in STRIDE's EMR to alert the Dental Care Manager for follow up with any dental patients in need of transportation support.

How will you measure the success and impact of this program or project?

During construction operations and human resources will work to fill dental staff gaps and outreach to the Aurora Community to encourage the return of patients to their established oral health provider and connect new patients to necessary care. After construction, STRIDE will carefully survey clinic data using the Electronic Health Record system in place to collect, pull and share the impact of this project. Successful indicators in 2023 at the Peoria Clinic: Increase in dental visits and patient retention that compare to pre-COVID data Increase in acquisition and retention of dental staff Increase in safe air quality for patients due to new HVAC system Increase in efficient suctioning and water delivering to patients Increase comfort for patients and staff Increase in wrap-around services and health interventions Increase in preventative oral health services due to increase in patient visits Decrease Emergency Department visits due to prolonged or untreated dental conditions as a result of missed visits during the pandemic.

B. Approved Budget

The **approved budget** during the term of this agreement is attached at this link: [Link to Project Budget \(https://arpaauroracityco.powerappsportals.com/entity/annotation/e173af37-3a55-ed11-bba2-000d3a31c665/8b5363e0-c903-ed11-82e4-002248087522\)](https://arpaauroracityco.powerappsportals.com/entity/annotation/e173af37-3a55-ed11-bba2-000d3a31c665/8b5363e0-c903-ed11-82e4-002248087522).

Changes in the scope of services, budget, or method of compensation contained in this Agreement, unless otherwise noted, may only be made through a written amendment to this Agreement, executed by the Subrecipient and the City.

C. Performance Monitoring

The City and its consultants will monitor the performance of the Subrecipient according to the Principal Tasks and Budget set forth herein. Subrecipient shall fully cooperate with the City in relation to training and education on requirements and attending training sessions as well as monitoring, evaluation, and audits. Substandard performance shall mean non-compliance with this Agreement. If actions to correct such substandard performance are not taken by the Subrecipient within a reasonable period of time after being so notified by the City, contract suspension or termination procedures may be initiated, in the sole discretion of the City.

EXHIBIT B

COMPLIANCE PROVISIONS INCORPORATED IN THE SUBRECIPIENT AGREEMENT

1. An accounting system using the accrual basis of generally accepted accounting principles which accurately reflects all costs chargeable (paid and unpaid) to the Project is mandatory. A receipts and disbursements ledger must be maintained. A general ledger with an income and expense account for each budgeted line item is necessary. Paid invoices revealing check number, date paid, and item is necessary. Similarly, cash receipts for the payment of wages is mandatory. Paid invoices revealing check number, date paid, and evidence of goods or services received are to be filed per the expense account they were charged. The City must review and approve your account system and internal controls prior to the release of funds.
2. There is no flexibility on budgets. Line items may be changed only by the City's written concurrence of a budget amendment.
3. Eligible expenses are those considered reasonable and necessary costs for the efficient operation of the Project as determined by the City. All costs must be budgeted items. Request for advance or reimbursements of expenses must be accompanied by:
 1. Original invoice marked with funding source
 2. Detailed listing of each expense showing:
 - a. recipient
 - b. brief description of purchase
 - c. amount with method of computation detailed
 - d. how expense meets program goal per approved proposalCost Summary must be submitted monthly to reflect entries through the closing date for the books (indicate Closing Date on Cost Summary).
4. The City shall not be obligated to any third-party contractors of the Subrecipient. The subrecipient is further cautioned against obligating funds beyond the contract date of the agreement between the City and the Subrecipient.
5. The Subrecipient will furnish the City such statements, records, data and information, and permit such interviews with personnel as the City may request to effectively monitor and evaluate the project.

6. City auditors will periodically make interim audits and may, upon completion of the Project, make a final audit.
7. All records must be retained by the Subrecipient for a period of three years following the last day of the Agreement. (Cost summary reports must reflect actual general ledger balances.)

EXHIBIT C

CERTIFICATIONS

Subrecipient hereby certifies that the grant will be conducted and administered in compliance with:

1. Title VII of the Civil Rights Act of 1964 (Pub. L. 88-352; 42 U.S.C. 2000d, et seq.) and implementing regulations issued at 24 CFR Part 1;
2. Title VIII of the Civil Rights Act of 1968 (Pub. L. 90-284; 42 U.S.C. 3601, et seq.), as amended; and that the subrecipient will administer all programs and activities related to housing and community development in a manner to affirmatively further fair housing;
3. Section 109 of the Housing and Community Development Act of 1974, as amended; and the regulations issued pursuant thereto;
4. Section 3 of the Housing and Urban Development Act of 1968, as amended;
5. Executive Order 11246, as amended by Executive Orders 11375 and 12086, and implementing regulations issued at 41 CFR Chapter 60;
6. Executive Order 11063, as amended by Executive Orders 12259, and implementing regulations at 24 CFR Part 107;
7. Section 504 of the Rehabilitation Act of 1973 (Pub. L. 93-112), as amended, and implementing regulations when published for effect;
8. The Age Discrimination in Employment Act of 1975 (Pub. L. 94-135), as amended, and implementing regulations when published for effect;
9. The Subrecipient, as applicable to a governmental or nongovernmental agency, shall comply with the requirements and standards of 2 CFR Chapter I, and Chapter II, Parts 200, 215, 220, 225 and 230, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards" aka "Super Circular"; and shall comply with applicable sections of 79 FR 75871 "Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments".
10. Executive Order 11988 relating to the evaluation of flood hazards and Executive Order 11288 relating to the prevention, control and abatement of water pollution;
11. The flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (Pub. L. 93-234);
12. The applicable regulations, policies, guidelines and requirements of OMB Circular Nos. A-102, Revised, 24 CFR 85 and Subpart J of 24 CFR 570, A-87, A-110, A-122, A-128 and A-133 as they relate to the acceptance and use of federal funds under this federally-assisted program;

13. The Clean Air Act (42 U.S.C. 7401 et.seq.) as amended; particularly section 176 (c) and (d) [42 U.S.C. 7506 (c) and (d)];
14. The Safe Drinking Water Act of 1974 (42 U.S.C. 201, 300 (f) et.seq., and 21 U.S.C. 349) as amended; particularly section 1424 (e) (42 U.S.C. 300 (h)-303 (e));
15. The Endangered Species Act of 1973 (16 U.S.C. 1531 et. Seq.) as amended; including but not limited to section 7 (16 U.S.C. 1536) thereof;
16. The Reservoir Salvage Act of 1960 916 U.S.C. 469 et.seq.); particularly section 3 (16 U.S.C. 469a-1); as amended by the Archeological and Historical Preservation Act of 1974;
17. Flood Disaster Protection Act of 1973 (42 U.S.C. 4001 et.seq.) as amended; particularly sections 102(a) and 202(a) [42 U.S.C. 4012a(a) and 4106(a)];
18. Executive order 11990, Protection of Wetlands, May 24, 1977 (42 FR 26961 et. Seq.); particularly sections 2 and 5;
19. Lead-Based Paint Poisoning Prevention requirements of 25 CFR Part 35 issued pursuant to the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4821 et.seq.);
20. The National Historic Preservation Act of 1966 (16 U.S.C. 470 et seq.) as amended; particularly section 106 (16 U.S.C. 470f); and
21. Executive Order 11593, Protection and Enhancement of the Cultural Environment, May 13, 1971 (36 FR 8921 et seq.); particularly section 2(c).
22. Construction work financed in whole or in part with federal funds is subject to the prevailing wage requirements of the Davis-Bacon Act (29 CFR, Parts 3 and 5), the Copeland Act (29 CFR Part 3), and the Contract Work Hours and Safety Standards Act (Public Law 91-54, 83 Stat. 96). When a project meets this applicability requirement, the labor standards provision of the HUD 4010 and the Davis Bacon Wage Decision issued for the project will be incorporated into this contract document and shall be incorporated into all construction contracts and subcontracts of any tier thereunder.
23. No ARPA funds may be expended for lobbying purposes and payments from other sources for lobbying must be disclosed (24 CFR Part 87).
 - a. No federally appropriated funds have been or will be paid, by or on behalf of subrecipient, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.
 - b. If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, 14 a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.
24. Where asbestos is present in property undergoing rehabilitation, Federal requirements apply regarding worker exposure, abatement procedures and disposal. (CPD-90-44 EPA/OSHA).

EXHIBIT D

INSURANCE REQUIREMENTS

During the term of this Agreement and until final acceptance by the City of all work covered by the Agreement, Subrecipient performing services under this Agreement shall provide, pay for and maintain in full force and effect the types and minimum limits of insurance, as indicated below, covering the Subrecipient, their employees, subcontractors or representatives, along with: the activities of any and all subcontractors retained by the Subrecipient or Subcontractors, the activities of anyone employed by any Subrecipient, Subcontractors, their representatives or anyone for whose acts they may be liable.

Commercial General Liability Insurance. Subrecipient shall maintain commercial general liability insurance covering all operations by or on behalf of Subrecipient on a per occurrence basis against claims for personal injury (including bodily injury and death) and property damage (including loss of use). Coverage will include, if appropriate for the scope of services: Products and Completed Operations, Contractual Liability and a Waiver of Subrogation. The City, its elected and appointed officials, employees, agents and representatives shall be named as Additional Insureds by endorsement.

Minimum limits:

\$1,000,000 each occurrence

\$2,000,000 general aggregate

\$2,000,000 products and completed

Commercial Automobile Liability Insurance. Subrecipient shall maintain business automobile liability covering liability arising out of the operation of any vehicle (including owned, non-owned and hired vehicles) with minimum limits of \$1,000,000 combined single limit each accident, naming the City as an Additional Insured by endorsement.

Workers' Compensation and Employers Liability Insurance. Subrecipient shall maintain Worker's Compensation Insurance with limits in accordance with the provisions of the Workers' Compensation Act, as amended, by the State of Colorado. Additionally, Subrecipient shall maintain Employers Liability Insurance with minimum limits of \$500,000 bodily injury for each accident, \$100,000 bodily injury by disease each employee and \$500,000 bodily injury disease aggregate. If Subrecipient does not have employees, Subrecipient will provide a written statement indicating that it has no employees and is not subject to the provisions of Colorado Workers' Compensation Act.

If Subrecipient engages services of a subcontractor, Subrecipient is responsible for verifying that the subcontractor's insurance meets the insurance requirements set forth above and that it is in effect prior to and throughout performance of work under this agreement. Any subcontractor who ceases to provide insurance coverage as set forth above must be removed from the project until such time that insurance coverage can be verified as in full force and effect.

Limits of Insurance. The total limits of general and excess liability insurance set forth above may be provided to the City using a combination of primary and excess liability insurance.

Additional Insured and Waiver of Subrogation. Subrecipient shall name the City of Aurora, its elected and appointed officials, employees, agents and representatives as additional insureds by endorsement and provide a waiver of subrogation for the Commercial General Liability and Auto Liability insurance policies. The certificate of insurance will include these specific requirements along with a copy of the relevant endorsements.

Certificates of Insurance. Upon the execution of this Agreement, Subrecipient shall provide certificates of insurance to the City demonstrating that at the minimum coverages required herein are in effect. Subrecipient agrees that the required coverages will not be reduced, canceled, non-renewed or materially changed without Thirty (30) days prior written notice to the City. All certificates of insurance must be kept in force throughout the duration of the services. If any of Subrecipient's or its subcontractor's coverage is renewed at any time prior to completion of the services, Subrecipient shall be responsible for obtaining updated insurance certificates for itself and such subcontractor from the respective insurance carriers and forwarding the replacement certificates to the City within five (5) days of the expiration date of any previously delivered certificate.

The minimum A.M. Best rating of each primary insurer shall be A- VIII and the minimum A.M. Best rating of each excess insurer shall be A- VII. The Subrecipient shall provide copies of insurance policies to the City Risk Manager upon request.

Any of the minimum limits of insurance set out herein may be raised or lowered at the sole discretion of the Risk Manager for the City in response to the particular circumstances giving rise to the contract. Subrecipient's policy will be primary and non-contributory with respect to any and all insurance policies purchased by the City.

In the event that the contract involves professional or consulting services, in addition to the aforementioned insurance requirements, the contract shall also be protected by a Professional Liability Insurance policy as set forth below:

Professional Liability Insurance. Subrecipient shall maintain professional liability insurance with minimum limits of One Million Dollars (\$1,000,000), covering those claims which arise out of the negligent acts or omissions of the Subrecipient, its Subcontractor and any other parties for whom it may be liable including without limitation, bodily injury, personal injury, property damage and including a contractual liability endorsement specifically applicable to the insurable indemnity obligations set forth herein which Professional Liability Insurance shall be carried on a claims-made basis maintained in full force and effect for the term of this Agreement and, to the extent possible, for a minimum period of Three (3) years after the completion of any and all of Subrecipient's Services hereunder. Any retroactive date or prior acts exclusion to which such coverage is subject shall pre-date both the date upon which any services hereunder are commenced and the date of this Agreement. In the event that coverage is renewed during the original term of any subsequent term of this agreement, endorsement(s) for the new policy(ies) shall be delivered within ten (10) days of the expiration date of any previously delivered certificate.

SUBRECIPIENT AGREEMENT

CORONAVIRUS STATE FISCAL RECOVERY - ARPA FUNDS ASSISTANCE LISTING NUMBER (formerly CFDA): 21-027

FAIN:

THIS SUBRECIPIENT AGREEMENT ("Agreement") is made and entered into this Fourteenth day of November 2022, by and between the City of Aurora, Colorado, a Colorado municipal corporation, hereinafter referred to as the "City" and Mi Casa Resource Center, a Colorado nonprofit corporation, hereinafter referred to as the "Subrecipient" UEI (if applicable): V7JZYNTG71D5. City and Subrecipient are sometimes each referred to as a "Party" and collectively "Parties."

RECITALS

WHEREAS, on March 11, 2021, President Biden signed the U.S. Senate-amended H.R. 1319 (P.L. 117-2) known as the American Rescue Plan Act (hereinafter "ARPA"); and

WHEREAS, In Pub. Law. 117-2, Subtitle M, Sec. 9901, (The American Rescue Act or "ARPA") the US Congress allocated money to local government for various purposes; and

WHEREAS, on May 10, 2021, the U.S. Treasury issued the Interim Final Rule to implement ARPA in Title 31, Part 35 of the Code of Federal Regulations ("CFR"); and

WHEREAS, under ARPA Section 603 (c)(1)(A) and (3) and the Interim Final Rule 31 CFR 35.6(b)(7) recipients may use Coronavirus Local Fiscal Recovery ("CLFR") Funds to award grants to nonprofit organizations that are responding to the negative economic impacts of the COVID-19 public health emergency; and

WHEREAS, under ARPA Section 603 (c)(1)(A) and the Interim Final Rule 31 CFR 35.6(b)(7) and (12) recipients may provide CLFR Funds to programs or services to disproportionately impacted communities; and

WHEREAS, the City desires to disburse funds from Project No. CI-2113 to the Subrecipient to administer the Project and perform certain services in connection therewith as set forth in this Agreement and in the Scope of Services attached hereto; and

WHEREAS, Subrecipient has represented to the City that is duly qualified, eligible and willing to undertake the Project and provide the services identified herein and in the Scope of Services attached hereto.

NOW, THEREFORE, in consideration of the foregoing recitals and in consideration of the terms and conditions set forth herein, the Parties hereto mutually agree as follows:

1. SCOPE OF SERVICES

Subrecipient agrees to satisfactorily perform and complete all services and items of work, and furnish all labor and materials encompassed within or reasonably necessary to accomplish the tasks and functions described in the Scope of Services attached hereto as Exhibit "A" and incorporated herein by reference, in full compliance with all provisions of this Agreement.

Administrative Costs as defined in 24 CFR 576.108 are not an eligible reimbursable cost offered to subrecipients.

This award is not for Research and Development.

2. BUDGET AND METHOD OF PAYMENT

- a. City will pay to Subrecipient an amount up to that specified in subparagraph (c) of this paragraph as full compensation for all services and work to be performed or undertaken by Subrecipient under this Agreement. Payment of funds to Subrecipient is subject to all of the following requirements, which shall be conditions precedent to payment:
 - i. That Subrecipient has expended funds for eligible approved expenditures;
 - ii. That Subrecipient is not in default of any material provision of this Agreement nor applicable law or regulation;
 - iii. That Subrecipient has timely submitted requests for payment or reimbursement detailing the eligible payment or reimbursement items in a format approved by City; and
 - iv. That Subrecipient has certified with each payment or reimbursement request compliance with the requirements identified in Exhibit "C" and that all expenditures for which reimbursement is sought were made for and in furtherance of the approved Project and are an eligible use of federal assistance under ARPA and federal regulations.
- b. Payment hereunder is also subject to and may only be disbursed in accordance with applicable Federal regulations including but not limited to those at 31 CFR Part 35, as presently promulgated and as same may be revised from time to time in the future, all other terms of this Agreement, and any special provisions in the Scope of Services. All payments received by Subrecipient hereunder are subject to repayment by Subrecipient as provided in 31 CFR Part 35.
- c. The aggregate of all payments made hereunder shall not exceed **one hundred and fifty-two thousand nine hundred and five dollars and zero cents (\$152,905.00)**.
- d. Upon expiration of the term of this Agreement or upon any prior termination, Subrecipient shall transfer to City any funds provided hereunder which are on hand at the time of expiration or termination.

3. TERM OF PROJECT AND AGREEMENT

- a. PROJECT. The term of the Project shall be from the date this Agreement. The Project will be completed on June 30, 2024 unless this Agreement is sooner terminated as herein provided.
- b. AGREEMENT. The term of this Agreement shall be from the date this Agreement. The activities contemplated by this Agreement will be completed on or before June 30, 2024 unless sooner terminated as herein provided.

4. SUBRECIPIENT RECORDS

Subrecipient shall maintain records as to all services provided, reimbursable expenses incurred in performing the Scope of Services and complete accounting records. Accounting records shall be kept on a generally recognized accounting basis and as requested by any representee of the City. Subrecipient agrees to comply with all applicable uniform administrative requirements described or referenced in 31 CFR 35. The Compliance Provisions attached as Exhibit "B" hereto are made a part of this Agreement and Subrecipient agrees to perform and comply with same. The City, Comptroller General of the United States, the Inspector General of the U.S. Treasury and any of their authorized representatives, shall have the right to inspect and copy, during reasonable business hours, all books, documents, papers and records of the Subrecipient which relate to this Agreement for making an audit or examination. Upon completion of the work and end of the term of this Agreement, the City may require copies of all Subrecipient's financial records relating to this Agreement to be turned over to City.

The Subrecipient, which is a non-federal agency, that expends \$750,000 or more during the Subrecipient's fiscal year, shall have a single audit conducted for that year in accordance with the provisions 2 CFR 200, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards", "Super Circular", Audit shall be completed within nine (9) months of the Subrecipients audit period and a copy of the most recent audit shall be forwarded to the City within thirty (30) days of completion.

5. MONITORING AND EVALUATION

City and its consultants shall have the right to monitor and evaluate the progress and performance of Subrecipient to assure that the terms of this Agreement are being satisfactorily fulfilled in accordance with City's and other applicable monitoring and evaluation criteria and standards. City may at least quarterly review Subrecipient's performance using on-site visits, progress reports required to be submitted by Subrecipient, audit findings, disbursements transactions, and contact Subrecipient as necessary. Subrecipient shall furnish City quarterly program and financial reports of its activities in such form and manner as may be requested by the City. Subrecipient shall fully cooperate with the City in relation to training and education on requirements and attending training sessions as well as monitoring, evaluation, and audits.

6. PERFORMANCE REPORTING

City shall at least quarterly review Subrecipient's performance using on-site visits, progress reports required to be submitted by Subrecipient, audit findings, disbursements transactions and contact with the Subrecipient as necessary. Subrecipient shall furnish to City quarterly program performance and financial reports of its activities in such form and manner as may be requested by the City. Quarterly reports are due by last day of first month following the end of a quarter. Subrecipients shall fully cooperate with City in relation to such monitoring, evaluation, and audits.

7. SUBRECIPIENT FILES AND INFORMATION REPORTS

Subrecipient shall maintain files containing information which shall clearly document all activities performed in conjunction with this Agreement, including, but not limited to, financial transactions, conformance with assurances and activity reports. These records shall be retained by Subrecipient for a period of three years after the completion of the Project.

The Subrecipient shall keep accurate books and records of accounts in accordance with generally accepted accounting principles of all expenditures made and all costs and liabilities incurred utilizing Program Funds. The aforementioned accounts and all project records shall be made available upon request by the City or any other federal agency for examination and audit. All books and records of accounts must be retained for four (4) years from the date of this agreement.

8. ASSIGNABILITY

This Agreement shall not be assigned or transferred by the Subrecipient without the prior written consent of the City. Any assignment or attempted assignment made in violation of this provision shall, at City's election, be deemed void and of no effect whatsoever.

9. AVOIDANCE OF CONFLICT OF INTEREST

Subrecipient certifies and warrants that neither it nor any members of its Board of Directors, officers or employees has or will derive any personal or financial interest or benefit from the activity or activities assisted pursuant to this Agreement, nor has an interest in any contract,

subcontract or agreement with respect thereunto, nor the proceeds thereunder, either for themselves or for those with whom they have family or business ties, during their tenure and for one year thereafter. Subrecipient shall avoid all conflicts of interest which are prohibited by applicable federal regulations including but not limited to those set forth in 31 CFR Part 35 as presently promulgated and as same may be revised from time to time in the future.

10. INDEPENDENCE OF SUBRECIPIENT

Nothing herein contained nor the relationship of Subrecipient to City, which relationship is expressly declared to be that of an independent contractor, shall make or be construed to make Subrecipient or any of Subrecipient's agents or employees the agents or employees of the City. Subrecipient shall be solely and entirely responsible for its acts and the acts of its agents, employees and subcontractors

11. INDEMNIFICATION. LEGAL DISCLAIMER

Subrecipient and any and all of its personnel operating under the terms of this agreement are not to be considered agents or employees of the City for any purpose and are not entitled to any of the benefits that the City provides for the City's employees. Subrecipient covenants and agrees to, and does hereby, indemnify and hold harmless, to the extent permitted by law, defend the City, its agents, servants, or employees, from and against any and all claims for injuries or damages to persons or property of whatsoever kind of character, whether real or asserted, arising out of this agreement for the work to be performed hereunder. The Subrecipient hereby assumes all liability and responsibility for injuries, claims or suits for damages to persons or property of whatsoever kind or character, whether real or asserted, arising out of the performance.

Pursuant to Colorado Constitution Article XI, Sections 1 and 2 the City shall not indemnify or hold harmless Subrecipient, or any party related or operating under this Agreement with or without the City's consent. No provision in this Agreement shall limit or set the amount of damages available to the City to any amount other than the actual direct and indirect damages to the City, regardless of the theory or basis for such damages. Any provision included or incorporated herein by reference which purports to negate this provision in whole or in part shall not be valid or enforceable or available in any action at law or equity, whether by way of complaint, defense, or otherwise. Any provision rendered null and void by this provision shall not invalidate the remainder of the Agreement.

12. TERMINATION OF AGREEMENT

- a. For Cause: This Agreement may be terminated by City for cause, including any nonperformance by the Subrecipient, upon ten (10) days written notice to Subrecipient including a statement of the reasons therefore, and after an opportunity for a hearing has been afforded. If a hearing is requested, it shall be held before the City's Mayor whose decision shall be final. The determination of the City as to the cause of termination and the appropriateness thereof shall be final and binding upon both City and Subrecipient. Cause for termination shall include:
 - Improper use of funds;
 - Failure to comply with the terms and conditions of this Agreement;
 - Failure to comply with the terms and conditions of the Scope of Services, Exhibit A;
 - If, for any reason, this Agreement's performance is rendered impossible or unfeasible;
 - Failure to comply with applicable Federal, State, or local laws and regulations.
- b. For Convenience: This Agreement may be terminated by City for convenience upon ten (10) days written notice to Subrecipient, which decision shall not be subject to appeal.

- c. Post Expiration and Termination Procedures: Upon expiration or in the event of a prior termination, all remaining and unspent grant funds, shall immediately become the sole and separate property of the City and the Subrecipient shall perform all acts and execute all instruments necessary to transfer and assign such funds to the City. All finished or unfinished documents, data, studies, reports, and work product prepared by the Subrecipient under this Agreement or with grant funds shall, at the option of the City, become City's property.

13. LIABILITY

As to the City, Subrecipient agrees to assume the risk of all personal injury, including death and bodily injury, and damage to and destruction of property, including loss of use therefrom, caused by or sustained, in whole or in part, in conjunction with or arising out of the performance or nonperformance of this Agreement by Subrecipient or by the conditions created thereby. Subrecipient further agrees to indemnify and save harmless the City, its officers, agents and employees, from and against all claims, liabilities, costs, expenses, penalties and attorney fees arising from such injuries to persons or damages to property or based upon or arising out of the performance or nonperformance of this Agreement by Subrecipient or out of any violation by Subrecipient of any statute, ordinance, rule or regulation. Subrecipient shall be responsible for any injury to persons or damage to property to the extent arising from negligent or otherwise wrongful acts, errors and omissions of Artist, its agents, and employees.

14. INSURANCE

If Subrecipient and any sub-contractor of Subrecipient have employees Subrecipient and the sub-contractor(s) shall provide the appropriate certificates of insurance and Worker Compensation documents, at no cost to the City, as described in Exhibit "D". Subrecipient further agrees and understands that it, and any sub-contractor are to maintain and keep in force the appropriate insurance certificates throughout the term of this Agreement.

15. CERTIFICATIONS

Subrecipient agrees to execute and abide by the certifications contained in Exhibit "C" hereto, and Subrecipient's application for ARPA funds, both of which are hereby made a part of this Agreement. In the event of any conflict between the terms of this Agreement and Subrecipient's Application, this Agreement shall control.

16. REVERSION OF ASSETS

- a. Upon expiration of the term of this Agreement, or upon any prior termination, Subrecipient shall transfer to City any funds provided hereunder which are on hand at the time of expiration or termination.
- b. In the event City incurs any costs or expenses in enforcing the requirements of this paragraph or in bringing any action to recover the property or amount of any repayment obligation, City shall be entitled to recover its costs and expenses, including reasonable attorney's fees.

17. RESPONSIBILITIES OF SUBRECIPIENT

Subrecipient warrants and represents that it:

- a. Has the requisite authority and capacity to perform all terms and conditions on Subrecipient's part to be performed hereunder;
- b. That it is duly organized as a non-profit organization under state law and is in good standing with the Secretary of State of Colorado;

- c. That it is a nonprofit organization exempt from Federal income taxation under Section 501(c)(3) of the Internal Revenue Code;
- d. That it is fully aware of and understands its duty to perform all functions and services in accordance with the regulatory requirements of 31 CFR Part 35 and those identified in Exhibit "C" hereto; and
- e. That it is accepting federal financial assistance hereunder subject to certain mandatory repayment provisions.

18. RESPONSIBILITIES OF THE CITY

- a. City shall provide Subrecipient with the information necessary to facilitate the performance of this Agreement;
- b. Give prompt notice to Subrecipient when the City becomes aware or observes of any deficiencies or discrepancies in the services provided.

19. ENTIRE AGREEMENT; AMENDMENTS

The provisions set forth in this Agreement, and all Exhibits and attachments to this Agreement, constitute the entire and complete agreement of the parties hereto and supersede all prior written and oral agreements, understandings or representations related thereto. No amendment or modification of this Agreement, and no waiver of any provisions of this Agreement shall be binding unless made in writing and executed by the duly authorized officers of both the Subrecipient and City

20. NOTICES

Notices, as referred to in this Agreement, shall be sent to:

City

Subrecipient
 Mi Casa Resource Center
 345 S. Grove St.
 Denver, CO 80219

21. LOBBYING

Subrecipient certifies that no Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the Subrecipient shall complete and submit the Standard Form LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

Subrecipient shall require that the language of this certification be included in the award documents for all sub awards at all tiers including subcontracts, sub grants, and contracts under grants, loans, and cooperative agreements and that all referenced shall certify and disclose accordingly.

22. EQUAL EMPLOYMENT OPPORTUNITY/NONDISCRIMINATION.

Subrecipient shall not discriminate against any employee, applicant for employment, contractor, or subcontractor because of race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. The Subrecipient shall adhere to acceptable affirmative action guidelines in selecting employees and contractors and shall ensure that employees and contractors receive fair treatment during employment or agreement, without regard to their race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.

The Subrecipient shall not discriminate because of race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status in Subrecipient services, activities, accommodations, or facility use. The Subrecipient shall adhere to and assure that employment and activity programming are conducted such that all individuals and groups, clients, participants, and/or employees will be treated equally without regard to their race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. The Subrecipient understands and agrees that any act of discrimination based upon race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status may jeopardize grant funding to the Subrecipient and may be subject to loss of funding, reimbursement of funds allocated, or denial of future funds.

23. SIGNATURES

The persons signing this Agreement on behalf of Subrecipient represent and warrant that such persons and Subrecipient have the requisite power and authority to enter, execute and deliver this Agreement and that this Agreement is a valid and legally binding obligation of Subrecipient enforceable against Subrecipient in accordance with its terms.

IN WITNESS, WHEREOF, the Subrecipient and the City have executed this Agreement as of the date first above written and under the laws of the State of Colorado.

CITY OF AURORA, COLORADO

JAMES M. TWOMBLY,
City Manager

SCOPE OF SERVICES

A. Principal Tasks

Title of project/program

Business Pathways

Description of project/program

Business Pathways offers ongoing services to meet the needs of small business owners. Assessment – Consultants conduct a business health assessment. We assess and identify risk factors associated with cash flow, business development, and regulatory shifts due to the crisis. Navigation – MCRC connects business owners to basic needs supports – food, health, housing, legal, etc. as needed. Participants have identified that basic needs were a particular area of concern. Business Consulting – Bilingual Consultants work with business owners 1:1 for 2-4 sessions, on average. Appointments are free and offered on an ongoing basis via phone, video conference, and in-person meetings. MCRC co-creates individualized recovery and response plans. Blended Training and Workshops Business Success/Exito Para Negocios Training – MCRC provides Business Success (Exito Para Negocios in Spanish), a four-part multi-level series, for ideation stage, start-up, formalizing, and existing businesses. Business Success allows business owners to join the module most tailored to their needs. Each module runs via hybrid learning format. • Plan/Planear supports start-up participants and those in ideation stage develop the foundational components of starting a business: competitive analysis, business structure, mission, vision, values, and elevator pitches. • Launch/Lanzar is tailored for start-up businesses who are ready to register, file, and begin implementation. Activities include filing tax IDs, permits/licenses, opening a bank account, and obtaining business insurance. Content also includes branding, accounting, risk management, and business plans. • Manage/Administrar enrolls participants that completed the first two modules and/or those that already have formalizing or existing businesses. Topics include finance, marketing, sales, operations, leadership, and innovation. Manage also emphasizes peer-to-peer learning

networks and collaborations for business success, including co-op models. • Grow/Creceer enrolls participants that completed modules 1-3 and those that have formalizing or existing businesses. This training builds partnerships, networks, and certification plans for enrolled participants. Certifications include City and County Minority/Women Business Enterprise, Emerging Business Enterprises, Small Business Enterprise, and/or Small Business Enterprise Concessionaire certification. Topics also include inclusive procurement, networking, executive coaching, and mentorship. La Receta Training - La Receta utilizes the same framework as Business Success and is designed to meet entrepreneurs in the food and accommodation sector. This sector includes food trucks, commissary kitchens, catering, and food adjacent companies. Topics emphasize culinary and regulatory information, menus, certifications, and licenses. Workshops – MCRC provides virtual workshops to support marketing/social media, accounting, certification attainment, and industry-expert panels. Legal Support – MCRC links business owners to trusted law firms to navigate legal matters. Participants are paired with volunteer attorneys with expertise in the areas of employment, family law, business and contracts, bankruptcy, housing, and immigration law. Educational Attainment- MCRC is working with the Community College of Denver to align our Business Success Models Plan and Launch with the Business Entrepreneurship Certificate. Individuals who complete these modules will earn college credit through Prior Learning Assessments (PLAs). PLAs offer non-traditional students an opportunity to earn college credit without the high cost of traditional college courses. Leadership Training – In 2022, Business Pathways began a Leadership Training that is focused building confidence among women-owned business owners. The curriculum focuses on leadership versus management, growth mindsets, and the imposter syndrome that many women face while developing their business plans.

Describe your project/program timeline and anticipated schedule of completion.

MCRC proposes to serve 30 small business owners in year one and 45 in year two allowing for growth over the contract period. MCRC will begin the contract by renewing and enhancing current and potential community partners. This will include meeting with local networks, community and faith-based organizations, street outreach, and working with the City of Aurora for insight and support, as needed. Ongoing –Business Consulting. Each participant enrolled in training receives a minimum of two consultations; workshops are offered approximately once per month and as needed; and referrals made to and from CEDS and CEF. MCRC currently has MOUs with CEDS and CEF to refer participants to these local CDFIs for participants in need of access to capital. Additionally, we receive referrals from CEDS and CEF for small business owners who are not loan ready. The objective is to provide a safety net and options for business owners at all levels. Each Year: Quarter One – Active outreach, recruitment, and navigation services. Quarter Two – Implement Business Success and Exito para Negocios (Plan and Launch), La Receta (Plan and Launch) Quarter Three – Continue Business Success and Exito (Manage and Grow), La Receta (Manage and Grow) Quarter Four – Complete all Business Success, Exito, and La Receta MCRC evaluates program enrollment and completion during each phase to ensure the project is progressing as planned. Trainings, while have a schedule, are subject to change based on participant demand and need.

How will you measure the success and impact of this program or project?

MCRC has developed a robust evaluation system to document and measure program progress and success. MCRC uses Salesforce, an online Customer Relationship Management (CRM) system. Salesforce ensures an integrated and agency-wide data tracking system that allows us to track participant demographic information, all levels of outreach and engagement, community

connections, program outcomes, follow-up services, and participation in trainings, webinars, consulting, etc. MCRC utilizes a third-party vendor, Huitzi Solutions, to provide Salesforce oversight, administration, and development services. Huitzi has assisted MCRC to design a more user-friendly staff and participant experience by combining website intake forms with Salesforce data. With Huitzi, MCRC is more easily able to draw reporting information both by funding contract and overall agency demographics, outputs, and outcomes. MCRC measures impact for Business Pathways through businesses started, jobs created, access to capital, and revenue generated. For businesses started, MCRC collects Secretary of State registrations. For jobs created, participants provide updated information during consulting appointments. MCRC collects access to capital and revenue generated through self-reports and documenting technical assistance for loan applications. Additionally, we monitor participant enrollment, retention, and satisfaction with trainings and workshops to ensure our program remains relevant and engaging.

B. Approved Budget

The **approved budget** during the term of this agreement is attached at this link: [Link to Project Budget \(https://arpaauracityco.powerappsportals.com/entity/annotation/e7589a81-f403-ed11-82e4-002248087522/5c40f1e9-f303-ed11-82e4-002248087522\)](https://arpaauracityco.powerappsportals.com/entity/annotation/e7589a81-f403-ed11-82e4-002248087522/5c40f1e9-f303-ed11-82e4-002248087522).

Changes in the scope of services, budget, or method of compensation contained in this Agreement, unless otherwise noted, may only be made through a written amendment to this Agreement, executed by the Subrecipient and the City.

C. Performance Monitoring

The City and its consultants will monitor the performance of the Subrecipient according to the Principal Tasks and Budget set forth herein. Subrecipient shall fully cooperate with the City in relation to training and education on requirements and attending training sessions as well as monitoring, evaluation, and audits. Substandard performance shall mean non-compliance with this Agreement. If actions to correct such substandard performance are not taken by the Subrecipient within a reasonable period of time after being so notified by the City, contract suspension or termination procedures may be initiated, in the sole discretion of the City.

EXHIBIT B

COMPLIANCE PROVISIONS INCORPORATED IN THE SUBRECIPIENT AGREEMENT

1. An accounting system using the accrual basis of generally accepted accounting principles which accurately reflects all costs chargeable (paid and unpaid) to the Project is mandatory. A receipts and disbursements ledger must be maintained. A general ledger with an income and expense account for each budgeted line item is necessary. Paid invoices revealing check number, date paid, and item is necessary. Similarly, cash receipts for the payment of wages is mandatory. Paid invoices revealing check number, date paid, and evidence of goods or services received are to be filed per the expense account they were charged. The City must review and approve your account system and internal controls prior to the release of funds.
2. There is no flexibility on budgets. Line items may be changed only by the City's written concurrence of a budget amendment.

3. Eligible expenses are those considered reasonable and necessary costs for the efficient operation of the Project as determined by the City. All costs must be budgeted items. Request for advance or reimbursements of expenses must be accompanied by:
 1. Original invoice marked with funding source
 2. Detailed listing of each expense showing:
 - a. recipient
 - b. brief description of purchase
 - c. amount with method of computation detailed
 - d. how expense meets program goal per approved proposalCost Summary must be submitted monthly to reflect entries through the closing date for the books (indicate Closing Date on Cost Summary).
4. The City shall not be obligated to any third-party contractors of the Subrecipient. The subrecipient is further cautioned against obligating funds beyond the contract date of the agreement between the City and the Subrecipient.
5. The Subrecipient will furnish the City such statements, records, data and information, and permit such interviews with personnel as the City may request to effectively monitor and evaluate the project.
6. City auditors will periodically make interim audits and may, upon completion of the Project, make a final audit.
7. All records must be retained by the Subrecipient for a period of three years following the last day of the Agreement. (Cost summary reports must reflect actual general ledger balances.)

EXHIBIT C

CERTIFICATIONS

Subrecipient hereby certifies that the grant will be conducted and administered in compliance with:

1. Title VII of the Civil Rights Act of 1964 (Pub. L. 88-352; 42 U.S.C. 2000d, et seq.) and implementing regulations issued at 24 CFR Part 1;
2. Title VIII of the Civil Rights Act of 1968 (Pub. L. 90-284; 42 U.S.C. 3601, et seq.), as amended; and that the subrecipient will administer all programs and activities related to housing and community development in a manner to affirmatively further fair housing;
3. Section 109 of the Housing and Community Development Act of 1974, as amended; and the regulations issued pursuant thereto;
4. Section 3 of the Housing and Urban Development Act of 1968, as amended;
5. Executive Order 11246, as amended by Executive Orders 11375 and 12086, and implementing regulations issued at 41 CFR Chapter 60;
6. Executive Order 11063, as amended by Executive Orders 12259, and implementing regulations at 24 CFR Part 107;
7. Section 504 of the Rehabilitation Act of 1973 (Pub. L. 93-112), as amended, and implementing regulations when published for effect;

8. The Age Discrimination in Employment Act of 1975 (Pub. L. 94-135), as amended, and implementing regulations when published for effect;
9. The Subrecipient, as applicable to a governmental or nongovernmental agency, shall comply with the requirements and standards of 2 CFR Chapter I, and Chapter II, Parts 200, 215, 220, 225 and 230, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards" aka "Super Circular"; and shall comply with applicable sections of 79 FR 75871 "Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments".
10. Executive Order 11988 relating to the evaluation of flood hazards and Executive Order 11288 relating to the prevention, control and abatement of water pollution;
11. The flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (Pub. L. 93-234);
12. The applicable regulations, policies, guidelines and requirements of OMB Circular Nos. A-102, Revised, 24 CFR 85 and Subpart J of 24 CFR 570, A-87, A-110, A-122, A-128 and A-133 as they relate to the acceptance and use of federal funds under this federally-assisted program;
13. The Clean Air Act (42 U.S.C. 7401 et.seq.) as amended; particularly section 176 (c) and (d) [42 U.S.C. 7506 (c) and (d)];
14. The Safe Drinking Water Act of 1974 (42 U.S.C. 201, 300 (f) et.seq., and 21 U.S.C. 349) as amended; particularly section 1424 (e) (42 U.S.C. 300 (h)-303 (e));
15. The Endangered Species Act of 1973 (16 U.S.C. 1531 et. Seq.) as amended; including but not limited to section 7 (16 U.S.C. 1536) thereof;
16. The Reservoir Salvage Act of 1960 916 U.S.C. 469 et.seq.); particularly section 3 (16 U.S.C. 469a-1); as amended by the Archeological and Historical Preservation Act of 1974;
17. Flood Disaster Protection Act of 1973 (42 U.S.C. 4001 et.seq.) as amended; particularly sections 102(a) and 202(a) [42 U.S.C. 4012a(a) and 4106(a)];
18. Executive order 11990, Protection of Wetlands, May 24, 1977 (42 FR 26961 et. Seq.); particularly sections 2 and 5;
19. Lead-Based Paint Poisoning Prevention requirements of 25 CFR Part 35 issued pursuant to the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4821 et.seq.);
20. The National Historic Preservation Act of 1966 (16 U.S.C. 470 et seq.) as amended; particularly section 106 (16 U.S.C. 470f); and
21. Executive Order 11593, Protection and Enhancement of the Cultural Environment, May 13, 1971 (36 FR 8921 et seq.); particularly section 2(c).
22. Construction work financed in whole or in part with federal funds is subject to the prevailing wage requirements of the Davis-Bacon Act (29 CFR, Parts 3 and 5), the Copeland Act (29 CFR Part 3), and the Contract Work Hours and Safety Standards Act (Public Law 91-54, 83 Stat. 96). When a project meets this applicability requirement, the labor standards provision of the HUD 4010 and the Davis Bacon Wage Decision issued for the project will be incorporated into this contract document and shall be incorporated into all construction contracts and subcontracts of any tier thereunder.

23. No ARPA funds may be expended for lobbying purposes and payments from other sources for lobbying must be disclosed (24 CFR Part 87).

- a. No federally appropriated funds have been or will be paid, by or on behalf of subrecipient, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.
- b. If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, 14 a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

24. Where asbestos is present in property undergoing rehabilitation, Federal requirements apply regarding worker exposure, abatement **EXHIBIT D** and disposal. (CPD-90-44 EPA/OSHA).

INSURANCE REQUIREMENTS

During the term of this Agreement and until final acceptance by the City of all work covered by the Agreement, Subrecipient performing services under this Agreement shall provide, pay for and maintain in full force and effect the types and minimum limits of insurance, as indicated below, covering the Subrecipient, their employees, subcontractors or representatives, along with: the activities of any and all subcontractors retained by the Subrecipient or Subcontractors, the activities of anyone employed by any Subrecipient, Subcontractors, their representatives or anyone for whose acts they may be liable.

Commercial General Liability Insurance. Subrecipient shall maintain commercial general liability insurance covering all operations by or on behalf of Subrecipient on a per occurrence basis against claims for personal injury (including bodily injury and death) and property damage (including loss of use). Coverage will include, if appropriate for the scope of services: Products and Completed Operations, Contractual Liability and a Waiver of Subrogation. The City, its elected and appointed officials, employees, agents and representatives shall be named as Additional Insureds by endorsement.

Minimum limits:

\$1,000,000 each occurrence

\$2,000,000 general aggregate

\$2,000,000 products and completed

Commercial Automobile Liability Insurance. Subrecipient shall maintain business automobile liability covering liability arising out of the operation of any vehicle (including owned, non-owned and hired vehicles) with minimum limits of \$1,000,000 combined single limit each accident, naming the City as an Additional Insured by endorsement.

Workers' Compensation and Employers Liability Insurance. Subrecipient shall maintain Worker's Compensation Insurance with limits in accordance with the provisions of the Workers' Compensation Act, as amended, by the State of Colorado. Additionally, Subrecipient shall maintain Employers Liability Insurance with minimum limits of \$500,000 bodily injury for each accident, \$100,000 bodily injury by

disease each employee and \$500,000 bodily injury disease aggregate. If Subrecipient does not have employees, Subrecipient will provide a written statement indicating that it has no employees and is not subject to the provisions of Colorado Workers' Compensation Act.

If Subrecipient engages services of a subcontractor, Subrecipient is responsible for verifying that the subcontractor's insurance meets the insurance requirements set forth above and that it is in effect prior to and throughout performance of work under this agreement. Any subcontractor who ceases to provide insurance coverage as set forth above must be removed from the project until such time that insurance coverage can be verified as in full force and effect.

Limits of Insurance. The total limits of general and excess liability insurance set forth above may be provided to the City using a combination of primary and excess liability insurance.

Additional Insured and Waiver of Subrogation. Subrecipient shall name the City of Aurora, its elected and appointed officials, employees, agents and representatives as additional insureds by endorsement and provide a waiver of subrogation for the Commercial General Liability and Auto Liability insurance policies. The certificate of insurance will include these specific requirements along with a copy of the relevant endorsements.

Certificates of Insurance. Upon the execution of this Agreement, Subrecipient shall provide certificates of insurance to the City demonstrating that at the minimum coverages required herein are in effect. Subrecipient agrees that the required coverages will not be reduced, canceled, non-renewed or materially changed without Thirty (30) days prior written notice to the City. All certificates of insurance must be kept in force throughout the duration of the services. If any of Subrecipient's or its subcontractor's coverage is renewed at any time prior to completion of the services, Subrecipient shall be responsible for obtaining updated insurance certificates for itself and such subcontractor from the respective insurance carriers and forwarding the replacement certificates to the City within five (5) days of the expiration date of any previously delivered certificate.

The minimum A.M. Best rating of each primary insurer shall be A- VIII and the minimum A.M. Best rating of each excess insurer shall be A- VII. The Subrecipient shall provide copies of insurance policies to the City Risk Manager upon request.

Any of the minimum limits of insurance set out herein may be raised or lowered at the sole discretion of the Risk Manager for the City in response to the particular circumstances giving rise to the contract. Subrecipient's policy will be primary and non-contributory with respect to any and all insurance policies purchased by the City.

In the event that the contract involves professional or consulting services, in addition to the aforementioned insurance requirements, the contract shall also be protected by a Professional Liability Insurance policy as set forth below:

Professional Liability Insurance. Subrecipient shall maintain professional liability insurance with minimum limits of One Million Dollars (\$1,000,000), covering those claims which arise out of the negligent acts or omissions of the Subrecipient, its Subcontractor and any other parties for whom it may be liable including without limitation, bodily injury, personal injury, property damage and including a contractual liability endorsement specifically applicable to the insurable indemnity obligations set forth herein which Professional Liability Insurance shall be carried on a claims-made basis maintained in full force and effect for the term of this Agreement and, to the extent possible, for a minimum period of Three (3) years after the completion of any and all of Subrecipient's Services hereunder. Any retroactive date or prior acts exclusion to which such coverage is subject shall pre-date both the date upon which

any services hereunder are commenced and the date of this Agreement. In the event that coverage is renewed during the original term of any subsequent term of this agreement, endorsement(s) for the new policy(ies) shall be delivered within ten (10) days of the expiration date of any previously delivered certificate.

SUBRECIPIENT AGREEMENT

CORONAVIRUS STATE FISCAL RECOVERY - ARPA FUNDS ASSISTANCE LISTING NUMBER (formerly CFDA): 21-027

FAIN:

THIS SUBRECIPIENT AGREEMENT ("Agreement") is made and entered into this Fourteenth day of November 2022, by and between the City of Aurora, Colorado, a Colorado municipal corporation, hereinafter referred to as the "City" and Caring Voices, a Colorado nonprofit corporation, hereinafter referred to as the "Subrecipient" UEI (if applicable): D64NMG1X9NM9. City and Subrecipient are sometimes each referred to as a "Party" and collectively "Parties."

RECITALS

WHEREAS, on March 11, 2021, President Biden signed the U.S. Senate-amended H.R. 1319 (P.L. 117-2) known as the American Rescue Plan Act (hereinafter "ARPA"); and

WHEREAS, In Pub. Law. 117-2, Subtitle M, Sec. 9901, (The American Rescue Act or "ARPA") the US Congress allocated money to local government for various purposes; and

WHEREAS, on May 10, 2021, the U.S. Treasury issued the Interim Final Rule to implement ARPA in Title 31, Part 35 of the Code of Federal Regulations ("CFR"); and

WHEREAS, under ARPA Section 603 (c)(1)(A) and (3) and the Interim Final Rule 31 CFR 35.6(b)(7) recipients may use Coronavirus Local Fiscal Recovery ("CLFR") Funds to award grants to nonprofit organizations that are responding to the negative economic impacts of the COVID-19 public health emergency; and

WHEREAS, under ARPA Section 603 (c)(1)(A) and the Interim Final Rule 31 CFR 35.6(b)(7) and (12) recipients may provide CLFR Funds to programs or services to disproportionately impacted communities; and

WHEREAS, the City desires to disburse funds from Project No. CI-2113 to the Subrecipient to administer the Project and perform certain services in connection therewith as set forth in this Agreement and in the Scope of Services attached hereto; and

WHEREAS, Subrecipient has represented to the City that is duly qualified, eligible and willing to undertake the Project and provide the services identified herein and in the Scope of Services attached hereto.

NOW, THEREFORE, in consideration of the foregoing recitals and in consideration of the terms and conditions set forth herein, the Parties hereto mutually agree as follows:

1. SCOPE OF SERVICES

Subrecipient agrees to satisfactorily perform and complete all services and items of work, and furnish all labor and materials encompassed within or reasonably necessary to accomplish the tasks and functions described in the Scope of Services attached hereto as Exhibit "A" and incorporated herein by reference, in full compliance with all provisions of this Agreement.

Administrative Costs as defined in 24 CFR 576.108 are not an eligible reimbursable cost offered to subrecipients.

This award is not for Research and Development.

2. BUDGET AND METHOD OF PAYMENT

- a. City will pay to Subrecipient an amount up to that specified in subparagraph (c) of this paragraph as full compensation for all services and work to be performed or undertaken by Subrecipient under this Agreement. Payment of funds to Subrecipient is subject to all of the following requirements, which shall be conditions precedent to payment:
 - i. That Subrecipient has expended funds for eligible approved expenditures;
 - ii. That Subrecipient is not in default of any material provision of this Agreement nor applicable law or regulation;
 - iii. That Subrecipient has timely submitted requests for payment or reimbursement detailing the eligible payment or reimbursement items in a format approved by City; and
 - iv. That Subrecipient has certified with each payment or reimbursement request compliance with the requirements identified in Exhibit "C" and that all expenditures for which reimbursement is sought were made for and in furtherance of the approved Project and are an eligible use of federal assistance under ARPA and federal regulations.
- b. Payment hereunder is also subject to and may only be disbursed in accordance with applicable Federal regulations including but not limited to those at 31 CFR Part 35, as presently promulgated and as same may be revised from time to time in the future, all other terms of this Agreement, and any special provisions in the Scope of Services. All payments received by Subrecipient hereunder are subject to repayment by Subrecipient as provided in 31 CFR Part 35.
- c. The aggregate of all payments made hereunder shall not exceed **thirty-two thousand six hundred and thirty dollars and zero cents (\$32,630.00)**.
- d. Upon expiration of the term of this Agreement or upon any prior termination, Subrecipient shall transfer to City any funds provided hereunder which are on hand at the time of expiration or termination.

3. TERM OF PROJECT AND AGREEMENT

- a. PROJECT. The term of the Project shall be from the date this Agreement. The Project will be completed on June 30, 2024 unless this Agreement is sooner terminated as herein provided.
- b. AGREEMENT. The term of this Agreement shall be from the date this Agreement. The activities contemplated by this Agreement will be completed on or before June 30, 2024 unless sooner terminated as herein provided.

4. SUBRECIPIENT RECORDS

Subrecipient shall maintain records as to all services provided, reimbursable expenses incurred in performing the Scope of Services and complete accounting records. Accounting records shall be kept on a generally recognized accounting basis and as requested by any representee of the City. Subrecipient agrees to comply with all applicable uniform administrative requirements described or referenced in 31 CFR 35. The Compliance Provisions attached as Exhibit "B" hereto are made a part of this Agreement and Subrecipient agrees to perform and comply with same. The City, Comptroller General of the United States, the Inspector General of the U.S. Treasury and any of their authorized representatives, shall have the right to inspect and copy, during reasonable business hours, all books, documents, papers and records of the Subrecipient which relate to this Agreement for making an audit or examination. Upon completion of the work and end of the term of this Agreement, the City may require copies of all Subrecipient's financial records relating to this Agreement to be turned over to City.

The Subrecipient, which is a non-federal agency, that expends \$750,000 or more during the Subrecipient's fiscal year, shall have a single audit conducted for that year in accordance with the provisions 2 CFR 200, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards", "Super Circular", Audit shall be completed within nine (9) months of the Subrecipients audit period and a copy of the most recent audit shall be forwarded to the City within thirty (30) days of completion.

5. MONITORING AND EVALUATION

City and its consultants shall have the right to monitor and evaluate the progress and performance of Subrecipient to assure that the terms of this Agreement are being satisfactorily fulfilled in accordance with City's and other applicable monitoring and evaluation criteria and standards. City may at least quarterly review Subrecipient's performance using on-site visits, progress reports required to be submitted by Subrecipient, audit findings, disbursements transactions, and contact Subrecipient as necessary. Subrecipient shall furnish City quarterly program and financial reports of its activities in such form and manner as may be requested by the City. Subrecipient shall fully cooperate with the City in relation to training and education on requirements and attending training sessions as well as monitoring, evaluation, and audits.

6. PERFORMANCE REPORTING

City shall at least quarterly review Subrecipient's performance using on-site visits, progress reports required to be submitted by Subrecipient, audit findings, disbursements transactions and contact with the Subrecipient as necessary. Subrecipient shall furnish to City quarterly program performance and financial reports of its activities in such form and manner as may be requested by the City. Quarterly reports are due by last day of first month following the end of a quarter. Subrecipients shall fully cooperate with City in relation to such monitoring, evaluation, and audits.

7. SUBRECIPIENT FILES AND INFORMATION REPORTS

Subrecipient shall maintain files containing information which shall clearly document all activities performed in conjunction with this Agreement, including, but not limited to, financial transactions, conformance with assurances and activity reports. These records shall be retained by Subrecipient for a period of three years after the completion of the Project.

The Subrecipient shall keep accurate books and records of accounts in accordance with generally accepted accounting principles of all expenditures made and all costs and liabilities incurred utilizing Program Funds. The aforementioned accounts and all project records shall be made available upon request by the City or any other federal agency for examination and audit. All books and records of accounts must be retained for four (4) years from the date of this agreement.

8. ASSIGNABILITY

This Agreement shall not be assigned or transferred by the Subrecipient without the prior written consent of the City. Any assignment or attempted assignment made in violation of this provision shall, at City's election, be deemed void and of no effect whatsoever.

9. AVOIDANCE OF CONFLICT OF INTEREST

Subrecipient certifies and warrants that neither it nor any members of its Board of Directors, officers or employees has or will derive any personal or financial interest or benefit from the activity or activities assisted pursuant to this Agreement, nor has an interest in any contract,

subcontract or agreement with respect thereunto, nor the proceeds thereunder, either for themselves or for those with whom they have family or business ties, during their tenure and for one year thereafter. Subrecipient shall avoid all conflicts of interest which are prohibited by applicable federal regulations including but not limited to those set forth in 31 CFR Part 35 as presently promulgated and as same may be revised from time to time in the future.

10. INDEPENDENCE OF SUBRECIPIENT

Nothing herein contained nor the relationship of Subrecipient to City, which relationship is expressly declared to be that of an independent contractor, shall make or be construed to make Subrecipient or any of Subrecipient's agents or employees the agents or employees of the City. Subrecipient shall be solely and entirely responsible for its acts and the acts of its agents, employees and subcontractors

11. INDEMNIFICATION. LEGAL DISCLAIMER

Subrecipient and any and all of its personnel operating under the terms of this agreement are not to be considered agents or employees of the City for any purpose and are not entitled to any of the benefits that the City provides for the City's employees. Subrecipient covenants and agrees to, and does hereby, indemnify and hold harmless, to the extent permitted by law, defend the City, its agents, servants, or employees, from and against any and all claims for injuries or damages to persons or property of whatsoever kind of character, whether real or asserted, arising out of this agreement for the work to be performed hereunder. The Subrecipient hereby assumes all liability and responsibility for injuries, claims or suits for damages to persons or property of whatsoever kind or character, whether real or asserted, arising out of the performance.

Pursuant to Colorado Constitution Article XI, Sections 1 and 2 the City shall not indemnify or hold harmless Subrecipient, or any party related or operating under this Agreement with or without the City's consent. No provision in this Agreement shall limit or set the amount of damages available to the City to any amount other than the actual direct and indirect damages to the City, regardless of the theory or basis for such damages. Any provision included or incorporated herein by reference which purports to negate this provision in whole or in part shall not be valid or enforceable or available in any action at law or equity, whether by way of complaint, defense, or otherwise. Any provision rendered null and void by this provision shall not invalidate the remainder of the Agreement.

12. TERMINATION OF AGREEMENT

- a. For Cause: This Agreement may be terminated by City for cause, including any nonperformance by the Subrecipient, upon ten (10) days written notice to Subrecipient including a statement of the reasons therefore, and after an opportunity for a hearing has been afforded. If a hearing is requested, it shall be held before the City's Mayor whose decision shall be final. The determination of the City as to the cause of termination and the appropriateness thereof shall be final and binding upon both City and Subrecipient. Cause for termination shall include:
 - Improper use of funds;
 - Failure to comply with the terms and conditions of this Agreement;
 - Failure to comply with the terms and conditions of the Scope of Services, Exhibit A;
 - If, for any reason, this Agreement's performance is rendered impossible or unfeasible;
 - Failure to comply with applicable Federal, State, or local laws and regulations.
- b. For Convenience: This Agreement may be terminated by City for convenience upon ten (10) days written notice to Subrecipient, which decision shall not be subject to appeal.

- c. Post Expiration and Termination Procedures: Upon expiration or in the event of a prior termination, all remaining and unspent grant funds, shall immediately become the sole and separate property of the City and the Subrecipient shall perform all acts and execute all instruments necessary to transfer and assign such funds to the City. All finished or unfinished documents, data, studies, reports, and work product prepared by the Subrecipient under this Agreement or with grant funds shall, at the option of the City, become City's property.

13. LIABILITY

As to the City, Subrecipient agrees to assume the risk of all personal injury, including death and bodily injury, and damage to and destruction of property, including loss of use therefrom, caused by or sustained, in whole or in part, in conjunction with or arising out of the performance or nonperformance of this Agreement by Subrecipient or by the conditions created thereby. Subrecipient further agrees to indemnify and save harmless the City, its officers, agents and employees, from and against all claims, liabilities, costs, expenses, penalties and attorney fees arising from such injuries to persons or damages to property or based upon or arising out of the performance or nonperformance of this Agreement by Subrecipient or out of any violation by Subrecipient of any statute, ordinance, rule or regulation. Subrecipient shall be responsible for any injury to persons or damage to property to the extent arising from negligent or otherwise wrongful acts, errors and omissions of Artist, its agents, and employees.

14. INSURANCE

If Subrecipient and any sub-contractor of Subrecipient have employees Subrecipient and the sub-contractor(s) shall provide the appropriate certificates of insurance and Worker Compensation documents, at no cost to the City, as described in Exhibit "D". Subrecipient further agrees and understands that it, and any sub-contractor are to maintain and keep in force the appropriate insurance certificates throughout the term of this Agreement.

15. CERTIFICATIONS

Subrecipient agrees to execute and abide by the certifications contained in Exhibit "C" hereto, and Subrecipient's application for ARPA funds, both of which are hereby made a part of this Agreement. In the event of any conflict between the terms of this Agreement and Subrecipient's Application, this Agreement shall control.

16. REVERSION OF ASSETS

- a. Upon expiration of the term of this Agreement, or upon any prior termination, Subrecipient shall transfer to City any funds provided hereunder which are on hand at the time of expiration or termination.
- b. In the event City incurs any costs or expenses in enforcing the requirements of this paragraph or in bringing any action to recover the property or amount of any repayment obligation, City shall be entitled to recover its costs and expenses, including reasonable attorney's fees.

17. RESPONSIBILITIES OF SUBRECIPIENT

Subrecipient warrants and represents that it:

- a. Has the requisite authority and capacity to perform all terms and conditions on Subrecipient's part to be performed hereunder;
- b. That it is duly organized as a non-profit organization under state law and is in good standing with the Secretary of State of Colorado;

- c. That it is a nonprofit organization exempt from Federal income taxation under Section 501(c)(3) of the Internal Revenue Code;
- d. That it is fully aware of and understands its duty to perform all functions and services in accordance with the regulatory requirements of 31 CFR Part 35 and those identified in Exhibit "C" hereto; and
- e. That it is accepting federal financial assistance hereunder subject to certain mandatory repayment provisions.

18. RESPONSIBILITIES OF THE CITY

- a. City shall provide Subrecipient with the information necessary to facilitate the performance of this Agreement;
- b. Give prompt notice to Subrecipient when the City becomes aware or observes of any deficiencies or discrepancies in the services provided.

19. ENTIRE AGREEMENT; AMENDMENTS

The provisions set forth in this Agreement, and all Exhibits and attachments to this Agreement, constitute the entire and complete agreement of the parties hereto and supersede all prior written and oral agreements, understandings or representations related thereto. No amendment or modification of this Agreement, and no waiver of any provisions of this Agreement shall be binding unless made in writing and executed by the duly authorized officers of both the Subrecipient and City

20. NOTICES

Notices, as referred to in this Agreement, shall be sent to:

 794 Memphis St
 Aurora, Co 80011

21. LOBBYING

Subrecipient certifies that no Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the Subrecipient shall complete and submit the Standard Form LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

Subrecipient shall require that the language of this certification be included in the award documents for all sub awards at all tiers including subcontracts, sub grants, and contracts under grants, loans, and cooperative agreements and that all referenced shall certify and disclose accordingly.

22. EQUAL EMPLOYMENT OPPORTUNITY/NONDISCRIMINATION.

Subrecipient shall not discriminate against any employee, applicant for employment, contractor, or subcontractor because of race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. The Subrecipient shall adhere to acceptable affirmative action guidelines in selecting employees and contractors and shall ensure that employees and contractors receive fair treatment during employment or agreement, without regard to their race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.

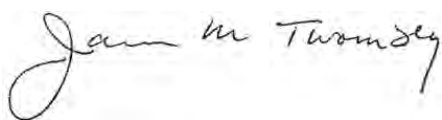

The Subrecipient shall not discriminate because of race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status in Subrecipient services, activities, accommodations, or facility use. The Subrecipient shall adhere to and assure that employment and activity programming are conducted such that all individuals and groups, clients, participants, and/or employees will be treated equally without regard to their race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. The Subrecipient understands and agrees that any act of discrimination based upon race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status may jeopardize grant funding to the Subrecipient and may be subject to loss of funding, reimbursement of funds allocated, or denial of future funds.

23. SIGNATURES

The persons signing this Agreement on behalf of Subrecipient represent and warrant that such persons and Subrecipient have the requisite power and authority to enter, execute and deliver this Agreement and that this Agreement is a valid and legally binding obligation of Subrecipient enforceable against Subrecipient in accordance with its terms.

IN WITNESS, WHEREOF, the Subrecipient and the City have executed this Agreement as of the date first above written and under the laws of the State of Colorado.

CITY OF AURORA, COLORADO

EXHIBIT A

SCOPE OF SERVICES

A. Principal Tasks

Title of project/program

Completing Addition and ADA Bathroom

Description of project/program

We would like to finish the completion of our 620-square feet additional classroom with our ADA bathroom-approved permits. We provided funds for the slab of concrete at \$9,300, plumbing and bathroom appliances at \$5,480, the trusses at \$ 4,680, framing at \$11,100, and electrical work at \$13,857. Providing a total of \$45,417 (including material and labor). Items that are needed: Roof \$4,500 HVAC \$13,550 Installation and drywall \$7,880 Siding \$--TBD Paint \$2,500 Floor \$4,200 Providing a total of \$32,630 (including material and labor).

Describe your project/program timeline and anticipated schedule of completion.

The permit is already pulled and the Addition/ADA bathroom is 60% completed. Items that are needed: Roof, Installation and drywall, Siding, Paint, Floor. The contractor is hired and is ready to finish the project by November 2022.

How will you measure the success and impact of this program or project?

The success and impact of the project are completing the additional room and the ADA bathroom. We are in the process of completing our additional room that will service additional individuals, giving them a workspace/playroom, ADA bathroom and a media area. Designing our room with our individuals in mind we are able to create a safe haven, calming, helpful, and synergetic space. We will also use calming color palette including dimmed lighting avoiding fluorescent lighting and sensory equipment. As our community invests in Caring Voices, we will expand and will support additional individuals.

B. Approved Budget

The **approved budget** during the term of this agreement is attached at this link: [Link to Project Budget \(https://arpaauracityco.powerappsportals.com/entity/annotation/fc20a78b-8804-ed11-82e4-002248087522/74e78bce-5804-ed11-82e4-002248087522\)](https://arpaauracityco.powerappsportals.com/entity/annotation/fc20a78b-8804-ed11-82e4-002248087522/74e78bce-5804-ed11-82e4-002248087522).

Changes in the scope of services, budget, or method of compensation contained in this Agreement, unless otherwise noted, may only be made through a written amendment to this Agreement, executed by the Subrecipient and the City.

C. Performance Monitoring

The City and its consultants will monitor the performance of the Subrecipient according to the Principal Tasks and Budget set forth herein. Subrecipient shall fully cooperate with the City in relation to training and education on requirements and attending training sessions as well as monitoring, evaluation, and audits. Substandard performance shall mean non-compliance with this Agreement. If actions to correct such substandard performance are not taken by the Subrecipient within a reasonable period of time after being so notified by the City, contract suspension or termination procedures may be initiated, in the sole discretion of the City.

EXHIBIT B

COMPLIANCE PROVISIONS INCORPORATED IN THE SUBRECIPIENT AGREEMENT

1. An accounting system using the accrual basis of generally accepted accounting principles which accurately reflects all costs chargeable (paid and unpaid) to the Project is mandatory. A receipts and disbursements ledger must be maintained. A general ledger with an income and expense account for each budgeted line item is necessary. Paid invoices revealing check number, date paid, and item is necessary. Similarly, cash receipts for the payment of wages is mandatory. Paid invoices revealing check number, date paid, and evidence of goods or services received are to be filed per the expense account they were charged. The City must review and approve your account system and internal controls prior to the release of funds.
2. There is no flexibility on budgets. Line items may be changed only by the City's written concurrence of a budget amendment.
3. Eligible expenses are those considered reasonable and necessary costs for the efficient operation of the Project as determined by the City. All costs must be budgeted items. Request for advance or reimbursements of expenses must be accompanied by:
 1. Original invoice marked with funding source
 2. Detailed listing of each expense showing:
 - a. recipient
 - b. brief description of purchase
 - c. amount with method of computation detailed
 - d. how expense meets program goal per approved proposal

Cost Summary must be submitted monthly to reflect entries through the closing date for the books (indicate Closing Date on Cost Summary).

4. The City shall not be obligated to any third-party contractors of the Subrecipient. The subrecipient is further cautioned against obligating funds beyond the contract date of the agreement between the City and the Subrecipient.
5. The Subrecipient will furnish the City such statements, records, data and information, and permit such interviews with personnel as the City may request to effectively monitor and evaluate the project.
6. City auditors will periodically make interim audits and may, upon completion of the Project, make a final audit.
7. All records must be retained by the Subrecipient for a period of three years following the last day of the Agreement. (Cost summary reports must reflect actual general ledger balances.)

EXHIBIT C

CERTIFICATIONS

Subrecipient hereby certifies that the grant will be conducted and administered in compliance with:

1. Title VII of the Civil Rights Act of 1964 (Pub. L. 88-352; 42 U.S.C. 2000d, et seq.) and implementing regulations issued at 24 CFR Part 1;
2. Title VIII of the Civil Rights Act of 1968 (Pub. L. 90-284; 42 U.S.C. 3601, et seq.), as amended; and that the subrecipient will administer all programs and activities related to housing and community development in a manner to affirmatively further fair housing;
3. Section 109 of the Housing and Community Development Act of 1974, as amended; and the regulations issued pursuant thereto;
4. Section 3 of the Housing and Urban Development Act of 1968, as amended;
5. Executive Order 11246, as amended by Executive Orders 11375 and 12086, and implementing regulations issued at 41 CFR Chapter 60;
6. Executive Order 11063, as amended by Executive Orders 12259, and implementing regulations at 24 CFR Part 107;
7. Section 504 of the Rehabilitation Act of 1973 (Pub. L. 93-112), as amended, and implementing regulations when published for effect;
8. The Age Discrimination in Employment Act of 1975 (Pub. L. 94-135), as amended, and implementing regulations when published for effect;
9. The Subrecipient, as applicable to a governmental or nongovernmental agency, shall comply with the requirements and standards of 2 CFR Chapter I, and Chapter II, Parts 200, 215, 220, 225 and 230, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards" aka "Super Circular"; and shall comply with applicable sections of 79 FR 75871 "Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments".
10. Executive Order 11988 relating to the evaluation of flood hazards and Executive Order 11288 relating to the prevention, control and abatement of water pollution;
11. The flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (Pub. L. 93-234);

12. The applicable regulations, policies, guidelines and requirements of OMB Circular Nos. A-102, Revised, 24 CFR 85 and Subpart J of 24 CFR 570, A-87, A-110, A-122, A-128 and A-133 as they relate to the acceptance and use of federal funds under this federally-assisted program;
13. The Clean Air Act (42 U.S.C. 7401 et.seq.) as amended; particularly section 176 (c) and (d) [42 U.S.C. 7506 (c) and (d)];
14. The Safe Drinking Water Act of 1974 (42 U.S.C. 201, 300 (f) et.seq., and 21 U.S.C. 349) as amended; particularly section 1424 (e) (42 U.S.C. 300 (h)-303 (e));
15. The Endangered Species Act of 1973 (16 U.S.C. 1531 et. Seq.) as amended; including but not limited to section 7 (16 U.S.C. 1536) thereof;
16. The Reservoir Salvage Act of 1960 916 U.S.C. 469 et.seq.); particularly section 3 (16 U.S.C. 469a-1); as amended by the Archeological and Historical Preservation Act of 1974;
17. Flood Disaster Protection Act of 1973 (42 U.S.C. 4001 et.seq.) as amended; particularly sections 102(a) and 202(a) [42 U.S.C. 4012a(a) and 4106(a)];
18. Executive order 11990, Protection of Wetlands, May 24, 1977 (42 FR 26961 et. Seq.); particularly sections 2 and 5;
19. Lead-Based Paint Poisoning Prevention requirements of 25 CFR Part 35 issued pursuant to the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4821 et.seq.);
20. The National Historic Preservation Act of 1966 (16 U.S.C. 470 et seq.) as amended; particularly section 106 (16 U.S.C. 470f); and
21. Executive Order 11593, Protection and Enhancement of the Cultural Environment, May 13, 1971 (36 FR 8921 et seq.); particularly section 2(c).
22. Construction work financed in whole or in part with federal funds is subject to the prevailing wage requirements of the Davis-Bacon Act (29 CFR, Parts 3 and 5), the Copeland Act (29 CFR Part 3), and the Contract Work Hours and Safety Standards Act (Public Law 91-54, 83 Stat. 96). When a project meets this applicability requirement, the labor standards provision of the HUD 4010 and the Davis Bacon Wage Decision issued for the project will be incorporated into this contract document and shall be incorporated into all construction contracts and subcontracts of any tier thereunder.
23. No ARPA funds may be expended for lobbying purposes and payments from other sources for lobbying must be disclosed (24 CFR Part 87).
 - a. No federally appropriated funds have been or will be paid, by or on behalf of subrecipient, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.
 - b. If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, 14 a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

24. Where asbestos is present in property undergoing rehabilitation, Federal requirements apply regarding worker exposure, abatement procedures and disposal. (CPD-90-44 EPA/OSHA).

EXHIBIT D

INSURANCE REQUIREMENTS

During the term of this Agreement and until final acceptance by the City of all work covered by the Agreement, Subrecipient performing services under this Agreement shall provide, pay for and maintain in full force and effect the types and minimum limits of insurance, as indicated below, covering the Subrecipient, their employees, subcontractors or representatives, along with: the activities of any and all subcontractors retained by the Subrecipient or Subcontractors, the activities of anyone employed by any Subrecipient, Subcontractors, their representatives or anyone for whose acts they may be liable.

Commercial General Liability Insurance. Subrecipient shall maintain commercial general liability insurance covering all operations by or on behalf of Subrecipient on a per occurrence basis against claims for personal injury (including bodily injury and death) and property damage (including loss of use). Coverage will include, if appropriate for the scope of services: Products and Completed Operations, Contractual Liability and a Waiver of Subrogation. The City, its elected and appointed officials, employees, agents and representatives shall be named as Additional Insureds by endorsement.

Minimum limits:

\$1,000,000 each occurrence

\$2,000,000 general aggregate

\$2,000,000 products and completed

Commercial Automobile Liability Insurance. Subrecipient shall maintain business automobile liability covering liability arising out of the operation of any vehicle (including owned, non-owned and hired vehicles) with minimum limits of \$1,000,000 combined single limit each accident, naming the City as an Additional Insured by endorsement.

Workers' Compensation and Employers Liability Insurance. Subrecipient shall maintain Worker's Compensation Insurance with limits in accordance with the provisions of the Workers' Compensation Act, as amended, by the State of Colorado. Additionally, Subrecipient shall maintain Employers Liability Insurance with minimum limits of \$500,000 bodily injury for each accident, \$100,000 bodily injury by disease each employee and \$500,000 bodily injury disease aggregate. If Subrecipient does not have employees, Subrecipient will provide a written statement indicating that it has no employees and is not subject to the provisions of Colorado Workers' Compensation Act.

If Subrecipient engages services of a subcontractor, Subrecipient is responsible for verifying that the subcontractor's insurance meets the insurance requirements set forth above and that it is in effect prior to and throughout performance of work under this agreement. Any subcontractor who ceases to provide insurance coverage as set forth above must be removed from the project until such time that insurance coverage can be verified as in full force and effect.

Limits of Insurance. The total limits of general and excess liability insurance set forth above may be provided to the City using a combination of primary and excess liability insurance.

Additional Insured and Waiver of Subrogation. Subrecipient shall name the City of Aurora, its elected and appointed officials, employees, agents and representatives as additional insureds by endorsement and provide a waiver of subrogation for the Commercial General Liability and Auto Liability insurance policies. The certificate of insurance will include these specific requirements along with a copy of the relevant endorsements.

Certificates of Insurance. Upon the execution of this Agreement, Subrecipient shall provide certificates of insurance to the City demonstrating that at the minimum coverages required herein are in effect. Subrecipient agrees that the required coverages will not be reduced, canceled, non-renewed or materially changed without Thirty (30) days prior written notice to the City. All certificates of insurance must be kept in force throughout the duration of the services. If any of Subrecipient's or its subcontractor's coverage is renewed at any time prior to completion of the services, Subrecipient shall be responsible for obtaining updated insurance certificates for itself and such subcontractor from the respective insurance carriers and forwarding the replacement certificates to the City within five (5) days of the expiration date of any previously delivered certificate.

The minimum A.M. Best rating of each primary insurer shall be A- VIII and the minimum A.M. Best rating of each excess insurer shall be A- VII. The Subrecipient shall provide copies of insurance policies to the City Risk Manager upon request.

Any of the minimum limits of insurance set out herein may be raised or lowered at the sole discretion of the Risk Manager for the City in response to the particular circumstances giving rise to the contract. Subrecipient's policy will be primary and non-contributory with respect to any and all insurance policies purchased by the City.

In the event that the contract involves professional or consulting services, in addition to the aforementioned insurance requirements, the contract shall also be protected by a Professional Liability Insurance policy as set forth below:

Professional Liability Insurance. Subrecipient shall maintain professional liability insurance with minimum limits of One Million Dollars (\$1,000,000), covering those claims which arise out of the negligent acts or omissions of the Subrecipient, its Subcontractor and any other parties for whom it may be liable including without limitation, bodily injury, personal injury, property damage and including a contractual liability endorsement specifically applicable to the insurable indemnity obligations set forth herein which Professional Liability Insurance shall be carried on a claims-made basis maintained in full force and effect for the term of this Agreement and, to the extent possible, for a minimum period of Three (3) years after the completion of any and all of Subrecipient's Services hereunder. Any retroactive date or prior acts exclusion to which such coverage is subject shall pre-date both the date upon which any services hereunder are commenced and the date of this Agreement. In the event that coverage is renewed during the original term of any subsequent term of this agreement, endorsement(s) for the new policy(ies) shall be delivered within ten (10) days of the expiration date of any previously delivered certificate.

SUBRECIPIENT AGREEMENT

CORONAVIRUS STATE FISCAL RECOVERY - ARPA FUNDS ASSISTANCE LISTING NUMBER (formerly CFDA): 21-027

FAIN:

THIS SUBRECIPIENT AGREEMENT ("Agreement") is made and entered into this Fourteenth day of November 2022, by and between the City of Aurora, Colorado, a Colorado municipal corporation, hereinafter referred to as the "City" and Aurora Interchurch Task Force Inc, a Colorado nonprofit corporation, hereinafter referred to as the "Subrecipient" UEI (if applicable): GG1ZYKXZGZD9. City and Subrecipient are sometimes each referred to as a "Party" and collectively "Parties."

RECITALS

WHEREAS, on March 11, 2021, President Biden signed the U.S. Senate-amended H.R. 1319 (P.L. 117-2) known as the American Rescue Plan Act (hereinafter "ARPA"); and

WHEREAS, In Pub. Law. 117-2, Subtitle M, Sec. 9901, (The American Rescue Act or "ARPA") the US Congress allocated money to local government for various purposes; and

WHEREAS, on May 10, 2021, the U.S. Treasury issued the Interim Final Rule to implement ARPA in Title 31, Part 35 of the Code of Federal Regulations ("CFR"); and

WHEREAS, under ARPA Section 603 (c)(1)(A) and (3) and the Interim Final Rule 31 CFR 35.6(b)(7) recipients may use Coronavirus Local Fiscal Recovery ("CLFR") Funds to award grants to nonprofit organizations that are responding to the negative economic impacts of the COVID-19 public health emergency; and

WHEREAS, under ARPA Section 603 (c)(1)(A) and the Interim Final Rule 31 CFR 35.6(b)(7) and (12) recipients may provide CLFR Funds to programs or services to disproportionately impacted communities; and

WHEREAS, the City desires to disburse funds from Project No. CI-2113 to the Subrecipient to administer the Project and perform certain services in connection therewith as set forth in this Agreement and in the Scope of Services attached hereto; and

WHEREAS, Subrecipient has represented to the City that is duly qualified, eligible and willing to undertake the Project and provide the services identified herein and in the Scope of Services attached hereto.

NOW, THEREFORE, in consideration of the foregoing recitals and in consideration of the terms and conditions set forth herein, the Parties hereto mutually agree as follows:

1. SCOPE OF SERVICES

Subrecipient agrees to satisfactorily perform and complete all services and items of work, and furnish all labor and materials encompassed within or reasonably necessary to accomplish the tasks and functions described in the Scope of Services attached hereto as Exhibit "A" and incorporated herein by reference, in full compliance with all provisions of this Agreement.

Administrative Costs as defined in 24 CFR 576.108 are not an eligible reimbursable cost offered to subrecipients.

This award is not for Research and Development.

2. BUDGET AND METHOD OF PAYMENT

- a. City will pay to Subrecipient an amount up to that specified in subparagraph (c) of this paragraph as full compensation for all services and work to be performed or undertaken by Subrecipient under this Agreement. Payment of funds to Subrecipient is subject to all of the following requirements, which shall be conditions precedent to payment:
 - i. That Subrecipient has expended funds for eligible approved expenditures;
 - ii. That Subrecipient is not in default of any material provision of this Agreement nor applicable law or regulation;
 - iii. That Subrecipient has timely submitted requests for payment or reimbursement detailing the eligible payment or reimbursement items in a format approved by City; and
 - iv. That Subrecipient has certified with each payment or reimbursement request compliance with the requirements identified in Exhibit "C" and that all expenditures for which reimbursement is sought were made for and in furtherance of the approved Project and are an eligible use of federal assistance under ARPA and federal regulations.
- b. Payment hereunder is also subject to and may only be disbursed in accordance with applicable Federal regulations including but not limited to those at 31 CFR Part 35, as presently promulgated and as same may be revised from time to time in the future, all other terms of this Agreement, and any special provisions in the Scope of Services. All payments received by Subrecipient hereunder are subject to repayment by Subrecipient as provided in 31 CFR Part 35.
- c. The aggregate of all payments made hereunder shall not exceed **two hundred thousand dollars and zero cents (\$200,000.00)**.
- d. Upon expiration of the term of this Agreement or upon any prior termination, Subrecipient shall transfer to City any funds provided hereunder which are on hand at the time of expiration or termination.

3. TERM OF PROJECT AND AGREEMENT

- a. PROJECT. The term of the Project shall be from the date this Agreement. The Project will be completed on June 30, 2024 unless this Agreement is sooner terminated as herein provided.
- b. AGREEMENT. The term of this Agreement shall be from the date this Agreement. The activities contemplated by this Agreement will be completed on or before June 30, 2024 unless sooner terminated as herein provided.

4. SUBRECIPIENT RECORDS

Subrecipient shall maintain records as to all services provided, reimbursable expenses incurred in performing the Scope of Services and complete accounting records. Accounting records shall be kept on a generally recognized accounting basis and as requested by any representee of the City. Subrecipient agrees to comply with all applicable uniform administrative requirements described or referenced in 31 CFR 35. The Compliance Provisions attached as Exhibit "B" hereto are made a part of this Agreement and Subrecipient agrees to perform and comply with same. The City, Comptroller General of the United States, the Inspector General of the U.S. Treasury and any of their authorized representatives, shall have the right to inspect and copy, during reasonable business hours, all books, documents, papers and records of the Subrecipient which relate to this Agreement for making an audit or examination. Upon completion of the work and end of the term of this Agreement, the City may require copies of all Subrecipient's financial records relating to this Agreement to be turned over to City.

The Subrecipient, which is a non-federal agency, that expends \$750,000 or more during the Subrecipient's fiscal year, shall have a single audit conducted for that year in accordance with the provisions 2 CFR 200, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards", "Super Circular", Audit shall be completed within nine (9) months of the Subrecipients audit period and a copy of the most recent audit shall be forwarded to the City within thirty (30) days of completion.

5. MONITORING AND EVALUATION

City and its consultants shall have the right to monitor and evaluate the progress and performance of Subrecipient to assure that the terms of this Agreement are being satisfactorily fulfilled in accordance with City's and other applicable monitoring and evaluation criteria and standards. City may at least quarterly review Subrecipient's performance using on-site visits, progress reports required to be submitted by Subrecipient, audit findings, disbursements transactions, and contact Subrecipient as necessary. Subrecipient shall furnish City quarterly program and financial reports of its activities in such form and manner as may be requested by the City. Subrecipient shall fully cooperate with the City in relation to training and education on requirements and attending training sessions as well as monitoring, evaluation, and audits.

6. PERFORMANCE REPORTING

City shall at least quarterly review Subrecipient's performance using on-site visits, progress reports required to be submitted by Subrecipient, audit findings, disbursements transactions and contact with the Subrecipient as necessary. Subrecipient shall furnish to City quarterly program performance and financial reports of its activities in such form and manner as may be requested by the City. Quarterly reports are due by last day of first month following the end of a quarter. Subrecipients shall fully cooperate with City in relation to such monitoring, evaluation, and audits.

7. SUBRECIPIENT FILES AND INFORMATION REPORTS

Subrecipient shall maintain files containing information which shall clearly document all activities performed in conjunction with this Agreement, including, but not limited to, financial transactions, conformance with assurances and activity reports. These records shall be retained by Subrecipient for a period of three years after the completion of the Project.

The Subrecipient shall keep accurate books and records of accounts in accordance with generally accepted accounting principles of all expenditures made and all costs and liabilities incurred utilizing Program Funds. The aforementioned accounts and all project records shall be made available upon request by the City or any other federal agency for examination and audit. All books and records of accounts must be retained for four (4) years from the date of this agreement.

8. ASSIGNABILITY

This Agreement shall not be assigned or transferred by the Subrecipient without the prior written consent of the City. Any assignment or attempted assignment made in violation of this provision shall, at City's election, be deemed void and of no effect whatsoever.

9. AVOIDANCE OF CONFLICT OF INTEREST

Subrecipient certifies and warrants that neither it nor any members of its Board of Directors, officers or employees has or will derive any personal or financial interest or benefit from the activity or activities assisted pursuant to this Agreement, nor has an interest in any contract,

subcontract or agreement with respect thereunto, nor the proceeds thereunder, either for themselves or for those with whom they have family or business ties, during their tenure and for one year thereafter. Subrecipient shall avoid all conflicts of interest which are prohibited by applicable federal regulations including but not limited to those set forth in 31 CFR Part 35 as presently promulgated and as same may be revised from time to time in the future.

10. INDEPENDENCE OF SUBRECIPIENT

Nothing herein contained nor the relationship of Subrecipient to City, which relationship is expressly declared to be that of an independent contractor, shall make or be construed to make Subrecipient or any of Subrecipient's agents or employees the agents or employees of the City. Subrecipient shall be solely and entirely responsible for its acts and the acts of its agents, employees and subcontractors

11. INDEMNIFICATION. LEGAL DISCLAIMER

Subrecipient and any and all of its personnel operating under the terms of this agreement are not to be considered agents or employees of the City for any purpose and are not entitled to any of the benefits that the City provides for the City's employees. Subrecipient covenants and agrees to, and does hereby, indemnify and hold harmless, to the extent permitted by law, defend the City, its agents, servants, or employees, from and against any and all claims for injuries or damages to persons or property of whatsoever kind of character, whether real or asserted, arising out of this agreement for the work to be performed hereunder. The Subrecipient hereby assumes all liability and responsibility for injuries, claims or suits for damages to persons or property of whatsoever kind or character, whether real or asserted, arising out of the performance.

Pursuant to Colorado Constitution Article XI, Sections 1 and 2 the City shall not indemnify or hold harmless Subrecipient, or any party related or operating under this Agreement with or without the City's consent. No provision in this Agreement shall limit or set the amount of damages available to the City to any amount other than the actual direct and indirect damages to the City, regardless of the theory or basis for such damages. Any provision included or incorporated herein by reference which purports to negate this provision in whole or in part shall not be valid or enforceable or available in any action at law or equity, whether by way of complaint, defense, or otherwise. Any provision rendered null and void by this provision shall not invalidate the remainder of the Agreement.

12. TERMINATION OF AGREEMENT

- a. For Cause: This Agreement may be terminated by City for cause, including any nonperformance by the Subrecipient, upon ten (10) days written notice to Subrecipient including a statement of the reasons therefore, and after an opportunity for a hearing has been afforded. If a hearing is requested, it shall be held before the City's Mayor whose decision shall be final. The determination of the City as to the cause of termination and the appropriateness thereof shall be final and binding upon both City and Subrecipient. Cause for termination shall include:
 - Improper use of funds;
 - Failure to comply with the terms and conditions of this Agreement;
 - Failure to comply with the terms and conditions of the Scope of Services, Exhibit A;
 - If, for any reason, this Agreement's performance is rendered impossible or unfeasible;
 - Failure to comply with applicable Federal, State, or local laws and regulations.
- b. For Convenience: This Agreement may be terminated by City for convenience upon ten (10) days written notice to Subrecipient, which decision shall not be subject to appeal.

- c. Post Expiration and Termination Procedures: Upon expiration or in the event of a prior termination, all remaining and unspent grant funds, shall immediately become the sole and separate property of the City and the Subrecipient shall perform all acts and execute all instruments necessary to transfer and assign such funds to the City. All finished or unfinished documents, data, studies, reports, and work product prepared by the Subrecipient under this Agreement or with grant funds shall, at the option of the City, become City's property.

13. LIABILITY

As to the City, Subrecipient agrees to assume the risk of all personal injury, including death and bodily injury, and damage to and destruction of property, including loss of use therefrom, caused by or sustained, in whole or in part, in conjunction with or arising out of the performance or nonperformance of this Agreement by Subrecipient or by the conditions created thereby. Subrecipient further agrees to indemnify and save harmless the City, its officers, agents and employees, from and against all claims, liabilities, costs, expenses, penalties and attorney fees arising from such injuries to persons or damages to property or based upon or arising out of the performance or nonperformance of this Agreement by Subrecipient or out of any violation by Subrecipient of any statute, ordinance, rule or regulation. Subrecipient shall be responsible for any injury to persons or damage to property to the extent arising from negligent or otherwise wrongful acts, errors and omissions of Artist, its agents, and employees.

14. INSURANCE

If Subrecipient and any sub-contractor of Subrecipient have employees Subrecipient and the sub-contractor(s) shall provide the appropriate certificates of insurance and Worker Compensation documents, at no cost to the City, as described in Exhibit "D". Subrecipient further agrees and understands that it, and any sub-contractor are to maintain and keep in force the appropriate insurance certificates throughout the term of this Agreement.

15. CERTIFICATIONS

Subrecipient agrees to execute and abide by the certifications contained in Exhibit "C" hereto, and Subrecipient's application for ARPA funds, both of which are hereby made a part of this Agreement. In the event of any conflict between the terms of this Agreement and Subrecipient's Application, this Agreement shall control.

16. REVERSION OF ASSETS

- a. Upon expiration of the term of this Agreement, or upon any prior termination, Subrecipient shall transfer to City any funds provided hereunder which are on hand at the time of expiration or termination.
- b. In the event City incurs any costs or expenses in enforcing the requirements of this paragraph or in bringing any action to recover the property or amount of any repayment obligation, City shall be entitled to recover its costs and expenses, including reasonable attorney's fees.

17. RESPONSIBILITIES OF SUBRECIPIENT

Subrecipient warrants and represents that it:

- a. Has the requisite authority and capacity to perform all terms and conditions on Subrecipient's part to be performed hereunder;
- b. That it is duly organized as a non-profit organization under state law and is in good standing with the Secretary of State of Colorado;

- c. That it is a nonprofit organization exempt from Federal income taxation under Section 501(c)(3) of the Internal Revenue Code;
- d. That it is fully aware of and understands its duty to perform all functions and services in accordance with the regulatory requirements of 31 CFR Part 35 and those identified in Exhibit "C" hereto; and
- e. That it is accepting federal financial assistance hereunder subject to certain mandatory repayment provisions.

18. RESPONSIBILITIES OF THE CITY

- a. City shall provide Subrecipient with the information necessary to facilitate the performance of this Agreement;
- b. Give prompt notice to Subrecipient when the City becomes aware or observes of any deficiencies or discrepancies in the services provided.

19. ENTIRE AGREEMENT; AMENDMENTS

The provisions set forth in this Agreement, and all Exhibits and attachments to this Agreement, constitute the entire and complete agreement of the parties hereto and supersede all prior written and oral agreements, understandings or representations related thereto. No amendment or modification of this Agreement, and no waiver of any provisions of this Agreement shall be binding unless made in writing and executed by the duly authorized officers of both the Subrecipient and City

20. NOTICES

Notices, as referred to in this Agreement, shall be sent to:

City	City of Aurora, Colorado Attn: Controller 15151 East Alameda Parkway Aurora, Colorado 80012
With a copy to:	Office of the City Attorney 15151 East Alameda Parkway Aurora, Colorado 80012
Subrecipient	Aurora Interchurch Task Force Inc 1553 Clinton Street Aurora, CO 80010

21. LOBBYING

Subrecipient certifies that no Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the Subrecipient shall complete and submit the Standard Form LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

Subrecipient shall require that the language of this certification be included in the award documents for all sub awards at all tiers including subcontracts, sub grants, and contracts under grants, loans, and cooperative agreements and that all referenced shall certify and disclose accordingly.

22. EQUAL EMPLOYMENT OPPORTUNITY/NONDISCRIMINATION.

Subrecipient shall not discriminate against any employee, applicant for employment, contractor, or subcontractor because of race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. The Subrecipient shall adhere to acceptable affirmative action guidelines in selecting employees and contractors and shall ensure that employees and contractors receive fair treatment during employment or agreement, without regard to their race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.

The Subrecipient shall not discriminate because of race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status in Subrecipient services, activities, accommodations, or facility use. The Subrecipient shall adhere to and assure that employment and activity programming are conducted such that all individuals and groups, clients, participants, and/or employees will be treated equally without regard to their race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. The Subrecipient understands and agrees that any act of discrimination based upon race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status may jeopardize grant funding to the Subrecipient and may be subject to loss of funding, reimbursement of funds allocated, or denial of future funds.

23. SIGNATURES

The persons signing this Agreement on behalf of Subrecipient represent and warrant that such persons and Subrecipient have the requisite power and authority to enter, execute and deliver this Agreement and that this Agreement is a valid and legally binding obligation of Subrecipient enforceable against Subrecipient in accordance with its terms.

IN WITNESS, WHEREOF, the Subrecipient and the City have executed this Agreement as of the date first above written and under the laws of the State of Colorado.

SCOPE OF SERVICES

A. Principal Tasks

Title of project/program

Expanded Food Assistance and Community Navigation Services for Aurora Residents during COVID-19

Description of project/program

AICS requests ARPA funding from the City of Aurora for food pantry programs and community navigation services for Aurora residents who are facing food insecurity and poverty due to the effects of the COVID-19 pandemic. Through physical and mobile food pantries, AICS helps community members to survive food insecurity at the heightened level brought on by the economic fallout of the COVID-19 pandemic. AICS's community navigation services help clients to access the additional resources they need during this difficult time, ensuring that their urgent needs are met as well as helping them to work toward long-term self-sufficiency. City of Aurora ARPA funding will support the increased needs that AICS continues to address as a direct result of COVID-19 through contributing to essential direct program expenses. AICS provides food assistance to Aurora community members through a brick-and-mortar food pantry and a mobile food pantry. AICS's brick-and-mortar food pantry offers a variety of nutritious food options, including fresh and shelf-stable options as well as culturally appropriate choices. The pantry provides many hours of availability, being open Monday through Thursday and the last Saturday of each month—the only food pantry in Aurora providing this extent of coverage. Since COVID-19, we have been using a modified client choice model for our pantry, asking clients to tell us their food preferences rather than allowing clients into the pantry to select food for themselves. AICS's mobile food pantry, launched in 2020 in response to the increased need during the COVID-19 pandemic, provides additional food pantry services in a variety of locations around Aurora to ensure ease of access and reduce the stigma associated with food insecurity. After two years of drive-through and

walk-up food kit distribution, this year AICS's mobile pantry is providing farmer's market-style events, wherein clients are able to select food for themselves from a wide variety of fresh produce, shelf-stable, and culturally appropriate options. This model for mobile food distribution has been very well received by clients and community partners, providing a more dignified and culturally sensitive way for community members to get the food they need for their families. AICS's mobile pantry is efficient and effective due to partnerships with other organizations around Aurora, through whom or in conjunction with whom AICS distributes mobile pantry food. This year, AICS has begun to offer community navigation services to complement our food assistance programs for individuals and families who have been particularly affected by the pandemic. In this program, AICS staff build closer relationships with individual participants and work together to identify their current needs and ultimate goals. The Community Navigator then helps them to access community and governmental resources that will help them achieve those goals. AICS refers participants to our various partners throughout Aurora and Denver that offer effective support options, including job readiness training, computer literacy courses, home budgeting courses, rent assistance, housing assistance, and mental health support. There is a great need for this program, which will help current clients to not only survive COVID-driven poverty and hunger but to rise out of it and attain sustainable self-sufficiency. We have found that our clients have had difficulty finding and utilizing these resources for myriad reasons that include a lack of time, language barriers, experiences of discrimination, and often an unawareness of the services available. We are working on hiring a bilingual staff member to both facilitate community navigation services and assist our Spanish-speaking clients with intake at the food pantry.

Describe your project/program timeline and anticipated schedule of completion.

AICS's COVID-response food assistance and community navigation programs are ongoing, continuing an expanded service level that we have been providing and adjusting since the onset of the pandemic. AICS's facility is open four to five days a week year-round, providing ample availability for in-house food pantry and community navigation services. We will provide at least 20 mobile food pantry markets or distributions this year, and expect similar annual mobile pantry numbers during the grant period. The mobile pantry operates April through December, with the bulk of markets and distributions occurring during the warmer months when outdoor food distribution is safest and most effective. As the Aurora community continues to face food insecurity and poverty as a result of the ongoing disaster, including recent inflation, we plan to continue to provide expanded and responsive food pantry and community navigation services throughout the Aurora Nonprofit Grant period. Given the ongoing and responsive nature of this programming, we do not expect any sort of formal completion. However, by mid-2024 when the Aurora Nonprofit Grant period ends, we expect to have a strong understanding of what the Aurora community's needs will look like moving forward. If, at that point, there continues to be a need for AICS's expanded COVID-19-response programming, we plan to have a sustainable fundraising and operational strategy in place and will smoothly transition away from ARPA funding.

How will you measure the success and impact of this program or project?

AICS uses a 35-year-old client database, case manager/community navigator records, client survey results, and conversations and relationships with clients to evaluate the organization's impact and client satisfaction as well as to gather information on clients' needs. We also evaluate our success based on input from our many community partner organizations. AICS measures impact based on the number of unduplicated individuals and households served, the number of (duplicated) client encounters, the number of meals provided, client satisfaction, and clients' progress toward self-

sufficiency. For the mobile food pantry program, AICS also evaluates impact based on the number of mobile pantry events held. AICS is in the process of implementing a new database system, which will improve the organization's tracking and reporting capabilities. Based on a steady increase in client visits in recent months, we are currently projecting greater service numbers during the grant period than we delivered last year. With your support, in Year 1 of the Aurora Nonprofit Grant period (10/1/2022-9/30/2023) we expect to accomplish the following: *AICS will serve a total of approximately 12,500 unduplicated individuals through approximately 23,000 client encounters in our food assistance and community navigation programs. *AICS will provide over 500,000 meals to Aurora community members facing food insecurity. *AICS's brick-and-mortar facility will provide food pantry services, complemented by utilities bill assistance and community navigation resources. Food pantry clients will take home a nine- to ten-day supply of food for their families, or a shorter-term supply for those experiencing homelessness. The food pantry will be open four to five days each week. In 2022-2023, AICS aims to provide a greater variety of fresh vegetables and fruit, building on the increased amount of produce provided in 2021-2022. *AICS will provide at least 20 mobile food pantry distributions in locations around Aurora, providing an average of 15,000+ meals to about 1,000 people per mobile pantry distribution. Each client will receive three to seven days' worth of food, along with referral resources to additional services offered throughout the region. *AICS will provide bilingual community navigation services for some food pantry clients, helping them to access the services that they need immediately as well as resources to help them accomplish their goals and attain sustainable self-sufficiency. During Year 2 of the Aurora Nonprofit Grant period (10/1/2023-6/30/2024), we expect to continue to deliver the same level of food assistance and community navigation services, resulting in the following projected outputs: *AICS will serve a total of approximately 9,375 unduplicated individuals through approximately 17,250 client encounters in our food assistance and community navigation programs. *AICS will provide over 375,000 meals to Aurora community members facing food insecurity. During the Aurora Nonprofit Grant period, AICS will also conduct and implement strategic planning that will include a clear and achievable fundraising strategy. By the end of the grant period, AICS will be enacting a sustainable funding plan that will decrease our need for COVID-19 relief funds and ensure the continuity of our services and operations into the future at the level the community needs.

B. Approved Budget

The **approved budget** during the term of this agreement is attached at this link: [Link to Project Budget \(https://arpaauracityco.powerappsportals.com/entity/annotation/f2f4d3cd-5c04-ed11-82e4-002248087522/803e2483-5c04-ed11-82e4-002248087dcc\)](https://arpaauracityco.powerappsportals.com/entity/annotation/f2f4d3cd-5c04-ed11-82e4-002248087522/803e2483-5c04-ed11-82e4-002248087dcc).

Changes in the scope of services, budget, or method of compensation contained in this Agreement, unless otherwise noted, may only be made through a written amendment to this Agreement, executed by the Subrecipient and the City.

C. Performance Monitoring

The City and its consultants will monitor the performance of the Subrecipient according to the Principal Tasks and Budget set forth herein. Subrecipient shall fully cooperate with the City in relation to training and education on requirements and attending training sessions as well as monitoring, evaluation, and audits. Substandard performance shall mean non-compliance with this Agreement. If actions to correct such substandard performance are not taken by the Subrecipient within a reasonable period of time after being so notified by the City, contract suspension or termination procedures may be initiated, in the sole discretion of the City.

EXHIBIT B

COMPLIANCE PROVISIONS INCORPORATED IN THE SUBRECIPIENT AGREEMENT

1. An accounting system using the accrual basis of generally accepted accounting principles which accurately reflects all costs chargeable (paid and unpaid) to the Project is mandatory. A receipts and disbursements ledger must be maintained. A general ledger with an income and expense account for each budgeted line item is necessary. Paid invoices revealing check number, date paid, and item is necessary. Similarly, cash receipts for the payment of wages is mandatory. Paid invoices revealing check number, date paid, and evidence of goods or services received are to be filed per the expense account they were charged. The City must review and approve your account system and internal controls prior to the release of funds.
2. There is no flexibility on budgets. Line items may be changed only by the City's written concurrence of a budget amendment.
3. Eligible expenses are those considered reasonable and necessary costs for the efficient operation of the Project as determined by the City. All costs must be budgeted items. Request for advance or reimbursements of expenses must be accompanied by:
 1. Original invoice marked with funding source
 2. Detailed listing of each expense showing:
 - a. recipient
 - b. brief description of purchase
 - c. amount with method of computation detailed
 - d. how expense meets program goal per approved proposalCost Summary must be submitted monthly to reflect entries through the closing date for the books (indicate Closing Date on Cost Summary).
4. The City shall not be obligated to any third-party contractors of the Subrecipient. The subrecipient is further cautioned against obligating funds beyond the contract date of the agreement between the City and the Subrecipient.
5. The Subrecipient will furnish the City such statements, records, data and information, and permit such interviews with personnel as the City may request to effectively monitor and evaluate the project.
6. City auditors will periodically make interim audits and may, upon completion of the Project, make a final audit.
7. All records must be retained by the Subrecipient for a period of three years following the last day of the Agreement. (Cost summary reports must reflect actual general ledger balances.)

EXHIBIT C

CERTIFICATIONS

Subrecipient hereby certifies that the grant will be conducted and administered in compliance with:

1. Title VII of the Civil Rights Act of 1964 (Pub. L. 88-352; 42 U.S.C. 2000d, et seq.) and implementing regulations issued at 24 CFR Part 1;
2. Title VIII of the Civil Rights Act of 1968 (Pub. L. 90-284; 42 U.S.C. 3601, et seq.), as amended; and that the subrecipient will administer all programs and activities related to housing and community development in a manner to affirmatively further fair housing;
3. Section 109 of the Housing and Community Development Act of 1974, as amended; and the regulations issued pursuant thereto;
4. Section 3 of the Housing and Urban Development Act of 1968, as amended;
5. Executive Order 11246, as amended by Executive Orders 11375 and 12086, and implementing regulations issued at 41 CFR Chapter 60;
6. Executive Order 11063, as amended by Executive Orders 12259, and implementing regulations at 24 CFR Part 107;
7. Section 504 of the Rehabilitation Act of 1973 (Pub. L. 93-112), as amended, and implementing regulations when published for effect;
8. The Age Discrimination in Employment Act of 1975 (Pub. L. 94-135), as amended, and implementing regulations when published for effect;
9. The Subrecipient, as applicable to a governmental or nongovernmental agency, shall comply with the requirements and standards of 2 CFR Chapter I, and Chapter II, Parts 200, 215, 220, 225 and 230, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards" aka "Super Circular"; and shall comply with applicable sections of 79 FR 75871 "Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments".
10. Executive Order 11988 relating to the evaluation of flood hazards and Executive Order 11288 relating to the prevention, control and abatement of water pollution;
11. The flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (Pub. L. 93-234);
12. The applicable regulations, policies, guidelines and requirements of OMB Circular Nos. A-102, Revised, 24 CFR 85 and Subpart J of 24 CFR 570, A-87, A-110, A-122, A-128 and A-133 as they relate to the acceptance and use of federal funds under this federally-assisted program;
13. The Clean Air Act (42 U.S.C. 7401 et seq.) as amended; particularly section 176 (c) and (d) [42 U.S.C. 7506 (c) and (d)];
14. The Safe Drinking Water Act of 1974 (42 U.S.C. 201, 300 (f) et seq., and 21 U.S.C. 349) as amended; particularly section 1424 (e) (42 U.S.C. 300 (h)-303 (e));
15. The Endangered Species Act of 1973 (16 U.S.C. 1531 et. Seq.) as amended; including but not limited to section 7 (16 U.S.C. 1536) thereof;
16. The Reservoir Salvage Act of 1960 916 U.S.C. 469 et seq.; particularly section 3 (16 U.S.C. 469a-1); as amended by the Archeological and Historical Preservation Act of 1974;
17. Flood Disaster Protection Act of 1973 (42 U.S.C. 4001 et seq.) as amended; particularly sections 102(a) and 202(a) [42 U.S.C. 4012a(a) and 4106(a)];

18. Executive order 11990, Protection of Wetlands, May 24, 1977 (42 FR 26961 et. Seq.); particularly sections 2 and 5;
19. Lead-Based Paint Poisoning Prevention requirements of 25 CFR Part 35 issued pursuant to the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4821 et.seq.);
20. The National Historic Preservation Act of 1966 (16 U.S.C. 470 et seq.) as amended; particularly section 106 (16 U.S.C. 470f); and
21. Executive Order 11593, Protection and Enhancement of the Cultural Environment, May 13, 1971 (36 FR 8921 et seq.); particularly section 2(c).
22. Construction work financed in whole or in part with federal funds is subject to the prevailing wage requirements of the Davis-Bacon Act (29 CFR, Parts 3 and 5), the Copeland Act (29 CFR Part 3), and the Contract Work Hours and Safety Standards Act (Public Law 91-54, 83 Stat. 96). When a project meets this applicability requirement, the labor standards provision of the HUD 4010 and the Davis Bacon Wage Decision issued for the project will be incorporated into this contract document and shall be incorporated into all construction contracts and subcontracts of any tier thereunder.
23. No ARPA funds may be expended for lobbying purposes and payments from other sources for lobbying must be disclosed (24 CFR Part 87).
 - a. No federally appropriated funds have been or will be paid, by or on behalf of subrecipient, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.
 - b. If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, 14 a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.
24. Where asbestos is present in property undergoing rehabilitation, Federal requirements apply regarding worker exposure, abatement procedures and disposal. (CPD-90-44 EPA/OSHA).

EXHIBIT D

INSURANCE REQUIREMENTS

During the term of this Agreement and until final acceptance by the City of all work covered by the Agreement, Subrecipient performing services under this Agreement shall provide, pay for and maintain in full force and effect the types and minimum limits of insurance, as indicated below, covering the Subrecipient, their employees, subcontractors or representatives, along with: the activities of any and all subcontractors retained by the Subrecipient or Subcontractors, the activities of anyone employed by any Subrecipient, Subcontractors, their representatives or anyone for whose acts they may be liable.

Commercial General Liability Insurance. Subrecipient shall maintain commercial general liability insurance covering all operations by or on behalf of Subrecipient on a per occurrence basis against claims for personal injury (including bodily injury and death) and property damage (including loss of

use). Coverage will include, if appropriate for the scope of services: Products and Completed Operations, Contractual Liability and a Waiver of Subrogation. The City, its elected and appointed officials, employees, agents and representatives shall be named as Additional Insureds by endorsement.

Minimum limits:

\$1,000,000 each occurrence

\$2,000,000 general aggregate

\$2,000,000 products and completed

Commercial Automobile Liability Insurance. Subrecipient shall maintain business automobile liability covering liability arising out of the operation of any vehicle (including owned, non-owned and hired vehicles) with minimum limits of \$1,000,000 combined single limit each accident, naming the City as an Additional Insured by endorsement.

Workers' Compensation and Employers Liability Insurance. Subrecipient shall maintain Worker's Compensation Insurance with limits in accordance with the provisions of the Workers' Compensation Act, as amended, by the State of Colorado. Additionally, Subrecipient shall maintain Employers Liability Insurance with minimum limits of \$500,000 bodily injury for each accident, \$100,000 bodily injury by disease each employee and \$500,000 bodily injury disease aggregate. If Subrecipient does not have employees, Subrecipient will provide a written statement indicating that it has no employees and is not subject to the provisions of Colorado Workers' Compensation Act.

If Subrecipient engages services of a subcontractor, Subrecipient is responsible for verifying that the subcontractor's insurance meets the insurance requirements set forth above and that it is in effect prior to and throughout performance of work under this agreement. Any subcontractor who ceases to provide insurance coverage as set forth above must be removed from the project until such time that insurance coverage can be verified as in full force and effect.

Limits of Insurance. The total limits of general and excess liability insurance set forth above may be provided to the City using a combination of primary and excess liability insurance.

Additional Insured and Waiver of Subrogation. Subrecipient shall name the City of Aurora, its elected and appointed officials, employees, agents and representatives as additional insureds by endorsement and provide a waiver of subrogation for the Commercial General Liability and Auto Liability insurance policies. The certificate of insurance will include these specific requirements along with a copy of the relevant endorsements.

Certificates of Insurance. Upon the execution of this Agreement, Subrecipient shall provide certificates of insurance to the City demonstrating that at the minimum coverages required herein are in effect. Subrecipient agrees that the required coverages will not be reduced, canceled, non-renewed or materially changed without Thirty (30) days prior written notice to the City. All certificates of insurance must be kept in force throughout the duration of the services. If any of Subrecipient's or its subcontractor's coverage is renewed at any time prior to completion of the services, Subrecipient shall be responsible for obtaining updated insurance certificates for itself and such subcontractor from the respective insurance carriers and forwarding the replacement certificates to the City within five (5) days of the expiration date of any previously delivered certificate.

The minimum A.M. Best rating of each primary insurer shall be A- VIII and the minimum A.M. Best rating of each excess insurer shall be A- VII. The Subrecipient shall provide copies of insurance policies to the City Risk Manager upon request.

Any of the minimum limits of insurance set out herein may be raised or lowered at the sole discretion of the Risk Manager for the City in response to the particular circumstances giving rise to the contract. Subrecipient's policy will be primary and non-contributory with respect to any and all insurance policies purchased by the City.

In the event that the contract involves professional or consulting services, in addition to the aforementioned insurance requirements, the contract shall also be protected by a Professional Liability Insurance policy as set forth below:

Professional Liability Insurance. Subrecipient shall maintain professional liability insurance with minimum limits of One Million Dollars (\$1,000,000), covering those claims which arise out of the negligent acts or omissions of the Subrecipient, its Subcontractor and any other parties for whom it may be liable including without limitation, bodily injury, personal injury, property damage and including a contractual liability endorsement specifically applicable to the insurable indemnity obligations set forth herein which Professional Liability Insurance shall be carried on a claims-made basis maintained in full force and effect for the term of this Agreement and, to the extent possible, for a minimum period of Three (3) years after the completion of any and all of Subrecipient's Services hereunder. Any retroactive date or prior acts exclusion to which such coverage is subject shall pre-date both the date upon which any services hereunder are commenced and the date of this Agreement. In the event that coverage is renewed during the original term of any subsequent term of this agreement, endorsement(s) for the new policy(ies) shall be delivered within ten (10) days of the expiration date of any previously delivered certificate.

*Note: Per the grant period, the budget shown for Year 1 comprises 12 months (October 2022-September 2023), and Year 2 comprises 9 months (October 2023-June 2024). However, since our initial application, AICS has secured funding to cover expenses during the remainder of 2022. Therefore, Aurora ARPA funds will contribute to 9 months of expenses in Year 1 (January-September 2023) and 9 months of expenses in Year 2 (October 2023-June 2024).

Proposed Project/Program Revenue

Category	Amount Year 1	Explanation Year 1	Amount Year 2	Explanation Year 2
Aurora Nonprofit Grant Request	\$100,000	AICS seeks funding in support of the expansion of our food pantry and community navigation programming due to COVID-19. We are only requesting Aurora Nonprofit Grant funding for the programming that is above and beyond what we provided pre-pandemic (in 2019). Due to other funding received for 2022, Aurora Nonprofit Grant funding will support 9 months of programming in this year (January-September 2023).	\$100,000	AICS's Year 2 funding request is for the same purpose as Year 1. Year 2 funding will support 9 months of food pantry and community navigation program expansion to align with the Aurora Nonprofit Grant period. All of the Year 2 budget shown in this column is for 9 months: October 2023 through June 2024.
Government Grants	\$34,438	This is grant funding pledged from Adams County and is nonduplicative of the funds requested from the Aurora Nonprofit Grant.	\$25,829	This is grant funding pledged from Adams County and is nonduplicative of the funds requested from the Aurora Nonprofit Grant.
Foundation Grants	\$102,727	Pledged, requested, and anticipated foundation funders include El Pomar Foundation, the Virginia W. Hill Charitable Foundation, the John G. Duncan Charitable Trust, and others.	\$52,045	Anticipated foundation funders include the Virginia W. Hill Charitable Foundation, the John G. Duncan Charitable Trust, and others.
Individual Support	\$63,454	AICS is grateful to receive donations from many individuals each year.	\$47,591	AICS is grateful to receive donations from many individuals each year.
Corporate Support events, fees, contract revenue)	\$6,000	AICS is actively working on building a corporate support strategy. AICS does not charge fees for any services and \$0 has no earned income.	\$4,500	AICS is actively working on building a corporate support strategy. AICS does not charge fees for any services and \$0 has no earned income.
In-Kind Donations	\$1,030,000	AICS receives generous in-kind support each year, primarily in the form of food contributed from individuals, churches, and corporations.	\$772,500	AICS receives generous in-kind support each year, primarily in the form of food contributed from individuals, churches, and corporations.
Other	\$58,750	This revenue comprises Civic/Faith group donations (\$27,000), utilities assistance income from Energy Outreach Colorado (\$31,500), and investment income (\$250).	\$44,062	This revenue comprises Civic/Faith group donations (\$20,250), utilities assistance income from Energy Outreach Colorado (\$23,625), and investment income (\$188).

Proposed Project/Program Expenses

Category	Amount Year 1	Explanation Year 1	Amount Year 2	Explanation Year 2
Personnel	\$197,537	This expense comprises wages for time directly spent in food assistance and community navigation program delivery for the Executive Director, Operations Manager, Program Director (a new position to support increased programming), Food Pantry Manager, and Intake and Navigation Specialist. \$61,768 of Aurora Nonprofit Grant funds will go to this critical expense (grant funds will not contribute to benefits, payroll processing fees, or payroll taxes).	\$148,153	This expense comprises wages for time directly spent in food assistance and community navigation program delivery for the Executive Director, Operations Manager, Program Director, Food Pantry Manager, and Intake and Navigation Specialist. \$61,768 of Aurora Nonprofit Grant funds will go to this critical expense (grant funds will not contribute to benefits, payroll processing fees, or payroll taxes).
Program Supplies and/or Equipment	\$100,939	This line includes expenses such as food purchases for the pantries, program supplies including PPE, fuel/maintenance for the mobile pantry truck, and rent for program space. Based on recent decreases in in-kind food donations and increases in community members seeking food assistance, this figure includes a significant food expense increase over what AICS budgeted for 2022. Aurora Nonprofit Grant funds will contribute \$38,232 to these expenses.	\$75,704	This line includes food purchases for the pantries, program supplies including PPE, and fuel/maintenance for the mobile pantry truck. Aurora Nonprofit Grant funds will contribute \$38,232 to these expenses.
Capital	\$0	AICS does not have any capital expenditures planned.	\$0	AICS does not have any capital expenditures planned.
Contractors/Consultants	\$7,200	This expense is for a grant writing and fundraising contractor. Aurora Nonprofit Grant funds will not contribute to this expense.	\$5,400	This expense is for a grant writing and fundraising contractor. Aurora Nonprofit Grant funds will not contribute to this expense.
In-Kind Expenses	\$1,030,000	This line reflects the expenditure of all in-kind donations (primarily food).	\$772,500	This line reflects the expenditure of all in-kind donations (primarily food).

Other Program Costs	<p>Other program costs include utilities payment assistance for food pantry clients (\$30,000), outreach and marketing (\$1,500), special events (\$5,000), and all indirect program expenses (including building maintenance, trash collection, utilities, phone and internet, office supplies, bank fees, dues, and licenses, totaling \$23,193). Aurora Nonprofit Grant funds will not contribute to any of these expenses.</p>	<p>Other program costs include utilities payment assistance for food pantry clients (\$22,500), outreach and marketing (\$1,125), special events (\$3,750), and all indirect program expenses (including building maintenance, trash collection, utilities, phone and internet, office supplies, bank fees, dues, and licenses, totaling \$17,395). Aurora Nonprofit Grant funds will not contribute to any of these expenses.</p>

SUBRECIPIENT AGREEMENT

CORONAVIRUS STATE FISCAL RECOVERY - ARPA FUNDS ASSISTANCE LISTING NUMBER (formerly CFDA): 21-027

FAIN:

THIS SUBRECIPIENT AGREEMENT ("Agreement") is made and entered into this Fourteenth day of November 2022, by and between the City of Aurora, Colorado, a Colorado municipal corporation, hereinafter referred to as the "City" and East Colfax Community Collective, a Colorado nonprofit corporation, hereinafter referred to as the "Subrecipient" UEI (if applicable): C9H5PMZHZJF6. City and Subrecipient are sometimes each referred to as a "Party" and collectively "Parties."

RECITALS

WHEREAS, on March 11, 2021, President Biden signed the U.S. Senate-amended H.R. 1319 (P.L. 117-2) known as the American Rescue Plan Act (hereinafter "ARPA"); and

WHEREAS, In Pub. Law. 117-2, Subtitle M, Sec. 9901, (The American Rescue Act or "ARPA") the US Congress allocated money to local government for various purposes; and

WHEREAS, on May 10, 2021, the U.S. Treasury issued the Interim Final Rule to implement ARPA in Title 31, Part 35 of the Code of Federal Regulations ("CFR"); and

WHEREAS, under ARPA Section 603 (c)(1)(A) and (3) and the Interim Final Rule 31 CFR 35.6(b)(7) recipients may use Coronavirus Local Fiscal Recovery ("CLFR") Funds to award grants to nonprofit organizations that are responding to the negative economic impacts of the COVID-19 public health emergency; and

WHEREAS, under ARPA Section 603 (c)(1)(A) and the Interim Final Rule 31 CFR 35.6(b)(7) and (12) recipients may provide CLFR Funds to programs or services to disproportionately impacted communities; and

WHEREAS, the City desires to disburse funds from Project No. CI-2113 to the Subrecipient to administer the Project and perform certain services in connection therewith as set forth in this Agreement and in the Scope of Services attached hereto; and

WHEREAS, Subrecipient has represented to the City that is duly qualified, eligible and willing to undertake the Project and provide the services identified herein and in the Scope of Services attached hereto.

NOW, THEREFORE, in consideration of the foregoing recitals and in consideration of the terms and conditions set forth herein, the Parties hereto mutually agree as follows:

1. SCOPE OF SERVICES

Subrecipient agrees to satisfactorily perform and complete all services and items of work, and furnish all labor and materials encompassed within or reasonably necessary to accomplish the tasks and functions described in the Scope of Services attached hereto as Exhibit "A" and incorporated herein by reference, in full compliance with all provisions of this Agreement.

Administrative Costs as defined in 24 CFR 576.108 are not an eligible reimbursable cost offered to subrecipients.

This award is not for Research and Development.

2. BUDGET AND METHOD OF PAYMENT

- a. City will pay to Subrecipient an amount up to that specified in subparagraph (c) of this paragraph as full compensation for all services and work to be performed or undertaken by Subrecipient under this Agreement. Payment of funds to Subrecipient is subject to all of the following requirements, which shall be conditions precedent to payment:
 - i. That Subrecipient has expended funds for eligible approved expenditures;
 - ii. That Subrecipient is not in default of any material provision of this Agreement nor applicable law or regulation;
 - iii. That Subrecipient has timely submitted requests for payment or reimbursement detailing the eligible payment or reimbursement items in a format approved by City; and
 - iv. That Subrecipient has certified with each payment or reimbursement request compliance with the requirements identified in Exhibit "C" and that all expenditures for which reimbursement is sought were made for and in furtherance of the approved Project and are an eligible use of federal assistance under ARPA and federal regulations.
- b. Payment hereunder is also subject to and may only be disbursed in accordance with applicable Federal regulations including but not limited to those at 31 CFR Part 35, as presently promulgated and as same may be revised from time to time in the future, all other terms of this Agreement, and any special provisions in the Scope of Services. All payments received by Subrecipient hereunder are subject to repayment by Subrecipient as provided in 31 CFR Part 35.
- c. The aggregate of all payments made hereunder shall not exceed **three hundred and thirteen thousand five hundred and ninety-eight dollars and zero cents (\$313,598.00)**.
- d. Upon expiration of the term of this Agreement or upon any prior termination, Subrecipient shall transfer to City any funds provided hereunder which are on hand at the time of expiration or termination.

3. TERM OF PROJECT AND AGREEMENT

- a. PROJECT. The term of the Project shall be from the date this Agreement. The Project will be completed on June 30, 2024 unless this Agreement is sooner terminated as herein provided.
- b. AGREEMENT. The term of this Agreement shall be from the date this Agreement. The activities contemplated by this Agreement will be completed on or before June 30, 2024 unless sooner terminated as herein provided.

4. SUBRECIPIENT RECORDS

Subrecipient shall maintain records as to all services provided, reimbursable expenses incurred in performing the Scope of Services and complete accounting records. Accounting records shall be kept on a generally recognized accounting basis and as requested by any representee of the City. Subrecipient agrees to comply with all applicable uniform administrative requirements described or referenced in 31 CFR 35. The Compliance Provisions attached as Exhibit "B" hereto are made a part of this Agreement and Subrecipient agrees to perform and comply with same. The City, Comptroller General of the United States, the Inspector General of the U.S. Treasury and any of their authorized representatives, shall have the right to inspect and copy, during reasonable business hours, all books, documents, papers and records of the Subrecipient which relate to this Agreement for making an audit or examination. Upon completion of the work and end of the term of this Agreement, the City may require copies of all Subrecipient's financial records relating to this Agreement to be turned over to City.

The Subrecipient, which is a non-federal agency, that expends \$750,000 or more during the Subrecipient's fiscal year, shall have a single audit conducted for that year in accordance with the provisions 2 CFR 200, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards", "Super Circular", Audit shall be completed within nine (9) months of the Subrecipients audit period and a copy of the most recent audit shall be forwarded to the City within thirty (30) days of completion.

5. MONITORING AND EVALUATION

City and its consultants shall have the right to monitor and evaluate the progress and performance of Subrecipient to assure that the terms of this Agreement are being satisfactorily fulfilled in accordance with City's and other applicable monitoring and evaluation criteria and standards. City may at least quarterly review Subrecipient's performance using on-site visits, progress reports required to be submitted by Subrecipient, audit findings, disbursements transactions, and contact Subrecipient as necessary. Subrecipient shall furnish City quarterly program and financial reports of its activities in such form and manner as may be requested by the City. Subrecipient shall fully cooperate with the City in relation to training and education on requirements and attending training sessions as well as monitoring, evaluation, and audits.

6. PERFORMANCE REPORTING

City shall at least quarterly review Subrecipient's performance using on-site visits, progress reports required to be submitted by Subrecipient, audit findings, disbursements transactions and contact with the Subrecipient as necessary. Subrecipient shall furnish to City quarterly program performance and financial reports of its activities in such form and manner as may be requested by the City. Quarterly reports are due by last day of first month following the end of a quarter. Subrecipients shall fully cooperate with City in relation to such monitoring, evaluation, and audits.

7. SUBRECIPIENT FILES AND INFORMATION REPORTS

Subrecipient shall maintain files containing information which shall clearly document all activities performed in conjunction with this Agreement, including, but not limited to, financial transactions, conformance with assurances and activity reports. These records shall be retained by Subrecipient for a period of three years after the completion of the Project.

The Subrecipient shall keep accurate books and records of accounts in accordance with generally accepted accounting principles of all expenditures made and all costs and liabilities incurred utilizing Program Funds. The aforementioned accounts and all project records shall be made available upon request by the City or any other federal agency for examination and audit. All books and records of accounts must be retained for four (4) years from the date of this agreement.

8. ASSIGNABILITY

This Agreement shall not be assigned or transferred by the Subrecipient without the prior written consent of the City. Any assignment or attempted assignment made in violation of this provision shall, at City's election, be deemed void and of no effect whatsoever.

9. AVOIDANCE OF CONFLICT OF INTEREST

Subrecipient certifies and warrants that neither it nor any members of its Board of Directors, officers or employees has or will derive any personal or financial interest or benefit from the activity or activities assisted pursuant to this Agreement, nor has an interest in any contract,

subcontract or agreement with respect thereunto, nor the proceeds thereunder, either for themselves or for those with whom they have family or business ties, during their tenure and for one year thereafter. Subrecipient shall avoid all conflicts of interest which are prohibited by applicable federal regulations including but not limited to those set forth in 31 CFR Part 35 as presently promulgated and as same may be revised from time to time in the future.

10. INDEPENDENCE OF SUBRECIPIENT

Nothing herein contained nor the relationship of Subrecipient to City, which relationship is expressly declared to be that of an independent contractor, shall make or be construed to make Subrecipient or any of Subrecipient's agents or employees the agents or employees of the City. Subrecipient shall be solely and entirely responsible for its acts and the acts of its agents, employees and subcontractors

11. INDEMNIFICATION. LEGAL DISCLAIMER

Subrecipient and any and all of its personnel operating under the terms of this agreement are not to be considered agents or employees of the City for any purpose and are not entitled to any of the benefits that the City provides for the City's employees. Subrecipient covenants and agrees to, and does hereby, indemnify and hold harmless, to the extent permitted by law, defend the City, its agents, servants, or employees, from and against any and all claims for injuries or damages to persons or property of whatsoever kind of character, whether real or asserted, arising out of this agreement for the work to be performed hereunder. The Subrecipient hereby assumes all liability and responsibility for injuries, claims or suits for damages to persons or property of whatsoever kind or character, whether real or asserted, arising out of the performance.

Pursuant to Colorado Constitution Article XI, Sections 1 and 2 the City shall not indemnify or hold harmless Subrecipient, or any party related or operating under this Agreement with or without the City's consent. No provision in this Agreement shall limit or set the amount of damages available to the City to any amount other than the actual direct and indirect damages to the City, regardless of the theory or basis for such damages. Any provision included or incorporated herein by reference which purports to negate this provision in whole or in part shall not be valid or enforceable or available in any action at law or equity, whether by way of complaint, defense, or otherwise. Any provision rendered null and void by this provision shall not invalidate the remainder of the Agreement.

12. TERMINATION OF AGREEMENT

- a. For Cause: This Agreement may be terminated by City for cause, including any nonperformance by the Subrecipient, upon ten (10) days written notice to Subrecipient including a statement of the reasons therefore, and after an opportunity for a hearing has been afforded. If a hearing is requested, it shall be held before the City's Mayor whose decision shall be final. The determination of the City as to the cause of termination and the appropriateness thereof shall be final and binding upon both City and Subrecipient. Cause for termination shall include:
 - Improper use of funds;
 - Failure to comply with the terms and conditions of this Agreement;
 - Failure to comply with the terms and conditions of the Scope of Services, Exhibit A;
 - If, for any reason, this Agreement's performance is rendered impossible or unfeasible;
 - Failure to comply with applicable Federal, State, or local laws and regulations.
- b. For Convenience: This Agreement may be terminated by City for convenience upon ten (10) days written notice to Subrecipient, which decision shall not be subject to appeal.

- c. Post Expiration and Termination Procedures: Upon expiration or in the event of a prior termination, all remaining and unspent grant funds, shall immediately become the sole and separate property of the City and the Subrecipient shall perform all acts and execute all instruments necessary to transfer and assign such funds to the City. All finished or unfinished documents, data, studies, reports, and work product prepared by the Subrecipient under this Agreement or with grant funds shall, at the option of the City, become City's property.

13. LIABILITY

As to the City, Subrecipient agrees to assume the risk of all personal injury, including death and bodily injury, and damage to and destruction of property, including loss of use therefrom, caused by or sustained, in whole or in part, in conjunction with or arising out of the performance or nonperformance of this Agreement by Subrecipient or by the conditions created thereby. Subrecipient further agrees to indemnify and save harmless the City, its officers, agents and employees, from and against all claims, liabilities, costs, expenses, penalties and attorney fees arising from such injuries to persons or damages to property or based upon or arising out of the performance or nonperformance of this Agreement by Subrecipient or out of any violation by Subrecipient of any statute, ordinance, rule or regulation. Subrecipient shall be responsible for any injury to persons or damage to property to the extent arising from negligent or otherwise wrongful acts, errors and omissions of Artist, its agents, and employees.

14. INSURANCE

If Subrecipient and any sub-contractor of Subrecipient have employees Subrecipient and the sub-contractor(s) shall provide the appropriate certificates of insurance and Worker Compensation documents, at no cost to the City, as described in Exhibit "D". Subrecipient further agrees and understands that it, and any sub-contractor are to maintain and keep in force the appropriate insurance certificates throughout the term of this Agreement.

15. CERTIFICATIONS

Subrecipient agrees to execute and abide by the certifications contained in Exhibit "C" hereto, and Subrecipient's application for ARPA funds, both of which are hereby made a part of this Agreement. In the event of any conflict between the terms of this Agreement and Subrecipient's Application, this Agreement shall control.

16. REVERSION OF ASSETS

- a. Upon expiration of the term of this Agreement, or upon any prior termination, Subrecipient shall transfer to City any funds provided hereunder which are on hand at the time of expiration or termination.
- b. In the event City incurs any costs or expenses in enforcing the requirements of this paragraph or in bringing any action to recover the property or amount of any repayment obligation, City shall be entitled to recover its costs and expenses, including reasonable attorney's fees.

17. RESPONSIBILITIES OF SUBRECIPIENT

Subrecipient warrants and represents that it:

- a. Has the requisite authority and capacity to perform all terms and conditions on Subrecipient's part to be performed hereunder;
- b. That it is duly organized as a non-profit organization under state law and is in good standing with the Secretary of State of Colorado;

- c. That it is a nonprofit organization exempt from Federal income taxation under Section 501(c)(3) of the Internal Revenue Code;
- d. That it is fully aware of and understands its duty to perform all functions and services in accordance with the regulatory requirements of 31 CFR Part 35 and those identified in Exhibit "C" hereto; and
- e. That it is accepting federal financial assistance hereunder subject to certain mandatory repayment provisions.

18. RESPONSIBILITIES OF THE CITY

- a. City shall provide Subrecipient with the information necessary to facilitate the performance of this Agreement;
- b. Give prompt notice to Subrecipient when the City becomes aware or observes of any deficiencies or discrepancies in the services provided.

19. ENTIRE AGREEMENT; AMENDMENTS

The provisions set forth in this Agreement, and all Exhibits and attachments to this Agreement, constitute the entire and complete agreement of the parties hereto and supersede all prior written and oral agreements, understandings or representations related thereto. No amendment or modification of this Agreement, and no waiver of any provisions of this Agreement shall be binding unless made in writing and executed by the duly authorized officers of both the Subrecipient and City

20. NOTICES

Notices, as referred to in this Agreement, shall be sent to:

City	City of Aurora, Colorado Attn: Controller 15151 East Alameda Parkway Aurora, Colorado 80012
With a copy to:	Office of the City Attorney 15151 East Alameda Parkway Aurora, Colorado 80012
Subrecipient	East Colfax Community Collective 1195 Newport St Ste 107 Denver, CO 80220

21. LOBBYING

Subrecipient certifies that no Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the Subrecipient shall complete and submit the Standard Form LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

Subrecipient shall require that the language of this certification be included in the award documents for all sub awards at all tiers including subcontracts, sub grants, and contracts under grants, loans, and cooperative agreements and that all referenced shall certify and disclose accordingly.

22. EQUAL EMPLOYMENT OPPORTUNITY/NONDISCRIMINATION.

Subrecipient shall not discriminate against any employee, applicant for employment, contractor, or subcontractor because of race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. The Subrecipient shall adhere to acceptable affirmative action guidelines in selecting employees and contractors and shall ensure that employees and contractors receive fair treatment during employment or agreement, without regard to their race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.

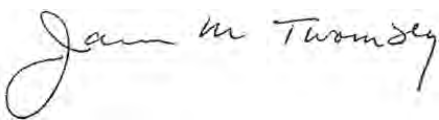

The Subrecipient shall not discriminate because of race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status in Subrecipient services, activities, accommodations, or facility use. The Subrecipient shall adhere to and assure that employment and activity programming are conducted such that all individuals and groups, clients, participants, and/or employees will be treated equally without regard to their race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. The Subrecipient understands and agrees that any act of discrimination based upon race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status may jeopardize grant funding to the Subrecipient and may be subject to loss of funding, reimbursement of funds allocated, or denial of future funds.

23. SIGNATURES

The persons signing this Agreement on behalf of Subrecipient represent and warrant that such persons and Subrecipient have the requisite power and authority to enter, execute and deliver this Agreement and that this Agreement is a valid and legally binding obligation of Subrecipient enforceable against Subrecipient in accordance with its terms.

IN WITNESS, WHEREOF, the Subrecipient and the City have executed this Agreement as of the date first above written and under the laws of the State of Colorado.

CITY OF AURORA, COLORADO

JAMES M. TWOMBLY,
City Manager

APPROVED AS TO FORM:

HANOSKY HERNANDEZ,
Sr. Assistant City Attorney

SUBRECIPIENT

Brendan Greene

Executive Director

EXHIBIT A

SCOPE OF SERVICES

A. Principal Tasks

Title of project/program

North West Aurora Multilingual Legal Services and Navigation Program

Description of project/program

EAST COLFAX LEGAL CLINIC (Residential)--The EC3 has formed a deep partnership with the COVID-19 Eviction Defense Project (CEDP) to provide pro-bono legal services to NWA residents who are suffering from public health violations at their apartment complexes and/or facing eviction due to COVID impacts. CEDP was formed in April 2020 and their mission is to Keep Coloradans Housed by helping to prevent mass evictions and homelessness during and after the pandemic. In this partnership, EC3 is providing the connection to the community by processing rental assistance applications in multiple languages and then connecting NWA residents at risk of eviction to CEDP for legal counsel and representation at the ECLC. ARPA Funding will allow us to expand our outreach efforts in the 80010 Zip Code to ensure that more NWA residents are able to access this critical support. ARPA funding will cover a large portion of the salary of our Aurora full time organizer, in addition to allowing us to fund a full time Aurora Community Navigator as well as our Community Interpreters who make providing our services in all NWA languages possible. A large portion of this work will be focused on preserving Naturally Occurring Affordable Housing (NOAH) by systematically documenting public health violations that are occurring in NWA apartment complexes and working with the City of Aurora and private foundations to begin to address these issues so that we can maintain this critical stock of NOAH housing that helps to ensure a stable and reliable workforce for this City's larger expansion plans. SMALL BUSINESS LEGAL CLINIC (SBLC)--The EC3 will be growing the legal services we provide to Small Businesses in NWA by continuing to build and grow our SBLC. Expensive legal fees can be the difference between surviving and folding for smaller mom and pop businesses and the EC3 sees expanding legal services as one of the most

critical ways to support BIPOC, immigrant and refugee owned businesses in the face of rising rents and gentrification pressures. ARPA funding will enable us to expand our outreach to BIPOC owned businesses in NWA and bring on a Community Navigator who will add capacity to our Business Organizer in directly supporting NWA businesses in applying for and receiving grant and relief funding. Similar to our ECLC, the SBLC will be a one stop shop where local businesses can receive direct assistance with applications, do pro-bono consultations with trusted lawyers, and for priority cases, receive free or lo-bono representation to address legal issues. Additionally, we will conduct regular know your rights presentations at the SBLC on topics selected by local businesses on issues such as leases, Common Area Maintenance (CAM) fees, zoning, permitting, and property taxes to name a few. A portion of ARPA funding will be dedicated to banking paid consultation hours for the most urgent legal cases to ensure that we have capacity to serve those who are most in need.

HOUSING AND BUSINESS NAVIGATION—In addition to our legal clinic models, the EC3 will conduct one on one support for residents and businesses who are struggling to access relief applications in their language. The EC3 has built capacity to support our community members in any language, and we will expand our team to be able to better reach the residents and businesses of NWA with the support of the ARPA Grant.

Describe your project/program timeline and anticipated schedule of completion.

This body of work is ongoing. If funded, we will look to hire a part time residential Community Navigator and a part time Business Community Navigator by the end of 2022 and move to increase our work in Aurora to be 50% of our total workload. By Mid 2023 we would look to convert these positions to full time positions as we continue to scale up and expand our work.

How will you measure the success and impact of this program or project?

We will measure our success by tracking the following metrics: Total # of Housing Assistance Applications completed Total # of Business Relief Applications completed Total # of Housing Assistance dollars distributed Total # of Business Relief dollars distributed % of housing and business applications who received language assistance % of Race, Ethnicity, and Language who access our services Total number of Evictions Stopped (Residential and Business) # served broken down by AMI Levels # of ECLC and SBLC attendees # of Public Health complaints filed on apartment violations

B. Approved Budget

The **approved budget** during the term of this agreement is attached at this link: [Link to Project Budget \(https://arpaauracityco.powerappsportals.com/_entity/annotation/1ed488e3-6804-ed11-82e4-002248087522/f5297cf8-6004-ed11-82e4-002248087522\)](https://arpaauracityco.powerappsportals.com/_entity/annotation/1ed488e3-6804-ed11-82e4-002248087522/f5297cf8-6004-ed11-82e4-002248087522)

Changes in the scope of services, budget, or method of compensation contained in this Agreement, unless otherwise noted, may only be made through a written amendment to this Agreement, executed by the Subrecipient and the City.

C. Performance Monitoring

The City and its consultants will monitor the performance of the Subrecipient according to the Principal Tasks and Budget set forth herein. Subrecipient shall fully cooperate with the City in relation to training and education on requirements and attending training sessions as well as monitoring, evaluation, and audits. Substandard performance shall mean non-compliance with this

Agreement. If actions to correct such substandard performance are not taken by the Subrecipient within a reasonable period of time after being so notified by the City, contract suspension or termination procedures may be initiated, in the sole discretion of the City.

EXHIBIT B

COMPLIANCE PROVISIONS INCORPORATED IN THE SUBRECIPIENT AGREEMENT

1. An accounting system using the accrual basis of generally accepted accounting principles which accurately reflects all costs chargeable (paid and unpaid) to the Project is mandatory. A receipts and disbursements ledger must be maintained. A general ledger with an income and expense account for each budgeted line item is necessary. Paid invoices revealing check number, date paid, and item is necessary. Similarly, cash receipts for the payment of wages is mandatory. Paid invoices revealing check number, date paid, and evidence of goods or services received are to be filed per the expense account they were charged. The City must review and approve your account system and internal controls prior to the release of funds.
2. There is no flexibility on budgets. Line items may be changed only by the City's written concurrence of a budget amendment.
3. Eligible expenses are those considered reasonable and necessary costs for the efficient operation of the Project as determined by the City. All costs must be budgeted items. Request for advance or reimbursements of expenses must be accompanied by:
 1. Original invoice marked with funding source
 2. Detailed listing of each expense showing:
 - a. recipient
 - b. brief description of purchase
 - c. amount with method of computation detailed
 - d. how expense meets program goal per approved proposal

Cost Summary must be submitted monthly to reflect entries through the closing date for the books (indicate Closing Date on Cost Summary).

4. The City shall not be obligated to any third-party contractors of the Subrecipient. The subrecipient is further cautioned against obligating funds beyond the contract date of the agreement between the City and the Subrecipient.
5. The Subrecipient will furnish the City such statements, records, data and information, and permit such interviews with personnel as the City may request to effectively monitor and evaluate the project.
6. City auditors will periodically make interim audits and may, upon completion of the Project, make a final audit.
7. All records must be retained by the Subrecipient for a period of three years following the last day of the Agreement. (Cost summary reports must reflect actual general ledger balances.)

EXHIBIT C

CERTIFICATIONS

Subrecipient hereby certifies that the grant will be conducted and administered in compliance with:

1. Title VII of the Civil Rights Act of 1964 (Pub. L. 88-352; 42 U.S.C. 2000d, et seq.) and implementing regulations issued at 24 CFR Part 1;
2. Title VIII of the Civil Rights Act of 1968 (Pub. L. 90-284; 42 U.S.C. 3601, et seq.), as amended; and that the subrecipient will administer all programs and activities related to housing and community development in a manner to affirmatively further fair housing;
3. Section 109 of the Housing and Community Development Act of 1974, as amended; and the regulations issued pursuant thereto;
4. Section 3 of the Housing and Urban Development Act of 1968, as amended;
5. Executive Order 11246, as amended by Executive Orders 11375 and 12086, and implementing regulations issued at 41 CFR Chapter 60;
6. Executive Order 11063, as amended by Executive Orders 12259, and implementing regulations at 24 CFR Part 107;
7. Section 504 of the Rehabilitation Act of 1973 (Pub. L. 93-112), as amended, and implementing regulations when published for effect;
8. The Age Discrimination in Employment Act of 1975 (Pub. L. 94-135), as amended, and implementing regulations when published for effect;
9. The Subrecipient, as applicable to a governmental or nongovernmental agency, shall comply with the requirements and standards of 2 CFR Chapter I, and Chapter II, Parts 200, 215, 220, 225 and 230, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards" aka "Super Circular"; and shall comply with applicable sections of 79 FR 75871 "Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments".
10. Executive Order 11988 relating to the evaluation of flood hazards and Executive Order 11288 relating to the prevention, control and abatement of water pollution;
11. The flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (Pub. L. 93-234);
12. The applicable regulations, policies, guidelines and requirements of OMB Circular Nos. A-102, Revised, 24 CFR 85 and Subpart J of 24 CFR 570, A-87, A-110, A-122, A-128 and A-133 as they relate to the acceptance and use of federal funds under this federally-assisted program;
13. The Clean Air Act (42 U.S.C. 7401 et seq.) as amended; particularly section 176 (c) and (d) [42 U.S.C. 7506 (c) and (d)];
14. The Safe Drinking Water Act of 1974 (42 U.S.C. 201, 300 (f) et seq., and 21 U.S.C. 349) as amended; particularly section 1424 (e) (42 U.S.C. 300 (h)-303 (e));
15. The Endangered Species Act of 1973 (16 U.S.C. 1531 et. Seq.) as amended; including but not limited to section 7 (16 U.S.C. 1536) thereof;
16. The Reservoir Salvage Act of 1960 916 U.S.C. 469 et seq.; particularly section 3 (16 U.S.C. 469a-1); as amended by the Archeological and Historical Preservation Act of 1974;
17. Flood Disaster Protection Act of 1973 (42 U.S.C. 4001 et seq.) as amended; particularly sections 102(a) and 202(a) [42 U.S.C. 4012a(a) and 4106(a)];

18. Executive order 11990, Protection of Wetlands, May 24, 1977 (42 FR 26961 et. Seq.); particularly sections 2 and 5;
19. Lead-Based Paint Poisoning Prevention requirements of 25 CFR Part 35 issued pursuant to the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4821 et.seq.);
20. The National Historic Preservation Act of 1966 (16 U.S.C. 470 et seq.) as amended; particularly section 106 (16 U.S.C. 470f); and
21. Executive Order 11593, Protection and Enhancement of the Cultural Environment, May 13, 1971 (36 FR 8921 et seq.); particularly section 2(c).
22. Construction work financed in whole or in part with federal funds is subject to the prevailing wage requirements of the Davis-Bacon Act (29 CFR, Parts 3 and 5), the Copeland Act (29 CFR Part 3), and the Contract Work Hours and Safety Standards Act (Public Law 91-54, 83 Stat. 96). When a project meets this applicability requirement, the labor standards provision of the HUD 4010 and the Davis Bacon Wage Decision issued for the project will be incorporated into this contract document and shall be incorporated into all construction contracts and subcontracts of any tier thereunder.
23. No ARPA funds may be expended for lobbying purposes and payments from other sources for lobbying must be disclosed (24 CFR Part 87).
 - a. No federally appropriated funds have been or will be paid, by or on behalf of subrecipient, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.
 - b. If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, 14 a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.
24. Where asbestos is present in property undergoing rehabilitation, Federal requirements apply regarding worker exposure, abatement procedures and disposal. (CPD-90-44 EPA/OSHA).

EXHIBIT D

INSURANCE REQUIREMENTS

During the term of this Agreement and until final acceptance by the City of all work covered by the Agreement, Subrecipient performing services under this Agreement shall provide, pay for and maintain in full force and effect the types and minimum limits of insurance, as indicated below, covering the Subrecipient, their employees, subcontractors or representatives, along with: the activities of any and all subcontractors retained by the Subrecipient or Subcontractors, the activities of anyone employed by any Subrecipient, Subcontractors, their representatives or anyone for whose acts they may be liable.

Commercial General Liability Insurance. Subrecipient shall maintain commercial general liability insurance covering all operations by or on behalf of Subrecipient on a per occurrence basis against claims for personal injury (including bodily injury and death) and property damage (including loss of use). Coverage will include, if appropriate for the scope of services: Products and Completed Operations, Contractual Liability and a Waiver of Subrogation. The City, its elected and appointed officials, employees, agents and representatives shall be named as Additional Insureds by endorsement.

Minimum limits:

\$1,000,000 each occurrence

\$2,000,000 general aggregate

\$2,000,000 products and completed

Commercial Automobile Liability Insurance. Subrecipient shall maintain business automobile liability covering liability arising out of the operation of any vehicle (including owned, non-owned and hired vehicles) with minimum limits of \$1,000,000 combined single limit each accident, naming the City as an Additional Insured by endorsement.

Workers' Compensation and Employers Liability Insurance. Subrecipient shall maintain Worker's Compensation Insurance with limits in accordance with the provisions of the Workers' Compensation Act, as amended, by the State of Colorado. Additionally, Subrecipient shall maintain Employers Liability Insurance with minimum limits of \$500,000 bodily injury for each accident, \$100,000 bodily injury by disease each employee and \$500,000 bodily injury disease aggregate. If Subrecipient does not have employees, Subrecipient will provide a written statement indicating that it has no employees and is not subject to the provisions of Colorado Workers' Compensation Act.

If Subrecipient engages services of a subcontractor, Subrecipient is responsible for verifying that the subcontractor's insurance meets the insurance requirements set forth above and that it is in effect prior to and throughout performance of work under this agreement. Any subcontractor who ceases to provide insurance coverage as set forth above must be removed from the project until such time that insurance coverage can be verified as in full force and effect.

Limits of Insurance. The total limits of general and excess liability insurance set forth above may be provided to the City using a combination of primary and excess liability insurance.

Additional Insured and Waiver of Subrogation. Subrecipient shall name the City of Aurora, its elected and appointed officials, employees, agents and representatives as additional insureds by endorsement and provide a waiver of subrogation for the Commercial General Liability and Auto Liability insurance policies. The certificate of insurance will include these specific requirements along with a copy of the relevant endorsements.

Certificates of Insurance. Upon the execution of this Agreement, Subrecipient shall provide certificates of insurance to the City demonstrating that at the minimum coverages required herein are in effect. Subrecipient agrees that the required coverages will not be reduced, canceled, non-renewed or materially changed without Thirty (30) days prior written notice to the City. All certificates of insurance must be kept in force throughout the duration of the services. If any of Subrecipient's or its subcontractor's coverage is renewed at any time prior to completion of the services, Subrecipient shall be responsible for obtaining updated insurance certificates for itself and such subcontractor from the respective insurance carriers and forwarding the replacement certificates to the City within five (5) days of the expiration date of any previously delivered certificate.

The minimum A.M. Best rating of each primary insurer shall be A- VIII and the minimum A.M. Best rating of each excess insurer shall be A- VII. The Subrecipient shall provide copies of insurance policies to the City Risk Manager upon request.

Any of the minimum limits of insurance set out herein may be raised or lowered at the sole discretion of the Risk Manager for the City in response to the particular circumstances giving rise to the contract. Subrecipient's policy will be primary and non-contributory with respect to any and all insurance policies purchased by the City.

In the event that the contract involves professional or consulting services, in addition to the aforementioned insurance requirements, the contract shall also be protected by a Professional Liability Insurance policy as set forth below:

Professional Liability Insurance. Subrecipient shall maintain professional liability insurance with minimum limits of One Million Dollars (\$1,000,000), covering those claims which arise out of the negligent acts or omissions of the Subrecipient, its Subcontractor and any other parties for whom it may be liable including without limitation, bodily injury, personal injury, property damage and including a contractual liability endorsement specifically applicable to the insurable indemnity obligations set forth herein which Professional Liability Insurance shall be carried on a claims-made basis maintained in full force and effect for the term of this Agreement and, to the extent possible, for a minimum period of Three (3) years after the completion of any and all of Subrecipient's Services hereunder. Any retroactive date or prior acts exclusion to which such coverage is subject shall pre-date both the date upon which any services hereunder are commenced and the date of this Agreement. In the event that coverage is renewed during the original term of any subsequent term of this agreement, endorsement(s) for the new policy(ies) shall be delivered within ten (10) days of the expiration date of any previously delivered certificate.

SUBRECIPIENT AGREEMENT

CORONAVIRUS STATE FISCAL RECOVERY - ARPA FUNDS ASSISTANCE LISTING NUMBER (formerly CFDA): 21-027

FAIN:

THIS SUBRECIPIENT AGREEMENT ("Agreement") is made and entered into this Fourteenth day of November 2022, by and between the City of Aurora, Colorado, a Colorado municipal corporation, hereinafter referred to as the "City" and New America College, a Colorado nonprofit corporation, hereinafter referred to as the "Subrecipient" UEI (if applicable): 000000000000. City and Subrecipient are sometimes each referred to as a "Party" and collectively "Parties."

RECITALS

WHEREAS, on March 11, 2021, President Biden signed the U.S. Senate-amended H.R. 1319 (P.L. 117-2) known as the American Rescue Plan Act (hereinafter "ARPA"); and

WHEREAS, In Pub. Law. 117-2, Subtitle M, Sec. 9901, (The American Rescue Act or "ARPA") the US Congress allocated money to local government for various purposes; and

WHEREAS, on May 10, 2021, the U.S. Treasury issued the Interim Final Rule to implement ARPA in Title 31, Part 35 of the Code of Federal Regulations ("CFR"); and

WHEREAS, under ARPA Section 603 (c)(1)(A) and (3) and the Interim Final Rule 31 CFR 35.6(b)(7) recipients may use Coronavirus Local Fiscal Recovery ("CLFR") Funds to award grants to nonprofit organizations that are responding to the negative economic impacts of the COVID-19 public health emergency; and

WHEREAS, under ARPA Section 603 (c)(1)(A) and the Interim Final Rule 31 CFR 35.6(b)(7) and (12) recipients may provide CLFR Funds to programs or services to disproportionately impacted communities; and

WHEREAS, the City desires to disburse funds from Project No. CI-2113 to the Subrecipient to administer the Project and perform certain services in connection therewith as set forth in this Agreement and in the Scope of Services attached hereto; and

WHEREAS, Subrecipient has represented to the City that is duly qualified, eligible and willing to undertake the Project and provide the services identified herein and in the Scope of Services attached hereto.

NOW, THEREFORE, in consideration of the foregoing recitals and in consideration of the terms and conditions set forth herein, the Parties hereto mutually agree as follows:

1. SCOPE OF SERVICES

Subrecipient agrees to satisfactorily perform and complete all services and items of work, and furnish all labor and materials encompassed within or reasonably necessary to accomplish the tasks and functions described in the Scope of Services attached hereto as Exhibit "A" and incorporated herein by reference, in full compliance with all provisions of this Agreement.

Administrative Costs as defined in 24 CFR 576.108 are not an eligible reimbursable cost offered to subrecipients.

This award is not for Research and Development.

2. BUDGET AND METHOD OF PAYMENT

- a. City will pay to Subrecipient an amount up to that specified in subparagraph (c) of this paragraph as full compensation for all services and work to be performed or undertaken by Subrecipient under this Agreement. Payment of funds to Subrecipient is subject to all of the following requirements, which shall be conditions precedent to payment:
 - i. That Subrecipient has expended funds for eligible approved expenditures;
 - ii. That Subrecipient is not in default of any material provision of this Agreement nor applicable law or regulation;
 - iii. That Subrecipient has timely submitted requests for payment or reimbursement detailing the eligible payment or reimbursement items in a format approved by City; and
 - iv. That Subrecipient has certified with each payment or reimbursement request compliance with the requirements identified in Exhibit "C" and that all expenditures for which reimbursement is sought were made for and in furtherance of the approved Project and are an eligible use of federal assistance under ARPA and federal regulations.
- b. Payment hereunder is also subject to and may only be disbursed in accordance with applicable Federal regulations including but not limited to those at 31 CFR Part 35, as presently promulgated and as same may be revised from time to time in the future, all other terms of this Agreement, and any special provisions in the Scope of Services. All payments received by Subrecipient hereunder are subject to repayment by Subrecipient as provided in 31 CFR Part 35.
- c. The aggregate of all payments made hereunder shall not exceed **ten thousand dollars and zero cents (\$10,000.00)**.
- d. Upon expiration of the term of this Agreement or upon any prior termination, Subrecipient shall transfer to City any funds provided hereunder which are on hand at the time of expiration or termination.

3. TERM OF PROJECT AND AGREEMENT

- a. PROJECT. The term of the Project shall be from the date this Agreement. The Project will be completed on June 30, 2024 unless this Agreement is sooner terminated as herein provided.
- b. AGREEMENT. The term of this Agreement shall be from the date this Agreement. The activities contemplated by this Agreement will be completed on or before June 30, 2024 unless sooner terminated as herein provided.

4. SUBRECIPIENT RECORDS

Subrecipient shall maintain records as to all services provided, reimbursable expenses incurred in performing the Scope of Services and complete accounting records. Accounting records shall be kept on a generally recognized accounting basis and as requested by any representee of the City. Subrecipient agrees to comply with all applicable uniform administrative requirements described or referenced in 31 CFR 35. The Compliance Provisions attached as Exhibit "B" hereto are made a part of this Agreement and Subrecipient agrees to perform and comply with same. The City, Comptroller General of the United States, the Inspector General of the U.S. Treasury and any of their authorized representatives, shall have the right to inspect and copy, during reasonable business hours, all books, documents, papers and records of the Subrecipient which relate to this Agreement for making an audit or examination. Upon completion of the work and end of the term of this Agreement, the City may require copies of all Subrecipient's financial records relating to this Agreement to be turned over to City.

The Subrecipient, which is a non-federal agency, that expends \$750,000 or more during the Subrecipient's fiscal year, shall have a single audit conducted for that year in accordance with the provisions 2 CFR 200, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards", "Super Circular", Audit shall be completed within nine (9) months of the Subrecipients audit period and a copy of the most recent audit shall be forwarded to the City within thirty (30) days of completion.

5. MONITORING AND EVALUATION

City and its consultants shall have the right to monitor and evaluate the progress and performance of Subrecipient to assure that the terms of this Agreement are being satisfactorily fulfilled in accordance with City's and other applicable monitoring and evaluation criteria and standards. City may at least quarterly review Subrecipient's performance using on-site visits, progress reports required to be submitted by Subrecipient, audit findings, disbursements transactions, and contact Subrecipient as necessary. Subrecipient shall furnish City quarterly program and financial reports of its activities in such form and manner as may be requested by the City. Subrecipient shall fully cooperate with the City in relation to training and education on requirements and attending training sessions as well as monitoring, evaluation, and audits.

6. PERFORMANCE REPORTING

City shall at least quarterly review Subrecipient's performance using on-site visits, progress reports required to be submitted by Subrecipient, audit findings, disbursements transactions and contact with the Subrecipient as necessary. Subrecipient shall furnish to City quarterly program performance and financial reports of its activities in such form and manner as may be requested by the City. Quarterly reports are due by last day of first month following the end of a quarter. Subrecipients shall fully cooperate with City in relation to such monitoring, evaluation, and audits.

7. SUBRECIPIENT FILES AND INFORMATION REPORTS

Subrecipient shall maintain files containing information which shall clearly document all activities performed in conjunction with this Agreement, including, but not limited to, financial transactions, conformance with assurances and activity reports. These records shall be retained by Subrecipient for a period of three years after the completion of the Project.

The Subrecipient shall keep accurate books and records of accounts in accordance with generally accepted accounting principles of all expenditures made and all costs and liabilities incurred utilizing Program Funds. The aforementioned accounts and all project records shall be made available upon request by the City or any other federal agency for examination and audit. All books and records of accounts must be retained for four (4) years from the date of this agreement.

8. ASSIGNABILITY

This Agreement shall not be assigned or transferred by the Subrecipient without the prior written consent of the City. Any assignment or attempted assignment made in violation of this provision shall, at City's election, be deemed void and of no effect whatsoever.

9. AVOIDANCE OF CONFLICT OF INTEREST

Subrecipient certifies and warrants that neither it nor any members of its Board of Directors, officers or employees has or will derive any personal or financial interest or benefit from the activity or activities assisted pursuant to this Agreement, nor has an interest in any contract,

subcontract or agreement with respect thereunto, nor the proceeds thereunder, either for themselves or for those with whom they have family or business ties, during their tenure and for one year thereafter. Subrecipient shall avoid all conflicts of interest which are prohibited by applicable federal regulations including but not limited to those set forth in 31 CFR Part 35 as presently promulgated and as same may be revised from time to time in the future.

10. INDEPENDENCE OF SUBRECIPIENT

Nothing herein contained nor the relationship of Subrecipient to City, which relationship is expressly declared to be that of an independent contractor, shall make or be construed to make Subrecipient or any of Subrecipient's agents or employees the agents or employees of the City. Subrecipient shall be solely and entirely responsible for its acts and the acts of its agents, employees and subcontractors

11. INDEMNIFICATION. LEGAL DISCLAIMER

Subrecipient and any and all of its personnel operating under the terms of this agreement are not to be considered agents or employees of the City for any purpose and are not entitled to any of the benefits that the City provides for the City's employees. Subrecipient covenants and agrees to, and does hereby, indemnify and hold harmless, to the extent permitted by law, defend the City, its agents, servants, or employees, from and against any and all claims for injuries or damages to persons or property of whatsoever kind of character, whether real or asserted, arising out of this agreement for the work to be performed hereunder. The Subrecipient hereby assumes all liability and responsibility for injuries, claims or suits for damages to persons or property of whatsoever kind or character, whether real or asserted, arising out of the performance.

Pursuant to Colorado Constitution Article XI, Sections 1 and 2 the City shall not indemnify or hold harmless Subrecipient, or any party related or operating under this Agreement with or without the City's consent. No provision in this Agreement shall limit or set the amount of damages available to the City to any amount other than the actual direct and indirect damages to the City, regardless of the theory or basis for such damages. Any provision included or incorporated herein by reference which purports to negate this provision in whole or in part shall not be valid or enforceable or available in any action at law or equity, whether by way of complaint, defense, or otherwise. Any provision rendered null and void by this provision shall not invalidate the remainder of the Agreement.

12. TERMINATION OF AGREEMENT

- a. For Cause: This Agreement may be terminated by City for cause, including any nonperformance by the Subrecipient, upon ten (10) days written notice to Subrecipient including a statement of the reasons therefore, and after an opportunity for a hearing has been afforded. If a hearing is requested, it shall be held before the City's Mayor whose decision shall be final. The determination of the City as to the cause of termination and the appropriateness thereof shall be final and binding upon both City and Subrecipient. Cause for termination shall include:
 - Improper use of funds;
 - Failure to comply with the terms and conditions of this Agreement;
 - Failure to comply with the terms and conditions of the Scope of Services, Exhibit A;
 - If, for any reason, this Agreement's performance is rendered impossible or unfeasible;
 - Failure to comply with applicable Federal, State, or local laws and regulations.
- b. For Convenience: This Agreement may be terminated by City for convenience upon ten (10) days written notice to Subrecipient, which decision shall not be subject to appeal.

- c. Post Expiration and Termination Procedures: Upon expiration or in the event of a prior termination, all remaining and unspent grant funds, shall immediately become the sole and separate property of the City and the Subrecipient shall perform all acts and execute all instruments necessary to transfer and assign such funds to the City. All finished or unfinished documents, data, studies, reports, and work product prepared by the Subrecipient under this Agreement or with grant funds shall, at the option of the City, become City's property.

13. LIABILITY

As to the City, Subrecipient agrees to assume the risk of all personal injury, including death and bodily injury, and damage to and destruction of property, including loss of use therefrom, caused by or sustained, in whole or in part, in conjunction with or arising out of the performance or nonperformance of this Agreement by Subrecipient or by the conditions created thereby. Subrecipient further agrees to indemnify and save harmless the City, its officers, agents and employees, from and against all claims, liabilities, costs, expenses, penalties and attorney fees arising from such injuries to persons or damages to property or based upon or arising out of the performance or nonperformance of this Agreement by Subrecipient or out of any violation by Subrecipient of any statute, ordinance, rule or regulation. Subrecipient shall be responsible for any injury to persons or damage to property to the extent arising from negligent or otherwise wrongful acts, errors and omissions of Artist, its agents, and employees.

14. INSURANCE

If Subrecipient and any sub-contractor of Subrecipient have employees Subrecipient and the sub-contractor(s) shall provide the appropriate certificates of insurance and Worker Compensation documents, at no cost to the City, as described in Exhibit "D". Subrecipient further agrees and understands that it, and any sub-contractor are to maintain and keep in force the appropriate insurance certificates throughout the term of this Agreement.

15. CERTIFICATIONS

Subrecipient agrees to execute and abide by the certifications contained in Exhibit "C" hereto, and Subrecipient's application for ARPA funds, both of which are hereby made a part of this Agreement. In the event of any conflict between the terms of this Agreement and Subrecipient's Application, this Agreement shall control.

16. REVERSION OF ASSETS

- a. Upon expiration of the term of this Agreement, or upon any prior termination, Subrecipient shall transfer to City any funds provided hereunder which are on hand at the time of expiration or termination.
- b. In the event City incurs any costs or expenses in enforcing the requirements of this paragraph or in bringing any action to recover the property or amount of any repayment obligation, City shall be entitled to recover its costs and expenses, including reasonable attorney's fees.

17. RESPONSIBILITIES OF SUBRECIPIENT

Subrecipient warrants and represents that it:

- a. Has the requisite authority and capacity to perform all terms and conditions on Subrecipient's part to be performed hereunder;
- b. That it is duly organized as a non-profit organization under state law and is in good standing with the Secretary of State of Colorado;

- c. That it is a nonprofit organization exempt from Federal income taxation under Section 501(c)(3) of the Internal Revenue Code;
- d. That it is fully aware of and understands its duty to perform all functions and services in accordance with the regulatory requirements of 31 CFR Part 35 and those identified in Exhibit "C" hereto; and
- e. That it is accepting federal financial assistance hereunder subject to certain mandatory repayment provisions.

18. RESPONSIBILITIES OF THE CITY

- a. City shall provide Subrecipient with the information necessary to facilitate the performance of this Agreement;
- b. Give prompt notice to Subrecipient when the City becomes aware or observes of any deficiencies or discrepancies in the services provided.

19. ENTIRE AGREEMENT; AMENDMENTS

The provisions set forth in this Agreement, and all Exhibits and attachments to this Agreement, constitute the entire and complete agreement of the parties hereto and supersede all prior written and oral agreements, understandings or representations related thereto. No amendment or modification of this Agreement, and no waiver of any provisions of this Agreement shall be binding unless made in writing and executed by the duly authorized officers of both the Subrecipient and City

20. NOTICES

Notices, as referred to in this Agreement, shall be sent to:

City

 AURORA, CO 80014

21. LOBBYING

Subrecipient certifies that no Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the Subrecipient shall complete and submit the Standard Form LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

Subrecipient shall require that the language of this certification be included in the award documents for all sub awards at all tiers including subcontracts, sub grants, and contracts under grants, loans, and cooperative agreements and that all referenced shall certify and disclose accordingly.

22. EQUAL EMPLOYMENT OPPORTUNITY/NONDISCRIMINATION.

Subrecipient shall not discriminate against any employee, applicant for employment, contractor, or subcontractor because of race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. The Subrecipient shall adhere to acceptable affirmative action guidelines in selecting employees and contractors and shall ensure that employees and contractors receive fair treatment during employment or agreement, without regard to their race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.

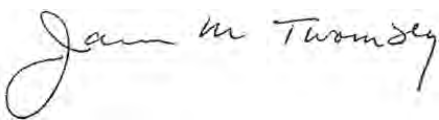

The Subrecipient shall not discriminate because of race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status in Subrecipient services, activities, accommodations, or facility use. The Subrecipient shall adhere to and assure that employment and activity programming are conducted such that all individuals and groups, clients, participants, and/or employees will be treated equally without regard to their race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. The Subrecipient understands and agrees that any act of discrimination based upon race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status may jeopardize grant funding to the Subrecipient and may be subject to loss of funding, reimbursement of funds allocated, or denial of future funds.

23. SIGNATURES

The persons signing this Agreement on behalf of Subrecipient represent and warrant that such persons and Subrecipient have the requisite power and authority to enter, execute and deliver this Agreement and that this Agreement is a valid and legally binding obligation of Subrecipient enforceable against Subrecipient in accordance with its terms.

IN WITNESS, WHEREOF, the Subrecipient and the City have executed this Agreement as of the date first above written and under the laws of the State of Colorado.

CITY OF AURORA, COLORADO

SCOPE OF SERVICES

A. Principal Tasks

Title of project/program

City of Aurora Scholarship Fund

Description of project/program

We are proposing a \$10,000 City of Aurora Scholarship Fund. The City of Aurora Scholarship Fund would provide needs-based full or partial tuition scholarships to Aurora residents to attend New America College. Our full-time, intensive (18 hours per week) programs are \$400 per month for residents/immigrants/refugees/undocumented students. This allows a student 72 hours of instruction every four weeks, with access to experienced teachers and a rigorous curriculum based on global English language standards. Students who complete our Level 6 classes do very well in university and work. Administrative staff are available to help students with virtually anything; among other things, we provide students information on universities, how to obtain an equivalency for jobs, and mental health resources. We also work closely with CPLan (www.cplandenver.net), an organization that assists educated immigrants obtain jobs in the United States. We believe that \$400 is a reasonable price for these services, and the market generally supports that. However, when we began reaching out to other area nonprofits in early 2021 to promote our programs, we were told, "\$400 might as well be \$1million for some people." This is absolutely true. We are able to reach students who have \$400 a month. We have been unable to access students who would greatly benefit from our services but who simply don't have an extra \$400 per month to dedicate to their education. Full-time English language programs, even at universities, are not eligible for

federal student loans. English is often put on the back burner for immigrants and refugees who need to work to make money quickly. Our mission, "Cultivating and celebrating inclusion, community, and success through a focused English language experience," is not only for those with money. We love teaching English, and we believe that it is a key factor in economic mobility. In order to administer the funds, we will:

- Create a City of Aurora Scholarship Committee. The committee would consist of the Executive Director, the NAC Finance/HR Manager, and at least one other committee member. Applications will be routed through the committee to determine need.
- Notify students of the award amount. We will waive the \$75 annual resource fee for students, but would require the \$75 registration fee. Books generally cost \$38-72 for a four-month course, and book costs would be considered by the scholarship committee.
- Give students the placement exam and determine the best class and class time.
- Start students in class.
- Follow up as needed.

Describe your project/program timeline and anticipated schedule of completion.

Timeline:

- Upon notification of the award, we will begin recruiting students by reaching out to our partners and other area nonprofits.
- We will convene the Scholarship Committee once a month when we have applications.
- We have enrollment on a monthly basis, so we can test and enroll students on a timeline that works for them.
- Enroll students.
- Check up with them every month to see if they plan to continue enrollment.
- We would expect most funds to be depleted within 6 months, but that depends on the make-up of the scholarship awards; this is discussed more in the budget narrative.

How will you measure the success and impact of this program or project?

Evaluation for the program will include:

- Student satisfaction, as rated on a survey, including if they would recommend NAC to another student;
- Student completes the course with a passing grade;
- Student has achieved a higher level of English, as determined on a standardized exit exam;
- Required written feedback about how they will use English in the future;
- Requested information about improved salary or job after they finish NAC;
- Positive feedback from referral partners and the City of Aurora;
- Student achievement of personal goals related to English.

English language acquisition is a long-term and personal goal. We will also ask students their goals and follow-up with them. Some students may be striving for university admission, some may want to get a job that requires a certain score on an English test, some may simply want to improve their English to a level they feel comfortable with. Our standardized placement/exit exam will help us put numbers to improved English ability, but this is not the only factor in success. Sometimes just improved confidence or the ability to speak to their children's teachers is equally important for a student.

B. Approved Budget

The **approved budget** during the term of this agreement is attached at this link: [Link to Project Budget \(https://arpaauracityco.powerappsportals.com/entity/annotation/a1762bfc-6504-ed11-82e4-002248087522/b50ebce0-6504-ed11-82e4-002248087522\)](https://arpaauracityco.powerappsportals.com/entity/annotation/a1762bfc-6504-ed11-82e4-002248087522/b50ebce0-6504-ed11-82e4-002248087522).

Changes in the scope of services, budget, or method of compensation contained in this Agreement, unless otherwise noted, may only be made through a written amendment to this Agreement, executed by the Subrecipient and the City.

C. Performance Monitoring

The City and its consultants will monitor the performance of the Subrecipient according to the Principal Tasks and Budget set forth herein. Subrecipient shall fully cooperate with the City in relation to training and education on requirements and attending training sessions as well as

monitoring, evaluation, and audits. Substandard performance shall mean non-compliance with this Agreement. If actions to correct such substandard performance are not taken by the Subrecipient within a reasonable period of time after being so notified by the City, contract suspension or termination procedures may be initiated, in the sole discretion of the City.

EXHIBIT B

COMPLIANCE PROVISIONS INCORPORATED IN THE SUBRECIPIENT AGREEMENT

1. An accounting system using the accrual basis of generally accepted accounting principles which accurately reflects all costs chargeable (paid and unpaid) to the Project is mandatory. A receipts and disbursements ledger must be maintained. A general ledger with an income and expense account for each budgeted line item is necessary. Paid invoices revealing check number, date paid, and item is necessary. Similarly, cash receipts for the payment of wages is mandatory. Paid invoices revealing check number, date paid, and evidence of goods or services received are to be filed per the expense account they were charged. The City must review and approve your account system and internal controls prior to the release of funds.
2. There is no flexibility on budgets. Line items may be changed only by the City's written concurrence of a budget amendment.
3. Eligible expenses are those considered reasonable and necessary costs for the efficient operation of the Project as determined by the City. All costs must be budgeted items. Request for advance or reimbursements of expenses must be accompanied by:
 1. Original invoice marked with funding source
 2. Detailed listing of each expense showing:
 - a. recipient
 - b. brief description of purchase
 - c. amount with method of computation detailed
 - d. how expense meets program goal per approved proposalCost Summary must be submitted monthly to reflect entries through the closing date for the books (indicate Closing Date on Cost Summary).
4. The City shall not be obligated to any third-party contractors of the Subrecipient. The subrecipient is further cautioned against obligating funds beyond the contract date of the agreement between the City and the Subrecipient.
5. The Subrecipient will furnish the City such statements, records, data and information, and permit such interviews with personnel as the City may request to effectively monitor and evaluate the project.
6. City auditors will periodically make interim audits and may, upon completion of the Project, make a final audit.
7. All records must be retained by the Subrecipient for a period of three years following the last day of the Agreement. (Cost summary reports must reflect actual general ledger balances.)

EXHIBIT C

CERTIFICATIONS

Subrecipient hereby certifies that the grant will be conducted and administered in compliance with:

1. Title VII of the Civil Rights Act of 1964 (Pub. L. 88-352; 42 U.S.C. 2000d, et seq.) and implementing regulations issued at 24 CFR Part 1;
2. Title VIII of the Civil Rights Act of 1968 (Pub. L. 90-284; 42 U.S.C. 3601, et seq.), as amended; and that the subrecipient will administer all programs and activities related to housing and community development in a manner to affirmatively further fair housing;
3. Section 109 of the Housing and Community Development Act of 1974, as amended; and the regulations issued pursuant thereto;
4. Section 3 of the Housing and Urban Development Act of 1968, as amended;
5. Executive Order 11246, as amended by Executive Orders 11375 and 12086, and implementing regulations issued at 41 CFR Chapter 60;
6. Executive Order 11063, as amended by Executive Orders 12259, and implementing regulations at 24 CFR Part 107;
7. Section 504 of the Rehabilitation Act of 1973 (Pub. L. 93-112), as amended, and implementing regulations when published for effect;
8. The Age Discrimination in Employment Act of 1975 (Pub. L. 94-135), as amended, and implementing regulations when published for effect;
9. The Subrecipient, as applicable to a governmental or nongovernmental agency, shall comply with the requirements and standards of 2 CFR Chapter I, and Chapter II, Parts 200, 215, 220, 225 and 230, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards" aka "Super Circular"; and shall comply with applicable sections of 79 FR 75871 "Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments".
10. Executive Order 11988 relating to the evaluation of flood hazards and Executive Order 11288 relating to the prevention, control and abatement of water pollution;
11. The flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (Pub. L. 93-234);
12. The applicable regulations, policies, guidelines and requirements of OMB Circular Nos. A-102, Revised, 24 CFR 85 and Subpart J of 24 CFR 570, A-87, A-110, A-122, A-128 and A-133 as they relate to the acceptance and use of federal funds under this federally-assisted program;
13. The Clean Air Act (42 U.S.C. 7401 et seq.) as amended; particularly section 176 (c) and (d) [42 U.S.C. 7506 (c) and (d)];
14. The Safe Drinking Water Act of 1974 (42 U.S.C. 201, 300 (f) et seq., and 21 U.S.C. 349) as amended; particularly section 1424 (e) (42 U.S.C. 300 (h)-303 (e));
15. The Endangered Species Act of 1973 (16 U.S.C. 1531 et. Seq.) as amended; including but not limited to section 7 (16 U.S.C. 1536) thereof;

16. The Reservoir Salvage Act of 1960 916 U.S.C. 469 et.seq.); particularly section 3 (16 U.S.C. 469a-1); as amended by the Archeological and Historical Preservation Act of 1974;
17. Flood Disaster Protection Act of 1973 (42 U.S.C. 4001 et.seq.) as amended; particularly sections 102(a) and 202(a) [42 U.S.C. 4012a(a) and 4106(a)];
18. Executive order 11990, Protection of Wetlands, May 24, 1977 (42 FR 26961 et. Seq.); particularly sections 2 and 5;
19. Lead-Based Paint Poisoning Prevention requirements of 25 CFR Part 35 issued pursuant to the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4821 et.seq.);
20. The National Historic Preservation Act of 1966 (16 U.S.C. 470 et seq.) as amended; particularly section 106 (16 U.S.C. 470f); and
21. Executive Order 11593, Protection and Enhancement of the Cultural Environment, May 13, 1971 (36 FR 8921 et seq.); particularly section 2(c).
22. Construction work financed in whole or in part with federal funds is subject to the prevailing wage requirements of the Davis-Bacon Act (29 CFR, Parts 3 and 5), the Copeland Act (29 CFR Part 3), and the Contract Work Hours and Safety Standards Act (Public Law 91-54, 83 Stat. 96). When a project meets this applicability requirement, the labor standards provision of the HUD 4010 and the Davis Bacon Wage Decision issued for the project will be incorporated into this contract document and shall be incorporated into all construction contracts and subcontracts of any tier thereunder.
23. No ARPA funds may be expended for lobbying purposes and payments from other sources for lobbying must be disclosed (24 CFR Part 87).
 - a. No federally appropriated funds have been or will be paid, by or on behalf of subrecipient, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.
 - b. If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, 14 a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.
24. Where asbestos is present in property undergoing rehabilitation, Federal requirements apply regarding worker exposure, abatement procedures and disposal. (CPD-90-44 EPA/OSHA).

EXHIBIT D

INSURANCE REQUIREMENTS

During the term of this Agreement and until final acceptance by the City of all work covered by the Agreement, Subrecipient performing services under this Agreement shall provide, pay for and maintain in full force and effect the types and minimum limits of insurance, as indicated below, covering the

Subrecipient, their employees, subcontractors or representatives, along with: the activities of any and all subcontractors retained by the Subrecipient or Subcontractors, the activities of anyone employed by any Subrecipient, Subcontractors, their representatives or anyone for whose acts they may be liable.

Commercial General Liability Insurance. Subrecipient shall maintain commercial general liability insurance covering all operations by or on behalf of Subrecipient on a per occurrence basis against claims for personal injury (including bodily injury and death) and property damage (including loss of use). Coverage will include, if appropriate for the scope of services: Products and Completed Operations, Contractual Liability and a Waiver of Subrogation. The City, its elected and appointed officials, employees, agents and representatives shall be named as Additional Insureds by endorsement.

Minimum limits:

\$1,000,000 each occurrence

\$2,000,000 general aggregate

\$2,000,000 products and completed

Commercial Automobile Liability Insurance. Subrecipient shall maintain business automobile liability covering liability arising out of the operation of any vehicle (including owned, non-owned and hired vehicles) with minimum limits of \$1,000,000 combined single limit each accident, naming the City as an Additional Insured by endorsement.

Workers' Compensation and Employers Liability Insurance. Subrecipient shall maintain Worker's Compensation Insurance with limits in accordance with the provisions of the Workers' Compensation Act, as amended, by the State of Colorado. Additionally, Subrecipient shall maintain Employers Liability Insurance with minimum limits of \$500,000 bodily injury for each accident, \$100,000 bodily injury by disease each employee and \$500,000 bodily injury disease aggregate. If Subrecipient does not have employees, Subrecipient will provide a written statement indicating that it has no employees and is not subject to the provisions of Colorado Workers' Compensation Act.

If Subrecipient engages services of a subcontractor, Subrecipient is responsible for verifying that the subcontractor's insurance meets the insurance requirements set forth above and that it is in effect prior to and throughout performance of work under this agreement. Any subcontractor who ceases to provide insurance coverage as set forth above must be removed from the project until such time that insurance coverage can be verified as in full force and effect.

Limits of Insurance. The total limits of general and excess liability insurance set forth above may be provided to the City using a combination of primary and excess liability insurance.

Additional Insured and Waiver of Subrogation. Subrecipient shall name the City of Aurora, its elected and appointed officials, employees, agents and representatives as additional insureds by endorsement and provide a waiver of subrogation for the Commercial General Liability and Auto Liability insurance policies. The certificate of insurance will include these specific requirements along with a copy of the relevant endorsements.

Certificates of Insurance. Upon the execution of this Agreement, Subrecipient shall provide certificates of insurance to the City demonstrating that at the minimum coverages required herein are in effect. Subrecipient agrees that the required coverages will not be reduced, canceled, non-renewed or materially changed without Thirty (30) days prior written notice to the City. All certificates of insurance must be kept in force throughout the duration of the services. If any of Subrecipient's or its

subcontractor's coverage is renewed at any time prior to completion of the services, Subrecipient shall be responsible for obtaining updated insurance certificates for itself and such subcontractor from the respective insurance carriers and forwarding the replacement certificates to the City within five (5) days of the expiration date of any previously delivered certificate.

The minimum A.M. Best rating of each primary insurer shall be A- VIII and the minimum A.M. Best rating of each excess insurer shall be A- VII. The Subrecipient shall provide copies of insurance policies to the City Risk Manager upon request.

Any of the minimum limits of insurance set out herein may be raised or lowered at the sole discretion of the Risk Manager for the City in response to the particular circumstances giving rise to the contract. Subrecipient's policy will be primary and non-contributory with respect to any and all insurance policies purchased by the City.

In the event that the contract involves professional or consulting services, in addition to the aforementioned insurance requirements, the contract shall also be protected by a Professional Liability Insurance policy as set forth below:

Professional Liability Insurance. Subrecipient shall maintain professional liability insurance with minimum limits of One Million Dollars (\$1,000,000), covering those claims which arise out of the negligent acts or omissions of the Subrecipient, its Subcontractor and any other parties for whom it may be liable including without limitation, bodily injury, personal injury, property damage and including a contractual liability endorsement specifically applicable to the insurable indemnity obligations set forth herein which Professional Liability Insurance shall be carried on a claims-made basis maintained in full force and effect for the term of this Agreement and, to the extent possible, for a minimum period of Three (3) years after the completion of any and all of Subrecipient's Services hereunder. Any retroactive date or prior acts exclusion to which such coverage is subject shall pre-date both the date upon which any services hereunder are commenced and the date of this Agreement. In the event that coverage is renewed during the original term of any subsequent term of this agreement, endorsement(s) for the new policy(ies) shall be delivered within ten (10) days of the expiration date of any previously delivered certificate.

Category	Amount Year 1	Explanation Year 1	Amount Year 2	Explanation Year 2
Aurora Nonprofit Grant Request	10000	We believe the grant funds would be fully used in Year 1. The grant funds could be used for a number of students depending on awards. Full scholarship would offer the equivalent of 25 sessions for \$400/session. This could be broken up into many different ways, for example: - 6 months of full tuition for 4 students, plus one extra month; 12 months of half tuition for 4 students; 6 months of half tuition for 8 students; 6 months of 1/4 tuition for 16 students, etc. This will depend on what the applications look like when they come in. We may also include book costs in the scholarship award, depending on the student's application.		
Government Grants		We are working on additional funds.		
Foundation Grants		We are working on additional funds.		
Individual Support		We are working on additional funds.		
Corporate Support		We are working on additional funds.		
Earned Revenue (including events, fees, contract revenue)	1052-7152	\$300-1200: \$75 registration fee for each student - the total amount will depend on the number of students who are awarded scholarships. \$152-1152: Book fees for students are \$38-72 per book for four months. (We make an extremely small profit from book sales, as we sell them almost at cost.) \$600 - 4800: Tuition costs paid by students we expect to range on average from \$100-300 per student, per session, depending on the scholarship award given to each student. Total estimated earned revenue for NAC: \$1052 - \$7152		
In-Kind Donations	300-1200	We will waive the \$75 resource fee for scholarship recipients. This is an estimate based on 4-16 scholarship awardees.

SUBRECIPIENT AGREEMENT

CORONAVIRUS STATE FISCAL RECOVERY - ARPA FUNDS ASSISTANCE LISTING NUMBER (formerly CFDA): 21-027

FAIN:

THIS SUBRECIPIENT AGREEMENT ("Agreement") is made and entered into this Fourteenth day of November 2022, by and between the City of Aurora, Colorado, a Colorado municipal corporation, hereinafter referred to as the "City" and A Little Help, a Colorado nonprofit corporation, hereinafter referred to as the "Subrecipient" UEI (if applicable): K7QMNVVGM EW8. City and Subrecipient are sometimes each referred to as a "Party" and collectively "Parties."

RECITALS

WHEREAS, on March 11, 2021, President Biden signed the U.S. Senate-amended H.R. 1319 (P.L. 117-2) known as the American Rescue Plan Act (hereinafter "ARPA"); and

WHEREAS, In Pub. Law. 117-2, Subtitle M, Sec. 9901, (The American Rescue Act or "ARPA") the US Congress allocated money to local government for various purposes; and

WHEREAS, on May 10, 2021, the U.S. Treasury issued the Interim Final Rule to implement ARPA in Title 31, Part 35 of the Code of Federal Regulations ("CFR"); and

WHEREAS, under ARPA Section 603 (c)(1)(A) and (3) and the Interim Final Rule 31 CFR 35.6(b)(7) recipients may use Coronavirus Local Fiscal Recovery ("CLFR") Funds to award grants to nonprofit organizations that are responding to the negative economic impacts of the COVID-19 public health emergency; and

WHEREAS, under ARPA Section 603 (c)(1)(A) and the Interim Final Rule 31 CFR 35.6(b)(7) and (12) recipients may provide CLFR Funds to programs or services to disproportionately impacted communities; and

WHEREAS, the City desires to disburse funds from Project No. CI-2113 to the Subrecipient to administer the Project and perform certain services in connection therewith as set forth in this Agreement and in the Scope of Services attached hereto; and

WHEREAS, Subrecipient has represented to the City that is duly qualified, eligible and willing to undertake the Project and provide the services identified herein and in the Scope of Services attached hereto.

NOW, THEREFORE, in consideration of the foregoing recitals and in consideration of the terms and conditions set forth herein, the Parties hereto mutually agree as follows:

1. SCOPE OF SERVICES

Subrecipient agrees to satisfactorily perform and complete all services and items of work, and furnish all labor and materials encompassed within or reasonably necessary to accomplish the tasks and functions described in the Scope of Services attached hereto as Exhibit "A" and incorporated herein by reference, in full compliance with all provisions of this Agreement.

Administrative Costs as defined in 24 CFR 576.108 are not an eligible reimbursable cost offered to subrecipients.

This award is not for Research and Development.

2. BUDGET AND METHOD OF PAYMENT

- a. City will pay to Subrecipient an amount up to that specified in subparagraph (c) of this paragraph as full compensation for all services and work to be performed or undertaken by Subrecipient under this Agreement. Payment of funds to Subrecipient is subject to all of the following requirements, which shall be conditions precedent to payment:
 - i. That Subrecipient has expended funds for eligible approved expenditures;
 - ii. That Subrecipient is not in default of any material provision of this Agreement nor applicable law or regulation;
 - iii. That Subrecipient has timely submitted requests for payment or reimbursement detailing the eligible payment or reimbursement items in a format approved by City; and
 - iv. That Subrecipient has certified with each payment or reimbursement request compliance with the requirements identified in Exhibit "C" and that all expenditures for which reimbursement is sought were made for and in furtherance of the approved Project and are an eligible use of federal assistance under ARPA and federal regulations.
- b. Payment hereunder is also subject to and may only be disbursed in accordance with applicable Federal regulations including but not limited to those at 31 CFR Part 35, as presently promulgated and as same may be revised from time to time in the future, all other terms of this Agreement, and any special provisions in the Scope of Services. All payments received by Subrecipient hereunder are subject to repayment by Subrecipient as provided in 31 CFR Part 35.
- c. The aggregate of all payments made hereunder shall not exceed **eighty-five thousand dollars and zero cents (\$85,000.00)**.
- d. Upon expiration of the term of this Agreement or upon any prior termination, Subrecipient shall transfer to City any funds provided hereunder which are on hand at the time of expiration or termination.

3. TERM OF PROJECT AND AGREEMENT

- a. PROJECT. The term of the Project shall be from the date this Agreement. The Project will be completed on June 30, 2024 unless this Agreement is sooner terminated as herein provided.
- b. AGREEMENT. The term of this Agreement shall be from the date this Agreement. The activities contemplated by this Agreement will be completed on or before June 30, 2024 unless sooner terminated as herein provided.

4. SUBRECIPIENT RECORDS

Subrecipient shall maintain records as to all services provided, reimbursable expenses incurred in performing the Scope of Services and complete accounting records. Accounting records shall be kept on a generally recognized accounting basis and as requested by any representee of the City. Subrecipient agrees to comply with all applicable uniform administrative requirements described or referenced in 31 CFR 35. The Compliance Provisions attached as Exhibit "B" hereto are made a part of this Agreement and Subrecipient agrees to perform and comply with same. The City, Comptroller General of the United States, the Inspector General of the U.S. Treasury and any of their authorized representatives, shall have the right to inspect and copy, during reasonable business hours, all books, documents, papers and records of the Subrecipient which relate to this Agreement for making an audit or examination. Upon completion of the work and end of the term of this Agreement, the City may require copies of all Subrecipient's financial records relating to this Agreement to be turned over to City.

The Subrecipient, which is a non-federal agency, that expends \$750,000 or more during the Subrecipient's fiscal year, shall have a single audit conducted for that year in accordance with the provisions 2 CFR 200, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards", "Super Circular", Audit shall be completed within nine (9) months of the Subrecipients audit period and a copy of the most recent audit shall be forwarded to the City within thirty (30) days of completion.

5. MONITORING AND EVALUATION

City and its consultants shall have the right to monitor and evaluate the progress and performance of Subrecipient to assure that the terms of this Agreement are being satisfactorily fulfilled in accordance with City's and other applicable monitoring and evaluation criteria and standards. City may at least quarterly review Subrecipient's performance using on-site visits, progress reports required to be submitted by Subrecipient, audit findings, disbursements transactions, and contact Subrecipient as necessary. Subrecipient shall furnish City quarterly program and financial reports of its activities in such form and manner as may be requested by the City. Subrecipient shall fully cooperate with the City in relation to training and education on requirements and attending training sessions as well as monitoring, evaluation, and audits.

6. PERFORMANCE REPORTING

City shall at least quarterly review Subrecipient's performance using on-site visits, progress reports required to be submitted by Subrecipient, audit findings, disbursements transactions and contact with the Subrecipient as necessary. Subrecipient shall furnish to City quarterly program performance and financial reports of its activities in such form and manner as may be requested by the City. Quarterly reports are due by last day of first month following the end of a quarter. Subrecipients shall fully cooperate with City in relation to such monitoring, evaluation, and audits.

7. SUBRECIPIENT FILES AND INFORMATION REPORTS

Subrecipient shall maintain files containing information which shall clearly document all activities performed in conjunction with this Agreement, including, but not limited to, financial transactions, conformance with assurances and activity reports. These records shall be retained by Subrecipient for a period of three years after the completion of the Project.

The Subrecipient shall keep accurate books and records of accounts in accordance with generally accepted accounting principles of all expenditures made and all costs and liabilities incurred utilizing Program Funds. The aforementioned accounts and all project records shall be made available upon request by the City or any other federal agency for examination and audit. All books and records of accounts must be retained for four (4) years from the date of this agreement.

8. ASSIGNABILITY

This Agreement shall not be assigned or transferred by the Subrecipient without the prior written consent of the City. Any assignment or attempted assignment made in violation of this provision shall, at City's election, be deemed void and of no effect whatsoever.

9. AVOIDANCE OF CONFLICT OF INTEREST

Subrecipient certifies and warrants that neither it nor any members of its Board of Directors, officers or employees has or will derive any personal or financial interest or benefit from the activity or activities assisted pursuant to this Agreement, nor has an interest in any contract,

subcontract or agreement with respect thereunto, nor the proceeds thereunder, either for themselves or for those with whom they have family or business ties, during their tenure and for one year thereafter. Subrecipient shall avoid all conflicts of interest which are prohibited by applicable federal regulations including but not limited to those set forth in 31 CFR Part 35 as presently promulgated and as same may be revised from time to time in the future.

10. INDEPENDENCE OF SUBRECIPIENT

Nothing herein contained nor the relationship of Subrecipient to City, which relationship is expressly declared to be that of an independent contractor, shall make or be construed to make Subrecipient or any of Subrecipient's agents or employees the agents or employees of the City. Subrecipient shall be solely and entirely responsible for its acts and the acts of its agents, employees and subcontractors

11. INDEMNIFICATION. LEGAL DISCLAIMER

Subrecipient and any and all of its personnel operating under the terms of this agreement are not to be considered agents or employees of the City for any purpose and are not entitled to any of the benefits that the City provides for the City's employees. Subrecipient covenants and agrees to, and does hereby, indemnify and hold harmless, to the extent permitted by law, defend the City, its agents, servants, or employees, from and against any and all claims for injuries or damages to persons or property of whatsoever kind of character, whether real or asserted, arising out of this agreement for the work to be performed hereunder. The Subrecipient hereby assumes all liability and responsibility for injuries, claims or suits for damages to persons or property of whatsoever kind or character, whether real or asserted, arising out of the performance.

Pursuant to Colorado Constitution Article XI, Sections 1 and 2 the City shall not indemnify or hold harmless Subrecipient, or any party related or operating under this Agreement with or without the City's consent. No provision in this Agreement shall limit or set the amount of damages available to the City to any amount other than the actual direct and indirect damages to the City, regardless of the theory or basis for such damages. Any provision included or incorporated herein by reference which purports to negate this provision in whole or in part shall not be valid or enforceable or available in any action at law or equity, whether by way of complaint, defense, or otherwise. Any provision rendered null and void by this provision shall not invalidate the remainder of the Agreement.

12. TERMINATION OF AGREEMENT

- a. For Cause: This Agreement may be terminated by City for cause, including any nonperformance by the Subrecipient, upon ten (10) days written notice to Subrecipient including a statement of the reasons therefore, and after an opportunity for a hearing has been afforded. If a hearing is requested, it shall be held before the City's Mayor whose decision shall be final. The determination of the City as to the cause of termination and the appropriateness thereof shall be final and binding upon both City and Subrecipient. Cause for termination shall include:
 - Improper use of funds;
 - Failure to comply with the terms and conditions of this Agreement;
 - Failure to comply with the terms and conditions of the Scope of Services, Exhibit A;
 - If, for any reason, this Agreement's performance is rendered impossible or unfeasible;
 - Failure to comply with applicable Federal, State, or local laws and regulations.
- b. For Convenience: This Agreement may be terminated by City for convenience upon ten (10) days written notice to Subrecipient, which decision shall not be subject to appeal.

- c. Post Expiration and Termination Procedures: Upon expiration or in the event of a prior termination, all remaining and unspent grant funds, shall immediately become the sole and separate property of the City and the Subrecipient shall perform all acts and execute all instruments necessary to transfer and assign such funds to the City. All finished or unfinished documents, data, studies, reports, and work product prepared by the Subrecipient under this Agreement or with grant funds shall, at the option of the City, become City's property.

13. LIABILITY

As to the City, Subrecipient agrees to assume the risk of all personal injury, including death and bodily injury, and damage to and destruction of property, including loss of use therefrom, caused by or sustained, in whole or in part, in conjunction with or arising out of the performance or nonperformance of this Agreement by Subrecipient or by the conditions created thereby. Subrecipient further agrees to indemnify and save harmless the City, its officers, agents and employees, from and against all claims, liabilities, costs, expenses, penalties and attorney fees arising from such injuries to persons or damages to property or based upon or arising out of the performance or nonperformance of this Agreement by Subrecipient or out of any violation by Subrecipient of any statute, ordinance, rule or regulation. Subrecipient shall be responsible for any injury to persons or damage to property to the extent arising from negligent or otherwise wrongful acts, errors and omissions of Artist, its agents, and employees.

14. INSURANCE

If Subrecipient and any sub-contractor of Subrecipient have employees Subrecipient and the sub-contractor(s) shall provide the appropriate certificates of insurance and Worker Compensation documents, at no cost to the City, as described in Exhibit "D". Subrecipient further agrees and understands that it, and any sub-contractor are to maintain and keep in force the appropriate insurance certificates throughout the term of this Agreement.

15. CERTIFICATIONS

Subrecipient agrees to execute and abide by the certifications contained in Exhibit "C" hereto, and Subrecipient's application for ARPA funds, both of which are hereby made a part of this Agreement. In the event of any conflict between the terms of this Agreement and Subrecipient's Application, this Agreement shall control.

16. REVERSION OF ASSETS

- a. Upon expiration of the term of this Agreement, or upon any prior termination, Subrecipient shall transfer to City any funds provided hereunder which are on hand at the time of expiration or termination.
- b. In the event City incurs any costs or expenses in enforcing the requirements of this paragraph or in bringing any action to recover the property or amount of any repayment obligation, City shall be entitled to recover its costs and expenses, including reasonable attorney's fees.

17. RESPONSIBILITIES OF SUBRECIPIENT

Subrecipient warrants and represents that it:

- a. Has the requisite authority and capacity to perform all terms and conditions on Subrecipient's part to be performed hereunder;
- b. That it is duly organized as a non-profit organization under state law and is in good standing with the Secretary of State of Colorado;

- c. That it is a nonprofit organization exempt from Federal income taxation under Section 501(c)(3) of the Internal Revenue Code;
- d. That it is fully aware of and understands its duty to perform all functions and services in accordance with the regulatory requirements of 31 CFR Part 35 and those identified in Exhibit "C" hereto; and
- e. That it is accepting federal financial assistance hereunder subject to certain mandatory repayment provisions.

18. RESPONSIBILITIES OF THE CITY

- a. City shall provide Subrecipient with the information necessary to facilitate the performance of this Agreement;
- b. Give prompt notice to Subrecipient when the City becomes aware or observes of any deficiencies or discrepancies in the services provided.

19. ENTIRE AGREEMENT; AMENDMENTS

The provisions set forth in this Agreement, and all Exhibits and attachments to this Agreement, constitute the entire and complete agreement of the parties hereto and supersede all prior written and oral agreements, understandings or representations related thereto. No amendment or modification of this Agreement, and no waiver of any provisions of this Agreement shall be binding unless made in writing and executed by the duly authorized officers of both the Subrecipient and City

20. NOTICES

21. LOBBYING

Subrecipient certifies that no Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the Subrecipient shall complete and submit the Standard Form LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

Subrecipient shall require that the language of this certification be included in the award documents for all sub awards at all tiers including subcontracts, sub grants, and contracts under grants, loans, and cooperative agreements and that all referenced shall certify and disclose accordingly.

22. EQUAL EMPLOYMENT OPPORTUNITY/NONDISCRIMINATION.

Subrecipient shall not discriminate against any employee, applicant for employment, contractor, or subcontractor because of race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. The Subrecipient shall adhere to acceptable affirmative action guidelines in selecting employees and contractors and shall ensure that employees and contractors receive fair treatment during employment or agreement, without regard to their race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.

The Subrecipient shall not discriminate because of race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status in Subrecipient services, activities, accommodations, or facility use. The Subrecipient shall adhere to and assure that employment and activity programming are conducted such that all individuals and groups, clients, participants, and/or employees will be treated equally without regard to their race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. The Subrecipient understands and agrees that any act of discrimination based upon race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status may jeopardize grant funding to the Subrecipient and may be subject to loss of funding, reimbursement of funds allocated, or denial of future funds.

23. SIGNATURES

The persons signing this Agreement on behalf of Subrecipient represent and warrant that such persons and Subrecipient have the requisite power and authority to enter, execute and deliver this Agreement and that this Agreement is a valid and legally binding obligation of Subrecipient enforceable against Subrecipient in accordance with its terms.

IN WITNESS, WHEREOF, the Subrecipient and the City have executed this Agreement as of the date first above written and under the laws of the State of Colorado.

Title of project/program

A Little Help for Older Adults in Aurora

Description of project/program

In alignment with the City of Aurora's ARPA Grant Program, ALH improves lives while mobilizing the caring power of community. ALH requests ARPA funds to support its existing and establish Older Adult Services (OAS) program in Aurora. The program will assist in the COVID-19 pandemic recovery by ensuring some of the most vulnerable Coloradans are provided with meaningful services to keep them healthy and safe. ALH's work addresses health inequities facing older adults by mitigating risk factors and improving protective factors associated with social determinants of health (SDOH), which were exacerbated due to the COVID-19 pandemic. SDOH encompass the social, economic, and environmental factors that can affect an individual's health and quality of life. These factors include economic stability, education, social and community context, health and access to health care, and neighborhood and built environment, all of which are key to ensuring the health and wellbeing of older adults (U.S Department of Health and Human Services, 2020). Even prior to the COVID-19 pandemic, the growth of the older adult population was expected to put immense pressure on social services, retirement homes, and assisted-living facilities. The pandemic only exacerbated an already stressed system. After nearly two years of providing services to older adults sheltering at home during the pandemic, ALH has realized that the future of aging is shifting even more than previously expected. The alarming impact the pandemic had on nursing

homes and other forms of assisted living has led many older adults to reconsider their long-term plans and prepare to age in place, making ALH's services more vital than ever. Funding will support ALH's outreach efforts to older adults, volunteers, and community partners throughout Aurora. With an enhanced presence, ALH can begin building the infrastructure necessary to support volunteer coordination and provide services to older adults in the coming years. To coordinate services, ALH staff work closely with older adults to answer questions, assist with the application process, and facilitate service requests. ALH engages retired older adults who previously worked in medicine and social work to help welcome new members and discuss their needs. Members have noted that speaking with a volunteer in a similar stage of life during onboarding increases mutual understanding and can ease hesitations about asking for help. When older adults call to request services, ALH staff enter requests into the HelpConnect CRM. Volunteers, who have been background checked through ALH's volunteer onboarding, then reach out to the older adults to coordinate service delivery. Unlike other local organizations that can only provide services during traditional business hours, ALH provides services seven days a week at all hours. Overall, support for ALH advances the future of aging and will help Aurora increase its capacity to meet older adults' emerging needs, supporting their mental, emotional, and physical wellbeing. ALH volunteers carry out services such as affordable in-home care, giving both residents and their caregivers the peace of mind of knowing their homes remain safe places to live independently. Transportation support provides access to quality grocery stores, medical providers, recreational activities, and community life. For older adults who can no longer venture outside their homes regularly, the genuine relationships they build with visiting volunteers provide consistent social connection. ALH volunteers not only check in on their older adult neighbors and provide deliveries and caregiver respite, but they also serve as a bridge to community resources and information which helps older adults stay connected and informed.

Describe your project/program timeline and anticipated schedule of completion.

While ALH's OAS program in Aurora is ongoing, below are the upcoming scheduled activities that will impact the Aurora community: July 2022 – Little Talk: Planning for Driving Retirement July 2022 – Little Talk: Cohousing with Silvernest- Benefits to Older Adults [with Cohousing Program launch] August 2022 – Intergenerational Summer Picnic; Little Talk: The Value of Building Strength as We Age [with Strength Training Program launch] September 2022 – Culinary Excursion October 2022 – Little Talk; Ditch Your Desk service groups November 2022 – Service Saturday; Culinary Excursion December 2022 – Holiday Party and Year-End Celebration; Little Talk January 2023 – Culinary Excursion February 2023 – Ditch Your Desk service groups; Little Talk March 2023 – Ditch Your Desk service groups; Culinary Excursion April 2023 – Community social event; Ditch Your Desk service groups; Little Talk May 2023 – Service Saturday; Culinary Excursion June 2023 – Ditch Your Desk service groups; Little Talk July 2023 – Culinary Excursion August 2023 – Community social event; Little Talk September 2023 – Culinary Excursion Funding will support ALH's growth, presence, and impact in Aurora specifically, leveraging each of the above activities to greater improve the quality of life for more older adults and volunteering neighbors in Aurora.

How will you measure the success and impact of this program or project?

ALH's overall evaluation approach relies on qualitative and quantitative assessments, the results of which are used to design programming, assess impact, and inform strategic planning and organizational direction. Event turnout and numbers of older adults served are used to understand and analyze effectiveness. ALH staff distribute surveys annually and use ongoing care calls to capture program satisfaction and receive feedback on areas for improvement and additional areas

of need. Measuring organizational impact on social isolation and loneliness is also an organizational priority. In 2020, ALH integrated the UCLA Loneliness Scale into its annual survey. This addition gives ALH a better understanding of its members' social isolation, ALH's impact on it, and how to adjust programming accordingly. Surveys also measure member satisfaction and feelings of community connection. Additionally, ALH maintains ongoing communication with older adults and volunteers about the services needed to address challenges specific to their geographic and cultural environments. Based on evaluation practices and information-gathering, ALH adapts services to each neighborhood and community. By July 2023, ALH will achieve the following in Aurora:

- Reach 75 new members and engage 90 new community volunteers
- Fulfill 100 activities (care calls, transportation, grocery delivery, etc.) for older adults
- Establish five new partnerships with local health providers
- 90% of older adults served will be satisfied with the home and transportation services provided
- More than half of volunteers and older adults served will feel more connected to the community

B. Approved Budget

The **approved budget** during the term of this agreement is attached at this link: [Link to Project Budget \(https://arpaauracityco.powerappsportals.com/entity/annotation/154f4c4f-6e04-ed11-82e4-002248087522/63dcec2f-6e04-ed11-82e4-002248087dcc\)](https://arpaauracityco.powerappsportals.com/entity/annotation/154f4c4f-6e04-ed11-82e4-002248087522/63dcec2f-6e04-ed11-82e4-002248087dcc).

Changes in the scope of services, budget, or method of compensation contained in this Agreement, unless otherwise noted, may only be made through a written amendment to this Agreement, executed by the Subrecipient and the City.

C. Performance Monitoring

The City and its consultants will monitor the performance of the Subrecipient according to the Principal Tasks and Budget set forth herein. Subrecipient shall fully cooperate with the City in relation to training and education on requirements and attending training sessions as well as monitoring, evaluation, and audits. Substandard performance shall mean non-compliance with this Agreement. If actions to correct such substandard performance are not taken by the Subrecipient within a reasonable period of time after being so notified by the City, contract suspension or termination procedures may be initiated, in the sole discretion of the City.

EXHIBIT B

COMPLIANCE PROVISIONS INCORPORATED IN THE SUBRECIPIENT AGREEMENT

1. An accounting system using the accrual basis of generally accepted accounting principles which accurately reflects all costs chargeable (paid and unpaid) to the Project is mandatory. A receipts and disbursements ledger must be maintained. A general ledger with an income and expense account for each budgeted line item is necessary. Paid invoices revealing check number, date paid, and item is necessary. Similarly, cash receipts for the payment of wages is mandatory. Paid invoices revealing check number, date paid, and evidence of goods or services received are to be filed per the expense account they were charged. The City must review and approve your account system and internal controls prior to the release of funds.

2. There is no flexibility on budgets. Line items may be changed only by the City's written concurrence of a budget amendment.
3. Eligible expenses are those considered reasonable and necessary costs for the efficient operation of the Project as determined by the City. All costs must be budgeted items. Request for advance or reimbursements of expenses must be accompanied by:
 1. Original invoice marked with funding source
 2. Detailed listing of each expense showing:
 - a. recipient
 - b. brief description of purchase
 - c. amount with method of computation detailed
 - d. how expense meets program goal per approved proposal

Cost Summary must be submitted monthly to reflect entries through the closing date for the books (indicate Closing Date on Cost Summary).

4. The City shall not be obligated to any third-party contractors of the Subrecipient. The subrecipient is further cautioned against obligating funds beyond the contract date of the agreement between the City and the Subrecipient.
5. The Subrecipient will furnish the City such statements, records, data and information, and permit such interviews with personnel as the City may request to effectively monitor and evaluate the project.
6. City auditors will periodically make interim audits and may, upon completion of the Project, make a final audit.
7. All records must be retained by the Subrecipient for a period of three years following the last day of the Agreement. (Cost summary reports must reflect actual general ledger balances.)

EXHIBIT C

CERTIFICATIONS

Subrecipient hereby certifies that the grant will be conducted and administered in compliance with:

1. Title VII of the Civil Rights Act of 1964 (Pub. L. 88-352; 42 U.S.C. 2000d, et seq.) and implementing regulations issued at 24 CFR Part 1;
2. Title VIII of the Civil Rights Act of 1968 (Pub. L. 90-284; 42 U.S.C. 3601, et seq.), as amended; and that the subrecipient will administer all programs and activities related to housing and community development in a manner to affirmatively further fair housing;
3. Section 109 of the Housing and Community Development Act of 1974, as amended; and the regulations issued pursuant thereto;
4. Section 3 of the Housing and Urban Development Act of 1968, as amended;
5. Executive Order 11246, as amended by Executive Orders 11375 and 12086, and implementing regulations issued at 41 CFR Chapter 60;
6. Executive Order 11063, as amended by Executive Orders 12259, and implementing regulations at 24 CFR Part 107;

7. Section 504 of the Rehabilitation Act of 1973 (Pub. L. 93-112), as amended, and implementing regulations when published for effect;
8. The Age Discrimination in Employment Act of 1975 (Pub. L. 94-135), as amended, and implementing regulations when published for effect;
9. The Subrecipient, as applicable to a governmental or nongovernmental agency, shall comply with the requirements and standards of 2 CFR Chapter I, and Chapter II, Parts 200, 215, 220, 225 and 230, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards" aka "Super Circular"; and shall comply with applicable sections of 79 FR 75871 "Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments".
10. Executive Order 11988 relating to the evaluation of flood hazards and Executive Order 11288 relating to the prevention, control and abatement of water pollution;
11. The flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (Pub. L. 93-234);
12. The applicable regulations, policies, guidelines and requirements of OMB Circular Nos. A-102, Revised, 24 CFR 85 and Subpart J of 24 CFR 570, A-87, A-110, A-122, A-128 and A-133 as they relate to the acceptance and use of federal funds under this federally-assisted program;
13. The Clean Air Act (42 U.S.C. 7401 et.seq.) as amended; particularly section 176 (c) and (d) [42 U.S.C. 7506 (c) and (d)];
14. The Safe Drinking Water Act of 1974 (42 U.S.C. 201, 300 (f) et.seq., and 21 U.S.C. 349) as amended; particularly section 1424 (e) (42 U.S.C. 300 (h)-303 (e));
15. The Endangered Species Act of 1973 (16 U.S.C. 1531 et. Seq.) as amended; including but not limited to section 7 (16 U.S.C. 1536) thereof;
16. The Reservoir Salvage Act of 1960 916 U.S.C. 469 et.seq.); particularly section 3 (16 U.S.C. 469a-1); as amended by the Archeological and Historical Preservation Act of 1974;
17. Flood Disaster Protection Act of 1973 (42 U.S.C. 4001 et.seq.) as amended; particularly sections 102(a) and 202(a) [42 U.S.C. 4012a(a) and 4106(a)];
18. Executive order 11990, Protection of Wetlands, May 24, 1977 (42 FR 26961 et. Seq.); particularly sections 2 and 5;
19. Lead-Based Paint Poisoning Prevention requirements of 25 CFR Part 35 issued pursuant to the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4821 et.seq.);
20. The National Historic Preservation Act of 1966 (16 U.S.C. 470 et seq.) as amended; particularly section 106 (16 U.S.C. 470f); and
21. Executive Order 11593, Protection and Enhancement of the Cultural Environment, May 13, 1971 (36 FR 8921 et seq.); particularly section 2(c).
22. Construction work financed in whole or in part with federal funds is subject to the prevailing wage requirements of the Davis-Bacon Act (29 CFR, Parts 3 and 5), the Copeland Act (29 CFR Part 3), and the Contract Work Hours and Safety Standards Act (Public Law 91-54, 83 Stat. 96). When a project

meets this applicability requirement, the labor standards provision of the HUD 4010 and the Davis Bacon Wage Decision issued for the project will be incorporated into this contract document and shall be incorporated into all construction contracts and subcontracts of any tier thereunder.

23. No ARPA funds may be expended for lobbying purposes and payments from other sources for lobbying must be disclosed (24 CFR Part 87).

a. No federally appropriated funds have been or will be paid, by or on behalf of subrecipient, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.

b. If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, 14 a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

24. Where asbestos is present in property undergoing rehabilitation, Federal requirements apply regarding worker exposure, abatement procedures and disposal. (CPD-90-44 EPA/OSHA).

EXHIBIT D

INSURANCE REQUIREMENTS

During the term of this Agreement and until final acceptance by the City of all work covered by the Agreement, Subrecipient performing services under this Agreement shall provide, pay for and maintain in full force and effect the types and minimum limits of insurance, as indicated below, covering the Subrecipient, their employees, subcontractors or representatives, along with: the activities of any and all subcontractors retained by the Subrecipient or Subcontractors, the activities of anyone employed by any Subrecipient, Subcontractors, their representatives or anyone for whose acts they may be liable.

Commercial General Liability Insurance. Subrecipient shall maintain commercial general liability insurance covering all operations by or on behalf of Subrecipient on a per occurrence basis against claims for personal injury (including bodily injury and death) and property damage (including loss of use). Coverage will include, if appropriate for the scope of services: Products and Completed Operations, Contractual Liability and a Waiver of Subrogation. The City, its elected and appointed officials, employees, agents and representatives shall be named as Additional Insureds by endorsement.

Minimum limits:

\$1,000,000 each occurrence

\$2,000,000 general aggregate

\$2,000,000 products and completed

Commercial Automobile Liability Insurance. Subrecipient shall maintain business automobile liability covering liability arising out of the operation of any vehicle (including owned, non-owned and hired vehicles) with minimum limits of \$1,000,000 combined single limit each accident, naming the City as an Additional Insured by endorsement.

Workers' Compensation and Employers Liability Insurance. Subrecipient shall maintain Worker's Compensation Insurance with limits in accordance with the provisions of the Workers' Compensation Act, as amended, by the State of Colorado. Additionally, Subrecipient shall maintain Employers Liability Insurance with minimum limits of \$500,000 bodily injury for each accident, \$100,000 bodily injury by disease each employee and \$500,000 bodily injury disease aggregate. If Subrecipient does not have employees, Subrecipient will provide a written statement indicating that it has no employees and is not subject to the provisions of Colorado Workers' Compensation Act.

If Subrecipient engages services of a subcontractor, Subrecipient is responsible for verifying that the subcontractor's insurance meets the insurance requirements set forth above and that it is in effect prior to and throughout performance of work under this agreement. Any subcontractor who ceases to provide insurance coverage as set forth above must be removed from the project until such time that insurance coverage can be verified as in full force and effect.

Limits of Insurance. The total limits of general and excess liability insurance set forth above may be provided to the City using a combination of primary and excess liability insurance.

Additional Insured and Waiver of Subrogation. Subrecipient shall name the City of Aurora, its elected and appointed officials, employees, agents and representatives as additional insureds by endorsement and provide a waiver of subrogation for the Commercial General Liability and Auto Liability insurance policies. The certificate of insurance will include these specific requirements along with a copy of the relevant endorsements.

Certificates of Insurance. Upon the execution of this Agreement, Subrecipient shall provide certificates of insurance to the City demonstrating that at the minimum coverages required herein are in effect. Subrecipient agrees that the required coverages will not be reduced, canceled, non-renewed or materially changed without Thirty (30) days prior written notice to the City. All certificates of insurance must be kept in force throughout the duration of the services. If any of Subrecipient's or its subcontractor's coverage is renewed at any time prior to completion of the services, Subrecipient shall be responsible for obtaining updated insurance certificates for itself and such subcontractor from the respective insurance carriers and forwarding the replacement certificates to the City within five (5) days of the expiration date of any previously delivered certificate.

The minimum A.M. Best rating of each primary insurer shall be A- VIII and the minimum A.M. Best rating of each excess insurer shall be A- VII. The Subrecipient shall provide copies of insurance policies to the City Risk Manager upon request.

Any of the minimum limits of insurance set out herein may be raised or lowered at the sole discretion of the Risk Manager for the City in response to the particular circumstances giving rise to the contract. Subrecipient's policy will be primary and non-contributory with respect to any and all insurance policies purchased by the City.

In the event that the contract involves professional or consulting services, in addition to the aforementioned insurance requirements, the contract shall also be protected by a Professional Liability Insurance policy as set forth below:

Professional Liability Insurance. Subrecipient shall maintain professional liability insurance with minimum limits of One Million Dollars (\$1,000,000), covering those claims which arise out of the negligent acts or omissions of the Subrecipient, its Subcontractor and any other parties for whom it may be liable including without limitation, bodily injury, personal injury, property damage and including a contractual liability endorsement specifically applicable to the insurable indemnity obligations set forth

herein which Professional Liability Insurance shall be carried on a claims-made basis maintained in full force and effect for the term of this Agreement and, to the extent possible, for a minimum period of Three (3) years after the completion of any and all of Subrecipient's Services hereunder. Any retroactive date or prior acts exclusion to which such coverage is subject shall pre-date both the date upon which any services hereunder are commenced and the date of this Agreement. In the event that coverage is renewed during the original term of any subsequent term of this agreement, endorsement(s) for the new policy(ies) shall be delivered within ten (10) days of the expiration date of any previously delivered certificate.

SUBRECIPIENT AGREEMENT

CORONAVIRUS STATE FISCAL RECOVERY - ARPA FUNDS ASSISTANCE LISTING NUMBER (formerly CFDA): 21-027

FAIN:

THIS SUBRECIPIENT AGREEMENT ("Agreement") is made and entered into this Fourteenth day of November 2022, by and between the City of Aurora, Colorado, a Colorado municipal corporation, hereinafter referred to as the "City" and Boys Hope Girls Hope of Colorado, a Colorado nonprofit corporation, hereinafter referred to as the "Subrecipient" UEI (if applicable): cv64kdhc5sm7. City and Subrecipient are sometimes each referred to as a "Party" and collectively "Parties."

RECITALS

WHEREAS, on March 11, 2021, President Biden signed the U.S. Senate-amended H.R. 1319 (P.L. 117-2) known as the American Rescue Plan Act (hereinafter "ARPA"); and

WHEREAS, In Pub. Law. 117-2, Subtitle M, Sec. 9901, (The American Rescue Act or "ARPA") the US Congress allocated money to local government for various purposes; and

WHEREAS, on May 10, 2021, the U.S. Treasury issued the Interim Final Rule to implement ARPA in Title 31, Part 35 of the Code of Federal Regulations ("CFR"); and

WHEREAS, under ARPA Section 603 (c)(1)(A) and (3) and the Interim Final Rule 31 CFR 35.6(b)(7) recipients may use Coronavirus Local Fiscal Recovery ("CLFR") Funds to award grants to nonprofit organizations that are responding to the negative economic impacts of the COVID-19 public health emergency; and

WHEREAS, under ARPA Section 603 (c)(1)(A) and the Interim Final Rule 31 CFR 35.6(b)(7) and (12) recipients may provide CLFR Funds to programs or services to disproportionately impacted communities; and

WHEREAS, the City desires to disburse funds from Project No. CI-2113 to the Subrecipient to administer the Project and perform certain services in connection therewith as set forth in this Agreement and in the Scope of Services attached hereto; and

WHEREAS, Subrecipient has represented to the City that is duly qualified, eligible and willing to undertake the Project and provide the services identified herein and in the Scope of Services attached hereto.

NOW, THEREFORE, in consideration of the foregoing recitals and in consideration of the terms and conditions set forth herein, the Parties hereto mutually agree as follows:

1. SCOPE OF SERVICES

Subrecipient agrees to satisfactorily perform and complete all services and items of work, and furnish all labor and materials encompassed within or reasonably necessary to accomplish the tasks and functions described in the Scope of Services attached hereto as Exhibit "A" and incorporated herein by reference, in full compliance with all provisions of this Agreement.

Administrative Costs as defined in 24 CFR 576.108 are not an eligible reimbursable cost offered to subrecipients.

This award is not for Research and Development.

2. BUDGET AND METHOD OF PAYMENT

- a. City will pay to Subrecipient an amount up to that specified in subparagraph (c) of this paragraph as full compensation for all services and work to be performed or undertaken by Subrecipient under this Agreement. Payment of funds to Subrecipient is subject to all of the following requirements, which shall be conditions precedent to payment:
 - i. That Subrecipient has expended funds for eligible approved expenditures;
 - ii. That Subrecipient is not in default of any material provision of this Agreement nor applicable law or regulation;
 - iii. That Subrecipient has timely submitted requests for payment or reimbursement detailing the eligible payment or reimbursement items in a format approved by City; and
 - iv. That Subrecipient has certified with each payment or reimbursement request compliance with the requirements identified in Exhibit "C" and that all expenditures for which reimbursement is sought were made for and in furtherance of the approved Project and are an eligible use of federal assistance under ARPA and federal regulations.
- b. Payment hereunder is also subject to and may only be disbursed in accordance with applicable Federal regulations including but not limited to those at 31 CFR Part 35, as presently promulgated and as same may be revised from time to time in the future, all other terms of this Agreement, and any special provisions in the Scope of Services. All payments received by Subrecipient hereunder are subject to repayment by Subrecipient as provided in 31 CFR Part 35.
- c. The aggregate of all payments made hereunder shall not exceed **fifty thousand dollars and zero cents (\$50,000.00)**.
- d. Upon expiration of the term of this Agreement or upon any prior termination, Subrecipient shall transfer to City any funds provided hereunder which are on hand at the time of expiration or termination.

3. TERM OF PROJECT AND AGREEMENT

- a. PROJECT. The term of the Project shall be from the date this Agreement. The Project will be completed on June 30, 2024 unless this Agreement is sooner terminated as herein provided.
- b. AGREEMENT. The term of this Agreement shall be from the date this Agreement. The activities contemplated by this Agreement will be completed on or before June 30, 2024 unless sooner terminated as herein provided.

4. SUBRECIPIENT RECORDS

Subrecipient shall maintain records as to all services provided, reimbursable expenses incurred in performing the Scope of Services and complete accounting records. Accounting records shall be kept on a generally recognized accounting basis and as requested by any representee of the City. Subrecipient agrees to comply with all applicable uniform administrative requirements described or referenced in 31 CFR 35. The Compliance Provisions attached as Exhibit "B" hereto are made a part of this Agreement and Subrecipient agrees to perform and comply with same. The City, Comptroller General of the United States, the Inspector General of the U.S. Treasury and any of their authorized representatives, shall have the right to inspect and copy, during reasonable business hours, all books, documents, papers and records of the Subrecipient which relate to this Agreement for making an audit or examination. Upon completion of the work and end of the term of this Agreement, the City may require copies of all Subrecipient's financial records relating to this Agreement to be turned over to City.

The Subrecipient, which is a non-federal agency, that expends \$750,000 or more during the Subrecipient's fiscal year, shall have a single audit conducted for that year in accordance with the provisions 2 CFR 200, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards", "Super Circular", Audit shall be completed within nine (9) months of the Subrecipients audit period and a copy of the most recent audit shall be forwarded to the City within thirty (30) days of completion.

5. MONITORING AND EVALUATION

City and its consultants shall have the right to monitor and evaluate the progress and performance of Subrecipient to assure that the terms of this Agreement are being satisfactorily fulfilled in accordance with City's and other applicable monitoring and evaluation criteria and standards. City may at least quarterly review Subrecipient's performance using on-site visits, progress reports required to be submitted by Subrecipient, audit findings, disbursements transactions, and contact Subrecipient as necessary. Subrecipient shall furnish City quarterly program and financial reports of its activities in such form and manner as may be requested by the City. Subrecipient shall fully cooperate with the City in relation to training and education on requirements and attending training sessions as well as monitoring, evaluation, and audits.

6. PERFORMANCE REPORTING

City shall at least quarterly review Subrecipient's performance using on-site visits, progress reports required to be submitted by Subrecipient, audit findings, disbursements transactions and contact with the Subrecipient as necessary. Subrecipient shall furnish to City quarterly program performance and financial reports of its activities in such form and manner as may be requested by the City. Quarterly reports are due by last day of first month following the end of a quarter. Subrecipients shall fully cooperate with City in relation to such monitoring, evaluation, and audits.

7. SUBRECIPIENT FILES AND INFORMATION REPORTS

Subrecipient shall maintain files containing information which shall clearly document all activities performed in conjunction with this Agreement, including, but not limited to, financial transactions, conformance with assurances and activity reports. These records shall be retained by Subrecipient for a period of three years after the completion of the Project.

The Subrecipient shall keep accurate books and records of accounts in accordance with generally accepted accounting principles of all expenditures made and all costs and liabilities incurred utilizing Program Funds. The aforementioned accounts and all project records shall be made available upon request by the City or any other federal agency for examination and audit. All books and records of accounts must be retained for four (4) years from the date of this agreement.

8. ASSIGNABILITY

This Agreement shall not be assigned or transferred by the Subrecipient without the prior written consent of the City. Any assignment or attempted assignment made in violation of this provision shall, at City's election, be deemed void and of no effect whatsoever.

9. AVOIDANCE OF CONFLICT OF INTEREST

Subrecipient certifies and warrants that neither it nor any members of its Board of Directors, officers or employees has or will derive any personal or financial interest or benefit from the activity or activities assisted pursuant to this Agreement, nor has an interest in any contract,

subcontract or agreement with respect thereunto, nor the proceeds thereunder, either for themselves or for those with whom they have family or business ties, during their tenure and for one year thereafter. Subrecipient shall avoid all conflicts of interest which are prohibited by applicable federal regulations including but not limited to those set forth in 31 CFR Part 35 as presently promulgated and as same may be revised from time to time in the future.

10. INDEPENDENCE OF SUBRECIPIENT

Nothing herein contained nor the relationship of Subrecipient to City, which relationship is expressly declared to be that of an independent contractor, shall make or be construed to make Subrecipient or any of Subrecipient's agents or employees the agents or employees of the City. Subrecipient shall be solely and entirely responsible for its acts and the acts of its agents, employees and subcontractors

11. INDEMNIFICATION. LEGAL DISCLAIMER

Subrecipient and any and all of its personnel operating under the terms of this agreement are not to be considered agents or employees of the City for any purpose and are not entitled to any of the benefits that the City provides for the City's employees. Subrecipient covenants and agrees to, and does hereby, indemnify and hold harmless, to the extent permitted by law, defend the City, its agents, servants, or employees, from and against any and all claims for injuries or damages to persons or property of whatsoever kind of character, whether real or asserted, arising out of this agreement for the work to be performed hereunder. The Subrecipient hereby assumes all liability and responsibility for injuries, claims or suits for damages to persons or property of whatsoever kind or character, whether real or asserted, arising out of the performance.

Pursuant to Colorado Constitution Article XI, Sections 1 and 2 the City shall not indemnify or hold harmless Subrecipient, or any party related or operating under this Agreement with or without the City's consent. No provision in this Agreement shall limit or set the amount of damages available to the City to any amount other than the actual direct and indirect damages to the City, regardless of the theory or basis for such damages. Any provision included or incorporated herein by reference which purports to negate this provision in whole or in part shall not be valid or enforceable or available in any action at law or equity, whether by way of complaint, defense, or otherwise. Any provision rendered null and void by this provision shall not invalidate the remainder of the Agreement.

12. TERMINATION OF AGREEMENT

- a. For Cause: This Agreement may be terminated by City for cause, including any nonperformance by the Subrecipient, upon ten (10) days written notice to Subrecipient including a statement of the reasons therefore, and after an opportunity for a hearing has been afforded. If a hearing is requested, it shall be held before the City's Mayor whose decision shall be final. The determination of the City as to the cause of termination and the appropriateness thereof shall be final and binding upon both City and Subrecipient. Cause for termination shall include:
 - Improper use of funds;
 - Failure to comply with the terms and conditions of this Agreement;
 - Failure to comply with the terms and conditions of the Scope of Services, Exhibit A;
 - If, for any reason, this Agreement's performance is rendered impossible or unfeasible;
 - Failure to comply with applicable Federal, State, or local laws and regulations.
- b. For Convenience: This Agreement may be terminated by City for convenience upon ten (10) days written notice to Subrecipient, which decision shall not be subject to appeal.

- c. Post Expiration and Termination Procedures: Upon expiration or in the event of a prior termination, all remaining and unspent grant funds, shall immediately become the sole and separate property of the City and the Subrecipient shall perform all acts and execute all instruments necessary to transfer and assign such funds to the City. All finished or unfinished documents, data, studies, reports, and work product prepared by the Subrecipient under this Agreement or with grant funds shall, at the option of the City, become City's property.

13. LIABILITY

As to the City, Subrecipient agrees to assume the risk of all personal injury, including death and bodily injury, and damage to and destruction of property, including loss of use therefrom, caused by or sustained, in whole or in part, in conjunction with or arising out of the performance or nonperformance of this Agreement by Subrecipient or by the conditions created thereby. Subrecipient further agrees to indemnify and save harmless the City, its officers, agents and employees, from and against all claims, liabilities, costs, expenses, penalties and attorney fees arising from such injuries to persons or damages to property or based upon or arising out of the performance or nonperformance of this Agreement by Subrecipient or out of any violation by Subrecipient of any statute, ordinance, rule or regulation. Subrecipient shall be responsible for any injury to persons or damage to property to the extent arising from negligent or otherwise wrongful acts, errors and omissions of Artist, its agents, and employees.

14. INSURANCE

If Subrecipient and any sub-contractor of Subrecipient have employees Subrecipient and the sub-contractor(s) shall provide the appropriate certificates of insurance and Worker Compensation documents, at no cost to the City, as described in Exhibit "D". Subrecipient further agrees and understands that it, and any sub-contractor are to maintain and keep in force the appropriate insurance certificates throughout the term of this Agreement.

15. CERTIFICATIONS

Subrecipient agrees to execute and abide by the certifications contained in Exhibit "C" hereto, and Subrecipient's application for ARPA funds, both of which are hereby made a part of this Agreement. In the event of any conflict between the terms of this Agreement and Subrecipient's Application, this Agreement shall control.

16. REVERSION OF ASSETS

- a. Upon expiration of the term of this Agreement, or upon any prior termination, Subrecipient shall transfer to City any funds provided hereunder which are on hand at the time of expiration or termination.
- b. In the event City incurs any costs or expenses in enforcing the requirements of this paragraph or in bringing any action to recover the property or amount of any repayment obligation, City shall be entitled to recover its costs and expenses, including reasonable attorney's fees.

17. RESPONSIBILITIES OF SUBRECIPIENT

Subrecipient warrants and represents that it:

- a. Has the requisite authority and capacity to perform all terms and conditions on Subrecipient's part to be performed hereunder;
- b. That it is duly organized as a non-profit organization under state law and is in good standing with the Secretary of State of Colorado;

- c. That it is a nonprofit organization exempt from Federal income taxation under Section 501(c)(3) of the Internal Revenue Code;
- d. That it is fully aware of and understands its duty to perform all functions and services in accordance with the regulatory requirements of 31 CFR Part 35 and those identified in Exhibit "C" hereto; and
- e. That it is accepting federal financial assistance hereunder subject to certain mandatory repayment provisions.

18. RESPONSIBILITIES OF THE CITY

- a. City shall provide Subrecipient with the information necessary to facilitate the performance of this Agreement;
- b. Give prompt notice to Subrecipient when the City becomes aware or observes of any deficiencies or discrepancies in the services provided.

19. ENTIRE AGREEMENT; AMENDMENTS

The provisions set forth in this Agreement, and all Exhibits and attachments to this Agreement, constitute the entire and complete agreement of the parties hereto and supersede all prior written and oral agreements, understandings or representations related thereto. No amendment or modification of this Agreement, and no waiver of any provisions of this Agreement shall be binding unless made in writing and executed by the duly authorized officers of both the Subrecipient and City

20. NOTICES

Notices, as referred to in this Agreement, shall be sent to:

City	City of Aurora, Colorado Attn: Controller 15151 East Alameda Parkway Aurora, Colorado 80012
With a copy to:	Office of the City Attorney 15151 East Alameda Parkway Aurora, Colorado 80012
Subrecipient	Boys Hope Girls Hope of Colorado 3090 S. Jamaica Ct. #212 Aurora, CO 80014

21. LOBBYING

Subrecipient certifies that no Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the Subrecipient shall complete and submit the Standard Form LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

Subrecipient shall require that the language of this certification be included in the award documents for all sub awards at all tiers including subcontracts, sub grants, and contracts under grants, loans, and cooperative agreements and that all referenced shall certify and disclose accordingly.

22. EQUAL EMPLOYMENT OPPORTUNITY/NONDISCRIMINATION.

Subrecipient shall not discriminate against any employee, applicant for employment, contractor, or subcontractor because of race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. The Subrecipient shall adhere to acceptable affirmative action guidelines in selecting employees and contractors and shall ensure that employees and contractors receive fair treatment during employment or agreement, without regard to their race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.

The Subrecipient shall not discriminate because of race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status in Subrecipient services, activities, accommodations, or facility use. The Subrecipient shall adhere to and assure that employment and activity programming are conducted such that all individuals and groups, clients, participants, and/or employees will be treated equally without regard to their race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. The Subrecipient understands and agrees that any act of discrimination based upon race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status may jeopardize grant funding to the Subrecipient and may be subject to loss of funding, reimbursement of funds allocated, or denial of future funds.

23. SIGNATURES

The persons signing this Agreement on behalf of Subrecipient represent and warrant that such persons and Subrecipient have the requisite power and authority to enter, execute and deliver this Agreement and that this Agreement is a valid and legally binding obligation of Subrecipient enforceable against Subrecipient in accordance with its terms.

IN WITNESS, WHEREOF, the Subrecipient and the City have executed this Agreement as of the date first above written and under the laws of the State of Colorado.

CITY OF AURORA, COLORADO

JAMES M. TWOMBLY,
City Manager

SCOPE OF SERVICES

A. Principal Tasks

Title of project/program

Aurora Central High School Academy Program

Description of project/program

637,000 kids (16-19) in the United States are not attending school and do not have a diploma (KIDS Count, 2021). In 2021, Colorado ranked 47th with a graduation rate of 81%. The Aurora Public School's 20-21 graduation rate was only 76.2%. At Aurora Central High School, it was 68.6%. Additional Colorado Department of Education data from the 2019-20 school year shows significant educational gaps between underserved student populations and their peers: 1) Students who attend Title 1 schools drop out of school at nearly twice the rate of the total student population; 2) There is an 11% gap in graduation rates between Black male students and their white peers; and 3) 13% separates Hispanic males from their white male peers. Current research shows even more troubling trends in college graduation rates: 1) Less than 30% of students in the bottom quarter of incomes enroll in a 4-year college. Less than 50% of them graduate. To address these disparities, BHGHCO works with marginalized youth across metro-Denver, ensuring scholars graduate high school and transition successfully to college. In collaboration with partner schools, BHGHCO's year-round comprehensive Academy Program (serves up to 45 scholars at Aurora Central High School) immerses young people in academically focused, nurturing environments 4 to 5 days per week that ignite their hope, enliven their determination, and leverage their strengths. BHGHCO staff provide academic support and character development opportunities outside of normal school-day for youth (ages 14-18) growing up in poverty who attend Aurora Central High School. Professionally trained staff, community volunteers, tutors, and mentors provide scholars with personalized academic, college-preparation, and social emotional support that aligns with key principles of Positive Youth Development (PYD) (youth.gov). As one example of this support and programming:

Senior year is critical for each scholar to create a tangible pathway to college. As first-generation college-going youth, seniors are guided by BHGHCO staff through the challenging process of college access. They and their family:

- Participate in College Application Boot Camp, a one-week session (30 hours) where they complete a draft of the Common College Application essays with one-to-one mentors; finalize their resume; determine colleges of interest; research applicable scholarships.
- Receive individualized counseling around college choices, major interests, affordability, size of college and location, ensuring that a college is officially selected.
- Meet with the BHGHCO team to submit the FAFSA and receive review of all college and scholarship applications by staff and volunteer editors prior to submittal.
- Attend Collegiate Prep, a week-long event, the summer before college, to engage with BHGH scholars across the country in St. Louis, MO.
- Complete all items necessary to attend college. BHGHCO provides programming in a space that promotes a sense of safety with appropriate structure. Staff create supportive relationships with positive social norms. They provide youth with responsibilities and challenges necessary skill-building. Additional key components of BHGHCO's life-transforming program include: 1) local school partnerships (RJHS and ACHS); and 2) strong family partnerships and life skills development. We use this model for one simple reason – It works! As profiled in the Educational Policy Institutes' 2012 report, *A Blueprint for Success: Case Studies of Successful Precollege Outreach Programs*, BHGH's innovative whole-child approach to college preparatory programming helps each scholar graduate high school and successful transition to college. To date:
- One hundred percent of Academy graduates have gone on to college or military service.
- One hundred percent of the BHGHCO scholars move on to the next grade each school year. BHGHCO retention rate is 94% over the past 10 years.

Describe your project/program timeline and anticipated schedule of completion.

BHGHCO's Academy Program is ongoing and operates year-round. Scholars are recruited predominantly during their eighth and ninth grade years with the goal of each scholar staying in the Academy Program through their high school graduation. Each year, we work with Scholars at partner schools year-round to ensure each graduates from high school prepared to succeed in college. Through a combination of Academic, College Preparation, Family, and Cultural Engagement activities, it is the objective of staff to ensure that each scholar:

Activities:

- Has nightly access to tutors and access to mentors as desired.
- Participates in the college preparatory process, financial literacy training and career panels.
- Participates in school and after school activities.
- Has access to mental health supports, as necessary.

Outputs:

- In 11th and 12th grade complete at least one Advanced Placement, Dual Enrollment, or Honors Course per semester.
- Best ACT score or SAT score is at or above the national average or the scholar demonstrates improvement in their score by at least 2 points on the ACT or 100 points on the SAT.
- 16 and older engage in at least one job (or internship) each year (part-time or summer job).
- Volunteers 25 hours a year in the community.

Outcomes: After all program objectives are met, it is the goal that:

- At least 90% of scholars stay in the program through high school graduation.
- 100% of our Academy scholars advance to the next grade level;
- 85% maintain a minimum 3.0 GPA; and
- if graduating from high school, 100% go on to a 2 or 4-year college or enlist in the military.

How will you measure the success and impact of this program or project?

At BHGHCO, the ongoing academic and personal success of our scholars is priority one and how we measure the impact of BHGHCO's high-quality program. We use a whole-organization Performance Management Tool (PMT) to track a variety of data points. Domains tracked include:

- Domain A: Leadership, Governance, and Learning
- Domain B: Human Capital Management

Domain C: Business and Operations • Domain D: Resource Development and Fundraising • Domain E: Brand, Marketing, and Communications • Domain F: Programming and Participant Outcomes Data is gathered through the use of surveys, shared document files, and database records. The majority of indicators are tracked and measured automatically through regular use of Salesforce records integrated with standard BHGH processes. Performance in each domain is measured according to both compliance and outcome standards and tracked over time. Within Domain F: Programming and Participant Outcomes, both quantitative and qualitative measures are used to evaluate short-term and long-term scholar progress and overall program success: • Short term indicators include specific academic, life skill, and college-prep goals. Scholar report cards, schoolteacher feedback, and standardized test results help us track academic achievement and school socialization skills. All of this information is tracked by scholars through My Road, a web-based “road map to college” designed specifically for Boys Hope Girls Hope’s programs. The activities and experiences tracked in My Road have been identified through the latest educational research as necessary for success in school and college attainment, particularly for young people, like our scholars, who are the first in their families to attend college. • Long term indicators include high school graduation rates, college acceptances, scholarships offers, and college success rates for each scholar.

B. Approved Budget

The **approved budget** during the term of this agreement is attached at this link: [Link to Project Budget \(https://arpaauracityco.powerappsportals.com/entity/annotation/53e13edf-6f04-ed11-82e4-002248087dcc/bc8706af-6f04-ed11-82e4-002248087dcc\)](https://arpaauracityco.powerappsportals.com/entity/annotation/53e13edf-6f04-ed11-82e4-002248087dcc/bc8706af-6f04-ed11-82e4-002248087dcc).

Changes in the scope of services, budget, or method of compensation contained in this Agreement, unless otherwise noted, may only be made through a written amendment to this Agreement, executed by the Subrecipient and the City.

C. Performance Monitoring

The City and its consultants will monitor the performance of the Subrecipient according to the Principal Tasks and Budget set forth herein. Subrecipient shall fully cooperate with the City in relation to training and education on requirements and attending training sessions as well as monitoring, evaluation, and audits. Substandard performance shall mean non-compliance with this Agreement. If actions to correct such substandard performance are not taken by the Subrecipient within a reasonable period of time after being so notified by the City, contract suspension or termination procedures may be initiated, in the sole discretion of the City.

EXHIBIT B

COMPLIANCE PROVISIONS INCORPORATED IN THE SUBRECIPIENT AGREEMENT

1. An accounting system using the accrual basis of generally accepted accounting principles which accurately reflects all costs chargeable (paid and unpaid) to the Project is mandatory. A receipts and disbursements ledger must be maintained. A general ledger with an income and expense account for each budgeted line item is necessary. Paid invoices revealing check number, date paid, and item is necessary. Similarly, cash receipts for the payment of wages is mandatory. Paid invoices

revealing check number, date paid, and evidence of goods or services received are to be filed per the expense account they were charged. The City must review and approve your account system and internal controls prior to the release of funds.

2. There is no flexibility on budgets. Line items may be changed only by the City's written concurrence of a budget amendment.
3. Eligible expenses are those considered reasonable and necessary costs for the efficient operation of the Project as determined by the City. All costs must be budgeted items. Request for advance or reimbursements of expenses must be accompanied by:
 1. Original invoice marked with funding source
 2. Detailed listing of each expense showing:
 - a. recipient
 - b. brief description of purchase
 - c. amount with method of computation detailed
 - d. how expense meets program goal per approved proposal

Cost Summary must be submitted monthly to reflect entries through the closing date for the books (indicate Closing Date on Cost Summary).

4. The City shall not be obligated to any third-party contractors of the Subrecipient. The subrecipient is further cautioned against obligating funds beyond the contract date of the agreement between the City and the Subrecipient.
5. The Subrecipient will furnish the City such statements, records, data and information, and permit such interviews with personnel as the City may request to effectively monitor and evaluate the project.
6. City auditors will periodically make interim audits and may, upon completion of the Project, make a final audit.
7. All records must be retained by the Subrecipient for a period of three years following the last day of the Agreement. (Cost summary reports must reflect actual general ledger balances.)

EXHIBIT C

CERTIFICATIONS

Subrecipient hereby certifies that the grant will be conducted and administered in compliance with:

1. Title VII of the Civil Rights Act of 1964 (Pub. L. 88-352; 42 U.S.C. 2000d, et seq.) and implementing regulations issued at 24 CFR Part 1;
2. Title VIII of the Civil Rights Act of 1968 (Pub. L. 90-284; 42 U.S.C. 3601, et seq.), as amended; and that the subrecipient will administer all programs and activities related to housing and community development in a manner to affirmatively further fair housing;
3. Section 109 of the Housing and Community Development Act of 1974, as amended; and the regulations issued pursuant thereto;
4. Section 3 of the Housing and Urban Development Act of 1968, as amended;
5. Executive Order 11246, as amended by Executive Orders 11375 and 12086, and implementing regulations issued at 41 CFR Chapter 60;

6. Executive Order 11063, as amended by Executive Orders 12259, and implementing regulations at 24 CFR Part 107;
7. Section 504 of the Rehabilitation Act of 1973 (Pub. L. 93-112), as amended, and implementing regulations when published for effect;
8. The Age Discrimination in Employment Act of 1975 (Pub. L. 94-135), as amended, and implementing regulations when published for effect;
9. The Subrecipient, as applicable to a governmental or nongovernmental agency, shall comply with the requirements and standards of 2 CFR Chapter I, and Chapter II, Parts 200, 215, 220, 225 and 230, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards" aka "Super Circular"; and shall comply with applicable sections of 79 FR 75871 "Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments".
10. Executive Order 11988 relating to the evaluation of flood hazards and Executive Order 11288 relating to the prevention, control and abatement of water pollution;
11. The flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (Pub. L. 93-234);
12. The applicable regulations, policies, guidelines and requirements of OMB Circular Nos. A-102, Revised, 24 CFR 85 and Subpart J of 24 CFR 570, A-87, A-110, A-122, A-128 and A-133 as they relate to the acceptance and use of federal funds under this federally-assisted program;
13. The Clean Air Act (42 U.S.C. 7401 et.seq.) as amended; particularly section 176 (c) and (d) [42 U.S.C. 7506 (c) and (d)];
14. The Safe Drinking Water Act of 1974 (42 U.S.C. 201, 300 (f) et.seq., and 21 U.S.C. 349) as amended; particularly section 1424 (e) (42 U.S.C. 300 (h)-303 (e));
15. The Endangered Species Act of 1973 (16 U.S.C. 1531 et. Seq.) as amended; including but not limited to section 7 (16 U.S.C. 1536) thereof;
16. The Reservoir Salvage Act of 1960 916 U.S.C. 469 et.seq.); particularly section 3 (16 U.S.C. 469a-1); as amended by the Archeological and Historical Preservation Act of 1974;
17. Flood Disaster Protection Act of 1973 (42 U.S.C. 4001 et.seq.) as amended; particularly sections 102(a) and 202(a) [42 U.S.C. 4012a(a) and 4106(a)];
18. Executive order 11990, Protection of Wetlands, May 24, 1977 (42 FR 26961 et. Seq.); particularly sections 2 and 5;
19. Lead-Based Paint Poisoning Prevention requirements of 25 CFR Part 35 issued pursuant to the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4821 et.seq.);
20. The National Historic Preservation Act of 1966 (16 U.S.C. 470 et seq.) as amended; particularly section 106 (16 U.S.C. 470f); and
21. Executive Order 11593, Protection and Enhancement of the Cultural Environment, May 13, 1971 (36 FR 8921 et seq.); particularly section 2(c).

22. Construction work financed in whole or in part with federal funds is subject to the prevailing wage requirements of the Davis-Bacon Act (29 CFR, Parts 3 and 5), the Copeland Act (29 CFR Part 3), and the Contract Work Hours and Safety Standards Act (Public Law 91-54, 83 Stat. 96). When a project meets this applicability requirement, the labor standards provision of the HUD 4010 and the Davis Bacon Wage Decision issued for the project will be incorporated into this contract document and shall be incorporated into all construction contracts and subcontracts of any tier thereunder.
23. No ARPA funds may be expended for lobbying purposes and payments from other sources for lobbying must be disclosed (24 CFR Part 87).
- a. No federally appropriated funds have been or will be paid, by or on behalf of subrecipient, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.
 - b. If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, 14 a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

24. Where asbestos is present in property undergoing rehabilitation, Federal requirements apply regarding worker exposure, abatement procedures and disposal. (CPD-90-44 EPA/OSHA).

EXHIBIT D INSURANCE REQUIREMENTS

During the term of this Agreement and until final acceptance by the City of all work covered by the Agreement, Subrecipient performing services under this Agreement shall provide, pay for and maintain in full force and effect the types and minimum limits of insurance, as indicated below, covering the Subrecipient, their employees, subcontractors or representatives, along with: the activities of any and all subcontractors retained by the Subrecipient or Subcontractors, the activities of anyone employed by any Subrecipient, Subcontractors, their representatives or anyone for whose acts they may be liable.

Commercial General Liability Insurance. Subrecipient shall maintain commercial general liability insurance covering all operations by or on behalf of Subrecipient on a per occurrence basis against claims for personal injury (including bodily injury and death) and property damage (including loss of use). Coverage will include, if appropriate for the scope of services: Products and Completed Operations, Contractual Liability and a Waiver of Subrogation. The City, its elected and appointed officials, employees, agents and representatives shall be named as Additional Insureds by endorsement.

Minimum limits:

\$1,000,000 each occurrence

\$2,000,000 general aggregate

\$2,000,000 products and completed

Commercial Automobile Liability Insurance. Subrecipient shall maintain business automobile liability covering liability arising out of the operation of any vehicle (including owned, non-owned and hired vehicles) with minimum limits of \$1,000,000 combined single limit each accident, naming the City as an

Additional Insured by endorsement.

Workers' Compensation and Employers Liability Insurance. Subrecipient shall maintain Worker's Compensation Insurance with limits in accordance with the provisions of the Workers' Compensation Act, as amended, by the State of Colorado. Additionally, Subrecipient shall maintain Employers Liability Insurance with minimum limits of \$500,000 bodily injury for each accident, \$100,000 bodily injury by disease each employee and \$500,000 bodily injury disease aggregate. If Subrecipient does not have employees, Subrecipient will provide a written statement indicating that it has no employees and is not subject to the provisions of Colorado Workers' Compensation Act.

If Subrecipient engages services of a subcontractor, Subrecipient is responsible for verifying that the subcontractor's insurance meets the insurance requirements set forth above and that it is in effect prior to and throughout performance of work under this agreement. Any subcontractor who ceases to provide insurance coverage as set forth above must be removed from the project until such time that insurance coverage can be verified as in full force and effect.

Limits of Insurance. The total limits of general and excess liability insurance set forth above may be provided to the City using a combination of primary and excess liability insurance.

Additional Insured and Waiver of Subrogation. Subrecipient shall name the City of Aurora, its elected and appointed officials, employees, agents and representatives as additional insureds by endorsement and provide a waiver of subrogation for the Commercial General Liability and Auto Liability insurance policies. The certificate of insurance will include these specific requirements along with a copy of the relevant endorsements.

Certificates of Insurance. Upon the execution of this Agreement, Subrecipient shall provide certificates of insurance to the City demonstrating that at the minimum coverages required herein are in effect. Subrecipient agrees that the required coverages will not be reduced, canceled, non-renewed or materially changed without Thirty (30) days prior written notice to the City. All certificates of insurance must be kept in force throughout the duration of the services. If any of Subrecipient's or its subcontractor's coverage is renewed at any time prior to completion of the services, Subrecipient shall be responsible for obtaining updated insurance certificates for itself and such subcontractor from the respective insurance carriers and forwarding the replacement certificates to the City within five (5) days of the expiration date of any previously delivered certificate.

The minimum A.M. Best rating of each primary insurer shall be A- VIII and the minimum A.M. Best rating of each excess insurer shall be A- VII. The Subrecipient shall provide copies of insurance policies to the City Risk Manager upon request.

Any of the minimum limits of insurance set out herein may be raised or lowered at the sole discretion of the Risk Manager for the City in response to the particular circumstances giving rise to the contract. Subrecipient's policy will be primary and non-contributory with respect to any and all insurance policies purchased by the City.

In the event that the contract involves professional or consulting services, in addition to the aforementioned insurance requirements, the contract shall also be protected by a Professional Liability Insurance policy as set forth below:

Professional Liability Insurance. Subrecipient shall maintain professional liability insurance with minimum limits of One Million Dollars (\$1,000,000), covering those claims which arise out of the negligent acts or omissions of the Subrecipient, its Subcontractor and any other parties for whom it may

be liable including without limitation, bodily injury, personal injury, property damage and including a contractual liability endorsement specifically applicable to the insurable indemnity obligations set forth herein which Professional Liability Insurance shall be carried on a claims-made basis maintained in full force and effect for the term of this Agreement and, to the extent possible, for a minimum period of Three (3) years after the completion of any and all of Subrecipient's Services hereunder. Any retroactive date or prior acts exclusion to which such coverage is subject shall pre-date both the date upon which any services hereunder are commenced and the date of this Agreement. In the event that coverage is renewed during the original term of any subsequent term of this agreement, endorsement(s) for the new policy(ies) shall be delivered within ten (10) days of the expiration date of any previously delivered certificate.

SUBRECIPIENT AGREEMENT

CORONAVIRUS STATE FISCAL RECOVERY - ARPA FUNDS ASSISTANCE LISTING NUMBER (formerly CFDA): 21-027

FAIN:

THIS SUBRECIPIENT AGREEMENT ("Agreement") is made and entered into this Fourteenth day of November 2022, by and between the City of Aurora, Colorado, a Colorado municipal corporation, hereinafter referred to as the "City" and Aurora Community Connection, a Colorado nonprofit corporation, hereinafter referred to as the "Subrecipient" UEI (if applicable): 64606. City and Subrecipient are sometimes each referred to as a "Party" and collectively "Parties."

RECITALS

WHEREAS, on March 11, 2021, President Biden signed the U.S. Senate-amended H.R. 1319 (P.L. 117-2) known as the American Rescue Plan Act (hereinafter "ARPA"); and

WHEREAS, In Pub. Law. 117-2, Subtitle M, Sec. 9901, (The American Rescue Act or "ARPA") the US Congress allocated money to local government for various purposes; and

WHEREAS, on May 10, 2021, the U.S. Treasury issued the Interim Final Rule to implement ARPA in Title 31, Part 35 of the Code of Federal Regulations ("CFR"); and

WHEREAS, under ARPA Section 603 (c)(1)(A) and (3) and the Interim Final Rule 31 CFR 35.6(b)(7) recipients may use Coronavirus Local Fiscal Recovery ("CLFR") Funds to award grants to nonprofit organizations that are responding to the negative economic impacts of the COVID-19 public health emergency; and

WHEREAS, under ARPA Section 603 (c)(1)(A) and the Interim Final Rule 31 CFR 35.6(b)(7) and (12) recipients may provide CLFR Funds to programs or services to disproportionately impacted communities; and

WHEREAS, the City desires to disburse funds from Project No. CI-2113 to the Subrecipient to administer the Project and perform certain services in connection therewith as set forth in this Agreement and in the Scope of Services attached hereto; and

WHEREAS, Subrecipient has represented to the City that is duly qualified, eligible and willing to undertake the Project and provide the services identified herein and in the Scope of Services attached hereto.

NOW, THEREFORE, in consideration of the foregoing recitals and in consideration of the terms and conditions set forth herein, the Parties hereto mutually agree as follows:

1. SCOPE OF SERVICES

Subrecipient agrees to satisfactorily perform and complete all services and items of work, and furnish all labor and materials encompassed within or reasonably necessary to accomplish the tasks and functions described in the Scope of Services attached hereto as Exhibit "A" and incorporated herein by reference, in full compliance with all provisions of this Agreement.

Administrative Costs as defined in 24 CFR 576.108 are not an eligible reimbursable cost offered to subrecipients.

This award is not for Research and Development.

2. BUDGET AND METHOD OF PAYMENT

- a. City will pay to Subrecipient an amount up to that specified in subparagraph (c) of this paragraph as full compensation for all services and work to be performed or undertaken by Subrecipient under this Agreement. Payment of funds to Subrecipient is subject to all of the following requirements, which shall be conditions precedent to payment:
 - i. That Subrecipient has expended funds for eligible approved expenditures;
 - ii. That Subrecipient is not in default of any material provision of this Agreement nor applicable law or regulation;
 - iii. That Subrecipient has timely submitted requests for payment or reimbursement detailing the eligible payment or reimbursement items in a format approved by City; and
 - iv. That Subrecipient has certified with each payment or reimbursement request compliance with the requirements identified in Exhibit "C" and that all expenditures for which reimbursement is sought were made for and in furtherance of the approved Project and are an eligible use of federal assistance under ARPA and federal regulations.
- b. Payment hereunder is also subject to and may only be disbursed in accordance with applicable Federal regulations including but not limited to those at 31 CFR Part 35, as presently promulgated and as same may be revised from time to time in the future, all other terms of this Agreement, and any special provisions in the Scope of Services. All payments received by Subrecipient hereunder are subject to repayment by Subrecipient as provided in 31 CFR Part 35.
- c. The aggregate of all payments made hereunder shall not exceed **forty thousand dollars and zero cents (\$40,000.00)**.
- d. Upon expiration of the term of this Agreement or upon any prior termination, Subrecipient shall transfer to City any funds provided hereunder which are on hand at the time of expiration or termination.

3. TERM OF PROJECT AND AGREEMENT

- a. PROJECT. The term of the Project shall be from the date this Agreement. The Project will be completed on June 30, 2024 unless this Agreement is sooner terminated as herein provided.
- b. AGREEMENT. The term of this Agreement shall be from the date this Agreement. The activities contemplated by this Agreement will be completed on or before June 30, 2024 unless sooner terminated as herein provided.

4. SUBRECIPIENT RECORDS

Subrecipient shall maintain records as to all services provided, reimbursable expenses incurred in performing the Scope of Services and complete accounting records. Accounting records shall be kept on a generally recognized accounting basis and as requested by any representee of the City. Subrecipient agrees to comply with all applicable uniform administrative requirements described or referenced in 31 CFR 35. The Compliance Provisions attached as Exhibit "B" hereto are made a part of this Agreement and Subrecipient agrees to perform and comply with same. The City, Comptroller General of the United States, the Inspector General of the U.S. Treasury and any of their authorized representatives, shall have the right to inspect and copy, during reasonable business hours, all books, documents, papers and records of the Subrecipient which relate to this Agreement for making an audit or examination. Upon completion of the work and end of the term of this Agreement, the City may require copies of all Subrecipient's financial records relating to this Agreement to be turned over to City.

The Subrecipient, which is a non-federal agency, that expends \$750,000 or more during the Subrecipient's fiscal year, shall have a single audit conducted for that year in accordance with the provisions 2 CFR 200, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards", "Super Circular", Audit shall be completed within nine (9) months of the Subrecipients audit period and a copy of the most recent audit shall be forwarded to the City within thirty (30) days of completion.

5. MONITORING AND EVALUATION

City and its consultants shall have the right to monitor and evaluate the progress and performance of Subrecipient to assure that the terms of this Agreement are being satisfactorily fulfilled in accordance with City's and other applicable monitoring and evaluation criteria and standards. City may at least quarterly review Subrecipient's performance using on-site visits, progress reports required to be submitted by Subrecipient, audit findings, disbursements transactions, and contact Subrecipient as necessary. Subrecipient shall furnish City quarterly program and financial reports of its activities in such form and manner as may be requested by the City. Subrecipient shall fully cooperate with the City in relation to training and education on requirements and attending training sessions as well as monitoring, evaluation, and audits.

6. PERFORMANCE REPORTING

City shall at least quarterly review Subrecipient's performance using on-site visits, progress reports required to be submitted by Subrecipient, audit findings, disbursements transactions and contact with the Subrecipient as necessary. Subrecipient shall furnish to City quarterly program performance and financial reports of its activities in such form and manner as may be requested by the City. Quarterly reports are due by last day of first month following the end of a quarter. Subrecipients shall fully cooperate with City in relation to such monitoring, evaluation, and audits.

7. SUBRECIPIENT FILES AND INFORMATION REPORTS

Subrecipient shall maintain files containing information which shall clearly document all activities performed in conjunction with this Agreement, including, but not limited to, financial transactions, conformance with assurances and activity reports. These records shall be retained by Subrecipient for a period of three years after the completion of the Project.

The Subrecipient shall keep accurate books and records of accounts in accordance with generally accepted accounting principles of all expenditures made and all costs and liabilities incurred utilizing Program Funds. The aforementioned accounts and all project records shall be made available upon request by the City or any other federal agency for examination and audit. All books and records of accounts must be retained for four (4) years from the date of this agreement.

8. ASSIGNABILITY

This Agreement shall not be assigned or transferred by the Subrecipient without the prior written consent of the City. Any assignment or attempted assignment made in violation of this provision shall, at City's election, be deemed void and of no effect whatsoever.

9. AVOIDANCE OF CONFLICT OF INTEREST

Subrecipient certifies and warrants that neither it nor any members of its Board of Directors, officers or employees has or will derive any personal or financial interest or benefit from the activity or activities assisted pursuant to this Agreement, nor has an interest in any contract,

subcontract or agreement with respect thereunto, nor the proceeds thereunder, either for themselves or for those with whom they have family or business ties, during their tenure and for one year thereafter. Subrecipient shall avoid all conflicts of interest which are prohibited by applicable federal regulations including but not limited to those set forth in 31 CFR Part 35 as presently promulgated and as same may be revised from time to time in the future.

10. INDEPENDENCE OF SUBRECIPIENT

Nothing herein contained nor the relationship of Subrecipient to City, which relationship is expressly declared to be that of an independent contractor, shall make or be construed to make Subrecipient or any of Subrecipient's agents or employees the agents or employees of the City. Subrecipient shall be solely and entirely responsible for its acts and the acts of its agents, employees and subcontractors

11. INDEMNIFICATION. LEGAL DISCLAIMER

Subrecipient and any and all of its personnel operating under the terms of this agreement are not to be considered agents or employees of the City for any purpose and are not entitled to any of the benefits that the City provides for the City's employees. Subrecipient covenants and agrees to, and does hereby, indemnify and hold harmless, to the extent permitted by law, defend the City, its agents, servants, or employees, from and against any and all claims for injuries or damages to persons or property of whatsoever kind of character, whether real or asserted, arising out of this agreement for the work to be performed hereunder. The Subrecipient hereby assumes all liability and responsibility for injuries, claims or suits for damages to persons or property of whatsoever kind or character, whether real or asserted, arising out of the performance.

Pursuant to Colorado Constitution Article XI, Sections 1 and 2 the City shall not indemnify or hold harmless Subrecipient, or any party related or operating under this Agreement with or without the City's consent. No provision in this Agreement shall limit or set the amount of damages available to the City to any amount other than the actual direct and indirect damages to the City, regardless of the theory or basis for such damages. Any provision included or incorporated herein by reference which purports to negate this provision in whole or in part shall not be valid or enforceable or available in any action at law or equity, whether by way of complaint, defense, or otherwise. Any provision rendered null and void by this provision shall not invalidate the remainder of the Agreement.

12. TERMINATION OF AGREEMENT

- a. For Cause: This Agreement may be terminated by City for cause, including any nonperformance by the Subrecipient, upon ten (10) days written notice to Subrecipient including a statement of the reasons therefore, and after an opportunity for a hearing has been afforded. If a hearing is requested, it shall be held before the City's Mayor whose decision shall be final. The determination of the City as to the cause of termination and the appropriateness thereof shall be final and binding upon both City and Subrecipient. Cause for termination shall include:
 - Improper use of funds;
 - Failure to comply with the terms and conditions of this Agreement;
 - Failure to comply with the terms and conditions of the Scope of Services, Exhibit A;
 - If, for any reason, this Agreement's performance is rendered impossible or unfeasible;
 - Failure to comply with applicable Federal, State, or local laws and regulations.
- b. For Convenience: This Agreement may be terminated by City for convenience upon ten (10) days written notice to Subrecipient, which decision shall not be subject to appeal.

- c. Post Expiration and Termination Procedures: Upon expiration or in the event of a prior termination, all remaining and unspent grant funds, shall immediately become the sole and separate property of the City and the Subrecipient shall perform all acts and execute all instruments necessary to transfer and assign such funds to the City. All finished or unfinished documents, data, studies, reports, and work product prepared by the Subrecipient under this Agreement or with grant funds shall, at the option of the City, become City's property.

13. LIABILITY

As to the City, Subrecipient agrees to assume the risk of all personal injury, including death and bodily injury, and damage to and destruction of property, including loss of use therefrom, caused by or sustained, in whole or in part, in conjunction with or arising out of the performance or nonperformance of this Agreement by Subrecipient or by the conditions created thereby. Subrecipient further agrees to indemnify and save harmless the City, its officers, agents and employees, from and against all claims, liabilities, costs, expenses, penalties and attorney fees arising from such injuries to persons or damages to property or based upon or arising out of the performance or nonperformance of this Agreement by Subrecipient or out of any violation by Subrecipient of any statute, ordinance, rule or regulation. Subrecipient shall be responsible for any injury to persons or damage to property to the extent arising from negligent or otherwise wrongful acts, errors and omissions of Artist, its agents, and employees.

14. INSURANCE

If Subrecipient and any sub-contractor of Subrecipient have employees Subrecipient and the sub-contractor(s) shall provide the appropriate certificates of insurance and Worker Compensation documents, at no cost to the City, as described in Exhibit "D". Subrecipient further agrees and understands that it, and any sub-contractor are to maintain and keep in force the appropriate insurance certificates throughout the term of this Agreement.

15. CERTIFICATIONS

Subrecipient agrees to execute and abide by the certifications contained in Exhibit "C" hereto, and Subrecipient's application for ARPA funds, both of which are hereby made a part of this Agreement. In the event of any conflict between the terms of this Agreement and Subrecipient's Application, this Agreement shall control.

16. REVERSION OF ASSETS

- a. Upon expiration of the term of this Agreement, or upon any prior termination, Subrecipient shall transfer to City any funds provided hereunder which are on hand at the time of expiration or termination.
- b. In the event City incurs any costs or expenses in enforcing the requirements of this paragraph or in bringing any action to recover the property or amount of any repayment obligation, City shall be entitled to recover its costs and expenses, including reasonable attorney's fees.

17. RESPONSIBILITIES OF SUBRECIPIENT

Subrecipient warrants and represents that it:

- a. Has the requisite authority and capacity to perform all terms and conditions on Subrecipient's part to be performed hereunder;
- b. That it is duly organized as a non-profit organization under state law and is in good standing with the Secretary of State of Colorado;

- c. That it is a nonprofit organization exempt from Federal income taxation under Section 501(c)(3) of the Internal Revenue Code;
- d. That it is fully aware of and understands its duty to perform all functions and services in accordance with the regulatory requirements of 31 CFR Part 35 and those identified in Exhibit "C" hereto; and
- e. That it is accepting federal financial assistance hereunder subject to certain mandatory repayment provisions.

18. RESPONSIBILITIES OF THE CITY

- a. City shall provide Subrecipient with the information necessary to facilitate the performance of this Agreement;
- b. Give prompt notice to Subrecipient when the City becomes aware or observes of any deficiencies or discrepancies in the services provided.

19. ENTIRE AGREEMENT; AMENDMENTS

The provisions set forth in this Agreement, and all Exhibits and attachments to this Agreement, constitute the entire and complete agreement of the parties hereto and supersede all prior written and oral agreements, understandings or representations related thereto. No amendment or modification of this Agreement, and no waiver of any provisions of this Agreement shall be binding unless made in writing and executed by the duly authorized officers of both the Subrecipient and City

20. NOTICES

Notices, as referred to in this Agreement, shall be sent to:

City	City of Aurora, Colorado Attn: Controller 15151 East Alameda Parkway Aurora, Colorado 80012
With a copy to:	Office of the City Attorney 15151 East Alameda Parkway Aurora, Colorado 80012
Subrecipient	Aurora Community Connection 9801 E Colfax Ave. Suite 200 9801 E Colfax Ave. Suite 200 Aurora, CO 80010

21. LOBBYING

Subrecipient certifies that no Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the Subrecipient shall complete and submit the Standard Form LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

Subrecipient shall require that the language of this certification be included in the award documents for all sub awards at all tiers including subcontracts, sub grants, and contracts under grants, loans, and cooperative agreements and that all referenced shall certify and disclose accordingly.

22. EQUAL EMPLOYMENT OPPORTUNITY/NONDISCRIMINATION.

Subrecipient shall not discriminate against any employee, applicant for employment, contractor, or subcontractor because of race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. The Subrecipient shall adhere to acceptable affirmative action guidelines in selecting employees and contractors and shall ensure that employees and contractors receive fair treatment during employment or agreement, without regard to their race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.

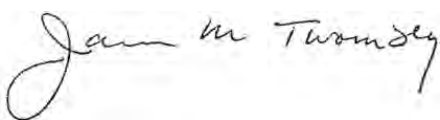

The Subrecipient shall not discriminate because of race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status in Subrecipient services, activities, accommodations, or facility use. The Subrecipient shall adhere to and assure that employment and activity programming are conducted such that all individuals and groups, clients, participants, and/or employees will be treated equally without regard to their race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. The Subrecipient understands and agrees that any act of discrimination based upon race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status may jeopardize grant funding to the Subrecipient and may be subject to loss of funding, reimbursement of funds allocated, or denial of future funds.

23. SIGNATURES

The persons signing this Agreement on behalf of Subrecipient represent and warrant that such persons and Subrecipient have the requisite power and authority to enter, execute and deliver this Agreement and that this Agreement is a valid and legally binding obligation of Subrecipient enforceable against Subrecipient in accordance with its terms.

IN WITNESS, WHEREOF, the Subrecipient and the City have executed this Agreement as of the date first above written and under the laws of the State of Colorado.

CITY OF AURORA, COLORADO

SCOPE OF SERVICES

A. Principal Tasks

Title of project/program

Dance & Martial Arts Health Classes for Aurora Residents

Description of project/program

Funding provided by the ARPA Nonprofit Grant Program will immediately be put to work this year in support of two of our physical exercise classes, including Baile Folklorico and Martial Arts. A second year of ARPA funding would support ACC in continuing to deliver this programming next calendar year, as instructor costs are expected to increase. ACC's Baile Folklorico program provides traditional Mexican folk dance classes to local youth, led by Adam Barrientos, who has 10 years of experience in dance, including 4 of teaching (at ACC and UCSB). Through these classes, youth participants engage in physical activity while learning about this meaningful and beautiful tradition. Each class session is highly structured. The instructor begins with an active stretching routine and a full-body workout including core exercises, which is followed by footwork practice and multiple run-throughs of dance routines. This program is especially popular among Latinx parents who value passing cultural traditions on to the next generation. The program also helps participants develop a strong sense of identity, community and belonging. In 2022, our goal is to reach 40 youth through the Baile Folklorico program. 38 youth are currently enrolled and participating in classes. We anticipate serving a similar number of participants with a second year of funding. ACC's Martial Arts program has also been particularly popular among the youth we serve, having had a wait-list for signups in the past. Martial arts classes include 1-hour sessions, for 3 groups divided

by age, provided twice a week for 42 weeks a year. The classes are led by certified partner instructors who have backgrounds in taekwondo and have experience with local communities, as well as running the local Bushido Academy. In 2022, our goal is to reach 30 youth through Martial Arts at the Bushido Academy. We anticipate serving a similar number of participants with a second year of funding. Both of these youth exercise programs are evidence-based and holistic, reaching children who otherwise do not have the opportunities to access such health services.

Describe your project/program timeline and anticipated schedule of completion.

ACC offers folk dance and martial arts classes multiple times throughout the year, at multiple sites, giving low-income Latinx youth, ages 4–14, increased access to moderate to vigorous physical activity and community-based engagement on a regular basis. Programming is also offered during the summer, giving ample opportunities for additional out-of-school-time activities. Between both programs, 70 total Aurora youth will be reached by the end of this calendar year (40 for Baile Folklorico and approximately 30 for Martial Arts). Over two years, we anticipate reaching a total of 140 participants.

How will you measure the success and impact of this program or project?

ACC is working closely with ResultsLab this year, an outside consulting partner, to further refine our program evaluation systems. Through this work, the ResultsLab consultants working with our team will complete a data audit to get a better understanding of who we serve, the characteristics of those participants, and what we might need to do to make our programs and services more accessible to everyone. We will then define a set of quality standards for each program and service offered at ACC to strengthen the data infrastructure needed to make sure we are tracking program quality and making data-driven decisions to improve program and service delivery. In the meantime, we continue to measure the overall success of our programs by tracking a number of quantitative and qualitative measures including attendance records, pre- and post-surveys, and participant interviews for each of our programs. Currently, we record all of our family support service data in the Salesforce software administered by the Family Resource Center Association of Colorado (FRCA), monitored for fidelity by FRCA. Currently, for Baile Folklorico and Martial Arts, we collect demographic data and record attendance at each session. ACC maintains a waitlist for each of its programs, and both of these programs consistently have people on the waitlist. This is an indicator of community demand for the programs. In addition to these quantitative measures, we collect qualitative data in the form of interviews with participants and/or their parents.

B. Approved Budget

The **approved budget** during the term of this agreement is attached at this link: [Link to Project Budget \(https://arpaauracityco.powerappsportals.com/entity/annotation/ed509a6a-7c04-ed11-82e4-002248087522/bbf945fb-7b04-ed11-82e4-002248087dcc\)](https://arpaauracityco.powerappsportals.com/entity/annotation/ed509a6a-7c04-ed11-82e4-002248087522/bbf945fb-7b04-ed11-82e4-002248087dcc).

Changes in the scope of services, budget, or method of compensation contained in this Agreement, unless otherwise noted, may only be made through a written amendment to this Agreement, executed by the Subrecipient and the City.

C. Performance Monitoring

The City and its consultants will monitor the performance of the Subrecipient according to the Principal Tasks and Budget set forth herein. Subrecipient shall fully cooperate with the City in relation to training and education on requirements and attending training sessions as well as monitoring, evaluation, and audits. Substandard performance shall mean non-compliance with this

Agreement. If actions to correct such substandard performance are not taken by the Subrecipient within a reasonable period of time after being so notified by the City, contract suspension or termination procedures may be initiated, in the sole discretion of the City.

EXHIBIT B

COMPLIANCE PROVISIONS INCORPORATED IN THE SUBRECIPIENT AGREEMENT

1. An accounting system using the accrual basis of generally accepted accounting principles which accurately reflects all costs chargeable (paid and unpaid) to the Project is mandatory. A receipts and disbursements ledger must be maintained. A general ledger with an income and expense account for each budgeted line item is necessary. Paid invoices revealing check number, date paid, and item is necessary. Similarly, cash receipts for the payment of wages is mandatory. Paid invoices revealing check number, date paid, and evidence of goods or services received are to be filed per the expense account they were charged. The City must review and approve your account system and internal controls prior to the release of funds.
2. There is no flexibility on budgets. Line items may be changed only by the City's written concurrence of a budget amendment.
3. Eligible expenses are those considered reasonable and necessary costs for the efficient operation of the Project as determined by the City. All costs must be budgeted items. Request for advance or reimbursements of expenses must be accompanied by:
 1. Original invoice marked with funding source
 2. Detailed listing of each expense showing:
 - a. recipient
 - b. brief description of purchase
 - c. amount with method of computation detailed
 - d. how expense meets program goal per approved proposal

Cost Summary must be submitted monthly to reflect entries through the closing date for the books (indicate Closing Date on Cost Summary).

4. The City shall not be obligated to any third-party contractors of the Subrecipient. The subrecipient is further cautioned against obligating funds beyond the contract date of the agreement between the City and the Subrecipient.
5. The Subrecipient will furnish the City such statements, records, data and information, and permit such interviews with personnel as the City may request to effectively monitor and evaluate the project.
6. City auditors will periodically make interim audits and may, upon completion of the Project, make a final audit.
7. All records must be retained by the Subrecipient for a period of three years following the last day of the Agreement. (Cost summary reports must reflect actual general ledger balances.)

EXHIBIT C

CERTIFICATIONS

Subrecipient hereby certifies that the grant will be conducted and administered in compliance with:

1. Title VII of the Civil Rights Act of 1964 (Pub. L. 88-352; 42 U.S.C. 2000d, et seq.) and implementing regulations issued at 24 CFR Part 1;
2. Title VIII of the Civil Rights Act of 1968 (Pub. L. 90-284; 42 U.S.C. 3601, et seq.), as amended; and that the subrecipient will administer all programs and activities related to housing and community development in a manner to affirmatively further fair housing;
3. Section 109 of the Housing and Community Development Act of 1974, as amended; and the regulations issued pursuant thereto;
4. Section 3 of the Housing and Urban Development Act of 1968, as amended;
5. Executive Order 11246, as amended by Executive Orders 11375 and 12086, and implementing regulations issued at 41 CFR Chapter 60;
6. Executive Order 11063, as amended by Executive Orders 12259, and implementing regulations at 24 CFR Part 107;
7. Section 504 of the Rehabilitation Act of 1973 (Pub. L. 93-112), as amended, and implementing regulations when published for effect;
8. The Age Discrimination in Employment Act of 1975 (Pub. L. 94-135), as amended, and implementing regulations when published for effect;
9. The Subrecipient, as applicable to a governmental or nongovernmental agency, shall comply with the requirements and standards of 2 CFR Chapter I, and Chapter II, Parts 200, 215, 220, 225 and 230, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards" aka "Super Circular"; and shall comply with applicable sections of 79 FR 75871 "Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments".
10. Executive Order 11988 relating to the evaluation of flood hazards and Executive Order 11288 relating to the prevention, control and abatement of water pollution;
11. The flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (Pub. L. 93-234);
12. The applicable regulations, policies, guidelines and requirements of OMB Circular Nos. A-102, Revised, 24 CFR 85 and Subpart J of 24 CFR 570, A-87, A-110, A-122, A-128 and A-133 as they relate to the acceptance and use of federal funds under this federally-assisted program;
13. The Clean Air Act (42 U.S.C. 7401 et.seq.) as amended; particularly section 176 (c) and (d) [42 U.S.C. 7506 (c) and (d)];
14. The Safe Drinking Water Act of 1974 (42 U.S.C. 201, 300 (f) et.seq., and 21 U.S.C. 349) as amended; particularly section 1424 (e) (42 U.S.C. 300 (h)-303 (e));
15. The Endangered Species Act of 1973 (16 U.S.C. 1531 et. Seq.) as amended; including but not limited to section 7 (16 U.S.C. 1536) thereof;
16. The Reservoir Salvage Act of 1960 916 U.S.C. 469 et.seq.); particularly section 3 (16 U.S.C. 469a-1); as amended by the Archeological and Historical Preservation Act of 1974;

17. Flood Disaster Protection Act of 1973 (42 U.S.C. 4001 et seq.) as amended; particularly sections 102(a) and 202(a) [42 U.S.C. 4012a(a) and 4106(a)];
18. Executive order 11990, Protection of Wetlands, May 24, 1977 (42 FR 26961 et. Seq.); particularly sections 2 and 5;
19. Lead-Based Paint Poisoning Prevention requirements of 25 CFR Part 35 issued pursuant to the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4821 et seq.);
20. The National Historic Preservation Act of 1966 (16 U.S.C. 470 et seq.) as amended; particularly section 106 (16 U.S.C. 470f); and
21. Executive Order 11593, Protection and Enhancement of the Cultural Environment, May 13, 1971 (36 FR 8921 et seq.); particularly section 2(c).
22. Construction work financed in whole or in part with federal funds is subject to the prevailing wage requirements of the Davis-Bacon Act (29 CFR, Parts 3 and 5), the Copeland Act (29 CFR Part 3), and the Contract Work Hours and Safety Standards Act (Public Law 91-54, 83 Stat. 96). When a project meets this applicability requirement, the labor standards provision of the HUD 4010 and the Davis Bacon Wage Decision issued for the project will be incorporated into this contract document and shall be incorporated into all construction contracts and subcontracts of any tier thereunder.
23. No ARPA funds may be expended for lobbying purposes and payments from other sources for lobbying must be disclosed (24 CFR Part 87).
 - a. No federally appropriated funds have been or will be paid, by or on behalf of subrecipient, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.
 - b. If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, 14 a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.
24. Where asbestos is present in property undergoing rehabilitation, Federal requirements apply regarding worker exposure, abatement procedures and disposal. (CPD-90-44 EPA/OSHA).

EXHIBIT D

INSURANCE REQUIREMENTS

During the term of this Agreement and until final acceptance by the City of all work covered by the Agreement, Subrecipient performing services under this Agreement shall provide, pay for and maintain in full force and effect the types and minimum limits of insurance, as indicated below, covering the Subrecipient, their employees, subcontractors or representatives, along with: the activities of any and all subcontractors retained by the Subrecipient or Subcontractors, the activities of anyone employed by any Subrecipient, Subcontractors, their representatives or anyone for whose acts they may be liable.

Commercial General Liability Insurance. Subrecipient shall maintain commercial general liability insurance covering all operations by or on behalf of Subrecipient on a per occurrence basis against claims for personal injury (including bodily injury and death) and property damage (including loss of use). Coverage will include, if appropriate for the scope of services: Products and Completed Operations, Contractual Liability and a Waiver of Subrogation. The City, its elected and appointed officials, employees, agents and representatives shall be named as Additional Insureds by endorsement.

Minimum limits:

\$1,000,000 each occurrence

\$2,000,000 general aggregate

\$2,000,000 products and completed

Commercial Automobile Liability Insurance. Subrecipient shall maintain business automobile liability covering liability arising out of the operation of any vehicle (including owned, non-owned and hired vehicles) with minimum limits of \$1,000,000 combined single limit each accident, naming the City as an Additional Insured by endorsement.

Workers' Compensation and Employers Liability Insurance. Subrecipient shall maintain Worker's Compensation Insurance with limits in accordance with the provisions of the Workers' Compensation Act, as amended, by the State of Colorado. Additionally, Subrecipient shall maintain Employers Liability Insurance with minimum limits of \$500,000 bodily injury for each accident, \$100,000 bodily injury by disease each employee and \$500,000 bodily injury disease aggregate. If Subrecipient does not have employees, Subrecipient will provide a written statement indicating that it has no employees and is not subject to the provisions of Colorado Workers' Compensation Act.

If Subrecipient engages services of a subcontractor, Subrecipient is responsible for verifying that the subcontractor's insurance meets the insurance requirements set forth above and that it is in effect prior to and throughout performance of work under this agreement. Any subcontractor who ceases to provide insurance coverage as set forth above must be removed from the project until such time that insurance coverage can be verified as in full force and effect.

Limits of Insurance. The total limits of general and excess liability insurance set forth above may be provided to the City using a combination of primary and excess liability insurance.

Additional Insured and Waiver of Subrogation. Subrecipient shall name the City of Aurora, its elected and appointed officials, employees, agents and representatives as additional insureds by endorsement and provide a waiver of subrogation for the Commercial General Liability and Auto Liability insurance policies. The certificate of insurance will include these specific requirements along with a copy of the relevant endorsements.

Certificates of Insurance. Upon the execution of this Agreement, Subrecipient shall provide certificates of insurance to the City demonstrating that at the minimum coverages required herein are in effect. Subrecipient agrees that the required coverages will not be reduced, canceled, non-renewed or materially changed without Thirty (30) days prior written notice to the City. All certificates of insurance must be kept in force throughout the duration of the services. If any of Subrecipient's or its subcontractor's coverage is renewed at any time prior to completion of the services, Subrecipient shall be responsible for obtaining updated insurance certificates for itself and such subcontractor from the respective insurance carriers and forwarding the replacement certificates to the City within five (5) days of the expiration date of any previously delivered certificate.

The minimum A.M. Best rating of each primary insurer shall be A- VIII and the minimum A.M. Best rating of each excess insurer shall be A- VII. The Subrecipient shall provide copies of insurance policies to the City Risk Manager upon request.

Any of the minimum limits of insurance set out herein may be raised or lowered at the sole discretion of the Risk Manager for the City in response to the particular circumstances giving rise to the contract. Subrecipient's policy will be primary and non-contributory with respect to any and all insurance policies purchased by the City.

In the event that the contract involves professional or consulting services, in addition to the aforementioned insurance requirements, the contract shall also be protected by a Professional Liability Insurance policy as set forth below:

Professional Liability Insurance. Subrecipient shall maintain professional liability insurance with minimum limits of One Million Dollars (\$1,000,000), covering those claims which arise out of the negligent acts or omissions of the Subrecipient, its Subcontractor and any other parties for whom it may be liable including without limitation, bodily injury, personal injury, property damage and including a contractual liability endorsement specifically applicable to the insurable indemnity obligations set forth herein which Professional Liability Insurance shall be carried on a claims-made basis maintained in full force and effect for the term of this Agreement and, to the extent possible, for a minimum period of Three (3) years after the completion of any and all of Subrecipient's Services hereunder. Any retroactive date or prior acts exclusion to which such coverage is subject shall pre-date both the date upon which any services hereunder are commenced and the date of this Agreement. In the event that coverage is renewed during the original term of any subsequent term of this agreement, endorsement(s) for the new policy(ies) shall be delivered within ten (10) days of the expiration date of any previously delivered certificate.

SUBRECIPIENT AGREEMENT

CORONAVIRUS STATE FISCAL RECOVERY - ARPA FUNDS ASSISTANCE LISTING NUMBER (formerly CFDA): 21-027

FAIN:

THIS SUBRECIPIENT AGREEMENT ("Agreement") is made and entered into this Fourteenth day of November 2022, by and between the City of Aurora, Colorado, a Colorado municipal corporation, hereinafter referred to as the "City" and Colorado Alliance for Health Equity and Practice, a Colorado nonprofit corporation, hereinafter referred to as the "Subrecipient" UEI (if applicable): 123456789000. City and Subrecipient are sometimes each referred to as a "Party" and collectively "Parties."

RECITALS

WHEREAS, on March 11, 2021, President Biden signed the U.S. Senate-amended H.R. 1319 (P.L. 117-2) known as the American Rescue Plan Act (hereinafter "ARPA"); and

WHEREAS, In Pub. Law. 117-2, Subtitle M, Sec. 9901, (The American Rescue Act or "ARPA") the US Congress allocated money to local government for various purposes; and

WHEREAS, on May 10, 2021, the U.S. Treasury issued the Interim Final Rule to implement ARPA in Title 31, Part 35 of the Code of Federal Regulations ("CFR"); and

WHEREAS, under ARPA Section 603 (c)(1)(A) and (3) and the Interim Final Rule 31 CFR 35.6(b)(7) recipients may use Coronavirus Local Fiscal Recovery ("CLFR") Funds to award grants to nonprofit organizations that are responding to the negative economic impacts of the COVID-19 public health emergency; and

WHEREAS, under ARPA Section 603 (c)(1)(A) and the Interim Final Rule 31 CFR 35.6(b)(7) and (12) recipients may provide CLFR Funds to programs or services to disproportionately impacted communities; and

WHEREAS, the City desires to disburse funds from Project No. CI-2113 to the Subrecipient to administer the Project and perform certain services in connection therewith as set forth in this Agreement and in the Scope of Services attached hereto; and

WHEREAS, Subrecipient has represented to the City that is duly qualified, eligible and willing to undertake the Project and provide the services identified herein and in the Scope of Services attached hereto.

NOW, THEREFORE, in consideration of the foregoing recitals and in consideration of the terms and conditions set forth herein, the Parties hereto mutually agree as follows:

1. SCOPE OF SERVICES

Subrecipient agrees to satisfactorily perform and complete all services and items of work, and furnish all labor and materials encompassed within or reasonably necessary to accomplish the tasks and functions described in the Scope of Services attached hereto as Exhibit "A" and incorporated herein by reference, in full compliance with all provisions of this Agreement.

Administrative Costs as defined in 24 CFR 576.108 are not an eligible reimbursable cost offered to subrecipients.

This award is not for Research and Development.

2. BUDGET AND METHOD OF PAYMENT

- a. City will pay to Subrecipient an amount up to that specified in subparagraph (c) of this paragraph as full compensation for all services and work to be performed or undertaken by Subrecipient under this Agreement. Payment of funds to Subrecipient is subject to all of the following requirements, which shall be conditions precedent to payment:
 - i. That Subrecipient has expended funds for eligible approved expenditures;
 - ii. That Subrecipient is not in default of any material provision of this Agreement nor applicable law or regulation;
 - iii. That Subrecipient has timely submitted requests for payment or reimbursement detailing the eligible payment or reimbursement items in a format approved by City; and
 - iv. That Subrecipient has certified with each payment or reimbursement request compliance with the requirements identified in Exhibit "C" and that all expenditures for which reimbursement is sought were made for and in furtherance of the approved Project and are an eligible use of federal assistance under ARPA and federal regulations.
- b. Payment hereunder is also subject to and may only be disbursed in accordance with applicable Federal regulations including but not limited to those at 31 CFR Part 35, as presently promulgated and as same may be revised from time to time in the future, all other terms of this Agreement, and any special provisions in the Scope of Services. All payments received by Subrecipient hereunder are subject to repayment by Subrecipient as provided in 31 CFR Part 35.
- c. The aggregate of all payments made hereunder shall not exceed **fifty thousand dollars and zero cents (\$50,000.00)**.
- d. Upon expiration of the term of this Agreement or upon any prior termination, Subrecipient shall transfer to City any funds provided hereunder which are on hand at the time of expiration or termination.

3. TERM OF PROJECT AND AGREEMENT

- a. PROJECT. The term of the Project shall be from the date this Agreement. The Project will be completed on June 30, 2024 unless this Agreement is sooner terminated as herein provided.
- b. AGREEMENT. The term of this Agreement shall be from the date this Agreement. The activities contemplated by this Agreement will be completed on or before June 30, 2024 unless sooner terminated as herein provided.

4. SUBRECIPIENT RECORDS

Subrecipient shall maintain records as to all services provided, reimbursable expenses incurred in performing the Scope of Services and complete accounting records. Accounting records shall be kept on a generally recognized accounting basis and as requested by any representee of the City. Subrecipient agrees to comply with all applicable uniform administrative requirements described or referenced in 31 CFR 35. The Compliance Provisions attached as Exhibit "B" hereto are made a part of this Agreement and Subrecipient agrees to perform and comply with same. The City, Comptroller General of the United States, the Inspector General of the U.S. Treasury and any of their authorized representatives, shall have the right to inspect and copy, during reasonable business hours, all books, documents, papers and records of the Subrecipient which relate to this Agreement for making an audit or examination. Upon completion of the work and end of the term of this Agreement, the City may require copies of all Subrecipient's financial records relating to this Agreement to be turned over to City.

The Subrecipient, which is a non-federal agency, that expends \$750,000 or more during the Subrecipient's fiscal year, shall have a single audit conducted for that year in accordance with the provisions 2 CFR 200, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards", "Super Circular", Audit shall be completed within nine (9) months of the Subrecipients audit period and a copy of the most recent audit shall be forwarded to the City within thirty (30) days of completion.

5. MONITORING AND EVALUATION

City and its consultants shall have the right to monitor and evaluate the progress and performance of Subrecipient to assure that the terms of this Agreement are being satisfactorily fulfilled in accordance with City's and other applicable monitoring and evaluation criteria and standards. City may at least quarterly review Subrecipient's performance using on-site visits, progress reports required to be submitted by Subrecipient, audit findings, disbursements transactions, and contact Subrecipient as necessary. Subrecipient shall furnish City quarterly program and financial reports of its activities in such form and manner as may be requested by the City. Subrecipient shall fully cooperate with the City in relation to training and education on requirements and attending training sessions as well as monitoring, evaluation, and audits.

6. PERFORMANCE REPORTING

City shall at least quarterly review Subrecipient's performance using on-site visits, progress reports required to be submitted by Subrecipient, audit findings, disbursements transactions and contact with the Subrecipient as necessary. Subrecipient shall furnish to City quarterly program performance and financial reports of its activities in such form and manner as may be requested by the City. Quarterly reports are due by last day of first month following the end of a quarter. Subrecipients shall fully cooperate with City in relation to such monitoring, evaluation, and audits.

7. SUBRECIPIENT FILES AND INFORMATION REPORTS

Subrecipient shall maintain files containing information which shall clearly document all activities performed in conjunction with this Agreement, including, but not limited to, financial transactions, conformance with assurances and activity reports. These records shall be retained by Subrecipient for a period of three years after the completion of the Project.

The Subrecipient shall keep accurate books and records of accounts in accordance with generally accepted accounting principles of all expenditures made and all costs and liabilities incurred utilizing Program Funds. The aforementioned accounts and all project records shall be made available upon request by the City or any other federal agency for examination and audit. All books and records of accounts must be retained for four (4) years from the date of this agreement.

8. ASSIGNABILITY

This Agreement shall not be assigned or transferred by the Subrecipient without the prior written consent of the City. Any assignment or attempted assignment made in violation of this provision shall, at City's election, be deemed void and of no effect whatsoever.

9. AVOIDANCE OF CONFLICT OF INTEREST

Subrecipient certifies and warrants that neither it nor any members of its Board of Directors, officers or employees has or will derive any personal or financial interest or benefit from the activity or activities assisted pursuant to this Agreement, nor has an interest in any contract,

subcontract or agreement with respect thereunto, nor the proceeds thereunder, either for themselves or for those with whom they have family or business ties, during their tenure and for one year thereafter. Subrecipient shall avoid all conflicts of interest which are prohibited by applicable federal regulations including but not limited to those set forth in 31 CFR Part 35 as presently promulgated and as same may be revised from time to time in the future.

10. INDEPENDENCE OF SUBRECIPIENT

Nothing herein contained nor the relationship of Subrecipient to City, which relationship is expressly declared to be that of an independent contractor, shall make or be construed to make Subrecipient or any of Subrecipient's agents or employees the agents or employees of the City. Subrecipient shall be solely and entirely responsible for its acts and the acts of its agents, employees and subcontractors

11. INDEMNIFICATION. LEGAL DISCLAIMER

Subrecipient and any and all of its personnel operating under the terms of this agreement are not to be considered agents or employees of the City for any purpose and are not entitled to any of the benefits that the City provides for the City's employees. Subrecipient covenants and agrees to, and does hereby, indemnify and hold harmless, to the extent permitted by law, defend the City, its agents, servants, or employees, from and against any and all claims for injuries or damages to persons or property of whatsoever kind of character, whether real or asserted, arising out of this agreement for the work to be performed hereunder. The Subrecipient hereby assumes all liability and responsibility for injuries, claims or suits for damages to persons or property of whatsoever kind or character, whether real or asserted, arising out of the performance.

Pursuant to Colorado Constitution Article XI, Sections 1 and 2 the City shall not indemnify or hold harmless Subrecipient, or any party related or operating under this Agreement with or without the City's consent. No provision in this Agreement shall limit or set the amount of damages available to the City to any amount other than the actual direct and indirect damages to the City, regardless of the theory or basis for such damages. Any provision included or incorporated herein by reference which purports to negate this provision in whole or in part shall not be valid or enforceable or available in any action at law or equity, whether by way of complaint, defense, or otherwise. Any provision rendered null and void by this provision shall not invalidate the remainder of the Agreement.

12. TERMINATION OF AGREEMENT

- a. For Cause: This Agreement may be terminated by City for cause, including any nonperformance by the Subrecipient, upon ten (10) days written notice to Subrecipient including a statement of the reasons therefore, and after an opportunity for a hearing has been afforded. If a hearing is requested, it shall be held before the City's Mayor whose decision shall be final. The determination of the City as to the cause of termination and the appropriateness thereof shall be final and binding upon both City and Subrecipient. Cause for termination shall include:
 - Improper use of funds;
 - Failure to comply with the terms and conditions of this Agreement;
 - Failure to comply with the terms and conditions of the Scope of Services, Exhibit A;
 - If, for any reason, this Agreement's performance is rendered impossible or unfeasible;
 - Failure to comply with applicable Federal, State, or local laws and regulations.
- b. For Convenience: This Agreement may be terminated by City for convenience upon ten (10) days written notice to Subrecipient, which decision shall not be subject to appeal.

- c. Post Expiration and Termination Procedures: Upon expiration or in the event of a prior termination, all remaining and unspent grant funds, shall immediately become the sole and separate property of the City and the Subrecipient shall perform all acts and execute all instruments necessary to transfer and assign such funds to the City. All finished or unfinished documents, data, studies, reports, and work product prepared by the Subrecipient under this Agreement or with grant funds shall, at the option of the City, become City's property.

13. LIABILITY

As to the City, Subrecipient agrees to assume the risk of all personal injury, including death and bodily injury, and damage to and destruction of property, including loss of use therefrom, caused by or sustained, in whole or in part, in conjunction with or arising out of the performance or nonperformance of this Agreement by Subrecipient or by the conditions created thereby. Subrecipient further agrees to indemnify and save harmless the City, its officers, agents and employees, from and against all claims, liabilities, costs, expenses, penalties and attorney fees arising from such injuries to persons or damages to property or based upon or arising out of the performance or nonperformance of this Agreement by Subrecipient or out of any violation by Subrecipient of any statute, ordinance, rule or regulation. Subrecipient shall be responsible for any injury to persons or damage to property to the extent arising from negligent or otherwise wrongful acts, errors and omissions of Artist, its agents, and employees.

14. INSURANCE

If Subrecipient and any sub-contractor of Subrecipient have employees Subrecipient and the sub-contractor(s) shall provide the appropriate certificates of insurance and Worker Compensation documents, at no cost to the City, as described in Exhibit "D". Subrecipient further agrees and understands that it, and any sub-contractor are to maintain and keep in force the appropriate insurance certificates throughout the term of this Agreement.

15. CERTIFICATIONS

Subrecipient agrees to execute and abide by the certifications contained in Exhibit "C" hereto, and Subrecipient's application for ARPA funds, both of which are hereby made a part of this Agreement. In the event of any conflict between the terms of this Agreement and Subrecipient's Application, this Agreement shall control.

16. REVERSION OF ASSETS

- a. Upon expiration of the term of this Agreement, or upon any prior termination, Subrecipient shall transfer to City any funds provided hereunder which are on hand at the time of expiration or termination.
- b. In the event City incurs any costs or expenses in enforcing the requirements of this paragraph or in bringing any action to recover the property or amount of any repayment obligation, City shall be entitled to recover its costs and expenses, including reasonable attorney's fees.

17. RESPONSIBILITIES OF SUBRECIPIENT

Subrecipient warrants and represents that it:

- a. Has the requisite authority and capacity to perform all terms and conditions on Subrecipient's part to be performed hereunder;
- b. That it is duly organized as a non-profit organization under state law and is in good standing with the Secretary of State of Colorado;

- c. That it is a nonprofit organization exempt from Federal income taxation under Section 501(c)(3) of the Internal Revenue Code;
- d. That it is fully aware of and understands its duty to perform all functions and services in accordance with the regulatory requirements of 31 CFR Part 35 and those identified in Exhibit "C" hereto; and
- e. That it is accepting federal financial assistance hereunder subject to certain mandatory repayment provisions.

18. RESPONSIBILITIES OF THE CITY

- a. City shall provide Subrecipient with the information necessary to facilitate the performance of this Agreement;
- b. Give prompt notice to Subrecipient when the City becomes aware or observes of any deficiencies or discrepancies in the services provided.

19. ENTIRE AGREEMENT; AMENDMENTS

The provisions set forth in this Agreement, and all Exhibits and attachments to this Agreement, constitute the entire and complete agreement of the parties hereto and supersede all prior written and oral agreements, understandings or representations related thereto. No amendment or modification of this Agreement, and no waiver of any provisions of this Agreement shall be binding unless made in writing and executed by the duly authorized officers of both the Subrecipient and City

20. NOTICES

Notices, as referred to in this Agreement, shall be sent to:

City	City of Aurora, Colorado Attn: Controller 15151 East Alameda Parkway Aurora, Colorado 80012
With a copy to:	Office of the City Attorney 15151 East Alameda Parkway Aurora, Colorado 80012
Subrecipient	Colorado Alliance for Health Equity and Practice 12201 E Mississippi Ave Suite 107B Aurora, CO 80012

21. LOBBYING

Subrecipient certifies that no Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the Subrecipient shall complete and submit the Standard Form LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

Subrecipient shall require that the language of this certification be included in the award documents for all sub awards at all tiers including subcontracts, sub grants, and contracts under grants, loans, and cooperative agreements and that all referenced shall certify and disclose accordingly.

22. EQUAL EMPLOYMENT OPPORTUNITY/NONDISCRIMINATION.

Subrecipient shall not discriminate against any employee, applicant for employment, contractor, or subcontractor because of race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. The Subrecipient shall adhere to acceptable affirmative action guidelines in selecting employees and contractors and shall ensure that employees and contractors receive fair treatment during employment or agreement, without regard to their race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.

The Subrecipient shall not discriminate because of race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status in Subrecipient services, activities, accommodations, or facility use. The Subrecipient shall adhere to and assure that employment and activity programming are conducted such that all individuals and groups, clients, participants, and/or employees will be treated equally without regard to their race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. The Subrecipient understands and agrees that any act of discrimination based upon race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status may jeopardize grant funding to the Subrecipient and may be subject to loss of funding, reimbursement of funds allocated, or denial of future funds.

23. SIGNATURES

The persons signing this Agreement on behalf of Subrecipient represent and warrant that such persons and Subrecipient have the requisite power and authority to enter, execute and deliver this Agreement and that this Agreement is a valid and legally binding obligation of Subrecipient enforceable against Subrecipient in accordance with its terms.

IN WITNESS, WHEREOF, the Subrecipient and the City have executed this Agreement as of the date first above written and under the laws of the State of Colorado.

Infrastructure for Mobile Health and Wellness Services for Underserved Communities in Aurora

Description of project/program

Regionwide bias and institutionalized racism continue to contribute to inequities across the health care system. However such disparities cannot be addressed in isolation or without a comprehensive plan to directly engage the communities experiencing this inequity. Therefore, we will address inequity associated with health and wellness for the communities of color who have historically been marginalized in Aurora, Arapahoe County and adjoining areas. The proposed initiatives will include services associated to physical and mental health, dental and pandemic services through qualified mobile care. Through this proposed mobile services' infrastructure development we will advocate for and promote a more equitable health environment and work together with all our partners - certainly the marginalized communities and grass-root groups facing the inequity. Therefore we propose: Development of a Mobile Service Delivery Program (MSDP) supported with qualified staff and utilizing an adequately equipped vehicle in order to rapidly deploy for health and wellness care 'point of care' services. This will allow us to organize health fairs with partners such as CDPHE, Walgreens, University of Colorado schools of Medicine and Pharmacy, City of Aurora and numerous community partners from the underserved population. Also, projects related

to culturally competent education, risk-assessment screenings, precision medicine for immigrants and refugees and special health care urgent services while working in partnership with City of Aurora and all its stakeholders.

Describe your project/program timeline and anticipated schedule of completion.

We anticipate following timelines for Year 1: 1. Sept 2022: Initiate plans for project development and project startup including meeting with program officer of the City of Aurora. 2. Oct 2022: Meeting with stakeholders to publicize program, develop guidelines working with community leaders and explain goals and purpose. 3. Nov 2022: Purchase Van that is equipped with health care service station (compact exam bed, temperature control/logging,) internal storage for supplies. Note - we will consider purchasing a previously owned vehicle. 4. Jan - June 2023: Organize (6) health fairs, (5) education events at churches, Temples, Masjids, Schools, and Homeless Shelters. 5. Feb - July 2023: Translate educational material in 10 languages and create a multimedia video clips that can be downloaded on smart phones and Tablets. These will highlight the various services available in partnership with the City of Aurora (insurance programs, indigent programs, free clinics, flu shots, free COVID tests, referral services for advanced care etc.) For year 2: 1. Aug - Dec 2023: We will continue items 4 and 5. In each case we will document all events and number of marginalized community members served.

How will you measure the success and impact of this program or project?

The first step for measuring success while conducting risk-assessment of people at community sites is measuring people served and number of services provided. For the the past fifteen years and there is significant evidence that when we brings services to underserved individuals at their community sites, maximum participation is achieved. To ensure success, there needs to be direct partnership with the leaders, and genuine people of trust, from within the target population. This work requires utilizing trained Navigators (or community health workers) who are from the same community and speak the language and placed in a setting where they feel secure and respected. This approach will support risk assessment screening, education and awareness at the suitable location, and leads to connecting vulnerable families to a medical home. We will obtain performance measurement by surveying community members and their leadership at each event. We will record number of services (units of service) provided to the hard to reach populations, and the need for interpretation. Racial and ethnic minorities are significantly less likely than the rest of the population to have health insurance. We will help insure the individuals in various program: Medicaid, ACA-marketplace (Obamacare) and Colorado Indigent Program will be served free of charge. There is a new insurance program (State Option) for the undocumented that will also be utilized when appropriate, starting in Fall 2022. We have an existing Electronic Medical Record (EMR) systems with a database that collects data at the points of care at remote sites, during telehealth encounters and at (offsite) community health fairs. These database systems then interface with systems that can track patients' risk assessment measurements and chronic disease conditions through their disease life cycle. These electronic health records ensure all data from screenings, triage through point-of-care medical diagnosis and follow-up of referrals to primary care clinics or specialists will be fully captured and analyzed. Through the data analytics we can communicate with at-risk individuals in their language of choice and provide education, trainings for self-management of chronic conditions, while using language and culturally appropriate methods. All this will be possible using the proposed mobile platform.

B. Approved Budget

The **approved budget** during the term of this agreement is attached at this link: [Link to Project Budget \(https://arpaauroracityco.powerappsportals.com/_entity/annotation/0c467191-9004-ed11-82e4-002248087522/22fba614-8704-ed11-82e4-002248087522\)](https://arpaauroracityco.powerappsportals.com/_entity/annotation/0c467191-9004-ed11-82e4-002248087522/22fba614-8704-ed11-82e4-002248087522).

Changes in the scope of services, budget, or method of compensation contained in this Agreement, unless otherwise noted, may only be made through a written amendment to this Agreement, executed by the Subrecipient and the City.

C. Performance Monitoring

The City and its consultants will monitor the performance of the Subrecipient according to the Principal Tasks and Budget set forth herein. Subrecipient shall fully cooperate with the City in relation to training and education on requirements and attending training sessions as well as monitoring, evaluation, and audits. Substandard performance shall mean non-compliance with this Agreement. If actions to correct such substandard performance are not taken by the Subrecipient within a reasonable period of time after being so notified by the City, contract suspension or termination procedures may be initiated in the sole discretion of the City.

EXHIBIT B

COMPLIANCE PROVISIONS INCORPORATED IN THE SUBRECIPIENT AGREEMENT

1. An accounting system using the accrual basis of generally accepted accounting principles which accurately reflects all costs chargeable (paid and unpaid) to the Project is mandatory. A receipts and disbursements ledger must be maintained. A general ledger with an income and expense account for each budgeted line item is necessary. Paid invoices revealing check number, date paid, and item is necessary. Similarly, cash receipts for the payment of wages is mandatory. Paid invoices revealing check number, date paid, and evidence of goods or services received are to be filed per the expense account they were charged. The City must review and approve your account system and internal controls prior to the release of funds.
2. There is no flexibility on budgets. Line items may be changed only by the City's written concurrence of a budget amendment.
3. Eligible expenses are those considered reasonable and necessary costs for the efficient operation of the Project as determined by the City. All costs must be budgeted items. Request for advance or reimbursements of expenses must be accompanied by:

1. Original invoice marked with funding source
2. Detailed listing of each expense showing:
 - a. recipient
 - b. brief description of purchase
 - c. amount with method of computation detailed
 - d. how expense meets program goal per approved proposal

Cost Summary must be submitted monthly to reflect entries through the closing date for the books (indicate Closing Date on Cost Summary).

4. The City shall not be obligated to any third-party contractors of the Subrecipient. The subrecipient is further cautioned against obligating funds beyond the contract date of the agreement between the City and the Subrecipient.
5. The Subrecipient will furnish the City such statements, records, data and information, and permit such interviews with personnel as the City may request to effectively monitor and evaluate the project.

6. City auditors will periodically make interim audits and may, upon completion of the Project, make a final audit.
7. All records must be retained by the Subrecipient for a period of three years following the last day of the Agreement. (Cost summary reports must reflect actual general ledger balances.)

EXHIBIT C

CERTIFICATIONS

Subrecipient hereby certifies that the grant will be conducted and administered in compliance with:

1. Title VII of the Civil Rights Act of 1964 (Pub. L. 88-352; 42 U.S.C. 2000d, et seq.) and implementing regulations issued at 24 CFR Part 1;
2. Title VIII of the Civil Rights Act of 1968 (Pub. L. 90-284; 42 U.S.C. 3601, et seq.), as amended; and that the subrecipient will administer all programs and activities related to housing and community development in a manner to affirmatively further fair housing;
3. Section 109 of the Housing and Community Development Act of 1974, as amended; and the regulations issued pursuant thereto;
4. Section 3 of the Housing and Urban Development Act of 1968, as amended;
5. Executive Order 11246, as amended by Executive Orders 11375 and 12086, and implementing regulations issued at 41 CFR Chapter 60;
6. Executive Order 11063, as amended by Executive Orders 12259, and implementing regulations at 24 CFR Part 107;
7. Section 504 of the Rehabilitation Act of 1973 (Pub. L. 93-112), as amended, and implementing regulations when published for effect;
8. The Age Discrimination in Employment Act of 1975 (Pub. L. 94-135), as amended, and implementing regulations when published for effect;
9. The Subrecipient, as applicable to a governmental or nongovernmental agency, shall comply with the requirements and standards of 2 CFR Chapter I, and Chapter II, Parts 200, 215, 220, 225 and 230, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards" aka "Super Circular"; and shall comply with applicable sections of 79 FR 75871 "Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments".
10. Executive Order 11988 relating to the evaluation of flood hazards and Executive Order 11288 relating to the prevention, control and abatement of water pollution;
11. The flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (Pub. L. 93-234);
12. The applicable regulations, policies, guidelines and requirements of OMB Circular Nos. A-102, Revised, 24 CFR 85 and Subpart J of 24 CFR 570, A-87, A-110, A-122, A-128 and A-133 as they relate to the acceptance and use of federal funds under this federally-assisted program;

13. The Clean Air Act (42 U.S.C. 7401 et.seq.) as amended; particularly section 176 (c) and (d) [42 U.S.C. 7506 (c) and (d)];
14. The Safe Drinking Water Act of 1974 (42 U.S.C. 201, 300 (f) et.seq., and 21 U.S.C. 349) as amended; particularly section 1424 (e) (42 U.S.C. 300 (h)-303 (e));
15. The Endangered Species Act of 1973 (16 U.S.C. 1531 et. Seq.) as amended; including but not limited to section 7 (16 U.S.C. 1536) thereof;
16. The Reservoir Salvage Act of 1960 916 U.S.C. 469 et.seq.); particularly section 3 (16 U.S.C. 469a-1); as amended by the Archeological and Historical Preservation Act of 1974;
17. Flood Disaster Protection Act of 1973 (42 U.S.C. 4001 et.seq.) as amended; particularly sections 102(a) and 202(a) [42 U.S.C. 4012a(a) and 4106(a)];
18. Executive order 11990, Protection of Wetlands, May 24, 1977 (42 FR 26961 et. Seq.); particularly sections 2 and 5;
19. Lead-Based Paint Poisoning Prevention requirements of 25 CFR Part 35 issued pursuant to the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4821 et.seq.);
20. The National Historic Preservation Act of 1966 (16 U.S.C. 470 et seq.) as amended; particularly section 106 (16 U.S.C. 470f); and
21. Executive Order 11593, Protection and Enhancement of the Cultural Environment, May 13, 1971 (36 FR 8921 et seq.); particularly section 2(c).
22. Construction work financed in whole or in part with federal funds is subject to the prevailing wage requirements of the Davis-Bacon Act (29 CFR, Parts 3 and 5), the Copeland Act (29 CFR Part 3), and the Contract Work Hours and Safety Standards Act (Public Law 91-54, 83 Stat. 96). When a project meets this applicability requirement, the labor standards provision of the HUD 4010 and the Davis Bacon Wage Decision issued for the project will be incorporated into this contract document and shall be incorporated into all construction contracts and subcontracts of any tier thereunder.
23. No ARPA funds may be expended for lobbying purposes and payments from other sources for lobbying must be disclosed (24 CFR Part 87).
 - a. No federally appropriated funds have been or will be paid, by or on behalf of subrecipient, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.
 - b. If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, 14 a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.
24. Where asbestos is present in property undergoing rehabilitation, Federal requirements apply regarding worker exposure, abatement procedures and disposal. (CPD-90-44 EPA/OSHA).

EXHIBIT D

INSURANCE REQUIREMENTS

During the term of this Agreement and until final acceptance by the City of all work covered by the Agreement, Subrecipient performing services under this Agreement shall provide, pay for and maintain in full force and effect the types and minimum limits of insurance, as indicated below, covering the Subrecipient, their employees, subcontractors or representatives, along with: the activities of any and all subcontractors retained by the Subrecipient or Subcontractors, the activities of anyone employed by any Subrecipient, Subcontractors, their representatives or anyone for whose acts they may be liable.

Commercial General Liability Insurance. Subrecipient shall maintain commercial general liability insurance covering all operations by or on behalf of Subrecipient on a per occurrence basis against claims for personal injury (including bodily injury and death) and property damage (including loss of use). Coverage will include, if appropriate for the scope of services: Products and Completed Operations, Contractual Liability and a Waiver of Subrogation. The City, its elected and appointed officials, employees, agents and representatives shall be named as Additional Insureds by endorsement.

Minimum limits:

\$1,000,000 each occurrence

\$2,000,000 general aggregate

\$2,000,000 products and completed

Commercial Automobile Liability Insurance. Subrecipient shall maintain business automobile liability covering liability arising out of the operation of any vehicle (including owned, non-owned and hired vehicles) with minimum limits of \$1,000,000 combined single limit each accident, naming the City as an Additional Insured by endorsement.

Workers' Compensation and Employers Liability Insurance. Subrecipient shall maintain Worker's Compensation Insurance with limits in accordance with the provisions of the Workers' Compensation Act, as amended, by the State of Colorado. Additionally, Subrecipient shall maintain Employers Liability Insurance with minimum limits of \$500,000 bodily injury for each accident, \$100,000 bodily injury by disease each employee and \$500,000 bodily injury disease aggregate. If Subrecipient does not have employees, Subrecipient will provide a written statement indicating that it has no employees and is not subject to the provisions of Colorado Workers' Compensation Act.

If Subrecipient engages services of a subcontractor, Subrecipient is responsible for verifying that the subcontractor's insurance meets the insurance requirements set forth above and that it is in effect prior to and throughout performance of work under this agreement. Any subcontractor who ceases to provide insurance coverage as set forth above must be removed from the project until such time that insurance coverage can be verified as in full force and effect.

Limits of Insurance. The total limits of general and excess liability insurance set forth above may be provided to the City using a combination of primary and excess liability insurance.

Additional Insured and Waiver of Subrogation. Subrecipient shall name the City of Aurora, its elected and appointed officials, employees, agents and representatives as additional insureds by endorsement and provide a waiver of subrogation for the Commercial General Liability and Auto Liability insurance

policies. The certificate of insurance will include these specific requirements along with a copy of the relevant endorsements.

Certificates of Insurance. Upon the execution of this Agreement, Subrecipient shall provide certificates of insurance to the City demonstrating that at the minimum coverages required herein are in effect. Subrecipient agrees that the required coverages will not be reduced, canceled, non-renewed or materially changed without Thirty (30) days prior written notice to the City. All certificates of insurance must be kept in force throughout the duration of the services. If any of Subrecipient's or its subcontractor's coverage is renewed at any time prior to completion of the services, Subrecipient shall be responsible for obtaining updated insurance certificates for itself and such subcontractor from the respective insurance carriers and forwarding the replacement certificates to the City within five (5) days of the expiration date of any previously delivered certificate.

The minimum A.M. Best rating of each primary insurer shall be A- VIII and the minimum A.M. Best rating of each excess insurer shall be A- VII. The Subrecipient shall provide copies of insurance policies to the City Risk Manager upon request.

Any of the minimum limits of insurance set out herein may be raised or lowered at the sole discretion of the Risk Manager for the City in response to the particular circumstances giving rise to the contract. Subrecipient's policy will be primary and non-contributory with respect to any and all insurance policies purchased by the City.

In the event that the contract involves professional or consulting services, in addition to the aforementioned insurance requirements, the contract shall also be protected by a Professional Liability Insurance policy as set forth below:

Professional Liability Insurance. Subrecipient shall maintain professional liability insurance with minimum limits of One Million Dollars (\$1,000,000), covering those claims which arise out of the negligent acts or omissions of the Subrecipient, its Subcontractor and any other parties for whom it may be liable including without limitation, bodily injury, personal injury, property damage and including a contractual liability endorsement specifically applicable to the insurable indemnity obligations set forth herein which Professional Liability Insurance shall be carried on a claims-made basis maintained in full force and effect for the term of this Agreement and, to the extent possible, for a minimum period of Three (3) years after the completion of any and all of Subrecipient's Services hereunder. Any retroactive date or prior acts exclusion to which such coverage is subject shall pre-date both the date upon which any services hereunder are commenced and the date of this Agreement. In the event that coverage is renewed during the original term of any subsequent term of this agreement, endorsement(s) for the new policy(ies) shall be delivered within ten (10) days of the expiration date of any previously delivered certificate.

SUBRECIPIENT AGREEMENT

CORONAVIRUS STATE FISCAL RECOVERY - ARPA FUNDS ASSISTANCE LISTING NUMBER (formerly CFDA): 21-027

FAIN:

THIS SUBRECIPIENT AGREEMENT ("Agreement") is made and entered into this Fourteenth day of November 2022, by and between the City of Aurora, Colorado, a Colorado municipal corporation, hereinafter referred to as the "City" and Dedicated to Aurora's Wellness and Needs, a Colorado nonprofit corporation, hereinafter referred to as the "Subrecipient" UEI (if applicable): N/A. City and Subrecipient are sometimes each referred to as a "Party" and collectively "Parties."

RECITALS

WHEREAS, on March 11, 2021, President Biden signed the U.S. Senate-amended H.R. 1319 (P.L. 117-2) known as the American Rescue Plan Act (hereinafter "ARPA"); and

WHEREAS, In Pub. Law. 117-2, Subtitle M, Sec. 9901, (The American Rescue Act or "ARPA") the US Congress allocated money to local government for various purposes; and

WHEREAS, on May 10, 2021, the U.S. Treasury issued the Interim Final Rule to implement ARPA in Title 31, Part 35 of the Code of Federal Regulations ("CFR"); and

WHEREAS, under ARPA Section 603 (c)(1)(A) and (3) and the Interim Final Rule 31 CFR 35.6(b)(7) recipients may use Coronavirus Local Fiscal Recovery ("CLFR") Funds to award grants to nonprofit organizations that are responding to the negative economic impacts of the COVID-19 public health emergency; and

WHEREAS, under ARPA Section 603 (c)(1)(A) and the Interim Final Rule 31 CFR 35.6(b)(7) and (12) recipients may provide CLFR Funds to programs or services to disproportionately impacted communities; and

WHEREAS, the City desires to disburse funds from Project No. CI-2113 to the Subrecipient to administer the Project and perform certain services in connection therewith as set forth in this Agreement and in the Scope of Services attached hereto; and

WHEREAS, Subrecipient has represented to the City that is duly qualified, eligible and willing to undertake the Project and provide the services identified herein and in the Scope of Services attached hereto.

NOW, THEREFORE, in consideration of the foregoing recitals and in consideration of the terms and conditions set forth herein, the Parties hereto mutually agree as follows:

1. SCOPE OF SERVICES

Subrecipient agrees to satisfactorily perform and complete all services and items of work, and furnish all labor and materials encompassed within or reasonably necessary to accomplish the tasks and functions described in the Scope of Services attached hereto as Exhibit "A" and incorporated herein by reference, in full compliance with all provisions of this Agreement.

Administrative Costs as defined in 24 CFR 576.108 are not an eligible reimbursable cost offered to subrecipients.

This award is not for Research and Development.

2. BUDGET AND METHOD OF PAYMENT

- a. City will pay to Subrecipient an amount up to that specified in subparagraph (c) of this paragraph as full compensation for all services and work to be performed or undertaken by Subrecipient under this Agreement. Payment of funds to Subrecipient is subject to all of the following requirements, which shall be conditions precedent to payment:
 - i. That Subrecipient has expended funds for eligible approved expenditures;
 - ii. That Subrecipient is not in default of any material provision of this Agreement nor applicable law or regulation;
 - iii. That Subrecipient has timely submitted requests for payment or reimbursement detailing the eligible payment or reimbursement items in a format approved by City; and
 - iv. That Subrecipient has certified with each payment or reimbursement request compliance with the requirements identified in Exhibit "C" and that all expenditures for which reimbursement is sought were made for and in furtherance of the approved Project and are an eligible use of federal assistance under ARPA and federal regulations.
- b. Payment hereunder is also subject to and may only be disbursed in accordance with applicable Federal regulations including but not limited to those at 31 CFR Part 35, as presently promulgated and as same may be revised from time to time in the future, all other terms of this Agreement, and any special provisions in the Scope of Services. All payments received by Subrecipient hereunder are subject to repayment by Subrecipient as provided in 31 CFR Part 35.
- c. The aggregate of all payments made hereunder shall not exceed **two hundred and twenty-seven thousand five hundred and sixty-seven dollars and zero cents (\$227,567.00)**.
- d. Upon expiration of the term of this Agreement or upon any prior termination, Subrecipient shall transfer to City any funds provided hereunder which are on hand at the time of expiration or termination.

3. TERM OF PROJECT AND AGREEMENT

- a. PROJECT. The term of the Project shall be from the date this Agreement. The Project will be completed on June 30, 2024 unless this Agreement is sooner terminated as herein provided.
- b. AGREEMENT. The term of this Agreement shall be from the date this Agreement. The activities contemplated by this Agreement will be completed on or before June 30, 2024 unless sooner terminated as herein provided.

4. SUBRECIPIENT RECORDS

Subrecipient shall maintain records as to all services provided, reimbursable expenses incurred in performing the Scope of Services and complete accounting records. Accounting records shall be kept on a generally recognized accounting basis and as requested by any representee of the City. Subrecipient agrees to comply with all applicable uniform administrative requirements described or referenced in 31 CFR 35. The Compliance Provisions attached as Exhibit "B" hereto are made a part of this Agreement and Subrecipient agrees to perform and comply with same. The City, Comptroller General of the United States, the Inspector General of the U.S. Treasury and any of their authorized representatives, shall have the right to inspect and copy, during reasonable business hours, all books, documents, papers and records of the Subrecipient which relate to this Agreement for making an audit or examination. Upon completion of the work and end of the term of this Agreement, the City may require copies of all Subrecipient's financial records relating to this Agreement to be turned over to City.

The Subrecipient, which is a non-federal agency, that expends \$750,000 or more during the Subrecipient's fiscal year, shall have a single audit conducted for that year in accordance with the provisions 2 CFR 200, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards", "Super Circular", Audit shall be completed within nine (9) months of the Subrecipients audit period and a copy of the most recent audit shall be forwarded to the City within thirty (30) days of completion.

5. MONITORING AND EVALUATION

City and its consultants shall have the right to monitor and evaluate the progress and performance of Subrecipient to assure that the terms of this Agreement are being satisfactorily fulfilled in accordance with City's and other applicable monitoring and evaluation criteria and standards. City may at least quarterly review Subrecipient's performance using on-site visits, progress reports required to be submitted by Subrecipient, audit findings, disbursements transactions, and contact Subrecipient as necessary. Subrecipient shall furnish City quarterly program and financial reports of its activities in such form and manner as may be requested by the City. Subrecipient shall fully cooperate with the City in relation to training and education on requirements and attending training sessions as well as monitoring, evaluation, and audits.

6. PERFORMANCE REPORTING

City shall at least quarterly review Subrecipient's performance using on-site visits, progress reports required to be submitted by Subrecipient, audit findings, disbursements transactions and contact with the Subrecipient as necessary. Subrecipient shall furnish to City quarterly program performance and financial reports of its activities in such form and manner as may be requested by the City. Quarterly reports are due by last day of first month following the end of a quarter. Subrecipients shall fully cooperate with City in relation to such monitoring, evaluation, and audits.

7. SUBRECIPIENT FILES AND INFORMATION REPORTS

Subrecipient shall maintain files containing information which shall clearly document all activities performed in conjunction with this Agreement, including, but not limited to, financial transactions, conformance with assurances and activity reports. These records shall be retained by Subrecipient for a period of three years after the completion of the Project.

The Subrecipient shall keep accurate books and records of accounts in accordance with generally accepted accounting principles of all expenditures made and all costs and liabilities incurred utilizing Program Funds. The aforementioned accounts and all project records shall be made available upon request by the City or any other federal agency for examination and audit. All books and records of accounts must be retained for four (4) years from the date of this agreement.

8. ASSIGNABILITY

This Agreement shall not be assigned or transferred by the Subrecipient without the prior written consent of the City. Any assignment or attempted assignment made in violation of this provision shall, at City's election, be deemed void and of no effect whatsoever.

9. AVOIDANCE OF CONFLICT OF INTEREST

Subrecipient certifies and warrants that neither it nor any members of its Board of Directors, officers or employees has or will derive any personal or financial interest or benefit from the activity or activities assisted pursuant to this Agreement, nor has an interest in any contract,

subcontract or agreement with respect thereunto, nor the proceeds thereunder, either for themselves or for those with whom they have family or business ties, during their tenure and for one year thereafter. Subrecipient shall avoid all conflicts of interest which are prohibited by applicable federal regulations including but not limited to those set forth in 31 CFR Part 35 as presently promulgated and as same may be revised from time to time in the future.

10. INDEPENDENCE OF SUBRECIPIENT

Nothing herein contained nor the relationship of Subrecipient to City, which relationship is expressly declared to be that of an independent contractor, shall make or be construed to make Subrecipient or any of Subrecipient's agents or employees the agents or employees of the City. Subrecipient shall be solely and entirely responsible for its acts and the acts of its agents, employees and subcontractors

11. INDEMNIFICATION. LEGAL DISCLAIMER

Subrecipient and any and all of its personnel operating under the terms of this agreement are not to be considered agents or employees of the City for any purpose and are not entitled to any of the benefits that the City provides for the City's employees. Subrecipient covenants and agrees to, and does hereby, indemnify and hold harmless, to the extent permitted by law, defend the City, its agents, servants, or employees, from and against any and all claims for injuries or damages to persons or property of whatsoever kind of character, whether real or asserted, arising out of this agreement for the work to be performed hereunder. The Subrecipient hereby assumes all liability and responsibility for injuries, claims or suits for damages to persons or property of whatsoever kind or character, whether real or asserted, arising out of the performance.

Pursuant to Colorado Constitution Article XI, Sections 1 and 2 the City shall not indemnify or hold harmless Subrecipient, or any party related or operating under this Agreement with or without the City's consent. No provision in this Agreement shall limit or set the amount of damages available to the City to any amount other than the actual direct and indirect damages to the City, regardless of the theory or basis for such damages. Any provision included or incorporated herein by reference which purports to negate this provision in whole or in part shall not be valid or enforceable or available in any action at law or equity, whether by way of complaint, defense, or otherwise. Any provision rendered null and void by this provision shall not invalidate the remainder of the Agreement.

12. TERMINATION OF AGREEMENT

- a. For Cause: This Agreement may be terminated by City for cause, including any nonperformance by the Subrecipient, upon ten (10) days written notice to Subrecipient including a statement of the reasons therefore, and after an opportunity for a hearing has been afforded. If a hearing is requested, it shall be held before the City's Mayor whose decision shall be final. The determination of the City as to the cause of termination and the appropriateness thereof shall be final and binding upon both City and Subrecipient. Cause for termination shall include:
 - Improper use of funds;
 - Failure to comply with the terms and conditions of this Agreement;
 - Failure to comply with the terms and conditions of the Scope of Services, Exhibit A;
 - If, for any reason, this Agreement's performance is rendered impossible or unfeasible;
 - Failure to comply with applicable Federal, State, or local laws and regulations.
- b. For Convenience: This Agreement may be terminated by City for convenience upon ten (10) days written notice to Subrecipient, which decision shall not be subject to appeal.

- c. Post Expiration and Termination Procedures: Upon expiration or in the event of a prior termination, all remaining and unspent grant funds, shall immediately become the sole and separate property of the City and the Subrecipient shall perform all acts and execute all instruments necessary to transfer and assign such funds to the City. All finished or unfinished documents, data, studies, reports, and work product prepared by the Subrecipient under this Agreement or with grant funds shall, at the option of the City, become City's property.

13. LIABILITY

As to the City, Subrecipient agrees to assume the risk of all personal injury, including death and bodily injury, and damage to and destruction of property, including loss of use therefrom, caused by or sustained, in whole or in part, in conjunction with or arising out of the performance or nonperformance of this Agreement by Subrecipient or by the conditions created thereby. Subrecipient further agrees to indemnify and save harmless the City, its officers, agents and employees, from and against all claims, liabilities, costs, expenses, penalties and attorney fees arising from such injuries to persons or damages to property or based upon or arising out of the performance or nonperformance of this Agreement by Subrecipient or out of any violation by Subrecipient of any statute, ordinance, rule or regulation. Subrecipient shall be responsible for any injury to persons or damage to property to the extent arising from negligent or otherwise wrongful acts, errors and omissions of Artist, its agents, and employees.

14. INSURANCE

If Subrecipient and any sub-contractor of Subrecipient have employees Subrecipient and the sub-contractor(s) shall provide the appropriate certificates of insurance and Worker Compensation documents, at no cost to the City, as described in Exhibit "D". Subrecipient further agrees and understands that it, and any sub-contractor are to maintain and keep in force the appropriate insurance certificates throughout the term of this Agreement.

15. CERTIFICATIONS

Subrecipient agrees to execute and abide by the certifications contained in Exhibit "C" hereto, and Subrecipient's application for ARPA funds, both of which are hereby made a part of this Agreement. In the event of any conflict between the terms of this Agreement and Subrecipient's Application, this Agreement shall control.

16. REVERSION OF ASSETS

- a. Upon expiration of the term of this Agreement, or upon any prior termination, Subrecipient shall transfer to City any funds provided hereunder which are on hand at the time of expiration or termination.
- b. In the event City incurs any costs or expenses in enforcing the requirements of this paragraph or in bringing any action to recover the property or amount of any repayment obligation, City shall be entitled to recover its costs and expenses, including reasonable attorney's fees.

17. RESPONSIBILITIES OF SUBRECIPIENT

Subrecipient warrants and represents that it:

- a. Has the requisite authority and capacity to perform all terms and conditions on Subrecipient's part to be performed hereunder;
- b. That it is duly organized as a non-profit organization under state law and is in good standing with the Secretary of State of Colorado;

- c. That it is a nonprofit organization exempt from Federal income taxation under Section 501(c)(3) of the Internal Revenue Code;
- d. That it is fully aware of and understands its duty to perform all functions and services in accordance with the regulatory requirements of 31 CFR Part 35 and those identified in Exhibit "C" hereto; and
- e. That it is accepting federal financial assistance hereunder subject to certain mandatory repayment provisions.

18. RESPONSIBILITIES OF THE CITY

- a. City shall provide Subrecipient with the information necessary to facilitate the performance of this Agreement;
- b. Give prompt notice to Subrecipient when the City becomes aware or observes of any deficiencies or discrepancies in the services provided.

19. ENTIRE AGREEMENT; AMENDMENTS

The provisions set forth in this Agreement, and all Exhibits and attachments to this Agreement, constitute the entire and complete agreement of the parties hereto and supersede all prior written and oral agreements, understandings or representations related thereto. No amendment or modification of this Agreement, and no waiver of any provisions of this Agreement shall be binding unless made in writing and executed by the duly authorized officers of both the Subrecipient and City

20. NOTICES

Notices, as referred to in this Agreement, shall be sent to:

City

Subrecipient
 Dedicated to Aurora's Wellness and Needs
 1445 Dayton Street
 Aurora, CO 80010

21. LOBBYING

Subrecipient certifies that no Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the Subrecipient shall complete and submit the Standard Form LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

Subrecipient shall require that the language of this certification be included in the award documents for all sub awards at all tiers including subcontracts, sub grants, and contracts under grants, loans, and cooperative agreements and that all referenced shall certify and disclose accordingly.

22. EQUAL EMPLOYMENT OPPORTUNITY/NONDISCRIMINATION.

Subrecipient shall not discriminate against any employee, applicant for employment, contractor, or subcontractor because of race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. The Subrecipient shall adhere to acceptable affirmative action guidelines in selecting employees and contractors and shall ensure that employees and contractors receive fair treatment during employment or agreement, without regard to their race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.

The Subrecipient shall not discriminate because of race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status in Subrecipient services, activities, accommodations, or facility use. The Subrecipient shall adhere to and assure that employment and activity programming are conducted such that all individuals and groups, clients, participants, and/or employees will be treated equally without regard to their race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. The Subrecipient understands and agrees that any act of discrimination based upon race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status may jeopardize grant funding to the Subrecipient and may be subject to loss of funding, reimbursement of funds allocated, or denial of future funds.

23. SIGNATURES

The persons signing this Agreement on behalf of Subrecipient represent and warrant that such persons and Subrecipient have the requisite power and authority to enter, execute and deliver this Agreement and that this Agreement is a valid and legally binding obligation of Subrecipient enforceable against Subrecipient in accordance with its terms.

IN WITNESS, WHEREOF, the Subrecipient and the City have executed this Agreement as of the date first above written and under the laws of the State of Colorado.

CITY OF AURORA, COLORADO

SCOPE OF SERVICES

A. Principal Tasks

Title of project/program

Infrastructure and Specialty Care Improvement

Description of project/program

Since opening our doors, DAWN has grown at a rapid pace, in response to community needs and guided by community voice. We have increased our primary care capacity, honed our care navigation services, and added a wide range of specialty care services. Our growth trajectory demonstrates the deep trust we have garnered within the community, as patient recruitment has been word of mouth from patient to patient, from community partner institutions, or amongst care managers at University of Colorado Hospital and Medical Center of Aurora. We have partnered closely with our colleagues at Stride and Salud to provide important, new access points to their uninsured patients for specialty care services such as ophthalmology, dermatology, rheumatology, nephrology, cardiology, neurology, gynecology, and endocrinology. 2022-2023 fiscal year is an important inflection point for DAWN as a maturing organization. Owing to this rapid pace of growth, the challenges brought by the COVID-19 pandemic, and the ongoing deep community need for our services, DAWN is no longer the same small start-up as when we opened our doors more than seven years ago. As such, our team has spent the past six months building a strategic plan to achieve long-term sustainability and facilitate ongoing capacity growth. Our executive team, board of directors, community/patient representatives, and student leaders recently achieved consensus regarding the concrete steps we must take over the next two years: - The current state is characterized by a lack of standard operating policies and procedures for efficient volunteer onboarding, scheduling, and communication. This results in a loss of potential volunteers due to non-standard onboarding and training, intermittent low-level gaps in full volunteer scheduling, and limitations in our ability to communicate new changes, policies, and norms to our community at

large. DAWN will revamp our onboarding materials through a robust website redesign that leverages multimedia training tools to better onboard new volunteers - DAWN will implement a Volunteer Management Software to streamline these processes to optimize the volunteer onboarding experience. DAWN will mature our Office 365 technology infrastructure to better connect as a community and ensure HIPPA compliance and cybersecurity for our vulnerable population. Owing to organic growth from early volunteer champions, our various medical clinics lack uniform structure, reducing volunteer comfort to serve in various clinical environments. This requires redundant training and prevents DAWN from maximizing the passion of individual volunteers. DAWN will hire a health care management consultant to develop standard policies and procedures to enable our current staff to better manage our various clinical services and connect volunteers with high-impact clinical care opportunities. Our specialty care services are limited by outdated and donated equipment. We have volunteer clinicians who are able to provide specialty care, but lack the equipment fully care for patient specialty care needs. We have identified that additional equipment would greatly improve our operational capacity to provide needed services to our patients and in a quality service. To guarantee success, as described above, DAWN requires additional short-term capital to hire consultants to bring the subject matter expertise needed to help build out standard operations as well as to purchase medical equipment, primarily diagnostic. This investment in our infrastructure will be a one-time cost to improve management efficiency for our current staff and expand our services, enabling DAWN to continue to do more for our patients without increasing recurring personnel expenses.

Describe your project/program timeline and anticipated schedule of completion.

Grant Period Year 1: October 1, 2022 – September 30, 2023 Theme: Infrastructure Development
 July 2022 – October 2022: - Understand the current state and conduct needs assessment of specific development needs for DAWN standard operations including but not limited to: - Documentation storage and standards - Communication mechanisms (mail client) - Standard clinical policies and procedures to be developed (specialty care a large gap based on stakeholder assessment) - Standard business policies and procedures to be developed Standard - On-boarding trainings to be designed/implement - Contract identified consultant to help with needs assessment, technology design and implementation of documentation storage system and communication infrastructure using Office 365
 November 2022 – February 2023: - Complete engagement with consultant to design and implement Microsoft Office 365 document management and communications standards (completion January – February 2023) - Design with clinical stakeholders evolution and changes in DAWN standard clinical operations - Design with clinical and volunteer stakeholders, evolution and changes to DAWN on-boarding and training process for volunteers
 March 2023 – June 2023: - Write and distribute RFP for consultant to assist DAWN in development of industry-standard business operations policies and to support development of clinical policies (March 2023) - Purchase specialty care equipment that updates old, inadequate equipment and does not necessitate any changes in workflow (basic clinic equipment colposcopy, ultrasound for cardiac and gynecological ultrasounds) - Hire and complete initial engagement with consultant and DAWN governing board to design, write and implement standard business policies as well as clinical policies in accordance with industry standards. - Implement DAWN standard clinical operations changes, in both primary care and specialty care
 Contract Volunteer Impact (selected volunteer management software) and implement DAWN standard on-boarding process, including comprehensive trainings
 July 2023 – September 2023: - Write and circulate RFP for consultant to work with DAWN in HIPAA and technology security risk assessment for DAWN (July

2023) - Complete engagement with consultant and DAWN governing board to assisting DAWN in designing, writing and implementing industry-standard business operations policies and clinical policies (by end of DAWN fiscal year Q1, September 2023) - Contract consultant to work with DAWN to conduct HIPAA and technology risk assessment and work with us to implement critical security changes (Contract and kick off engagement in August – September 2023) - Work with incoming DAWN volunteers to refine changes to standard operations implemented in last year Grant Period Year 2: October 1, 2023 – June 30, 2024 Theme: Specialty Care Expansion October 2023 – March 2024: - Continue to refine and improve initial iteration of DAWN standard clinical operations, with a focus on standardization of specialty care clinics - Complete engagement with HIPAA and technology risk assessment consultant including completing risk assessment, partnering to design changes and implement changes - Renew contract with Volunteer Impact (volunteer management software) with changes as needed after Year 1 of implementation - Identify and purchase specialty care equipment to expand specialty care services (potential priorities pulmonary function tests and/or cardiac stress treadmill, or others as identified in Year 1) - Design expanded specialty care clinical services model, following standard operations design developed in Year 1 of project May 2024 – June 2024: - Implement expanded specialty clinical services that require new model

How will you measure the success and impact of this program or project?

We aim to measure success in 3 primary ways: 1) Achievement of deliverables in the timeline including contracting of all consultants and completing engagement, including implementation of all redesigned business operations standards 2) Patient reach - # of new patients enrolled in specialty care services with expansion of services with equipment 3) Stakeholder engagement via annual survey and in-person interviews to evaluate themes and outcomes serially. Themes to evaluate will include preparedness for providing services in clinic after revamped operations, satisfaction with clinic operations and if continuing to hear concerns about lack of standardization, assessing volunteer and patient experience, assessing experience of staff and board after implementation of standard business operations

B. Approved Budget

The **approved budget** during the term of this agreement is attached at this link: [Link to Project Budget \(https://arpaauroracityco.powerappsportals.com/entity/annotation/37645aea-943b-3933-b542-e26c86e1bcc5/4b72f744-8a04-ed11-82e4-002248087dcc\)](https://arpaauroracityco.powerappsportals.com/entity/annotation/37645aea-943b-3933-b542-e26c86e1bcc5/4b72f744-8a04-ed11-82e4-002248087dcc)

Changes in the scope of services, budget, or method of compensation contained in this Agreement, unless otherwise noted, may only be made through a written amendment to this Agreement, executed by the Subrecipient and the City.

C. Performance Monitoring

The City and its consultants will monitor the performance of the Subrecipient according to the Principal Tasks and Budget set forth herein. Subrecipient shall fully cooperate with the City in relation to training and education on requirements and attending training sessions as well as monitoring, evaluation, and audits. Substandard performance shall mean non-compliance with this Agreement. If actions to correct such substandard performance are not taken by the Subrecipient within a reasonable period of time after being so notified by the City, contract suspension or termination procedures may be initiated, in the sole discretion of the City.

EXHIBIT B

COMPLIANCE PROVISIONS INCORPORATED IN THE SUBRECIPIENT AGREEMENT

1. An accounting system using the accrual basis of generally accepted accounting principles which accurately reflects all costs chargeable (paid and unpaid) to the Project is mandatory. A receipts and disbursements ledger must be maintained. A general ledger with an income and expense account for each budgeted line item is necessary. Paid invoices revealing check number, date paid, and item is necessary. Similarly, cash receipts for the payment of wages is mandatory. Paid invoices revealing check number, date paid, and evidence of goods or services received are to be filed per the expense account they were charged. The City must review and approve your account system and internal controls prior to the release of funds.
2. There is no flexibility on budgets. Line items may be changed only by the City's written concurrence of a budget amendment.
3. Eligible expenses are those considered reasonable and necessary costs for the efficient operation of the Project as determined by the City. All costs must be budgeted items. Request for advance or reimbursements of expenses must be accompanied by:
 1. Original invoice marked with funding source
 2. Detailed listing of each expense showing:
 - a. recipient
 - b. brief description of purchase
 - c. amount with method of computation detailed
 - d. how expense meets program goal per approved proposalCost Summary must be submitted monthly to reflect entries through the closing date for the books (indicate Closing Date on Cost Summary).
4. The City shall not be obligated to any third-party contractors of the Subrecipient. The subrecipient is further cautioned against obligating funds beyond the contract date of the agreement between the City and the Subrecipient.
5. The Subrecipient will furnish the City such statements, records, data and information, and permit such interviews with personnel as the City may request to effectively monitor and evaluate the project.
6. City auditors will periodically make interim audits and may, upon completion of the Project, make a final audit.
7. All records must be retained by the Subrecipient for a period of three years following the last day of the Agreement. (Cost summary reports must reflect actual general ledger balances.)

EXHIBIT C

CERTIFICATIONS

Subrecipient hereby certifies that the grant will be conducted and administered in compliance with:

1. Title VII of the Civil Rights Act of 1964 (Pub. L. 88-352; 42 U.S.C. 2000d, et seq.) and implementing regulations issued at 24 CFR Part 1;

2. Title VIII of the Civil Rights Act of 1968 (Pub. L. 90-284; 42 U.S.C. 3601, et seq.), as amended; and that the subrecipient will administer all programs and activities related to housing and community development in a manner to affirmatively further fair housing;
3. Section 109 of the Housing and Community Development Act of 1974, as amended; and the regulations issued pursuant thereto;
4. Section 3 of the Housing and Urban Development Act of 1968, as amended;
5. Executive Order 11246, as amended by Executive Orders 11375 and 12086, and implementing regulations issued at 41 CFR Chapter 60;
6. Executive Order 11063, as amended by Executive Orders 12259, and implementing regulations at 24 CFR Part 107;
7. Section 504 of the Rehabilitation Act of 1973 (Pub. L. 93-112), as amended, and implementing regulations when published for effect;
8. The Age Discrimination in Employment Act of 1975 (Pub. L. 94-135), as amended, and implementing regulations when published for effect;
9. The Subrecipient, as applicable to a governmental or nongovernmental agency, shall comply with the requirements and standards of 2 CFR Chapter I, and Chapter II, Parts 200, 215, 220, 225 and 230, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards" aka "Super Circular"; and shall comply with applicable sections of 79 FR 75871 "Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments".
10. Executive Order 11988 relating to the evaluation of flood hazards and Executive Order 11288 relating to the prevention, control and abatement of water pollution;
11. The flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (Pub. L. 93-234);
12. The applicable regulations, policies, guidelines and requirements of OMB Circular Nos. A-102, Revised, 24 CFR 85 and Subpart J of 24 CFR 570, A-87, A-110, A-122, A-128 and A-133 as they relate to the acceptance and use of federal funds under this federally-assisted program;
13. The Clean Air Act (42 U.S.C. 7401 et.seq.) as amended; particularly section 176 (c) and (d) [42 U.S.C. 7506 (c) and (d)];
14. The Safe Drinking Water Act of 1974 (42 U.S.C. 201, 300 (f) et.seq., and 21 U.S.C. 349) as amended; particularly section 1424 (e) (42 U.S.C. 300 (h)-303 (e));
15. The Endangered Species Act of 1973 (16 U.S.C. 1531 et. Seq.) as amended; including but not limited to section 7 (16 U.S.C. 1536) thereof;
16. The Reservoir Salvage Act of 1960 916 U.S.C. 469 et.seq.); particularly section 3 (16 U.S.C. 469a-1); as amended by the Archeological and Historical Preservation Act of 1974;
17. Flood Disaster Protection Act of 1973 (42 U.S.C. 4001 et.seq.) as amended; particularly sections 102(a) and 202(a) [42 U.S.C. 4012a(a) and 4106(a)];
18. Executive order 11990, Protection of Wetlands, May 24, 1977 (42 FR 26961 et. Seq.); particularly sections 2 and 5;

19. Lead-Based Paint Poisoning Prevention requirements of 25 CFR Part 35 issued pursuant to the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4821 et seq.);
20. The National Historic Preservation Act of 1966 (16 U.S.C. 470 et seq.) as amended; particularly section 106 (16 U.S.C. 470f); and
21. Executive Order 11593, Protection and Enhancement of the Cultural Environment, May 13, 1971 (36 FR 8921 et seq.); particularly section 2(c).
22. Construction work financed in whole or in part with federal funds is subject to the prevailing wage requirements of the Davis-Bacon Act (29 CFR, Parts 3 and 5), the Copeland Act (29 CFR Part 3), and the Contract Work Hours and Safety Standards Act (Public Law 91-54, 83 Stat. 96). When a project meets this applicability requirement, the labor standards provision of the HUD 4010 and the Davis Bacon Wage Decision issued for the project will be incorporated into this contract document and shall be incorporated into all construction contracts and subcontracts of any tier thereunder.
23. No ARPA funds may be expended for lobbying purposes and payments from other sources for lobbying must be disclosed (24 CFR Part 87).
 - a. No federally appropriated funds have been or will be paid, by or on behalf of subrecipient, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.
 - b. If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, 14 a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.
24. Where asbestos is present in property undergoing rehabilitation, Federal requirements apply regarding worker exposure, abatement procedures and disposal. (CPD-90-44 EPA/OSHA).

EXHIBIT D

INSURANCE REQUIREMENTS

During the term of this Agreement and until final acceptance by the City of all work covered by the Agreement, Subrecipient performing services under this Agreement shall provide, pay for and maintain in full force and effect the types and minimum limits of insurance, as indicated below, covering the Subrecipient, their employees, subcontractors or representatives, along with: the activities of any and all subcontractors retained by the Subrecipient or Subcontractors, the activities of anyone employed by any Subrecipient, Subcontractors, their representatives or anyone for whose acts they may be liable.

Commercial General Liability Insurance. Subrecipient shall maintain commercial general liability insurance covering all operations by or on behalf of Subrecipient on a per occurrence basis against claims for personal injury (including bodily injury and death) and property damage (including loss of

use). Coverage will include, if appropriate for the scope of services: Products and Completed Operations, Contractual Liability and a Waiver of Subrogation. The City, its elected and appointed officials, employees, agents and representatives shall be named as Additional Insureds by endorsement.

Minimum limits:

\$1,000,000 each occurrence

\$2,000,000 general aggregate

\$2,000,000 products and completed

Commercial Automobile Liability Insurance. Subrecipient shall maintain business automobile liability covering liability arising out of the operation of any vehicle (including owned, non-owned and hired vehicles) with minimum limits of \$1,000,000 combined single limit each accident, naming the City as an Additional Insured by endorsement.

Workers' Compensation and Employers Liability Insurance. Subrecipient shall maintain Worker's Compensation Insurance with limits in accordance with the provisions of the Workers' Compensation Act, as amended, by the State of Colorado. Additionally, Subrecipient shall maintain Employers Liability Insurance with minimum limits of \$500,000 bodily injury for each accident, \$100,000 bodily injury by disease each employee and \$500,000 bodily injury disease aggregate. If Subrecipient does not have employees, Subrecipient will provide a written statement indicating that it has no employees and is not subject to the provisions of Colorado Workers' Compensation Act.

If Subrecipient engages services of a subcontractor, Subrecipient is responsible for verifying that the subcontractor's insurance meets the insurance requirements set forth above and that it is in effect prior to and throughout performance of work under this agreement. Any subcontractor who ceases to provide insurance coverage as set forth above must be removed from the project until such time that insurance coverage can be verified as in full force and effect.

Limits of Insurance. The total limits of general and excess liability insurance set forth above may be provided to the City using a combination of primary and excess liability insurance.

Additional Insured and Waiver of Subrogation. Subrecipient shall name the City of Aurora, its elected and appointed officials, employees, agents and representatives as additional insureds by endorsement and provide a waiver of subrogation for the Commercial General Liability and Auto Liability insurance policies. The certificate of insurance will include these specific requirements along with a copy of the relevant endorsements.

Certificates of Insurance. Upon the execution of this Agreement, Subrecipient shall provide certificates of insurance to the City demonstrating that at the minimum coverages required herein are in effect. Subrecipient agrees that the required coverages will not be reduced, canceled, non-renewed or materially changed without Thirty (30) days prior written notice to the City. All certificates of insurance must be kept in force throughout the duration of the services. If any of Subrecipient's or its subcontractor's coverage is renewed at any time prior to completion of the services, Subrecipient shall be responsible for obtaining updated insurance certificates for itself and such subcontractor from the respective insurance carriers and forwarding the replacement certificates to the City within five (5) days of the expiration date of any previously delivered certificate.

The minimum A.M. Best rating of each primary insurer shall be A- VIII and the minimum A.M. Best rating of each excess insurer shall be A- VII. The Subrecipient shall provide copies of insurance policies to the City Risk Manager upon request.

Any of the minimum limits of insurance set out herein may be raised or lowered at the sole discretion of the Risk Manager for the City in response to the particular circumstances giving rise to the contract. Subrecipient's policy will be primary and non-contributory with respect to any and all insurance policies purchased by the City.

In the event that the contract involves professional or consulting services, in addition to the aforementioned insurance requirements, the contract shall also be protected by a Professional Liability Insurance policy as set forth below:

Professional Liability Insurance. Subrecipient shall maintain professional liability insurance with minimum limits of One Million Dollars (\$1,000,000), covering those claims which arise out of the negligent acts or omissions of the Subrecipient, its Subcontractor and any other parties for whom it may be liable including without limitation, bodily injury, personal injury, property damage and including a contractual liability endorsement specifically applicable to the insurable indemnity obligations set forth herein which Professional Liability Insurance shall be carried on a claims-made basis maintained in full force and effect for the term of this Agreement and, to the extent possible, for a minimum period of Three (3) years after the completion of any and all of Subrecipient's Services hereunder. Any retroactive date or prior acts exclusion to which such coverage is subject shall pre-date both the date upon which any services hereunder are commenced and the date of this Agreement. In the event that coverage is renewed during the original term of any subsequent term of this agreement, endorsement(s) for the new policy(ies) shall be delivered within ten (10) days of the expiration date of any previously delivered certificate.

Other (cash on hand)	22,500	Funds have been approved funds to hire a consultant and to cover the cost of the volunteer management program	2500	For year two funds have been approved to cover the annual cost of the volunteer management program to ensure consistency and efficiency across the system (on-boarding, training, volunteer tracking, scheduling)

Proposed
Project/Program
Expenses

Category	Amount Year 1	Explanation Year 1	Amount Year 2	Explanation Year 2
Personnel	40,000.00	DAWN currently has one full time program manager (likely to transition to gap Executive Director role) and a part time MD chief operations officer. They support operations and mentor student leaders. An important part of this project is the infrastructure development, which requires collaborative work with consultants to design and implement structures that will allow future growth. This process will require time investement from the Program Manager and the MD chief operations officer to guide informed decion making and support student leaders throughout development and implementation.	35,000	As the project expands to the second year, it will require time investement from the Program Manager (role to be absorbed by future Executive Director) and the MD chief operations officer not only to guide informed decion making and support student leaders throughout development and implementation, but to ensure goals are achieved and the scope of work reaches completion
Program Supplies and/or Equipment	18000	In order to provide the appropriate level of service in our specialty clinics we anticipate the need to purchase equipment and supplies currently not available at the clinic. The purchases in year 1 will be based on the timeline proposed with our submission, following the plan outlined by the consultants and our stakeholders. We will purchase approved exam lighting for our dermatologists to have better visualization during biopsies of skin diseases and cancers, as well as for use by our gynecology volunteers during pelvic exams. We will purchase improved ophthalmoscopes for improved exams by our ophthalmologist volunteers. Lastly, we will purchase improved clinic equipment such as electronic vital signs machines.	10567	Equipment purchases in year 2 will be dependent on progress made in the first year. We would like to be able to work toward providing increase access to specialty care and anticipate that equipment purchases this year would be based on additional testing requested after we are able to expand previous testing ability in year one.
Capital	60000	The capital equipment to be purchased in this year will include an an electrocardiogram machine, as well as an ultrasound that will be utilized by both Cardiology and Gynecology. DAWN will then have the ability to perform echocardiograms (to be performed by our volunteer cardiologists) and transvaginal ultrasound (to be performed by our volunteer gynecologists). In addition, we will purchase a colposcope for cervical biopsies to identify cervical cancer and other equipment to improve the ease of these exams, such as exam tables and pt positioning equipment. As we work toward additional specialty care expansion, we will work toward space expansion to accomodate expanded services and complete an additional capital equipment needs assessment to align priority needs with the capital budget. We anticipate priority needs being a pulmonary function test machine and/or an exercise cardiac treadmill to add better testing capacity for cardiac causes of chest pain, though recognize the price of capital equipment continues to be in flux nationally so these final expenditures will depend on that context. We will complete the needs assessment and start to purchase additional capital equipment at the end of year 1 and finishing in Year 2.	20000	Based on the space expansion initiative and additional capital equipment needs assessment initiated in the final phase of Year 1, we will complete the additional capital equipment purchases to respond to the needs assessment finishing in Year 2. We anticipate priority needs being a pulmonary function test machine and/or an exercise cardiac treadmill to add better testing capacity for cardiac causes of chest pain, though recognize the price of capital equipment continues to be in flux nationally so these final expenditures will depend on that context.

Contractors/Consultants	55000	<p>We have a strategic planning in place, but our major barrier was funding to complete the initiative, namely hiring in the subject matter expertise in the form of consultants (since we are a very small non-profit with limited expertise in some core non-profit operations) and the funding to purchase expanded equipment infrastructure for our specialty care services. With the funds received we will be able to hire two consultants to support and guide the infrastructure design and implemenation and policy development to ensure system and patient information safety accross the board.</p>	5000	<p>The work with the consultants will finish in year two to support infrastructure development, policies development and project implementation.</p>
Other Program Costs	4500	<p>One of the lessons learned from the work we have done in projects supported by consultants is that systems and programs require annual maintainance cost, including but not limited to updates, support with redesign, trouble shooting, unexpected additions to the design, and the infrasctructure as a result of the extensive reasearch of our current state, among others. Therefore we are including a maintainance line in the budget anticipating these types of expenses.</p>	4500	<p>One of the lessons learned from the work we have done in projects supported by consultants is that systems and programs require annual maintainance cost, including but not limited to updates, support with redesign, trouble shooting, unexpected additions to the desing, and infrasctructure among others. Therefore we are including a maintainance line in the budget anticipating these types of expenses.</p>

SUBRECIPIENT AGREEMENT

CORONAVIRUS STATE FISCAL RECOVERY - ARPA FUNDS ASSISTANCE LISTING NUMBER (formerly CFDA): 21-027

FAIN:

THIS SUBRECIPIENT AGREEMENT ("Agreement") is made and entered into this Fourteenth day of November 2022, by and between the City of Aurora, Colorado, a Colorado municipal corporation, hereinafter referred to as the "City" and Mosaic Unlimited, Inc, a Colorado nonprofit corporation, hereinafter referred to as the "Subrecipient" UEI (if applicable): YJ6YVTBP8EB6. City and Subrecipient are sometimes each referred to as a "Party" and collectively "Parties."

RECITALS

WHEREAS, on March 11, 2021, President Biden signed the U.S. Senate-amended H.R. 1319 (P.L. 117-2) known as the American Rescue Plan Act (hereinafter "ARPA"); and

WHEREAS, In Pub. Law. 117-2, Subtitle M, Sec. 9901, (The American Rescue Act or "ARPA") the US Congress allocated money to local government for various purposes; and

WHEREAS, on May 10, 2021, the U.S. Treasury issued the Interim Final Rule to implement ARPA in Title 31, Part 35 of the Code of Federal Regulations ("CFR"); and

WHEREAS, under ARPA Section 603 (c)(1)(A) and (3) and the Interim Final Rule 31 CFR 35.6(b)(7) recipients may use Coronavirus Local Fiscal Recovery ("CLFR") Funds to award grants to nonprofit organizations that are responding to the negative economic impacts of the COVID-19 public health emergency; and

WHEREAS, under ARPA Section 603 (c)(1)(A) and the Interim Final Rule 31 CFR 35.6(b)(7) and (12) recipients may provide CLFR Funds to programs or services to disproportionately impacted communities; and

WHEREAS, the City desires to disburse funds from Project No. CI-2113 to the Subrecipient to administer the Project and perform certain services in connection therewith as set forth in this Agreement and in the Scope of Services attached hereto; and

WHEREAS, Subrecipient has represented to the City that is duly qualified, eligible and willing to undertake the Project and provide the services identified herein and in the Scope of Services attached hereto.

NOW, THEREFORE, in consideration of the foregoing recitals and in consideration of the terms and conditions set forth herein, the Parties hereto mutually agree as follows:

1. SCOPE OF SERVICES

Subrecipient agrees to satisfactorily perform and complete all services and items of work, and furnish all labor and materials encompassed within or reasonably necessary to accomplish the tasks and functions described in the Scope of Services attached hereto as Exhibit "A" and incorporated herein by reference, in full compliance with all provisions of this Agreement.

Administrative Costs as defined in 24 CFR 576.108 are not an eligible reimbursable cost offered to subrecipients.

This award is not for Research and Development.

2. BUDGET AND METHOD OF PAYMENT

- a. City will pay to Subrecipient an amount up to that specified in subparagraph (c) of this paragraph as full compensation for all services and work to be performed or undertaken by Subrecipient under this Agreement. Payment of funds to Subrecipient is subject to all of the following requirements, which shall be conditions precedent to payment:
 - i. That Subrecipient has expended funds for eligible approved expenditures;
 - ii. That Subrecipient is not in default of any material provision of this Agreement nor applicable law or regulation;
 - iii. That Subrecipient has timely submitted requests for payment or reimbursement detailing the eligible payment or reimbursement items in a format approved by City; and
 - iv. That Subrecipient has certified with each payment or reimbursement request compliance with the requirements identified in Exhibit "C" and that all expenditures for which reimbursement is sought were made for and in furtherance of the approved Project and are an eligible use of federal assistance under ARPA and federal regulations.
- b. Payment hereunder is also subject to and may only be disbursed in accordance with applicable Federal regulations including but not limited to those at 31 CFR Part 35, as presently promulgated and as same may be revised from time to time in the future, all other terms of this Agreement, and any special provisions in the Scope of Services. All payments received by Subrecipient hereunder are subject to repayment by Subrecipient as provided in 31 CFR Part 35.
- c. The aggregate of all payments made hereunder shall not exceed **one hundred and eighty-eight thousand three hundred dollars and zero cents (\$188,300.00)**.
- d. Upon expiration of the term of this Agreement or upon any prior termination, Subrecipient shall transfer to City any funds provided hereunder which are on hand at the time of expiration or termination.

3. TERM OF PROJECT AND AGREEMENT

- a. PROJECT. The term of the Project shall be from the date this Agreement. The Project will be completed on June 30, 2024 unless this Agreement is sooner terminated as herein provided.
- b. AGREEMENT. The term of this Agreement shall be from the date this Agreement. The activities contemplated by this Agreement will be completed on or before June 30, 2024 unless sooner terminated as herein provided.

4. SUBRECIPIENT RECORDS

Subrecipient shall maintain records as to all services provided, reimbursable expenses incurred in performing the Scope of Services and complete accounting records. Accounting records shall be kept on a generally recognized accounting basis and as requested by any representee of the City. Subrecipient agrees to comply with all applicable uniform administrative requirements described or referenced in 31 CFR 35. The Compliance Provisions attached as Exhibit "B" hereto are made a part of this Agreement and Subrecipient agrees to perform and comply with same. The City, Comptroller General of the United States, the Inspector General of the U.S. Treasury and any of their authorized representatives, shall have the right to inspect and copy, during reasonable business hours, all books, documents, papers and records of the Subrecipient which relate to this Agreement for making an audit or examination. Upon completion of the work and end of the term of this Agreement, the City may require copies of all Subrecipient's financial records relating to this Agreement to be turned over to City.

The Subrecipient, which is a non-federal agency, that expends \$750,000 or more during the Subrecipient's fiscal year, shall have a single audit conducted for that year in accordance with the provisions 2 CFR 200, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards", "Super Circular", Audit shall be completed within nine (9) months of the Subrecipients audit period and a copy of the most recent audit shall be forwarded to the City within thirty (30) days of completion.

5. MONITORING AND EVALUATION

City and its consultants shall have the right to monitor and evaluate the progress and performance of Subrecipient to assure that the terms of this Agreement are being satisfactorily fulfilled in accordance with City's and other applicable monitoring and evaluation criteria and standards. City may at least quarterly review Subrecipient's performance using on-site visits, progress reports required to be submitted by Subrecipient, audit findings, disbursements transactions, and contact Subrecipient as necessary. Subrecipient shall furnish City quarterly program and financial reports of its activities in such form and manner as may be requested by the City. Subrecipient shall fully cooperate with the City in relation to training and education on requirements and attending training sessions as well as monitoring, evaluation, and audits.

6. PERFORMANCE REPORTING

City shall at least quarterly review Subrecipient's performance using on-site visits, progress reports required to be submitted by Subrecipient, audit findings, disbursements transactions and contact with the Subrecipient as necessary. Subrecipient shall furnish to City quarterly program performance and financial reports of its activities in such form and manner as may be requested by the City. Quarterly reports are due by last day of first month following the end of a quarter. Subrecipients shall fully cooperate with City in relation to such monitoring, evaluation, and audits.

7. SUBRECIPIENT FILES AND INFORMATION REPORTS

Subrecipient shall maintain files containing information which shall clearly document all activities performed in conjunction with this Agreement, including, but not limited to, financial transactions, conformance with assurances and activity reports. These records shall be retained by Subrecipient for a period of three years after the completion of the Project.

The Subrecipient shall keep accurate books and records of accounts in accordance with generally accepted accounting principles of all expenditures made and all costs and liabilities incurred utilizing Program Funds. The aforementioned accounts and all project records shall be made available upon request by the City or any other federal agency for examination and audit. All books and records of accounts must be retained for four (4) years from the date of this agreement.

8. ASSIGNABILITY

This Agreement shall not be assigned or transferred by the Subrecipient without the prior written consent of the City. Any assignment or attempted assignment made in violation of this provision shall, at City's election, be deemed void and of no effect whatsoever.

9. AVOIDANCE OF CONFLICT OF INTEREST

Subrecipient certifies and warrants that neither it nor any members of its Board of Directors, officers or employees has or will derive any personal or financial interest or benefit from the activity or activities assisted pursuant to this Agreement, nor has an interest in any contract,

subcontract or agreement with respect thereunto, nor the proceeds thereunder, either for themselves or for those with whom they have family or business ties, during their tenure and for one year thereafter. Subrecipient shall avoid all conflicts of interest which are prohibited by applicable federal regulations including but not limited to those set forth in 31 CFR Part 35 as presently promulgated and as same may be revised from time to time in the future.

10. INDEPENDENCE OF SUBRECIPIENT

Nothing herein contained nor the relationship of Subrecipient to City, which relationship is expressly declared to be that of an independent contractor, shall make or be construed to make Subrecipient or any of Subrecipient's agents or employees the agents or employees of the City. Subrecipient shall be solely and entirely responsible for its acts and the acts of its agents, employees and subcontractors

11. INDEMNIFICATION. LEGAL DISCLAIMER

Subrecipient and any and all of its personnel operating under the terms of this agreement are not to be considered agents or employees of the City for any purpose and are not entitled to any of the benefits that the City provides for the City's employees. Subrecipient covenants and agrees to, and does hereby, indemnify and hold harmless, to the extent permitted by law, defend the City, its agents, servants, or employees, from and against any and all claims for injuries or damages to persons or property of whatsoever kind of character, whether real or asserted, arising out of this agreement for the work to be performed hereunder. The Subrecipient hereby assumes all liability and responsibility for injuries, claims or suits for damages to persons or property of whatsoever kind or character, whether real or asserted, arising out of the performance.

Pursuant to Colorado Constitution Article XI, Sections 1 and 2 the City shall not indemnify or hold harmless Subrecipient, or any party related or operating under this Agreement with or without the City's consent. No provision in this Agreement shall limit or set the amount of damages available to the City to any amount other than the actual direct and indirect damages to the City, regardless of the theory or basis for such damages. Any provision included or incorporated herein by reference which purports to negate this provision in whole or in part shall not be valid or enforceable or available in any action at law or equity, whether by way of complaint, defense, or otherwise. Any provision rendered null and void by this provision shall not invalidate the remainder of the Agreement.

12. TERMINATION OF AGREEMENT

- a. For Cause: This Agreement may be terminated by City for cause, including any nonperformance by the Subrecipient, upon ten (10) days written notice to Subrecipient including a statement of the reasons therefore, and after an opportunity for a hearing has been afforded. If a hearing is requested, it shall be held before the City's Mayor whose decision shall be final. The determination of the City as to the cause of termination and the appropriateness thereof shall be final and binding upon both City and Subrecipient. Cause for termination shall include:
 - Improper use of funds;
 - Failure to comply with the terms and conditions of this Agreement;
 - Failure to comply with the terms and conditions of the Scope of Services, Exhibit A;
 - If, for any reason, this Agreement's performance is rendered impossible or unfeasible;
 - Failure to comply with applicable Federal, State, or local laws and regulations.
- b. For Convenience: This Agreement may be terminated by City for convenience upon ten (10) days written notice to Subrecipient, which decision shall not be subject to appeal.

- c. Post Expiration and Termination Procedures: Upon expiration or in the event of a prior termination, all remaining and unspent grant funds, shall immediately become the sole and separate property of the City and the Subrecipient shall perform all acts and execute all instruments necessary to transfer and assign such funds to the City. All finished or unfinished documents, data, studies, reports, and work product prepared by the Subrecipient under this Agreement or with grant funds shall, at the option of the City, become City's property.

13. LIABILITY

As to the City, Subrecipient agrees to assume the risk of all personal injury, including death and bodily injury, and damage to and destruction of property, including loss of use therefrom, caused by or sustained, in whole or in part, in conjunction with or arising out of the performance or nonperformance of this Agreement by Subrecipient or by the conditions created thereby. Subrecipient further agrees to indemnify and save harmless the City, its officers, agents and employees, from and against all claims, liabilities, costs, expenses, penalties and attorney fees arising from such injuries to persons or damages to property or based upon or arising out of the performance or nonperformance of this Agreement by Subrecipient or out of any violation by Subrecipient of any statute, ordinance, rule or regulation. Subrecipient shall be responsible for any injury to persons or damage to property to the extent arising from negligent or otherwise wrongful acts, errors and omissions of Artist, its agents, and employees.

14. INSURANCE

If Subrecipient and any sub-contractor of Subrecipient have employees Subrecipient and the sub-contractor(s) shall provide the appropriate certificates of insurance and Worker Compensation documents, at no cost to the City, as described in Exhibit "D". Subrecipient further agrees and understands that it, and any sub-contractor are to maintain and keep in force the appropriate insurance certificates throughout the term of this Agreement.

15. CERTIFICATIONS

Subrecipient agrees to execute and abide by the certifications contained in Exhibit "C" hereto, and Subrecipient's application for ARPA funds, both of which are hereby made a part of this Agreement. In the event of any conflict between the terms of this Agreement and Subrecipient's Application, this Agreement shall control.

16. REVERSION OF ASSETS

- a. Upon expiration of the term of this Agreement, or upon any prior termination, Subrecipient shall transfer to City any funds provided hereunder which are on hand at the time of expiration or termination.
- b. In the event City incurs any costs or expenses in enforcing the requirements of this paragraph or in bringing any action to recover the property or amount of any repayment obligation, City shall be entitled to recover its costs and expenses, including reasonable attorney's fees.

17. RESPONSIBILITIES OF SUBRECIPIENT

Subrecipient warrants and represents that it:

- a. Has the requisite authority and capacity to perform all terms and conditions on Subrecipient's part to be performed hereunder;
- b. That it is duly organized as a non-profit organization under state law and is in good standing with the Secretary of State of Colorado;

- c. That it is a nonprofit organization exempt from Federal income taxation under Section 501(c)(3) of the Internal Revenue Code;
- d. That it is fully aware of and understands its duty to perform all functions and services in accordance with the regulatory requirements of 31 CFR Part 35 and those identified in Exhibit "C" hereto; and
- e. That it is accepting federal financial assistance hereunder subject to certain mandatory repayment provisions.

18. RESPONSIBILITIES OF THE CITY

- a. City shall provide Subrecipient with the information necessary to facilitate the performance of this Agreement;
- b. Give prompt notice to Subrecipient when the City becomes aware or observes of any deficiencies or discrepancies in the services provided.

19. ENTIRE AGREEMENT; AMENDMENTS

The provisions set forth in this Agreement, and all Exhibits and attachments to this Agreement, constitute the entire and complete agreement of the parties hereto and supersede all prior written and oral agreements, understandings or representations related thereto. No amendment or modification of this Agreement, and no waiver of any provisions of this Agreement shall be binding unless made in writing and executed by the duly authorized officers of both the Subrecipient and City

20. NOTICES

Notices, as referred to in this Agreement, shall be sent to:

Subrecipient
Mosaic Unlimited, Inc
1797 Geneva St
Aurora, CO 80010

21. LOBBYING

Subrecipient certifies that no Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the Subrecipient shall complete and submit the Standard Form LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

Subrecipient shall require that the language of this certification be included in the award documents for all sub awards at all tiers including subcontracts, sub grants, and contracts under grants, loans, and cooperative agreements and that all referenced shall certify and disclose accordingly.

22. EQUAL EMPLOYMENT OPPORTUNITY/NONDISCRIMINATION.

Subrecipient shall not discriminate against any employee, applicant for employment, contractor, or subcontractor because of race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. The Subrecipient shall adhere to acceptable affirmative action guidelines in selecting employees and contractors and shall ensure that employees and contractors receive fair treatment during employment or agreement, without regard to their race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.

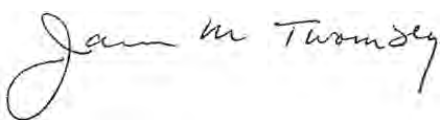

The Subrecipient shall not discriminate because of race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status in Subrecipient services, activities, accommodations, or facility use. The Subrecipient shall adhere to and assure that employment and activity programming are conducted such that all individuals and groups, clients, participants, and/or employees will be treated equally without regard to their race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. The Subrecipient understands and agrees that any act of discrimination based upon race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status may jeopardize grant funding to the Subrecipient and may be subject to loss of funding, reimbursement of funds allocated, or denial of future funds.

23. SIGNATURES

The persons signing this Agreement on behalf of Subrecipient represent and warrant that such persons and Subrecipient have the requisite power and authority to enter, execute and deliver this Agreement and that this Agreement is a valid and legally binding obligation of Subrecipient enforceable against Subrecipient in accordance with its terms.

IN WITNESS, WHEREOF, the Subrecipient and the City have executed this Agreement as of the date first above written and under the laws of the State of Colorado.

CITY OF AURORA, COLORADO

JAMES M. TWOMBLY,
City Manager

APPROVED AS TO FORM:

HANOSKY HERNANDEZ,
Sr. Assistant City Attorney

SUBRECIPIENT*Reid Hettich*

Executive Director

EXHIBIT A**SCOPE OF SERVICES****A. Principal Tasks****Title of project/program**

Community Violence Prevention Initiatives

Description of project/program

Our approach is an intentionally comprehensive and multi-disciplinary. The work will crossover between intervention and prevention. Our proposed programming will have four distinct modules that will build strength and synergy by working side by side. Safe Haven - In collaboration with the Youth Violence Prevention Program, we will be establishing Aurora's Safe Haven program. The program is a faith based program modeled after Denver's successful program but customized to serve Aurora and primarily utilizing Aurora assets. Safe Haven has three primary components: Recruiting, organizing and training a network of local churches and faith groups to serve the community. Aurora is a very diverse City and every effort will be made to have faith groups that reflect Aurora's ethnic and religious diversity. Activating Safe Haven events in response to violent tragedies in Aurora. These events will provide a safe place to seek spiritual and material resources from the community. Resource professionals will be a key part of these activations. The Safe Haven network will also be active in violence prevention strategies such as training for faith groups, Peace/Prayer Rallies and other services requested or needed by our community. Strengthening Families Program - We intend to establish a comprehensive training program that strengthens families ability to (1) intervene (or seek intention from others) when their young people commit acts of violence or are victims of violence; (2) intervene as their youth exhibit the risk behaviors that tend to lead to actual violence; and (3) understand the proven protective factors that prevent young people from becoming involved in behaviors that often lead to violence. The foundation of the training will be the nationally recognized and evidence based curriculum, "Strengthening Families". The Strengthening Families Program is designed for Parents and Youth 10-14 (SFP 10-14)

and is delivered in seven parent, youth, and family sessions using narrated videos portraying typical youth and parent situations with diverse families. The program is taught with 7-10 families over seven weeks. This scientifically tested curriculum: helps parents/caregivers learn nurturing skills that support their children, teaches parents/caregivers how to discipline and guide their youth effectively, gives youth a healthy future orientation and an increased appreciation of their parents/caregivers, and teaches youth skills for dealing with stress and peer pressure. The curriculum will be taught by trusted local community professionals that have been trained and certified. Fatherhood Support - We will be partnering with Fatherhood Support Services to launch a program that will work together with governmental entities and other local non profits to jointly create and maintain an environment that prioritizes father engagement as a critical factor in strengthening families. We understand that children and adolescents that have close and positive relationships with their fathers are less likely to engage in risky behaviors and/or substance and alcohol use. Fatherhood Support will actively reach out to young fathers through community events and utilize our community partners to promote our programming and gain referrals. Our programming will include direct services such as a Father's Support Group, classes about fathering and about the systems that can create barriers to father engagement and mentoring of young fathers. We will also provide navigation for fathers in key areas: housing, job, education and the legal system. Outreach Workers provided through these funds will promote the trainings throughout the community giving special focus to the 80010, 80011, and 80012 zip codes. The outreach works will distribute flyers, attend event, contact groups and organizations to promote the trainings and the Youth Violence Prevention Program in general.

Describe your project/program timeline and anticipated schedule of completion.

The programming described above is all scheduled to begin in September with initial direct programming along with training of staff. The Safe Haven, Strengthening Families and Fatherhood Support programs will gear up very quickly and although there will be some "start up" tasks, training and adjustments that may need to be made, the use programs will be at full strength by October 1st.

How will you measure the success and impact of this program or project?

We will track and collect the data of numbers of participants in our programs and corresponding successful outcomes. Each program module will include client satisfaction and evaluation surveys. We will track and collect data from our evaluation surveys from our collaborators.

B. Approved Budget

The **approved budget** during the term of this agreement is attached at this link: [Link to Project Budget \(https://arpaauracityco.powerappsportals.com/entity/annotation/c515626e-8d04-ed11-82e4-002248087dcc/cb218fc0-8b04-ed11-82e4-002248087522\)](https://arpaauracityco.powerappsportals.com/entity/annotation/c515626e-8d04-ed11-82e4-002248087dcc/cb218fc0-8b04-ed11-82e4-002248087522).

Changes in the scope of services, budget, or method of compensation contained in this Agreement, unless otherwise noted, may only be made through a written amendment to this Agreement, executed by the Subrecipient and the City.

C. Performance Monitoring

The City and its consultants will monitor the performance of the Subrecipient according to the Principal Tasks and Budget set forth herein. Subrecipient shall fully cooperate with the City in relation to training and education on requirements and attending training sessions as well as monitoring, evaluation, and audits. Substandard performance shall mean non-compliance with this

Agreement. If actions to correct such substandard performance are not taken by the Subrecipient within a reasonable period of time after being so notified by the City, contract suspension or termination procedures may be initiated, in the sole discretion of the City.

EXHIBIT B

COMPLIANCE PROVISIONS INCORPORATED IN THE SUBRECIPIENT AGREEMENT

1. An accounting system using the accrual basis of generally accepted accounting principles which accurately reflects all costs chargeable (paid and unpaid) to the Project is mandatory. A receipts and disbursements ledger must be maintained. A general ledger with an income and expense account for each budgeted line item is necessary. Paid invoices revealing check number, date paid, and item is necessary. Similarly, cash receipts for the payment of wages is mandatory. Paid invoices revealing check number, date paid, and evidence of goods or services received are to be filed per the expense account they were charged. The City must review and approve your account system and internal controls prior to the release of funds.
2. There is no flexibility on budgets. Line items may be changed only by the City's written concurrence of a budget amendment.
3. Eligible expenses are those considered reasonable and necessary costs for the efficient operation of the Project as determined by the City. All costs must be budgeted items. Request for advance or reimbursements of expenses must be accompanied by:

1. Original invoice marked with funding source
2. Detailed listing of each expense showing:
 - a. recipient
 - b. brief description of purchase
 - c. amount with method of computation detailed
 - d. how expense meets program goal per approved proposal

Cost Summary must be submitted monthly to reflect entries through the closing date for the books (indicate Closing Date on Cost Summary).

4. The City shall not be obligated to any third-party contractors of the Subrecipient. The subrecipient is further cautioned against obligating funds beyond the contract date of the agreement between the City and the Subrecipient.
5. The Subrecipient will furnish the City such statements, records, data and information, and permit such interviews with personnel as the City may request to effectively monitor and evaluate the project.
6. City auditors will periodically make interim audits and may, upon completion of the Project, make a final audit.
7. All records must be retained by the Subrecipient for a period of three years following the last day of the Agreement. (Cost summary reports must reflect actual general ledger balances.)

EXHIBIT C

CERTIFICATIONS

Subrecipient hereby certifies that the grant will be conducted and administered in compliance with:

1. Title VII of the Civil Rights Act of 1964 (Pub. L. 88-352; 42 U.S.C. 2000d, et seq.) and implementing regulations issued at 24 CFR Part 1;
2. Title VIII of the Civil Rights Act of 1968 (Pub. L. 90-284; 42 U.S.C. 3601, et seq.), as amended; and that the subrecipient will administer all programs and activities related to housing and community development in a manner to affirmatively further fair housing;
3. Section 109 of the Housing and Community Development Act of 1974, as amended; and the regulations issued pursuant thereto;
4. Section 3 of the Housing and Urban Development Act of 1968, as amended;
5. Executive Order 11246, as amended by Executive Orders 11375 and 12086, and implementing regulations issued at 41 CFR Chapter 60;
6. Executive Order 11063, as amended by Executive Orders 12259, and implementing regulations at 24 CFR Part 107;
7. Section 504 of the Rehabilitation Act of 1973 (Pub. L. 93-112), as amended, and implementing regulations when published for effect;
8. The Age Discrimination in Employment Act of 1975 (Pub. L. 94-135), as amended, and implementing regulations when published for effect;
9. The Subrecipient, as applicable to a governmental or nongovernmental agency, shall comply with the requirements and standards of 2 CFR Chapter I, and Chapter II, Parts 200, 215, 220, 225 and 230, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards" aka "Super Circular"; and shall comply with applicable sections of 79 FR 75871 "Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments".
10. Executive Order 11988 relating to the evaluation of flood hazards and Executive Order 11288 relating to the prevention, control and abatement of water pollution;
11. The flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (Pub. L. 93-234);
12. The applicable regulations, policies, guidelines and requirements of OMB Circular Nos. A-102, Revised, 24 CFR 85 and Subpart J of 24 CFR 570, A-87, A-110, A-122, A-128 and A-133 as they relate to the acceptance and use of federal funds under this federally-assisted program;
13. The Clean Air Act (42 U.S.C. 7401 et.seq.) as amended; particularly section 176 (c) and (d) [42 U.S.C. 7506 (c) and (d)];
14. The Safe Drinking Water Act of 1974 (42 U.S.C. 201, 300 (f) et.seq., and 21 U.S.C. 349) as amended; particularly section 1424 (e) (42 U.S.C. 300 (h)-303 (e));
15. The Endangered Species Act of 1973 (16 U.S.C. 1531 et. Seq.) as amended; including but not limited to section 7 (16 U.S.C. 1536) thereof;
16. The Reservoir Salvage Act of 1960 916 U.S.C. 469 et.seq.); particularly section 3 (16 U.S.C. 469a-1); as amended by the Archeological and Historical Preservation Act of 1974;

17. Flood Disaster Protection Act of 1973 (42 U.S.C. 4001 et seq.) as amended; particularly sections 102(a) and 202(a) [42 U.S.C. 4012a(a) and 4106(a)];
18. Executive order 11990, Protection of Wetlands, May 24, 1977 (42 FR 26961 et. Seq.); particularly sections 2 and 5;
19. Lead-Based Paint Poisoning Prevention requirements of 25 CFR Part 35 issued pursuant to the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4821 et seq.);
20. The National Historic Preservation Act of 1966 (16 U.S.C. 470 et seq.) as amended; particularly section 106 (16 U.S.C. 470f); and
21. Executive Order 11593, Protection and Enhancement of the Cultural Environment, May 13, 1971 (36 FR 8921 et seq.); particularly section 2(c).
22. Construction work financed in whole or in part with federal funds is subject to the prevailing wage requirements of the Davis-Bacon Act (29 CFR, Parts 3 and 5), the Copeland Act (29 CFR Part 3), and the Contract Work Hours and Safety Standards Act (Public Law 91-54, 83 Stat. 96). When a project meets this applicability requirement, the labor standards provision of the HUD 4010 and the Davis Bacon Wage Decision issued for the project will be incorporated into this contract document and shall be incorporated into all construction contracts and subcontracts of any tier thereunder.
23. No ARPA funds may be expended for lobbying purposes and payments from other sources for lobbying must be disclosed (24 CFR Part 87).
 - a. No federally appropriated funds have been or will be paid, by or on behalf of subrecipient, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.
 - b. If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, 14 a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.
24. Where asbestos is present in property undergoing rehabilitation, Federal requirements apply regarding worker exposure, abatement procedures and disposal. (CPD-90-44 EPA/OSHA).

EXHIBIT D

INSURANCE REQUIREMENTS

During the term of this Agreement and until final acceptance by the City of all work covered by the Agreement, Subrecipient performing services under this Agreement shall provide, pay for and maintain in full force and effect the types and minimum limits of insurance, as indicated below, covering the Subrecipient, their employees, subcontractors or representatives, along with: the activities of any and all subcontractors retained by the Subrecipient or Subcontractors, the activities of anyone employed by any Subrecipient, Subcontractors, their representatives or anyone for whose acts they may be liable.

Commercial General Liability Insurance. Subrecipient shall maintain commercial general liability insurance covering all operations by or on behalf of Subrecipient on a per occurrence basis against claims for personal injury (including bodily injury and death) and property damage (including loss of use). Coverage will include, if appropriate for the scope of services: Products and Completed Operations, Contractual Liability and a Waiver of Subrogation. The City, its elected and appointed officials, employees, agents and representatives shall be named as Additional Insureds by endorsement.

Minimum limits:

\$1,000,000 each occurrence

\$2,000,000 general aggregate

\$2,000,000 products and completed

Commercial Automobile Liability Insurance. Subrecipient shall maintain business automobile liability covering liability arising out of the operation of any vehicle (including owned, non-owned and hired vehicles) with minimum limits of \$1,000,000 combined single limit each accident, naming the City as an Additional Insured by endorsement.

Workers' Compensation and Employers Liability Insurance. Subrecipient shall maintain Worker's Compensation Insurance with limits in accordance with the provisions of the Workers' Compensation Act, as amended, by the State of Colorado. Additionally, Subrecipient shall maintain Employers Liability Insurance with minimum limits of \$500,000 bodily injury for each accident, \$100,000 bodily injury by disease each employee and \$500,000 bodily injury disease aggregate. If Subrecipient does not have employees, Subrecipient will provide a written statement indicating that it has no employees and is not subject to the provisions of Colorado Workers' Compensation Act.

If Subrecipient engages services of a subcontractor, Subrecipient is responsible for verifying that the subcontractor's insurance meets the insurance requirements set forth above and that it is in effect prior to and throughout performance of work under this agreement. Any subcontractor who ceases to provide insurance coverage as set forth above must be removed from the project until such time that insurance coverage can be verified as in full force and effect.

Limits of Insurance. The total limits of general and excess liability insurance set forth above may be provided to the City using a combination of primary and excess liability insurance.

Additional Insured and Waiver of Subrogation. Subrecipient shall name the City of Aurora, its elected and appointed officials, employees, agents and representatives as additional insureds by endorsement and provide a waiver of subrogation for the Commercial General Liability and Auto Liability insurance policies. The certificate of insurance will include these specific requirements along with a copy of the relevant endorsements.

Certificates of Insurance. Upon the execution of this Agreement, Subrecipient shall provide certificates of insurance to the City demonstrating that at the minimum coverages required herein are in effect. Subrecipient agrees that the required coverages will not be reduced, canceled, non-renewed or materially changed without Thirty (30) days prior written notice to the City. All certificates of insurance must be kept in force throughout the duration of the services. If any of Subrecipient's or its subcontractor's coverage is renewed at any time prior to completion of the services, Subrecipient shall be responsible for obtaining updated insurance certificates for itself and such subcontractor from the respective insurance carriers and forwarding the replacement certificates to the City within five (5) days of the expiration date of any previously delivered certificate.

The minimum A.M. Best rating of each primary insurer shall be A- VIII and the minimum A.M. Best rating of each excess insurer shall be A- VII. The Subrecipient shall provide copies of insurance policies to the City Risk Manager upon request.

Any of the minimum limits of insurance set out herein may be raised or lowered at the sole discretion of the Risk Manager for the City in response to the particular circumstances giving rise to the contract. Subrecipient's policy will be primary and non-contributory with respect to any and all insurance policies purchased by the City.

In the event that the contract involves professional or consulting services, in addition to the aforementioned insurance requirements, the contract shall also be protected by a Professional Liability Insurance policy as set forth below:

Professional Liability Insurance. Subrecipient shall maintain professional liability insurance with minimum limits of One Million Dollars (\$1,000,000), covering those claims which arise out of the negligent acts or omissions of the Subrecipient, its Subcontractor and any other parties for whom it may be liable including without limitation, bodily injury, personal injury, property damage and including a contractual liability endorsement specifically applicable to the insurable indemnity obligations set forth herein which Professional Liability Insurance shall be carried on a claims-made basis maintained in full force and effect for the term of this Agreement and, to the extent possible, for a minimum period of Three (3) years after the completion of any and all of Subrecipient's Services hereunder. Any retroactive date or prior acts exclusion to which such coverage is subject shall pre-date both the date upon which any services hereunder are commenced and the date of this Agreement. In the event that coverage is renewed during the original term of any subsequent term of this agreement, endorsement(s) for the new policy(ies) shall be delivered within ten (10) days of the expiration date of any previously delivered certificate.

Safe Haven Budget & Narrative

Part-time Program Manager	\$24,000	
Part-time staff to manage the program including partner development and communication, outreach to faith based community, coordination of activations and events		
Outreach Specialist	12,000	
Outreach into the community to let people know about our programs is vital to being successful. Having the right people in these programs is not automatic or simple. We will have to work hard to reach into hard to reach populations and get them enrolled. Having an Outreach Specialist to coordinate the work is essential.		
Space Rental	3,000	
Office and meeting space		
Start Up Materials & Equipment	12,000	
Printing, tents, vests, shirts, storage, transportation, tables/chairs, signage		
Marketing	3,000	
Digital, social media and an effective web site that is well maintained will play an important role in connecting to our community. Digital, paper flyers and other traditional media will need to be produced.		
Training	4,000	
Training for Safe Haven staff & volunteers and youth workers in local churches		
General Operating	6,000	
Every organization has general operating expenses that are necessities for a sustainable organization. Building costs (utilities, mortgage, insurance, etc), organizational infrastructure along with human resources costs all fit into this category.

SUBRECIPIENT AGREEMENT

CORONAVIRUS STATE FISCAL RECOVERY - ARPA FUNDS ASSISTANCE LISTING NUMBER (formerly CFDA): 21-027

FAIN:

THIS SUBRECIPIENT AGREEMENT ("Agreement") is made and entered into this Fourteenth day of November 2022, by and between the City of Aurora, Colorado, a Colorado municipal corporation, hereinafter referred to as the "City" and Rocky Mountain Youth Medical and Nursing Consultants LLC, a Colorado nonprofit corporation, hereinafter referred to as the "Subrecipient" UEI (if applicable): jRLHSMP24234. City and Subrecipient are sometimes each referred to as a "Party" and collectively "Parties."

RECITALS

WHEREAS, on March 11, 2021, President Biden signed the U.S. Senate-amended H.R. 1319 (P.L. 117-2) known as the American Rescue Plan Act (hereinafter "ARPA"); and

WHEREAS, In Pub. Law. 117-2, Subtitle M, Sec. 9901, (The American Rescue Act or "ARPA") the US Congress allocated money to local government for various purposes; and

WHEREAS, on May 10, 2021, the U.S. Treasury issued the Interim Final Rule to implement ARPA in Title 31, Part 35 of the Code of Federal Regulations ("CFR"); and

WHEREAS, under ARPA Section 603 (c)(1)(A) and (3) and the Interim Final Rule 31 CFR 35.6(b)(7) recipients may use Coronavirus Local Fiscal Recovery ("CLFR") Funds to award grants to nonprofit organizations that are responding to the negative economic impacts of the COVID-19 public health emergency; and

WHEREAS, under ARPA Section 603 (c)(1)(A) and the Interim Final Rule 31 CFR 35.6(b)(7) and (12) recipients may provide CLFR Funds to programs or services to disproportionately impacted communities; and

WHEREAS, the City desires to disburse funds from Project No. CI-2113 to the Subrecipient to administer the Project and perform certain services in connection therewith as set forth in this Agreement and in the Scope of Services attached hereto; and

WHEREAS, Subrecipient has represented to the City that is duly qualified, eligible and willing to undertake the Project and provide the services identified herein and in the Scope of Services attached hereto.

NOW, THEREFORE, in consideration of the foregoing recitals and in consideration of the terms and conditions set forth herein, the Parties hereto mutually agree as follows:

1. SCOPE OF SERVICES

Subrecipient agrees to satisfactorily perform and complete all services and items of work, and furnish all labor and materials encompassed within or reasonably necessary to accomplish the tasks and functions described in the Scope of Services attached hereto as Exhibit "A" and incorporated herein by reference, in full compliance with all provisions of this Agreement.

Administrative Costs as defined in 24 CFR 576.108 are not an eligible reimbursable cost offered to subrecipients.

This award is not for Research and Development.

2. BUDGET AND METHOD OF PAYMENT

- a. City will pay to Subrecipient an amount up to that specified in subparagraph (c) of this paragraph as full compensation for all services and work to be performed or undertaken by Subrecipient under this Agreement. Payment of funds to Subrecipient is subject to all of the following requirements, which shall be conditions precedent to payment:
 - i. That Subrecipient has expended funds for eligible approved expenditures;
 - ii. That Subrecipient is not in default of any material provision of this Agreement nor applicable law or regulation;
 - iii. That Subrecipient has timely submitted requests for payment or reimbursement detailing the eligible payment or reimbursement items in a format approved by City; and
 - iv. That Subrecipient has certified with each payment or reimbursement request compliance with the requirements identified in Exhibit "C" and that all expenditures for which reimbursement is sought were made for and in furtherance of the approved Project and are an eligible use of federal assistance under ARPA and federal regulations.
- b. Payment hereunder is also subject to and may only be disbursed in accordance with applicable Federal regulations including but not limited to those at 31 CFR Part 35, as presently promulgated and as same may be revised from time to time in the future, all other terms of this Agreement, and any special provisions in the Scope of Services. All payments received by Subrecipient hereunder are subject to repayment by Subrecipient as provided in 31 CFR Part 35.
- c. The aggregate of all payments made hereunder shall not exceed **seventy-five thousand dollars and zero cents (\$75,000.00)**.
- d. Upon expiration of the term of this Agreement or upon any prior termination, Subrecipient shall transfer to City any funds provided hereunder which are on hand at the time of expiration or termination.

3. TERM OF PROJECT AND AGREEMENT

- a. PROJECT. The term of the Project shall be from the date this Agreement. The Project will be completed on June 30, 2024 unless this Agreement is sooner terminated as herein provided.
- b. AGREEMENT. The term of this Agreement shall be from the date this Agreement. The activities contemplated by this Agreement will be completed on or before June 30, 2024 unless sooner terminated as herein provided.

4. SUBRECIPIENT RECORDS

Subrecipient shall maintain records as to all services provided, reimbursable expenses incurred in performing the Scope of Services and complete accounting records. Accounting records shall be kept on a generally recognized accounting basis and as requested by any representee of the City. Subrecipient agrees to comply with all applicable uniform administrative requirements described or referenced in 31 CFR 35. The Compliance Provisions attached as Exhibit "B" hereto are made a part of this Agreement and Subrecipient agrees to perform and comply with same. The City, Comptroller General of the United States, the Inspector General of the U.S. Treasury and any of their authorized representatives, shall have the right to inspect and copy, during reasonable business hours, all books, documents, papers and records of the Subrecipient which relate to this Agreement for making an audit or examination. Upon completion of the work and end of the term of this Agreement, the City may require copies of all Subrecipient's financial records relating to this Agreement to be turned over to City.

The Subrecipient, which is a non-federal agency, that expends \$750,000 or more during the Subrecipient's fiscal year, shall have a single audit conducted for that year in accordance with the provisions 2 CFR 200, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards", "Super Circular", Audit shall be completed within nine (9) months of the Subrecipients audit period and a copy of the most recent audit shall be forwarded to the City within thirty (30) days of completion.

5. MONITORING AND EVALUATION

City and its consultants shall have the right to monitor and evaluate the progress and performance of Subrecipient to assure that the terms of this Agreement are being satisfactorily fulfilled in accordance with City's and other applicable monitoring and evaluation criteria and standards. City may at least quarterly review Subrecipient's performance using on-site visits, progress reports required to be submitted by Subrecipient, audit findings, disbursements transactions, and contact Subrecipient as necessary. Subrecipient shall furnish City quarterly program and financial reports of its activities in such form and manner as may be requested by the City. Subrecipient shall fully cooperate with the City in relation to training and education on requirements and attending training sessions as well as monitoring, evaluation, and audits.

6. PERFORMANCE REPORTING

City shall at least quarterly review Subrecipient's performance using on-site visits, progress reports required to be submitted by Subrecipient, audit findings, disbursements transactions and contact with the Subrecipient as necessary. Subrecipient shall furnish to City quarterly program performance and financial reports of its activities in such form and manner as may be requested by the City. Quarterly reports are due by last day of first month following the end of a quarter. Subrecipients shall fully cooperate with City in relation to such monitoring, evaluation, and audits.

7. SUBRECIPIENT FILES AND INFORMATION REPORTS

Subrecipient shall maintain files containing information which shall clearly document all activities performed in conjunction with this Agreement, including, but not limited to, financial transactions, conformance with assurances and activity reports. These records shall be retained by Subrecipient for a period of three years after the completion of the Project.

The Subrecipient shall keep accurate books and records of accounts in accordance with generally accepted accounting principles of all expenditures made and all costs and liabilities incurred utilizing Program Funds. The aforementioned accounts and all project records shall be made available upon request by the City or any other federal agency for examination and audit. All books and records of accounts must be retained for four (4) years from the date of this agreement.

8. ASSIGNABILITY

This Agreement shall not be assigned or transferred by the Subrecipient without the prior written consent of the City. Any assignment or attempted assignment made in violation of this provision shall, at City's election, be deemed void and of no effect whatsoever.

9. AVOIDANCE OF CONFLICT OF INTEREST

Subrecipient certifies and warrants that neither it nor any members of its Board of Directors, officers or employees has or will derive any personal or financial interest or benefit from the activity or activities assisted pursuant to this Agreement, nor has an interest in any contract,

subcontract or agreement with respect thereunto, nor the proceeds thereunder, either for themselves or for those with whom they have family or business ties, during their tenure and for one year thereafter. Subrecipient shall avoid all conflicts of interest which are prohibited by applicable federal regulations including but not limited to those set forth in 31 CFR Part 35 as presently promulgated and as same may be revised from time to time in the future.

10. INDEPENDENCE OF SUBRECIPIENT

Nothing herein contained nor the relationship of Subrecipient to City, which relationship is expressly declared to be that of an independent contractor, shall make or be construed to make Subrecipient or any of Subrecipient's agents or employees the agents or employees of the City. Subrecipient shall be solely and entirely responsible for its acts and the acts of its agents, employees and subcontractors

11. INDEMNIFICATION. LEGAL DISCLAIMER

Subrecipient and any and all of its personnel operating under the terms of this agreement are not to be considered agents or employees of the City for any purpose and are not entitled to any of the benefits that the City provides for the City's employees. Subrecipient covenants and agrees to, and does hereby, indemnify and hold harmless, to the extent permitted by law, defend the City, its agents, servants, or employees, from and against any and all claims for injuries or damages to persons or property of whatsoever kind of character, whether real or asserted, arising out of this agreement for the work to be performed hereunder. The Subrecipient hereby assumes all liability and responsibility for injuries, claims or suits for damages to persons or property of whatsoever kind or character, whether real or asserted, arising out of the performance.

Pursuant to Colorado Constitution Article XI, Sections 1 and 2 the City shall not indemnify or hold harmless Subrecipient, or any party related or operating under this Agreement with or without the City's consent. No provision in this Agreement shall limit or set the amount of damages available to the City to any amount other than the actual direct and indirect damages to the City, regardless of the theory or basis for such damages. Any provision included or incorporated herein by reference which purports to negate this provision in whole or in part shall not be valid or enforceable or available in any action at law or equity, whether by way of complaint, defense, or otherwise. Any provision rendered null and void by this provision shall not invalidate the remainder of the Agreement.

12. TERMINATION OF AGREEMENT

- a. For Cause: This Agreement may be terminated by City for cause, including any nonperformance by the Subrecipient, upon ten (10) days written notice to Subrecipient including a statement of the reasons therefore, and after an opportunity for a hearing has been afforded. If a hearing is requested, it shall be held before the City's Mayor whose decision shall be final. The determination of the City as to the cause of termination and the appropriateness thereof shall be final and binding upon both City and Subrecipient. Cause for termination shall include:
 - Improper use of funds;
 - Failure to comply with the terms and conditions of this Agreement;
 - Failure to comply with the terms and conditions of the Scope of Services, Exhibit A;
 - If, for any reason, this Agreement's performance is rendered impossible or unfeasible;
 - Failure to comply with applicable Federal, State, or local laws and regulations.
- b. For Convenience: This Agreement may be terminated by City for convenience upon ten (10) days written notice to Subrecipient, which decision shall not be subject to appeal.

- c. Post Expiration and Termination Procedures: Upon expiration or in the event of a prior termination, all remaining and unspent grant funds, shall immediately become the sole and separate property of the City and the Subrecipient shall perform all acts and execute all instruments necessary to transfer and assign such funds to the City. All finished or unfinished documents, data, studies, reports, and work product prepared by the Subrecipient under this Agreement or with grant funds shall, at the option of the City, become City's property.

13. LIABILITY

As to the City, Subrecipient agrees to assume the risk of all personal injury, including death and bodily injury, and damage to and destruction of property, including loss of use therefrom, caused by or sustained, in whole or in part, in conjunction with or arising out of the performance or nonperformance of this Agreement by Subrecipient or by the conditions created thereby. Subrecipient further agrees to indemnify and save harmless the City, its officers, agents and employees, from and against all claims, liabilities, costs, expenses, penalties and attorney fees arising from such injuries to persons or damages to property or based upon or arising out of the performance or nonperformance of this Agreement by Subrecipient or out of any violation by Subrecipient of any statute, ordinance, rule or regulation. Subrecipient shall be responsible for any injury to persons or damage to property to the extent arising from negligent or otherwise wrongful acts, errors and omissions of Artist, its agents, and employees.

14. INSURANCE

If Subrecipient and any sub-contractor of Subrecipient have employees Subrecipient and the sub-contractor(s) shall provide the appropriate certificates of insurance and Worker Compensation documents, at no cost to the City, as described in Exhibit "D". Subrecipient further agrees and understands that it, and any sub-contractor are to maintain and keep in force the appropriate insurance certificates throughout the term of this Agreement.

15. CERTIFICATIONS

Subrecipient agrees to execute and abide by the certifications contained in Exhibit "C" hereto, and Subrecipient's application for ARPA funds, both of which are hereby made a part of this Agreement. In the event of any conflict between the terms of this Agreement and Subrecipient's Application, this Agreement shall control.

16. REVERSION OF ASSETS

- a. Upon expiration of the term of this Agreement, or upon any prior termination, Subrecipient shall transfer to City any funds provided hereunder which are on hand at the time of expiration or termination.
- b. In the event City incurs any costs or expenses in enforcing the requirements of this paragraph or in bringing any action to recover the property or amount of any repayment obligation, City shall be entitled to recover its costs and expenses, including reasonable attorney's fees.

17. RESPONSIBILITIES OF SUBRECIPIENT

Subrecipient warrants and represents that it:

- a. Has the requisite authority and capacity to perform all terms and conditions on Subrecipient's part to be performed hereunder;
- b. That it is duly organized as a non-profit organization under state law and is in good standing with the Secretary of State of Colorado;

- c. That it is a nonprofit organization exempt from Federal income taxation under Section 501(c)(3) of the Internal Revenue Code;
- d. That it is fully aware of and understands its duty to perform all functions and services in accordance with the regulatory requirements of 31 CFR Part 35 and those identified in Exhibit "C" hereto; and
- e. That it is accepting federal financial assistance hereunder subject to certain mandatory repayment provisions.

18. RESPONSIBILITIES OF THE CITY

- a. City shall provide Subrecipient with the information necessary to facilitate the performance of this Agreement;
- b. Give prompt notice to Subrecipient when the City becomes aware or observes of any deficiencies or discrepancies in the services provided.

19. ENTIRE AGREEMENT; AMENDMENTS

The provisions set forth in this Agreement, and all Exhibits and attachments to this Agreement, constitute the entire and complete agreement of the parties hereto and supersede all prior written and oral agreements, understandings or representations related thereto. No amendment or modification of this Agreement, and no waiver of any provisions of this Agreement shall be binding unless made in writing and executed by the duly authorized officers of both the Subrecipient and City

20. NOTICES

Notices, as referred to in this Agreement, shall be sent to:

City	City of Aurora, Colorado Attn: Controller 15151 East Alameda Parkway Aurora, Colorado 80012
With a copy to:	Office of the City Attorney 15151 East Alameda Parkway Aurora, Colorado 80012
Subrecipient	Rocky Mountain Youth Medical and Nursing Consultants LLC 9197 Grant St Suite 100 Thornton, CO 80229

21. LOBBYING

Subrecipient certifies that no Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the Subrecipient shall complete and submit the Standard Form LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

Subrecipient shall require that the language of this certification be included in the award documents for all sub awards at all tiers including subcontracts, sub grants, and contracts under grants, loans, and cooperative agreements and that all referenced shall certify and disclose accordingly.

22. EQUAL EMPLOYMENT OPPORTUNITY/NONDISCRIMINATION.

Subrecipient shall not discriminate against any employee, applicant for employment, contractor, or subcontractor because of race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. The Subrecipient shall adhere to acceptable affirmative action guidelines in selecting employees and contractors and shall ensure that employees and contractors receive fair treatment during employment or agreement, without regard to their race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.

The Subrecipient shall not discriminate because of race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status in Subrecipient services, activities, accommodations, or facility use. The Subrecipient shall adhere to and assure that employment and activity programming are conducted such that all individuals and groups, clients, participants, and/or employees will be treated equally without regard to their race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. The Subrecipient understands and agrees that any act of discrimination based upon race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status may jeopardize grant funding to the Subrecipient and may be subject to loss of funding, reimbursement of funds allocated, or denial of future funds.

23. SIGNATURES

The persons signing this Agreement on behalf of Subrecipient represent and warrant that such persons and Subrecipient have the requisite power and authority to enter, execute and deliver this Agreement and that this Agreement is a valid and legally binding obligation of Subrecipient enforceable against Subrecipient in accordance with its terms.

IN WITNESS, WHEREOF, the Subrecipient and the City have executed this Agreement as of the date first above written and under the laws of the State of Colorado.

CITY OF AURORA, COLORADO

EXHIBIT A

SCOPE OF SERVICES

A. Principal Tasks

Title of project/program

Virtual Scribe - Strategy to reduce clinician burnout and turnover while improving patient safety and satisfaction

Description of project/program

Every Child Pediatrics is proposing the utilization of virtual medical scribes in our Aurora Clinic as an effective tool to help reduce the immediate and long-term impact of COVID-19 on clinician well-being and patient satisfaction. A trained medical scribe listens to the encounter, creates a structure note in the EHR for clinicians to review and sign off. The virtual scribes are well-versed in medical terminology, language of medicine, pathophysiology, and more which helps to ensure quality and accuracy. As a result, instead of spending hours on documentation, providers only need to spend a few minutes reviewing and signing off on the note. Numerous studies indicate that much of the stress clinicians experience is driven by excessive administrative workload, such as entering data into the Electronic Health Records (EHR); 75% of clinicians who reported experiencing burnout identified the EHR as the primary contributing factor. Burnout is a long-term stress reaction marked by emotional exhaustion, depersonalization, and a lack of sense of personal accomplishment. Moreover, burnout has also been associated with lower rates of same-day chart closure. This is not any different for Every Child Pediatrics; we are experiencing a higher-than-normal volume of charts still waiting for clinicians to complete and close. When charts are not closed within a reasonable time, patient safety and quality of care suffer greatly, leaving the door

open to omissions or inaccuracies in the documentation – missing diagnosis, medication errors, duplicative testing, and procedures, among others. Equally important, reimbursement for those encounters is considerably delayed, affecting the financial sustainability of our medical practice.

Describe your project/program timeline and anticipated schedule of completion.

Goal 1 – To increase clinician capacity by 15% by utilizing the virtual medical scribe for 50% of the daily encounters. Goal 2 – To reduce clinician burnout by 25% by the end of the 12-mo pilot project

Objective 1 By January 31, 2023, 100% of the providers participating in the virtual medical scribe project will have a baseline and a follow-up score of the Maslach Burnout Inventory (MBI), to assess the changes in their feelings of burnout throughout the project. Objective 2 By March 31, 2023, baseline data for the following metrics will be documented (per provider participating in the project) – total open encounters, incomplete tasks, percentage of same-day completion and average day encounters open. Objective 3 By September 30, 2023, the metrics mentioned above will show a 15%-20% improvement in relation to baseline data. Expected qualitative and quantitative results during the funding period:

- o Reduction in patient charts backlog
- o Reduction on actionable patient items backlog
- o Improvement in internal/external referral follow-up rates
- o Reduction in clinician burnout rates
- o Improvement in rates of patient satisfaction

Month 1-2 • Vet and secure an IT vendor to provide virtual medical scribes across the traditional clinic settings. • Select cohort of 5 clinicians from the Aurora Clinic to participate in the initial implementation phase

- Set up baselines for: backlogged patient notes in AthenaHealth (ECP's Electronic Health Records); backlogged actionable patient data (labs, imaging, consult reports, home health orders) by categories; clinician burnout utilizing the Mashlach burnout test; and patient satisfaction rates.

Month 3-12 • Track daily utilization of virtual scribe per provider • Schedule huddles to assess progress on implementation, challenges, identify best practices and celebrate success stories • Collect progress of key metrics -backlogged patient notes, actionable patient data, clinician burnout, and patient satisfaction surveys- at 3, 6 and 12-mo markers, along with other metrics that can inform the impact in clinician burnout and patient satisfaction.

How will you measure the success and impact of this program or project?

Every Child Pediatrics defines a successful virtual medical scribe project as one integrated seamlessly in the medical workflows. It is perceived as an added value to the work environment and patient care, and it is embraced and utilized by clinicians and supporting staff regularly. To measure the program's success in reducing clinician burnout, we will use the Maslach Burnout Inventory (MBI) -<https://mhanational.org/mental-health-healthcare-workers-covid-19->. Overall, we will track provider charting hours within and outside work hours to assess the effectiveness and efficiency of the virtual scribe program and will utilize the patient satisfaction survey to track families' direct experience with this service. Additional metrics will be set up once we have a better understanding of the reporting capabilities of the virtual scribe tool/vendor. We are confident that once the services are adopted in each clinic, and we are able to achieve a healthy ratio of supporting staff per clinician, the improved chart completion rates and potential increased patient volume will generate enough revenue to sustain the virtual scribe services across the traditional clinics. In some cases, virtual medical scribes can decrease the documentation burden, allowing providers to see more patients. This is increasingly important when primary care settings are seeing an influx of patients each day. Whether via telehealth video conferencing, phone interactions, or in person, virtual scribes can help to increase the patient volume while relieving providers of documentation. It is estimated that providers can add 1-2 encounters to their daily workload, increasing revenue to pay for the virtual medical scribe service. On the other hand, there is an

incredible potential for increasing clinician capacity and productivity to focus on improving the coordination of patient care within our integrated care model and with external providers sharing the care of our patients. With this approach, we are also addressing clinician burnout and job satisfaction, resulting in a genuinely positive impact on the quality of patient care. When we consider the transition to value-based payment models and the significant financial impact of replacing a clinician -up to three times their annual salary, this approach might be more appealing and sustainable for us in the long run.

B. Approved Budget

The **approved budget** during the term of this agreement is attached at this link: [Link to Project Budget \(https://arpaauroracityco.powerappsportals.com/entity/annotation/cd5a0b45-8c04-ed11-82e4-002248087dcc/c451a82f-8c04-ed11-82e4-002248087522\)](https://arpaauroracityco.powerappsportals.com/entity/annotation/cd5a0b45-8c04-ed11-82e4-002248087dcc/c451a82f-8c04-ed11-82e4-002248087522).

Changes in the scope of services, budget, or method of compensation contained in this Agreement, unless otherwise noted, may only be made through a written amendment to this Agreement, executed by the Subrecipient and the City.

C. Performance Monitoring

The City and its consultants will monitor the performance of the Subrecipient according to the Principal Tasks and Budget set forth herein. Subrecipient shall fully cooperate with the City in relation to training and education on requirements and attending training sessions as well as monitoring, evaluation, and audits. Substandard performance shall mean non-compliance with this Agreement. If actions to correct such substandard performance are not taken by the Subrecipient within a reasonable period of time after being so notified by the City, contract suspension or termination procedures may be initiated, in the sole discretion of the City.

EXHIBIT B

COMPLIANCE PROVISIONS INCORPORATED IN THE SUBRECIPIENT AGREEMENT

1. An accounting system using the accrual basis of generally accepted accounting principles which accurately reflects all costs chargeable (paid and unpaid) to the Project is mandatory. A receipts and disbursements ledger must be maintained. A general ledger with an income and expense account for each budgeted line item is necessary. Paid invoices revealing check number, date paid, and item is necessary. Similarly, cash receipts for the payment of wages is mandatory. Paid invoices revealing check number, date paid, and evidence of goods or services received are to be filed per the expense account they were charged. The City must review and approve your account system and internal controls prior to the release of funds.
2. There is no flexibility on budgets. Line items may be changed only by the City's written concurrence of a budget amendment.
3. Eligible expenses are those considered reasonable and necessary costs for the efficient operation of the Project as determined by the City. All costs must be budgeted items. Request for advance or reimbursements of expenses must be accompanied by:
 1. Original invoice marked with funding source
 2. Detailed listing of each expense showing:
 - a. recipient

- b. brief description of purchase
- c. amount with method of computation detailed
- d. how expense meets program goal per approved proposal

Cost Summary must be submitted monthly to reflect entries through the closing date for the books (indicate Closing Date on Cost Summary).

4. The City shall not be obligated to any third-party contractors of the Subrecipient. The subrecipient is further cautioned against obligating funds beyond the contract date of the agreement between the City and the Subrecipient.
5. The Subrecipient will furnish the City such statements, records, data and information, and permit such interviews with personnel as the City may request to effectively monitor and evaluate the project.
6. City auditors will periodically make interim audits and may, upon completion of the Project, make a final audit.
7. All records must be retained by the Subrecipient for a period of three years following the last day of the Agreement. (Cost summary reports must reflect actual general ledger balances.)

EXHIBIT C

CERTIFICATIONS

Subrecipient hereby certifies that the grant will be conducted and administered in compliance with:

1. Title VII of the Civil Rights Act of 1964 (Pub. L. 88-352; 42 U.S.C. 2000d, et seq.) and implementing regulations issued at 24 CFR Part 1;
2. Title VIII of the Civil Rights Act of 1968 (Pub. L. 90-284; 42 U.S.C. 3601, et seq.), as amended; and that the subrecipient will administer all programs and activities related to housing and community development in a manner to affirmatively further fair housing;
3. Section 109 of the Housing and Community Development Act of 1974, as amended; and the regulations issued pursuant thereto;
4. Section 3 of the Housing and Urban Development Act of 1968, as amended;
5. Executive Order 11246, as amended by Executive Orders 11375 and 12086, and implementing regulations issued at 41 CFR Chapter 60;
6. Executive Order 11063, as amended by Executive Orders 12259, and implementing regulations at 24 CFR Part 107;
7. Section 504 of the Rehabilitation Act of 1973 (Pub. L. 93-112), as amended, and implementing regulations when published for effect;
8. The Age Discrimination in Employment Act of 1975 (Pub. L. 94-135), as amended, and implementing regulations when published for effect;
9. The Subrecipient, as applicable to a governmental or nongovernmental agency, shall comply with the requirements and standards of 2 CFR Chapter I, and Chapter II, Parts 200, 215, 220, 225 and 230, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal

Awards" aka "Super Circular"; and shall comply with applicable sections of 79 FR 75871 "Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments".

10. Executive Order 11988 relating to the evaluation of flood hazards and Executive Order 11288 relating to the prevention, control and abatement of water pollution;
11. The flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (Pub. L. 93-234);
12. The applicable regulations, policies, guidelines and requirements of OMB Circular Nos. A-102, Revised, 24 CFR 85 and Subpart J of 24 CFR 570, A-87, A-110, A-122, A-128 and A-133 as they relate to the acceptance and use of federal funds under this federally-assisted program;
13. The Clean Air Act (42 U.S.C. 7401 et.seq.) as amended; particularly section 176 (c) and (d) [42 U.S.C. 7506 (c) and (d)];
14. The Safe Drinking Water Act of 1974 (42 U.S.C. 201, 300 (f) et.seq., and 21 U.S.C. 349) as amended; particularly section 1424 (e) (42 U.S.C. 300 (h)-303 (e));
15. The Endangered Species Act of 1973 (16 U.S.C. 1531 et. Seq.) as amended; including but not limited to section 7 (16 U.S.C. 1536) thereof;
16. The Reservoir Salvage Act of 1960 916 U.S.C. 469 et.seq.); particularly section 3 (16 U.S.C. 469a-1); as amended by the Archeological and Historical Preservation Act of 1974;
17. Flood Disaster Protection Act of 1973 (42 U.S.C. 4001 et.seq.) as amended; particularly sections 102(a) and 202(a) [42 U.S.C. 4012a(a) and 4106(a)];
18. Executive order 11990, Protection of Wetlands, May 24, 1977 (42 FR 26961 et. Seq.); particularly sections 2 and 5;
19. Lead-Based Paint Poisoning Prevention requirements of 25 CFR Part 35 issued pursuant to the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4821 et.seq.);
20. The National Historic Preservation Act of 1966 (16 U.S.C. 470 et seq.) as amended; particularly section 106 (16 U.S.C. 470f); and
21. Executive Order 11593, Protection and Enhancement of the Cultural Environment, May 13, 1971 (36 FR 8921 et seq.); particularly section 2(c).
22. Construction work financed in whole or in part with federal funds is subject to the prevailing wage requirements of the Davis-Bacon Act (29 CFR, Parts 3 and 5), the Copeland Act (29 CFR Part 3), and the Contract Work Hours and Safety Standards Act (Public Law 91-54, 83 Stat. 96). When a project meets this applicability requirement, the labor standards provision of the HUD 4010 and the Davis Bacon Wage Decision issued for the project will be incorporated into this contract document and shall be incorporated into all construction subcontracts and subcontracts of any tier thereunder.
23. No ARPA funds may be expended for lobbying purposes and payments from other sources for lobbying must be disclosed (24 CFR Part 87).
 - a. No federally appropriated funds have been or will be paid, by or on behalf of subrecipient, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making

of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.

- b. If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, 14 a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

24. Where asbestos is present in property undergoing rehabilitation, Federal requirements apply regarding worker exposure, abatement procedures and disposal. (CPD-90-44 EPA/OSHA).

EXHIBIT D

INSURANCE REQUIREMENTS

During the term of this Agreement and until final acceptance by the City of all work covered by the Agreement, Subrecipient performing services under this Agreement shall provide, pay for and maintain in full force and effect the types and minimum limits of insurance, as indicated below, covering the Subrecipient, their employees, subcontractors or representatives, along with: the activities of any and all subcontractors retained by the Subrecipient or Subcontractors, the activities of anyone employed by any Subrecipient, Subcontractors, their representatives or anyone for whose acts they may be liable.

Commercial General Liability Insurance. Subrecipient shall maintain commercial general liability insurance covering all operations by or on behalf of Subrecipient on a per occurrence basis against claims for personal injury (including bodily injury and death) and property damage (including loss of use). Coverage will include, if appropriate for the scope of services: Products and Completed Operations, Contractual Liability and a Waiver of Subrogation. The City, its elected and appointed officials, employees, agents and representatives shall be named as Additional Insureds by endorsement.

Minimum limits:

\$1,000,000 each occurrence

\$2,000,000 general aggregate

\$2,000,000 products and completed

Commercial Automobile Liability Insurance. Subrecipient shall maintain business automobile liability covering liability arising out of the operation of any vehicle (including owned, non-owned and hired vehicles) with minimum limits of \$1,000,000 combined single limit each accident, naming the City as an Additional Insured by endorsement.

Workers' Compensation and Employers Liability Insurance. Subrecipient shall maintain Worker's Compensation Insurance with limits in accordance with the provisions of the Workers' Compensation Act, as amended, by the State of Colorado. Additionally, Subrecipient shall maintain Employers Liability Insurance with minimum limits of \$500,000 bodily injury for each accident, \$100,000 bodily injury by disease each employee and \$500,000 bodily injury disease aggregate. If Subrecipient does not have employees, Subrecipient will provide a written statement indicating that it has no employees and is not subject to the provisions of Colorado Workers' Compensation Act.

If Subrecipient engages services of a subcontractor, Subrecipient is responsible for verifying that the subcontractor's insurance meets the insurance requirements set forth above and that it is in effect prior to and throughout performance of work under this agreement. Any subcontractor who ceases to provide insurance coverage as set forth above must be removed from the project until such time that insurance coverage can be verified as in full force and effect.

Limits of Insurance. The total limits of general and excess liability insurance set forth above may be provided to the City using a combination of primary and excess liability insurance.

Additional Insured and Waiver of Subrogation. Subrecipient shall name the City of Aurora, its elected and appointed officials, employees, agents and representatives as additional insureds by endorsement and provide a waiver of subrogation for the Commercial General Liability and Auto Liability insurance policies. The certificate of insurance will include these specific requirements along with a copy of the relevant endorsements.

Certificates of Insurance. Upon the execution of this Agreement, Subrecipient shall provide certificates of insurance to the City demonstrating that at the minimum coverages required herein are in effect. Subrecipient agrees that the required coverages will not be reduced, canceled, non-renewed or materially changed without Thirty (30) days prior written notice to the City. All certificates of insurance must be kept in force throughout the duration of the services. If any of Subrecipient's or its subcontractor's coverage is renewed at any time prior to completion of the services, Subrecipient shall be responsible for obtaining updated insurance certificates for itself and such subcontractor from the respective insurance carriers and forwarding the replacement certificates to the City within five (5) days of the expiration date of any previously delivered certificate.

The minimum A.M. Best rating of each primary insurer shall be A- VIII and the minimum A.M. Best rating of each excess insurer shall be A- VII. The Subrecipient shall provide copies of insurance policies to the City Risk Manager upon request.

Any of the minimum limits of insurance set out herein may be raised or lowered at the sole discretion of the Risk Manager for the City in response to the particular circumstances giving rise to the contract. Subrecipient's policy will be primary and non-contributory with respect to any and all insurance policies purchased by the City.

In the event that the contract involves professional or consulting services, in addition to the aforementioned insurance requirements, the contract shall also be protected by a Professional Liability Insurance policy as set forth below:

Professional Liability Insurance. Subrecipient shall maintain professional liability insurance with minimum limits of One Million Dollars (\$1,000,000), covering those claims which arise out of the negligent acts or omissions of the Subrecipient, its Subcontractor and any other parties for whom it may be liable including without limitation, bodily injury, personal injury, property damage and including a contractual liability endorsement specifically applicable to the insurable indemnity obligations set forth herein which Professional Liability Insurance shall be carried on a claims-made basis maintained in full force and effect for the term of this Agreement and, to the extent possible, for a minimum period of Three (3) years after the completion of any and all of Subrecipient's Services hereunder. Any retroactive date or prior acts exclusion to which such coverage is subject shall pre-date both the date upon which any services hereunder are commenced and the date of this Agreement. In the event that coverage is

renewed during the original term of any subsequent term of this agreement, endorsement(s) for the new policy(ies) shall be delivered within ten (10) days of the expiration date of any previously delivered certificate.

SUBRECIPIENT AGREEMENT

CORONAVIRUS STATE FISCAL RECOVERY - ARPA FUNDS ASSISTANCE LISTING NUMBER (formerly CFDA): 21-027

FAIN:

THIS SUBRECIPIENT AGREEMENT ("Agreement") is made and entered into this Fourteenth day of November 2022, by and between the City of Aurora, Colorado, a Colorado municipal corporation, hereinafter referred to as the "City" and Community Enterprise Development Services, a Colorado nonprofit corporation, hereinafter referred to as the "Subrecipient" UEI (if applicable): XGENN65XJKY1. City and Subrecipient are sometimes each referred to as a "Party" and collectively "Parties."

RECITALS

WHEREAS, on March 11, 2021, President Biden signed the U.S. Senate-amended H.R. 1319 (P.L. 117-2) known as the American Rescue Plan Act (hereinafter "ARPA"); and

WHEREAS, In Pub. Law. 117-2, Subtitle M, Sec. 9901, (The American Rescue Act or "ARPA") the US Congress allocated money to local government for various purposes; and

WHEREAS, on May 10, 2021, the U.S. Treasury issued the Interim Final Rule to implement ARPA in Title 31, Part 35 of the Code of Federal Regulations ("CFR"); and

WHEREAS, under ARPA Section 603 (c)(1)(A) and (3) and the Interim Final Rule 31 CFR 35.6(b)(7) recipients may use Coronavirus Local Fiscal Recovery ("CLFR") Funds to award grants to nonprofit organizations that are responding to the negative economic impacts of the COVID-19 public health emergency; and

WHEREAS, under ARPA Section 603 (c)(1)(A) and the Interim Final Rule 31 CFR 35.6(b)(7) and (12) recipients may provide CLFR Funds to programs or services to disproportionately impacted communities; and

WHEREAS, the City desires to disburse funds from Project No. CI-2113 to the Subrecipient to administer the Project and perform certain services in connection therewith as set forth in this Agreement and in the Scope of Services attached hereto; and

WHEREAS, Subrecipient has represented to the City that is duly qualified, eligible and willing to undertake the Project and provide the services identified herein and in the Scope of Services attached hereto.

NOW, THEREFORE, in consideration of the foregoing recitals and in consideration of the terms and conditions set forth herein, the Parties hereto mutually agree as follows:

1. SCOPE OF SERVICES

Subrecipient agrees to satisfactorily perform and complete all services and items of work, and furnish all labor and materials encompassed within or reasonably necessary to accomplish the tasks and functions described in the Scope of Services attached hereto as Exhibit "A" and incorporated herein by reference, in full compliance with all provisions of this Agreement.

Administrative Costs as defined in 24 CFR 576.108 are not an eligible reimbursable cost offered to subrecipients.

This award is not for Research and Development.

2. BUDGET AND METHOD OF PAYMENT

- a. City will pay to Subrecipient an amount up to that specified in subparagraph (c) of this paragraph as full compensation for all services and work to be performed or undertaken by Subrecipient under this Agreement. Payment of funds to Subrecipient is subject to all of the following requirements, which shall be conditions precedent to payment:
 - i. That Subrecipient has expended funds for eligible approved expenditures;
 - ii. That Subrecipient is not in default of any material provision of this Agreement nor applicable law or regulation;
 - iii. That Subrecipient has timely submitted requests for payment or reimbursement detailing the eligible payment or reimbursement items in a format approved by City; and
 - iv. That Subrecipient has certified with each payment or reimbursement request compliance with the requirements identified in Exhibit "C" and that all expenditures for which reimbursement is sought were made for and in furtherance of the approved Project and are an eligible use of federal assistance under ARPA and federal regulations.
- b. Payment hereunder is also subject to and may only be disbursed in accordance with applicable Federal regulations including but not limited to those at 31 CFR Part 35, as presently promulgated and as same may be revised from time to time in the future, all other terms of this Agreement, and any special provisions in the Scope of Services. All payments received by Subrecipient hereunder are subject to repayment by Subrecipient as provided in 31 CFR Part 35.
- c. The aggregate of all payments made hereunder shall not exceed **fifty thousand dollars and zero cents (\$50,000.00)**.
- d. Upon expiration of the term of this Agreement or upon any prior termination, Subrecipient shall transfer to City any funds provided hereunder which are on hand at the time of expiration or termination.

3. TERM OF PROJECT AND AGREEMENT

- a. PROJECT. The term of the Project shall be from the date this Agreement. The Project will be completed on June 30, 2024 unless this Agreement is sooner terminated as herein provided.
- b. AGREEMENT. The term of this Agreement shall be from the date this Agreement. The activities contemplated by this Agreement will be completed on or before June 30, 2024 unless sooner terminated as herein provided.

4. SUBRECIPIENT RECORDS

Subrecipient shall maintain records as to all services provided, reimbursable expenses incurred in performing the Scope of Services and complete accounting records. Accounting records shall be kept on a generally recognized accounting basis and as requested by any representee of the City. Subrecipient agrees to comply with all applicable uniform administrative requirements described or referenced in 31 CFR 35. The Compliance Provisions attached as Exhibit "B" hereto are made a part of this Agreement and Subrecipient agrees to perform and comply with same. The City, Comptroller General of the United States, the Inspector General of the U.S. Treasury and any of their authorized representatives, shall have the right to inspect and copy, during reasonable business hours, all books, documents, papers and records of the Subrecipient which relate to this Agreement for making an audit or examination. Upon completion of the work and end of the term of this Agreement, the City may require copies of all Subrecipient's financial records relating to this Agreement to be turned over to City.

The Subrecipient, which is a non-federal agency, that expends \$750,000 or more during the Subrecipient's fiscal year, shall have a single audit conducted for that year in accordance with the provisions 2 CFR 200, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards", "Super Circular", Audit shall be completed within nine (9) months of the Subrecipients audit period and a copy of the most recent audit shall be forwarded to the City within thirty (30) days of completion.

5. MONITORING AND EVALUATION

City and its consultants shall have the right to monitor and evaluate the progress and performance of Subrecipient to assure that the terms of this Agreement are being satisfactorily fulfilled in accordance with City's and other applicable monitoring and evaluation criteria and standards. City may at least quarterly review Subrecipient's performance using on-site visits, progress reports required to be submitted by Subrecipient, audit findings, disbursements transactions, and contact Subrecipient as necessary. Subrecipient shall furnish City quarterly program and financial reports of its activities in such form and manner as may be requested by the City. Subrecipient shall fully cooperate with the City in relation to training and education on requirements and attending training sessions as well as monitoring, evaluation, and audits.

6. PERFORMANCE REPORTING

City shall at least quarterly review Subrecipient's performance using on-site visits, progress reports required to be submitted by Subrecipient, audit findings, disbursements transactions and contact with the Subrecipient as necessary. Subrecipient shall furnish to City quarterly program performance and financial reports of its activities in such form and manner as may be requested by the City. Quarterly reports are due by last day of first month following the end of a quarter. Subrecipients shall fully cooperate with City in relation to such monitoring, evaluation, and audits.

7. SUBRECIPIENT FILES AND INFORMATION REPORTS

Subrecipient shall maintain files containing information which shall clearly document all activities performed in conjunction with this Agreement, including, but not limited to, financial transactions, conformance with assurances and activity reports. These records shall be retained by Subrecipient for a period of three years after the completion of the Project.

The Subrecipient shall keep accurate books and records of accounts in accordance with generally accepted accounting principles of all expenditures made and all costs and liabilities incurred utilizing Program Funds. The aforementioned accounts and all project records shall be made available upon request by the City or any other federal agency for examination and audit. All books and records of accounts must be retained for four (4) years from the date of this agreement.

8. ASSIGNABILITY

This Agreement shall not be assigned or transferred by the Subrecipient without the prior written consent of the City. Any assignment or attempted assignment made in violation of this provision shall, at City's election, be deemed void and of no effect whatsoever.

9. AVOIDANCE OF CONFLICT OF INTEREST

Subrecipient certifies and warrants that neither it nor any members of its Board of Directors, officers or employees has or will derive any personal or financial interest or benefit from the activity or activities assisted pursuant to this Agreement, nor has an interest in any contract,

subcontract or agreement with respect thereunto, nor the proceeds thereunder, either for themselves or for those with whom they have family or business ties, during their tenure and for one year thereafter. Subrecipient shall avoid all conflicts of interest which are prohibited by applicable federal regulations including but not limited to those set forth in 31 CFR Part 35 as presently promulgated and as same may be revised from time to time in the future.

10. INDEPENDENCE OF SUBRECIPIENT

Nothing herein contained nor the relationship of Subrecipient to City, which relationship is expressly declared to be that of an independent contractor, shall make or be construed to make Subrecipient or any of Subrecipient's agents or employees the agents or employees of the City. Subrecipient shall be solely and entirely responsible for its acts and the acts of its agents, employees and subcontractors

11. INDEMNIFICATION. LEGAL DISCLAIMER

Subrecipient and any and all of its personnel operating under the terms of this agreement are not to be considered agents or employees of the City for any purpose and are not entitled to any of the benefits that the City provides for the City's employees. Subrecipient covenants and agrees to, and does hereby, indemnify and hold harmless, to the extent permitted by law, defend the City, its agents, servants, or employees, from and against any and all claims for injuries or damages to persons or property of whatsoever kind of character, whether real or asserted, arising out of this agreement for the work to be performed hereunder. The Subrecipient hereby assumes all liability and responsibility for injuries, claims or suits for damages to persons or property of whatsoever kind or character, whether real or asserted, arising out of the performance.

Pursuant to Colorado Constitution Article XI, Sections 1 and 2 the City shall not indemnify or hold harmless Subrecipient, or any party related or operating under this Agreement with or without the City's consent. No provision in this Agreement shall limit or set the amount of damages available to the City to any amount other than the actual direct and indirect damages to the City, regardless of the theory or basis for such damages. Any provision included or incorporated herein by reference which purports to negate this provision in whole or in part shall not be valid or enforceable or available in any action at law or equity, whether by way of complaint, defense, or otherwise. Any provision rendered null and void by this provision shall not invalidate the remainder of the Agreement.

12. TERMINATION OF AGREEMENT

- a. For Cause: This Agreement may be terminated by City for cause, including any nonperformance by the Subrecipient, upon ten (10) days written notice to Subrecipient including a statement of the reasons therefore, and after an opportunity for a hearing has been afforded. If a hearing is requested, it shall be held before the City's Mayor whose decision shall be final. The determination of the City as to the cause of termination and the appropriateness thereof shall be final and binding upon both City and Subrecipient. Cause for termination shall include:
 - Improper use of funds;
 - Failure to comply with the terms and conditions of this Agreement;
 - Failure to comply with the terms and conditions of the Scope of Services, Exhibit A;
 - If, for any reason, this Agreement's performance is rendered impossible or unfeasible;
 - Failure to comply with applicable Federal, State, or local laws and regulations.
- b. For Convenience: This Agreement may be terminated by City for convenience upon ten (10) days written notice to Subrecipient, which decision shall not be subject to appeal.

- c. Post Expiration and Termination Procedures: Upon expiration or in the event of a prior termination, all remaining and unspent grant funds, shall immediately become the sole and separate property of the City and the Subrecipient shall perform all acts and execute all instruments necessary to transfer and assign such funds to the City. All finished or unfinished documents, data, studies, reports, and work product prepared by the Subrecipient under this Agreement or with grant funds shall, at the option of the City, become City's property.

13. LIABILITY

As to the City, Subrecipient agrees to assume the risk of all personal injury, including death and bodily injury, and damage to and destruction of property, including loss of use therefrom, caused by or sustained, in whole or in part, in conjunction with or arising out of the performance or nonperformance of this Agreement by Subrecipient or by the conditions created thereby. Subrecipient further agrees to indemnify and save harmless the City, its officers, agents and employees, from and against all claims, liabilities, costs, expenses, penalties and attorney fees arising from such injuries to persons or damages to property or based upon or arising out of the performance or nonperformance of this Agreement by Subrecipient or out of any violation by Subrecipient of any statute, ordinance, rule or regulation. Subrecipient shall be responsible for any injury to persons or damage to property to the extent arising from negligent or otherwise wrongful acts, errors and omissions of Artist, its agents, and employees.

14. INSURANCE

If Subrecipient and any sub-contractor of Subrecipient have employees Subrecipient and the sub-contractor(s) shall provide the appropriate certificates of insurance and Worker Compensation documents, at no cost to the City, as described in Exhibit "D". Subrecipient further agrees and understands that it, and any sub-contractor are to maintain and keep in force the appropriate insurance certificates throughout the term of this Agreement.

15. CERTIFICATIONS

Subrecipient agrees to execute and abide by the certifications contained in Exhibit "C" hereto, and Subrecipient's application for ARPA funds, both of which are hereby made a part of this Agreement. In the event of any conflict between the terms of this Agreement and Subrecipient's Application, this Agreement shall control.

16. REVERSION OF ASSETS

- a. Upon expiration of the term of this Agreement, or upon any prior termination, Subrecipient shall transfer to City any funds provided hereunder which are on hand at the time of expiration or termination.
- b. In the event City incurs any costs or expenses in enforcing the requirements of this paragraph or in bringing any action to recover the property or amount of any repayment obligation, City shall be entitled to recover its costs and expenses, including reasonable attorney's fees.

17. RESPONSIBILITIES OF SUBRECIPIENT

Subrecipient warrants and represents that it:

- a. Has the requisite authority and capacity to perform all terms and conditions on Subrecipient's part to be performed hereunder;
- b. That it is duly organized as a non-profit organization under state law and is in good standing with the Secretary of State of Colorado;

- c. That it is a nonprofit organization exempt from Federal income taxation under Section 501(c)(3) of the Internal Revenue Code;
- d. That it is fully aware of and understands its duty to perform all functions and services in accordance with the regulatory requirements of 31 CFR Part 35 and those identified in Exhibit "C" hereto; and
- e. That it is accepting federal financial assistance hereunder subject to certain mandatory repayment provisions.

18. RESPONSIBILITIES OF THE CITY

- a. City shall provide Subrecipient with the information necessary to facilitate the performance of this Agreement;
- b. Give prompt notice to Subrecipient when the City becomes aware or observes of any deficiencies or discrepancies in the services provided.

19. ENTIRE AGREEMENT; AMENDMENTS

The provisions set forth in this Agreement, and all Exhibits and attachments to this Agreement, constitute the entire and complete agreement of the parties hereto and supersede all prior written and oral agreements, understandings or representations related thereto. No amendment or modification of this Agreement, and no waiver of any provisions of this Agreement shall be binding unless made in writing and executed by the duly authorized officers of both the Subrecipient and City

20. NOTICES

Notices, as referred to in this Agreement, shall be sent to:

City
City of Aurora, Colorado
Attn: Controller
15151 East Alameda Parkway
Aurora, Colorado 80012

With a copy to:
Office of the City Attorney
15151 East Alameda Parkway
Aurora, Colorado 80012

Subrecipient
Community Enterprise Development Services
10660 E Colfax Ave
Suite B
Aurora, CO 80010

21. LOBBYING

Subrecipient certifies that no Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the Subrecipient shall complete and submit the Standard Form LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

Subrecipient shall require that the language of this certification be included in the award documents for all sub awards at all tiers including subcontracts, sub grants, and contracts under grants, loans, and cooperative agreements and that all referenced shall certify and disclose accordingly.

22. EQUAL EMPLOYMENT OPPORTUNITY/NONDISCRIMINATION.

Subrecipient shall not discriminate against any employee, applicant for employment, contractor, or subcontractor because of race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. The Subrecipient shall adhere to acceptable affirmative action guidelines in selecting employees and contractors and shall ensure that employees and contractors receive fair treatment during employment or agreement, without regard to their race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.

The Subrecipient shall not discriminate because of race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status in Subrecipient services, activities, accommodations, or facility use. The Subrecipient shall adhere to and assure that employment and activity programming are conducted such that all individuals and groups, clients, participants, and/or employees will be treated equally without regard to their race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status. The Subrecipient understands and agrees that any act of discrimination based upon race, color, religion, sex, national origin, disability, pregnancy, age, bankruptcy or bad debts, genetic information, or veteran status may jeopardize grant funding to the Subrecipient and may be subject to loss of funding, reimbursement of funds allocated, or denial of future funds.

23. SIGNATURES

The persons signing this Agreement on behalf of Subrecipient represent and warrant that such persons and Subrecipient have the requisite power and authority to enter, execute and deliver this Agreement and that this Agreement is a valid and legally binding obligation of Subrecipient enforceable against Subrecipient in accordance with its terms.

IN WITNESS, WHEREOF, the Subrecipient and the City have executed this Agreement as of the date first above written and under the laws of the State of Colorado.

CITY OF AURORA, COLORADO

JAMES M. TWOMBLY,
City Manager

SCOPE OF SERVICES

A. Principal Tasks

Title of project/program

Office and Training Room Buildout

Description of project/program

CEDS Finance recently moved into a new office space on East Colfax. One of the most exciting elements of the new office is the amount of space available. There is a very large area to use as a conference room and another adjacent area that will be furnished as a training space for entrepreneurs to learn business skills necessary to become loan ready and help them grow their businesses. Ideally, this space could hold up to 50 people for a training session, and the conference room holds an additional 15 people. Opening these adjacent spaces together allows CEDS Finance to host events accommodating more than 100 community members and business owners. While CEDS Finance will use this space for its own work, it welcomes community partners and organizations to use the space free of charge for their own training and meeting needs. However, the space requires meaningful reconfigurations. The conference room lacks walls, which is necessary for confidentiality and to allow for both the adjacent training space and conference room to be in use at the same time. Permanent walls, however, would limit the use of the space. To create a multipurpose space, sliding-glass, partition walls need to be installed on three sides of the conference room. This will adequately separate it from the training center and office area. Additionally, a door will need to be created in the back of the training room so that people can more easily access the bathrooms. At present they must walk through the entire office, basically

making an entire circle to reach it. This is not sustainable for 30+ trainees during regular business hours. CEDS Finance will soon require additional workspaces for three more staff members, as it grows to keep up with small-business growth in Aurora. The space directly next to the conference-room area has been identified for these new offices. CEDS Finance does not currently have a kitchen. Because this building was one office and now has multiple suites, the CEDS Finance suite currently does not have a sink or dishwasher. Part of building out the new kitchen will require installing a sink and dishwasher where supplies are currently stored because that is where the water access is located. This is essential to daily operations. Part of providing a culturally relevant space that puts clients at ease is providing them with tea, coffee, or water, as they would expect in their home country. To eliminate the impact on the environment and to be more authentic, CEDS Finance uses glasses to provide refreshments and needs a place to wash those dishes. This becomes even more important when we begin hosting 30-person trainings and 15-person meetings in the conference room for entrepreneurs and partners. Because the kitchen is being moved to the supply closet, the supplies will need to move back into the training space. Shelving will be required to properly store everything. Additionally, a door will be required to seal off the storage hallway to keep CEDS Finance supplies separate from supplies used for the training/conference rooms. In the main office space, additional work needs to be done to privatize three office spaces. They are located in the main office location but do not have doors nor ceilings. Conversations in person and on the phone can be heard throughout the entire office, which is not ideal with staff speaking with clients and applicants about sensitive data, including income, social security numbers, etc. CEDS Finance intends to install doors on the three office spaces as well as acoustic ceiling tiles. The ceiling tiles will allow for continued air flow while limiting the sound that goes into and out of those offices. Finally, an additional meeting space will need to be developed to provide more space for client, applicant, and staff meetings next to the Executive Director's office. A three quarter wall needs to be topped with glass and it needs to be enclosed on the final side with a door and furnished.

Describe your project/program timeline and anticipated schedule of completion.

We anticipate that this buildout will be a nine-month project, completed in the first half of 2023. The project has been designed in four phases. Phase 1: The Needs Assessment will be to identify a complete items of items to be procured, from where, and how much; as well as work to be completed. CEDS Finance is currently in this phase of the project. Phase 2: Once the needs are clearly identified, contractors are selected in the Procurement phase. CEDS Finance will follow its documented procurement guidelines to select the final vendors. Phase 3: Contractors will complete their work in the Build Out stage. Careful oversight and time management will be important to ensure work is completed within the project window. Phase 4: The final stage, Implementation, will ensure the office is ready to welcome new staff and new clients in the office.

How will you measure the success and impact of this program or project?

The ultimate success of this project shall be measured by deployment of small business loans and stronger business skills possessed and demonstrated by our clients. While access to capital and TA are both measurements of success, high-quality TA contributes to greater small business loan deployment. The single biggest factor contributing to higher deployment is the number of underwriters. The more underwriters, the more capital can be invested into the community. More underwriters, requires more office space, specifically space to serve clients comfortably, confidentiality, and in a culturally respectful manner. Specific metrics that will be used to measure the success and impact of the program will be the following: Number and dollars of loans

deployed Number and dollars of loans deployed per underwriter Number of people served in our office Number of training attendees Number of business owners receiving TA at our office Number of partner and community organizations using our office Number of people partner organizations serve and interact with while using our office

B. Approved Budget

The **approved budget** during the term of this agreement is attached at this link: [Link to Project Budget \(https://arpaauroracityco.powerappsportals.com/entity/annotation/2ef47b51-9004-ed11-82e4-002248087522/e0d9f813-8f04-ed11-82e4-002248087522\)](https://arpaauroracityco.powerappsportals.com/entity/annotation/2ef47b51-9004-ed11-82e4-002248087522/e0d9f813-8f04-ed11-82e4-002248087522).

Changes in the scope of services, budget, or method of compensation contained in this Agreement, unless otherwise noted, may only be made through a written amendment to this Agreement, executed by the Subrecipient and the City.

C. Performance Monitoring

The City and its consultants will monitor the performance of the Subrecipient according to the Principal Tasks and Budget set forth herein. Subrecipient shall fully cooperate with the City in relation to training and education on requirements and attending training sessions as well as monitoring, evaluation, and audits. Substandard performance shall mean non-compliance with this Agreement. If actions to correct such substandard performance are not taken by the Subrecipient within a reasonable period of time after being so notified by the City, contract suspension or termination procedures may be initiated, in the sole discretion of the City.

EXHIBIT B

COMPLIANCE PROVISIONS INCORPORATED IN THE SUBRECIPIENT AGREEMENT

1. An accounting system using the accrual basis of generally accepted accounting principles which accurately reflects all costs chargeable (paid and unpaid) to the Project is mandatory. A receipts and disbursements ledger must be maintained. A general ledger with an income and expense account for each budgeted line item is necessary. Paid invoices revealing check number, date paid, and item is necessary. Similarly, cash receipts for the payment of wages is mandatory. Paid invoices revealing check number, date paid, and evidence of goods or services received are to be filed per the expense account they were charged. The City must review and approve your account system and internal controls prior to the release of funds.
2. There is no flexibility on budgets. Line items may be changed only by the City's written concurrence of a budget amendment.
3. Eligible expenses are those considered reasonable and necessary costs for the efficient operation of the Project as determined by the City. All costs must be budgeted items. Request for advance or reimbursements of expenses must be accompanied by:
 1. Original invoice marked with funding source
 2. Detailed listing of each expense showing:
 - a. recipient
 - b. brief description of purchase
 - c. amount with method of computation detailed
 - d. how expense meets program goal per approved proposal

Cost Summary must be submitted monthly to reflect entries through the closing date for the books (indicate Closing Date on Cost Summary).

4. The City shall not be obligated to any third-party contractors of the Subrecipient. The subrecipient is further cautioned against obligating funds beyond the contract date of the agreement between the City and the Subrecipient.
5. The Subrecipient will furnish the City such statements, records, data and information, and permit such interviews with personnel as the City may request to effectively monitor and evaluate the project.
6. City auditors will periodically make interim audits and may, upon completion of the Project, make a final audit.
7. All records must be retained by the Subrecipient for a period of three years following the last day of the Agreement. (Cost summary reports must reflect actual general ledger balances.)

EXHIBIT C

CERTIFICATIONS

Subrecipient hereby certifies that the grant will be conducted and administered in compliance with:

1. Title VII of the Civil Rights Act of 1964 (Pub. L. 88-352; 42 U.S.C. 2000d, et seq.) and implementing regulations issued at 24 CFR Part 1;
2. Title VIII of the Civil Rights Act of 1968 (Pub. L. 90-284; 42 U.S.C. 3601, et seq.), as amended; and that the subrecipient will administer all programs and activities related to housing and community development in a manner to affirmatively further fair housing;
3. Section 109 of the Housing and Community Development Act of 1974, as amended; and the regulations issued pursuant thereto;
4. Section 3 of the Housing and Urban Development Act of 1968, as amended;
5. Executive Order 11246, as amended by Executive Orders 11375 and 12086, and implementing regulations issued at 41 CFR Chapter 60;
6. Executive Order 11063, as amended by Executive Orders 12259, and implementing regulations at 24 CFR Part 107;
7. Section 504 of the Rehabilitation Act of 1973 (Pub. L. 93-112), as amended, and implementing regulations when published for effect;
8. The Age Discrimination in Employment Act of 1975 (Pub. L. 94-135), as amended, and implementing regulations when published for effect;
9. The Subrecipient, as applicable to a governmental or nongovernmental agency, shall comply with the requirements and standards of 2 CFR Chapter I, and Chapter II, Parts 200, 215, 220, 225 and 230, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards" aka "Super Circular"; and shall comply with applicable sections of 79 FR 75871 "Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments".

10. Executive Order 11988 relating to the evaluation of flood hazards and Executive Order 11288 relating to the prevention, control and abatement of water pollution;
11. The flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (Pub. L. 93-234);
12. The applicable regulations, policies, guidelines and requirements of OMB Circular Nos. A-102, Revised, 24 CFR 85 and Subpart J of 24 CFR 570, A-87, A-110, A-122, A-128 and A-133 as they relate to the acceptance and use of federal funds under this federally-assisted program;
13. The Clean Air Act (42 U.S.C. 7401 et.seq.) as amended; particularly section 176 (c) and (d) [42 U.S.C. 7506 (c) and (d)];
14. The Safe Drinking Water Act of 1974 (42 U.S.C. 201, 300 (f) et.seq., and 21 U.S.C. 349) as amended; particularly section 1424 (e) (42 U.S.C. 300 (h)-303 (e));
15. The Endangered Species Act of 1973 (16 U.S.C. 1531 et. Seq.) as amended; including but not limited to section 7 (16 U.S.C. 1536) thereof;
16. The Reservoir Salvage Act of 1960 916 U.S.C. 469 et.seq.); particularly section 3 (16 U.S.C. 469a-1); as amended by the Archeological and Historical Preservation Act of 1974;
17. Flood Disaster Protection Act of 1973 (42 U.S.C. 4001 et.seq.) as amended; particularly sections 102(a) and 202(a) [42 U.S.C. 4012a(a) and 4106(a)];
18. Executive order 11990, Protection of Wetlands, May 24, 1977 (42 FR 26961 et. Seq.); particularly sections 2 and 5;
19. Lead-Based Paint Poisoning Prevention requirements of 25 CFR Part 35 issued pursuant to the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4821 et.seq.);
20. The National Historic Preservation Act of 1966 (16 U.S.C. 470 et seq.) as amended; particularly section 106 (16 U.S.C. 470f); and
21. Executive Order 11593, Protection and Enhancement of the Cultural Environment, May 13, 1971 (36 FR 8921 et seq.); particularly section 2(c).
22. Construction work financed in whole or in part with federal funds is subject to the prevailing wage requirements of the Davis-Bacon Act (29 CFR, Parts 3 and 5), the Copeland Act (29 CFR Part 3), and the Contract Work Hours and Safety Standards Act (Public Law 91-54, 83 Stat. 96). When a project meets this applicability requirement, the labor standards provision of the HUD 4010 and the Davis Bacon Wage Decision issued for the project will be incorporated into this contract document and shall be incorporated into all construction contracts and subcontracts of any tier thereunder.
23. No ARPA funds may be expended for lobbying purposes and payments from other sources for lobbying must be disclosed (24 CFR Part 87).
 - a. No federally appropriated funds have been or will be paid, by or on behalf of subrecipient, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.

- b. If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, 14 a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

24. Where asbestos is present in property undergoing rehabilitation, Federal requirements apply regarding worker exposure, abatement procedures and disposal. (CPD-90-44 EPA/OSHA).

EXHIBIT D

INSURANCE REQUIREMENTS

During the term of this Agreement and until final acceptance by the City of all work covered by the Agreement, Subrecipient performing services under this Agreement shall provide, pay for and maintain in full force and effect the types and minimum limits of insurance, as indicated below, covering the Subrecipient, their employees, subcontractors or representatives, along with: the activities of any and all subcontractors retained by the Subrecipient or Subcontractors, the activities of anyone employed by any Subrecipient, Subcontractors, their representatives or anyone for whose acts they may be liable.

Commercial General Liability Insurance. Subrecipient shall maintain commercial general liability insurance covering all operations by or on behalf of Subrecipient on a per occurrence basis against claims for personal injury (including bodily injury and death) and property damage (including loss of use). Coverage will include, if appropriate for the scope of services: Products and Completed Operations, Contractual Liability and a Waiver of Subrogation. The City, its elected and appointed officials, employees, agents and representatives shall be named as Additional Insureds by endorsement.

Minimum limits:

\$1,000,000 each occurrence

\$2,000,000 general aggregate

\$2,000,000 products and completed

Commercial Automobile Liability Insurance. Subrecipient shall maintain business automobile liability covering liability arising out of the operation of any vehicle (including owned, non-owned and hired vehicles) with minimum limits of \$1,000,000 combined single limit each accident, naming the City as an Additional Insured by endorsement.

Workers' Compensation and Employers Liability Insurance. Subrecipient shall maintain Worker's Compensation Insurance with limits in accordance with the provisions of the Workers' Compensation Act, as amended, by the State of Colorado. Additionally, Subrecipient shall maintain Employers Liability Insurance with minimum limits of \$500,000 bodily injury for each accident, \$100,000 bodily injury by disease each employee and \$500,000 bodily injury disease aggregate. If Subrecipient does not have employees, Subrecipient will provide a written statement indicating that it has no employees and is not subject to the provisions of Colorado Workers' Compensation Act.

If Subrecipient engages services of a subcontractor, Subrecipient is responsible for verifying that the subcontractor's insurance meets the insurance requirements set forth above and that it is in effect prior to and throughout performance of work under this agreement. Any subcontractor who ceases to provide insurance coverage as set forth above must be removed from the project until such time that insurance coverage can be verified as in full force and effect.

Limits of Insurance. The total limits of general and excess liability insurance set forth above may be provided to the City using a combination of primary and excess liability insurance.

Additional Insured and Waiver of Subrogation. Subrecipient shall name the City of Aurora, its elected and appointed officials, employees, agents and representatives as additional insureds by endorsement and provide a waiver of subrogation for the Commercial General Liability and Auto Liability insurance policies. The certificate of insurance will include these specific requirements along with a copy of the relevant endorsements.

Certificates of Insurance. Upon the execution of this Agreement, Subrecipient shall provide certificates of insurance to the City demonstrating that at the minimum coverages required herein are in effect. Subrecipient agrees that the required coverages will not be reduced, canceled, non-renewed or materially changed without Thirty (30) days prior written notice to the City. All certificates of insurance must be kept in force throughout the duration of the services. If any of Subrecipient's or its subcontractor's coverage is renewed at any time prior to completion of the services, Subrecipient shall be responsible for obtaining updated insurance certificates for itself and such subcontractor from the respective insurance carriers and forwarding the replacement certificates to the City within five (5) days of the expiration date of any previously delivered certificate.

The minimum A.M. Best rating of each primary insurer shall be A- VIII and the minimum A.M. Best rating of each excess insurer shall be A- VII. The Subrecipient shall provide copies of insurance policies to the City Risk Manager upon request.

Any of the minimum limits of insurance set out herein may be raised or lowered at the sole discretion of the Risk Manager for the City in response to the particular circumstances giving rise to the contract. Subrecipient's policy will be primary and non-contributory with respect to any and all insurance policies purchased by the City.

In the event that the contract involves professional or consulting services, in addition to the aforementioned insurance requirements, the contract shall also be protected by a Professional Liability Insurance policy as set forth below:

Professional Liability Insurance. Subrecipient shall maintain professional liability insurance with minimum limits of One Million Dollars (\$1,000,000), covering those claims which arise out of the negligent acts or omissions of the Subrecipient, its Subcontractor and any other parties for whom it may be liable including without limitation, bodily injury, personal injury, property damage and including a contractual liability endorsement specifically applicable to the insurable indemnity obligations set forth herein which Professional Liability Insurance shall be carried on a claims-made basis maintained in full force and effect for the term of this Agreement and, to the extent possible, for a minimum period of Three (3) years after the completion of any and all of Subrecipient's Services hereunder. Any retroactive date or prior acts exclusion to which such coverage is subject shall pre-date both the date upon which any services hereunder are commenced and the date of this Agreement. In the event that coverage is renewed during the original term of any subsequent term of this agreement, endorsement(s) for the new policy(ies) shall be delivered within ten (10) days of the expiration date of any previously delivered certificate.

HISTORY (Dates reviewed by City council, Policy Committees, Boards and Commissions, or Staff. Summarize pertinent comments. ATTACH MINUTES OF COUNCIL MEETINGS, POLICY COMMITTEES AND BOARDS AND COMMISSIONS.)

The 2022 award to Innovest Portfolio Solutions LLC for consulting services associated with the City's 457 Deferred Compensation Plan and the 401(a) Executive Money Purchase Plan in the amount of \$64,500 was approved by City Council on November 22, 2021.

ITEM SUMMARY (Brief description of item, discussion, key points, recommendations, etc.)

The Finance Department is requesting approval to award a single source contract for consulting services associated with the City's 457 Deferred Compensation Plan and 401(a) Executive Money Purchase Plan. Innovest was selected as the result of an open solicitation process conducted in 2013 (R-1614) to complete a fiduciary review of the City's 457 Deferred Compensation Plan. In addition, they assisted the City in creating by-laws for the Board of Directors, developing a work plan to manage the 457 Plan due diligence process, and consolidating to one provider.

Based on their previous work, Innovest has a thorough knowledge and understanding of the City's 457 Plan. And by designing a similar investment menu structure for the 401(a) Plan, Innovest can utilize a similar due diligence and monitoring framework for the two plans. In 2019, consulting services for the 401(a) Plan were added to the Innovest contract as efficiencies were gained by having the same consultant provide services for both plans.

For 2023, Innovest proposes an increase in the fee by \$3,250 for a total fee of \$67,750.00 to account for 5% CPI increase; the proposed fee is considered fair and reasonable.

QUESTIONS FOR COUNCIL

Does council approve the single source award to Innovest Portfolio Solutions LLC in the amount of \$67,750.00 for consulting services associated with the City's 457 Deferred Compensation Plan and 401(a) Executive Money Purchase Plan through December 31, 2023?

LEGAL COMMENTS

The Finance Department is authorized to procure agreements with experts in financial areas related to debt issuance, investment management, and cash management, including but not limited to underwriters, investment advisors, financial consultants, trustees, safekeeping and other services not covered by the city's depository agreement, bond-paying agents, registrar services, and POS/OS printing. Agreements of at least \$50,000.00 but less than \$2,000,000.00 which were not subject to any open, public, solicitation process, as well as the renewal or extension of those contracts, shall be authorized by city council. City Code Section 2-672(3)(b) & Section 2-674-2. (Hernandez)

HISTORY *(Dates reviewed by City council, Policy Committees, Boards and Commissions, or Staff. Summarize pertinent comments. ATTACH MINUTES OF COUNCIL MEETINGS, POLICY COMMITTEES AND BOARDS AND COMMISSIONS.)*

The initial award was approved by City Council at the November 19, 2019 City Council meeting, Agenda Item 9k.

The first extension was approved by City Council on the November 16, 2020 City Council meeting, Agenda Item 9g.

The second extension was approved by City Council on the January 10, 2022 City Council meeting, Agenda Item 10c.

ITEM SUMMARY *(Brief description of item, discussion, key points, recommendations, etc.)*

The Finance Department has an ongoing need to provide armored car services to pick-up and deliver monetary items to the bank and various city locations by the next business day. Loomis was awarded the contract for being the top-ranked firm. Staff requested the 2023 pricing from Loomis for this third and final extension year. Loomis is proposing a \$4.50 increase per service trip, and a \$5.00 increase for Off Day Charges. All other charges and terms and conditions will remain the same. The overall price proposed for 2023 is a combined increase of 4.5% over the 2022 pricing.

Given that the Municipal Cost Index reflects an average increase of 9.40% from August 2022, their renewal price is considered to be fair and reasonable. Based on the above, staff recommends extending the contract for the third and final year to Loomis, Aurora, Colorado in the not-to-exceed amount of \$65,000.00.

QUESTIONS FOR COUNCIL

Does City Council approve this second option year extension with Loomis for armored car services in the not-to-exceed amount of \$65,000.00?

LEGAL COMMENTS

Purchase orders or contracts in any amount may be awarded without benefit of formal competitive bidding when a vendor offers to extend an existing contract under the same conditions and at the same or lower price (adjusted for inflation), and such extension is in the best interests of the City (City Code Section 2-674(2), and City Code Section 2-672(a)(4))(Lathers).

PUBLIC FINANCIAL IMPACT

☒ YES ☐ NO

If yes, explain: Funding for this service will come from the 34402-Central Cashiering and 62300 Services -Technical.

PRIVATE FISCAL IMPACT

☒ Not Applicable ☐ Significant ☐ Nominal

If Significant or Nominal, explain: N/A

testing not meeting state requirements. He stated his to bring the American Bully Kennel Club (ABKC) Junior Handler's Program and show to Aurora and that location.

Dena McClung discussed her involvement and experience in public service and how Council Member Richardson helped her and her neighbors mitigate their concerns related to an unsafe intersection in Ward IV. She expressed appreciation to Council Member Richardson for his efforts in that regard and encouraged the remainder of City Council to follow his example and listen to their constituents.

Dick Moore discussed the recent public speakers at City Council meetings, noting most of them did not represent the way he felt about things and that was why he chose to speak. He believed there were a lot of people who thought the way he did and pointed out the unfairness to Council when 30+ people spoke on the same subject when the Council had City business to do. He noted he had strong opinions about certain things such as: the trailer park, which he saw as a free enterprise situation; the half-naked man who spouted negative comments was embarrassing; he agreed with Council Member Gruber's comments from the floor but not that he made them from the floor; and his belief in preservation of the City's law and order. He expressed appreciation to Mayor LeGare for his service to Aurora.

Kristin Mallory expressed her shock at the brazen *Blue Lives Matter* symbolism displayed on the dais especially given the state of turmoil in the City from police violence and protesters regarding Elijah McClain's death. She pointed out that while wearing the t-shirts might be meant to support and honor the work and sacrifices of law enforcement, the symbolism was used by White Supremacist and Neo-Nazis because it co-opted the *Black Lives Matter* movement and repurposed it to shift focus onto law enforcement. She stated the Council's display made it very clear that Elijah McClain and black lives did not matter.

Council Member Richardson stated police officers put their lives on the line every time they put a uniform on, noting those who did not acknowledge that should be happy because the next City Council would be the most anti-police Council the City has had in its history.

Edith Henke spoke in opposition to the sale of mineral rights for the purpose of drilling wells elsewhere that would be drilled horizontally to these minerals and discussed the impact those sales would have on the City of Aurora and its residents and businesses. She asked City Council to rethink the situation and the rush to make a decision, noting the people of Aurora were the Council's employers and not the other way around.

Ellen Woo stated her view of the City of Aurora, noting it was not a *Welcoming* or *All-American City* but was rather a place of hate, discrimination, gentrification, disparity, displacement, and marinization. She discussed the City Council's demonstration of their desire to shut down First Amendment rights; their lack of knowledge regarding red-lining, the 14th Amendment, Deferred Action for Childhood Arrivals (DACA), refugee and immigration rights; and questionable spending. She noted the need for an independent forensic financial audit of GEO and City expenditures and the police department especially as it related to assault.

8. **ADOPTION OF THE AGENDA**

The agenda was adopted as presented.

9. **CONSENT CALENDAR - 9 o General**

Business

- ◆ *The City Charter prescribes the Mayor may vote on resolutions and ordinances only to create or break a tie vote of Council Members present. The Mayor Pro-Tem is always permitted to vote on all items.*

- 10.n. Consideration to AWARD A SINGLE SOURCE Contract to the Aurora Economic Development Council (AEDC), Aurora, Colorado in an amount not to exceed \$550,000 for services to retain, expand, and attract companies and employment within the City of Aurora.

Frank Butz, Project Manager, Planning & Development Services / Christine McKenney, Manager of Client Services

Frank Butz, Project Manager, Planning & Development Services, provided a summary of the item.

Mayor Coffman asked if jobs paying a livable wage could be audited. Mr. Butz stated they complied in that regard.

Council Member Marcano stated he pulled the item out because of the audit results. He asked staff to speak to how far along the City was in the process of following best practices because there were many areas where the City was only slightly complying or not complying at all with leading practices. He expressed concerns related to approving an agreement where best practices were not being followed and meaningful metrics were not being provided. Mr. Butz stated staff had frequent conversations with the AEDC to ensure they were diligently satisfying the audit recommendations. He noted some of those were ongoing and staff had monthly meetings with the AEDC where they discussed these concerns.

Andrea Amonick, Planning & Development Services, stated some of the metrics were based on an annual report AEDC provided that would be reviewed with staff in January and then reported back to Council. She stated staff would be happy to provide a full report once the data was reviewed.

ITEM SUMMARY *(Brief description of item, discussion, key points, recommendations, etc.)*

After extensive research, the Neighborhood Support Division has selected the Dustless Blasting DB800 Mobile XL to assist in their efforts to remove graffiti quickly and effectively. The Dustless Blasting DB800 Mobile XL is a proprietary system for removing graffiti. Currently, a chemical is used to remove graffiti from brick, stone, concrete, and other masonry objects. The chemical process always takes multiple attempts to remove the majority of the graffiti but fails to remove everything from the surface. The use of the proprietary mobile dustless blasting system will allow the Graffiti removal team to remove the graffiti in one attempt while having the option to use a variety of removal medians to best fit each situation. This system uses water to encapsulate the abrasive and coating being removed, which prevents them from becoming airborne and being inhaled. Significant dust reduction increases visibility and reduces accidents. Due to no dust plumes or toxic chemicals, it can be used in areas with strict environmental rules and regulations. Currently, this is the only system available on the market that allows the ability to switch between wet and dry blasting, you can use any abrasive in the Dustless Blasting system, such as non-crystalline silica crushed glass, copper slag, coal slag, sand, garnet, and organics (walnut, corncob, soda, etc.). The use of Dustless Blasting D800 Mobile XL can also be utilized by different city entities to remove graffiti from delicate areas and surfaces.

Staff has confirmed that MMLJ INC is the sole authorized dealer for Mobile Dustless Blasting System. The pricing for the city is the same as charged to any other Municipality. Therefore, it is considered to be fair and reasonable.

Based on the above, staff recommends the award of a sole source contract to MMLJ INC, Houston, Texas in the amount of in the amount of \$68,000.00 for the purchase of a Portable Dustless Blasting System

QUESTIONS FOR COUNCIL

Does Council approve the award of a sole source contract to MMLJ INC, Houston, Texas in the amount of in the amount of \$68,000.00 for the purchase of a Portable Dustless Blasting System?

LEGAL COMMENTS

Purchase orders or contracts in any amount may be awarded without benefit of formal competitive bidding when only one specific source is known to exist for the required supplies or services (sole source), and the Purchasing Manager approves the use of negotiation prior to award (City Code § 2-674(10)). (Lathers)

PUBLIC FINANCIAL IMPACT

☒ YES ☐ NO

If yes, explain: The Portable Dustless Blasting System was budgeted and will be paid from Org 64458 60400

PRIVATE FISCAL IMPACT

☒ Not Applicable ☐ Significant ☐ Nominal

If Significant or Nominal, explain: N/A

The Award of a COMPETETIVELY BID CONTRACT TO Cabot Norit Americas, Inc., Marshall, Texas in the amount of \$295,488.00 for the purchase of granular activated carbon water treatment filter media for the Binney Water Purification Facility Invitation for bid B-4250 was approved by City Council on August 21, 2017, Agenda Item 9d.

The Award of a COMPETETIVELY BID CONTRACT to Calgon Carbon Corporation, Inc., Moon Township, PA, in the amount of \$312,984.00 for the purchase of granular activated carbon water treatment media for the Binney Water Purification Facility, Invitation for Bid B-4515 was approved by City Council on August 3, 2020, Agenda Item 9b.

The Award of a COMPETETIVELY BID Contract to Cabot Norit Americas, INC., Marshall, Texas, in the amount of \$303,696.00 for the Adsorber Granular Activated Carbon Media for the Binney Water Purification Facility, Project No. B-4601, was approved by City Council on July 12, 2021, Agenda Item 8b.

The Award of an EXTENSION TO A COMPETETIVELY BID Contract to Cabot Norit Americas, INC., Marshall, Texas, in the amount of \$405,072.00 for the Adsorber Granular Activated Carbon Replacement at Binney Water Purification Facility, Project No. B-4601, was approved by City Council on October 10, 2022, Agenda Item 10c. (Council Meeting Minutes not available at this time)

ITEM SUMMARY *(Brief description of item, discussion, key points, recommendations, etc.)*

Background

Regular replacement of Granular Activated Carbon (GAC) in the Binney Water Purification Facility (BWPF) Adsorbers are necessary to maintain high water quality of the South Platte treatment train. The adsorbers are the final barrier for numerous micro pollutants including Perfluorinated compounds of emerging concern and are a necessary treatment step on the South Platte treatment train. The Environmental Protection Agency (EPA) released new Health Advisory Levels (HAL) in June 2022, of per- and polyfluoroalkyl substances (PFAS) that will result in more frequent replacement of GAC than required historically. The current GAC in Adsorber #3 has exceeded the number of bed volumes required to meet EPA HAL to a point of requiring replacement.

Bid Results

Two contractors were pre-qualified under the Invitation for Bid and allowed to submit a bid. Both companies submitted bids as shown below. Both bid amounts were above the Project Manager's estimate due to increased shipping costs related to gas prices, shipping availability, and the recent demand on supply due to the EPA announcing their HAL which has dramatically increased the need for GAC as it is only one of two proven ways to remove PFAS. The supply of GAC is very limited with lead times as long as six to nine months. Because of the above stated reasons, the award is considered to be fair and reasonable.

Bids were received by Purchasing Services on October 11, 2022.

The results of the bid opening were as follows:

Cabot Norit Americas Inc. \$480,240.00

Calgon Carbon Corporation \$499,824.00

Based on the above, staff recommends awarding a COMPETITIVELY BID contract to Cabot Norit Americas, Inc., Marshall Texas, in the amount of \$480,240.00 for the Adsorber GAC Media for the Binney Water Purification Facility, Invitation for Bid B-4667. No Aurora firms submitted bids for this project.

QUESTIONS FOR COUNCIL

Does City Council approve the award of a COMPETITIVELY BID contract to Cabot Norit Americas, Inc., Marshall Texas, in the amount of \$480,240.00 for the Adsorber GAC Media for the Binney Water Purification Facility, Invitation for Bid B-4667?

LEGAL COMMENTS

Awards worth \$50,000 or more require City Council approval if formal competitive bidding has not produced at least three responsive bids (City Code § 2-672(a)(3)(b)). (Lathers)

PUBLIC FINANCIAL IMPACT

☒ YES ☐ NO

If yes, explain: Funding for this contract will be from the Water Fund operating budget in the amount of \$480,240.00.

ORG: 52078 (Binney WPF)

PRIVATE FISCAL IMPACT

☒ Not Applicable ☐ Significant ☐ Nominal

If Significant or Nominal, explain: N/A

Mayor Hogan invited Mr. Jongbin Lee, Chief of the Seongnam City Trade and Exchange Team; Ms. Jihyun "Dana" Jeong, Senior Trade Officer, Seongnam City Trade and Exchange Team; Mr. Yeonwook Jeong, Seongnam City Trade and Exchange Team; Ms. Becky Hogan, Chair of the ASCI Korea Committee; Ms. Jennifer Kim, Korea Committee volunteer; Mr. Peter Lee, Korea Committee volunteer; and Ms. Karlyn Shorb, CEO, Aurora Sister Cities International, to come forward. Mayor Hogan recognized the delegation from Seongman City, South Korea. Each guest expressed appreciation for the proclamation.

Mayor Hogan recognized Boy Scout Troop 267.

7. **PUBLIC INVITED TO BE HEARD (non-agenda related issues only)**

Becky Hogan, Chair of the ASCI Korea Committee, presented hand-crafted traditional items to City Council.

Mayor Pro Tem Lawson accepted on behalf of the City Council.

8. **ADOPTION OF THE AGENDA**

The agenda was adopted as presented.

9. **CONSENT CALENDAR - 9a-j**

General Business

- a. Consideration to AWARD A COMPETITIVELY BID CONTRACT to Layne Inliner, LLC, Kiowa, Colorado in the amount of \$1,135,200.00 for the CMP Rehabilitation Task 3-CIPP, Project No. 5587A. STAFF SOURCE: Steven Fiori, Project Delivery Service Manager, Aurora Water

(B-4259) STAFF SOURCE: Mark Hinterreiter, Manager of Fleet Services, Internal Services

Motion by Roth, second by Richardson, to approve items 9a – 9j with waivers of reconsideration on items 9h and 9i.

Voting Aye: Mayor Hogan, Bergan, Berzins, Lawson, LeGare, Mounier, Peterson, Pierce, Richardson, Roth

10. **RESOLUTIONS**

- a. **R2017-61**
Consideration to APPROVE A RESOLUTION of the City Council of the City of Aurora, Colorado, setting the date of a public hearing on the petition for organization of the Citadel on Colfax Business Improvement District and ordering the publication and mailing of a notice of such hearing. STAFF SOURCE: Gary Sandel, Project Manager, General Management

Motion by Berzins, second by Mounier, to approve item 10a.

AMENDMENT I

Motion by Richardson, second by Bergan, to amend item 10a to provide that the time of the public hearing on September 11, 2017 shall be as designated by the Mayor; the City Attorney shall be tasked with the responsibility to insert the designated time in the notice provided for in the hearing.

Voting Aye: Bergan, Berzins, Lawson, LeGare, Mounier, Peterson, Pierce, Richardson, Roth

- b. **R2017-62**
Consideration to APPROVE A RESOLUTION of the City Council of the City of Aurora, Colorado, setting the date of a public hearing on the petition for organization of the Painted Prairie Business Improvement District Number One and ordering the publication and mailing of a notice of such hearing. STAFF SOURCE: Jacob Cox, Project Manager, General Management

Motion by Roth, second by Lawson, to approve item 10b.

Motion by Gruber, second by Bergan, to approve the minutes of the meeting of July 20, 2020, as amended.

Voting Aye: Mayor Coffman, Bergan, Berzins, Coombs, Gardner, Gruber, Hiltz, Johnston, Lawson, Marcano, Murillo

6. CEREMONY

Recognition of City Clerk Steve Ruger

Mayor Coffman and City Council recognized and expressed appreciation to City Clerk Steve Ruger for his service to the City of Aurora. Mr. Ruger thanked City Council for their kind comments. He stated it had been a pleasure to work at the City of Aurora and that he would miss it.

7. PUBLIC INVITED TO BE HEARD (non-agenda related issues only)

Mayor Coffman asked if there were any objections to moving the public comment to the end of the meeting. He recognized six council members in opposition to the item.

Stephen Ruger, City Clerk, and City staff read and played voicemail public comments submitted to publiccomment@auroragov.org into the record up to the first three minutes and attached the comments to the minutes and also emailed them to Council.

8. ADOPTION OF THE AGENDA

Motion by Johnston, to amend the agenda by moving item 10a to precede item 8a.

Mayor Coffman asked City Council if there were any objections and upon hearing none, noted the agenda was adopted as amended.

Motion by Johnston to adopt the amended agenda.

Mayor Coffman asked City Council if there were any objections and upon hearing none, noted the agenda was adopted as amended.

- ♦ a. Consideration of a Resolution to Suspend Certain Council Rules
Staff Source: Stephen Ruger, City Clerk, General Management/Isabelle Evans, Assistant City Attorney II

Motion by Coombs, second by Bergan, to approve item 8a.

Voting Aye: Mayor Coffman, Bergan, Berzins, Coombs, Gardner, Gruber, Hiltz, Johnston, Lawson, Marcano, Murillo

9. CONSENT CALENDAR

General Business

- a. Consideration to AWARD A SINGLE SOURCE CONTRACT to Liberty Industrial Group, Colorado Springs, Colorado in the amount of \$78,784.00 for the rehabilitation of one sodium hydroxide chemical storage tank.
Presenter: Elizabeth Carter, Principal Engineer, Aurora Water/David Lathers, Senior Asst City Attorney

- b. Consideration to AWARD A COMPETITIVELY BID CONTRACT to Calgon Carbon Corporation in the amount of \$312,984.00 for the purchase of granular activated

- ♦ *The City Charter prescribes the Mayor may vote on resolutions and ordinances only to create or break a tie vote of Council Members present. The Mayor Pro-Tem is always permitted to vote on all items.*

carbon water treatment media for the Binney Water Purification Facility, Invitation for Bid B-4515.

Presenter: Bobby Oligo, Manager of Water Treatment, Aurora Water/David Lathers, Senior Asst City Attorney

- c. Consideration to AWARD A SINGLE SOURCE CONTRACT to HDR Engineering, Inc., Denver, Colorado in the amount of \$1,489,043.75 for Design-Build Procurement and Program Management Consulting Services for the I-70/Picadilly Interchange Project.

Presenter: Matthew Kozakowski, Transportation Project Delivery Manager/
Michelle Gardner, Senior Asst City Attorney

- d. Consideration to EXTEND A COMPETITIVELY BID CONTRACT with W.L. Contractors, Inc., Arvada, Colorado in the amount of \$1,697,552.00 for the 2020 Traffic Signal Construction Services Project, Project No. 19015.

Presenter: Carlie Campuzano, Traffic Manager, Public Works/David Lathers, Senior Asst City Attorney

Motion by Bergan, second by Gardner, to approve items 9a – 9d.

Voting Aye: Mayor Coffman, Bergan, Berzins, Coombs, Gardner, Gruber, Hiltz, Johnston, Lawson, Marciano, Murillo

- e. Consideration to AWARD A COMPETITIVELY BID CONTRACT to Peak 360 Services, Inc, Aurora, Colorado in the amount of \$483,802.00 for the Spinney Caretaker House Number Two Project, Project No. 5782A.

Presenter: John Clark, Principal Engineer, Aurora Water/David Lathers, Senior Asst City Attorney

Motion by Coombs, second by Marciano, to approve item 9e.

Council Member Coombs requested staff provide a presentation for the benefit of the public.

Marshall Brown, Director, Aurora Water, did so.

Voting Aye: Mayor Coffman, Bergan, Berzins, Coombs, Gardner, Gruber, Hiltz, Johnston, Lawson, Marciano, Murillo

10. **RESOLUTIONS**

- ♦ a. **R2020-65** Consideration to APPROVE A RESOLUTION by the City Council of the City of Aurora, Colorado, to Amend certain Council Rules.
Presenter: Stephen Ruger, City Clerk, General Management/Nancy Rodgers, Deputy City Attorney
Sponsor: Council Member Gardner

Motion by Gardner, second by Hiltz, to approve item 10a.

Mayor Pro Tem Johnston provided an overview of the item, noting the reason she requested the item precede item 8a was because it was a friendly amendment offered by Council Member Gardner to Council Member Hiltz's resolution that would accommodate family issues.

Mayor Coffman stated his understanding that the approval of item 10a would negate the hearing of item 8a.

Mayor Pro Tem Johnston stated her intention was to make a motion to remove item 8a from the agenda should item 10a be approved.

- ♦ *The City Charter prescribes the Mayor may vote on resolutions and ordinances only to create or break a tie vote of Council Members present. The Mayor Pro-Tem is always permitted to vote on all items.*

Mayor Coffman directed one of the speakers who spoke about the Homelessness Pilot program to visit auroragov.org and noted he and the Council would be providing further information as the metrics were not established at this time.

Council Member Murillo suggested staff connect with the speaker as she appeared to have input on the process thereby alleviating Council as the middle person.

Mayor Coffman stated it was Council's job to interface with constituents and he agreed to do so in this regard. He asked staff to provide him with the speaker's contact information.

Council Member Coombs requested staff provide Council with the information requested by the speaker as well.

Mayor Coffman concurred.

7. **ADOPTION OF THE AGENDA**

Motion by Gruber, second by Berzins, to adopt the agenda as presented.

Voting Aye: Mayor Coffman, Bergan, Berzins, Coombs, Gardner, Gruber, Hiltz, Lawson, Marcano, Murillo

8. **CONSENT CALENDAR**

This portion of the agenda is a meeting management tool to allow the City Council to handle several routine items with one action. Any member of the Council may request an item to be removed from the Consent Calendar and considered separately. Any item removed will be considered immediately following the adoption of the remainder of the Consent Calendar.

- 8.a. Consideration to AWARD A SINGLE SOURCE CONTRACT to Colorado Barricade Company, Denver, Colorado in the not-to-exceed amount of \$55,00.00 for rental of barricade equipment as required through July 31, 2022.

Mike Mills – Manager of Water Operations & Maintenance / Ian Best, Assistant City Attorney

- 8.b. Consideration to AWARD A COMPETITIVELY BID CONTRACT to Cabot Norit Americas, Inc., Marshall, Texas, in the amount of \$303,696.00 for the Adsorber Granular Activated Carbon Media for the Binney Water Purification Facility, Invitation for Bid B-4601.

Bobby Oligo, Manager of Water Treatment, Aurora Water / Ian Best, Assistant City Attorney

- 8.c. Consideration to AWARD A SINGLE SOURCE CONTRACT to McCandless Truck Center, Aurora, Colorado in the not-to-exceed amount of \$220,000.00 for the purchase of International original equipment manufacturer (OEM) repair parts as required through July 31, 2022.

Ronnie Forrest - Fleet Manager - Public Works / Ian Best, Assistant City Attorney

Motion by Bergan, second by Marcano, to approve items 8a – 8c.

Voting Aye: Mayor Coffman, Bergan, Berzins, Coombs, Gardner, Gruber, Hiltz, Lawson, Marcano, Murillo

Mayor Coffman called for a brief recess to allow staff to provide public call-in instructions.

9. **RESOLUTIONS**

- 9.a. A Resolution of the City Council Approving the Iliff Station Replacement Artwork

R2021-68 A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF AURORA, COLORADO, EXPRESSING THE AURORA CITY COUNCIL'S APPROVAL OF THE ILIFF STATION REPLACEMENT ARTWORK

Roberta Bloom, Program Supervisor Library & Cultural Services / Tim Joyce, Assistant City Attorney

Roberta Bloom, Program Supervisor Library & Cultural Services, provided a brief summary of the item.

Motion by Marcano, second by Coombs, to approve item 9a.

Voting Aye: Bergan, Berzins, Coombs, Gardner, Gruber, Hiltz, Lawson, Marcano, Murillo

- 9.b. Drainage and Flood Control Improvements for Westerly Creek and Easterly Creek at 11th Avenue and Havana

R2021-69 Consideration to APPROVE A RESOLUTION of the City Council of the City of Aurora, Colorado, of the First Amendment to an Intergovernmental Agreement between the City of Aurora Colorado acting by and through its Utility Enterprise and the Urban Drainage and Flood Control District, d/b/a Mile High Flood District, regarding the design and construction of drainage and flood control improvements for Westerly Creek – Easterly Creek at 11th Avenue and Havana.

Sarah Young, Deputy Director of Planning and Engineering, Aurora Water / Ian Best, Assistant City Attorney

CITY OF AURORA

Council Agenda Commentary

Item Title: Consideration to AWARD A COMPETITIVELY BID CONTRACT to American Civil Constructors, Inc., Littleton CO in the Amount of \$8,443,892.50 for the High Line Canal Trail Improvements; Project 5890A.

Item Initiator: Kristin Chewiwi – Procurement Supervisor

Staff Source/Legal Source: Matt Kozakowski – Transportation Project Delivery Manager / David Lathers – Senior Assistant City Attorney

Outside Speaker: N/A

Council Goal: 2012: 3.2--Reduce travel time and reduce congestion and provide expanded multi-modal mobility choices

COUNCIL MEETING DATES:

Study Session: N/A

Regular Meeting: 11/14/2022

ITEM DETAILS:

Waiver of Reconsideration is requested to accommodate completion of the award process prior to the expiration of construction bids. This project is a DRCOG TIP project and required multiple CDOT approvals before this award could be brought forward for Council's consideration resulting in a compressed award schedule.

HISTORY (Dates reviewed by City council, Policy Committees, Boards and Commissions, or Staff. Summarize pertinent comments. ATTACH MINUTES OF COUNCIL MEETINGS, POLICY COMMITTEES AND BOARDS AND COMMISSIONS.)

At the July 12, 2017 meeting of the TAPS policy committee, City Staff briefed the Committee on DRCOG exploring the development of a Dual Model Project Selection process for the upcoming 2020-2023 Transportation Improvement Project (TIP) cycle.

At the April 11, 2018 meeting of the TAPS policy committee, more information was provided on the process. Specifically, that the 2020-2023 TIP cycle would include Regional and Sub-regional Share Projects. Sub-regional County Forums would be responsible for soliciting, selecting, recommending and submitting a list of projects to the DRCOG Board.

At the January 16, 2019 meeting of the TAPS policy committee, an update was provided that IGAs with Adams and Arapahoe Counties had been executed by the City for the Sub-regional Forum TIP Selection Process. The call for projects had been completed and a total of eight projects totaling approximately \$32M had been selected, including the High Line Canal Trail.

At the January 29, 2021 meeting of the TAPS policy committee, the committee recommended moving this item forward to the next available Study Session.

At the March 8, 2021 Regular Meeting, City Council voted to approve the Resolution for the IGA between Aurora and Colorado Department of Transportation for Funding of the High Line Canal Trail Project.

At the September 26, 2022 Regular Meeting, City Council voted to approve the Resolution for the IGA between Aurora and Colorado Department of Transportation regarding maintenance responsibilities for the High Line Canal: East Colfax to I-70 Project.

ITEM SUMMARY (Brief description of item, discussion, key points, recommendations, etc.)

The High Line Canal Trail Improvements – Colfax Ave. to I-70 project will construct nearly two miles of multi-use trail to close the gap between Colfax Avenue and recent sidewalk improvements constructed north of I-70. Major project features include a new trail overpass to cross I-70 east of Tower Road and a new pedestrian bridge over the High Line Canal south of Smith Road. An enhanced at-grade railroad crossing north of Smith Road will benefit cyclists and pedestrians.

Construction is expected to be completed within two hundred seventy (270) working days from issuance of Notice to Proceed to Substantial Completion.

An Invitation for Bid (IFB) was publicly advertised through the Rocky Mountain E-Purchasing System (BidNet) on July 8, 2022. Bids were opened by Purchasing Services on August 25, 2022. Five (5) bids were received and the results are as follows:

Name of Bidder	Base Bid
American Civil Constructors, Inc.	\$8,443,892.50
Zak Dirt, Inc.	\$8,922,785.20
ABCO Contracting, Inc.	\$9,547,263.00
Structures, Inc.	\$9,753,632.37
ECI Site Construction Management, Inc.	\$9,980,548.50

No Aurora firms submitted bids.

The estimated cost for this project prior to solicitation was \$5,600,000.00 to \$7,100,000.00. Upon receipt of the bids, the unit pricing was analyzed and compared not only to the bids on this contract, but on other recent transportation bids. The construction pricing escalation observed is consistent with recent trends. Therefore, the price from American Civil Constructors **is considered to be fair and reasonable when compared to the engineer's estimate.**

Council approval is required on all awards of \$2,000,000.00 or more.

Bid acceptance period expires on November 23, 2022.

Based on the above, staff and CDOT recommends awarding a competitive bid contract to American Civil Constructors, Inc. in the amount of \$8,443,892.50 for the High Line Canal Trail Improvements; Project 5890A.

QUESTIONS FOR COUNCIL

Does City Council approve the award of a COMPETITIVELY BID CONTRACT to American Civil Constructors, Littleton, Colorado in the amount of \$8,443,892.50 for the High Line Canal Trail Improvements; Project 5890A?

LEGAL COMMENTS

Contracts for the purchase of supplies, services, and construction shall be awarded to the lowest responsive bidder or most advantageous proposal as specified by project in the request for proposal for each project except as otherwise provided in this article (City Code § 2-671). Every award of a purchase order or contract worth \$2,000,000.00 or more requires City Council approval (City Code § 2-672(5)). (Lathers)

A Motion to Approve shall include a Waiver of Reconsideration.

PUBLIC FINANCIAL IMPACT

☒ YES ☐ NO

If yes, explain: This procurement is to be funded from a combination of Federal Grant and City funding from the following ORGs and ACCTs:

62982 (DRCOG Subregional TIP Grant) / 68410 (CIP-Construction Costs):	\$3,544,267.00

MINUTES

Regular Meeting of the Aurora City Council

Monday, September 26, 2022

1. **RECONVENE REGULAR MEETING OF SEPTEMBER 26, 2022, AND CALL TO ORDER**

Mayor Coffman reconvened the regular meeting of the City Council for September 26, 2022, at 6:30 p.m.

2. **ROLL CALL**– Kadee Rodriguez, City Clerk

COUNCIL MEMBERS PRESENT: Mayor Coffman, Bergan, Coombs, Gardner, Jurinsky, Lawson, Marciano, Medina, Murillo, Sundberg, Zvonek

Public call-in instructions were provided in both English and Spanish.

3. **INVOCATION/MOMENT OF SILENCE**– Mike Coffman, Mayor

Mayor Coffman led the prayer for the September 26, 2022 Regular Meeting.

4. **PLEDGE OF ALLEGIANCE** (all standing)

5. **EXECUTIVE SESSION UPDATE**

Mayor Coffman stated that during the executive session, council discussed negotiations for an incentive agreement.

6. **APPROVAL OF MINUTES**

6.a. **September 12, 2022, Meeting Minutes**

Motion by Bergan, second by Sundberg, to approve the minutes of the September 12, 2022 meeting as presented.

Voting Aye: Mayor Coffman, Bergan, Coombs, Gardner, Jurinsky, Lawson, Marciano, Medina, Sundberg, Zvonek

Abstain: Murillo

7. **PROCLAMATIONS OR CEREMONIES**

8. **PUBLIC INVITED TO BE HEARD**

- 10.d. **Consideration to AWARD CHANGE ORDER NO. 2 to a competitively bid contract to Saunders Construction, Englewood, Colorado in the amount of \$825,000 for Work Package 3 of the Southeast Aurora Maintenance (SEAM) Facility, Project R-5661A**

Staff requests a waiver of reconsideration in order to have the renewal purchase order delivered to Accela prior to current license and maintenance expiration date of September 29, 2022.

Scott Newman, Chief Information Officer, Information Technology / Dave Lathers, Senior Assistant City Attorney

- 10.e. **Veterans Service Officer Position Intergovernmental Agreement**

Hannah Smith, Intergovernmental Relations Manager / Hanosky Hernandez Perez, Senior Assistant City Attorney

Motion by Bergan, second by Coombs to approve the consent calendar items 10a through 10e.

Voting Aye: Mayor Coffman, Bergan, Coombs, Gardner, Jurinsky, Lawson, Marciano, Medina, Murillo, Sundberg, Zvonek

11. **RESOLUTIONS**

- 11.a. **Parker Road Multimodal Study**

R2022-172 A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF AURORA, COLORADO, APPROVING THE INTERGOVERNMENTAL AGREEMENT BETWEEN THE CITY OF AURORA AND THE BOARD OF COUNTY COMMISSIONERS OF THE COUNTY OF ARAPAHOE, STATE OF COLORADO FOR THE PARKER ROAD MULTIMODAL STUDY

Victor Rachael, Deputy Director of Public Works / Michelle Gardner, Senior Assistant City Attorney

Victor Rachael, Deputy Director of Public Works, provided a summary of the item.

Motion by Marciano, second by Sundberg to approve item 11a.

Voting Aye: Bergan, Coombs, Gardner, Jurinsky, Lawson, Marciano, Medina, Murillo, Sundberg, Zvonek

- 11.b. **High Line Canal Transportation Improvement Project (TIP) Maintenance IGA w CDOT**

R2022-173 A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF AURORA, COLORADO, APPROVING THE INTERGOVERNMENTAL AGREEMENT BETWEEN THE

CITY OF AURORA AND THE COLORADO DEPARTMENT OF TRANSPORTATION (CDOT)
REGARDING MAINTENANCE RESPONSIBILITIES FOR THE HIGH LINE CANAL TRAIL
(EAST COLFAX TO I-70) PROJECT

Staff is requesting a waiver of reconsideration. This IGA is for a DRCOG TIP Grant project which has CDOT oversight. Due to grant program time constraints, the IGA was developed concurrent with construction solicitation. The requested Waiver of Reconsideration will allow for the final execution of the IGA prior to submission of Concurrence to Award to CDOT. Approval of both items is necessary to allow construction award prior to bid expiration.

Matt Kozakowski, Transportation Project Delivery Manager / Michelle Gardner, Senior Assistant City Attorney

Matt Kozakowski, Transportation Project Delivery Manager, provided a summary of the item.

Mayor Pro Tem Bergan asked if the bids were due on August 12th. M. Kozakowski explained that the bids are currently in and the funding IGA for the project is already in place. He clarified that this IGA is for establishing maintenance responsibilities.

Motion by Sundberg, second by Coombs to approve item 11b.

Voting Aye: Bergan, Coombs, Gardner, Jurinsky, Lawson, Marciano, Medina, Murillo, Sundberg, Zvonek

11.c. Mutual Aid Agreement between Aurora Fire Rescue and South Adams County Fire Protection District

R2022-174 A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF AURORA, COLORADO, APPROVING THE INTERGOVERNMENTAL AGREEMENT FOR MUTUAL/AUTOMATIC AID BETWEEN THE CITY OF AURORA, COLORADO AND THE SOUTH ADAMS COUNTY FIRE PROTECTION DISTRICT, COLORADO

Rod Weber, Deputy Chief of Operations, Fire / Angela Garcia, Senior Assistant City Attorney

Allen Robnett, Interim Fire Chief, provided a summary of the item.

Motion by Bergan, second by Zvonek to approve item 11c.

Voting Aye: Bergan, Coombs, Gardner, Jurinsky, Lawson, Marciano, Medina, Murillo, Sundberg, Zvonek

11.d. Intergovernmental Agreement Regarding Funding of Major Drainageway Planning for Four Square Mile Outfall Systems Plan

The openly solicited Master Engineering Services Agreements (MESA-VI) was awarded to fifty-five (55) firms in various amounts as noted in the Commentary, for providing task order engineering services over a three-year period, RFP NO. 1895 was approved by City Council on August 27, 2018, Agenda Item 9a. Task Order Number One was awarded to HDR Engineering, Denver, Colorado, for the First Creek Interceptor Connection Project in the not-to-exceed amount of \$97,260.00 under the MESA VI program approved by Council as noted.

The award of an amendment to an OPENLY SOLICITED CONTRACT to HDR Engineering, Inc., in the amount of \$13,859.00 for the First Creek Interceptor Connection Project, was reported on the Weekly Report To Council, dated October 25, 2021.

ITEM SUMMARY (*Brief description of item, discussion, key points, recommendations, etc.*)

Background

Currently, flows from the First Creek Sanitary Basin are conveyed to Metro Water Recovery District's (MWRD) Robert W. Hite Treatment Facility in Commerce City, via gravity and pumping. In 2017, MWRD finalized their Regional Master Plan which identified a future Second Creek interceptor to provide service for northeast Aurora (and other surrounding communities) to MWRD's Northern Treatment Plant (NTP) in Brighton. In order for Aurora to benefit from the gravity Second Creek interceptor system, Aurora would need to construct a gravity sewer from the First Creek Sanitary Basin to the Second Creek interceptor.

The new First Creek Interceptor (FCI) system, i.e. Segments 0 through 1E, begins at Aurora's Prologis Lift Station and terminates at the MWRD owned regional Second Creek interceptor (see attached map). The FCI system will provide a gravity solution for wastewater to reach the NTP thereby eliminating Aurora's Prologis Lift Station, First Creek Lift Station, Second Creek Lift Station, and High Point Lift Station and thus reducing long term maintenance and energy costs for the utility. MWRD's Second Creek interceptor is anticipated to be operational in the first quarter of 2024.

FCI segments 0, 0A, 1A, and 1E are already constructed, and Segments 1B, 1C, and 1D were recently awarded for construction. The First Creek Interceptor Connection to Prologis Lift Station Project "Project" (the subject of this council commentary) will construct Segment 0B.

Item Scope

The First Creek Interceptor Connection to Prologis Lift Station Project "Project" will construct FCI Segment 0B to the Prologis Lift Station located off of Smith Road near E-470. The work includes relocation of an existing water line, relocation of Xcel electrical lines, installation of 16-in and 24-in sanitary sewer pipe, installation of 6-ft and 8-ft diameter manholes, sanitary flow bypass pumping, ground water dewatering, surface restoration, protection of existing gas and electric utilities, utility coordination, and traffic control. See the attached map for the project location.

Upon completion of the Project, sanitary flows will still be managed by the Prologis Lift Station until the remaining segments of the FCI are constructed. Once all the FCI segments are constructed plugs can be removed from the FCI Segment 0B manholes directing flows into the completed FCI system and bypass the Prologis Lift Station (future project). Finally, the Prologis Lift Station can be demolished (future project).

It is the City's intent to phase fund this Project with \$500,000 in 2022 as previously approved by City Council. The funding for the 2023 (\$1,894,100) year is subject to the annual appropriation of funds by Council. Pending budget approvals, the funds will be added to the contract at the beginning of the 2023 year by way of change orders which are also subject to Council approval.

Bidder Pre-qualification

Seven (7) pre-qualified general contractors were selected under Statement of Qualifications SOQ-21-5848A for bidding on the construction of the Project. The SOQ asked for detailed responses describing each firm's qualifications. The responses were evaluated based on the following criteria:

- Experience of the Firm with Project Qualifications
- Examples of Past Projects that are Similar in Size and Scope
- Technical Competence of Project Manager

- Technical Competence of Superintendent
- Organization and Completeness

Three (3) of the seven (7) pre-qualified firms submitted bids for this Project.

Bid Results

The following Bids were received on October 20, 2022 for the First Creek Interceptor Connection to Prologis Lift Station project:

Bidder Name	Base Bid	Total Bid
American West Construction LLC	\$ 2,394,100	\$ 2,394,100
KR Swerdfeger Construction, LLC.	\$ 2,525,855	\$ 2,525,855
BT Construction Inc.	\$ 3,205,287	\$ 3,205,287

No local Aurora firms submitted bids for this project.

A total of three bids were received. Each Bid contained a bid bond and acknowledgement of the two addenda that were issued. The Opinion of Probable Construction Cost for the project was \$1,350,000 - \$1,602,000. Base Bid total exceed the allocated budget for this project. Further analysis identified the increase in prices are due to market volatility, and increased pricing for tight shoring, dewatering, pipe material and flow fill. City staff has reviewed and verified American West Construction's bid for the project and considers their overall bid to be fair and reasonable. The bid acceptance period expires December 19, 2022.

Recommendation

Based on the above, staff recommends awarding a competitively bid contract to American West Construction LLC, Denver, CO in the amount of \$2,394,100 for the First Creek Interceptor Connection to Prologis Lift Station, Project No. 5906A. In addition, a 10% contingency (\$239,410) based on the total award amount cited above is requested as there are several utility crossings and therefore a higher risk that unknown field conditions could be encountered. The contingency will be withheld from the contract with American West Construction LLC and accessed only as needed and through a contract amendment.

QUESTIONS FOR COUNCIL

Does City Council approve the award of a COMPETITIVELY BID CONTRACT to American West Construction LLC, Denver, CO in the amount of \$2,394,100 for the First Creek Interceptor Connection to Prologis Lift Station Project, Project No. 5906A with \$500,000 to be funded in 2022?

Corey Thurman & Lamumba Sayers, Heavy Hands Heavy Heart, discussed their program and community center located in Aurora.

Council Member Johnston expressed appreciation to Mr. Thurman and Mr. Sayers for their efforts in the community and asked if they have met with Aurora Public Schools to discuss their outreach. Mr. Sayers answered affirmatively. Council Member Johnston suggested they connect with Kevin Cox, Aurora Public Schools Board of Education member, in that regard.

Mr. Sayers and Mr. Thurman agreed to do so.

Kevin Cox spoke in support of the Providence at the Heights housing development and the Denver Meadows residents.

8. **ADOPTION OF THE AGENDA**

The agenda was adopted as presented with item 10e moved to item 11b as a public hearing.

9. **CONSENT CALENDAR - 9a-i**

General Business

- a. Consideration to AWARD OPENLY SOLICITED CONTRACTS for Master Engineering Services Agreements (MESA VI) to fifty-five (55) firms in various amount as noted in this Commentary, for providing task order engineering services over a three-year period, RFP 1895. STAFF SOURCE: Steven Fiori, Project Delivery Services Manager, Aurora Water
- b. Consideration to AMEND AN OPENLY SOLICITED CONTRACT with Stantec Consulting Services, Inc., Fort Collins, Colorado in the amount of \$295,662.74 to add final design and construction phase engineering services for the Jefferson Lake Repairs Project. STAFF SOURCE: Steven Fiori, Project Delivery Services Manager, Aurora Water

Motion by Roth, second by Berzins, to approve items 9a and 9b.

Voting Aye: Mayor LeGare, Bergan, Berzins, Gruber, Hiltz, Johnston, Lawson, Murillo, Richardson, Roth, Watson

- c. Consideration to AMEND AN OPENLY SOLICITED CONTRACT with RJH Consultants, Inc., Englewood, Colorado in the amount of \$3,760,266.49 to add professional services and geotechnical field services for the Wild Horse Reservoir Project. STAFF SOURCE: Steven Fiori, Project Delivery Services Manager, Aurora Water

Council Member Roth pointed out the \$3.7M was being used to purchase additional design services for additional capacity.

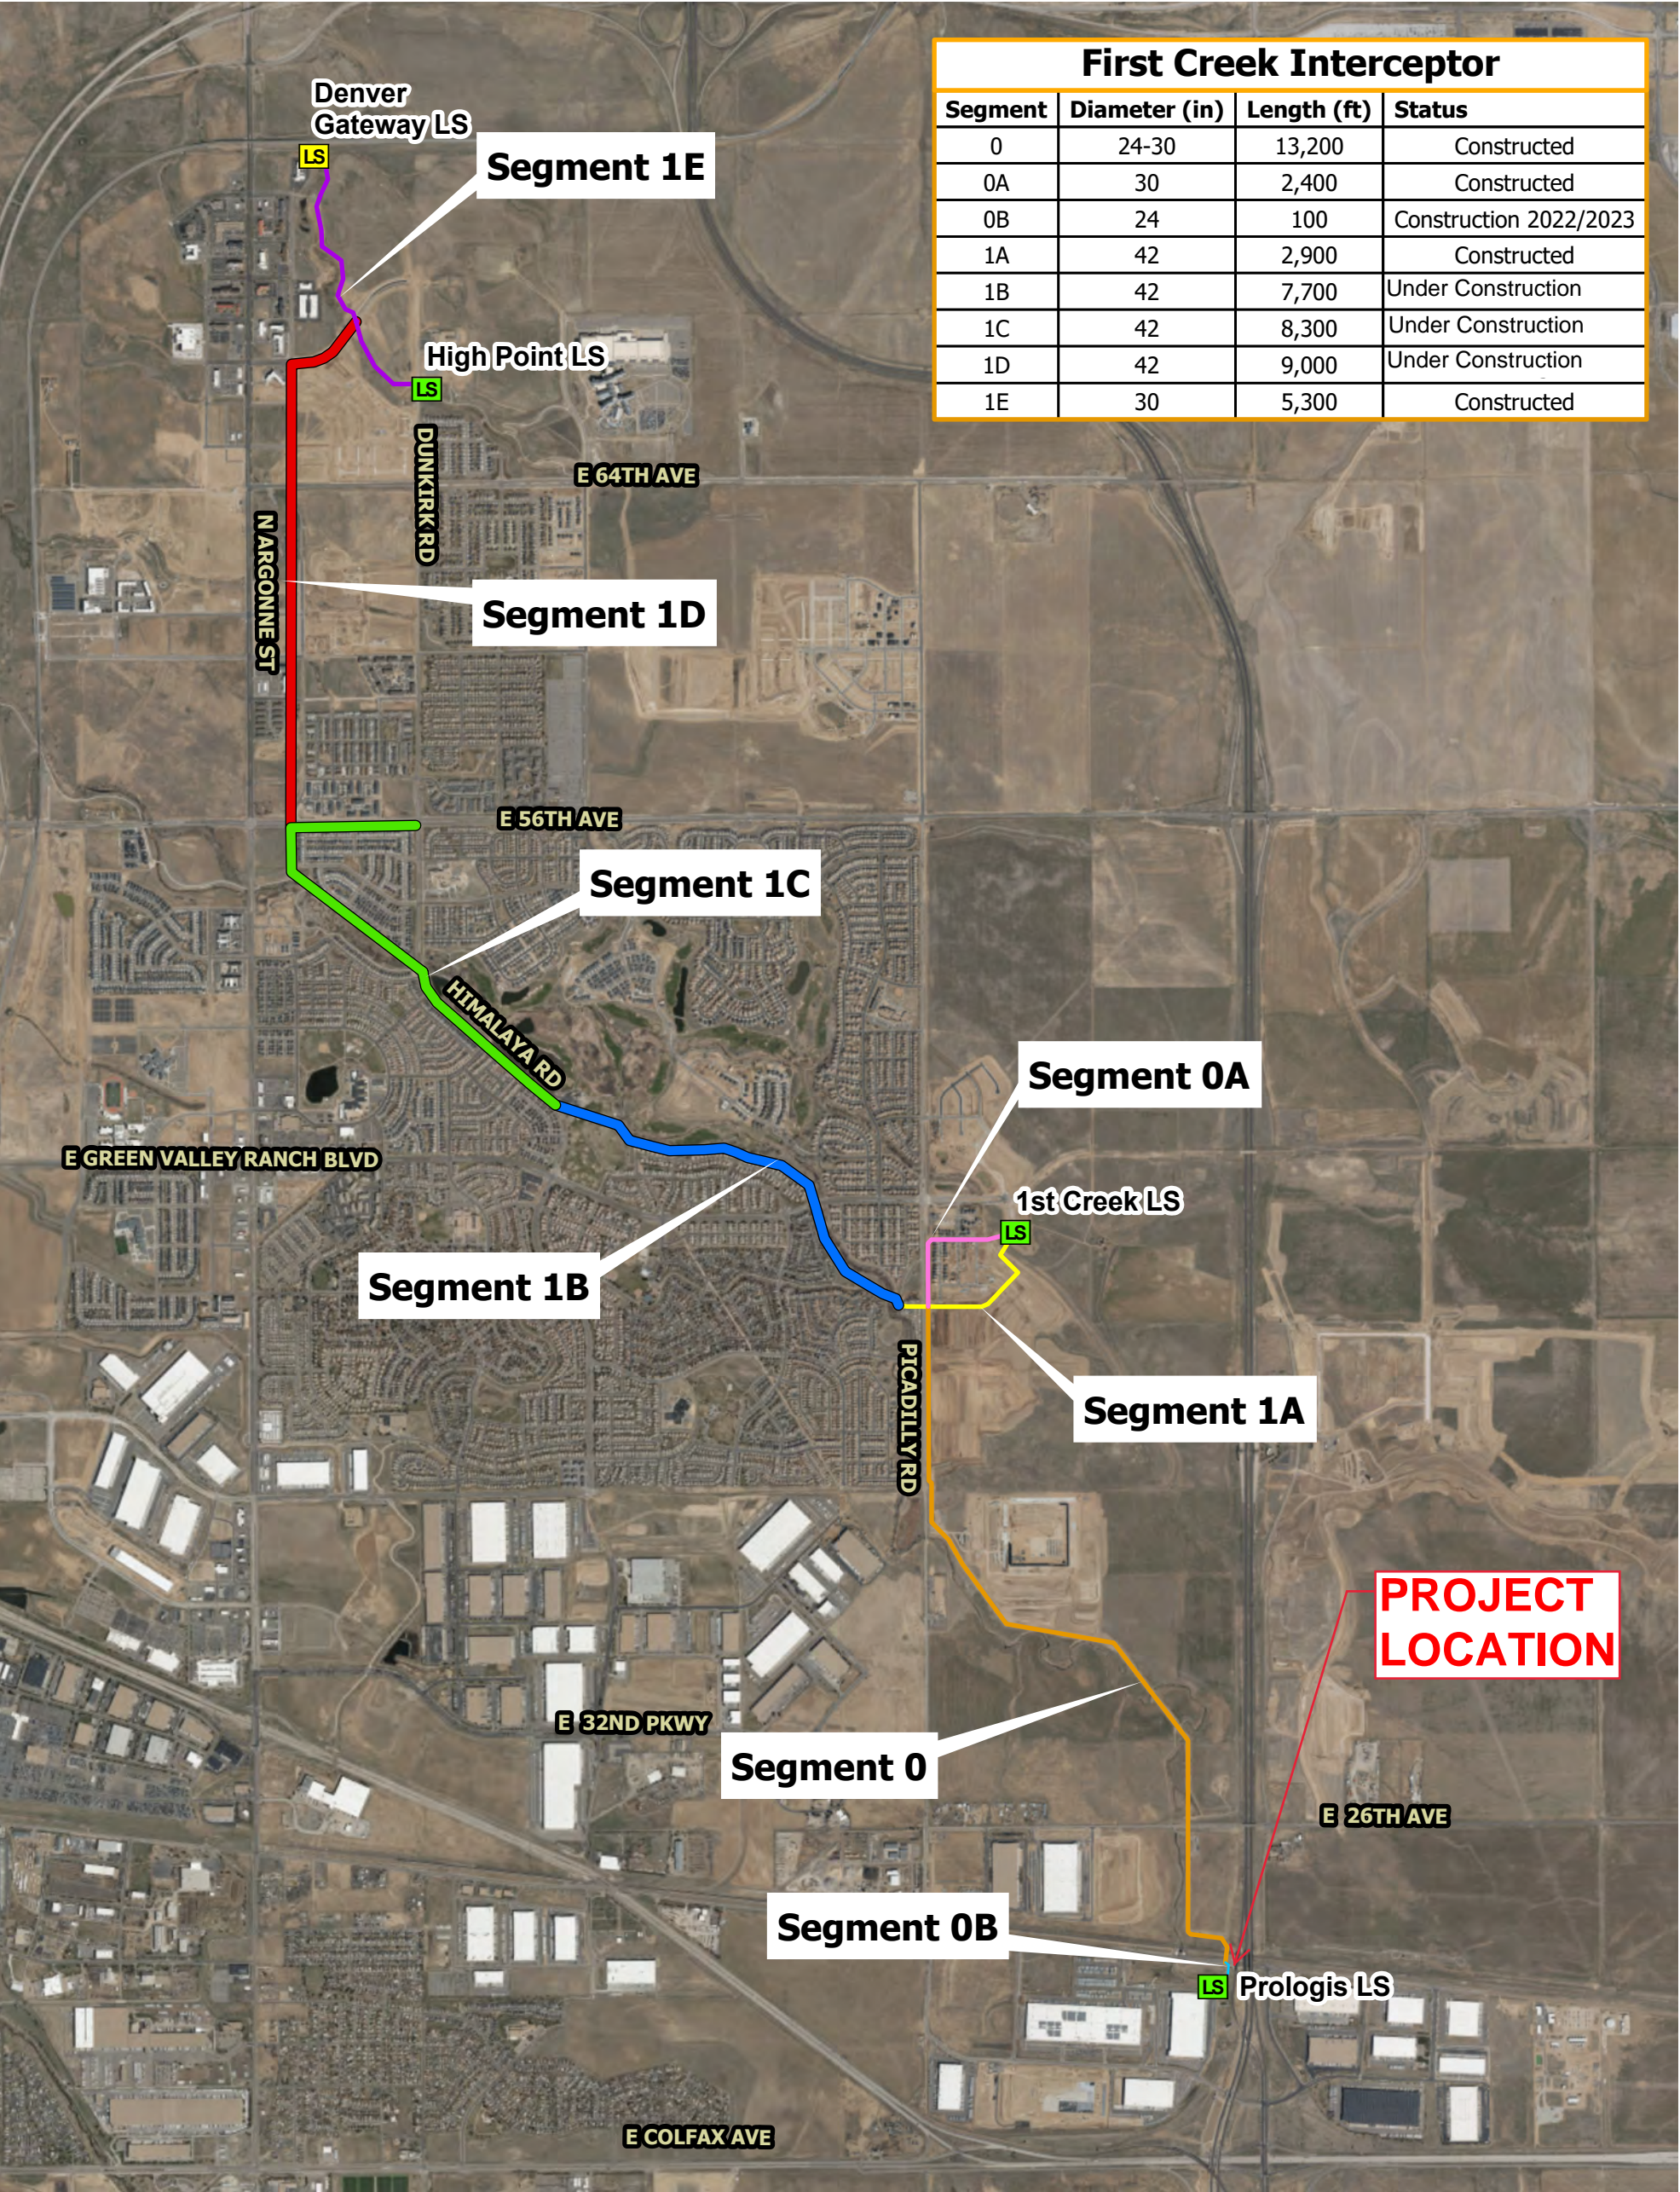

Motion by Roth, second by Gruber, to approve item 9c.

Voting Aye: Mayor LeGare, Bergan, Berzins, Gruber, Hiltz, Johnston, Lawson, Murillo, Richardson, Roth, Watson

- d. Consideration to AMEND AN OPENLY SOLICITED CONTRACT with CH2M Hill Engineers, Inc., Englewood, Colorado in the amount of \$843,030.00 to add design services and engineering services during construction for the Quincy Reservoir Intertie & Aeration System Improvements Project. STAFF SOURCE: Steven Fiori, Project Delivery Services Manager, Aurora Water

CHANGE ORDERS and AMENDMENTS not subject to call-up and which are less than \$25,000.00 and the cumulative total of all change orders or amendments does not exceed \$100,000.00:

COMPANY/ DESCRIPTION OF CHANGE ORDER	CHANGE ORDER NUMBER	CHANGE ORDER AMOUNT	PREVIOUS CHANGE ORDERS	TOTAL TO DATE	AWARD NUMBER
HDR ENGINEERING, INC. DENVER, CO Amendment to an openly solicited professional design services contract for the MESA VI Task Order No. 1 for the FCI Connection to Prologis Project. The field work completed during preliminary design resulted in a change in the project deliverables and eliminated the need for a more costly excavation and exploratory plan of a 24-inch gas line. The engineer prepared a revised scope of work to reflect the projects new deliverables and the project's remaining funds were reallocated to cover most of this change, but additional funds are needed to complete the final project design. The hourly rates are the same as HDR Engineering's MESA VI agreement. Therefore, the pricing is considered to be fair and reasonable. <i>This Amendment is consistent with requirements of the City code 2-676 establishing criteria for awards of amendments.</i> Dept: Water	1	\$13,859.00	\$0.00	\$111,119.00	21P0034

None.

ITEM SUMMARY *(Brief description of item, discussion, key points, recommendations, etc.)*

Background

The Aurora Water Planning and Engineering (P&E) Division has twenty-nine (29) new capital projects that are scheduled to be started in 2023. These projects are in several of the utility's programs such as: Pumping, Treatment, Storm Water, Transmission and Distribution, Storage and Operations and General Management. A majority of the projects involve rehabilitation or expansion of existing facilities and are deemed by the utility to be high priority. The workload for the project managers in the P&E Division is currently extremely high and in order for the Division to meet its goal of starting these twenty-nine projects on time, additional project management resources are needed for 2023.

Request for Proposal (RFP) Results

This RFP, as advertised on September 2, 2022, requested qualified consultants provide a staff augmentation project manager for services in the Aurora Water Planning and Engineering Division for a period of twelve months. Consultants were asked to provide resumes of candidates that had the appropriate education, experience with utility projects and strong project management skills that would be a good fit to manage several of the 2023 projects. The selected candidate would work from the Aurora Municipal Center/Southeast Area Maintenance Facility, within the P&E Division and would report to one of the Division's Principal Engineers for the duration of the contract period.

Only one (1) firm; Cumming Management Group, Inc. submitted a response to the RFP.

Cumming Management Group, Inc. was selected and evaluated based on the following criteria contained in the RFP:

- Firms background, experience and understanding of the Scope of Services, including past record of performance;
- Experience of proposed candidate, including ability to manage Capital Projects of varying complexity;
- Proposed hourly billing rate
- Overall quality and responsiveness of the proposal

The Cumming-Group proposal will provide a Senior Project Manager for 36 hours a week for the time period of January 2, 2023 through December 29, 2023 for a monthly cost of \$25,000.00 (approximately \$173/hour). The monthly fee includes all administrative costs associated with the contract. Administrative costs do not include mileage which will be billed separately at the current IRS mileage rate. The city was able to negotiate a 12.5% reduction in the hourly rate for the project manager for this contract and the hourly rate is in line with MESA project consultants for this level of position. Based on the above, the price proposal for providing the proposed services is considered to be fair and reasonable.

Recommendation

Based on the above, staff recommends the award of OPENLY SOLICITED CONTRACT to Cumming Management Group, Inc., Englewood, CO in the amount of \$300,000.00 for Staff Augmentation for Aurora Water Project Management Services, Project NO. R-2295.

QUESTIONS FOR COUNCIL

Does City Council approve the award of OPENLY SOLICITED CONTRACT to Cumming Management Group, Inc., Englewood, CO in the amount of \$300,000.00 for Staff Augmentation for Aurora Water Project Management Services, Project NO. R-2295?

LEGAL COMMENTS

Awards worth \$50,000 or more require City Council approval if formal competitive bidding has not produced at least three responsive bids (City Code § 2-672(a)(3)(b)). (Lathers)

PUBLIC FINANCIAL IMPACT

☐ YES ☐ NO

If yes, explain: Funding will be from the Water and Wastewater Fund operating budgets in the amount of \$300,000.00

ORG: 52014 (Engineering Svcs- Water)
 52015 (Engineering Svcs – Sewer)
 52016 (Engineering Svcs – Storm)

PRIVATE FISCAL IMPACT

N/A

ITEM SUMMARY *(Brief description of item, discussion, key points, recommendations, etc.)*

The 2022 Traffic Signal Construction Services project includes and is not limited to construct/remove traffic signals listed below. Awarded Contractor will also furnish to the City maintenance equipment as requested by the City Traffic Operations and Maintenance.

New Traffic Signal Installation(s):

- E470 and Gartrell Rd (North Intersection)
- E470 and Gartrell Rd (South Intersection)
- Euclid Ave and Aurora Parkway

Traffic Signal Removal:

- 1339 Airport Blvd.

Construction is expected to be completed on or before August 31, 2023.

An Invitation for Bid (IFB) was publicly advertised through the Rocky Mountain E-Purchasing System (BidNet) on September 12, 2022. Bids were opened by Purchasing Services on September 29, 2022. One bid was received, and the results are as follows:

Name of Bidder	Base Bid
Morton Electric, Inc.	\$2,419,708.30

No Aurora firms submitted a bid.

The estimated cost for this project ranged from \$2,095,000.00 to \$2,444,000.00. The price from Morton Electric is considered to be fair and reasonable when compared to the engineer's estimate. Bid acceptance period expires on November 28, 2022.

Council approval is requested when the award is \$2,000,000.00 or more.

Based on the above, staff recommends awarding a competitively bid contract to Morton Electric, Inc. in the amount of \$2,419,708.30 for the 2022 Traffic Signal Construction; Project 5900A. In addition, a 5% contingency in the amount of \$120,985.00 is requested. This contingency amount will be withheld from the contract amount to Morton Electric and accessed as needed through a change order to the contract.

QUESTIONS FOR COUNCIL

Does Council approve the award to Morton Electric, Inc., Pueblo CO in the amount of \$2,419,708.30 for the 2022 Traffic Signal Construction; Project 5900A. In addition, approval of the 5% contingency in the amount of \$120,985.00 is requested.

LEGAL COMMENTS

Every award of a purchase order or contract worth \$2,000,000.00 or more requires City Council approval (City Code § 2-672(5)). Awards worth \$50,000 or more require City Council approval if formal competitive bidding has not produced at least three responsive bids (City Code § 2-672(a)(3)(b)). (Lathers)

PUBLIC FINANCIAL IMPACT

☒ YES ☐ NO

If yes, explain: This procurement is to be funded from the following ORG and ACCT:

49710 / 68410 (Traffic Signal Construction/CIP-Construction Costs):
\$1,794,465.00 (contract cost) and \$89,723.00 (5% contingency)

49786-68410 (Traff Sgnl Component Replcmnt/CIP-Construction Costs):
\$625,243.30 (contract cost) and \$31,262.00 (5% contingency)

ITEM SUMMARY *(Brief description of item, discussion, key points, recommendations, etc.)*

The Information Technology Department maintains various datacenters to house key backbone equipment, which provides services to all other lines of business in the City. One of the datacenters was designed nearly 20 years ago without the appropriate capacity and protections to ensure continuous and resilient operation in the modern era. This places several key City services at risk due to power and/or environmental failures that adversely impact the equipment and interrupt City business.

The Information Technology Department has solicited a proposal from a firm, Flexential Corporation, who specializes in providing datacenters that are designed with high availability and resiliency from the ground up. This firm owns, operates, and maintains the datacenter, and leases physical space in their datacenters for entities to house and operate their equipment. The datacenters have multiple redundancies for power and **environmental protections, far exceeding the capability the City has to provide the same. This firm's regional headquarters are located in Aurora, Colorado. This firm is one of the largest providers in the area and offers many layers of physical security in addition to the environmental protections.**

Due to the risk of failure and/or interruption to City operations, the Information Technology Department recommends proceeding with a Single Source agreement with Flexential Corporation for a one-year term, renewable on an annual basis. **Additionally, Flexential's Denver-Aurora Data Center located in Aurora will provide City personnel quick and timely access to the hosted equipment for any maintenance or additions.**

Award amount includes one-time setup charges (space, power, cabinets, security, connectivity) and monthly co-locations fees for 1-year. **Staff has confirmed that Flexential's pricing is the same they would charge any other customer for the same space, setup, and monthly fees. Therefore, pricing is considered to be fair and reasonable.**

Council approval is required for single or sole source awards of \$50,000.00 or more.

Based on the above, **it is staff's recommendation to proceed with a single source contract to Flexential Corporation, Aurora, Colorado in the amount of \$234,306.00 for hosted datacenter services as required by the Information Technology Department.**

QUESTIONS FOR COUNCIL

Does Council approve the award of a single source contract to Flexential Corporation, Aurora, Colorado in the amount of \$234,306.00 for hosted datacenter services as required by the Information Technology Department?

LEGAL COMMENTS

Purchase orders or contracts in any amount may be awarded without benefit of formal competitive bidding when closer location, more advantageous time allowances, or similar variable factors can reduce the total cost of the product or service (City Code § 2-674(6)). (Lathers).

A Motion to Approve should include a Waiver of Reconsideration.

PUBLIC FINANCIAL IMPACT

ITEM SUMMARY *(Brief description of item, discussion, key points, recommendations, etc.)*

The Firearms Unit of the Unified Metropolitan Forensics Crime Laboratory (UMFCL) is seeking to improve its speed and accuracy of firearms examinations submitted to the UMFCL in support of law enforcement investigations to confirm or deny culpability in their investigations. The Firearms Unit of the UMFCL is staffed by three people and so far in 2022 there have been 1,130 requests for service submitted to the Firearms Unit for either firearms examination or entry into the National Integrated Ballistic Information Network (NIBIN). These requests have included 6,669 items of evidence to be examined, resulting in 2,223 items being entered into NIBIN.

The Cadre Top Match-3D system will help with the labs current and future workloads and provide more timely assistance with law enforcement agencies investigations. Crucial components of the system for the Firearms Unit include:

- Cadre Top Match-3D is the only system with an automated batch scanning system capable of scanning up to 15 cartridge cases in one batch, improving speed and accuracy of scan acquisition. A tray of cartridges can be scanned in less than 10 minutes.
- Cadre is the only provider of validated tools for Virtual Comparison Microscopy (VCM), a component of the Cadre Top Match-3D system.
- Cadre Top Match-3D is the only 3D VCM system that implements the National Institute of Standards and Technology's (NIST) Congruent Matching Cells (CMC) comparison algorithm for determining common source.
- The Cadre Top Match-3D system uses a proprietary gel-pad to remove the optical effects of surface reflectivity on metal surfaces, providing a significantly higher resolution scan.

Cadre Research Labs is the manufacturer and sole distributor of this system and support in the United States and Canada. Staff has confirmed that **Cadre's** pricing for the Top Match-3D system is the same pricing they would charge any other municipality/law enforcement agency for the same system. Therefore, pricing is considered to be fair and reasonable.

Council approval is required for single or sole source awards of \$50,000.00 or more.

Based on the above, it is staff's recommendation to proceed with a sole source contract to Cadre Research Labs, Evanston, Illinois in the amount of \$130,900.00 for a Cadre Top Match-3D system for the Firearms Unit of the Unified Metropolitan Forensic Crime Laboratory.

QUESTIONS FOR COUNCIL

Does Council approve the award of a sole source contract to Cadre Research Labs, Evanston, Illinois in the amount of \$130,900.00 for a Cadre Top Match-3D system for the Firearms Unit of the Unified Metropolitan Forensic Crime Laboratory?

LEGAL COMMENTS

Awards worth \$50,000 or more require City Council approval if formal competitive bidding has not produced at least three responsive bids (City Code § 2-672(a)(3)(b)). (Lathers)

HISTORY *(Dates reviewed by City council, Policy Committees, Boards and Commissions, or Staff. Summarize pertinent comments. ATTACH MINUTES OF COUNCIL MEETINGS, POLICY COMMITTEES AND BOARDS AND COMMISSIONS.)*

The City of Aurora has historically utilized a third party to provide state lobbying services. Annual budget for these services is included in the General Management department, specifically within Intergovernmental Relations Division. The Intergovernmental Relations Manager oversees this contract and works closely with the FSIR committee on reporting and service delivery. Most recently, the city issued an RFP for state lobbying services in the fall of 2019 and ultimately selected Capitol Capital.

ITEM SUMMARY *(Brief description of item, discussion, key points, recommendations, etc.)*

The current state lobbying services agreement was awarded for 2020, with an initial 1 year period and 2, one-year options to extend. As 2022 represented the second and final option, purchasing procedures require a new RFP be issued for state lobbying services. That RFP was issued on August 19th, 2022. A panel evaluated proposals and recommended Capitol Capital be retained as the city's state lobbyist. That panel included the following:

Hannah Smith, Intergovernmental Relations Manager
Juan Marcano, Councilmember
Angela Lawson, Councilmember (Chair FSIR)
Kathy Kitzmann, Aurora Water
Trevor Vaughn, Finance

Staff is recommending a professional services agreement in the amount of \$71,000 be awarded Capitol Capital for 2023. The RFP for state lobbying services, Including the proposed scope of services and a sample professional services agreement are attached to this commentary.

The evaluation criteria were as follows:

1. Qualifications of the consultant in providing lobbying services and experience lobbying the Colorado General Assembly
2. Experience in representing local governments and knowledge of local government issues.
3. Qualifications and experience of the personnel to be assigned to the contract.
4. Approach to providing the required services and demonstrated absence of conflicts.
5. Price.

QUESTIONS FOR COUNCIL

Does the City Council approve of a professional services agreement with Capitol Capital for state lobbying services in 2023?

LEGAL COMMENTS

PUBLIC FINANCIAL IMPACT

☒ YES ☐ NO

If yes, explain: The city budgets in the General Management Department the costs of a third party to provide state lobbying services.

PRIVATE FISCAL IMPACT

Please click the below link to attend the meeting:

Join on your computer or mobile app

[Click here to join the meeting](#)

Specific requirements for this project are contained in the attached Scope of Services.

A **TENTATIVE SCHEDULE** of key dates for this solicitation has been established as follows:

August 25, 2022	Pre-proposal conference at 1:00 p.m. via Microsoft Teams
August 29, 2022	Questions due by 5:00 p.m. MT
September 9, 2022	Proposals due to the Office of Purchasing Services, 3:00 p.m.
September 20, 2022	Notification of short-listed consultants
Week of September 26	Interviews with short-listed consultants
Week of October 3, 2022	Selection of top-ranked consultant
Week of October 10, 2022	Negotiations with top-ranked consultant completed
November 21, 2022	Award presented to Council at Study Session
November 28, 2022	Council Approval
December 5, 2022	Reconsideration period ends
December 16, 2022	Award Actions Complete

SOLICITATION PROCESS

This Request for Proposal is being solicited under a multi-step procurement procedure consisting of three phases. The first phase requires all consultants to submit proposals addressing only those items cited in Section II, Proposal Submittal Requirements, of this Request for Proposals. Proposals will be evaluated and ranked based on the evaluation criteria outlined in Section III, Proposal Evaluation to select a short list of consultants for further evaluation. Only those consultants who are placed on the short list on the basis of the evaluation criteria will be considered for the second phase.

During the second phase, interviews will be conducted with the short-listed consultants, exploring any aspect of the consultant's proposal. The short-listed consultants will be provided with additional information regarding the interview process when they are notified of their selection.

In the final phase, negotiations will be held with the consultant ranked the highest by the evaluation committee on the basis of the written proposal and interview. The City and the top ranked consultant will then negotiate the details of the final contract. Should the City be unable to reach an agreement with the top ranked consultant, negotiations will commence with the next ranked consultant. This process will continue until a satisfactory contract is negotiated, or the City exercises its right to reject all proposals.

A recommendation for contract award will be sent to Council for approval. Upon Council approval of the award, the contract is signed and work may begin.

MULTIPLE AWARDS

The City may award a Contract to a single consultant or, at the City's option, to multiple consultants if deemed to be in the best interest of the City.

PERIOD OF AWARD

The term of the contract shall be from the date of award through a twelve-month period, and upon the expiration of said period, the contract will terminate automatically, without notice, written or oral. The award period will not exceed a total of thirty-six (36) months, including extensions as appropriate.

EXTENSIONS

The City shall have the option to extend the contract for two (2) additional 12-month periods from the completion date of the original award upon the same terms and conditions. If the City desires to extend the contract, not later than thirty days prior to expiration, the City shall send a notice in writing to the consultant requesting firm pricing for the next twelve-month period. After the City receives the firm pricing proposal

from the consultant, it will determine whether to extend the contract. All awards and extensions are subject to annual appropriation of funds. The provisions of the foregoing paragraphs with respect to extension of the term of the contract shall be null and void if the contract has been terminated or revoked during the initial term or any extension thereof.

All decisions to extend the contract are at the option of the City.

AVAILABILITY OF FUNDS FOR THE NEXT CALENDAR YEAR

Funds are currently not available for the award beyond this current calendar year. Therefore, the City is not obligated under this RFP beyond this current calendar year. This provision is notwithstanding any other provision of the Request for Proposals addressing or affecting the contract period.

LICENSES

The successful consultant, without additional expense to the City, shall be responsible for obtaining any necessary licenses and for complying with any applicable federal, state, and municipal laws, codes and regulations in connection with the prosecution of the services. The successful consultant and any subcontractors, if applicable, will be required to obtain an Aurora Business License. The successful consultant shall provide the Aurora Business License number(s) to Angie Young, Senior Procurement Agent, within thirty (30) days of contract award.

CONFIDENTIALITY

Please be aware that proposals submitted to the City in response to this RFP shall be subject to the Colorado Open Records Act, Section 24-72-201, et seq., C.R.S. Any privileged or confidential information in the Consultant's proposal shall be specifically identified as such by the Consultant. If any information is considered to be confidential, the Consultant shall agree to indemnify the City for any and all attorney fees the City may incur in defending the withholding of such information by signing and returning the letter found as Section VII to this RFP. Should the City receive a request for the release of any information in the Consultant's proposal in accordance with the open records law, the City will review the Consultant's proposal, giving consideration to the portions that the Consultant indicated contained trade secrets, privileged information, or confidential commercial, financial, geological, or geophysical data, and may release only that information which has not been identified as confidential so long as Section VII has been signed and returned by the Consultant along with the proposal. Should the Consultant choose not to sign and return Section VII, all information in the Consultant's proposal shall be considered releasable by the City. If, in the opinion of City's legal counsel, the City is nonetheless compelled to disclose any portion of such information to anyone or else stand liable for contempt or suffer censure or penalty, the City may disclose such information without liability.

AMENDMENTS TO THIS REQUEST FOR PROPOSAL

The City of Aurora reserves the right to amend, by an addendum or addenda to this RFP, **at any time and/or a multiple number of times** prior to the date set for receipt of the submission of proposals. Addenda or amendments will only be posted and updated on the Rocky Mountain E-Purchasing System located at <http://www.bidnetdirect.com/colorado>. It shall be the responsibility of consultants to obtain all addenda from the Rocky Mountain E-Purchasing System. **Parties obtaining bid information from other sources do so understanding that their information may be incomplete, inaccurate, or out of date and therefore wholly unreliable from a commercial perspective.** Consultants registered for the paid bidding notification service shall be notified either by fax or email depending on the service that they have subscribed to. It shall be the responsibility of prospective consultants registered for the no charge, no notification service on the Rocky Mountain E-Purchasing System to monitor the Rocky Mountain E-Purchasing System for any addenda. **Failure to do so may lead to reliance on incomplete, inaccurate, or out of date information when submitting proposals subjecting such proposals to automatic disqualification from consideration.** If revisions are of such a magnitude to warrant, in the City of Aurora's opinion, the postponement of the date for receipt of proposals, an addendum will be issued announcing the new date.

STANDARD PROFESSIONAL SERVICES AGREEMENT

Included in this package is a sample of the standard "Professional Services Agreement," used by the City. The consultant awarded a contract will be asked to execute this Agreement prior to commencing the services.

SPECIAL CONDITIONS

Please refer to enclosed "Special Conditions" for any/all additional terms and conditions relevant to this Request for Proposals as appropriate to the City's specific requirements and/or application.

ADDITIONAL INFORMATION

Proposals will be considered only from consultants or individuals that are firmly established in an appropriate business, who are financially responsible, and who have the resources and ability to offer services in a professional and expedient manner. The City may request additional information as deemed necessary. Failure to provide such information may result in the proposal being considered non-responsive.

The City of Aurora reserves the right to reject any and all proposals, to waive any informalities in the proposals received, and to accept the proposal deemed most advantageous to the best interest of the City.

QUESTIONS

Questions regarding this RFP shall be accepted by e-mail only to Angie Young, Purchasing Services, at ayoung@auroragov.org no later than August 29, 2022 at 5:00 p.m. MT. It is preferred that all inquiries be sent with the subject title: **State Lobbying Services (R-2289)**. Questions received after this date and time may not be addressed.

CONTACTS DURING THE SOLICITATION PROCESS

ANY QUESTIONS, COMMENTS, OR OTHER COMMUNICATIONS SHALL BE DIRECTED TO ANGIE YOUNG. NO OTHER CONTACT SHALL BE MADE REGARDING THIS RFP WITH ANY OTHER CITY STAFF, COUNCIL MEMBERS, AGENTS, CONSULTANTS, ETC. DURING THE RFP PROCESS. FAILURE TO COMPLY WITH THIS REQUIREMENT MAY RESULT IN THE OFFENDING CONSULTANT BEING REMOVED FROM CONSIDERATION.

CONSULTANT ACCEPTANCE OF THE REQUEST FOR PROPOSALS

By submitting a proposal in response to this Request for Proposals, the Consultant accepts all of the conditions described in this Request for Proposals, including the Professional Services Agreement, and agrees to abide by all final decisions made by the City.

Respectfully,

CITY OF AURORA, COLORADO

Angie Young
Senior Procurement Agent

SCOPE OF SERVICES

STATE LOBBYING SERVICES FOR THE CITY OF AURORA

The consultant shall perform lobbying services for the City of Aurora as follows:

1. Establish communications structure with city staff, City Council and City Council Federal, State, & Intergovernmental Relations Committee (FSIR Committee).
2. Communicate with legislators representing Aurora to let them know that the consultant will represent the city at the Colorado General Assembly.
3. Pursue city legislative agenda including securing sponsorship for bills, coordinating the drafting of bills and soliciting support, as needed. Review all bills in a timely manner as they are introduced and share bills that may be of interest with the City for analysis. Track the progress of bills important to the City, review amendments, provide analysis and strategic advice related to these bills.
4. Regularly attend meetings of the city council Federal, State, & Intergovernmental Relations committee – generally twice per month during the legislative session, and once per month during the interim. Provide the committee with updates and strategic advice, and offer suggestions for proactive leadership on state legislative issues.
5. Advocate the city's position to members of the General Assembly, the Executive Branch, and other interested parties. Identify opportunities for the mayor, council members, and other city officials to participate in the process and make recommendations. Those opportunities include, but are not limited to, communication to legislators, providing testimony at legislative hearings, and communication to the governor and governor's staff. Assist in the preparation of council members or other Aurora city officials planning to testify before legislative committees.
6. Work with groups that share or dispute city positions. Work to understand the position of others to either leverage support or mitigate opposition by those parties on issues of importance to the city.
7. Conduct ongoing communication with the city via phone conversations, e-mail, written and oral reports and formal briefings.
8. Provide report on most recent legislative session no later than May 31st of each contract year.
9. Monitor the interim activities of the General Assembly and participate as necessary and appropriate.
10. Work to identify priorities and emerging issues for the upcoming legislative session.
11. Assist city staff in coordinating legislative receptions as directed by the FSIR committee, and the annual Aurora Day at the Capitol event.
12. Issues involving water and/or the Utilities Department are excluded from this contract.

SECTION II

PROPOSAL SUBMITTAL REQUIREMENTS

Each proposal shall include responses to the following:

1. Company

Describe the background of your firm, the number of years the firm has been in business, owners, management personnel, etc. Describe the company's previous and current experience in representing local governments.

2. Professional Experience

Provide the name and role of each individual who would be assigned to the city's contract. Identify the individual who would serve as the city's primary contact. In addition, please provide a brief educational and professional background as well as a description of experience with municipalities for these individuals, and experience relating specifically to lobbying services.

3. Approach

Describe your firm's approach to providing the required services. Provide your current client list and how your firm will accommodate the needs of all its clients. Please identify any potential conflicts with existing or future clients and how they will be addressed.

4. References

Provide at least three (3) client references for similar requirements. These references should reflect services provided by the individuals proposed for the city's contract.

5. Price

Provide a fixed annual retainer fee and a breakdown of estimated expenses.

SECTION III

PROPOSAL EVALUATION CRITERIA

Proposals will be evaluated based on the following criteria:

1. Qualifications of the consultant in providing lobbying services and experience lobbying the Colorado General Assembly (20 points)
2. Experience in representing local governments and knowledge of local government issues. (20 points)
3. Qualifications and experience of the personnel to be assigned to the contract. (20 points)
4. Approach to providing the required services and demonstrated absence of conflicts. (20 points)
5. Price. (20 points)

SECTION IV

SPECIAL CONDITIONS

GENERAL INFORMATION

Reimbursement will not be made for costs incurred prior to a formal award. The proposal must be comprehensive and specify how the consultant would complete all of the elements of the "Scope of Services".

SAMPLE PROFESSIONAL SERVICES AGREEMENT

Included in this package is a sample of the standard "Professional Services Agreement", used by the City. The consultant awarded a contract will be asked to execute this Agreement prior to commencing the services.

INSURANCE REQUIREMENTS

Attached to the sample "Professional Services Agreement" is a copy of the City's current insurance requirements (Form 410-33).

INDEPENDENT CONTRACTOR

The successful consultant is an independent contractor. **THE INDEPENDENT CONTRACTOR IS NOT ENTITLED TO WORKERS' COMPENSATION BENEFITS. AN INDEPENDENT CONTRACTOR IS OBLIGATED TO PAY FEDERAL AND STATE INCOME TAX ON ANY MONIES EARNED PURSUANT TO THE CONTRACT RELATIONSHIP. ADDITIONALLY, IT IS UNDERSTOOD THAT THE INDEPENDENT CONTRACTOR IS NOT ENTITLED TO UNEMPLOYMENT INSURANCE BENEFITS UNLESS UNEMPLOYMENT COMPENSATION COVERAGE IS PROVIDED BY THE INDEPENDENT CONTRACTOR OR SOME ENTITY OTHER THAN THE CITY OF AURORA, COLORADO.**

SUBLETTING OF CONTRACT

The Consulting Firm will agree not to assign or sublet the whole or any part of the contract without the prior written consent of the City.

CHANGES IN SCOPE OF SERVICES

The Project Manager will agree that any change of scope in the work to be performed after the original contract has been signed shall be documented as a written change order, be accepted by all parties, and made a part of the original contract by addendum.

AGREEMENT

This Agreement is made as of the _____ day of _____, 20_____, by and between the City of Aurora, Colorado ("City"), and _____ ("Consultant"), with a principal place of business at _____.

WHEREAS, the City intends that Consultant shall perform professional services for the City; and

WHEREAS, Consultant represents that it has the present capacity, is experienced and qualified to perform professional services for the City as hereinafter provided in this Agreement;

NOW, THEREFORE, in consideration of the promises and mutual covenants and obligations set forth herein, the Parties mutually agree as follows:

Section 1 – Scope of Work

A. Consultant agrees to provide professional services as stated in the scope of work ("Work") specified in **Attachment 1**, attached hereto and incorporated into this Agreement.

B. The City shall have the right to disapprove any portion of Consultant's Work on the Project which does not comply with the requirements of this Agreement. If any portion of the Work is not approved by the City, Consultant shall proceed when requested by the City with revisions to the Work to attempt to satisfy the City's objections. If said revised Work is acceptable, the City will provide prompt written approval. Correction or completion of Work which does not comply with the requirements of this Agreement shall be made without adjustments to the compensation for Consultant's services provided for hereunder unless the revisions are made to Work previously approved for previous tasks, in which case, Consultant's compensation shall be adjusted. It is the intent of the parties that Consultant shall promptly correct any defective, inaccurate or incomplete tasks, deliverables, services or other work, without additional cost to the City. The acceptance of Consultant's services by the City shall not relieve Consultant from the obligation to correct subsequently discovered defects, inaccuracies or incompleteness resulting from Consultant's negligent acts, errors or omissions.

C. Nothing in this Agreement shall be construed as placing any obligation on the City to proceed with any tasks beyond those which have been specifically authorized in writing by the City.

D. The City may, from time to time and in conjunction with Consultant, request changes in the scope of the services of the Consultant to be performed herein. Changes may include, but not be limited to, the type and scope of services provided by Consultant and the quantity or quality of Consultant's staffing for required services. Such changes, including any increase in the amount of the Consultant's compensation, which are mutually agreed upon between the City and Consultant, shall be incorporated in written change orders, amendments or extensions to this Agreement.

Section 2 - Authority

A. _____, ("Project Manager") is the City's Project Manager and the City's authorized representative. The Project Manager is responsible for authorizing and approving all Work performed under this Agreement. All Work to be performed by Consultant shall be authorized in writing by the Project Manager as provided by this Agreement. All communications related to the Project shall be with the Project Manager and, in his absence, a person to be designated by him. The Project Manager is authorized to make decisions on behalf of the City related to the Work. The Project Manager shall be responsible for the day-to-day administration, coordination and approval of Work performed by Consultant, except for approvals which are specifically identified in this Agreement as requiring the approval of City of Aurora's City Council.

B. _____ ("Consultant's Representative") is Consultant's representative for the Work. Consultant's Representative shall have sufficient authority to represent and bind Consultant in those instances when such authority is necessary to carry out Consultant's responsibilities and obligations under the terms of this Agreement.

Section 3 - Schedule

A. In performing professional services pursuant to this Agreement, Consultant acknowledges that timely completion of the Work is critical and time is of the essence. Accordingly, all services to be performed under this Agreement shall be commenced immediately upon execution of this Agreement by the parties hereto, approval by the City as required by applicable law, issuance of a Purchase Order from the City, and in accordance with the milestone schedule set forth in **Attachment 2**, attached hereto and incorporated into this Agreement.

B. The initial term of this Agreement shall run from the date of approval by the Aurora City Council and issuance of a notice to proceed until _____. Subject to the availability of appropriated funds, as provided elsewhere in this Agreement, and agreement between the City and Consultant concerning additional and/or continuing Work, as reflected in additional or revised scope(s) of work, this Agreement may be extended on an annual basis by the City by a written notice to Consultant after approval by the City Council.

Section 4 - Compensation

A. The compensation to be paid Consultant under this Agreement, as provided hereinafter, covers the entire cost of the professional services under this Agreement. The initial compensation of this Agreement shall not exceed _____ (\$0.00) as more fully set forth in **Attachment 3**, attached hereto and incorporated into this Agreement. Consultant agrees to cooperate fully with the City to keep the total compensation within this limit.

B. This Agreement is subject to annual appropriation by the Aurora City Council and, in the absence of appropriated funds, the City may terminate this Agreement. The City has appropriated money for the 20____ fiscal year at least equal to the foregoing annual compensation for this work. The City may, from time to time and in its sole discretion, appropriate additional amounts to reflect extensions of this Agreement beyond the close of the 20_ fiscal year and additional and/or continuing scope(s) of work. Notwithstanding any other language in this Agreement, City

shall issue no Change Order or other form of order or directive requiring additional compensable work that will cause the foregoing annual compensation to exceed the amount appropriated unless City gives Consultant written assurance that City has made lawful appropriations to cover the costs of the additional work.

C. Nothing in this Agreement is a pledge of the City's credit, or a payment guarantee by the City to Consultant. The obligation of the City to make payments hereunder shall constitute a currently budgeted expense of the City, and nothing contained herein shall constitute a mandatory liability, charge, or requirement of or against the City in any ensuing fiscal year beyond the then current fiscal year. This Agreement shall never constitute a general obligation or other indebtedness of the City, or a multiple fiscal year direct or indirect debt or other financial obligation whatsoever of the City within the meaning of the Constitution and laws of the State of Colorado or of the Charter and ordinances of the City. In the event of a default by the City of any of its obligations under this Agreement, the Consultant shall have no recourse against any revenues of the City. Notwithstanding any language herein to the contrary, nothing in this Agreement shall be construed as creating a lien against any revenues of the City.

D. The City shall pay Consultant in accordance with the terms of this Agreement as reflected in the Fee Schedule set forth in **Attachment 3**.

E. Consultant shall submit monthly invoices to be approved by the City's Project Manager. Consultant shall submit its monthly invoices no later than close of business on the fourteenth (14th) calendar day of the month after which the work was performed; provided, however, that if that day falls on a weekend or holiday, then monthly invoices shall be submitted no later than close of business on the next regular business day of the month. Upon submission of an approved Consultant invoice, in the proper form, to the City, payment shall be issued. It is to be understood and agreed that the City may require up to thirty (30) days to process payment after date of receipt of invoicing.

Section 5 - Staffing

A. The Consultant personnel listed below are essential to the proper performance of the services under this Agreement:

<u>Name</u>	<u>Title</u>
--------------------	---------------------

The above-identified individuals are key persons and will be available to perform the Work. Consultant agrees to make key personnel available as required to perform the Work as long as such persons are employed by Consultant. Consultant shall obtain the prior written approval of the City before appointing other Consultant personnel as a substitute(s) for the above-named key personnel. The City reserves the right to reject proposed replacement personnel, or require the replacement of any Consultant personnel; however such City action shall not subject the City to any liability to Consultant nor be used by Consultant as an excuse for failure to meet the requirements of this Agreement.

B. Consultant shall insure the quality, timeliness, and continuity of services are maintained through the duration of the project. Consultant shall avoid changes to the key personnel to the extent possible.

C. Consultant shall inform the City in writing of any non-employee persons or firms it intends to hire to perform any Work required by this Agreement and shall keep the City informed of any changes or additions to this information. The City shall approve in writing any additional firms prior to commencement of Work. Consultant shall be responsible for any Work performed under this Agreement, including that portion of the Work performed by other individuals or firms. Nothing contained herein shall create any contractual relationship between any additional persons and/or firm(s) and the City.

Section 6 - Insurance

A. Consultant shall provide the appropriate certificates of insurance and Worker Compensation documents, at no cost to the City, as described in **Attachment 4**. The Consultant further agrees and understands that they are to maintain and keep in force the appropriate insurance policies throughout the term of this Agreement.

B. Consultant shall be responsible for any injury to persons or damage to property to the extent arising from negligent or otherwise wrongful acts, errors and omissions of Consultant, its agents and employees. If Consultant knows of the damage Consultant shall immediately notify the City. If the City discovers the damage, City will notify Consultant immediately. Repair shall be accomplished under City direction and to City specifications so property is in as good or better condition than before damage. Consultant shall provide the City with a certificate of liability coverage in accordance per the attached form 410-33, **Attachment 4**.

C. The Consultant's policy will be primary and non-contributory with respect to any and all insurance policies purchased by the City.

D. Nothing herein is intended to be construed or shall be construed to be a waiver of the City's governmental immunity under Section 24-10-101 et. seq., C.R.S. as amended.

Section 7 - The City's Responsibilities

A. The City shall:

1. Provide necessary information to Consultant to facilitate Consultant in performing the Work;

2. Give prompt notice to Consultant whenever the City observes or otherwise becomes aware of any deficiencies or discrepancies in the services provided;

3. Furnish, or direct Consultant to provide, at the City's expense, any necessary additional services;

4. Examine all documents submitted by Consultant, and, if requested by Consultant, provide comments and decisions in a timely manner in order to allow the Consultant's work to proceed.

B. Consultant shall not be liable for delays in performing the Work when such delays are caused by the City, the City's other Consultants, or by events which are outside of the control of the Parties and which events could not be avoided by the exercise of due care.

Section 8 - Mutual Obligations

A. This Agreement does not guarantee to Consultant any additional or future work except as expressly authorized herein.

B. This Agreement does not create or imply an exclusive agreement between Consultant and the City.

C. The services and any and all interests contemplated under this Agreement shall not be assigned or otherwise transferred except with the written consent of the City.

D. All documents of any nature prepared by Consultant in connection with the services provided by Consultant under the terms of this Agreement shall become the property of the City.

E. Consultant shall not utilize work product, data, information, results, and materials produced as part of its efforts under this Agreement for any promotional or public relations purposes whatsoever without the express, prior, written consent of the City.

Section 9 - Termination

A. Termination for Cause - In the event a material breach of this Agreement remains uncured following written notice of said breach by City, the City may immediately terminate this Agreement upon written notice specifying the effective date thereof; provided however, the City may, in its discretion and for good cause, allow Consultant to cure any breach or submit an acceptable plan to cure such breach within ten (10) days of such written notice.

B. Termination for Convenience

1. Change in City Policy. The City may terminate this Agreement at any time upon thirty (30) days notice specifying the date thereof, provided Consultant shall be compensated in accordance with this Agreement for all work performed up to the effective date of termination.

2. The City's total liability under this Agreement, inclusive of termination costs, shall not exceed the lesser of total amount of this Agreement or the total amount of funds which have been appropriated specifically for this Agreement.

3. Consultant shall be entitled to reasonable incurred costs for terminating its activities under this Agreement, including those of its sub-consultants, if this Agreement is terminated for the City's convenience; provided however, in no event shall the City's total liability

to Consultant exceed the total amount of funds which have been appropriated specifically for this agreement.

C. Effect of Termination

1. **Termination Costs.** After receipt of written notification that this Agreement has been terminated under this section, Consultant shall incur no further costs other than reasonable termination costs associated with current activities.

2. **Ownership of Work Product.** In the event of termination, all finished and unfinished Project deliverables prepared by Consultant pursuant to this Agreement shall become the sole property of the City, provided Consultant is compensated in accordance with this Agreement for all work performed in accordance with this Agreement up to the effective date of termination. Consultant shall not be liable with respect to the City's subsequent use of any incomplete work product, provided Consultant has notified the City in writing of the incomplete status of such work product.

3. **City's Right to Set-Off and other Remedies.** Termination shall not relieve Consultant from liability to the City for damages sustained as the result of Consultant's breach of this Agreement; and the City may withhold funds otherwise due under this Agreement in lieu of such damages, until such time as the exact amount of damages, if any, has been determined.

4. If this Agreement terminated for cause as provided in this section and it is subsequently determined that the City's termination of this Agreement for cause was improper, then the termination for cause shall be considered to be a termination for convenience and the procedures in this section related to a termination for convenience shall apply.

Section 10 - Miscellaneous Provisions

A. Consultant, at all times, agrees to observe all applicable Federal and State of Colorado laws including but not limited to 8-17.5-102, C.R.S., Ordinances and Charter Provisions of the City of Aurora, and all rules and regulations issued pursuant thereto, which in any manner affect or govern the services contemplated under this Agreement.

B. Consultant shall not discriminate against any employee or applicant for employment on the basis of race, color, national origin, ancestry, age, sex (gender), religion, creed, or physical or mental disability. Consultant:

1. Shall adhere to lawful equal opportunity guidelines in selecting employees, provided that no person is illegally discriminated against on any of the preceding bases. This provision shall govern, but shall not be limited to, recruitment, employment, promotion, demotion, and transfer, and advertising therefor; layoff or termination; rates of pay or other compensation; and selection for training, including apprenticeship;

2. Shall post, in all places conspicuous to employees and applicants for employment, notices provided by the State of Colorado setting forth the provisions of this

nondiscrimination clause. All solicitations and advertisements for employees placed by or on behalf of the Consultant, shall state that Consultant is an equal opportunity employer;

3. Shall cause the foregoing provisions to be inserted in all subcontracts for any work contemplated by this Agreement or deemed necessary by Consultant, so that such provisions are binding upon each sub-consultant;.

4. Shall keep such records and submit such reports concerning the racial and ethnic origin of employees and of applicants for employment as the United States, the State of Colorado, the City of Aurora, or their respective agencies may require; and,

5. Shall comply with such rules, regulations and guidelines as the United States, the State of Colorado, the City of Aurora, or their respective agencies may issue to implement these requirements.

C. By executing this agreement, Consultant acknowledges an understanding of and expressly agrees that all work performed under this Agreement is that of an independent contractor. An independent contractor is not a City of Aurora employee and as such is not entitled to Workers' Compensation benefits. Consultant is obligated to pay Federal and state income tax on any monies earned pursuant to the contractual relationship. It is expressly understood between the City of Aurora and Consultant that Consultant, as an independent contractor, is not entitled to unemployment insurance benefits unless unemployment compensation coverage is provided by Consultant or some entity other than the City of Aurora, Colorado.

D. All notices, demands, or other documents or instruments required or permitted to be served upon either Party hereto shall be in writing and shall be deemed duly served when delivered in person to an officer or partner of the Party being served, by facsimile transmission or when mailed certified or registered mail, return receipt requested, postage prepaid addressed to parties at the addresses stated below:

City: Office of the City Attorney
15151 East Alameda Parkway
5th Floor
Aurora, Colorado 80012

Consultant Representative:

Section 11 - Examination of Records (This section applies if this Agreement exceeds \$10,000.00.)

A. The Internal Auditor of the City of Aurora, or a duly authorized representative from the City of Aurora shall, until three (3) years after final payment under this Agreement, have access to and the right to examine any of the Consultant's directly pertinent books, documents, papers, or other records involving transactions related to this Agreement.

B. Consultant agrees to include in first-tier sub-consultants under this Agreement a clause to the effect that the City's Internal Auditor, or a duly authorized representative from the City of

Aurora shall, until three (3) years after final payment under the subcontract have access to and the right to examine any of the Consultant's directly pertinent books, documents, papers, or other records involving transactions related to the subcontract. "Subcontract," as used in this clause, excludes (1) purchase orders not exceeding \$10,000.00 and (2) subcontracts or purchase orders from public utility services at rates established to apply uniformly to the public, plus any applicable reasonable connection charge.

C. The periods of access and examination as noted above for records relating to (1) litigation or settlement of claims arising from the performance of this Agreement, or (2) costs and expenses of this Agreement to which the City, acting through its duly authorized designee, has taken exception, shall continue until such appeals, litigation, claims, or exceptions are finally resolved.

Section 12 – Worker Without Authorization

A. **UNLAWFUL EMPLOYEES, CONTRACTORS AND SUBCONTRACTORS:** Consultant shall not knowingly employ or contract with a worker without authorization to perform work under this Contract. Consultant shall not knowingly contract with a subcontractor that: (a) knowingly employs or contracts with a worker without authorization to perform work under this Contract; and (b) fails to certify to the Consultant that the subcontractor will not knowingly employ or contract with such persons to perform work under this Contract.

B. **VERIFICATION REGARDING WORKERS WITHOUT AUTHORIZATION:** By executing this contract, Consultant confirms the employment eligibility of all employees who are newly hired for employment to perform work for this project through participation in either the Federal E-Verify program or the Colorado Department of Labor Department Program.

C. **LIMITATIONS:** Consultant shall be prohibited from using either the Federal E-Verify Program or the Colorado Department of Labor Department Program procedures to undertake pre-employment screening of job applicants.

D. **DUTIES OF CONSULTANT:** If Consultant obtains actual knowledge that a subcontractor performing work under this Contract knowingly employs or contracts with a worker without authorization, the Consultant shall be required to:

1. Notify the subcontractor and the City within three days that the Consultant has actual knowledge that the subcontractor is employing or contracting with a worker without authorization; and

2. Terminate the subcontract with the subcontractor if, within three days of receiving the notice the subcontractor does not stop employing or contracting with a worker without authorization; except that the Consultant shall not terminate the contract with the subcontractor if the subcontractor provides information to establish that the subcontractor has not knowingly employed or contracted with a worker without authorization.

E. **DUTY TO COMPLY WITH STATE INVESTIGATION:** Consultant shall comply with any request made by the Colorado Department of Labor or the City in the course of an investigation that the Department or the City is undertaking

F. **DAMAGES:** Notwithstanding any other provisions within this contract, if the Consultant violates any of the above provisions regarding a worker without authorization the City may terminate this contract for cause and the Consultant may be liable for consequential damages.

Section 13 - Indemnification

A. The Consultant shall indemnify, hold harmless and, not excluding City's right to participate, defend the City, its officials, officers, employees, volunteers and agents from and against all liabilities, actions, losses, claims, damages, costs and expenses, including without limitation reasonable attorney fees and costs, expert witness fees, arising out of or resulting in any way from the performance of Consultant's services for the City and caused by negligent acts, errors, and omissions of the Consultant or any person employed by it or anyone for whose act the Consultant is legally liable.

B. The insurance coverage specified in this Agreement constitutes the minimum requirements and these requirements do not lessen or limit the liability of Consultant hereunder. Consultant shall maintain, at its own expense, any additional kinds and amounts of insurance that it may deem necessary under this Agreement.

C. **Patents Infringement:** The Consultant shall indemnify, defend and hold harmless the City Indemnities from and against all suits or actions for infringement or unauthorized use of any patent, trademark, copyright or trade secret relating to the services under this Agreement. The Consultant's indemnity pursuant to this Section shall apply only when infringement occurs or is alleged to occur from the intended use for which the deliverable material was provided by the Consultant pursuant to this Agreement. Consultant shall not be held liable for any suits or actions of infringement of any patent, trademark, or copyright arising out of any patented or copyrighted materials, methods, or systems specified by the City under the Agreement or Change Order or infringement resulting from unauthorized additions, changes or modifications to the deliverable material made or caused to be made by the City subsequent to delivery by the Consultant. Consultant also agrees to notify the City upon the knowledge of any potential infringement claim, so that the City may provide input on suggested solution.

D. Consultant agrees that it will contractually obligate its sub-consultants to indemnify and hold harmless the indemnitees identified in this Section to the same extent that Consultant is required to indemnify and hold harmless said indemnitees.

In **WITNESS WHEREOF**, the Parties hereto have executed this Agreement as of the day and year first above written.

Attachment 4

INSURANCE REQUIREMENTS

During the term of this Agreement and until final acceptance by the City of all work covered by the Purchase Order or contract, the Consultant performing services under this agreement shall provide, pay for and maintain in full force and effect the types and minimum limits of insurance, as indicated below, covering the Consultant, their employees, subcontractors or representatives, along with the activities of any and all subcontractors retained by the or the activities of anyone employed by any of them, or their representatives or anyone for whose acts they may be liable.

Commercial General Liability Insurance. The Consultant shall maintain commercial general liability insurance covering all operations by or on behalf of the Consultant on a per occurrence basis against claims for personal injury (including bodily injury and death) and property damage (including loss of use). Coverage will include, if appropriate for the scope of services: Personal and Advertising Injury, Contractual Liability and a Waiver of Subrogation. The City, its elected and appointed officials, employees, agents and representatives shall be named as Additional Insureds by endorsement.

Minimum limits:

\$1,000,000 each occurrence
 \$2,000,000 general aggregate
 \$1,000,000 personal and advertising injury

Commercial Automobile Liability Insurance. The Consultant shall maintain business automobile liability covering liability arising out of the operation of any vehicle (including owned, non-owned and hired vehicles) with minimum limits of \$1,000,000 combined single limit each accident, naming the City as an Additional Insured.

Workers' Compensation and Employers Liability Insurance. The Consultant shall maintain Worker's Compensation Insurance with limits in accordance with the provisions of the Workers' Compensation Act, as amended, by the State of Colorado. Additionally, the Consultant shall maintain Employers Liability Insurance with minimum limits of: \$1,000,000 bodily injury for each accident, \$1,000,000 bodily injury by disease each employee and \$1,000,000 bodily injury disease aggregate.

Subcontractor's Insurance It shall be the responsibility of the vendor/consultant to ensure that subcontractors maintain:

- A. Commercial General Liability insurance with minimum limits of \$1,000,000 per occurrence, \$2,000,000 general aggregate and shall name the City of Aurora as an additional insured; and
- B. Worker's Compensation Insurance with limits in accordance with the provisions of the Workers' Compensation Act, as amended, by the State of Colorado and Employers Liability Insurance with minimum limits of: \$1,000,000 bodily injury for each accident, \$1,000,000 bodily injury by disease each employee and \$1,000,000 bodily injury disease aggregate.

The Consultant is responsible for verifying that the subcontractor's insurance is in effect prior to commencement of work and throughout the time that the subcontractor performs work on the project. Any subcontractor which ceases to provide insurance coverage as set forth above must be removed from the project until such time that insurance coverage can be verified as in full force and effect.

Limits of Insurance. The total limits of general or automobile liability and excess liability insurance set forth above may be provided to the City using a combination of primary and excess liability insurance.

Additional Insured and Waiver of Subrogation. The Consultant shall name the City of Aurora, its elected and appointed officials, employees, agents and representatives as additional insureds

by endorsement and provide a waiver of subrogation for the Commercial General Liability, Auto Liability and Excess Liability insurance policies. The certificate of insurance will include these specific requirements along with a copy of the relevant endorsements.

Certificates of Insurance. Upon the execution of this Agreement, the Consultant shall provide certificates of insurance to the City of Aurora demonstrating that at the minimum coverages required herein are in effect. Consultant agrees that the required coverages will not be reduced, canceled, non-renewed or materially changed without Thirty (30) days prior written notice to the City. All certificates of insurance must be kept in force throughout the duration of the services. If any of Vendor's or Consultant's or its subcontractor's coverage is renewed at any time prior to completion of the services, the Consultant shall be responsible for obtaining updated insurance certificates for itself and such subcontractors from the respective insurance carriers and forwarding the replacement certificates to the City within five (5) days of the expiration date of any previously delivered certificate.

The minimum A.M. Best rating of each primary insurer shall be A- X and the minimum A.M. Best rating of each excess insurer shall be A- VIII. The Consultant shall provide copies of insurance policies to the City Risk Manager upon request.

Any of the minimum limits of insurance set out herein may be raised or lowered at the sole discretion of the Risk Manager for the City of Aurora in response to the particular circumstances giving rise to the contract. **The Consultant's policy will be primary and non-contributory with respect to any and all insurance policies purchased by the City.**

In the event that the contract involves professional or consulting services, in addition to the aforementioned insurance requirements, the contract shall also be protected by a Professional Liability Insurance policy as set forth below:

Professional Liability Insurance. The Consultant shall maintain professional liability insurance with minimum limits of Two Million Dollars (\$2,000,000), covering those claims which arise out of the negligent acts or omissions of the Consultant, its Subcontractor and any other parties for whom it may be liable including without limitation, bodily injury, personal injury, property damage and including a contractual liability endorsement specifically applicable to the insurable indemnity obligations set forth herein which Professional Liability Insurance shall be carried on a claims-made basis maintained in full force and effect for the term of this Agreement and, to the extent possible, for a minimum period of Three (3) years after the completion of any and all of Consultant's Services hereunder. Any retroactive date or prior acts exclusion to which such coverage is subject shall pre-date both the date upon which any services hereunder are commenced and the date of this Agreement. In the event that coverage is renewed during the original term of any subsequent term of this agreement, endorsement(s) for the new policy(ies) shall be delivered within five (5) days after renewal.

Re: **Request under the Colorado Open Records Act**
Request for Proposal Number R-2289 – State Lobbying Services

Proposals submitted by Consultant in response to the City of Aurora's Request for Proposal R-2289 are subject to the Colorado Open Records Act. Should the City receive a request for the release of any information in the Consultant's proposal in accordance with the open records law, the City will review the Consultant's proposal, giving consideration to the portions that the Consultant indicated contained trade secrets, privileged information, or confidential commercial, financial, geological, or geophysical data, and may release only that information which has not been identified as confidential and/or proprietary in your proposal pursuant to C.R.S. 24-72-201.

By having an authorized officer of the company sign below, Consultant agrees to indemnify the City of Aurora for any and all attorney fees that the City may incur in defending the withholding of such information.

HISTORY *(Dates reviewed by City council, Policy Committees, Boards and Commissions, or Staff. Summarize pertinent comments. ATTACH MINUTES OF COUNCIL MEETINGS, POLICY COMMITTEES AND BOARDS AND COMMISSIONS.)*

The City of Aurora has historically utilized a third party to provide federal lobbying services. Annual budget for these services is included in the General Management department, specifically within Intergovernmental Relations Division. The Intergovernmental Relations Manager oversees this contract and works closely with the FSIR committee on reporting and service delivery. Most recently, the city issued an RFP for federal lobbying services in the fall of 2018 and ultimately selected Holland & Knight. The city first awarded the federal lobbying contract to Holland & Knight during a competitively bid RFP in the fall of 2014.

ITEM SUMMARY *(Brief description of item, discussion, key points, recommendations, etc.)*

The current federal lobbying services agreement was awarded for 2019, with an initial 1 year period and 3, one-year options to extend. As 2022 represented the third and final option, purchasing procedures require a new RFP be issued for federal lobbying services. That RFP was issued on September 1, 2022. A panel evaluated proposals and recommended Holland & Knight be retained as the city's federal lobbyist. That panel included the following:

Roberto Venegas, Deputy City Manager
Juan Marcano, Councilmember
Angela Lawson, Councilmember (Chair FSIR)
Kathy Kitzmann, Aurora Water
Christina McClelland, Grants Development Manager

Staff is recommending a professional services agreement in the amount of \$120,000 be awarded Holland & Knight for 2023. The RFP for federal lobbying services, including the proposed scope of services and a sample professional services agreement are attached to this commentary.

The evaluation criteria were as follows:

1. Qualifications of the firm in providing lobbying services and experience lobbying Congress and working with federal agencies.
2. Previous and current experience in representing local governments, and references.
3. Qualifications and experience of the personnel to be assigned to the contract.
4. Approach to providing the required services and demonstrated absence of conflicts.
5. Price.

QUESTIONS FOR COUNCIL

Does the City Council approve of the professional services agreement with Holland & Knight for federal lobbying services in 2023?

LEGAL COMMENTS

PUBLIC FINANCIAL IMPACT

☒ YES ☐ NO

If yes, explain: The city budgets in the General Management Department the costs of a third party to provide federal lobbying services.

PRIVATE FISCAL IMPACT

☒ Not Applicable ☐ Significant ☐ Nominal

If Significant or Nominal, explain: N/A

Weeks of October 10 and October 17, 2022	Interviews with short-listed consultants
October 21, 2022	Selection of top-ranked consultant
Week of October 24, 2022	Negotiations with top-ranked consultant completed
November 21, 2022	Award presented to Council at Study Session
November 28, 2022	Council Approval
December 5, 2022	Reconsideration period ends
December 16, 2022	Award Actions Complete

Solicitation Process

This Request for Proposal is being solicited under a multi-step procurement procedure consisting of three phases. The first phase requires all consultants to submit proposals addressing only those items cited in Section II, Proposal Submittal Requirements, of this Request for Proposals. Proposals will be evaluated and ranked based on the evaluation criteria outlined in Section III, Proposal Evaluation to select a short list of consultants for further evaluation. Only those consultants who are placed on the short list on the basis of the evaluation criteria will be considered for the second phase.

During the second phase, in-person interviews will be conducted with the short-listed consultants, exploring any aspect of the consultant's proposal. The short-listed consultants will be provided with additional information regarding the interview process when they are notified of their selection.

In the final phase, negotiations will be held with the consultant ranked the highest by the evaluation committee on the basis of the written proposal and interview. The City and the top ranked consultant will then negotiate the details of the final contract. Should the City be unable to reach an agreement with the top ranked consultant, negotiations will commence with the next ranked consultant. This process will continue until a satisfactory contract is negotiated, or the City exercises its right to reject all proposals.

A recommendation for contract award will be sent to Council for approval. Upon Council approval of the award, the contract is signed and work may begin.

PERIOD OF AWARD

The term of the contract shall be from the date of award through a twelve-month period, and upon the expiration of said period, the contract will terminate automatically, without notice, written or oral. The award period will not exceed a total of thirty-six (36) months, including extensions as appropriate.

EXTENSIONS

The City shall have the option to extend the contract for two (2) additional 12-month periods from the completion date of the original award upon the same terms and conditions. If the City desires to extend the contract, not later than thirty days prior to expiration, the City shall send a notice in writing to the consultant requesting firm pricing for the next twelve-month period. After the City receives the firm pricing proposal from the consultant, it will determine whether to extend the contract. All awards and extensions are subject to annual appropriation of funds. The provisions of the foregoing paragraphs with respect to extension of the term of the contract shall be null and void if the contract has been terminated or revoked during the initial term or any extension thereof.

All decisions to extend the contract are at the option of the City.

AVAILABILITY OF FUNDS FOR NEXT CALENDAR YEAR

Funds are currently not available for the award beyond this current calendar year. Therefore, the City is not obligated under this RFP beyond this current calendar year. This provision is notwithstanding any other provision of the Request for Proposals addressing or affecting the contract period.

LICENSES

The successful consultant, without additional expense to the City, shall be responsible for obtaining any necessary licenses and for complying with any applicable federal, state, and municipal laws, codes and regulations in connection with the prosecution of the services. The successful consultant and any subcontractors, if applicable, will be required to obtain an Aurora Business License. The successful consultant shall provide the Aurora Business License number(s) to Angie Young, Senior Procurement Agent, within thirty (30) days of contract award.

CONFIDENTIALITY

Please be aware that proposals submitted to the City in response to this RFP shall be subject to the Colorado Open Records Act, Section 24-72-201, et seq., C.R.S. Any privileged or confidential information in the Consultant's proposal shall be specifically identified as such by the Consultant. If any information is considered to be confidential, the Consultant shall agree to indemnify the City for any and all attorney fees the City may incur in defending the withholding of such information by signing and returning the letter found as Section VII to this RFP. Should the City receive a request for the release of any information in the Consultant's proposal in accordance with the open records law, the City will review the Consultant's proposal, giving consideration to the portions that the Consultant indicated contained trade secrets, privileged information, or confidential commercial, financial, geological, or geophysical data, and may release only that information which has not been identified as confidential so long as Section VII has been signed and returned by the Consultant along with the proposal. Should the Consultant choose not to sign and return Section VII, all information in the Consultant's proposal shall be considered releasable by the City. If, in the opinion of City's legal counsel, the City is nonetheless compelled to disclose any portion of such information to anyone or else stand liable for contempt or suffer censure or penalty, the City may disclose such information without liability.

ADDENDA TO THE REQUEST FOR PROPOSAL

The City of Aurora reserves the right to amend, by an addendum or addenda to this RFP, **at any time and/or a multiple number of times** prior to the date set for receipt of the submission of proposals. Addenda or amendments will only be posted and updated on the Rocky Mountain E-Purchasing System located at <http://www.bidnetdirect.com/colorado>. It shall be the responsibility of Consultants to obtain all addenda from the Rocky Mountain E-Purchasing System. **Parties obtaining RFP information from other sources do so understanding that their information may be incomplete, inaccurate, or out of date and therefore wholly unreliable from a commercial perspective.** Consultants registered for the paid bidding notification service shall be notified either by fax or email depending on the service that they have subscribed to. It shall be the responsibility of prospective Consultants registered for the no charge, no notification service on the Rocky Mountain E-Purchasing System to monitor the Rocky Mountain E-Purchasing System for any addenda. **Failure to do so may lead to reliance on incomplete, inaccurate, or out of date information when submitting proposals subjecting such proposals to automatic disqualification from consideration.** If revisions are of such a magnitude to warrant, in the City of Aurora's opinion, the postponement of the date for receipt of proposals, an addendum will be issued announcing the new date.

STANDARD PROFESSIONAL SERVICES AGREEMENT

Included in this package is a sample of the standard "Professional Services Agreement," used by the City. The consultant awarded a contract will be asked to execute this Agreement prior to commencing the services.

SPECIAL CONDITIONS

Please refer to enclosed "Special Conditions" for any/all additional terms and conditions relevant to this Request for Proposals as appropriate to the City's specific requirements and/or application.

ADDITIONAL INFORMATION

Proposals will be considered only from consultants or individuals that are firmly established in an appropriate business, who are financially responsible, and who have the resources and ability to offer services in a professional and expedient manner. The City may request additional information as deemed necessary. Failure to provide such information may result in the proposal being considered non-responsive.

The City of Aurora reserves the right to reject any and all proposals, to waive any informalities in the proposals received, and to accept the proposal deemed most advantageous to the best interest of the City.

QUESTIONS

Questions regarding this RFP shall be accepted by e-mail only to Angie Young, Purchasing Services, at ayoung@auroragov.org no later than September 13, 2022 at 5:00 p.m. MT. It is preferred that all inquiries be sent with the subject title: **Federal Lobbying Services (R-2290)**. Questions received after this date and time may not be addressed.

CONTACTS DURING THE SOLICITATION PROCESS

ANY QUESTIONS, COMMENTS, OR OTHER COMMUNICATIONS SHALL BE DIRECTED TO ANGIE YOUNG. NO OTHER CONTACT SHALL BE MADE REGARDING THIS RFP WITH ANY OTHER CITY STAFF, COUNCIL MEMBERS, AGENTS, CONSULTANTS, ETC. DURING THE RFP PROCESS. FAILURE TO COMPLY WITH THIS REQUIREMENT MAY RESULT IN THE OFFENDING CONSULTANT BEING REMOVED FROM CONSIDERATION.

CONSULTANT ACCEPTANCE OF THE REQUEST FOR PROPOSALS

By submitting a proposal in response to this Request for Proposals, the Consultant accepts all of the conditions described in this Request for Proposals, including the Professional Services Agreement, and agrees to abide by all final decisions made by the City.

Respectfully,

CITY OF AURORA, COLORADO

Angie Young
Senior Procurement Agent

SECTION I

SCOPE OF SERVICES

FEDERAL LOBBYING SERVICES FOR THE CITY OF AURORA

The consultant shall perform lobbying services for the City of Aurora as follows:

1. Establish communications mechanism to use with City staff, City Council, and City Council Federal, State & Intergovernmental Relations (FSIR) Committee.
2. Work with the City to let Aurora's Congressional delegation know that the consultant will represent Aurora on federal issues.
3. Monitor federal legislation and agency regulatory action; alert City staff and Council to potential opportunities and concerns. Provide policy and strategic advice for city engagement and response.
4. Keep City staff and Council apprised of major federal funding opportunities (appropriations requests, grants, etc.) available to the City, including information related to the application process, deadlines and requirements as appropriate. Assist with grant advocacy including letters of support.
5. Maintain regular contact with Aurora's Congressional delegation and identify opportunities for City Council and staff to work collaboratively with members of Congress and their staff.
6. Represent the City of Aurora's position with the federal executive branch when working collaboratively on or resolving issues as they may arise.
7. Regularly attend meetings of the city council Federal, State, & Intergovernmental Relations (FSIR) committee – generally twice per month during the legislative session, and once per month during the interim.
8. Work with national organizations including the US Conference of Mayors and National League of Cities to find opportunities for elected officials to engage and build coalitions with other stakeholders as needed.
9. Assist with arrangements for the Mayor, City Council, and staff when visiting Washington, DC, including coordinating meetings with federal leaders.
10. Federal lobbying contract includes issues involving the water and/or utilities department.
11. The consultant must have a local (Aurora/Denver) presence.

SECTION II

PROPOSAL SUBMITTAL REQUIREMENTS

Each proposal shall include responses to the following:

1. Company

Describe the background of your firm, the number of years the firm has been in business, owners, management personnel, etc. Describe the company's previous and current experience in representing local governments.

2. Professional Experience

Provide the name and role of each individual who would be assigned to the City's contract. Identify the individual who would serve as the City's primary contact. In addition, please provide a brief educational and professional background as well as a description of experience with large municipalities for these individuals, and experience relating specifically to lobbying services.

3. Approach

Describe your firm's approach to providing the required services. Provide your current client list and how your firm will accommodate the needs of all its clients. Please identify any potential conflicts with existing or future clients and how they will be addressed.

4. References

Provide at least three (3) client references for similar requirements. These references should reflect services provided by the individuals proposed for the City's contract.

5. Price

Provide a fixed annual retainer fee and a breakdown of estimated expenses.

Requested – Completed Request for Business Size Status (Section VI of this Request for Proposals).

Optional – Completed Letter of Indemnification for Withholding Confidential Information (Section VII of this Request for proposals).

Requested – Completed W-9, Request for Taxpayer Identification Number and Certification (Section VIII of this Request for Proposals).

SECTION III

PROPOSAL EVALUATION

Proposals will be evaluated based on the following criteria:

1. Qualifications of the firm in providing lobbying services and experience lobbying Congress and working with federal agencies. (20 points)
2. Previous and current experience in representing local governments, and references. (20 points)
3. Qualifications and experience of the personnel to be assigned to the contract. (20 points)
4. Approach to providing the required services and demonstrated absence of conflicts. (20 points)
5. Price. (20 points)

SECTION IV

SPECIAL CONDITIONS

GENERAL INFORMATION

Reimbursement will not be made for costs incurred prior to a formal award. The proposal must be comprehensive and specify how the consultant would complete all of the elements of the "Scope of Services".

SAMPLE PROFESSIONAL SERVICES AGREEMENT

Included in this package is a sample of the standard "Professional Services Agreement", used by the City. The consultant awarded a contract will be asked to execute this Agreement prior to commencing the services.

INSURANCE REQUIREMENTS

Attached to the sample "Professional Services Agreement" is a copy of the City's current insurance requirements (Form 410-33).

INDEPENDENT CONTRACTOR

The successful consultant is an independent contractor. **THE INDEPENDENT CONTRACTOR IS NOT ENTITLED TO WORKERS' COMPENSATION BENEFITS. AN INDEPENDENT CONTRACTOR IS OBLIGATED TO PAY FEDERAL AND STATE INCOME TAX ON ANY MONIES EARNED PURSUANT TO THE CONTRACT RELATIONSHIP. ADDITIONALLY, IT IS UNDERSTOOD THAT THE INDEPENDENT CONTRACTOR IS NOT ENTITLED TO UNEMPLOYMENT INSURANCE BENEFITS UNLESS UNEMPLOYMENT COMPENSATION COVERAGE IS PROVIDED BY THE INDEPENDENT CONTRACTOR OR SOME ENTITY OTHER THAN THE CITY OF AURORA, COLORADO.**

SUBLETTING OF CONTRACT

The Consulting Firm will agree not to assign or sublet the whole or any part of the contract without the prior written consent of the City.

CHANGES IN SCOPE OF SERVICES

The Project Manager will agree that any change of scope in the work to be performed after the original contract has been signed shall be documented as a written change order, be accepted by all parties, and made a part of the original contract by addendum.

AGREEMENT

This Agreement is made as of the _____ day of _____, 20_____, by and between the City of Aurora, Colorado ("City"), and _____ ("Consultant"), with a principal place of business at _____.

WHEREAS, the City intends that Consultant shall perform professional services for the City; and

WHEREAS, Consultant represents that it has the present capacity, is experienced and qualified to perform professional services for the City as hereinafter provided in this Agreement;

NOW, THEREFORE, in consideration of the promises and mutual covenants and obligations set forth herein, the Parties mutually agree as follows:

Section 1 – Scope of Work

A. Consultant agrees to provide professional services as stated in the scope of work ("Work") specified in **Attachment 1**, attached hereto and incorporated into this Agreement.

B. The City shall have the right to disapprove any portion of Consultant's Work on the Project which does not comply with the requirements of this Agreement. If any portion of the Work is not approved by the City, Consultant shall proceed when requested by the City with revisions to the Work to attempt to satisfy the City's objections. If said revised Work is acceptable, the City will provide prompt written approval. Correction or completion of Work which does not comply with the requirements of this Agreement shall be made without adjustments to the compensation for Consultant's services provided for hereunder unless the revisions are made to Work previously approved for previous tasks, in which case, Consultant's compensation shall be adjusted. It is the intent of the parties that Consultant shall promptly correct any defective, inaccurate or incomplete tasks, deliverables, services or other work, without additional cost to the City. The acceptance of Consultant's services by the City shall not relieve Consultant from the obligation to correct subsequently discovered defects, inaccuracies or incompleteness resulting from Consultant's negligent acts, errors or omissions.

C. Nothing in this Agreement shall be construed as placing any obligation on the City to proceed with any tasks beyond those which have been specifically authorized in writing by the City.

D. The City may, from time to time and in conjunction with Consultant, request changes in the scope of the services of the Consultant to be performed herein. Changes may include, but not be limited to, the type and scope of services provided by Consultant and the quantity or quality of Consultant's staffing for required services. Such changes, including any increase in the amount of the Consultant's compensation, which are mutually agreed upon between the City and Consultant, shall be incorporated in written change orders, amendments or extensions to this Agreement.

Section 2 - Authority

A. _____, ("Project Manager") is the City's Project Manager and the City's authorized representative. The Project Manager is responsible for authorizing and approving all Work performed under this Agreement. All Work to be performed by Consultant shall be authorized in writing by the Project Manager as provided by this Agreement. All communications related to the Project shall be with the Project Manager and, in his absence, a person to be designated by him. The Project Manager is authorized to make decisions on behalf of the City related to the Work. The Project Manager shall be responsible for the day-to-day administration, coordination and approval of Work performed by Consultant, except for approvals which are specifically identified in this Agreement as requiring the approval of City of Aurora's City Council.

B. _____ ("Consultant's Representative") is Consultant's representative for the Work. Consultant's Representative shall have sufficient authority to represent and bind Consultant in those instances when such authority is necessary to carry out Consultant's responsibilities and obligations under the terms of this Agreement.

Section 3 - Schedule

A. In performing professional services pursuant to this Agreement, Consultant acknowledges that timely completion of the Work is critical and time is of the essence. Accordingly, all services to be performed under this Agreement shall be commenced immediately upon execution of this Agreement by the parties hereto, approval by the City as required by applicable law, issuance of a Purchase Order from the City, and in accordance with the milestone schedule set forth in **Attachment 2**, attached hereto and incorporated into this Agreement.

B. The initial term of this Agreement shall run from the date of approval by the Aurora City Council and issuance of a notice to proceed until _____. Subject to the availability of appropriated funds, as provided elsewhere in this Agreement, and agreement between the City and Consultant concerning additional and/or continuing Work, as reflected in additional or revised scope(s) of work, this Agreement may be extended on an annual basis by the City by a written notice to Consultant after approval by the City Council.

Section 4 - Compensation

A. The compensation to be paid Consultant under this Agreement, as provided hereinafter, covers the entire cost of the professional services under this Agreement. The initial compensation of this Agreement shall not exceed _____ (\$0.00) as more fully set forth in **Attachment 3**, attached hereto and incorporated into this Agreement. Consultant agrees to cooperate fully with the City to keep the total compensation within this limit.

B. This Agreement is subject to annual appropriation by the Aurora City Council and, in the absence of appropriated funds, the City may terminate this Agreement. The City has appropriated money for the 20____ fiscal year at least equal to the foregoing annual compensation for this work. The City may, from time to time and in its sole discretion, appropriate additional amounts to reflect extensions of this Agreement beyond the close of the 20_ fiscal year and additional and/or continuing scope(s) of work. Notwithstanding any other language in this Agreement, City shall issue no Change Order or other form of order or directive requiring additional compensable

work that will cause the foregoing annual compensation to exceed the amount appropriated unless City gives Consultant written assurance that City has made lawful appropriations to cover the costs of the additional work.

C. Nothing in this Agreement is a pledge of the City's credit, or a payment guarantee by the City to Consultant. The obligation of the City to make payments hereunder shall constitute a currently budgeted expense of the City, and nothing contained herein shall constitute a mandatory liability, charge, or requirement of or against the City in any ensuing fiscal year beyond the then current fiscal year. This Agreement shall never constitute a general obligation or other indebtedness of the City, or a multiple fiscal year direct or indirect debt or other financial obligation whatsoever of the City within the meaning of the Constitution and laws of the State of Colorado or of the Charter and ordinances of the City. In the event of a default by the City of any of its obligations under this Agreement, the Consultant shall have no recourse against any revenues of the City. Notwithstanding any language herein to the contrary, nothing in this Agreement shall be construed as creating a lien against any revenues of the City.

D. The City shall pay Consultant in accordance with the terms of this Agreement as reflected in the Fee Schedule set forth in **Attachment 3**.

E. Consultant shall submit monthly invoices to be approved by the City's Project Manager. Consultant shall submit its monthly invoices no later than close of business on the fourteenth (14th) calendar day of the month after which the work was performed; provided, however, that if that day falls on a weekend or holiday, then monthly invoices shall be submitted no later than close of business on the next regular business day of the month. Upon submission of an approved Consultant invoice, in the proper form, to the City, payment shall be issued. It is to be understood and agreed that the City may require up to thirty (30) days to process payment after date of receipt of invoicing.

Section 5 - Staffing

A. The Consultant personnel listed below are essential to the proper performance of the services under this Agreement:

<u>Name</u>	<u>Title</u>
--------------------	---------------------

The above-identified individuals are key persons and will be available to perform the Work. Consultant agrees to make key personnel available as required to perform the Work as long as such persons are employed by Consultant. Consultant shall obtain the prior written approval of the City before appointing other Consultant personnel as a substitute(s) for the above-named key personnel. The City reserves the right to reject proposed replacement personnel, or require the replacement of any Consultant personnel; however such City action shall not subject the City to any liability to Consultant nor be used by Consultant as an excuse for failure to meet the requirements of this Agreement.

B. Consultant shall insure the quality, timeliness, and continuity of services are maintained through the duration of the project. Consultant shall avoid changes to the key personnel to the extent possible.

C. Consultant shall inform the City in writing of any non-employee persons or firms it intends to hire to perform any Work required by this Agreement and shall keep the City informed of any changes or additions to this information. The City shall approve in writing any additional firms prior to commencement of Work. Consultant shall be responsible for any Work performed under this Agreement, including that portion of the Work performed by other individuals or firms. Nothing contained herein shall create any contractual relationship between any additional persons and/or firm(s) and the City.

Section 6 - Insurance

A. Consultant shall provide the appropriate certificates of insurance and Worker Compensation documents, at no cost to the City, as described in **Attachment 4**. The Consultant further agrees and understands that they are to maintain and keep in force the appropriate insurance policies throughout the term of this Agreement.

B. Consultant shall be responsible for any injury to persons or damage to property to the extent arising from negligent or otherwise wrongful acts, errors and omissions of Consultant, its agents and employees. If Consultant knows of the damage Consultant shall immediately notify the City. If the City discovers the damage, City will notify Consultant immediately. Repair shall be accomplished under City direction and to City specifications so property is in as good or better condition than before damage. Consultant shall provide the City with a certificate of liability coverage in accordance per the attached form 410-33, **Attachment 4**.

C. The Consultant's policy will be primary and non-contributory with respect to any and all insurance policies purchased by the City.

D. Nothing herein is intended to be construed or shall be construed to be a waiver of the City's governmental immunity under Section 24-10-101 et. seq., C.R.S. as amended.

Section 7 - The City's Responsibilities

A. The City shall:

1. Provide necessary information to Consultant to facilitate Consultant in performing the Work;
2. Give prompt notice to Consultant whenever the City observes or otherwise becomes aware of any deficiencies or discrepancies in the services provided;
3. Furnish, or direct Consultant to provide, at the City's expense, any necessary additional services;
4. Examine all documents submitted by Consultant, and, if requested by Consultant, provide comments and decisions in a timely manner in order to allow the Consultant's work to proceed.

B. Consultant shall not be liable for delays in performing the Work when such delays are caused by the City, the City's other Consultants, or by events which are outside of the control of the Parties and which events could not be avoided by the exercise of due care.

Section 8 - Mutual Obligations

- A. This Agreement does not guarantee to Consultant any additional or future work except as expressly authorized herein.
- B. This Agreement does not create or imply an exclusive agreement between Consultant and the City.
- C. The services and any and all interests contemplated under this Agreement shall not be assigned or otherwise transferred except with the written consent of the City.
- D. All documents of any nature prepared by Consultant in connection with the services provided by Consultant under the terms of this Agreement shall become the property of the City.
- E. Consultant shall not utilize work product, data, information, results, and materials produced as part of its efforts under this Agreement for any promotional or public relations purposes whatsoever without the express, prior, written consent of the City.

Section 9 - Termination

- A. Termination for Cause - In the event a material breach of this Agreement remains uncured following written notice of said breach by City, the City may immediately terminate this Agreement upon written notice specifying the effective date thereof; provided however, the City may, in its discretion and for good cause, allow Consultant to cure any breach or submit an acceptable plan to cure such breach within ten (10) days of such written notice.
- B. Termination for Convenience
 - 1. Change in City Policy. The City may terminate this Agreement at any time upon thirty (30) days notice specifying the date thereof, provided Consultant shall be compensated in accordance with this Agreement for all work performed up to the effective date of termination.
 - 2. The City's total liability under this Agreement, inclusive of termination costs, shall not exceed the lesser of total amount of this Agreement or the total amount of funds which have been appropriated specifically for this Agreement.
 - 3. Consultant shall be entitled to reasonable incurred costs for terminating its activities under this Agreement, including those of its sub-consultants, if this Agreement is terminated for the City's convenience; provided however, in no event shall the City's total liability to Consultant exceed the total amount of funds which have been appropriated specifically for this agreement.
- C. Effect of Termination

1. Termination Costs. After receipt of written notification that this Agreement has been terminated under this section, Consultant shall incur no further costs other than reasonable termination costs associated with current activities.

2. Ownership of Work Product. In the event of termination, all finished and unfinished Project deliverables prepared by Consultant pursuant to this Agreement shall become the sole property of the City, provided Consultant is compensated in accordance with this Agreement for all work performed in accordance with this Agreement up to the effective date of termination. Consultant shall not be liable with respect to the City's subsequent use of any incomplete work product, provided Consultant has notified the City in writing of the incomplete status of such work product.

3. City's Right to Set-Off and other Remedies. Termination shall not relieve Consultant from liability to the City for damages sustained as the result of Consultant's breach of this Agreement; and the City may withhold funds otherwise due under this Agreement in lieu of such damages, until such time as the exact amount of damages, if any, has been determined.

4. If this Agreement terminated for cause as provided in this section and it is subsequently determined that the City's termination of this Agreement for cause was improper, then the termination for cause shall be considered to be a termination for convenience and the procedures in this section related to a termination for convenience shall apply.

Section 10 - Miscellaneous Provisions

A. Consultant, at all times, agrees to observe all applicable Federal and State of Colorado laws including but not limited to 8-17.5-102, C.R.S., Ordinances and Charter Provisions of the City of Aurora, and all rules and regulations issued pursuant thereto, which in any manner affect or govern the services contemplated under this Agreement.

B. Consultant shall not discriminate against any employee or applicant for employment on the basis of race, color, national origin, ancestry, age, sex (gender), religion, creed, or physical or mental disability. Consultant:

1. Shall adhere to lawful equal opportunity guidelines in selecting employees, provided that no person is illegally discriminated against on any of the preceding bases. This provision shall govern, but shall not be limited to, recruitment, employment, promotion, demotion, and transfer, and advertising therefor; layoff or termination; rates of pay or other compensation; and selection for training, including apprenticeship;

2. Shall post, in all places conspicuous to employees and applicants for employment, notices provided by the State of Colorado setting forth the provisions of this nondiscrimination clause. All solicitations and advertisements for employees placed by or on behalf of the Consultant, shall state that Consultant is an equal opportunity employer;

3. Shall cause the foregoing provisions to be inserted in all subcontracts for any work contemplated by this Agreement or deemed necessary by Consultant, so that such provisions are binding upon each sub-consultant;.

4. Shall keep such records and submit such reports concerning the racial and ethnic origin of employees and of applicants for employment as the United States, the State of Colorado, the City of Aurora, or their respective agencies may require; and,

5. Shall comply with such rules, regulations and guidelines as the United States, the State of Colorado, the City of Aurora, or their respective agencies may issue to implement these requirements.

C. By executing this agreement, Consultant acknowledges an understanding of and expressly agrees that all work performed under this Agreement is that of an independent contractor. An independent contractor is not a City of Aurora employee and as such is not entitled to Workers' Compensation benefits. Consultant is obligated to pay Federal and state income tax on any monies earned pursuant to the contractual relationship. It is expressly understood between the City of Aurora and Consultant that Consultant, as an independent contractor, is not entitled to unemployment insurance benefits unless unemployment compensation coverage is provided by Consultant or some entity other than the City of Aurora, Colorado.

D. All notices, demands, or other documents or instruments required or permitted to be served upon either Party hereto shall be in writing and shall be deemed duly served when delivered in person to an officer or partner of the Party being served, by facsimile transmission or when mailed certified or registered mail, return receipt requested, postage prepaid addressed to parties at the addresses stated below:

City: Office of the City Attorney
15151 East Alameda Parkway
5th Floor
Aurora, Colorado 80012

Consultant Representative:

Section 11 - Examination of Records (This section applies if this Agreement exceeds \$10,000.00.)

A. The Internal Auditor of the City of Aurora, or a duly authorized representative from the City of Aurora shall, until three (3) years after final payment under this Agreement, have access to and the right to examine any of the Consultant's directly pertinent books, documents, papers, or other records involving transactions related to this Agreement.

B. Consultant agrees to include in first-tier sub-consultants under this Agreement a clause to the effect that the City's Internal Auditor, or a duly authorized representative from the City of Aurora shall, until three (3) years after final payment under the subcontract have access to and the right to examine any of the Consultant's directly pertinent books, documents, papers, or other records involving transactions related to the subcontract. "Subcontract," as used in this clause, excludes (1) purchase orders not exceeding \$10,000.00 and (2) subcontracts or purchase orders from public utility services at rates established to apply uniformly to the public, plus any applicable reasonable connection charge.

C. The periods of access and examination as noted above for records relating to (1) litigation or settlement of claims arising from the performance of this Agreement, or (2) costs and expenses of this Agreement to which the City, acting through its duly authorized designee,

has taken exception, shall continue until such appeals, litigation, claims, or exceptions are finally resolved.

Section 12 – Worker Without Authorization

A. **UNLAWFUL EMPLOYEES, CONTRACTORS AND SUBCONTRACTORS:** Consultant shall not knowingly employ or contract with a worker without authorization to perform work under this Contract. Consultant shall not knowingly contract with a subcontractor that: (a) knowingly employs or contracts with a worker without authorization to perform work under this Contract; and (b) fails to certify to the Consultant that the subcontractor will not knowingly employ or contract with such persons to perform work under this Contract.

B. **VERIFICATION REGARDING WORKERS WITHOUT AUTHORIZATION:** By executing this contract, Consultant confirms the employment eligibility of all employees who are newly hired for employment to perform work for this project through participation in either the Federal E-Verify program or the Colorado Department of Labor Department Program.

C. **LIMITATIONS:** Consultant shall be prohibited from using either the Federal E-Verify Program or the Colorado Department of Labor Department Program procedures to undertake pre-employment screening of job applicants.

D. **DUTIES OF CONSULTANT:** If Consultant obtains actual knowledge that a subcontractor performing work under this Contract knowingly employs or contracts with a worker without authorization, the Consultant shall be required to:

1. Notify the subcontractor and the City within three days that the Consultant has actual knowledge that the subcontractor is employing or contracting with a worker without authorization; and

2. Terminate the subcontract with the subcontractor if, within three days of receiving the notice the subcontractor does not stop employing or contracting with a worker without authorization; except that the Consultant shall not terminate the contract with the subcontractor if the subcontractor provides information to establish that the subcontractor has not knowingly employed or contracted with a worker without authorization.

E. **DUTY TO COMPLY WITH STATE INVESTIGATION:** Consultant shall comply with any request made by the Colorado Department of Labor or the City in the course of an investigation that the Department or the City is undertaking

F. **DAMAGES:** Notwithstanding any other provisions within this contract, if the Consultant violates any of the above provisions regarding a worker without authorization the City may terminate this contract for cause and the Consultant may be liable for consequential damages.

Section 13 - Indemnification

A. The Consultant shall indemnify, hold harmless and, not excluding City's right to participate, defend the City, its officials, officers, employees, volunteers and agents from and against all liabilities, actions, losses, claims, damages, costs and expenses, including without limitation

reasonable attorney fees and costs, expert witness fees, arising out of or resulting in any way from the performance of Consultant's services for the City and caused by negligent acts, errors, and omissions of the Consultant or any person employed by it or anyone for whose act the Consultant is legally liable.

B. The insurance coverage specified in this Agreement constitutes the minimum requirements and these requirements do not lessen or limit the liability of Consultant hereunder. Consultant shall maintain, at its own expense, any additional kinds and amounts of insurance that it may deem necessary under this Agreement.

C. Patents Infringement: The Consultant shall indemnify, defend and hold harmless the City Indemnities from and against all suits or actions for infringement or unauthorized use of any patent, trademark, copyright or trade secret relating to the services under this Agreement. The Consultant's indemnity pursuant to this Section shall apply only when infringement occurs or is alleged to occur from the intended use for which the deliverable material was provided by the Consultant pursuant to this Agreement. Consultant shall not be held liable for any suits or actions of infringement of any patent, trademark, or copyright arising out of any patented or copyrighted materials, methods, or systems specified by the City under the Agreement or Change Order or infringement resulting from unauthorized additions, changes or modifications to the deliverable material made or caused to be made by the City subsequent to delivery by the Consultant. Consultant also agrees to notify the City upon the knowledge of any potential infringement claim, so that the City may provide input on suggested solution.

D. Consultant agrees that it will contractually obligate its sub-consultants to indemnify and hold harmless the indemnitees identified in this Section to the same extent that Consultant is required to indemnify and hold harmless said indemnitees.

In **WITNESS WHEREOF**, the Parties hereto have executed this Agreement as of the day and year first above written.

Attachment 4

INSURANCE REQUIREMENTS

During the term of this Agreement and until final acceptance by the City of all work covered by the Purchase Order or contract, the Consultant performing services under this agreement shall provide, pay for and maintain in full force and effect the types and minimum limits of insurance, as indicated below, covering the Consultant, their employees, subcontractors or representatives, along with the activities of any and all subcontractors retained by the or the activities of anyone employed by any of them, or their representatives or anyone for whose acts they may be liable.

Commercial General Liability Insurance. The Consultant shall maintain commercial general liability insurance covering all operations by or on behalf of the Consultant on a per occurrence basis against claims for personal injury (including bodily injury and death) and property damage (including loss of use). Coverage will include, if appropriate for the scope of services: Personal and Advertising Injury, Contractual Liability and a Waiver of Subrogation. The City, its elected and appointed officials, employees, agents and representatives shall be named as Additional Insureds by endorsement.

Minimum limits:

\$1,000,000 each occurrence
 \$2,000,000 general aggregate
 \$1,000,000 personal and advertising injury

Commercial Automobile Liability Insurance. The Consultant shall maintain business automobile liability covering liability arising out of the operation of any vehicle (including owned, non-owned and hired vehicles) with minimum limits of \$1,000,000 combined single limit each accident, naming the City as an Additional Insured.

Workers' Compensation and Employers Liability Insurance. The Consultant shall maintain Worker's Compensation Insurance with limits in accordance with the provisions of the Workers' Compensation Act, as amended, by the State of Colorado. Additionally, the Consultant shall maintain Employers Liability Insurance with minimum limits of: \$1,000,000 bodily injury for each accident, \$1,000,000 bodily injury by disease each employee and \$1,000,000 bodily injury disease aggregate.

Subcontractor's Insurance It shall be the responsibility of the vendor/Consultant to ensure that subcontractors maintain:

- A. Commercial General Liability insurance with minimum limits of \$1,000,000 per occurrence, \$2,000,000 general aggregate and shall name the City of Aurora as an additional insured; and
- B. Worker's Compensation Insurance with limits in accordance with the provisions of the Workers' Compensation Act, as amended, by the State of Colorado and Employers Liability Insurance with minimum limits of: \$1,000,000 bodily injury for each accident, \$1,000,000 bodily injury by disease each employee and \$1,000,000 bodily injury disease aggregate.

The Consultant is responsible for verifying that the subcontractor's insurance is in effect prior to commencement of work and throughout the time that the subcontractor performs work on the project. Any subcontractor which ceases to provide insurance coverage as set forth above must be removed from the project until such time that insurance coverage can be verified as in full force and effect.

Limits of Insurance. The total limits of general or automobile liability and excess liability insurance set forth above may be provided to the City using a combination of primary and excess liability insurance.

Additional Insured and Waiver of Subrogation. The Consultant shall name the City of Aurora, its elected and appointed officials, employees, agents and representatives as additional insureds by endorsement and provide a waiver of subrogation for the Commercial General Liability, Auto Liability and Excess Liability insurance policies. The certificate of insurance will include these

specific requirements along with a copy of the relevant endorsements.

Certificates of Insurance. Upon the execution of this Agreement, the Consultant shall provide certificates of insurance to the City of Aurora demonstrating that at the minimum coverages required herein are in effect. Consultant agrees that the required coverages will not be reduced, canceled, non-renewed or materially changed without Thirty (30) days prior written notice to the City. All certificates of insurance must be kept in force throughout the duration of the services. If any of Vendor's or Consultant's or its subcontractor's coverage is renewed at any time prior to completion of the services, the Consultant shall be responsible for obtaining updated insurance certificates for itself and such subcontractors from the respective insurance carriers and forwarding the replacement certificates to the City within five (5) days of the expiration date of any previously delivered certificate.

The minimum A.M. Best rating of each primary insurer shall be A- X and the minimum A.M. Best rating of each excess insurer shall be A- VIII. The Consultant shall provide copies of insurance policies to the City Risk Manager upon request.

Any of the minimum limits of insurance set out herein may be raised or lowered at the sole discretion of the Risk Manager for the City of Aurora in response to the particular circumstances giving rise to the contract. **The Consultant's policy will be primary and non-contributory with respect to any and all insurance policies purchased by the City.**

In the event that the contract involves professional or consulting services, in addition to the aforementioned insurance requirements, the contract shall also be protected by a Professional Liability Insurance policy as set forth below:

Professional Liability Insurance. The Consultant shall maintain professional liability insurance with minimum limits of Two Million Dollars (\$2,000,000), covering those claims which arise out of the negligent acts or omissions of the Consultant, its Subcontractor and any other parties for whom it may be liable including without limitation, bodily injury, personal injury, property damage and including a contractual liability endorsement specifically applicable to the insurable indemnity obligations set forth herein which Professional Liability Insurance shall be carried on a claims-made basis maintained in full force and effect for the term of this Agreement and, to the extent possible, for a minimum period of Three (3) years after the completion of any and all of Consultant's Services hereunder. Any retroactive date or prior acts exclusion to which such coverage is subject shall pre-date both the date upon which any services hereunder are commenced and the date of this Agreement. In the event that coverage is renewed during the original term of any subsequent term of this agreement, endorsement(s) for the new policy(ies) shall be delivered within five (5) days after renewal.

ITEM SUMMARY *(Brief description of changes or updates with documents included.)*

There were two ammendments on the floor at the 10/24/2022 City Council Meeting.

Mayor Coffman also made some changes. Please see the Navigation Center_Homelessness Initiative Resolution.

RESOLUTION NO. R2022- _____

A RESOLUTION FROM THE CITY COUNCIL OF THE CITY OF AURORA, COLORADO, EXPRESSING THE AURORA CITY COUNCIL’S DESIRE TO REDUCE THE NUMBER OF PEOPLE EXPERIENCING HOMELESSNESS THROUGH EMPLOYMENT-FOCUSED PROGRAMMING AND CONDITIONS-BASED TRANSITIONAL HOUSING THAT LEADS TO SELF-SUFFICIENCY. THE CITY COUNCIL DIRECTS THE CITY MANAGER AND HIS STAFF TO SUPPORT THIS EFFORT BY DEVELOPING AND EXECUTING A COMPREHENSIVE APPROACH THAT ALIGNS WITH THE NECESSARY SUPPORT TO MEET THE NEEDS OF THE DIVERSE HOMELESS POPULATION OF THE AREA.

WHEREAS, every person, experiencing homelessness, who wants support to transform their lives and achieve self-sufficiency should have access to the necessary support; and

WHEREAS, it is inhumane and far more expensive to allow people experiencing homelessness to languish on the streets than it is to provide shelter with supportive services to this population; and

WHEREAS, the Aurora City Council (City Council) believes, that providing an approach of supportive services with defined expectations and incentives can transform the lives of people experiencing homelessness and put them on a path toward self-sufficiency; and

WHEREAS, the City Council wants to expand offerings to include employment-focused programming and conditions-based transitional housing to increase the number of people who exit homelessness on an annual basis; and

WHEREAS, the City of Aurora’s (City) resources are limited; and

WHEREAS, the City Council desires to spur innovation and the creation of more impactful and cost-effective solutions from community stakeholders and directs the City Manager and his staff to engage this approach; and

WHEREAS, the City Council establishes an Initiative to broaden options for people experiencing homelessness that include access to supportive services tailored to the needs of the individual, workforce training, and expectations-based transitional housing that lead to self-sufficiency.

WHEREAS, the purpose of the Initiative is to engage with all people experiencing homelessness and provide opportunities for their diverse needs to be met through a range of interventions

WHEREAS, the City will continue to provide emergency shelter to those in need; and

WHEREAS, the goal of the Initiative is the reduction of homelessness and an increase in employment outcomes; and

WHEREAS, the City Council’s long-term goal is to facilitate people who have experienced homelessness to move towards self-sufficiency; and

WHEREAS, the City shall require navigation plans for those that enter the City’s Initiative. These plans will be short term plans to set goals for immediate action towards the resolution of their homelessness; and

WHEREAS, the City shall be responsible for identifying an alternative location to provide for the needs of homeless families while providing emergency shelter until a transfer can occur; and

WHEREAS, the City Council directs the City Manager and the departments he oversees to support this Initiative through all their efforts; and

WHEREAS, homelessness in the City of Aurora (City) has been increasing for years and has dramatically increased since the onset of the COVID-19 global pandemic; and

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AURORA, COLORADO, THAT:

Section 1. The Aurora City Council resolves as follows:

To benefit the residents of the City of Aurora, the City Council directs the City Manager to actively pursue a comprehensive approach that has a core mission of reducing the number of homeless through comprehensive service offerings.

The new approach shall:

- Co-locate necessary services
- Provide access to an emergency shelter 24/7.
- Provide case management through a navigation center
- Incentivize participation in supportive services for transitional housing.
- Offer workforce development opportunities
- Continuously measure success by outcomes centered around the number of people who reach self-sufficiency.
- Reliance on community support (individuals, business community, and foundations) rather than federal support if such support comes with inflexible requirements.
- Develop public service announcements educating the public on how the program operates and what to do to help and support the effort
- Seek State, Federal, County and private funding for the construction of a new navigation campus
- Work with regional partners on the establishment and operations of the new facility
- Create a process for identifying an operator for the facility
- The campus will be operated by a nonprofit organization(s) in which no general fund revenues will be used for the construction, maintenance, or operations of the campus.

The City Council also directs the City Manager to support the new comprehensive approach through a combination of new efforts and through existing programs to aid its implementation and evolution.

Section 2. This Resolution shall take effect immediately without reconsideration.

RESOLVED AND PASSED this _____ day of _____, 2022.

AMENDMENT 4

REVISE: In WHEREAS clauses.

~~WHEREAS, the Council wants to expand offerings to include employment-based programming and conditions-based transitional housing to increase the number of people who exit homelessness on an annual basis~~ **that empower individuals experiencing homelessness to choose for themselves their path to self-reliance, to include mental and physical health care, job training, educational assistance, and low-barrier housing; and**

AMENDMENT 5

REVISE: In WHEREAS clauses.

~~WHEREAS, the City's resources are limited~~ **homelessness is a regional issue that requires governments, the non-profit sector, and the private sector to collaborate and coordinate efforts to address in a meaningful and sustainable fashion; and**

AMENDMENT 6

REVISE: In WHEREAS clauses.

WHEREAS, the City Council's long-term goal is to facilitate people experiencing homelessness to move towards ~~self-sufficiency~~ **self-reliance**; and

AMENDMENT 7

REVISE: In WHERAS clauses.

WHEREAS, the Council of the City establishes an Initiative to broaden options for people experiencing homelessness that include access to supportive services tailored to the needs of the individual, workforce training, and ~~conditions-based~~ transitional housing that lead to self-sufficiency **self-reliance**.

AMENDMENT 8

ADD: In Section 1.

- **Foster and strengthen intergovernmental collaboration with the Federal government, the State government, County governments, as well as other Municipal governments, in the development of the necessary infrastructure to address homelessness as expeditiously and effectively as possible.**

AMENDMENT 9

REVISE: In Section 1.

- Co-locate necessary services **to the maximum extent possible.**

AMENDMENT 10

REVISE: In Section 1.

- Provide a navigation center to offer short-term bridge housing along with supportive services while long-term housing is being ~~arranged~~ **sought**.

AMENDMENT 11

ADD: In Section 1.

- **Provide Rapid Re-Housing (RRH) services to ensure a quick exit from homelessness for low acuity individuals and families.**

AMENDMENT 12

REPLACE: In Section 1.

- ~~• Incentivize participation in supportive services and require conditions for transitional housing.~~
- **Provide Permanent Supportive Housing (PSH) services to ensure stability and supported recovery for individuals and families for whom Rapid Re-Housing alone would not be enough to prevent homelessness.**

AMENDMENT 13

REPLACE: In Section 1.

- ~~• Offer workforce development opportunities.~~
- **Provide opportunities for workforce development through job training and educational assistance in coordination with case management.**

AMENDMENT 14

REPLACE: In Section 1.

- ~~• Continuously measure success by more than meals served and beds provided and instead centered around the number of people who reach self-sufficiency.~~
- Continuously measure, for everyone enrolled in the program, the efficacy of the program as follows:
 - Their utilization of supportive services.
 - Their utilization of workforce development opportunities.
 - Their housing status and income sources for 36 months beginning from their move-in date.
 - Their employment status and income level for 36 months beginning from their move-in date.

AMENDMENT 15

REPLACE: In Section 1.

- ~~• Reliance on community support (individuals, business community, and foundations) rather than federal support if it comes with inflexible requirements.~~
- Develop an initiative to supplement Federal funding and City staffing and funding by generating financial and volunteer support from:
 - Individuals
 - Private businesses
 - Non-Governmental Organizations
 - Philanthropic Foundations

AMENDMENT 16

REPLACE: In Section 1.

- ~~• Develop public service announcements educating the public on how the program operates and what to do to help and support the effort.~~
- Develop a strategy utilizing the City's Communications Department to educate the public on how the program operates, monthly statistics on individuals successfully transitioning out of homelessness, consensual testimonials from those aided by the program, and how they can support the effort.

AMENDMENT 17

ADD: In Section 1.

- Develop a strategy to reach out to jurisdictions throughout the metropolitan region with the goal of building consensus on a shared regional strategy utilizing evidence-based best practices to reduce homelessness, sharing resources, and eliminating redundancies where appropriate to maximize the effectiveness of our collective efforts.

ITEM SUMMARY *(Brief description of changes or updates with documents included.)*

The Mayor is coordinating changes to the resolution with individual Council Members.

RESOLUTION NO. R2022- ____

A RESOLUTION FROM THE CITY COUNCIL OF THE CITY OF AURORA, COLORADO, EXPRESSING THE AURORA CITY COUNCIL’S DESIRE TO REDUCE THE NUMBER OF PEOPLE EXPERIENCING HOMELESSNESS THROUGH EMPLOYMENT-BASED PROGRAMMING AND CONDITIONS-BASED TRANSITIONAL HOUSING THAT LEADS TO SELF-SUFFICIENCY. THE CITY COUNCIL DIRECTS THE CITY MANAGER AND HIS STAFF TO SUPPORT THIS EFFORT BY DEVELOPING AND EXECUTING A COMPREHENSIVE APPROACH THAT ALIGNS WITH THE NECESSARY SUPPORT TO MEET THE NEEDS OF THE DIVERSE HOMELESS POPULATION IN AURORA

WHEREAS, every person, experiencing homelessness, who wants support to transform their lives and achieve self-sufficiency should have access to the necessary support; and

WHEREAS, the City Council (Council) of the City believes, that providing an approach of supportive services with defined conditions and incentives can transform the lives of people experiencing homelessness and put them on a path toward self-sufficiency; and

WHEREAS, the Council wants to expand offerings to include employment-based programming and conditions-based transitional housing to increase the number of people who exit homelessness on an annual basis; and

WHEREAS, the City’s resources are limited; and

WHEREAS, the Council of the City desires to spur innovation and the creation of more impactful and cost-effective solutions from community stakeholders and directs the City Manager and his staff to engage this approach; and

WHEREAS, the Council of the City establishes an Initiative to broaden options for people experiencing homelessness that include access to supportive services tailored to the needs of the individual, workforce training, and conditions-based transitional housing that lead to self-sufficiency.

WHEREAS, the purpose of the Initiative is to engage with all people experiencing homelessness—especially those with the capacity and desire to enter the workforce, those with histories of incarceration and substance abuse and provide opportunities for their diverse needs to be met through a range of interventions

WHEREAS, the City will continue to provide emergency services to those in need; and

WHEREAS, the goal of the Initiative is the reduction in homelessness and an increase in employment outcomes; and

WHEREAS, the City Council's long-term goal is to facilitate people experiencing homelessness to move towards self-sufficiency; and

WHEREAS, the City shall require navigation plans for those that enter the City's Initiative. These plans will be short term plans to set goals for immediate action towards the resolution of their homelessness; and

WHEREAS, the City Council directs the City Manager and the departments he oversees to support this Initiative through all their efforts:

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AURORA, COLORADO, THAT:

Section 1. The Aurora City Council resolves as follows:

To benefit the residents of the City of Aurora, the City Council directs the City Manager to actively pursue a comprehensive approach that has a core mission of reducing the number of homeless through life altering transformation.

The new approach should:

- Co-locate necessary services
- Provide access to emergency supportive services
- Provide supportive services through integrated care teams in coordination with case management
- Provide a navigation center to offer short-term bridge housing along with supportive services while long-term housing is being arranged
- Incentivize participation in supportive services and require conditions for transitional housing.
- Offer workforce development opportunities
- Continuously measure success by more than meals served and beds provided and instead centered around the number of people who reach self-sufficiency.
- Reliance on community support (individuals, business community, and foundations) rather than federal support if it comes with inflexible requirements.
- Develop public service announcements educating the public on how the program operates and what to do to help and support the effort

The City Council also directs the City Manager to support the new comprehensive approach through a combination of new efforts and through existing programs to aid its implementation and evolution.

Section 2. This Resolution shall take effect immediately without reconsideration.

RESOLVED AND PASSED this ____ day of _____. 2022.

HISTORY (Dates reviewed by City council, Policy Committees, Boards and Commissions, or Staff. Summarize pertinent comments. ATTACH MINUTES OF COUNCIL MEETINGS, POLICY COMMITTEES AND BOARDS AND COMMISSIONS.)

City Council approved the establishment of the Citadel on Colfax Business Improvement District (BID) in 2017 (Ord. No. 2017-35). The BID is located generally at the southeast corner of E Colfax Avenue and N Sable Boulevard. State statute requires that the BID file its proposed annual budget for the upcoming year with the City Clerk for City Council review and approval.

ITEM SUMMARY (Brief description of item, discussion, key points, recommendations, etc.)

The attached resolution will approve the Citadel on Colfax Business Improvement District 2023 operating plan and budget. The operating plan anticipates mainly remaining bond proceeds from the 2020 debt issuance, property taxes and tax revenue from the Colfax Sable Metropolitan District for its \$1,217,078 revenue and expected expenditures (General, Capital Projects and Debt Service Funds). The Citadel on Colfax BID will continue to construct and install public improvements to serve the development in 2023 including street improvements, landscaping, traffic signalization and site furnishings.

QUESTIONS FOR COUNCIL

Does the Council wish to forward the resolution approving the 2023 operating plan and budget for the Citadel on Colfax Business Improvement District to the November 14, 2022, regular meeting of the City Council for formal consideration?

LEGAL COMMENTS

No business improvement district shall issue bonds, levy taxes, fees, or assessments, or provide improvements or services unless the municipality within which it is located has approved an operating plan and budget for the district. **See** Sec. 31-25-1211, C.R.S. (Hernandez).

PUBLIC FINANCIAL IMPACT

☐ YES ☒ NO

If yes, explain: N/A

PRIVATE FISCAL IMPACT

☐ Not Applicable ☐ Significant ☒ Nominal

If Significant or Nominal, explain: The attached item sets out the 2023 operating plan and budget for the Citadel on Colfax Business Improvement District. Funding is projected at \$1,217,078 primarily from remaining bond proceeds, property taxes and tax revenue from the Colfax Sable Metropolitan District.

RESOLUTION NO. R2022-_____

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF AURORA,
COLORADO, APPROVING THE 2023 OPERATING PLAN AND BUDGET
FOR THE CITADEL ON COLFAX BUSINESS IMPROVEMENT DISTRICT

WHEREAS, the City Council (the “Council”) of the City of Aurora, Colorado (the “City”), is vested with jurisdiction to create one or more districts within City boundaries pursuant to the Business Improvement District Act, Part 12 of Article 25 of Title 31, C.R.S. (the “Act”); and

WHEREAS, pursuant to the Act, the Council has adopted Ordinance No. 2017-35 organizing the Citadel on Colfax Business Improvement District (the “District”) and appointing the District’s initial Board of Directors (the “Board”); and

WHEREAS, Section 31-25-1211, C.R.S., provides that no district created under the Act shall issue bonds, levy taxes, fees, or assessments, or provide improvements or services unless the City has approved an operating plan and budget for the district; and

WHEREAS, the Board has approved a 2023 District operating plan and budget (the “2023 Operating Plan and Budget”) for submittal to the City, which Operating Plan and Budget are in full compliance with the requirements of the Act; and

WHEREAS, the Council finds and determines that the approval of the 2023 Operating Plan and Budget in the form presented to the Council at this meeting is in the best interests of both the City and the District.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AURORA, COLORADO.

Section 1. The 2023 Operating Plan and Budget for the Citadel on Colfax Business Improvement District are hereby approved, including the declaration of public interest and necessity for improvements contained therein.

Section 2. All resolutions or parts of resolutions of the City of Aurora, Colorado, in conflict herewith are hereby rescinded.

RESOLVED AND PASSED this _____ day of _____, 2022.

EXHIBIT C - District Legal Description

2023
OPERATING PLAN FOR THE
CITADEL ON COLFAX BUSINESS IMPROVEMENT DISTRICT

1. PURPOSE AND SCOPE OF THIS DISTRICT

A. Requirement for this Operating Plan. The Business Improvement District Act, specifically Section 31-25-1211, C.R.S., requires that the Citadel on Colfax Business Improvement District (the “District”) file an operating plan and budget with the City Clerk no later than September 30 of each year.

Under the statute, the City is to approve the operating plan and budget within 30 days of the submittal of all required information.

The District will operate under the authorities and powers allowed under the Business Improvement District Act, Section 31-25-1201, *et seq.*, C.R.S., as amended, as further described and limited by this Operating Plan.

B. What Must Be Included in the Operating Plan? Pursuant to the provisions of the Business Improvement District Act, Section 31-25-1201, *et seq.*, C.R.S., as amended, this Operating Plan specifically identifies: (1) the composition of the Board of Directors; (2) the services and improvements to be provided by the District; (3) the taxes, fees, and assessments to be imposed by the District; (4) the estimated principal amount of the bonds to be issued by the District; and (5) such other information as the City may require.

The District’s original 2017 Operating Plan and subsequent Operating Plans, previously approved by the City, are incorporated herein by reference, and shall remain in full force and effect except as specifically or necessarily modified hereby.

C. Purposes. As may be further articulated in prior years’ Operating Plans, the ongoing and/or contemplated purposes of this District for 2023 include financing, acquisition, construction, completion, installation, replacement and/or operation and maintenance of all of the services and public improvements allowed under Colorado law for business improvement districts.

D. Ownership of Property or Major Assets. The District will own public improvements as constructed if such improvements are not otherwise dedicated to other public entities for operation and maintenance.

E. Contracts and Agreements. It is anticipated that the District will enter into various agreements as required to facilitate the funding, construction, operation and maintenance of public improvements. The District is currently party to an Intergovernmental Agreement with the City of Aurora dated August 21, 2017 and is currently party to an Intergovernmental District Facilities Construction and Service Agreement with the Colfax Sable Metropolitan District. The District may also enter into agreements with other districts encompassing adjacent developments in order to cooperate on infrastructure projects.

2. ORGANIZATION AND COMPOSITION OF THE BOARD OF DIRECTORS

A. *Organization.* The Citadel on Colfax Business Improvement District was organized by the City of Aurora, Colorado by Ordinance No. 2017-35 on October 28, 2017.

B. *Governance.* The District is governed by an elected Board of Directors.

C. *Current Board.* The persons who currently serve on the Board of Directors are:

- 1) Alan Westfall
- 2) Vacant
- 3) Vacant
- 4) Vacant
- 5) Vacant

Director and other pertinent contact information is provided in **EXHIBIT A**.

D. *Term Limits.* The District's election on November 7, 2017 included a ballot question to eliminate term limits pursuant to Article 18, Section 11 of the Colorado Constitution. The question passed.

E. *Advisory Board.* The Board of Directors may appoint one or more advisory boards to assist the Board of Directors on such matters as the Board of Directors desires assistance. The Board of Directors shall, upon the appointment of an advisory board, set forth its duties, duration, and membership. The Board of Directors may provide rules of procedure for the advisory board or may delegate to the advisory board the authority to provide such rules. No advisory boards have yet been appointed.

3. BOUNDARIES, INCLUSIONS AND EXCLUSIONS

The legal description of the District's current boundaries is attached as **EXHIBIT C**. In 2022 and subsequent years, the District may receive inclusion requests for additional property as boundaries are established and additional property owners participate in the District.

4. PUBLIC IMPROVEMENTS

The District will be primarily concerned with the provision of public improvements and services within the boundaries of the District; however, there may be instances to provide improvements or services outside of the boundaries of the District as part of the project. The District shall have the authority to provide these improvements and services, but the revenue-raising powers of the District to recoup the costs of extraterritorial improvements and services shall be as limited by state law.

The public improvements that the District anticipates it will construct, install or cause to be constructed and installed, include those public improvements the costs of which may, in accordance with the Business Improvement District Act, Section 31-25-1201, *et seq.*, C.R.S., lawfully be paid for by the District, including, without limitation, water services, safety protection devices, sanitation services, marketing, streetscape improvements, street improvements, curbs, gutters, culverts, drainage facilities, sidewalks, parking facilities, paving, lighting, grading, landscaping and storm and wastewater management facilities and associated land acquisition and remediation.

5. ADMINISTRATION, OPERATIONS, SERVICES AND MAINTENANCE

The District shall provide for ownership, operation, and maintenance of District facilities as activities of the District itself or by contract with other units of government or the private sector.

6. FINANCIAL PLAN AND BUDGET

A. 2023 Budget. The proposed 2023 Budget for the District is attached as **EXHIBIT B**. The adopted 2022 Budget differs from the 2022 Budget attached to the 2022 Operating Plan to account for the final assessed valuation of the property within the District, to adjust the specific ownership tax revenues, to adjust the amount of property tax revenue transferred from the Colfax Sable Metropolitan District as a result of the final assessed valuation of the property within the Colfax Sable Metropolitan District, to adjust the amount of developer advances the District anticipated it would receive, to adjust the expenditure amounts the District anticipated incurring, and to remove the expenditures in the capital project fund as no funds remain.

B. Authorized Indebtedness. The District held an election on November 7, 2017 for the purpose of authorizing debt, taxes, revenue limits, spending limits, special assessments, and such other matters as are necessary or convenient for the implementation of Art. X., Sec. 20 of the Colorado Constitution, and the Operating Plan. The initial maximum debt authorization for the District shall be \$50,000,000.

C. Property Tax and Debt Service Mill Levy Cap. The District's debt service taxing ability shall be constrained to a mill levy limitation of up to 50 mills. The debt service mill levy cap set forth in this paragraph may be subject to upward or downward adjustments addressing any abatement or statutory, legislative, or constitutional changes that adjust or impact the assessed or actual valuation of property or the assessment ratio pursuant to which taxes are calculated occurring after, but not before, January 1, 2004. Such upward or downward adjustments are to be determined by the Board of Directors in good faith (such determination to be binding and final) so that to the extent possible, the actual revenue generated by the mill levy, as adjusted for changes occurring after January 1, 2004, are neither diminished nor enhanced as a result of such changes. The debt service mill levy cap shall not apply to the District's ability to increase its mill levy as necessary for provision of operation and maintenance services to its taxpayers and service users.

D. District Revenues. The District anticipates receiving revenues derived from property taxes and tax revenue from Colfax Sable Metropolitan District in accordance with the Intergovernmental

District Facilities Construction and Service Agreement and the Capital Pledge Agreement the District and Colfax Sable Metropolitan District entered into as part of the District's bond issuance in 2020. The District also anticipates utilizing public improvement fees to support public improvement construction.

E. Existing Debt Obligations. The District issued its \$11,600,000 Special Revenue and Tax Supported Senior Bonds Series 2020A and \$930,000 Special Revenue and Tax Supported Subordinate Bonds Series 2020B on November 25, 2020.

F. Future Debt Obligations. The District does not anticipate issuing debt in 2023.

G. Other Financial Obligations. The District may enter into agreements including reimbursement or similar agreements and leases; as well as agreements for ongoing services such as legal, administration, compliance, budget, audit, etc.

H. Non-Default Provisions. Limited tax general obligation bonds issued by the District shall be structured and/or credit enhancements provided such that the bonds cannot default as long as the District is imposing the required maximum allowed mill levy.

I. No Debt or Obligation of the City. The debt of the District will not constitute a debt or obligation of the City in any manner. The faith and credit of the City will not be pledged for the repayment of the debt of the District. This will be clearly stated on all offering circulars, prospectus, or disclosure statements associated with any securities issued by the District

7. 2023 ACTIVITIES, PROJECTS AND CHANGES

A. Activities. The District will continue with development activity in 2023.

B. Projects and Public Improvements. The District anticipates undertaking projects related to public improvements in the upcoming year.

C. Summary of 2023 Activities and Changes from Prior Year. In 2022, the District constructed and installed public improvements. In 2023, the District will continue focusing on constructing and installing the public improvements to serve the project in 2023, including street improvements, landscaping, traffic signalization, and site furnishings.

D. Boundary Changes. Boundary changes may occur in 2023.

E. Changes to Board or Governance Structure. It is anticipated that the Board will appoint Jason Marcotte to the Board in late 2022. There are no plans to fill the other vacancies at this time, as there are no individuals qualified to serve on the Board of Directors. The District anticipates more individuals will become qualified to serve on the Board as the District continues to develop.

F. Mill Levy Changes.

- i. Debt Service Mill Levy Cap: 50 mills

- ii. 2022 Mill Levies: The District imposed 20 mills for operations and maintenance, 50 mills for debt service, and 1 mill for ARI mill levy in 2022.
- i. 2023 Mill Levies: The District anticipates imposing 20 mills for operations and maintenance, 50 mills for debt service, and 1 mill for ARI mill levy in 2023.

G. Elections. Regular election to occur on May 2, 2023.

H. Major Changes in Development Activity or Valuation. Development activity is anticipated to continue for the upcoming year.

I. Ability to Meet Current Financial Obligations. See 2023 Budget attached as **EXHIBIT B**.

8. DISSOLUTION

The District is anticipated to have ongoing operations and maintenance obligations that will necessitate perpetual existence. If the District no longer has such obligations the District will seek to dissolve pursuant to C.R.S. § 31-25-1225.

9. CONCLUSION

It is submitted that this Operating Plan and Budget for the District meets the requirements of the Business Improvement District Act and further meets applicable requirements of the Colorado Constitution and other law. It is further submitted that the types of services and improvements to be provided by the District are those services and improvements which satisfy the purposes of Part 12 of Article 25 of Title 31, C.R.S.

MF POLICY COMMITTEE MEETING

September 27, 2022

Members Present: Council Member Gardner – Chair, Council Member Murillo, Council Member Zvonek

Others present: Council Member Jurinsky, Council Member Marcano, S. Day, D. Sisneros, K. Claspell, D. Lathers, W. Sommer, T. Hoyle, T. Velasquez, J. Ehmann, G. Hays, K. Rodriguez, B. Levine, C. Argentar, N. Wishmeyer, D. Wilson, T. Sedmak, C. Horiuchi, M. Bryant, C. Toth, M. Crawford, T. Vaughn, M. Murphy, J. Edwards, J. Twombly, S. Newman, J. Heckman, D. Brotzman, J. Schneebeck, M. Stamp, J. Orozco, J. Bajorek, D. Hudson, M. Parnes, H. Hernandez, G. Koumantakis, C. Dancy, R. Lantz, A. Jamison, M. Noble, R. Venegas, Laiba Saqib, C. Atkinson, M. Rogers, R. Goggins, C. Zapata, A. Wool, M. Barrett, N. Peykov

INTRODUCTIONS AND MINUTES

August 23, 2022 minutes were approved.

AUGUST 2022 SALES TAX CHARTSummary of Issue and Discussion

Bill Levine presented the August 2022 Sales Tax Chart. The sales tax increased by 10.5% in August. This can be interpreted in two ways. One is as a revenue number with August about \$360,000 over the projection. With this, the city looks to be on track to meet or beat the projection for the year. The sales tax can also be representative of how business is doing in the city. In this regard, the 10.5% increase appears to be misleading. In August 2022, there was a large amount received from a foreign online retailer making payments for over two years of taxes owed to the city from October 2019 to April 2022. This was due to the passing of the Economic Nexus Ordinance and the Sales and Use Tax System (SUTS) only being set up in August. If this one-payment growth is not taken into account, the sales tax growth for August would only have been 9.6%.

The variable sales tax payments grew by 85% in August, meaning that a lot of the 10.5% growth is due to big one-time payments. These variable payments were for large construction projects including storm, drainage, and decking systems. If the variable sales tax payment only grew at a neutral rate equal to the inflation rate of 8.3%, the growth for August would only be 7.2% instead of 10.5%. This number is more reflective of the consistent taxpayers and the business community in Aurora.

Committee Discussion:

CM Gardner: Makes sense. Thanks for that analysis. That's helpful. Council Member Zvonek, any questions?

CM Zvonek: I don't have any now. Thanks.

CM Gardner: All right. Thank you. Okay. Council Member Murillo, do you have any questions on that?

CM Murillo: No. I think I logged in just right at one. Did we start the presentation earlier?

CM Gardner: No. It was 1:00 when we started. You might have just been a couple of seconds late. We just have a really crowded agenda, so I just wanted to get started on it.

CM Murillo: That's fine. No questions here.

CM Gardner: All right. I appreciate that. Thanks, Bill, for your presentation.

B. Levine: Thank you, Council. I appreciate it.

Outcome

Information only.

Follow-up Action

No follow-up needed.

OCCUPATIONAL PRIVILEGE TAX REPEALSummary of Issue and Discussion

Council Member Jurinsky and Jeff Edwards presented this ordinance that will repeal the occupational privilege tax (OPT) that was implemented in 1986. Aurora is one in five cities in Colorado that has this. This is a \$4 tax per employee with half being withheld from the employee, and half being matched by the employer per paycheck once a month. CM Jurinsky noted that there is a surplus in the budget and there is no reason to figure out what to cut out of the budget to make the tax cut work.

Once the repeal is implemented, it would have to go through the voters to be reinstated. The fiscal impact would be \$5.9 million for 2023. There would be no cuts to the police, fire, 911, courts, transfers, and other mandates. This leaves \$170 million of people and supplies that would need to be cut by 5% from the 2023 budget. Nine entities received OPT revenue of \$590,000 in 2021. In addition, some of the revenues are used by the Aurora Urban Renewal Authority

(AURA) for incentive and development projects. About 72% of the city's revenue is dependent on sales and use tax.

Committee Discussion:

CM Jurinsky: Now, I actually have a question because I asked thoroughly about this when I was on the CABC and I asked where these funds go, and I was told by Greg Hays that all of these funds go into the general fund. That's really concerning to me if the AURA is using some of these funds, because just last night I was told that none of those funds come out of the general fund, specifically regarding our parking lot structure.

T. Velasquez: And I would address that Council Member basically when we have a TIF area, any of the revenues that are generated from the specific project, including OPT, would go back to the project. I think on Jeff's slides, it's just acknowledging that the revenue that's generated from specific projects is then shared back as a part of incentive agreements that were approved by previous city councils. So, it would definitely change the revenue flow to some of those projects. And I also have Greg online to answer any budgetary-related questions. I know from an almost \$6 million budget perspective it does have some larger impacts. And maybe, Greg, you can put it a little bit into perspective from a standpoint of what that reduction would mean.

G. Hays: I sure can. Thank you very much. If you're looking at \$5.9 million, it's the equivalent of about 80 people. We do have a balanced budget for 2023, and if you take \$6 million out, it would not be balanced. We would have to go find that money from somewhere. It is a significant amount of money. It's larger than six different budgets, general fund budgets. Aurora Water, City Council, Communications, General Management, HR, Planning. Their entire budgets are actually less than that. And what's more, 2024 is not -- it's close to being balance. We don't need to have a balanced budget for the future but taking on another \$6 million of ongoing funds would make that harder for the 2024 budget as well.

CM Gardner: All right. Thank you. Greg and Jeff. Council Member Murillo, questions, or comments for either staff or the sponsor?

CM Murillo: Thanks, Council Member Gardner. I think a few comments. Yes, I think that coming into the conversation and just saying that "Oh, we have a surplus and therefore I don't really need to look for the accompanying piece of where this ongoing revenue would come from" is concerning to me to the staff's comments around this does make it more challenging to balance our budget in the future. There will be budget implications. I think that was the biggest concern for me and I would like a better understanding of where the city management would take those ongoing funds because it's not just funds that would be taken out of this year's budget or whenever this comes into effect, but it is ongoing. That's just my biggest comment and request before this moves forward on my end.

CM Gardner: Council Member Zvonek, questions, or comments?

CM Zvonek: I would just say we haven't set a 2023 budget. As far as I know, we're going to do that at the budget workshop, and I think that will give us plenty of opportunity to identify what reductions we need to make in order to make this happen. But I think in terms of a signal that we want to continue to be the most business-friendly city in the state, and we are getting rid of a privilege tax of working in Aurora. We have to, I think, try to change our mental model, and recognize that it's actually a privilege for us to have employees here and it's not a privilege for them to work here. And I think this is one of the ways we can do that.

J. Twombly: And I just wanted to check with Jeff. It seems like I saw in the original ordinance that fire, police, and road maintenance were cited as reasons for instituting this tax in the first place. The funds weren't dedicated for those purposes, but I think those were cited as reasons why the council voted to approve that tax. Jeff, do you have any information on that?

J. Edwards: Correct. Thanks, City Manager Jim Twombly. Appreciate that question. That is correct. This was essentially a way for us to distribute the tax burden for the city to those that are coming into the city to work. And it pointed out that it was for police, fire, road maintenance, those types of costs, and other municipal services.

J. Twombly: Okay. Thanks.

CM Jurinsky: Yes. I asked repeatedly on CABC if these funds were dedicated for anything in particular and I was told numerous times, "No, they're not earmarked for anything. They just go into the general fund and that's where they are at in the general fund." And as Council Member Zvonek just said, the fact that we have a tax on businesses and workers in the city of Aurora states that it's their privilege to do business in this city or to be a worker in this city. I can't believe this has never been brought up before, but I think that we absolutely need to change our mindset on that and realize that it is actually the city's privilege. It is our privilege for businesses to come here and for workers to want to work in Aurora. And as Council Member Zvonek just pointed out, the budget is not set and that's exactly what we are going to go to the Budget Committee meeting to do. And the fact that we have any additional tax on people in Aurora, I think that those should be eliminated. And just as other taxes, on menstrual products and on diapers in this city have been eliminated, I look at this tax repeal as actually a more equitable tax cut, because it will be for anybody, regardless of gender, regardless of race. I mean, if you work in Aurora or have a business in Aurora, this tax is on you, and this will be a tax saving to all those who wish to do business here and work here.

CM Gardner: Any other questions or comments from the committee?

CM Murillo: Yes, I guess just the fact that we're not acknowledging that for months staff has put together our budget, essentially line item by line item. We've had public presentations at town halls, and we've had specific budget presentations. Suddenly to say that we're not essentially almost at the end and that we don't have a budget, sure, it's not yet confirmed. But let's be clear

that this would be a last-minute change that hasn't been incorporated into this current budget as it's been written. I just want to be very clear that when we say it's not yet been finalized, that's because we haven't yet made the final approval. But a last-minute change is what this would be. I just want to be very clear that that's where we're at in the budget process for this year.

CM Jurinsky: Council Member Gardner, I'd like to respond to that.

CM Gardner: Go ahead.

CM Jurinsky: The budget is created every single year. I'm not sure there's really a good time or a bad time to bring forward a tax cut. But I had some things that I needed to look into. Obviously, I wanted to come to this committee. It would be my prerogative to have brought this straight to a council meeting and to rush this process. But as I heard from my colleagues that don't always agree with me on much of anything, they would prefer me to follow the standard process that we have in place. I went about it that way this time, and I'm not sure that you can consider any kind of tax cuts on our citizens and our businesses to be something that's last minute. I find it to be something that's necessary.

CM Gardner: All right. Thanks, everybody, for comments and feedback. Council Member Murillo, would you like this to move forward?

CM Murillo: Not at this time. We were just talking about understanding fiscal notes and larger impacts last night. For it to be at the 11th hour, I think that's not something that I would prefer, but obviously, we'll talk about it if the committee approves it going forward. But like I said, I just wanted to be very clear on the rhetoric and the shaping of the conversation. So that's why I made my comments.

CM Gardner: Council Member Zvonek?

CM Zvonek: I think that now is actually the perfect time to move it forward as the elected officials who were elected by the people of Aurora to set the budget will be having a conversation about the budget for next year. It means we'll have to do some work, but that's okay. That's what we were elected to do.

CM Gardner: All right. And I'm fine with it moving forward as well.

Outcome

The Committee supported moving the item forward.

Follow-up Action

Staff will move the item forward to Study Session.

WARD REALIGNMENT RECOMMENDATION DEADLINE**Summary of Issue and Discussion**

CM Marcano presented the proposed ordinance which sets a deadline of no later than October 15th for rewarding recommendations to be before the Council. This preserves the existing timeline for the rewarding process to begin.

Committee Discussion:

CM Gardner: All right. Thank you. Council Member Zvonek, any questions or comments?

CM Zvonek: No, I think that makes sense. I know that earlier, Council Member Marcano, when we were having these discussions at the beginning of the year, there was some concern because the initial timeline, I think didn't have us finishing until into next year. As a committee, we decided to do that. I think creating some sort of guidelines going forward that keeps us on track is appropriate and I would support that moving forward.

CM Murillo: I don't have any questions. Similar to the comments just made, we intentionally moved it up so that there was less ambiguity later into next year. I think this is in line with the actions that we've taken on this committee this year. I support moving it forward.

CM Gardner: All right. And as both council members pointed out, we intentionally changed the original schedule that was presented to us to avoid this very problem where the maps wouldn't have been finalized until late spring or early summer next year for folks running, which could create some confusion. I am okay with it moving forward as well. Thank you for the presentation.

CM Marcano: All right, great. Thank you.

Outcome

The Committee unanimously supported moving the item forward.

Follow-up Action

Staff will move the item forward to Study Session.

UPDATE ON E-DISCOVERY IN COURTS**Summary of Issue and Discussion**

Julie Heckman presented an update on e-Discovery in courts. The City Attorney's Office Case Management System will help transition to an electronic case management system from the fully-paper file status. This would provide the ability to give e-discovery out electronically for any defendant in the municipal court regardless of representation. All body-worn cameras, videos, and pictures will be downloaded to a disk.

This issue was brought about at a Public Safety meeting on October 14th, 2021. The interim court administrator, Mike Ritter, at the time had asked for two additional FTEs to address the case management system and e-discovery software tool. Court IT asked city IT to be present in the next meeting to discuss buying versus building the software. Judge Shawn Day, Doug Wilson, Court IT, City IT, and other staff have been discussing how to move the court to transition electronically. It has been agreed upon that the City Attorney's Office must be the beginning of this and get case management into an electronic system. Following this would be eDiscovery then the court accepting all electronic filings. It was previously confirmed by the former interim court administrator that following the two FTEs that the work would be completed by Q1 of 2022. However, it is currently still not in place.

The city has since hired Ms. Candice Atkinson as the new court administrator and has continued conversations regarding this. City staff has gone back to CDAC about looking at the e-Discovery tool that they have which is a statewide system for all prosecutors. APD Records, the Crime Lab, and A911 package all the evidence to be sent to the state CDAC system. Due to this, there have been discussions of having other Aurora agencies package things the same way and having a system mirrored to the CDAC system. CDAC has provided a general quote of what they think it would take to look at their system, redesign it, and tweak it to Aurora's court system which currently does not have data sharing between courts. There are other municipalities that are also trying to switch to electronic and may be interested in getting onto the CDAC system.

The staff has also looked at several outside vendors that do prosecution-type case management systems which include e-Discovery. There is also one that works closely with Axon that provides body-worn cameras. They were contacted to present to City and Court IT and other city staff. The need for this implementation is past due given the inefficiencies created by the labor-intensive utilization of the files. Given that there is only one paper file, only one person or department can work on it at a time. This would then delay getting the evidence to APD and other preparations.

Committee Discussion:

CM Gardner: Appreciate that update, Julie. And I think the only comment that I have, and I had said this last year in public safety is my preference is to go with standard software, not creating our own. And it sounds like we're looking into some options like that. And those are my concerns. I have that concern because of when you have somebody who designs a program in-house and that person leaves, you create some issues there. And so, for ongoing and support purposes, I always prefer to use something standard. And I can't imagine that Aurora is that unique, that there isn't software out there that won't meet our needs. So that's just my thought or my input. But again, really appreciate the update. Obviously, it's a project that's been going on for a while and certainly something that we need to get implemented. Council Member Murillo, any questions or comments?

CM Murillo: None for me. Thanks for the update.

CM Gardner: Council Member Zvonek?

CM Zvonek: No, I would just echo what you just said. I think that to the extent that we can find a product that not only because of the reasons you pointed out but if there is some collaboration or any sort of data that can be shared across different jurisdictions, having that software would seem to make a lot of sense. I also just hope that this is a part of the broader conversation that we're continuing to have with IT in general and moving toward a capability model for the entire city. This isn't just related to courts or even prosecution, but generally across every department, I think that having a standalone IT department doesn't make a lot of sense. I think having people embedded there, but ultimately coming back to one shared capability makes a lot more sense. I hope we integrate this conversation with that broader one.

CM Gardner: Appreciate that. Thanks again, Julie.

J. Heckman: Thank you.

Outcome

Information only.

Follow-up Action

No follow-up needed.

FITZSIMONS BUSINESS IMPROVEMENT DISTRICT – NEW BOARD MEMBER APPOINTMENT

Summary of Issue and Discussion

Chad Argentar presented this item. The Fitzsimons Business Improvement District (BID) is looking to expand their existing board as they only have two out of five filled seats. The nominee for the position is interested in serving and contributing to the businesses in the BID.

Committee Discussion:

CM Gardner: I appreciate that. Council Member Murillo, comments or questions?

CM Murillo: None here.

CM Gardner: Council Member Zvonek?

CM Zvonek: No Questions.

CM Gardner: All right. And I assume both of you are okay with it moving forward.

CM Zvonek: Yes.

CM Murillo: Yes.

CM Gardner: All right. Thanks, Chad.

C. Argentar: Thank you.

Outcome

The Committee unanimously supported moving the item forward.

Follow-up Action

Staff will move the item forward to Study Session.

2023 WARD REDISTRICTING REVIEW

Summary of Issue and Discussion

Kadee Rodriguez presented this item. Staff is requesting for the M&F Policy Committee's decision to finalize which scenario to move forward to full Council.

Committee Discussion:

CM Gardner: And can you remind me which was the map that was recommended or put forward by the Election Commission?

K. Rodriguez: Scenario five.

CM Gardner: Okay. Council Member Zvonek, any thoughts, comments, or questions?

CM Zvonek: I guess my one question maybe, Kadee, is that can we have more than one recommendation from our Committee go forward to the full council? Or are you just looking for one?

K. Rodriguez: There's nothing that states you can't move forward more than one recommendation. So, I think it would be up to this Committee on how you'd like to do that.

CM Zvonek: I guess my suggestion would be to have these go forward to the full council to have a conversation with more of our colleagues about these scenarios and have maybe a presentation from the Election Commission at a Study Session. I think that's what the next step is. It would come to a Study Session. So have it come to a Study Session and a presentation as to why the Election Commission chose that map and then also lay out the other scenarios because I can imagine that some of our colleagues might ask why we chose this one, why the Election

Commission chose that one, and what were the other scenarios so that they can have eyes on them too. So that's my recommendation for moving it forward.

CM Murillo: Yes, something similar on my end. I would prefer to not narrow it down at this point since this impacts the full council and have the broader discussion at a Study Session where we can all talk about it. All the options.

CM Gardner: Okay. Well, it sounds like that's what the will of the Committee is. Kadee, is that going to be the next available study session? Is that what our schedule was?

K. Rodriguez: It's actually the second study session in October. So, it's not the one this Monday, but the next one.

CM Gardner: The next one, yes. Okay, sounds good. Well, we will get a presentation at the second Study Session in October. And Kadee, thank you. And I don't think Daniel is on the phone but thank you both for all your work this year with our committee and the presentations and all that. Really appreciate you guys working through the process.

K. Rodriguez: Okay. Thank you. And we'll work with the Election Commission to get them on the Study Session for the last study session in October.

CM Gardner: All right, thanks.

K. Rodriguez: Thank you.

Outcome

The Committee decided to have the Election Commission present all scenarios, including the recommended scenario, in the second October Study Session.

Follow-up Action

Staff will coordinate with the Election Commission regarding their presentation for the second October Study Session.

ANNUAL REVIEW OF INVESTMENT POLICY

Summary of Issue and Discussion

Teresa Sedmak presented this item. The investment policy of the city is reviewed to incorporate any changes in the state statute or other required changes. For the recent review, city staff made two non-substantive changes. One is to define the nationally recognized statistical rating organizations; namely Moody's, S&P, and Fitch. The other change made was to reformat the section related to general obligation bonds and revenue bonds to improve clarity. The revisions

were presented to the Investment Advisory Committee on August 4th. Legal counsel has advised that there is no action necessary due to the non-substantive matter of the changes.

Committee Discussion:

CM Gardner: All right. Thank you. Council Member Murillo, questions or comments?

CM Murillo: I do not have any questions.

CM Gardner: Council Member Zvonek?

CM Zvonek: No.

CM Gardner: All right. Thank you for the presentation, Teresa.

T. Sedmak: Sure.

Outcome

Information only.

Follow-up Action

No follow-up needed.

PROPOSED MODIFICATIONS TO MORAL OBLIGATIONS POLICY AND REVIEW OF EXISTING MORAL OBLIGATIONS

Summary of Issue and Discussion

Teresa Sedmak presented this item. The city has existing moral support transactions with the Hyatt Regency Conference Center and Parking Garage and FRA Bioscience III Building. Recently, City Council has approved the continuance of the moral obligations support on Hyatt refinancing which is going to close next week. The rate was locked based on a 3.81% rate on the ten-year US Treasury rate plus a spread of 25 basis points bringing the rate on the new loan locked at 4.06%. The moral support for this transaction takes the form of a debt service reserve equal to a one-year debt service at \$1.7 million. Should the debt service be depleted, it must be replenished. This would then have to go to Council for an appropriation if the funds are not available. AURA has been providing support in the form of capital advances from other TIF revenues generated within the Fitzsimons Urban Renewal Area. No draw has been made on the debt service reserve since it could be a reportable event to investors and may have negative connotations. The need for additional support is not expected until 2024.

The Bioscience III Building moral obligation support is also in the form of a debt service request of \$2.5 million. If depleted, it must be replenished. The building was completed in 2020 and most of the space has been leased out. There are approximately 25% or 30,000 square feet yet to

be leased. A possible tenant is holding off on a decision until Q1 of 2023 due to economic uncertainty. Despite this, there are other potential tenants in the pipeline. The moral obligation terminates in December 2024. The FRA has adequate liquidity to satisfy its debt service obligations and doesn't foresee a draw on the debt service reserve.

In 2021, Council Member Gruber requested a review of the moral obligation policy. Staff has been working with Bond Council to do a thorough review and recommend modifications. One of the notable changes is the change in wording from moral obligation "pledge" to moral obligation "support." This is because "pledge" implies a binding financial obligation and a pledge of collateral. A definition of what a moral obligation is was added to the policy. The new policy explicitly prohibits substantive changes in the financing and proposed financing subsequent to its presentation to M&F, unless allowed by the authorizing resolution. The evaluation criteria were also strengthened and now include the presentation of timing and frequency related to the moral obligation and the likelihood of repayment over time.

Committee Discussion:

CM Gardner: All right. Thank you for the presentation. And yes, I agree with the changes that were made. I think just clarifying some things, tightening up some language, and then even just having a description of what moral obligations are for members of the public or people who are less familiar. I think all those changes are good. So, I would support moving it forward. Council Member Murillo, any questions or comments? And then do you support moving forward as well?

CM Murillo: Yes, I was just going to ask for the red-line version, if you don't mind. And I do support adding more clarity and practical usefulness to the policy. So, I do support moving it forward.

T. Sedmak: Thank you.

CM Gardner: Council Member Zvonek?

CM Zvonek: No questions. And I do support moving forward.

CM Gardner: All right. Thank you. Thanks, Teresa.

T. Sedmak: Thank you.

Outcome

The Committee unanimously supported moving the item forward.

Follow-up Action

Staff will move the item forward to Study Session.

**SUMMARY RESULTS - SALE AND CLOSING OF CITY OF AURORA 2022 COPS
(ROAD IMPROVEMENTS PROJECTS)****Summary of Issue and Discussion**

Teresa Sedmak presented this item. On August 24th, Aurora priced its Series 2022 Certificates of Participation (COPs) to finance various roadway improvements. There was a par amount of \$31.9 million to offer to investors and the city received orders for \$102 million, which is a 3.2 times oversubscription. This allowed staff to reprice several maturities for interest rate reductions. Some longer-term maturities were repriced with a higher yield. The all-in-interest cost, including the underwriting and cost issuance on the deal, was 3.685%. The closing on the COPs occurred on September 7th and were sold to RBC and Stifel. They were packaged with a rating of AA1 from Moody's which is the highest rating afforded to an appropriation credit.

Committee Discussion:

CM Gardner: Council Member Zvonek, any questions?

CM Zvonek: No questions. That's great news. I'm happy to hear that we were able to lock in the lower rate and move this forward. I know this is ultimately going towards a much-needed road maintenance repair. So, I'm just happy to hear that we're moving forward and saving the taxpayers a little bit of money along the way.

T. Sedmak: Thank you.

CM Gardner: Council Member Murillo?

CM Murillo: Nothing on my end.

CM Gardner: All right. Thank you for the presentations, Teresa.

T. Sedmak: Thank you.

Outcome

Information only.

Follow-up Action

No follow-up needed.

2023 BID OPERATING PLANS AND BUDGETS

- 5a. Consideration of A RESOLUTION of the City Council of the City of Aurora, Colorado, approving the 2023 Operating Plan and Budget for the Parkside at City Centre Business Improvement District
- 5b. Consideration of A RESOLUTION of the City Council of the City of Aurora, Colorado, approving the 2023 Operating Plan and Budget for the Fitzsimons Business Improvement District
- 5c. Consideration of A RESOLUTION of the City Council of the City of Aurora, Colorado, approving the 2022 Operating Plan and Budget for the Havana Business Improvement District
- 5d. Consideration of A RESOLUTION of the City Council of the City of Aurora, Colorado, approving the 2023 Operating Plan and Budget for the Painted Prairie Business Improvement District No. 2
- 5e. Consideration of A RESOLUTION of the City Council of the City of Aurora, Colorado, approving the 2023 Operating Plan and Budget for the Painted Prairie Business Improvement District No. 1
- 5f. Consideration of A RESOLUTION of the City Council of the City of Aurora, Colorado, approving the 2023 Operating Plan and Budget for the Tower Business Improvement District
- 5g. Consideration of A RESOLUTION of the City Council of the City of Aurora, Colorado, approving the 2023 Operating Plan and Budget for the Windler Business Improvement District No. 2
- 5h. Consideration of A RESOLUTION of the City Council of the City of Aurora, Colorado, approving the 2023 Operating Plan and Budget for the Windler Business Improvement District No. 1
- 5i. Consideration of A RESOLUTION of the City Council of the City of Aurora, Colorado, approving the 2023 Operating Plan and Budget for the Citadel on Colfax Business Improvement District
- 5j. Consideration of A RESOLUTION of the City Council of the City of Aurora, Colorado, approving the 2023 Operating Plan and Budget for the Porteos Business Improvement District

Summary of Issue and Discussion

Carol Toth gave an overall presentation for items 5a through 5j regarding the 2023 Operating Plans and Budgets of ten business districts organized within the city. The state statute requires that each BID organized within a municipality file their upcoming budget with the City Clerk for review and approval by the City Council by December 5th.

Committee Discussion:

CM Gardner: Okay. I think since they were included in the backup, we don't need individual presentations. But to give council members an opportunity to ask questions. Council Member Murillo, any questions on 5a through 5j?

CM Murillo: No.

CM Gardner: Council Member Zvonek?

CM Zvonek: I don't have any.

CM Gardner: And are you both okay with moving these forward?

CM Zvonek: Yes.

CM Murillo: Yes.

CM Gardner: Thank you. These will move forward. Thank you for the presentation.

Outcome:

The Committee unanimously supported moving items 5a through 5j forward.

Follow-up Action:

Staff will move items 5a through 5j forward to the October 17th Study Session.

2023 GID OPERATING PLAN AND BUDGETS

- 6a. General Improvement District 1-2007 (Cherry Creek Racquet Club) 2023 operating budget
- 6b. General Improvement District 2-2009 (Pier Point 7) 2023 operating budget
- 6c. General Improvement District 2-2011 (Aurora Conference Center) 2023 operating budget
- 6d. General Improvement District 1-2016 (Cobblewood) 2023 operating budget

- 6e. General Improvement District 1-2008 (Peoria Park) 2023 operating budget
- 6f. General Improvement District 3-2008 (Meadow Hills Country Club) 2023 operating budget

Summary of Issue and Discussion

Andrew Jamison gave an overall presentation for items 6a through 6f regarding ordinances to approve the Operating Plans for the General Improvement Districts (GIDs) within Aurora. Generally, they authorize a mill levy to collect a property tax within the district to pay debt service for certain capital improvements that the districts had elected to improve. This is with the exception of the Aurora Conference Center which uses a direct funding model to pay for improvements.

Committee Discussion:

CM Gardner: Council Member Zvonek, any questions?

CM Zvonek: No.

CM Gardner: Council Member Murillo?

CM Murillo: No questions for me.

CM Gardner: And are you both okay with moving these forward?

CM Murillo: Yes.

CM Zvonek: Yes.

CM Gardner: All right. Thanks, Andrew.

A. Jamison: Thank you.

Outcome:

The Committee unanimously supported moving items 6a through 6f forward.

Follow-up Action:

Staff will move items 6a through 6f forward to the Budget Workshop and the Regular Council Meeting.

MISCELLANEOUS MATTERS FOR CONSIDERATION

None.

ADJOURNMENT

HISTORY (Dates reviewed by City council, Policy Committees, Boards and Commissions, or Staff. Summarize pertinent comments. ATTACH MINUTES OF COUNCIL MEETINGS, POLICY COMMITTEES AND BOARDS AND COMMISSIONS.)

City Council approved the establishment of the Painted Prairie Business Improvement District No. 1 (BID) in 2017 (Ord. No. 2017-36). The BID is located in the southeast corner of E 64th Avenue and N Himalaya Road. State statute requires that the BID file its proposed annual budget for the upcoming year with the City Clerk for City Council review and approval.

ITEM SUMMARY (Brief description of item, discussion, key points, recommendations, etc.)

The attached resolution will approve the Painted Prairie Business Improvement District No. 1 2023 operating plan and budget. The operating plan anticipates mainly developer advances for its \$30,000 revenue and expected expenditures. The Painted Prairie No. 1 BID does not anticipate any major public improvements for 2023.

QUESTIONS FOR COUNCIL

Does the Council wish to forward the resolution approving the 2023 operating plan and budget for the Painted Prairie Business Improvement District No. 1 to the November 14, 2022, regular meeting of the City Council for formal consideration?

LEGAL COMMENTS

No business improvement district shall issue bonds, levy taxes, fees, or assessments, or provide improvements or services unless the municipality within which it is located has approved an operating plan and budget for the district. **See** Sec. 31-25-1211, C.R.S. (Hernandez).

PUBLIC FINANCIAL IMPACT

If yes, explain:

PRIVATE FISCAL IMPACT

- ☐ Not Applicable ☐ Significant ☒ Nominal

If Significant or Nominal, explain: The attached item sets out the 2023 operating plan and budget for the Painted Prairie Business Improvement District No. 1. Funding is projected at \$30,000 primarily from developer advances.

RESOLUTION NO. R2022-_____

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF AURORA, COLORADO, APPROVING THE 2023 OPERATING PLAN AND BUDGET FOR THE PAINTED PRAIRIE BUSINESS IMPROVEMENT DISTRICT NUMBER ONE

WHEREAS, the City Council (the “Council”) of the City of Aurora, Colorado (the “City”), is vested with jurisdiction to create one or more districts within City boundaries pursuant to the Business Improvement District Act, Part 12 of Article 25 of Title 31, C.R.S. (the “Act”); and

WHEREAS, pursuant to the Act, the Council has adopted Ordinance No. 2017-37 organizing the Painted Prairie Business Improvement District Number One (the “District”) and appointing the District’s initial Board of Directors (the “Board”); and

WHEREAS, Section 31-25-1211, C.R.S., provides that no district created under the Act shall issue bonds, levy taxes, fees, or assessments, or provide improvements or services unless the City has approved an operating plan and budget for the district; and

WHEREAS, the Board has approved a 2023 District operating plan and budget (the “2023 Operating Plan and Budget”) for submittal to the City, which Operating Plan and Budget are in full compliance with the requirements of the Act; and

WHEREAS, the Council finds and determines that the approval of the 2023 Operating Plan and Budget in the form presented to the Council at this meeting is in the best interests of both the City and the District.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AURORA, COLORADO.

Section 1. The 2023 Operating Plan and Budget for the Painted Prairie Business Improvement District Number One are hereby approved, including the declaration of public interest and necessity for improvements contained therein.

Section 2. All resolutions or parts of resolutions of the City of Aurora, Colorado, in conflict herewith are hereby rescinded.

RESOLVED AND PASSED this _____ day of _____, 2022.

MIKE COFFMAN, Mayor

EXHIBIT C	District Contact Information

I. PURPOSE AND SCOPE OF DISTRICT

A. Requirement for this Operating Plan. The Business Improvement District Act, specifically § 31-25-1211, C.R.S., requires that the Painted Prairie Business Improvement District Number One (the “**District**”) file an operating plan and budget with the City of Aurora City Clerk no later than September 30 of each year.

1. Under the statute, the City of Aurora (the “**City**”) is to approve the operating plan and budget within thirty (30) days of submittal of all required information.

2. The District will operate under the authorities and powers allowed under §§ 31-25-1201, *et seq.*, C.R.S., as amended (the “**Business Improvement District Act**”), as further described and limited by this Operating Plan.

B. What Must Be Included in the Operating Plan? Pursuant to the Business Improvement District Act, this Operating Plan specifically identifies: (1) the composition of the Board of Directors; (2) the services and improvements to be provided by the District; (3) the taxes, fees, and assessments to be imposed by the District; (4) the estimated principal amount of bonds to be issued by the District; and (5) such other information as the City may require.

C. Purposes. As may be further articulated in succeeding year’s operating plans, the ongoing and contemplated purposes of the District include the financing, acquisition, construction, completion, installation, replacement and/or operation and maintenance of all the services and public improvements allowed under Colorado law for business improvement districts.

II. COMPOSITION OF THE DISTRICT’S CURRENT BOARD OF DIRECTORS

A. Current Board of Directors. The composition of the District’s current board of directors (“**Board of Directors**”) is:

1. Christopher H. Fellows
2. Timothy P. O’Connor
3. Dustin M. Anderson
4. Vacant
5. Vacant

Vacancies on the Board are to be filled by appointment by resolution of the City Council to serve until the next regular election. The Board of Directors of the District plans on adopting a resolution requesting the City appoint directors to fill the vacancies at the District’s next meeting.

B. Term Limits. Ballot Question W of the November 7, 2017 election eliminated term limits.

C. Director Compensation. The Board of Directors shall receive compensation up to \$100 per meeting attended for their services as directors.

III. BOUNDARIES, INCLUSIONS AND EXCLUSIONS

The current District boundaries are 0.540 acres as depicted in **Exhibit A**. In subsequent years, the District anticipates inclusion requests for additional property as additional property owners participate in the District.

IV. SERVICES, ACTIVITIES, PROJECTS AND PUBLIC IMPROVEMENTS

The District will primarily be concerned with the provision of public improvements and services within the boundaries of the District; however, there may be instances where the District will provide public improvements and services outside of the boundaries of the District as part of the project. The District shall have the authority to provide these public improvements and services, but the revenue-raising powers of the District to recoup the costs of extraterritorial public improvements and services shall be as limited by state law. The public improvements that the District anticipates it will construct, install or cause to be constructed or installed, include those public improvements the cost of which may, in accordance with the Business Improvement District Act, lawfully be paid for by the District, including, without limitation, water services, safety protection devices, sanitation services, marketing, streetscape improvements, street improvements, curbs, gutters, culverts, drainage facilities, sidewalks, parking facilities, paving, lighting, grading, landscape and storm and wastewater management facilities and associated land acquisition and remediation (collectively, the “**Public Improvements**”). The costs of such Public Improvements includes the costs of design, acquisition, construction and financing.

The District shall have the power and authority to provide the Public Improvements and related operation and maintenance services within and without the boundaries of the District as such power and authority is described in the Business Improvement District Act, and other applicable statutes, common law and the Constitution. The District may provide for ownership, operation, and maintenance of Public Improvements and District facilities as activities of the District itself or by contract with other units of government or the private sector.

The property owners of the District request that the City designate the territory within the District as a location for new business or commercial development pursuant to § 31-25-1203(10), C.R.S.

A. Current Year (2022) Services, Activities, Projects and Public Improvements.

As the development within the District is still in the planning stages, the District only undertook administrative functions during 2022.

B. Future Year (2023) Services, Activities, Projects and Public Improvements.

During 2023, the District intends to continue to evaluate and plan the services, activities and Public Improvements to be provided by the District.

V. SOURCES OF REVENUE

A. Current Year (2022) Sources of Revenue. The primary source of revenue for the District in 2022 was developer advances. The District imposed a 10.000 mill levy on all property within the District for collection in 2022, all of which was dedicated to the General Fund.

B. Future Year (2023) Sources of Revenue. The primary source of revenue for the District in 2023 will be developer advances. The District intends to impose a 10.000 mill levy on all property within the District for collection in 2023, all of which will be dedicated to the General Fund. The District may also be the beneficiary of revenues derived from a privately imposed public improvement fee.

VI. PROPERTY TAX AND MILL LEVY

A. Mill Levy Caps. The maximum debt mill levy shall be the maximum mill levy the District is permitted to impose upon the taxable property within the District, and shall be 50 mills as may be adjusted for changes in the method of calculating assessed valuation so that to the extent possible, the actual tax revenues generated by the mill levy, as adjusted for changes occurring after January 1, 2004, are neither diminished nor enhanced as a result of such changes, for purposes of the foregoing, a change in the ratio of actual valuation shall be deemed to be a change in the method of calculating assessed valuation.

B. Current Year (2022) Mill Levy. The District imposed a 10.000 mill levy on all property within the District for collection in 2021, all of which was dedicated to the General Fund.

C. Future Year (2023) Mill Levy. The District intends to impose a 10.000 mill levy on all property within the District for collection in 2023, all of which will be dedicated to the General Fund.

VII. AUTHORIZED INDEBTEDNESS AND EXISTING DEBT OBLIGATIONS

A. Maximum Debt Authorization. The District held an organizational election on November 7, 2017 for the purpose of authorizing debt, taxes, revenue limits, spending limits, special assessments, and such other matters as necessary or convenient for the implementation of Article X, Section 20 of the Colorado Constitution (“**TABOR**”). The initial maximum debt authorization for the District shall be \$100,000,000.

B. Current Year (2022) Debt Outstanding. The District has no outstanding debt obligations.

C. Future Year (2023) Debt Outstanding. The District does not anticipate issuing debt in 2023.

VIII. BUDGET AND FINANCIAL STATEMENTS

A. 2023 Budget. The proposed 2023 Budget for the District is attached as **Exhibit B**.

B. 2022 Budget. The District’s 2022 Budget is attached as **Exhibit B**.

C. 2021 and 2022 Financial Statements. The District’s December 31, 2021 financial statements and June 30, 2022 financial statements are attached as **Exhibit B**. The District was exempt from audit during 2021.

IX. DISTRICT CONTACT INFORMATION

A. Contact Information. Contact information for the District's accountant and District's representative where follow-up inquires and questions should be directed is set forth on **Exhibit C**.

X. DISSOLUTION

The District is anticipated to have ongoing operations and maintenance obligations that will necessitate a perpetual existence. If the District no longer has such obligations, the District may seek to dissolve pursuant to § 31-25-1225, C.R.S.

XI. CONCLUSION

It is submitted that this Operating Plan and Budget for the District meets the requirements of the Business Improvement District Act, the Colorado Constitution, and the additional information required by the City. It is further submitted that the types of services and improvements to be provided by the District are those services and improvements which satisfy the purposes of Part 12 of Article 25 of Title 31, C.R.S.

PAINTED PRAIRIE BUSINESS IMPROVEMENT DISTRICT #1
2022
BUDGET MESSAGE

Attached please find a copy of the adopted 2022 budget for the Painted Prairie Business Improvement District #1.

The Painted Prairie Business Improvement District #1 has adopted a budget for one fund, a General Fund to provide for general operating expenditures.

The district's accountants have utilized the modified accrual basis of accounting and the budget has been adopted after proper postings, publications, and public hearing.

The primary source of revenue for the district in 2022 will be developer advances. The district intends to impose 10.000 mill levy on all property within the district for 2022, all of which will be dedicated to the General Fund.

Painted Prairie Business Improvement Districts #1 & #2
Financial Statements
December 31, 2021

ACCOUNTANT'S COMPILATION REPORT

Board of Directors

Painted Prairie Business Improvement Districts #1 & #2

Management is responsible for the accompanying financial statements of each major fund of Painted Prairie Business Improvement Districts #1 & #2, as of and for the period ended December 31, 2021, which are comprised of the Balance Sheet and the related Statement of Revenues, Expenditures and Changes in Fund Balance – Budget and Actual – Governmental Funds and account groups for the twelve months then ended in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with the Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

Management has elected to omit the Statement of Net Position, Statement of Activities, Management Discussion and Analysis and all of the disclosures required by accounting principles generally accepted in the United States of America. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the District's financial position and results of operations. Accordingly, the financial statements are not designed for those who are not informed about such matters.

We are not independent with respect to Painted Prairie Business Improvement Districts #1 & #2 because we performed certain accounting services that impaired our independence.

Wool, M. Barrett, N. Peykov

INTRODUCTIONS AND MINUTES

August 23, 2022 minutes were approved.

AUGUST 2022 SALES TAX CHART**Summary of Issue and Discussion**

Bill Levine presented the August 2022 Sales Tax Chart. The sales tax increased by 10.5% in August. This can be interpreted in two ways. One is as a revenue number with August about \$360,000 over the projection. With this, the city looks to be on track to meet or beat the projection for the year. The sales tax can also be representative of how business is doing in the city. In this regard, the 10.5% increase appears to be misleading. In August 2022, there was a large amount received from a foreign online retailer making payments for over two years of taxes owed to the city from October 2019 to April 2022. This was due to the passing of the Economic Nexus Ordinance and the Sales and Use Tax System (SUTS) only being set up in August. If this one-payment growth is not taken into account, the sales tax growth for August would only have been 9.6%.

The variable sales tax payments grew by 85% in August, meaning that a lot of the 10.5% growth is due to big one-time payments. These variable payments were for large construction projects including storm, drainage, and decking systems. If the variable sales tax payment only grew at a neutral rate equal to the inflation rate of 8.3%, the growth for August would only be 7.2% instead of 10.5%. This number is more reflective of the consistent taxpayers and the business community in Aurora.

Committee Discussion:

CM Gardner: Makes sense. Thanks for that analysis. That's helpful. Council Member Zvonek, any questions?

CM Zvonek: I don't have any now. Thanks.

CM Gardner: All right. Thank you. Okay. Council Member Murillo, do you have any questions on that?

CM Murillo: No. I think I logged in just right at one. Did we start the presentation earlier?

CM Gardner: No. It was 1:00 when we started. You might have just been a couple of seconds late. We just have a really crowded agenda, so I just wanted to get started on it.

CM Murillo: That's fine. No questions here.

CM Gardner: All right. I appreciate that. Thanks, Bill, for your presentation.

B. Levine: Thank you, Council. I appreciate it.

Outcome

Information only.

Follow-up Action

No follow-up needed.

OCCUPATIONAL PRIVILEGE TAX REPEALSummary of Issue and Discussion

Council Member Jurinsky and Jeff Edwards presented this ordinance that will repeal the occupational privilege tax (OPT) that was implemented in 1986. Aurora is one in five cities in Colorado that has this. This is a \$4 tax per employee with half being withheld from the employee, and half being matched by the employer per paycheck once a month. CM Jurinsky noted that there is a surplus in the budget and there is no reason to figure out what to cut out of the budget to make the tax cut work.

Once the repeal is implemented, it would have to go through the voters to be reinstated. The fiscal impact would be \$5.9 million for 2023. There would be no cuts to the police, fire, 911, courts, transfers, and other mandates. This leaves \$170 million of people and supplies that would need to be cut by 5% from the 2023 budget. Nine entities received OPT revenue of \$590,000 in 2021. In addition, some of the revenues are used by the Aurora Urban Renewal Authority

(AURA) for incentive and development projects. About 72% of the city's revenue is dependent on sales and use tax.

Committee Discussion:

CM Jurinsky: Now, I actually have a question because I asked thoroughly about this when I was on the CABC and I asked where these funds go, and I was told by Greg Hays that all of these funds go into the general fund. That's really concerning to me if the AURA is using some of these funds, because just last night I was told that none of those funds come out of the general fund, specifically regarding our parking lot structure.

T. Velasquez: And I would address that Council Member basically when we have a TIF area, any of the revenues that are generated from the specific project, including OPT, would go back to the project. I think on Jeff's slides, it's just acknowledging that the revenue that's generated from specific projects is then shared back as a part of incentive agreements that were approved by previous city councils. So, it would definitely change the revenue flow to some of those projects. And I also have Greg online to answer any budgetary-related questions. I know from an almost \$6 million budget perspective it does have some larger impacts. And maybe, Greg, you can put it a little bit into perspective from a standpoint of what that reduction would mean.

G. Hays: I sure can. Thank you very much. If you're looking at \$5.9 million, it's the equivalent of about 80 people. We do have a balanced budget for 2023, and if you take \$6 million out, it would not be balanced. We would have to go find that money from somewhere. It is a significant amount of money. It's larger than six different budgets, general fund budgets. Aurora Water, City Council, Communications, General Management, HR, Planning. Their entire budgets are actually less than that. And what's more, 2024 is not -- it's close to being balance. We don't need to have a balanced budget for the future but taking on another \$6 million of ongoing funds would make that harder for the 2024 budget as well.

CM Gardner: All right. Thank you. Greg and Jeff. Council Member Murillo, questions, or comments for either staff or the sponsor?

CM Murillo: Thanks, Council Member Gardner. I think a few comments. Yes, I think that coming into the conversation and just saying that "Oh, we have a surplus and therefore I don't really need to look for the accompanying piece of where this ongoing revenue would come from" is concerning to me to the staff's comments around this does make it more challenging to balance our budget in the future. There will be budget implications. I think that was the biggest concern for me and I would like a better understanding of where the city management would take those ongoing funds because it's not just funds that would be taken out of this year's budget or whenever this comes into effect, but it is ongoing. That's just my biggest comment and request before this moves forward on my end.

CM Gardner: Council Member Zvonek, questions, or comments?

CM Zvonek: I would just say we haven't set a 2023 budget. As far as I know, we're going to do that at the budget workshop, and I think that will give us plenty of opportunity to identify what reductions we need to make in order to make this happen. But I think in terms of a signal that we want to continue to be the most business-friendly city in the state, and we are getting rid of a privilege tax of working in Aurora. We have to, I think, try to change our mental model, and recognize that it's actually a privilege for us to have employees here and it's not a privilege for them to work here. And I think this is one of the ways we can do that.

J. Twombly: And I just wanted to check with Jeff. It seems like I saw in the original ordinance that fire, police, and road maintenance were cited as reasons for instituting this tax in the first place. The funds weren't dedicated for those purposes, but I think those were cited as reasons why the council voted to approve that tax. Jeff, do you have any information on that?

J. Edwards: Correct. Thanks, City Manager Jim Twombly. Appreciate that question. That is correct. This was essentially a way for us to distribute the tax burden for the city to those that are coming into the city to work. And it pointed out that it was for police, fire, road maintenance, those types of costs, and other municipal services.

J. Twombly: Okay. Thanks.

CM Jurinsky: Yes. I asked repeatedly on CABC if these funds were dedicated for anything in particular and I was told numerous times, "No, they're not earmarked for anything. They just go into the general fund and that's where they are at in the general fund." And as Council Member Zvonek just said, the fact that we have a tax on businesses and workers in the city of Aurora states that it's their privilege to do business in this city or to be a worker in this city. I can't believe this has never been brought up before, but I think that we absolutely need to change our mindset on that and realize that it is actually the city's privilege. It is our privilege for businesses to come here and for workers to want to work in Aurora. And as Council Member Zvonek just pointed out, the budget is not set and that's exactly what we are going to go to the Budget Committee meeting to do. And the fact that we have any additional tax on people in Aurora, I think that those should be eliminated. And just as other taxes, on menstrual products and on diapers in this city have been eliminated, I look at this tax repeal as actually a more equitable tax cut, because it will be for anybody, regardless of gender, regardless of race. I mean, if you work in Aurora or have a business in Aurora, this tax is on you, and this will be a tax saving to all those who wish to do business here and work here.

CM Gardner: Any other questions or comments from the committee?

CM Murillo: Yes, I guess just the fact that we're not acknowledging that for months staff has put together our budget, essentially line item by line item. We've had public presentations at town halls, and we've had specific budget presentations. Suddenly to say that we're not essentially almost at the end and that we don't have a budget, sure, it's not yet confirmed. But let's be clear

that this would be a last-minute change that hasn't been incorporated into this current budget as it's been written. I just want to be very clear that when we say it's not yet been finalized, that's because we haven't yet made the final approval. But a last-minute change is what this would be. I just want to be very clear that that's where we're at in the budget process for this year.

CM Jurinsky: Council Member Gardner, I'd like to respond to that.

CM Gardner: Go ahead.

CM Jurinsky: The budget is created every single year. I'm not sure there's really a good time or a bad time to bring forward a tax cut. But I had some things that I needed to look into. Obviously, I wanted to come to this committee. It would be my prerogative to have brought this straight to a council meeting and to rush this process. But as I heard from my colleagues that don't always agree with me on much of anything, they would prefer me to follow the standard process that we have in place. I went about it that way this time, and I'm not sure that you can consider any kind of tax cuts on our citizens and our businesses to be something that's last minute. I find it to be something that's necessary.

CM Gardner: All right. Thanks, everybody, for comments and feedback. Council Member Murillo, would you like this to move forward?

CM Murillo: Not at this time. We were just talking about understanding fiscal notes and larger impacts last night. For it to be at the 11th hour, I think that's not something that I would prefer, but obviously, we'll talk about it if the committee approves it going forward. But like I said, I just wanted to be very clear on the rhetoric and the shaping of the conversation. So that's why I made my comments.

CM Gardner: Council Member Zvonek?

CM Zvonek: I think that now is actually the perfect time to move it forward as the elected officials who were elected by the people of Aurora to set the budget will be having a conversation about the budget for next year. It means we'll have to do some work, but that's okay. That's what we were elected to do.

CM Gardner: All right. And I'm fine with it moving forward as well.

Outcome

The Committee supported moving the item forward.

Follow-up Action

Staff will move the item forward to Study Session.

WARD REALIGNMENT RECOMMENDATION DEADLINE**Summary of Issue and Discussion**

CM Marcano presented the proposed ordinance which sets a deadline of no later than October 15th for rewarding recommendations to be before the Council. This preserves the existing timeline for the rewarding process to begin.

Committee Discussion:

CM Gardner: All right. Thank you. Council Member Zvonek, any questions or comments?

CM Zvonek: No, I think that makes sense. I know that earlier, Council Member Marcano, when we were having these discussions at the beginning of the year, there was some concern because the initial timeline, I think didn't have us finishing until into next year. As a committee, we decided to do that. I think creating some sort of guidelines going forward that keeps us on track is appropriate and I would support that moving forward.

CM Murillo: I don't have any questions. Similar to the comments just made, we intentionally moved it up so that there was less ambiguity later into next year. I think this is in line with the actions that we've taken on this committee this year. I support moving it forward.

CM Gardner: All right. And as both council members pointed out, we intentionally changed the original schedule that was presented to us to avoid this very problem where the maps wouldn't have been finalized until late spring or early summer next year for folks running, which could create some confusion. I am okay with it moving forward as well. Thank you for the presentation.

CM Marcano: All right, great. Thank you.

Outcome

The Committee unanimously supported moving the item forward.

Follow-up Action

Staff will move the item forward to Study Session.

UPDATE ON E-DISCOVERY IN COURTS**Summary of Issue and Discussion**

Julie Heckman presented an update on e-Discovery in courts. The City Attorney's Office Case Management System will help transition to an electronic case management system from the fully-paper file status. This would provide the ability to give e-discovery out electronically for any defendant in the municipal court regardless of representation. All body-worn cameras, videos, and pictures will be downloaded to a disk.

This issue was brought about at a Public Safety meeting on October 14th, 2021. The interim court administrator, Mike Ritter, at the time had asked for two additional FTEs to address the case management system and e-discovery software tool. Court IT asked city IT to be present in the next meeting to discuss buying versus building the software. Judge Shawn Day, Doug Wilson, Court IT, City IT, and other staff have been discussing how to move the court to transition electronically. It has been agreed upon that the City Attorney's Office must be the beginning of this and get case management into an electronic system. Following this would be eDiscovery then the court accepting all electronic filings. It was previously confirmed by the former interim court administrator that following the two FTEs that the work would be completed by Q1 of 2022. However, it is currently still not in place.

The city has since hired Ms. Candice Atkinson as the new court administrator and has continued conversations regarding this. City staff has gone back to CDAC about looking at the e-Discovery tool that they have which is a statewide system for all prosecutors. APD Records, the Crime Lab, and A911 package all the evidence to be sent to the state CDAC system. Due to this, there have been discussions of having other Aurora agencies package things the same way and having a system mirrored to the CDAC system. CDAC has provided a general quote of what they think it would take to look at their system, redesign it, and tweak it to Aurora's court system which currently does not have data sharing between courts. There are other municipalities that are also trying to switch to electronic and may be interested in getting onto the CDAC system.

The staff has also looked at several outside vendors that do prosecution-type case management systems which include e-Discovery. There is also one that works closely with Axon that provides body-worn cameras. They were contacted to present to City and Court IT and other city staff. The need for this implementation is past due given the inefficiencies created by the labor-intensive utilization of the files. Given that there is only one paper file, only one person or department can work on it at a time. This would then delay getting the evidence to APD and other preparations.

Committee Discussion:

CM Gardner: Appreciate that update, Julie. And I think the only comment that I have, and I had said this last year in public safety is my preference is to go with standard software, not creating our own. And it sounds like we're looking into some options like that. And those are my concerns. I have that concern because of when you have somebody who designs a program in-house and that person leaves, you create some issues there. And so, for ongoing and support purposes, I always prefer to use something standard. And I can't imagine that Aurora is that unique, that there isn't software out there that won't meet our needs. So that's just my thought or my input. But again, really appreciate the update. Obviously, it's a project that's been going on for a while and certainly something that we need to get implemented. Council Member Murillo, any questions or comments?

CM Murillo: None for me. Thanks for the update.

CM Gardner: Council Member Zvonek?

CM Zvonek: No, I would just echo what you just said. I think that to the extent that we can find a product that not only because of the reasons you pointed out but if there is some collaboration or any sort of data that can be shared across different jurisdictions, having that software would seem to make a lot of sense. I also just hope that this is a part of the broader conversation that we're continuing to have with IT in general and moving toward a capability model for the entire city. This isn't just related to courts or even prosecution, but generally across every department, I think that having a standalone IT department doesn't make a lot of sense. I think having people embedded there, but ultimately coming back to one shared capability makes a lot more sense. I hope we integrate this conversation with that broader one.

CM Gardner: Appreciate that. Thanks again, Julie.

J. Heckman: Thank you.

Outcome

Information only.

Follow-up Action

No follow-up needed.

FITZSIMONS BUSINESS IMPROVEMENT DISTRICT – NEW BOARD MEMBER APPOINTMENT

Summary of Issue and Discussion

Chad Argentar presented this item. The Fitzsimons Business Improvement District (BID) is looking to expand their existing board as they only have two out of five filled seats. The nominee for the position is interested in serving and contributing to the businesses in the BID.

Committee Discussion:

CM Gardner: I appreciate that. Council Member Murillo, comments or questions?

CM Murillo: None here.

CM Gardner: Council Member Zvonek?

CM Zvonek: No Questions.

CM Gardner: All right. And I assume both of you are okay with it moving forward.

CM Zvonek: Yes.

CM Murillo: Yes.

CM Gardner: All right. Thanks, Chad.

C. Argentar: Thank you.

Outcome

The Committee unanimously supported moving the item forward.

Follow-up Action

Staff will move the item forward to Study Session.

2023 WARD REDISTRICTING REVIEW

Summary of Issue and Discussion

Kadee Rodriguez presented this item. Staff is requesting for the M&F Policy Committee's decision to finalize which scenario to move forward to full Council.

Committee Discussion:

CM Gardner: And can you remind me which was the map that was recommended or put forward by the Election Commission?

K. Rodriguez: Scenario five.

CM Gardner: Okay. Council Member Zvonek, any thoughts, comments, or questions?

CM Zvonek: I guess my one question maybe, Kadee, is that can we have more than one recommendation from our Committee go forward to the full council? Or are you just looking for one?

K. Rodriguez: There's nothing that states you can't move forward more than one recommendation. So, I think it would be up to this Committee on how you'd like to do that.

CM Zvonek: I guess my suggestion would be to have these go forward to the full council to have a conversation with more of our colleagues about these scenarios and have maybe a presentation from the Election Commission at a Study Session. I think that's what the next step is. It would come to a Study Session. So have it come to a Study Session and a presentation as to why the Election Commission chose that map and then also lay out the other scenarios because I can imagine that some of our colleagues might ask why we chose this one, why the Election

Commission chose that one, and what were the other scenarios so that they can have eyes on them too. So that's my recommendation for moving it forward.

CM Murillo: Yes, something similar on my end. I would prefer to not narrow it down at this point since this impacts the full council and have the broader discussion at a Study Session where we can all talk about it. All the options.

CM Gardner: Okay. Well, it sounds like that's what the will of the Committee is. Kadee, is that going to be the next available study session? Is that what our schedule was?

K. Rodriguez: It's actually the second study session in October. So, it's not the one this Monday, but the next one.

CM Gardner: The next one, yes. Okay, sounds good. Well, we will get a presentation at the second Study Session in October. And Kadee, thank you. And I don't think Daniel is on the phone but thank you both for all your work this year with our committee and the presentations and all that. Really appreciate you guys working through the process.

K. Rodriguez: Okay. Thank you. And we'll work with the Election Commission to get them on the Study Session for the last study session in October.

CM Gardner: All right, thanks.

K. Rodriguez: Thank you.

Outcome

The Committee decided to have the Election Commission present all scenarios, including the recommended scenario, in the second October Study Session.

Follow-up Action

Staff will coordinate with the Election Commission regarding their presentation for the second October Study Session.

ANNUAL REVIEW OF INVESTMENT POLICY

Summary of Issue and Discussion

Teresa Sedmak presented this item. The investment policy of the city is reviewed to incorporate any changes in the state statute or other required changes. For the recent review, city staff made two non-substantive changes. One is to define the nationally recognized statistical rating organizations; namely Moody's, S&P, and Fitch. The other change made was to reformat the section related to general obligation bonds and revenue bonds to improve clarity. The revisions

were presented to the Investment Advisory Committee on August 4th. Legal counsel has advised that there is no action necessary due to the non-substantive matter of the changes.

Committee Discussion:

CM Gardner: All right. Thank you. Council Member Murillo, questions or comments?

CM Murillo: I do not have any questions.

CM Gardner: Council Member Zvonek?

CM Zvonek: No.

CM Gardner: All right. Thank you for the presentation, Teresa.

T. Sedmak: Sure.

Outcome

Information only.

Follow-up Action

No follow-up needed.

PROPOSED MODIFICATIONS TO MORAL OBLIGATIONS POLICY AND REVIEW OF EXISTING MORAL OBLIGATIONS

Summary of Issue and Discussion

Teresa Sedmak presented this item. The city has existing moral support transactions with the Hyatt Regency Conference Center and Parking Garage and FRA Bioscience III Building. Recently, City Council has approved the continuance of the moral obligations support on Hyatt refinancing which is going to close next week. The rate was locked based on a 3.81% rate on the ten-year US Treasury rate plus a spread of 25 basis points bringing the rate on the new loan locked at 4.06%. The moral support for this transaction takes the form of a debt service reserve equal to a one-year debt service at \$1.7 million. Should the debt service be depleted, it must be replenished. This would then have to go to Council for an appropriation if the funds are not available. AURA has been providing support in the form of capital advances from other TIF revenues generated within the Fitzsimons Urban Renewal Area. No draw has been made on the debt service reserve since it could be a reportable event to investors and may have negative connotations. The need for additional support is not expected until 2024.

The Bioscience III Building moral obligation support is also in the form of a debt service request of \$2.5 million. If depleted, it must be replenished. The building was completed in 2020 and most of the space has been leased out. There are approximately 25% or 30,000 square feet yet to

be leased. A possible tenant is holding off on a decision until Q1 of 2023 due to economic uncertainty. Despite this, there are other potential tenants in the pipeline. The moral obligation terminates in December 2024. The FRA has adequate liquidity to satisfy its debt service obligations and doesn't foresee a draw on the debt service reserve.

In 2021, Council Member Gruber requested a review of the moral obligation policy. Staff has been working with Bond Council to do a thorough review and recommend modifications. One of the notable changes is the change in wording from moral obligation "pledge" to moral obligation "support." This is because "pledge" implies a binding financial obligation and a pledge of collateral. A definition of what a moral obligation is was added to the policy. The new policy explicitly prohibits substantive changes in the financing and proposed financing subsequent to its presentation to M&F, unless allowed by the authorizing resolution. The evaluation criteria were also strengthened and now include the presentation of timing and frequency related to the moral obligation and the likelihood of repayment over time.

Committee Discussion:

CM Gardner: All right. Thank you for the presentation. And yes, I agree with the changes that were made. I think just clarifying some things, tightening up some language, and then even just having a description of what moral obligations are for members of the public or people who are less familiar. I think all those changes are good. So, I would support moving it forward. Council Member Murillo, any questions or comments? And then do you support moving forward as well?

CM Murillo: Yes, I was just going to ask for the red-line version, if you don't mind. And I do support adding more clarity and practical usefulness to the policy. So, I do support moving it forward.

T. Sedmak: Thank you.

CM Gardner: Council Member Zvonek?

CM Zvonek: No questions. And I do support moving forward.

CM Gardner: All right. Thank you. Thanks, Teresa.

T. Sedmak: Thank you.

Outcome

The Committee unanimously supported moving the item forward.

Follow-up Action

Staff will move the item forward to Study Session.

**SUMMARY RESULTS - SALE AND CLOSING OF CITY OF AURORA 2022 COPS
(ROAD IMPROVEMENTS PROJECTS)****Summary of Issue and Discussion**

Teresa Sedmak presented this item. On August 24th, Aurora priced its Series 2022 Certificates of Participation (COPs) to finance various roadway improvements. There was a par amount of \$31.9 million to offer to investors and the city received orders for \$102 million, which is a 3.2 times oversubscription. This allowed staff to reprice several maturities for interest rate reductions. Some longer-term maturities were repriced with a higher yield. The all-in-interest cost, including the underwriting and cost issuance on the deal, was 3.685%. The closing on the COPs occurred on September 7th and were sold to RBC and Stifel. They were packaged with a rating of AA1 from Moody's which is the highest rating afforded to an appropriation credit.

Committee Discussion:

CM Gardner: Council Member Zvonek, any questions?

CM Zvonek: No questions. That's great news. I'm happy to hear that we were able to lock in the lower rate and move this forward. I know this is ultimately going towards a much-needed road maintenance repair. So, I'm just happy to hear that we're moving forward and saving the taxpayers a little bit of money along the way.

T. Sedmak: Thank you.

CM Gardner: Council Member Murillo?

CM Murillo: Nothing on my end.

CM Gardner: All right. Thank you for the presentations, Teresa.

T. Sedmak: Thank you.

Outcome

Information only.

Follow-up Action

No follow-up needed.

2023 BID OPERATING PLANS AND BUDGETS

- 5a. Consideration of A RESOLUTION of the City Council of the City of Aurora, Colorado, approving the 2023 Operating Plan and Budget for the Parkside at City Centre Business Improvement District
- 5b. Consideration of A RESOLUTION of the City Council of the City of Aurora, Colorado, approving the 2023 Operating Plan and Budget for the Fitzsimons Business Improvement District
- 5c. Consideration of A RESOLUTION of the City Council of the City of Aurora, Colorado, approving the 2022 Operating Plan and Budget for the Havana Business Improvement District
- 5d. Consideration of A RESOLUTION of the City Council of the City of Aurora, Colorado, approving the 2023 Operating Plan and Budget for the Painted Prairie Business Improvement District No. 2
- 5e. Consideration of A RESOLUTION of the City Council of the City of Aurora, Colorado, approving the 2023 Operating Plan and Budget for the Painted Prairie Business Improvement District No. 1
- 5f. Consideration of A RESOLUTION of the City Council of the City of Aurora, Colorado, approving the 2023 Operating Plan and Budget for the Tower Business Improvement District
- 5g. Consideration of A RESOLUTION of the City Council of the City of Aurora, Colorado, approving the 2023 Operating Plan and Budget for the Windler Business Improvement District No. 2
- 5h. Consideration of A RESOLUTION of the City Council of the City of Aurora, Colorado, approving the 2023 Operating Plan and Budget for the Windler Business Improvement District No. 1
- 5i. Consideration of A RESOLUTION of the City Council of the City of Aurora, Colorado, approving the 2023 Operating Plan and Budget for the Citadel on Colfax Business Improvement District
- 5j. Consideration of A RESOLUTION of the City Council of the City of Aurora, Colorado, approving the 2023 Operating Plan and Budget for the Porteos Business Improvement District

Summary of Issue and Discussion

Carol Toth gave an overall presentation for items 5a through 5j regarding the 2023 Operating Plans and Budgets of ten business districts organized within the city. The state statute requires that each BID organized within a municipality file their upcoming budget with the City Clerk for review and approval by the City Council by December 5th.

Committee Discussion:

CM Gardner: Okay. I think since they were included in the backup, we don't need individual presentations. But to give council members an opportunity to ask questions. Council Member Murillo, any questions on 5a through 5j?

CM Murillo: No.

CM Gardner: Council Member Zvonek?

CM Zvonek: I don't have any.

CM Gardner: And are you both okay with moving these forward?

CM Zvonek: Yes.

CM Murillo: Yes.

CM Gardner: Thank you. These will move forward. Thank you for the presentation.

Outcome:

The Committee unanimously supported moving items 5a through 5j forward.

Follow-up Action:

Staff will move items 5a through 5j forward to the October 17th Study Session.

2023 GID OPERATING PLAN AND BUDGETS

- 6a. General Improvement District 1-2007 (Cherry Creek Racquet Club) 2023 operating budget
- 6b. General Improvement District 2-2009 (Pier Point 7) 2023 operating budget
- 6c. General Improvement District 2-2011 (Aurora Conference Center) 2023 operating budget
- 6d. General Improvement District 1-2016 (Cobblewood) 2023 operating budget

- 6e. General Improvement District 1-2008 (Peoria Park) 2023 operating budget
- 6f. General Improvement District 3-2008 (Meadow Hills Country Club) 2023 operating budget

Summary of Issue and Discussion

Andrew Jamison gave an overall presentation for items 6a through 6f regarding ordinances to approve the Operating Plans for the General Improvement Districts (GIDs) within Aurora. Generally, they authorize a mill levy to collect a property tax within the district to pay debt service for certain capital improvements that the districts had elected to improve. This is with the exception of the Aurora Conference Center which uses a direct funding model to pay for improvements.

Committee Discussion:

CM Gardner: Council Member Zvonek, any questions?

CM Zvonek: No.

CM Gardner: Council Member Murillo?

CM Murillo: No questions for me.

CM Gardner: And are you both okay with moving these forward?

CM Murillo: Yes.

CM Zvonek: Yes.

CM Gardner: All right. Thanks, Andrew.

A. Jamison: Thank you.

Outcome:

The Committee unanimously supported moving items 6a through 6f forward.

Follow-up Action:

Staff will move items 6a through 6f forward to the Budget Workshop and the Regular Council Meeting.

MISCELLANEOUS MATTERS FOR CONSIDERATION

None.

ADJOURNMENT

The next meeting is tentatively scheduled for Tuesday, October 25, 2022 at 1:00 PM (WebEx)

THESE MINUTES WERE APPROVED AS SUBMITTED

HISTORY (Dates reviewed by City council, Policy Committees, Boards and Commissions, or Staff. Summarize pertinent comments. ATTACH MINUTES OF COUNCIL MEETINGS, POLICY COMMITTEES AND BOARDS AND COMMISSIONS.)

City Council approved the establishment of the Painted Prairie Business Improvement District No. 2 (BID) in 2017 (Ord. No. 2017-37). The BID is located generally south of E 64th Avenue and west of N Picadilly Road. State statute requires that the BID file its proposed annual budget for the upcoming year with the City Clerk for City Council review and approval.

ITEM SUMMARY (Brief description of item, discussion, key points, recommendations, etc.)

The attached resolution will approve the Painted Prairie Business Improvement District No. 2 2023 operating plan and budget. The operating plan anticipates developer advances for its \$25,000 revenue and expected expenditures. The Painted Prairie No. 2 BID does not anticipate any major public improvements for 2023.

QUESTIONS FOR COUNCIL

Does the Council wish to forward the resolution approving the 2023 operating plan and budget for the Painted Prairie Business Improvement District No. 2 to the November 14, 2022, regular meeting of the City Council for formal consideration?

LEGAL COMMENTS

No business improvement district shall issue bonds, levy taxes, fees, or assessments, or provide improvements or services unless the municipality within which it is located has approved an operating plan and budget for the district. **See** Sec. 31-25-1211, C.R.S. (Hernandez).

PUBLIC FINANCIAL IMPACT

☐ YES ☒ NO

If yes, explain: N/A

PRIVATE FISCAL IMPACT

☐ Not Applicable ☐ Significant ☒ Nominal

If Significant or Nominal, explain: The attached item sets out the 2023 operating plan and budget for the Painted Prairie Business Improvement District No. 2. Funding is projected at \$25,000 from developer advances.

RESOLUTION NO. R2022-_____

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF AURORA, COLORADO, APPROVING THE 2023 OPERATING PLAN AND BUDGET FOR THE PAINTED PRAIRIE BUSINESS IMPROVEMENT DISTRICT NUMBER TWO

WHEREAS, the City Council (the “Council”) of the City of Aurora, Colorado (the “City”), is vested with jurisdiction to create one or more districts within City boundaries pursuant to the Business Improvement District Act, Part 12 of Article 25 of Title 31, C.R.S. (the “Act”); and

WHEREAS, pursuant to the Act, the Council has adopted Ordinance No. 2017-37 organizing the Painted Prairie Business Improvement District Number Two (the “District”) and appointing the District’s initial Board of Directors (the “Board”); and

WHEREAS, Section 31-25-1211, C.R.S., provides that no district created under the Act shall issue bonds, levy taxes, fees, or assessments, or provide improvements or services unless the City has approved an operating plan and budget for the district; and

WHEREAS, the Board has approved a 2023 District operating plan and budget (the “2023 Operating Plan and Budget”) for submittal to the City, which Operating Plan and Budget are in full compliance with the requirements of the Act; and

WHEREAS, the Council finds and determines that the approval of the 2023 Operating Plan and Budget in the form presented to the Council at this meeting is in the best interests of both the City and the District.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AURORA, COLORADO.

Section 1. The 2023 Operating Plan and Budget for the Painted Prairie Business Improvement District Number Two are hereby approved, including the declaration of public interest and necessity for improvements contained therein.

Section 2. All resolutions or parts of resolutions of the City of Aurora, Colorado, in conflict herewith are hereby rescinded.

RESOLVED AND PASSED this _____ day of _____, 2022.

MIKE COFFMAN, Mayor

I. PURPOSE AND SCOPE OF DISTRICT

A. Requirement for this Operating Plan. The Business Improvement District Act, specifically § 31-25-1211, C.R.S., requires that the Painted Prairie Business Improvement District Number Two (the “**District**”) file an operating plan and budget with the City of Aurora City Clerk no later than September 30 of each year.

1. Under the statute, the City of Aurora (the “**City**”) is to approve the operating plan and budget within thirty (30) days of submittal of all required information.

2. The District will operate under the authorities and powers allowed under §§ 31-25-1201, *et seq.*, C.R.S., as amended (the “**Business Improvement District Act**”), as further described and limited by this Operating Plan.

B. What Must Be Included in the Operating Plan? Pursuant to the Business Improvement District Act, this Operating Plan specifically identifies: (1) the composition of the Board of Directors; (2) the services and improvements to be provided by the District; (3) the taxes, fees, and assessments to be imposed by the District; (4) the estimated principal amount of bonds to be issued by the District; and (5) such other information as the City may require.

C. Purposes. As may be further articulated in succeeding year’s operating plans, the ongoing and contemplated purposes of the District include the financing, acquisition, construction, completion, installation, replacement and/or operation and maintenance of all the services and public improvements allowed under Colorado law for business improvement districts.

II. COMPOSITION OF THE DISTRICT’S CURRENT BOARD OF DIRECTORS

A. Current Board of Directors. The composition of the District’s current board of directors (“**Board of Directors**”) is:

1. Christopher H. Fellows
2. Timothy P. O’Connor
3. Dustin M. Anderson
4. Vacant
5. Vacant

Vacancies on the Board are to be filled by appointment by resolution of the City Council to serve until the next regular election. The Board of Directors of the District plans on adopting a resolution requesting the City appoint directors to fill the vacancies at the District’s next meeting.

B. Term Limits. Ballot Question W of the November 7, 2017 election eliminated term limits.

C. Director Compensation. The Board of Directors shall receive compensation up to \$100 per meeting attended for their services as directors.

III. BOUNDARIES, INCLUSIONS AND EXCLUSIONS

The current District boundaries are 0.515 acres as depicted in **Exhibit A**. In subsequent years, the District anticipates inclusion requests for additional property as additional property owners participate in the District.

IV. SERVICES, ACTIVITIES, PROJECTS AND PUBLIC IMPROVEMENTS

The District will primarily be concerned with the provision of public improvements and services within the boundaries of the District; however, there may be instances where the District will provide public improvements and services outside of the boundaries of the District as part of the project. The District shall have the authority to provide these public improvements and services, but the revenue-raising powers of the District to recoup the costs of extraterritorial public improvements and services shall be as limited by state law. The public improvements that the District anticipates it will construct, install or cause to be constructed or installed, include those public improvements the cost of which may, in accordance with the Business Improvement District Act, lawfully be paid for by the District, including, without limitation, water services, safety protection devices, sanitation services, marketing, streetscape improvements, street improvements, curbs, gutters, culverts, drainage facilities, sidewalks, parking facilities, paving, lighting, grading, landscape and storm and wastewater management facilities and associated land acquisition and remediation (collectively, the “**Public Improvements**”). The costs of such Public Improvements includes the costs of design, acquisition, construction and financing.

The District shall have the power and authority to provide the Public Improvements and related operation and maintenance services within and without the boundaries of the District as such power and authority is described in the Business Improvement District Act, and other applicable statutes, common law and the Constitution. The District may provide for ownership, operation, and maintenance of Public Improvements and District facilities as activities of the District itself or by contract with other units of government or the private sector.

The property owners of the District request that the City designate the territory within the District as a location for new business or commercial development pursuant to § 31-25-1203(10), C.R.S.

A. Current Year (2022) Services, Activities, Projects and Public Improvements.

As the development within the District is still in the planning stages, the District only undertook administrative functions during 2022.

B. Future Year (2023) Services, Activities, Projects and Public Improvements.

During 2023, the District intends to continue to evaluate and plan the services, activities and Public Improvements to be provided by the District.

V. SOURCES OF REVENUE

A. Current Year (2022) Sources of Revenue. The primary source of revenue for the District in 2021 was developer advances. The District imposed a 10.000 mill levy on all property within the District for collection in 2022, all of which was dedicated to the General Fund.

B. Future Year (2023) Sources of Revenue. The primary source of revenue for the District in 2023 will be developer advances. The District intends to impose a 10.000 mill levy on all property within the District for collection in 2023, all of which will be dedicated to the General Fund. The District may also be the beneficiary of revenues derived from a privately imposed public improvement fee.

VI. PROPERTY TAX AND MILL LEVY

A. Mill Levy Caps. The maximum debt mill levy shall be the maximum mill levy the District is permitted to impose upon the taxable property within the District, and shall be 50 mills as may be adjusted for changes in the method of calculating assessed valuation so that to the extent possible, the actual tax revenues generated by the mill levy, as adjusted for changes occurring after January 1, 2004, are neither diminished nor enhanced as a result of such changes, for purposes of the foregoing, a change in the ratio of actual valuation shall be deemed to be a change in the method of calculating assessed valuation.

B. Current Year (2022) Mill Levy. The District imposed a 10.000 mill levy on all property within the District for collection in 2022, all of which was dedicated to the General Fund.

C. Future Year (2023) Mill Levy. The District intends to impose a 10.000 mill levy on all property within the District for collection in 2023, all of which will be dedicated to the General Fund.

VII. AUTHORIZED INDEBTEDNESS AND EXISTING DEBT OBLIGATIONS

A. Maximum Debt Authorization. The District held an organizational election on November 7, 2017 for the purpose of authorizing debt, taxes, revenue limits, spending limits, special assessments, and such other matters as necessary or convenient for the implementation of Article X, Section 20 of the Colorado Constitution (“**TABOR**”). The initial maximum debt authorization for the District shall be \$100,000,000.

B. Current Year (2022) Debt Outstanding. The District has no outstanding debt obligations.

C. Future Year (2023) Debt Outstanding. The District does not anticipate issuing debt in 2023.

VIII. BUDGET AND FINANCIAL STATEMENTS

A. 2023 Budget. The proposed 2023 Budget for the District is attached as **Exhibit B**.

B. 2022 Budget. The District’s 2022 Budget is attached as **Exhibit B**.

C. 2021 and 2022 Financial Statements. The District’s December 31, 2021 financial statements and June 30, 2022 financial statements are attached as **Exhibit B**. The District was exempt from audit during 2021.

IX. DISTRICT CONTACT INFORMATION

A. Contact Information. Contact information for the District's accountant and District's representative where follow-up inquires and questions should be directed is set forth on **Exhibit C**.

X. DISSOLUTION

The District is anticipated to have ongoing operations and maintenance obligations that will necessitate a perpetual existence. If the District no longer has such obligations, the District may seek to dissolve pursuant to § 31-25-1225, C.R.S.

XI. CONCLUSION

It is submitted that this Operating Plan and Budget for the District meets the requirements of the Business Improvement District Act, the Colorado Constitution, and the additional information required by the City. It is further submitted that the types of services and improvements to be provided by the District are those services and improvements which satisfy the purposes of Part 12 of Article 25 of Title 31, C.R.S.

PAINTED PRAIRIE BUSINESS IMPROVEMENT DISTRICT #2
2022
BUDGET MESSAGE

Attached please find a copy of the adopted 2022 budget for the Painted Prairie Business Improvement District #2.

The Painted Prairie Business Improvement District #2 has adopted a budget for one fund, a General Fund to provide for general operating expenditures.

The district's accountants have utilized the modified accrual basis of accounting and the budget has been adopted after proper postings, publications, and public hearing.

The primary source of revenue for the district in 2022 will be developer advances. The district intends to impose 10.000 mill levy on all property within the district for 2022, all of which will be dedicated to the General Fund.

Painted Prairie Business Improvement Districts #1 & #2
Financial Statements
December 31, 2021

ACCOUNTANT'S COMPILATION REPORT

Board of Directors

Painted Prairie Business Improvement Districts #1 & #2

Management is responsible for the accompanying financial statements of each major fund of Painted Prairie Business Improvement Districts #1 & #2, as of and for the period ended December 31, 2021, which are comprised of the Balance Sheet and the related Statement of Revenues, Expenditures and Changes in Fund Balance – Budget and Actual – Governmental Funds and account groups for the twelve months then ended in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with the Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

Management has elected to omit the Statement of Net Position, Statement of Activities, Management Discussion and Analysis and all of the disclosures required by accounting principles generally accepted in the United States of America. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the District's financial position and results of operations. Accordingly, the financial statements are not designed for those who are not informed about such matters.

We are not independent with respect to Painted Prairie Business Improvement Districts #1 & #2 because we performed certain accounting services that impaired our independence.

ACCOUNTANT'S COMPILATION REPORT

Board of Directors

Painted Prairie Business Improvement Districts No. 2

Management is responsible for the accompanying financial statements of each major fund of Painted Prairie Business Improvement Districts No. 2, as of and for the period ended June 30, 2022, which are comprised of the Balance Sheet and the related Statement of Revenues, Expenditures and Changes in Fund Balance – Budget and Actual – Governmental Funds and account groups for the six months then ended in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with the Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

Management has elected to omit the Statement of Net Position, Statement of Activities, Management Discussion and Analysis and all of the disclosures required by accounting principles generally accepted in the United States of America. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the District's financial position and results of operations. Accordingly, the financial statements are not designed for those who are not informed about such matters.

We are not independent with respect to Painted Prairie Business Improvement Districts No. 2 because we performed certain accounting services that impaired our independence.

Wool, M. Barrett, N. Peykov

INTRODUCTIONS AND MINUTES

August 23, 2022 minutes were approved.

AUGUST 2022 SALES TAX CHART**Summary of Issue and Discussion**

Bill Levine presented the August 2022 Sales Tax Chart. The sales tax increased by 10.5% in August. This can be interpreted in two ways. One is as a revenue number with August about \$360,000 over the projection. With this, the city looks to be on track to meet or beat the projection for the year. The sales tax can also be representative of how business is doing in the city. In this regard, the 10.5% increase appears to be misleading. In August 2022, there was a large amount received from a foreign online retailer making payments for over two years of taxes owed to the city from October 2019 to April 2022. This was due to the passing of the Economic Nexus Ordinance and the Sales and Use Tax System (SUTS) only being set up in August. If this one-payment growth is not taken into account, the sales tax growth for August would only have been 9.6%.

The variable sales tax payments grew by 85% in August, meaning that a lot of the 10.5% growth is due to big one-time payments. These variable payments were for large construction projects including storm, drainage, and decking systems. If the variable sales tax payment only grew at a neutral rate equal to the inflation rate of 8.3%, the growth for August would only be 7.2% instead of 10.5%. This number is more reflective of the consistent taxpayers and the business community in Aurora.

Committee Discussion:

CM Gardner: Makes sense. Thanks for that analysis. That's helpful. Council Member Zvonek, any questions?

CM Zvonek: I don't have any now. Thanks.

CM Gardner: All right. Thank you. Okay. Council Member Murillo, do you have any questions on that?

CM Murillo: No. I think I logged in just right at one. Did we start the presentation earlier?

CM Gardner: No. It was 1:00 when we started. You might have just been a couple of seconds late. We just have a really crowded agenda, so I just wanted to get started on it.

CM Murillo: That's fine. No questions here.

CM Gardner: All right. I appreciate that. Thanks, Bill, for your presentation.

B. Levine: Thank you, Council. I appreciate it.

Outcome

Information only.

Follow-up Action

No follow-up needed.

OCCUPATIONAL PRIVILEGE TAX REPEALSummary of Issue and Discussion

Council Member Jurinsky and Jeff Edwards presented this ordinance that will repeal the occupational privilege tax (OPT) that was implemented in 1986. Aurora is one in five cities in Colorado that has this. This is a \$4 tax per employee with half being withheld from the employee, and half being matched by the employer per paycheck once a month. CM Jurinsky noted that there is a surplus in the budget and there is no reason to figure out what to cut out of the budget to make the tax cut work.

Once the repeal is implemented, it would have to go through the voters to be reinstated. The fiscal impact would be \$5.9 million for 2023. There would be no cuts to the police, fire, 911, courts, transfers, and other mandates. This leaves \$170 million of people and supplies that would need to be cut by 5% from the 2023 budget. Nine entities received OPT revenue of \$590,000 in 2021. In addition, some of the revenues are used by the Aurora Urban Renewal Authority

(AURA) for incentive and development projects. About 72% of the city's revenue is dependent on sales and use tax.

Committee Discussion:

CM Jurinsky: Now, I actually have a question because I asked thoroughly about this when I was on the CABC and I asked where these funds go, and I was told by Greg Hays that all of these funds go into the general fund. That's really concerning to me if the AURA is using some of these funds, because just last night I was told that none of those funds come out of the general fund, specifically regarding our parking lot structure.

T. Velasquez: And I would address that Council Member basically when we have a TIF area, any of the revenues that are generated from the specific project, including OPT, would go back to the project. I think on Jeff's slides, it's just acknowledging that the revenue that's generated from specific projects is then shared back as a part of incentive agreements that were approved by previous city councils. So, it would definitely change the revenue flow to some of those projects. And I also have Greg online to answer any budgetary-related questions. I know from an almost \$6 million budget perspective it does have some larger impacts. And maybe, Greg, you can put it a little bit into perspective from a standpoint of what that reduction would mean.

G. Hays: I sure can. Thank you very much. If you're looking at \$5.9 million, it's the equivalent of about 80 people. We do have a balanced budget for 2023, and if you take \$6 million out, it would not be balanced. We would have to go find that money from somewhere. It is a significant amount of money. It's larger than six different budgets, general fund budgets. Aurora Water, City Council, Communications, General Management, HR, Planning. Their entire budgets are actually less than that. And what's more, 2024 is not -- it's close to being balance. We don't need to have a balanced budget for the future but taking on another \$6 million of ongoing funds would make that harder for the 2024 budget as well.

CM Gardner: All right. Thank you. Greg and Jeff. Council Member Murillo, questions, or comments for either staff or the sponsor?

CM Murillo: Thanks, Council Member Gardner. I think a few comments. Yes, I think that coming into the conversation and just saying that "Oh, we have a surplus and therefore I don't really need to look for the accompanying piece of where this ongoing revenue would come from" is concerning to me to the staff's comments around this does make it more challenging to balance our budget in the future. There will be budget implications. I think that was the biggest concern for me and I would like a better understanding of where the city management would take those ongoing funds because it's not just funds that would be taken out of this year's budget or whenever this comes into effect, but it is ongoing. That's just my biggest comment and request before this moves forward on my end.

CM Gardner: Council Member Zvonek, questions, or comments?

CM Zvonek: I would just say we haven't set a 2023 budget. As far as I know, we're going to do that at the budget workshop, and I think that will give us plenty of opportunity to identify what reductions we need to make in order to make this happen. But I think in terms of a signal that we want to continue to be the most business-friendly city in the state, and we are getting rid of a privilege tax of working in Aurora. We have to, I think, try to change our mental model, and recognize that it's actually a privilege for us to have employees here and it's not a privilege for them to work here. And I think this is one of the ways we can do that.

J. Twombly: And I just wanted to check with Jeff. It seems like I saw in the original ordinance that fire, police, and road maintenance were cited as reasons for instituting this tax in the first place. The funds weren't dedicated for those purposes, but I think those were cited as reasons why the council voted to approve that tax. Jeff, do you have any information on that?

J. Edwards: Correct. Thanks, City Manager Jim Twombly. Appreciate that question. That is correct. This was essentially a way for us to distribute the tax burden for the city to those that are coming into the city to work. And it pointed out that it was for police, fire, road maintenance, those types of costs, and other municipal services.

J. Twombly: Okay. Thanks.

CM Jurinsky: Yes. I asked repeatedly on CABC if these funds were dedicated for anything in particular and I was told numerous times, "No, they're not earmarked for anything. They just go into the general fund and that's where they are at in the general fund." And as Council Member Zvonek just said, the fact that we have a tax on businesses and workers in the city of Aurora states that it's their privilege to do business in this city or to be a worker in this city. I can't believe this has never been brought up before, but I think that we absolutely need to change our mindset on that and realize that it is actually the city's privilege. It is our privilege for businesses to come here and for workers to want to work in Aurora. And as Council Member Zvonek just pointed out, the budget is not set and that's exactly what we are going to go to the Budget Committee meeting to do. And the fact that we have any additional tax on people in Aurora, I think that those should be eliminated. And just as other taxes, on menstrual products and on diapers in this city have been eliminated, I look at this tax repeal as actually a more equitable tax cut, because it will be for anybody, regardless of gender, regardless of race. I mean, if you work in Aurora or have a business in Aurora, this tax is on you, and this will be a tax saving to all those who wish to do business here and work here.

CM Gardner: Any other questions or comments from the committee?

CM Murillo: Yes, I guess just the fact that we're not acknowledging that for months staff has put together our budget, essentially line item by line item. We've had public presentations at town halls, and we've had specific budget presentations. Suddenly to say that we're not essentially almost at the end and that we don't have a budget, sure, it's not yet confirmed. But let's be clear

that this would be a last-minute change that hasn't been incorporated into this current budget as it's been written. I just want to be very clear that when we say it's not yet been finalized, that's because we haven't yet made the final approval. But a last-minute change is what this would be. I just want to be very clear that that's where we're at in the budget process for this year.

CM Jurinsky: Council Member Gardner, I'd like to respond to that.

CM Gardner: Go ahead.

CM Jurinsky: The budget is created every single year. I'm not sure there's really a good time or a bad time to bring forward a tax cut. But I had some things that I needed to look into. Obviously, I wanted to come to this committee. It would be my prerogative to have brought this straight to a council meeting and to rush this process. But as I heard from my colleagues that don't always agree with me on much of anything, they would prefer me to follow the standard process that we have in place. I went about it that way this time, and I'm not sure that you can consider any kind of tax cuts on our citizens and our businesses to be something that's last minute. I find it to be something that's necessary.

CM Gardner: All right. Thanks, everybody, for comments and feedback. Council Member Murillo, would you like this to move forward?

CM Murillo: Not at this time. We were just talking about understanding fiscal notes and larger impacts last night. For it to be at the 11th hour, I think that's not something that I would prefer, but obviously, we'll talk about it if the committee approves it going forward. But like I said, I just wanted to be very clear on the rhetoric and the shaping of the conversation. So that's why I made my comments.

CM Gardner: Council Member Zvonek?

CM Zvonek: I think that now is actually the perfect time to move it forward as the elected officials who were elected by the people of Aurora to set the budget will be having a conversation about the budget for next year. It means we'll have to do some work, but that's okay. That's what we were elected to do.

CM Gardner: All right. And I'm fine with it moving forward as well.

Outcome

The Committee supported moving the item forward.

Follow-up Action

Staff will move the item forward to Study Session.

WARD REALIGNMENT RECOMMENDATION DEADLINE**Summary of Issue and Discussion**

CM Marcano presented the proposed ordinance which sets a deadline of no later than October 15th for rewarding recommendations to be before the Council. This preserves the existing timeline for the rewarding process to begin.

Committee Discussion:

CM Gardner: All right. Thank you. Council Member Zvonek, any questions or comments?

CM Zvonek: No, I think that makes sense. I know that earlier, Council Member Marcano, when we were having these discussions at the beginning of the year, there was some concern because the initial timeline, I think didn't have us finishing until into next year. As a committee, we decided to do that. I think creating some sort of guidelines going forward that keeps us on track is appropriate and I would support that moving forward.

CM Murillo: I don't have any questions. Similar to the comments just made, we intentionally moved it up so that there was less ambiguity later into next year. I think this is in line with the actions that we've taken on this committee this year. I support moving it forward.

CM Gardner: All right. And as both council members pointed out, we intentionally changed the original schedule that was presented to us to avoid this very problem where the maps wouldn't have been finalized until late spring or early summer next year for folks running, which could create some confusion. I am okay with it moving forward as well. Thank you for the presentation.

CM Marcano: All right, great. Thank you.

Outcome

The Committee unanimously supported moving the item forward.

Follow-up Action

Staff will move the item forward to Study Session.

UPDATE ON E-DISCOVERY IN COURTS**Summary of Issue and Discussion**

Julie Heckman presented an update on e-Discovery in courts. The City Attorney's Office Case Management System will help transition to an electronic case management system from the fully-paper file status. This would provide the ability to give e-discovery out electronically for any defendant in the municipal court regardless of representation. All body-worn cameras, videos, and pictures will be downloaded to a disk.

This issue was brought about at a Public Safety meeting on October 14th, 2021. The interim court administrator, Mike Ritter, at the time had asked for two additional FTEs to address the case management system and e-discovery software tool. Court IT asked city IT to be present in the next meeting to discuss buying versus building the software. Judge Shawn Day, Doug Wilson, Court IT, City IT, and other staff have been discussing how to move the court to transition electronically. It has been agreed upon that the City Attorney's Office must be the beginning of this and get case management into an electronic system. Following this would be eDiscovery then the court accepting all electronic filings. It was previously confirmed by the former interim court administrator that following the two FTEs that the work would be completed by Q1 of 2022. However, it is currently still not in place.

The city has since hired Ms. Candice Atkinson as the new court administrator and has continued conversations regarding this. City staff has gone back to CDAC about looking at the e-Discovery tool that they have which is a statewide system for all prosecutors. APD Records, the Crime Lab, and A911 package all the evidence to be sent to the state CDAC system. Due to this, there have been discussions of having other Aurora agencies package things the same way and having a system mirrored to the CDAC system. CDAC has provided a general quote of what they think it would take to look at their system, redesign it, and tweak it to Aurora's court system which currently does not have data sharing between courts. There are other municipalities that are also trying to switch to electronic and may be interested in getting onto the CDAC system.

The staff has also looked at several outside vendors that do prosecution-type case management systems which include e-Discovery. There is also one that works closely with Axon that provides body-worn cameras. They were contacted to present to City and Court IT and other city staff. The need for this implementation is past due given the inefficiencies created by the labor-intensive utilization of the files. Given that there is only one paper file, only one person or department can work on it at a time. This would then delay getting the evidence to APD and other preparations.

Committee Discussion:

CM Gardner: Appreciate that update, Julie. And I think the only comment that I have, and I had said this last year in public safety is my preference is to go with standard software, not creating our own. And it sounds like we're looking into some options like that. And those are my concerns. I have that concern because of when you have somebody who designs a program in-house and that person leaves, you create some issues there. And so, for ongoing and support purposes, I always prefer to use something standard. And I can't imagine that Aurora is that unique, that there isn't software out there that won't meet our needs. So that's just my thought or my input. But again, really appreciate the update. Obviously, it's a project that's been going on for a while and certainly something that we need to get implemented. Council Member Murillo, any questions or comments?

CM Murillo: None for me. Thanks for the update.

CM Gardner: Council Member Zvonek?

CM Zvonek: No, I would just echo what you just said. I think that to the extent that we can find a product that not only because of the reasons you pointed out but if there is some collaboration or any sort of data that can be shared across different jurisdictions, having that software would seem to make a lot of sense. I also just hope that this is a part of the broader conversation that we're continuing to have with IT in general and moving toward a capability model for the entire city. This isn't just related to courts or even prosecution, but generally across every department, I think that having a standalone IT department doesn't make a lot of sense. I think having people embedded there, but ultimately coming back to one shared capability makes a lot more sense. I hope we integrate this conversation with that broader one.

CM Gardner: Appreciate that. Thanks again, Julie.

J. Heckman: Thank you.

Outcome

Information only.

Follow-up Action

No follow-up needed.

FITZSIMONS BUSINESS IMPROVEMENT DISTRICT – NEW BOARD MEMBER APPOINTMENT

Summary of Issue and Discussion

Chad Argentar presented this item. The Fitzsimons Business Improvement District (BID) is looking to expand their existing board as they only have two out of five filled seats. The nominee for the position is interested in serving and contributing to the businesses in the BID.

Committee Discussion:

CM Gardner: I appreciate that. Council Member Murillo, comments or questions?

CM Murillo: None here.

CM Gardner: Council Member Zvonek?

CM Zvonek: No Questions.

CM Gardner: All right. And I assume both of you are okay with it moving forward.

CM Zvonek: Yes.

CM Murillo: Yes.

CM Gardner: All right. Thanks, Chad.

C. Argentar: Thank you.

Outcome

The Committee unanimously supported moving the item forward.

Follow-up Action

Staff will move the item forward to Study Session.

2023 WARD REDISTRICTING REVIEW

Summary of Issue and Discussion

Kadee Rodriguez presented this item. Staff is requesting for the M&F Policy Committee's decision to finalize which scenario to move forward to full Council.

Committee Discussion:

CM Gardner: And can you remind me which was the map that was recommended or put forward by the Election Commission?

K. Rodriguez: Scenario five.

CM Gardner: Okay. Council Member Zvonek, any thoughts, comments, or questions?

CM Zvonek: I guess my one question maybe, Kadee, is that can we have more than one recommendation from our Committee go forward to the full council? Or are you just looking for one?

K. Rodriguez: There's nothing that states you can't move forward more than one recommendation. So, I think it would be up to this Committee on how you'd like to do that.

CM Zvonek: I guess my suggestion would be to have these go forward to the full council to have a conversation with more of our colleagues about these scenarios and have maybe a presentation from the Election Commission at a Study Session. I think that's what the next step is. It would come to a Study Session. So have it come to a Study Session and a presentation as to why the Election Commission chose that map and then also lay out the other scenarios because I can imagine that some of our colleagues might ask why we chose this one, why the Election

Commission chose that one, and what were the other scenarios so that they can have eyes on them too. So that's my recommendation for moving it forward.

CM Murillo: Yes, something similar on my end. I would prefer to not narrow it down at this point since this impacts the full council and have the broader discussion at a Study Session where we can all talk about it. All the options.

CM Gardner: Okay. Well, it sounds like that's what the will of the Committee is. Kadee, is that going to be the next available study session? Is that what our schedule was?

K. Rodriguez: It's actually the second study session in October. So, it's not the one this Monday, but the next one.

CM Gardner: The next one, yes. Okay, sounds good. Well, we will get a presentation at the second Study Session in October. And Kadee, thank you. And I don't think Daniel is on the phone but thank you both for all your work this year with our committee and the presentations and all that. Really appreciate you guys working through the process.

K. Rodriguez: Okay. Thank you. And we'll work with the Election Commission to get them on the Study Session for the last study session in October.

CM Gardner: All right, thanks.

K. Rodriguez: Thank you.

Outcome

The Committee decided to have the Election Commission present all scenarios, including the recommended scenario, in the second October Study Session.

Follow-up Action

Staff will coordinate with the Election Commission regarding their presentation for the second October Study Session.

ANNUAL REVIEW OF INVESTMENT POLICY

Summary of Issue and Discussion

Teresa Sedmak presented this item. The investment policy of the city is reviewed to incorporate any changes in the state statute or other required changes. For the recent review, city staff made two non-substantive changes. One is to define the nationally recognized statistical rating organizations; namely Moody's, S&P, and Fitch. The other change made was to reformat the section related to general obligation bonds and revenue bonds to improve clarity. The revisions

were presented to the Investment Advisory Committee on August 4th. Legal counsel has advised that there is no action necessary due to the non-substantive matter of the changes.

Committee Discussion:

CM Gardner: All right. Thank you. Council Member Murillo, questions or comments?

CM Murillo: I do not have any questions.

CM Gardner: Council Member Zvonek?

CM Zvonek: No.

CM Gardner: All right. Thank you for the presentation, Teresa.

T. Sedmak: Sure.

Outcome

Information only.

Follow-up Action

No follow-up needed.

PROPOSED MODIFICATIONS TO MORAL OBLIGATIONS POLICY AND REVIEW OF EXISTING MORAL OBLIGATIONS

Summary of Issue and Discussion

Teresa Sedmak presented this item. The city has existing moral support transactions with the Hyatt Regency Conference Center and Parking Garage and FRA Bioscience III Building. Recently, City Council has approved the continuance of the moral obligations support on Hyatt refinancing which is going to close next week. The rate was locked based on a 3.81% rate on the ten-year US Treasury rate plus a spread of 25 basis points bringing the rate on the new loan locked at 4.06%. The moral support for this transaction takes the form of a debt service reserve equal to a one-year debt service at \$1.7 million. Should the debt service be depleted, it must be replenished. This would then have to go to Council for an appropriation if the funds are not available. AURA has been providing support in the form of capital advances from other TIF revenues generated within the Fitzsimons Urban Renewal Area. No draw has been made on the debt service reserve since it could be a reportable event to investors and may have negative connotations. The need for additional support is not expected until 2024.

The Bioscience III Building moral obligation support is also in the form of a debt service request of \$2.5 million. If depleted, it must be replenished. The building was completed in 2020 and most of the space has been leased out. There are approximately 25% or 30,000 square feet yet to

be leased. A possible tenant is holding off on a decision until Q1 of 2023 due to economic uncertainty. Despite this, there are other potential tenants in the pipeline. The moral obligation terminates in December 2024. The FRA has adequate liquidity to satisfy its debt service obligations and doesn't foresee a draw on the debt service reserve.

In 2021, Council Member Gruber requested a review of the moral obligation policy. Staff has been working with Bond Council to do a thorough review and recommend modifications. One of the notable changes is the change in wording from moral obligation "pledge" to moral obligation "support." This is because "pledge" implies a binding financial obligation and a pledge of collateral. A definition of what a moral obligation is was added to the policy. The new policy explicitly prohibits substantive changes in the financing and proposed financing subsequent to its presentation to M&F, unless allowed by the authorizing resolution. The evaluation criteria were also strengthened and now include the presentation of timing and frequency related to the moral obligation and the likelihood of repayment over time.

Committee Discussion:

CM Gardner: All right. Thank you for the presentation. And yes, I agree with the changes that were made. I think just clarifying some things, tightening up some language, and then even just having a description of what moral obligations are for members of the public or people who are less familiar. I think all those changes are good. So, I would support moving it forward. Council Member Murillo, any questions or comments? And then do you support moving forward as well?

CM Murillo: Yes, I was just going to ask for the red-line version, if you don't mind. And I do support adding more clarity and practical usefulness to the policy. So, I do support moving it forward.

T. Sedmak: Thank you.

CM Gardner: Council Member Zvonek?

CM Zvonek: No questions. And I do support moving forward.

CM Gardner: All right. Thank you. Thanks, Teresa.

T. Sedmak: Thank you.

Outcome

The Committee unanimously supported moving the item forward.

Follow-up Action

Staff will move the item forward to Study Session.

**SUMMARY RESULTS - SALE AND CLOSING OF CITY OF AURORA 2022 COPS
(ROAD IMPROVEMENTS PROJECTS)****Summary of Issue and Discussion**

Teresa Sedmak presented this item. On August 24th, Aurora priced its Series 2022 Certificates of Participation (COPs) to finance various roadway improvements. There was a par amount of \$31.9 million to offer to investors and the city received orders for \$102 million, which is a 3.2 times oversubscription. This allowed staff to reprice several maturities for interest rate reductions. Some longer-term maturities were repriced with a higher yield. The all-in-interest cost, including the underwriting and cost issuance on the deal, was 3.685%. The closing on the COPs occurred on September 7th and were sold to RBC and Stifel. They were packaged with a rating of AA1 from Moody's which is the highest rating afforded to an appropriation credit.

Committee Discussion:

CM Gardner: Council Member Zvonek, any questions?

CM Zvonek: No questions. That's great news. I'm happy to hear that we were able to lock in the lower rate and move this forward. I know this is ultimately going towards a much-needed road maintenance repair. So, I'm just happy to hear that we're moving forward and saving the taxpayers a little bit of money along the way.

T. Sedmak: Thank you.

CM Gardner: Council Member Murillo?

CM Murillo: Nothing on my end.

CM Gardner: All right. Thank you for the presentations, Teresa.

T. Sedmak: Thank you.

Outcome

Information only.

Follow-up Action

No follow-up needed.

2023 BID OPERATING PLANS AND BUDGETS

- 5a. Consideration of A RESOLUTION of the City Council of the City of Aurora, Colorado, approving the 2023 Operating Plan and Budget for the Parkside at City Centre Business Improvement District
- 5b. Consideration of A RESOLUTION of the City Council of the City of Aurora, Colorado, approving the 2023 Operating Plan and Budget for the Fitzsimons Business Improvement District
- 5c. Consideration of A RESOLUTION of the City Council of the City of Aurora, Colorado, approving the 2022 Operating Plan and Budget for the Havana Business Improvement District
- 5d. Consideration of A RESOLUTION of the City Council of the City of Aurora, Colorado, approving the 2023 Operating Plan and Budget for the Painted Prairie Business Improvement District No. 2
- 5e. Consideration of A RESOLUTION of the City Council of the City of Aurora, Colorado, approving the 2023 Operating Plan and Budget for the Painted Prairie Business Improvement District No. 1
- 5f. Consideration of A RESOLUTION of the City Council of the City of Aurora, Colorado, approving the 2023 Operating Plan and Budget for the Tower Business Improvement District
- 5g. Consideration of A RESOLUTION of the City Council of the City of Aurora, Colorado, approving the 2023 Operating Plan and Budget for the Windler Business Improvement District No. 2
- 5h. Consideration of A RESOLUTION of the City Council of the City of Aurora, Colorado, approving the 2023 Operating Plan and Budget for the Windler Business Improvement District No. 1
- 5i. Consideration of A RESOLUTION of the City Council of the City of Aurora, Colorado, approving the 2023 Operating Plan and Budget for the Citadel on Colfax Business Improvement District
- 5j. Consideration of A RESOLUTION of the City Council of the City of Aurora, Colorado, approving the 2023 Operating Plan and Budget for the Porteos Business Improvement District

Summary of Issue and Discussion

Carol Toth gave an overall presentation for items 5a through 5j regarding the 2023 Operating Plans and Budgets of ten business districts organized within the city. The state statute requires that each BID organized within a municipality file their upcoming budget with the City Clerk for review and approval by the City Council by December 5th.

Committee Discussion:

CM Gardner: Okay. I think since they were included in the backup, we don't need individual presentations. But to give council members an opportunity to ask questions. Council Member Murillo, any questions on 5a through 5j?

CM Murillo: No.

CM Gardner: Council Member Zvonek?

CM Zvonek: I don't have any.

CM Gardner: And are you both okay with moving these forward?

CM Zvonek: Yes.

CM Murillo: Yes.

CM Gardner: Thank you. These will move forward. Thank you for the presentation.

Outcome:

The Committee unanimously supported moving items 5a through 5j forward.

Follow-up Action:

Staff will move items 5a through 5j forward to the October 17th Study Session.

2023 GID OPERATING PLAN AND BUDGETS

- 6a. General Improvement District 1-2007 (Cherry Creek Racquet Club) 2023 operating budget
- 6b. General Improvement District 2-2009 (Pier Point 7) 2023 operating budget
- 6c. General Improvement District 2-2011 (Aurora Conference Center) 2023 operating budget
- 6d. General Improvement District 1-2016 (Cobblewood) 2023 operating budget

- 6e. General Improvement District 1-2008 (Peoria Park) 2023 operating budget
- 6f. General Improvement District 3-2008 (Meadow Hills Country Club) 2023 operating budget

Summary of Issue and Discussion

Andrew Jamison gave an overall presentation for items 6a through 6f regarding ordinances to approve the Operating Plans for the General Improvement Districts (GIDs) within Aurora. Generally, they authorize a mill levy to collect a property tax within the district to pay debt service for certain capital improvements that the districts had elected to improve. This is with the exception of the Aurora Conference Center which uses a direct funding model to pay for improvements.

Committee Discussion:

CM Gardner: Council Member Zvonek, any questions?

CM Zvonek: No.

CM Gardner: Council Member Murillo?

CM Murillo: No questions for me.

CM Gardner: And are you both okay with moving these forward?

CM Murillo: Yes.

CM Zvonek: Yes.

CM Gardner: All right. Thanks, Andrew.

A. Jamison: Thank you.

Outcome:

The Committee unanimously supported moving items 6a through 6f forward.

Follow-up Action:

Staff will move items 6a through 6f forward to the Budget Workshop and the Regular Council Meeting.

MISCELLANEOUS MATTERS FOR CONSIDERATION

None.

ADJOURNMENT

HISTORY (Dates reviewed by City council, Policy Committees, Boards and Commissions, or Staff. Summarize pertinent comments. ATTACH MINUTES OF COUNCIL MEETINGS, POLICY COMMITTEES AND BOARDS AND COMMISSIONS.)

City Council approved the establishment of the Porteos Business Improvement District (BID) in 2016 (Ord. No. 2016-43). The BID is located generally east of Harvard Road between 56th and 68th Avenue. State statute requires that the BID file its proposed annual budget for the upcoming year with the City Clerk for City Council review and approval.

ITEM SUMMARY (Brief description of item, discussion, key points, recommendations, etc.)

The attached resolution will approve the Porteos Business Improvement District 2023 operating plan and budget. The operating plan anticipates beginning fund balance (mainly due to developer advances received in prior years), property taxes and public improvement fees for its \$612,238 revenue and expected expenditures. The Porteos BID will undertake projects as development needs require in 2023.

QUESTIONS FOR COUNCIL

Does the Council wish to forward the resolution approving the 2023 operating plan and budget for the Porteos Business Improvement District to the November 14, 2022, regular meeting of the City Council for formal consideration?

LEGAL COMMENTS

No business improvement district shall issue bonds, levy taxes, fees, or assessments, or provide improvements or services unless the municipality within which it is located has approved an operating plan and budget for the district. **See** Sec. 31-25-1211, C.R.S. (Hernandez).

PUBLIC FINANCIAL IMPACT

- ☐ YES ☒ NO

If yes, explain: N/A

PRIVATE FISCAL IMPACT

- ☐ Not Applicable ☐ Significant ☒ Nominal

If Significant or Nominal, explain: The attached item sets out the 2023 operating plan and budget for the Porteos Business Improvement District. Funding is projected at \$612,238 primarily from developer advances received in prior years, property taxes and public improvement fees.

RESOLUTION NO. R2022-_____

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF AURORA,
COLORADO, APPROVING THE 2023 OPERATING PLAN AND BUDGET
FOR THE PORTEOS BUSINESS IMPROVEMENT DISTRICT

WHEREAS, the City Council (the “Council”) of the City of Aurora, Colorado (the “City”), is vested with jurisdiction to create one or more districts within City boundaries pursuant to the Business Improvement District Act, Part 12 of Article 25 of Title 31, C.R.S. (the “Act”); and

WHEREAS, pursuant to the Act, the Council has adopted Ordinance No. 2016-43 organizing the Porteos Business Improvement District (the “District”) and appointing the District’s initial Board of Directors (the “Board”); and

WHEREAS, Section 31-25-1211, C.R.S., that no district created under the Act shall issue bonds, levy taxes, fees, or assessments, or provide improvements or services unless the City has approved an operating plan and budget for the district; and

WHEREAS, the Board has approved a 2023 District operating plan and budget (the “2023 Operating Plan and Budget”) for submittal to the City, which Operating Plan and Budget are in full compliance with the requirements of the Act; and

WHEREAS, the Council finds and determines that the approval of the 2023 Operating Plan and Budget in the form presented to the Council at this meeting is in the best interests of both the City and the District.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AURORA, COLORADO.

Section 1. The 2023 Operating Plan and Budget for the Porteos Business Improvement District are hereby approved, including the declaration of public interest and necessity for improvements contained therein.

Section 2. All resolutions or parts of resolutions of the City of Aurora, Colorado, in conflict herewith are hereby rescinded.

RESOLVED AND PASSED this _____ day of _____, 2022.

MIKE COFFMAN, Mayor

2023
OPERATING PLAN FOR THE
PORTEOS BUSINESS IMPROVEMENT DISTRICT

1. PURPOSE AND SCOPE OF THIS DISTRICT

A. Requirement for this Operating Plan. The Business Improvement District Act, Sections 31-25-1201, *et seq.*, C.R.S., as amended (the “Act”), and specifically Section 31-25-1211, C.R.S., requires that the Porteos Business Improvement District (the “District”) file an operating plan and proposed budget with the City of Aurora (the “City”) City Clerk no later than September 30 of each year. Pursuant to the Act, the City is to approve the operating plan and budget within 30 days of the submittal of all required information.

The District will operate pursuant to the authority and powers allowed under the Act as further described and limited by this Operating Plan.

B. What Must Be Included in the Operating Plan? Pursuant to the provisions of the Act and direction from the City’s Finance Department, this Operating Plan identifies: (1) the composition of the Board of Directors; (2) the services, activities, projects, and public improvements provided in the current year and planned for in the upcoming year; (3) the District’s sources of revenue, including taxes, fees, and assessments to be imposed by the District in the current year and in the upcoming year; (4) the District’s authorized indebtedness and existing debt obligations, including the estimated principal amount of the bonds to be issued by the District; and (5) such other information as the City may require, including budget statements and contact information for the District.

The District’s original 2017 Operating Plan and subsequent operating plans previously approved by the City are incorporated herein by reference and shall remain in full force and effect except as specifically or necessarily modified hereby.

C. Purposes. As may be further articulated in prior years’ operating plans, the ongoing and/or contemplated purposes of the District for 2023 include financing, acquisition, construction, completion, installation, replacement and/or operation and maintenance of all of the services and public improvements allowed under Colorado law for business improvement districts.

D. Ownership of Property or Major Assets. The District will own public improvements as constructed if such improvements are not otherwise dedicated to other public entities for operation and maintenance.

E. Contracts and Agreements. It is anticipated that the District may enter into agreements as required to facilitate the funding, construction, ownership, operation and maintenance of public improvements. The District is party to that certain Amended and Restated Intergovernmental Agreement Concerning District Improvements and Operations dated December 10, 2020 together with the Velocity Metropolitan District Nos. 1-9. The District may also enter into agreements with the City and other districts encompassing adjacent developments in order to

cooperate on infrastructure projects.

2. ORGANIZATION AND COMPOSITION OF THE BOARD OF DIRECTORS

A. *Organization.* The District was organized pursuant to Ordinance No. 2016-43 adopted by the City of Aurora City Council with an effective date of October 29, 2016 and recorded in the Office of the Adams County Clerk and Recorder on December 2, 2016 at Reception Number 2016000104551.

B. *Governance.* The District is governed by an elected board of directors consisting of five electors who are all voting members.

C. *District Board.* The District's Board members and their terms of office are:

Mark A. Adams	May 2025
Kristen Adams	May 2023
Yuriy Gorlov	May 2023
Seth C. Rollert	May 2023
Melissa M. Shea	May 2025

D. *Term Limits.* Term limits were eliminated at the District's November 2016 election.

E. *Advisory Board.* The District's Board of Directors may appoint one or more advisory boards to assist the Board of Directors on such matters as the Board of Directors desires assistance. The Board of Directors shall, upon the appointment of an advisory board, set forth its duties, duration, and membership. The Board of Directors may provide rules of procedure for the advisory board or may delegate to the advisory board the authority to provide such rules. No advisory board has been appointed.

3. BOUNDARIES, INCLUSIONS AND EXCLUSIONS

A map of the District's boundaries is attached as **EXHIBIT C**. In 2023 and subsequent years, the District may receive requests for inclusion of additional property into the boundaries of the District. However, no requests for boundary adjustments are anticipated at this time.

4. PUBLIC IMPROVEMENTS

The District is primarily concerned with the provision of public improvements and services within the boundaries of the District; however, there may be instances to provide improvements or services outside the boundaries of the District as part of the Porteos project. The District shall have the authority to provide these improvements and services, and the revenue-raising powers of the District to recoup the costs of extraterritorial improvements and services shall be as limited by State law.

The public improvements that the District anticipates it will construct, install, own, operate,

and maintain, include those public improvements the costs of which, in accordance with the Act, may be paid for by the District, including, without limitation, water services, safety protection devices, sanitation services, marketing, streetscape improvements, street improvements, curbs, gutters, culverts, drainage facilities, sidewalks, parking facilities, paving, lighting, grading, landscaping and storm and wastewater management facilities and associated land acquisition and remediation.

5. ADMINISTRATION, OPERATIONS, SERVICES AND MAINTENANCE

The District will provide for ownership, operation, and maintenance of public improvements itself or by contract with other units of government or the private sector.

6. FINANCIAL PLAN AND BUDGET

A. 2023 Budget and Additional Financial Information. The District's proposed 2023 Budget and adopted 2022 Budget, along with current financial statements are attached in **EXHIBIT B**.

B. Authorized Indebtedness. In November 2016, the District held an election for the purpose of authorizing debt, taxes, revenue limits, spending limits, special assessments, and such other matters necessary or convenient for the implementation of Art. X., Sec. 20 of the Colorado Constitution, and the Operating Plan. As provided in prior years' Operating Plans, the District's initial maximum debt authorization was \$50,000,000. In 2020, pursuant to the District's 2021 Operating Plan as approved by the City on November 16, 2020, the District determined it to be in the best interests of the District to increase the maximum authorized indebtedness from the initial maximum debt authorization of \$50,000,000 to \$100,000,000 to provide the District with the financial flexibility to efficiently finance the development and construction of the projected public improvements considering the pace of development and phasing within the District and to best serve the economic interests of the District and its current and future property owners. Accordingly, the maximum debt authorization of the District is \$100,000,000.

C. Property Tax and Mill Levy Caps. The District's taxing ability is constrained to mill levy limitations of up to 50 mills for debt service, general operations and administrative expenses due to the on-going operations and maintenance activities to be undertaken by the District within its boundaries. In 2021, for collection in 2022, the District levied a tax of 5.00 mills for general operating expenses on each dollar of the total valuation of assessment of all taxable property in the District. As indicated in the proposed 2023 Budget, it is anticipated at the District will impose a levy of 5.00 mills for general operating expenses for collection in 2023.

D. District Revenues. District revenues derive from developer funding, property taxes, transfers from the Velocity Metropolitan Districts pursuant to the Intergovernmental Agreement described in Section 1.E. above, and a privately imposed public improvement fee.

E. Existing Debt Obligations. The District has no current debt.

F. Future Debt Obligations. The District does not currently anticipate the issuance

of debt in 2023.

G. *Other Financial Obligations.* The District has entered into agreements including reimbursement and facilities funding and acquisition agreements, as well as agreements for ongoing services such as legal, administration, compliance, and accounting.

H. *Non-Default Provisions.* Limited tax general obligation bonds issued by the District shall be structured and/or credit enhancements provided such that the bonds cannot default as long as the District is imposing the required maximum allowed mill levy.

I. *No City Obligation.* The debt of the District will not constitute a debt or obligation of the City. The faith and credit of the City will not be pledged for the repayment of the debt of the District. This will be clearly stated on all offering circulars, prospectus, or disclosure statements associated with any securities issued by the District.

7. 2022 AND 2023 SERVICES, ACTIVITIES, PROJECTS AND CHANGES

A. *Services and Activities.* In 2022 and continuing in 2023, the District operated and will continue its operations in accordance with its adopted budget.

B. *Projects and Public Improvements.* The District may undertake projects or public improvements as development needs require.

8. DISSOLUTION

The District is anticipated to have ongoing ownership, operations and maintenance obligations that will necessitate perpetual existence. If the District no longer has such obligations, the District will seek to dissolve pursuant to C.R.S. § 31-25-1225.

9. CONCLUSION

It is submitted that this 2023 Operating Plan and Budget for the District meets the requirements of the Act and further meets applicable requirements of State law. It is further submitted that the types of services and improvements to be provided by the District are those services and improvements which satisfy the purposes of the Act. Inquiries and questions may be directed to the District's legal counsel and accountant. Contact information is provided in **EXHIBIT A.**

June 30, 2022

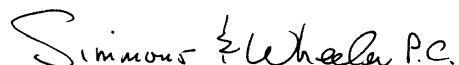

ACCOUNTANT'S COMPILATION REPORT

Board of Directors
Porteos Business Improvement District

Management is responsible for the accompanying financial statements of each major fund of Porteos Business Improvement District, as of and for the period ended June 30, 2022, which are comprised of the Balance Sheet and the related Statement of Revenues, Expenditures and Changes in Fund Balance – Budget and Actual – Governmental Funds and account groups for the six months then ended in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with the Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

Management has elected to omit the Statement of Net Position, Statement of Activities, Management Discussion and Analysis and all of the disclosures required by accounting principles generally accepted in the United States of America. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the District's financial position and results of operations. Accordingly, the financial statements are not designed for those who are not informed about such matters.

We are not independent with respect to Porteos Business Improvement District because we performed certain accounting services that impaired our independence.

ACCOUNTANT'S COMPILATION REPORT

Board of Directors
Porteos Business Improvement District

Management is responsible for the accompanying financial statements of each major fund of Porteos Business Improvement District, as of and for the period ended December 31, 2021, which are comprised of the Balance Sheet and the related Statement of Revenues, Expenditures and Changes in Fund Balance – Budget and Actual – Governmental Funds and account groups for the twelve months then ended in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with the Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

Management has elected to omit the Statement of Net Position, Statement of Activities, Management Discussion and Analysis and all of the disclosures required by accounting principles generally accepted in the United States of America. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the District's financial position and results of operations. Accordingly, the financial statements are not designed for those who are not informed about such matters.

We are not independent with respect to Porteos Business Improvement District because we performed certain accounting services that impaired our independence.

INTRODUCTIONS AND MINUTES

August 23, 2022 minutes were approved.

AUGUST 2022 SALES TAX CHARTSummary of Issue and Discussion

Bill Levine presented the August 2022 Sales Tax Chart. The sales tax increased by 10.5% in August. This can be interpreted in two ways. One is as a revenue number with August about \$360,000 over the projection. With this, the city looks to be on track to meet or beat the projection for the year. The sales tax can also be representative of how business is doing in the city. In this regard, the 10.5% increase appears to be misleading. In August 2022, there was a large amount received from a foreign online retailer making payments for over two years of taxes owed to the city from October 2019 to April 2022. This was due to the passing of the Economic Nexus Ordinance and the Sales and Use Tax System (SUTS) only being set up in August. If this one-payment growth is not taken into account, the sales tax growth for August would only have been 9.6%.

The variable sales tax payments grew by 85% in August, meaning that a lot of the 10.5% growth is due to big one-time payments. These variable payments were for large construction projects including storm, drainage, and decking systems. If the variable sales tax payment only grew at a neutral rate equal to the inflation rate of 8.3%, the growth for August would only be 7.2% instead of 10.5%. This number is more reflective of the consistent taxpayers and the business community in Aurora.

Committee Discussion:

CM Gardner: Makes sense. Thanks for that analysis. That's helpful. Council Member Zvonek, any questions?

CM Zvonek: I don't have any now. Thanks.

CM Gardner: All right. Thank you. Okay. Council Member Murillo, do you have any questions on that?

CM Murillo: No. I think I logged in just right at one. Did we start the presentation earlier?

CM Gardner: No. It was 1:00 when we started. You might have just been a couple of seconds late. We just have a really crowded agenda, so I just wanted to get started on it.

CM Murillo: That's fine. No questions here.

CM Gardner: All right. I appreciate that. Thanks, Bill, for your presentation.

B. Levine: Thank you, Council. I appreciate it.

Outcome

Information only.

Follow-up Action

No follow-up needed.

OCCUPATIONAL PRIVILEGE TAX REPEALSummary of Issue and Discussion

Council Member Jurinsky and Jeff Edwards presented this ordinance that will repeal the occupational privilege tax (OPT) that was implemented in 1986. Aurora is one in five cities in Colorado that has this. This is a \$4 tax per employee with half being withheld from the employee, and half being matched by the employer per paycheck once a month. CM Jurinsky noted that there is a surplus in the budget and there is no reason to figure out what to cut out of the budget to make the tax cut work.

Once the repeal is implemented, it would have to go through the voters to be reinstated. The fiscal impact would be \$5.9 million for 2023. There would be no cuts to the police, fire, 911, courts, transfers, and other mandates. This leaves \$170 million of people and supplies that would need to be cut by 5% from the 2023 budget. Nine entities received OPT revenue of \$590,000 in 2021. In addition, some of the revenues are used by the Aurora Urban Renewal Authority

(AURA) for incentive and development projects. About 72% of the city's revenue is dependent on sales and use tax.

Committee Discussion:

CM Jurinsky: Now, I actually have a question because I asked thoroughly about this when I was on the CABC and I asked where these funds go, and I was told by Greg Hays that all of these funds go into the general fund. That's really concerning to me if the AURA is using some of these funds, because just last night I was told that none of those funds come out of the general fund, specifically regarding our parking lot structure.

T. Velasquez: And I would address that Council Member basically when we have a TIF area, any of the revenues that are generated from the specific project, including OPT, would go back to the project. I think on Jeff's slides, it's just acknowledging that the revenue that's generated from specific projects is then shared back as a part of incentive agreements that were approved by previous city councils. So, it would definitely change the revenue flow to some of those projects. And I also have Greg online to answer any budgetary-related questions. I know from an almost \$6 million budget perspective it does have some larger impacts. And maybe, Greg, you can put it a little bit into perspective from a standpoint of what that reduction would mean.

G. Hays: I sure can. Thank you very much. If you're looking at \$5.9 million, it's the equivalent of about 80 people. We do have a balanced budget for 2023, and if you take \$6 million out, it would not be balanced. We would have to go find that money from somewhere. It is a significant amount of money. It's larger than six different budgets, general fund budgets. Aurora Water, City Council, Communications, General Management, HR, Planning. Their entire budgets are actually less than that. And what's more, 2024 is not -- it's close to being balance. We don't need to have a balanced budget for the future but taking on another \$6 million of ongoing funds would make that harder for the 2024 budget as well.

CM Gardner: All right. Thank you. Greg and Jeff. Council Member Murillo, questions, or comments for either staff or the sponsor?

CM Murillo: Thanks, Council Member Gardner. I think a few comments. Yes, I think that coming into the conversation and just saying that "Oh, we have a surplus and therefore I don't really need to look for the accompanying piece of where this ongoing revenue would come from" is concerning to me to the staff's comments around this does make it more challenging to balance our budget in the future. There will be budget implications. I think that was the biggest concern for me and I would like a better understanding of where the city management would take those ongoing funds because it's not just funds that would be taken out of this year's budget or whenever this comes into effect, but it is ongoing. That's just my biggest comment and request before this moves forward on my end.

CM Gardner: Council Member Zvonek, questions, or comments?

CM Zvonek: I would just say we haven't set a 2023 budget. As far as I know, we're going to do that at the budget workshop, and I think that will give us plenty of opportunity to identify what reductions we need to make in order to make this happen. But I think in terms of a signal that we want to continue to be the most business-friendly city in the state, and we are getting rid of a privilege tax of working in Aurora. We have to, I think, try to change our mental model, and recognize that it's actually a privilege for us to have employees here and it's not a privilege for them to work here. And I think this is one of the ways we can do that.

J. Twombly: And I just wanted to check with Jeff. It seems like I saw in the original ordinance that fire, police, and road maintenance were cited as reasons for instituting this tax in the first place. The funds weren't dedicated for those purposes, but I think those were cited as reasons why the council voted to approve that tax. Jeff, do you have any information on that?

J. Edwards: Correct. Thanks, City Manager Jim Twombly. Appreciate that question. That is correct. This was essentially a way for us to distribute the tax burden for the city to those that are coming into the city to work. And it pointed out that it was for police, fire, road maintenance, those types of costs, and other municipal services.

J. Twombly: Okay. Thanks.

CM Jurinsky: Yes. I asked repeatedly on CABC if these funds were dedicated for anything in particular and I was told numerous times, "No, they're not earmarked for anything. They just go into the general fund and that's where they are at in the general fund." And as Council Member Zvonek just said, the fact that we have a tax on businesses and workers in the city of Aurora states that it's their privilege to do business in this city or to be a worker in this city. I can't believe this has never been brought up before, but I think that we absolutely need to change our mindset on that and realize that it is actually the city's privilege. It is our privilege for businesses to come here and for workers to want to work in Aurora. And as Council Member Zvonek just pointed out, the budget is not set and that's exactly what we are going to go to the Budget Committee meeting to do. And the fact that we have any additional tax on people in Aurora, I think that those should be eliminated. And just as other taxes, on menstrual products and on diapers in this city have been eliminated, I look at this tax repeal as actually a more equitable tax cut, because it will be for anybody, regardless of gender, regardless of race. I mean, if you work in Aurora or have a business in Aurora, this tax is on you, and this will be a tax saving to all those who wish to do business here and work here.

CM Gardner: Any other questions or comments from the committee?

CM Murillo: Yes, I guess just the fact that we're not acknowledging that for months staff has put together our budget, essentially line item by line item. We've had public presentations at town halls, and we've had specific budget presentations. Suddenly to say that we're not essentially almost at the end and that we don't have a budget, sure, it's not yet confirmed. But let's be clear

that this would be a last-minute change that hasn't been incorporated into this current budget as it's been written. I just want to be very clear that when we say it's not yet been finalized, that's because we haven't yet made the final approval. But a last-minute change is what this would be. I just want to be very clear that that's where we're at in the budget process for this year.

CM Jurinsky: Council Member Gardner, I'd like to respond to that.

CM Gardner: Go ahead.

CM Jurinsky: The budget is created every single year. I'm not sure there's really a good time or a bad time to bring forward a tax cut. But I had some things that I needed to look into. Obviously, I wanted to come to this committee. It would be my prerogative to have brought this straight to a council meeting and to rush this process. But as I heard from my colleagues that don't always agree with me on much of anything, they would prefer me to follow the standard process that we have in place. I went about it that way this time, and I'm not sure that you can consider any kind of tax cuts on our citizens and our businesses to be something that's last minute. I find it to be something that's necessary.

CM Gardner: All right. Thanks, everybody, for comments and feedback. Council Member Murillo, would you like this to move forward?

CM Murillo: Not at this time. We were just talking about understanding fiscal notes and larger impacts last night. For it to be at the 11th hour, I think that's not something that I would prefer, but obviously, we'll talk about it if the committee approves it going forward. But like I said, I just wanted to be very clear on the rhetoric and the shaping of the conversation. So that's why I made my comments.

CM Gardner: Council Member Zvonek?

CM Zvonek: I think that now is actually the perfect time to move it forward as the elected officials who were elected by the people of Aurora to set the budget will be having a conversation about the budget for next year. It means we'll have to do some work, but that's okay. That's what we were elected to do.

CM Gardner: All right. And I'm fine with it moving forward as well.

Outcome

The Committee supported moving the item forward.

Follow-up Action

Staff will move the item forward to Study Session.

WARD REALIGNMENT RECOMMENDATION DEADLINE**Summary of Issue and Discussion**

CM Marcano presented the proposed ordinance which sets a deadline of no later than October 15th for rewarding recommendations to be before the Council. This preserves the existing timeline for the rewarding process to begin.

Committee Discussion:

CM Gardner: All right. Thank you. Council Member Zvonek, any questions or comments?

CM Zvonek: No, I think that makes sense. I know that earlier, Council Member Marcano, when we were having these discussions at the beginning of the year, there was some concern because the initial timeline, I think didn't have us finishing until into next year. As a committee, we decided to do that. I think creating some sort of guidelines going forward that keeps us on track is appropriate and I would support that moving forward.

CM Murillo: I don't have any questions. Similar to the comments just made, we intentionally moved it up so that there was less ambiguity later into next year. I think this is in line with the actions that we've taken on this committee this year. I support moving it forward.

CM Gardner: All right. And as both council members pointed out, we intentionally changed the original schedule that was presented to us to avoid this very problem where the maps wouldn't have been finalized until late spring or early summer next year for folks running, which could create some confusion. I am okay with it moving forward as well. Thank you for the presentation.

CM Marcano: All right, great. Thank you.

Outcome

The Committee unanimously supported moving the item forward.

Follow-up Action

Staff will move the item forward to Study Session.

UPDATE ON E-DISCOVERY IN COURTS**Summary of Issue and Discussion**

Julie Heckman presented an update on e-Discovery in courts. The City Attorney's Office Case Management System will help transition to an electronic case management system from the fully-paper file status. This would provide the ability to give e-discovery out electronically for any defendant in the municipal court regardless of representation. All body-worn cameras, videos, and pictures will be downloaded to a disk.

This issue was brought about at a Public Safety meeting on October 14th, 2021. The interim court administrator, Mike Ritter, at the time had asked for two additional FTEs to address the case management system and e-discovery software tool. Court IT asked city IT to be present in the next meeting to discuss buying versus building the software. Judge Shawn Day, Doug Wilson, Court IT, City IT, and other staff have been discussing how to move the court to transition electronically. It has been agreed upon that the City Attorney's Office must be the beginning of this and get case management into an electronic system. Following this would be eDiscovery then the court accepting all electronic filings. It was previously confirmed by the former interim court administrator that following the two FTEs that the work would be completed by Q1 of 2022. However, it is currently still not in place.

The city has since hired Ms. Candice Atkinson as the new court administrator and has continued conversations regarding this. City staff has gone back to CDAC about looking at the e-Discovery tool that they have which is a statewide system for all prosecutors. APD Records, the Crime Lab, and A911 package all the evidence to be sent to the state CDAC system. Due to this, there have been discussions of having other Aurora agencies package things the same way and having a system mirrored to the CDAC system. CDAC has provided a general quote of what they think it would take to look at their system, redesign it, and tweak it to Aurora's court system which currently does not have data sharing between courts. There are other municipalities that are also trying to switch to electronic and may be interested in getting onto the CDAC system.

The staff has also looked at several outside vendors that do prosecution-type case management systems which include e-Discovery. There is also one that works closely with Axon that provides body-worn cameras. They were contacted to present to City and Court IT and other city staff. The need for this implementation is past due given the inefficiencies created by the labor-intensive utilization of the files. Given that there is only one paper file, only one person or department can work on it at a time. This would then delay getting the evidence to APD and other preparations.

Committee Discussion:

CM Gardner: Appreciate that update, Julie. And I think the only comment that I have, and I had said this last year in public safety is my preference is to go with standard software, not creating our own. And it sounds like we're looking into some options like that. And those are my concerns. I have that concern because of when you have somebody who designs a program in-house and that person leaves, you create some issues there. And so, for ongoing and support purposes, I always prefer to use something standard. And I can't imagine that Aurora is that unique, that there isn't software out there that won't meet our needs. So that's just my thought or my input. But again, really appreciate the update. Obviously, it's a project that's been going on for a while and certainly something that we need to get implemented. Council Member Murillo, any questions or comments?

CM Murillo: None for me. Thanks for the update.

CM Gardner: Council Member Zvonek?

CM Zvonek: No, I would just echo what you just said. I think that to the extent that we can find a product that not only because of the reasons you pointed out but if there is some collaboration or any sort of data that can be shared across different jurisdictions, having that software would seem to make a lot of sense. I also just hope that this is a part of the broader conversation that we're continuing to have with IT in general and moving toward a capability model for the entire city. This isn't just related to courts or even prosecution, but generally across every department, I think that having a standalone IT department doesn't make a lot of sense. I think having people embedded there, but ultimately coming back to one shared capability makes a lot more sense. I hope we integrate this conversation with that broader one.

CM Gardner: Appreciate that. Thanks again, Julie.

J. Heckman: Thank you.

Outcome

Information only.

Follow-up Action

No follow-up needed.

FITZSIMONS BUSINESS IMPROVEMENT DISTRICT – NEW BOARD MEMBER APPOINTMENT

Summary of Issue and Discussion

Chad Argentar presented this item. The Fitzsimons Business Improvement District (BID) is looking to expand their existing board as they only have two out of five filled seats. The nominee for the position is interested in serving and contributing to the businesses in the BID.

Committee Discussion:

CM Gardner: I appreciate that. Council Member Murillo, comments or questions?

CM Murillo: None here.

CM Gardner: Council Member Zvonek?

CM Zvonek: No Questions.

CM Gardner: All right. And I assume both of you are okay with it moving forward.

CM Zvonek: Yes.

CM Murillo: Yes.

CM Gardner: All right. Thanks, Chad.

C. Argentar: Thank you.

Outcome

The Committee unanimously supported moving the item forward.

Follow-up Action

Staff will move the item forward to Study Session.

2023 WARD REDISTRICTING REVIEW

Summary of Issue and Discussion

Kadee Rodriguez presented this item. Staff is requesting for the M&F Policy Committee's decision to finalize which scenario to move forward to full Council.

Committee Discussion:

CM Gardner: And can you remind me which was the map that was recommended or put forward by the Election Commission?

K. Rodriguez: Scenario five.

CM Gardner: Okay. Council Member Zvonek, any thoughts, comments, or questions?

CM Zvonek: I guess my one question maybe, Kadee, is that can we have more than one recommendation from our Committee go forward to the full council? Or are you just looking for one?

K. Rodriguez: There's nothing that states you can't move forward more than one recommendation. So, I think it would be up to this Committee on how you'd like to do that.

CM Zvonek: I guess my suggestion would be to have these go forward to the full council to have a conversation with more of our colleagues about these scenarios and have maybe a presentation from the Election Commission at a Study Session. I think that's what the next step is. It would come to a Study Session. So have it come to a Study Session and a presentation as to why the Election Commission chose that map and then also lay out the other scenarios because I can imagine that some of our colleagues might ask why we chose this one, why the Election

Commission chose that one, and what were the other scenarios so that they can have eyes on them too. So that's my recommendation for moving it forward.

CM Murillo: Yes, something similar on my end. I would prefer to not narrow it down at this point since this impacts the full council and have the broader discussion at a Study Session where we can all talk about it. All the options.

CM Gardner: Okay. Well, it sounds like that's what the will of the Committee is. Kadee, is that going to be the next available study session? Is that what our schedule was?

K. Rodriguez: It's actually the second study session in October. So, it's not the one this Monday, but the next one.

CM Gardner: The next one, yes. Okay, sounds good. Well, we will get a presentation at the second Study Session in October. And Kadee, thank you. And I don't think Daniel is on the phone but thank you both for all your work this year with our committee and the presentations and all that. Really appreciate you guys working through the process.

K. Rodriguez: Okay. Thank you. And we'll work with the Election Commission to get them on the Study Session for the last study session in October.

CM Gardner: All right, thanks.

K. Rodriguez: Thank you.

Outcome

The Committee decided to have the Election Commission present all scenarios, including the recommended scenario, in the second October Study Session.

Follow-up Action

Staff will coordinate with the Election Commission regarding their presentation for the second October Study Session.

ANNUAL REVIEW OF INVESTMENT POLICY

Summary of Issue and Discussion

Teresa Sedmak presented this item. The investment policy of the city is reviewed to incorporate any changes in the state statute or other required changes. For the recent review, city staff made two non-substantive changes. One is to define the nationally recognized statistical rating organizations; namely Moody's, S&P, and Fitch. The other change made was to reformat the section related to general obligation bonds and revenue bonds to improve clarity. The revisions

were presented to the Investment Advisory Committee on August 4th. Legal counsel has advised that there is no action necessary due to the non-substantive matter of the changes.

Committee Discussion:

CM Gardner: All right. Thank you. Council Member Murillo, questions or comments?

CM Murillo: I do not have any questions.

CM Gardner: Council Member Zvonek?

CM Zvonek: No.

CM Gardner: All right. Thank you for the presentation, Teresa.

T. Sedmak: Sure.

Outcome

Information only.

Follow-up Action

No follow-up needed.

PROPOSED MODIFICATIONS TO MORAL OBLIGATIONS POLICY AND REVIEW OF EXISTING MORAL OBLIGATIONS

Summary of Issue and Discussion

Teresa Sedmak presented this item. The city has existing moral support transactions with the Hyatt Regency Conference Center and Parking Garage and FRA Bioscience III Building. Recently, City Council has approved the continuance of the moral obligations support on Hyatt refinancing which is going to close next week. The rate was locked based on a 3.81% rate on the ten-year US Treasury rate plus a spread of 25 basis points bringing the rate on the new loan locked at 4.06%. The moral support for this transaction takes the form of a debt service reserve equal to a one-year debt service at \$1.7 million. Should the debt service be depleted, it must be replenished. This would then have to go to Council for an appropriation if the funds are not available. AURA has been providing support in the form of capital advances from other TIF revenues generated within the Fitzsimons Urban Renewal Area. No draw has been made on the debt service reserve since it could be a reportable event to investors and may have negative connotations. The need for additional support is not expected until 2024.

The Bioscience III Building moral obligation support is also in the form of a debt service request of \$2.5 million. If depleted, it must be replenished. The building was completed in 2020 and most of the space has been leased out. There are approximately 25% or 30,000 square feet yet to

be leased. A possible tenant is holding off on a decision until Q1 of 2023 due to economic uncertainty. Despite this, there are other potential tenants in the pipeline. The moral obligation terminates in December 2024. The FRA has adequate liquidity to satisfy its debt service obligations and doesn't foresee a draw on the debt service reserve.

In 2021, Council Member Gruber requested a review of the moral obligation policy. Staff has been working with Bond Council to do a thorough review and recommend modifications. One of the notable changes is the change in wording from moral obligation "pledge" to moral obligation "support." This is because "pledge" implies a binding financial obligation and a pledge of collateral. A definition of what a moral obligation is was added to the policy. The new policy explicitly prohibits substantive changes in the financing and proposed financing subsequent to its presentation to M&F, unless allowed by the authorizing resolution. The evaluation criteria were also strengthened and now include the presentation of timing and frequency related to the moral obligation and the likelihood of repayment over time.

Committee Discussion:

CM Gardner: All right. Thank you for the presentation. And yes, I agree with the changes that were made. I think just clarifying some things, tightening up some language, and then even just having a description of what moral obligations are for members of the public or people who are less familiar. I think all those changes are good. So, I would support moving it forward. Council Member Murillo, any questions or comments? And then do you support moving forward as well?

CM Murillo: Yes, I was just going to ask for the red-line version, if you don't mind. And I do support adding more clarity and practical usefulness to the policy. So, I do support moving it forward.

T. Sedmak: Thank you.

CM Gardner: Council Member Zvonek?

CM Zvonek: No questions. And I do support moving forward.

CM Gardner: All right. Thank you. Thanks, Teresa.

T. Sedmak: Thank you.

Outcome

The Committee unanimously supported moving the item forward.

Follow-up Action

Staff will move the item forward to Study Session.

**SUMMARY RESULTS - SALE AND CLOSING OF CITY OF AURORA 2022 COPS
(ROAD IMPROVEMENTS PROJECTS)****Summary of Issue and Discussion**

Teresa Sedmak presented this item. On August 24th, Aurora priced its Series 2022 Certificates of Participation (COPs) to finance various roadway improvements. There was a par amount of \$31.9 million to offer to investors and the city received orders for \$102 million, which is a 3.2 times oversubscription. This allowed staff to reprice several maturities for interest rate reductions. Some longer-term maturities were repriced with a higher yield. The all-in-interest cost, including the underwriting and cost issuance on the deal, was 3.685%. The closing on the COPs occurred on September 7th and were sold to RBC and Stifel. They were packaged with a rating of AA1 from Moody's which is the highest rating afforded to an appropriation credit.

Committee Discussion:

CM Gardner: Council Member Zvonek, any questions?

CM Zvonek: No questions. That's great news. I'm happy to hear that we were able to lock in the lower rate and move this forward. I know this is ultimately going towards a much-needed road maintenance repair. So, I'm just happy to hear that we're moving forward and saving the taxpayers a little bit of money along the way.

T. Sedmak: Thank you.

CM Gardner: Council Member Murillo?

CM Murillo: Nothing on my end.

CM Gardner: All right. Thank you for the presentations, Teresa.

T. Sedmak: Thank you.

Outcome

Information only.

Follow-up Action

No follow-up needed.

2023 BID OPERATING PLANS AND BUDGETS

- 5a. Consideration of A RESOLUTION of the City Council of the City of Aurora, Colorado, approving the 2023 Operating Plan and Budget for the Parkside at City Centre Business Improvement District
- 5b. Consideration of A RESOLUTION of the City Council of the City of Aurora, Colorado, approving the 2023 Operating Plan and Budget for the Fitzsimons Business Improvement District
- 5c. Consideration of A RESOLUTION of the City Council of the City of Aurora, Colorado, approving the 2022 Operating Plan and Budget for the Havana Business Improvement District
- 5d. Consideration of A RESOLUTION of the City Council of the City of Aurora, Colorado, approving the 2023 Operating Plan and Budget for the Painted Prairie Business Improvement District No. 2
- 5e. Consideration of A RESOLUTION of the City Council of the City of Aurora, Colorado, approving the 2023 Operating Plan and Budget for the Painted Prairie Business Improvement District No. 1
- 5f. Consideration of A RESOLUTION of the City Council of the City of Aurora, Colorado, approving the 2023 Operating Plan and Budget for the Tower Business Improvement District
- 5g. Consideration of A RESOLUTION of the City Council of the City of Aurora, Colorado, approving the 2023 Operating Plan and Budget for the Windler Business Improvement District No. 2
- 5h. Consideration of A RESOLUTION of the City Council of the City of Aurora, Colorado, approving the 2023 Operating Plan and Budget for the Windler Business Improvement District No. 1
- 5i. Consideration of A RESOLUTION of the City Council of the City of Aurora, Colorado, approving the 2023 Operating Plan and Budget for the Citadel on Colfax Business Improvement District
- 5j. Consideration of A RESOLUTION of the City Council of the City of Aurora, Colorado, approving the 2023 Operating Plan and Budget for the Porteos Business Improvement District

Summary of Issue and Discussion

Carol Toth gave an overall presentation for items 5a through 5j regarding the 2023 Operating Plans and Budgets of ten business districts organized within the city. The state statute requires that each BID organized within a municipality file their upcoming budget with the City Clerk for review and approval by the City Council by December 5th.

Committee Discussion:

CM Gardner: Okay. I think since they were included in the backup, we don't need individual presentations. But to give council members an opportunity to ask questions. Council Member Murillo, any questions on 5a through 5j?

CM Murillo: No.

CM Gardner: Council Member Zvonek?

CM Zvonek: I don't have any.

CM Gardner: And are you both okay with moving these forward?

CM Zvonek: Yes.

CM Murillo: Yes.

CM Gardner: Thank you. These will move forward. Thank you for the presentation.

Outcome:

The Committee unanimously supported moving items 5a through 5j forward.

Follow-up Action:

Staff will move items 5a through 5j forward to the October 17th Study Session.

2023 GID OPERATING PLAN AND BUDGETS

- 6a. General Improvement District 1-2007 (Cherry Creek Racquet Club) 2023 operating budget
- 6b. General Improvement District 2-2009 (Pier Point 7) 2023 operating budget
- 6c. General Improvement District 2-2011 (Aurora Conference Center) 2023 operating budget
- 6d. General Improvement District 1-2016 (Cobblewood) 2023 operating budget

- 6e. General Improvement District 1-2008 (Peoria Park) 2023 operating budget
- 6f. General Improvement District 3-2008 (Meadow Hills Country Club) 2023 operating budget

Summary of Issue and Discussion

Andrew Jamison gave an overall presentation for items 6a through 6f regarding ordinances to approve the Operating Plans for the General Improvement Districts (GIDs) within Aurora. Generally, they authorize a mill levy to collect a property tax within the district to pay debt service for certain capital improvements that the districts had elected to improve. This is with the exception of the Aurora Conference Center which uses a direct funding model to pay for improvements.

Committee Discussion:

CM Gardner: Council Member Zvonek, any questions?

CM Zvonek: No.

CM Gardner: Council Member Murillo?

CM Murillo: No questions for me.

CM Gardner: And are you both okay with moving these forward?

CM Murillo: Yes.

CM Zvonek: Yes.

CM Gardner: All right. Thanks, Andrew.

A. Jamison: Thank you.

Outcome:

The Committee unanimously supported moving items 6a through 6f forward.

Follow-up Action:

Staff will move items 6a through 6f forward to the Budget Workshop and the Regular Council Meeting.

MISCELLANEOUS MATTERS FOR CONSIDERATION

None.

ITEM SUMMARY *(Brief description of changes or updates with documents included.)*

The Tower Business Improvement District (BID) has revised its 2023 Operating Plan and Budget to include a 2.5 mill levy to be imposed in 2023 (\$110,052) in lieu of the developer advances (\$50,000) included in its original submission. No changes in the development or operational perspective of the BID occurred with this revised operating plan and budget.

2023
OPERATING PLAN FOR THE
TOWER BUSINESS IMPROVEMENT DISTRICT

1. PURPOSE AND SCOPE OF THIS DISTRICT

A. Requirement for this Operating Plan. The Business Improvement District Act, specifically Section 31-25-1211, C.R.S., requires that the Tower Business Improvement District (the “District”) file an operating plan and budget with the City Clerk no later than September 30 of each year.

Under the statute, the City is to approve the operating plan and budget within 30 days of the submittal of all required information.

The District operates under the authorities and powers allowed under the Business Improvement District Act, Section 31-25-1201, *et seq.*, C.R.S., as amended, as further described and limited by this Operating Plan.

B. What Must Be Included in the Operating Plan? Pursuant to the provisions of the Business Improvement District Act, Section 31-25-1201, *et seq.*, C.R.S., as amended (“Business Improvement District Act”), this Operating Plan specifically identifies: (1) the composition of the Board of Directors; (2) the services and improvements to be provided by the District; (3) the taxes, fees, and assessments to be imposed by the District; (4) the estimated principal amount of the bonds to be issued by the District; and (5) such other information as the City may require.

C. Purposes. As may be further articulated in prior years’ Operating Plans, the ongoing and/or contemplated purposes of this District for 2023 include principally the financing, acquisition, construction, completion, installation, replacement and/or operation and maintenance of sources of power that will serve the development within the District, including without limitation natural gas, electricity and solar installations, but the District shall also be empowered to provide the services and public improvements allowed under Colorado law for business improvement districts. **The provision of these services will be coordinated with the Tower Metropolitan District (“Tower”) which the boundaries of the District overlap in part. The District’s activities will neither interfere with nor duplicate those undertaken by Tower.**

D. Ownership of Property or Major Assets. The District will own public improvements, easements and land as required if they are not otherwise dedicated to the City or other public entities or public utilities for operation and maintenance.

E. Contracts and Agreements. It is anticipated that the District will enter into various agreements as required to facilitate the funding, construction, operation and maintenance of public improvements. The District is not currently a party to any significant active contracts or agreements. The District may enter into agreements with the City and the Tower Metropolitan District to accommodate the provision of improvements and services.

2. ORGANIZATION AND COMPOSITION OF THE BOARD OF DIRECTORS

A. Organization. The Tower Business Improvement District was organized by the City of Aurora pursuant to Ordinance No. 2019-71 on October 21, 2019.

B. Governance. Pursuant to Section 31-25-1209(1)(b), C.R.S., the City of Aurora appointed the board of directors for the District, which shall have up to five members. Each member shall be an elector of the District.

C. Current Board. The District is managed by a Board of Directors consisting of five electors all of whom shall be voting members. The current Board members are listed below, and there is one vacancy on the Board of Directors. Upon a vacancy on the Board of Directors, the City Council shall appoint a successor by resolution within thirty days of the vacancy. Currently, there are no qualified individuals to fill the vacancy and therefore the District anticipates the vacancy will remain in 2023.

1. Randall C. Hertel
2. Michael M. Wafer
3. Jack “Skip” Bailey, Jr.
4. Michael V. Kapoor
5. Vacancy

Director and other pertinent contact information are provided in **EXHIBIT A**.

D. Term Limits. The District’s election on November 5, 2019 included a ballot question to eliminate term limits pursuant to Article 18, Section 11 of the Colorado Constitution. The question passed.

E. Advisory Board. The Board of Directors may appoint one or more advisory boards to assist the Board of Directors on such matters as the Board of Directors desires assistance. The Board of Directors shall, upon the appointment of an advisory board, set forth its duties, duration, and membership. The Board of Directors may provide rules of procedure for the advisory board or may delegate to the advisory board the authority to provide such rules. No advisory boards have yet been appointed.

3. BOUNDARIES, INCLUSIONS AND EXCLUSIONS

The District includes approximately 539 acres within its boundaries as described in **EXHIBIT C** and depicted in **EXHIBIT D**. In 2023 and subsequent years, the District may receive inclusion requests for additional property as boundaries are established and additional property owners participate in the District.

4. DESCRIPTION OF PROPOSED POWERS, IMPROVEMENTS AND SERVICES

The District shall have the power and authority to provide the public improvements and related operation and maintenance services within and without the boundaries of the District as such power and authority is described in the Business Improvement District Act, and other applicable statutes, common law and the Constitution, subject to the limitations set forth herein. The District shall have the authority to provide these improvements and services, but the revenue-raising powers of the District to recoup the costs of extraterritorial improvements and services shall be as limited by state law and as limited by this Operating Plan. The District will only provide improvements and services within the boundaries of the District and directly adjacent property to the extent required to facilitate the construction and operation of the District improvements. The District will not provide improvements or services that duplicate any improvements or services provided by Tower though the two entities will have the authority to cooperate in the extension of facilities and improvements beneficial to both, or where efficiencies in the development process may be gained.

Subject to the foregoing limitation concerning cooperation with Tower, the public improvements that the District anticipates it will construct, install or cause to be constructed and installed, include those public improvements the costs of which may, in accordance with the Business Improvement District Act, lawfully be paid for by the District, including, without limitation safety protection devices, marketing, streetscape improvements, street improvements, curbs, gutters, culverts, drainage facilities, sidewalks, parking facilities, paving, lighting, grading, landscaping and storm and wastewater management facilities and associated land acquisition and remediation (the “Public Improvements”).

A. Operations and Maintenance Limitation. Included within the District’s boundaries is 538 acres owned by MCCII that is also included within Tower’s boundaries. The proposed development will contain significant industrial and warehouse and distribution facilities. Associated with all of the new development is the need for the financing of power sources and facilities that will serve the development, including without limitation natural gas, electricity and solar installations.

Tower does not have the statutory authority to pay for such improvements. The District does, and its creation is intended to fund those improvements in addition to the services and public improvements allowed under Colorado law for business improvement districts, generally. The provision of these improvements and services will be coordinated with Tower which the boundaries of the District overlap in part. The District’s activities will neither interfere with nor duplicate those undertaken by Tower though the two entities will have the authority to cooperate in the extension of facilities and improvements beneficial to both, or where efficiencies in the development process may be gained.

The appropriate limitations contained in the City’s metro district model service plan have been incorporated in the proposed Operating Plan that operates in many of the same ways to guide the District’s activities. However the fifty mill cap included in this Operating Plan is inclusive of

operations and administration costs in addition to debt service. The initial maximum debt authorization is \$10,000,000.

B. Construction Standards Limitation. The District will ensure that the Public Improvements are designed and constructed in accordance with the standards and specifications of the City and of other governmental entities having proper jurisdiction. The District will obtain the City's approval of civil engineering plans and will obtain applicable permits for construction and installation of Public Improvements prior to performing such work.

C. Privately Placed Debt Limitation. Prior to the issuance of any privately placed debt for capital related costs, the District shall obtain the certification of an External Financial Advisor regarding the fairness and feasibility of the interest rate and the structure of the debt substantially as follows:

We are [I am] an external financial advisor. [I] certify that (1) the net effective interest rate (calculated as defined in Section 32-1-103(12), C.R.S.) to be borne by [insert the designation of the Debt] does not exceed a reasonable current [tax-exempt] [taxable] interest rate, using criteria deemed appropriate by us [me] and based upon our [my] analysis of comparable high yield securities; and (2) the structure of [insert designation of the Debt], including maturities and early redemption provisions, is reasonable considering the financial circumstances of the District.

D. Fee Limitation. The District may impose and collect fees as a source of revenue for repayment of debt, capital costs, and/or for operations and maintenance. No fee related to the funding of costs of a capital nature shall be authorized to be imposed upon or collected from taxable property owned or occupied by an End User which has the effect, intentional or otherwise, of creating a capital cost payment obligation in any year on any taxable property owned or occupied by an End User. Notwithstanding any of the foregoing, the restrictions in this definition shall not apply to any fee imposed upon or collected from taxable property for the purpose of funding operation and maintenance costs of the District. For purposes of this section, "End User" shall mean any owner, or tenant of any owner, of any taxable improvement within the District who is intended to become burdened by the imposition of ad valorem property taxes subject to the Maximum Debt Mill Levy (as defined below).

E. Bankruptcy Limitation. All of the limitations contained in this Operating Plan have been established under the authority of the City to approve an Operating Plan with conditions pursuant to Section 31-25-1211, C.R.S. It is expressly intended that such limitations:

(a) Shall not be subject to set-aside for any reason or by any court of competent jurisdiction, absent an amendment to the Operating Plan; and

(b) Are, together with all other requirements of Colorado law, included in the "political or governmental powers" reserved to the State under the U.S. Bankruptcy Code (11 U.S.C.) Section 903, and are also included in the "regulatory or electoral approval

necessary under applicable nonbankruptcy law” as required for confirmation of a Chapter 9 Bankruptcy Plan under Bankruptcy Code Section 943(b)(6).

Any debt, issued with a pledge or which results in a pledge, shall not be an authorized issuance of debt unless the City has approved the operating plan and budget for the District.

5. ADMINISTRATION, OPERATIONS, SERVICES AND MAINTENANCE

The District shall provide for ownership, operation, and maintenance of District facilities as activities of the District itself or by contract with other units of government or the private sector.

6. FINANCIAL PLAN AND BUDGET

A. 2023 Budget. The proposed 2023 Budget for the District is attached as **EXHIBIT B.**

B. Authorized Indebtedness. The District held an election on November 5, 2019 for the purpose of authorizing debt, taxes, revenue limits, spending limits, special assessments, and such other matters as may be necessary or convenient for the implementation of Art. X., Sec. 20 of the Colorado Constitution, and the Operating Plan. The initial maximum debt authorization for the District shall be \$10,000,000.00.

C. Property Tax and Mill Levy Caps. The District’s taxing ability shall be constrained to mill levy limitations of up to 50 mills for debt service, general operations and administrative expenses due to the on-going operations and maintenance to be undertaken by the District within its boundaries. The mill levy cap set forth in this paragraph may be subject to upward or downward adjustments addressing any abatement or statutory, legislative, or constitutional changes that adjust or impact the assessed or actual valuation of property or the assessment ratio pursuant to which taxes are calculated occurring after, but not before, January 1, 2004. Such upward or downward adjustments are to be determined by the Board of Directors in good faith (such determination to be binding and final) so that to the extent possible, the actual revenue generated by the mill levy, as adjusted for changes occurring after January 1, 2004, are neither diminished nor enhanced as a result of such changes.

D. District Revenues. The District continues to anticipate developer funding for initial revenue sources and thereafter revenues derived from property taxes. The District may also be the beneficiary of revenues derived from a privately imposed public improvement fee and any other lawful revenue source.

E. Existing Debt Obligations. The District does not have any existing debt obligations.

F. Future Debt Obligations. The District does not anticipate issuing debt in 2023.

G. Other Financial Obligations. The District may enter into agreements including reimbursement or similar agreements and leases; as well as agreements for ongoing services such as legal, administration, compliance, budget, audit, etc.

H. Non-Default Provisions. Limited tax general obligation bonds issued by the District shall be structured and/or credit enhancements provided such that the bonds cannot default as long as the District is imposing the required maximum allowed mill levy.

I. No City Obligations. The debt of the District will not constitute a debt or obligation of the City of Aurora in any manner. The faith and credit of the City of Aurora will not be pledged for the repayment of the debt of the District. This will be clearly stated on all offering circulars, prospectuses, or disclosure statements associated with any securities issued by the District.

7. 2023 ACTIVITIES, PROJECTS AND CHANGES

(a) Activities, Projects, and Public Improvements

The District does not anticipate undertaking projects or Public Improvements in 2023.

(b) Summary of 2023 Activities and Changes from Prior Year

The District did not have any activity in 2022 and anticipates it will not have any activity in 2023.

Boundary changes: Boundary changes are not anticipated to occur in 2023.

Changes to board or governance structure: No changes to board or governance structure are anticipated in 2023.

Mill levy changes: The District did not impose a mill levy in 2022 and anticipates imposing 2.5 mills in 2023.

New, refinanced or fully discharged debt: The District does not anticipate issuing debt in 2023.

Elections: None anticipated.

Major changes in development activity or valuation: No major changes in development activity or valuation are anticipated in 2023.

Ability to meet current financial obligations: See 2023 Budget attached as **EXHIBIT B**.

8. DISSOLUTION

The District is anticipated to have ongoing operations and maintenance obligations that will necessitate perpetual existence. However, the District may be dissolved under the conditions of Section 31-25-1225, C.R.S.

9. CONCLUSION

It is submitted that this Operating Plan and Budget for the District meets the requirements of the Business Improvement District Act and further meets applicable requirements of the Colorado Constitution and other law. It is further submitted that the types of services and improvements to be provided by the District are those services and improvements which satisfy the purposes of Part 12 of Article 25 of Title 31, C.R.S.

**TOWER BUSINESS IMPROVEMENT DISTRICT
2023 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

Tower Business Improvement District (the "District") is a quasi-municipal corporation and political subdivision of the State of Colorado. The District was organized on October 21, 2019, and is governed according to the provisions of the Colorado Business Improvement Act (C.R.S. 31-25 part 12). The District's service area is located in Adams County, Colorado.

The District was established for the purpose of maintaining public improvements and planning developmental activities; promotion and marketing of District activity; organization, promotion, marketing, and management of public events; activities supporting business recruitment, management, and development; security for businesses and public areas located within the District; snow removal and refuse collection; and providing design assistance.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenues

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget using the mill levy adopted by the District.

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 7.0% of the property taxes collected.

**TOWER BUSINESS IMPROVEMENT DISTRICT
2023 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Expenditures

Administrative and Operating Expenditures

Operating and administrative expenditures include the estimated services necessary to maintain the District's administrative viability such as legal, management, accounting, insurance and meeting expense.

County Treasurer's Fees

County Treasurer's fees have been computed at 1.5% of property tax collections.

Debt and Leases

The District does not have any debt. Additionally, the District has no operating or capital leases.

Reserve Funds

The District has provided for an Emergency Reserve fund equal to at least 3% of fiscal year spending for 2023, as defined under TABOR.

This information is an integral part of the accompanying budget.

HISTORY (Dates reviewed by City council, Policy Committees, Boards and Commissions, or Staff. Summarize pertinent comments. ATTACH MINUTES OF COUNCIL MEETINGS, POLICY COMMITTEES AND BOARDS AND COMMISSIONS.)

City Council approved the establishment of the Tower Business Improvement District (BID) in 2019 (Ord. No. 2019-71). The BID is located generally at the southeast corner of 38th Avenue and Picadilly Road. State statute requires that the BID file its proposed annual budget for the upcoming year with the City Clerk for City Council review and approval.

ITEM SUMMARY (Brief description of item, discussion, key points, recommendations, etc.)

The attached resolution will approve the Tower Business Improvement District 2023 operating plan and budget. The operating plan anticipates developer advances for its \$50,000 revenue and expected expenditures. The Tower BID will undertake projects as development needs require in 2023.

QUESTIONS FOR COUNCIL

Does the Council wish to forward the resolution approving the 2023 operating plan and budget for the Tower Business Improvement District to the November 14, 2022, regular meeting of the City Council for formal consideration?

LEGAL COMMENTS

No business Improvement district shall issue bonds, levy taxes, fees, or assessments, or provide improvements or services unless the municipality within which it is located has approved an operating plan and budget for the district. **See** Sec. 31-25-1211, C.R.S. (Hernandez).

PUBLIC FINANCIAL IMPACT

- ☐ YES ☒ NO

If yes, explain: N/A

PRIVATE FISCAL IMPACT

- ☐ Not Applicable ☐ Significant ☒ Nominal

If Significant or Nominal, explain: The attached item sets out the 2023 operating plan and budget for the Tower Business Improvement District. Funding is projected at \$50,000 from developer advances.

RESOLUTION NO. R2022-_____

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF AURORA,
COLORADO, APPROVING THE 2023 OPERATING PLAN AND BUDGET
FOR THE TOWER BUSINESS IMPROVEMENT DISTRICT

WHEREAS, the City Council (the “Council”) of the City of Aurora, Colorado (the “City”), is vested with jurisdiction to create one or more districts within City boundaries pursuant to the Business Improvement District Act, Part 12 of Article 25 of Title 31, C.R.S. (the “Act”); and

WHEREAS, pursuant to the Act, the Council has adopted Ordinance No. 2019-71 organizing the Tower Business Improvement District (the “District”) and appointing the District’s initial Board of Directors (the “Board”); and

WHEREAS, Section 31-25-1211, C.R.S., provides that no district created under the Act shall issue bonds, levy taxes, fees, or assessments, or provide improvements or services unless the City has approved an operating plan and budget for the district; and

WHEREAS, the Board has approved a 2023 District Operating Plan and Budget (the “2023 Operating Plan and Budget”) for submittal to the City, which Operating Plan and Budget are in full compliance with the requirements of the Act; and

WHEREAS, the Council finds and determines that the approval of the 2023 Operating Plan and Budget in the form presented to the Council at this meeting is in the best interests of both the City and the District.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AURORA, COLORADO.

Section 1. The 2023 Operating Plan and Budget for the Tower Business Improvement District are hereby approved, including the declaration of public interest and necessity for improvements contained therein.

Section 2. All resolutions or parts of resolutions of the City of Aurora, Colorado, in conflict herewith are hereby rescinded.

RESOLVED AND PASSED this _____ day of _____, 2022.

2023
OPERATING PLAN FOR THE
TOWER BUSINESS IMPROVEMENT DISTRICT

1. PURPOSE AND SCOPE OF THIS DISTRICT

A. Requirement for this Operating Plan. The Business Improvement District Act, specifically Section 31-25-1211, C.R.S., requires that the Tower Business Improvement District (the “District”) file an operating plan and budget with the City Clerk no later than September 30 of each year.

Under the statute, the City is to approve the operating plan and budget within 30 days of the submittal of all required information.

The District operates under the authorities and powers allowed under the Business Improvement District Act, Section 31-25-1201, *et seq.*, C.R.S., as amended, as further described and limited by this Operating Plan.

B. What Must Be Included in the Operating Plan? Pursuant to the provisions of the Business Improvement District Act, Section 31-25-1201, *et seq.*, C.R.S., as amended (“Business Improvement District Act”), this Operating Plan specifically identifies: (1) the composition of the Board of Directors; (2) the services and improvements to be provided by the District; (3) the taxes, fees, and assessments to be imposed by the District; (4) the estimated principal amount of the bonds to be issued by the District; and (5) such other information as the City may require.

C. Purposes. As may be further articulated in prior years’ Operating Plans, the ongoing and/or contemplated purposes of this District for 2023 include principally the financing, acquisition, construction, completion, installation, replacement and/or operation and maintenance of sources of power that will serve the development within the District, including without limitation natural gas, electricity and solar installations, but the District shall also be empowered to provide the services and public improvements allowed under Colorado law for business improvement districts. **The provision of these services will be coordinated with the Tower Metropolitan District (“Tower”) which the boundaries of the District overlap in part. The District’s activities will neither interfere with nor duplicate those undertaken by Tower.**

D. Ownership of Property or Major Assets. The District will own public improvements, easements and land as required if they are not otherwise dedicated to the City or other public entities or public utilities for operation and maintenance.

E. Contracts and Agreements. It is anticipated that the District will enter into various agreements as required to facilitate the funding, construction, operation and maintenance of public improvements. The District is not currently a party to any significant active contracts or agreements. The District may enter into agreements with the City and the Tower Metropolitan District to accommodate the provision of improvements and services.

2. ORGANIZATION AND COMPOSITION OF THE BOARD OF DIRECTORS

A. Organization. The Tower Business Improvement District was organized by the City of Aurora pursuant to Ordinance No. 2019-71 on October 21, 2019.

B. Governance. Pursuant to Section 31-25-1209(1)(b), C.R.S., the City of Aurora appointed the board of directors for the District, which shall have up to five members. Each member shall be an elector of the District.

C. Current Board. The District is managed by a Board of Directors consisting of five electors all of whom shall be voting members. The current Board members are listed below, and there is one vacancy on the Board of Directors. Upon a vacancy on the Board of Directors, the City Council shall appoint a successor by resolution within thirty days of the vacancy. Currently, there are no qualified individuals to fill the vacancy and therefore the District anticipates the vacancy will remain in 2023.

1. Randall C. Hertel
2. Michael M. Wafer
3. Jack “Skip” Bailey, Jr.
4. Michael V. Kapoor
5. Vacancy

Director and other pertinent contact information are provided in **EXHIBIT A**.

D. Term Limits. The District’s election on November 5, 2019 included a ballot question to eliminate term limits pursuant to Article 18, Section 11 of the Colorado Constitution. The question passed.

E. Advisory Board. The Board of Directors may appoint one or more advisory boards to assist the Board of Directors on such matters as the Board of Directors desires assistance. The Board of Directors shall, upon the appointment of an advisory board, set forth its duties, duration, and membership. The Board of Directors may provide rules of procedure for the advisory board or may delegate to the advisory board the authority to provide such rules. No advisory boards have yet been appointed.

3. BOUNDARIES, INCLUSIONS AND EXCLUSIONS

The District includes approximately 539 acres within its boundaries as described in **EXHIBIT C** and depicted in **EXHIBIT D**. In 2023 and subsequent years, the District may receive inclusion requests for additional property as boundaries are established and additional property owners participate in the District.

4. DESCRIPTION OF PROPOSED POWERS, IMPROVEMENTS AND SERVICES

The District shall have the power and authority to provide the public improvements and related operation and maintenance services within and without the boundaries of the District as such power and authority is described in the Business Improvement District Act, and other applicable statutes, common law and the Constitution, subject to the limitations set forth herein. The District shall have the authority to provide these improvements and services, but the revenue-raising powers of the District to recoup the costs of extraterritorial improvements and services shall be as limited by state law and as limited by this Operating Plan. The District will only provide improvements and services within the boundaries of the District and directly adjacent property to the extent required to facilitate the construction and operation of the District improvements. The District will not provide improvements or services that duplicate any improvements or services provided by Tower though the two entities will have the authority to cooperate in the extension of facilities and improvements beneficial to both, or where efficiencies in the development process may be gained.

Subject to the foregoing limitation concerning cooperation with Tower, the public improvements that the District anticipates it will construct, install or cause to be constructed and installed, include those public improvements the costs of which may, in accordance with the Business Improvement District Act, lawfully be paid for by the District, including, without limitation safety protection devices, marketing, streetscape improvements, street improvements, curbs, gutters, culverts, drainage facilities, sidewalks, parking facilities, paving, lighting, grading, landscaping and storm and wastewater management facilities and associated land acquisition and remediation (the “Public Improvements”).

A. Operations and Maintenance Limitation. Included within the District’s boundaries is 538 acres owned by MCCII that is also included within Tower’s boundaries. The proposed development will contain significant industrial and warehouse and distribution facilities. Associated with all of the new development is the need for the financing of power sources and facilities that will serve the development, including without limitation natural gas, electricity and solar installations.

Tower does not have the statutory authority to pay for such improvements. The District does, and its creation is intended to fund those improvements in addition to the services and public improvements allowed under Colorado law for business improvement districts, generally. The provision of these improvements and services will be coordinated with Tower which the boundaries of the District overlap in part. The District’s activities will neither interfere with nor duplicate those undertaken by Tower though the two entities will have the authority to cooperate in the extension of facilities and improvements beneficial to both, or where efficiencies in the development process may be gained.

The appropriate limitations contained in the City’s metro district model service plan have been incorporated in the proposed Operating Plan that operates in many of the same ways to guide the District’s activities. However the fifty mill cap included in this Operating Plan is inclusive of

operations and administration costs in addition to debt service. The initial maximum debt authorization is \$10,000,000.

B. Construction Standards Limitation. The District will ensure that the Public Improvements are designed and constructed in accordance with the standards and specifications of the City and of other governmental entities having proper jurisdiction. The District will obtain the City's approval of civil engineering plans and will obtain applicable permits for construction and installation of Public Improvements prior to performing such work.

C. Privately Placed Debt Limitation. Prior to the issuance of any privately placed debt for capital related costs, the District shall obtain the certification of an External Financial Advisor regarding the fairness and feasibility of the interest rate and the structure of the debt substantially as follows:

We are [I am] an external financial advisor. [I] certify that (1) the net effective interest rate (calculated as defined in Section 32-1-103(12), C.R.S.) to be borne by [insert the designation of the Debt] does not exceed a reasonable current [tax-exempt] [taxable] interest rate, using criteria deemed appropriate by us [me] and based upon our [my] analysis of comparable high yield securities; and (2) the structure of [insert designation of the Debt], including maturities and early redemption provisions, is reasonable considering the financial circumstances of the District.

D. Fee Limitation. The District may impose and collect fees as a source of revenue for repayment of debt, capital costs, and/or for operations and maintenance. No fee related to the funding of costs of a capital nature shall be authorized to be imposed upon or collected from taxable property owned or occupied by an End User which has the effect, intentional or otherwise, of creating a capital cost payment obligation in any year on any taxable property owned or occupied by an End User. Notwithstanding any of the foregoing, the restrictions in this definition shall not apply to any fee imposed upon or collected from taxable property for the purpose of funding operation and maintenance costs of the District. For purposes of this section, "End User" shall mean any owner, or tenant of any owner, of any taxable improvement within the District who is intended to become burdened by the imposition of ad valorem property taxes subject to the Maximum Debt Mill Levy (as defined below).

E. Bankruptcy Limitation. All of the limitations contained in this Operating Plan have been established under the authority of the City to approve an Operating Plan with conditions pursuant to Section 31-25-1211, C.R.S. It is expressly intended that such limitations:

(a) Shall not be subject to set-aside for any reason or by any court of competent jurisdiction, absent an amendment to the Operating Plan; and

(b) Are, together with all other requirements of Colorado law, included in the "political or governmental powers" reserved to the State under the U.S. Bankruptcy Code (11 U.S.C.) Section 903, and are also included in the "regulatory or electoral approval

necessary under applicable nonbankruptcy law” as required for confirmation of a Chapter 9 Bankruptcy Plan under Bankruptcy Code Section 943(b)(6).

Any debt, issued with a pledge or which results in a pledge, shall not be an authorized issuance of debt unless the City has approved the operating plan and budget for the District.

5. ADMINISTRATION, OPERATIONS, SERVICES AND MAINTENANCE

The District shall provide for ownership, operation, and maintenance of District facilities as activities of the District itself or by contract with other units of government or the private sector.

6. FINANCIAL PLAN AND BUDGET

A. 2023 Budget. The proposed 2023 Budget for the District is attached as **EXHIBIT B.**

B. Authorized Indebtedness. The District held an election on November 5, 2019 for the purpose of authorizing debt, taxes, revenue limits, spending limits, special assessments, and such other matters as may be necessary or convenient for the implementation of Art. X., Sec. 20 of the Colorado Constitution, and the Operating Plan. The initial maximum debt authorization for the District shall be \$10,000,000.00.

C. Property Tax and Mill Levy Caps. The District’s taxing ability shall be constrained to mill levy limitations of up to 50 mills for debt service, general operations and administrative expenses due to the on-going operations and maintenance to be undertaken by the District within its boundaries. The mill levy cap set forth in this paragraph may be subject to upward or downward adjustments addressing any abatement or statutory, legislative, or constitutional changes that adjust or impact the assessed or actual valuation of property or the assessment ratio pursuant to which taxes are calculated occurring after, but not before, January 1, 2004. Such upward or downward adjustments are to be determined by the Board of Directors in good faith (such determination to be binding and final) so that to the extent possible, the actual revenue generated by the mill levy, as adjusted for changes occurring after January 1, 2004, are neither diminished nor enhanced as a result of such changes.

D. District Revenues. The District continues to anticipate developer funding for initial revenue sources and thereafter revenues derived from property taxes. The District may also be the beneficiary of revenues derived from a privately imposed public improvement fee and any other lawful revenue source.

E. Existing Debt Obligations. The District does not have any existing debt obligations.

F. Future Debt Obligations. The District does not anticipate issuing debt in 2023.

G. Other Financial Obligations. The District may enter into agreements including reimbursement or similar agreements and leases; as well as agreements for ongoing services such as legal, administration, compliance, budget, audit, etc.

H. Non-Default Provisions. Limited tax general obligation bonds issued by the District shall be structured and/or credit enhancements provided such that the bonds cannot default as long as the District is imposing the required maximum allowed mill levy.

I. No City Obligations. The debt of the District will not constitute a debt or obligation of the City of Aurora in any manner. The faith and credit of the City of Aurora will not be pledged for the repayment of the debt of the District. This will be clearly stated on all offering circulars, prospectuses, or disclosure statements associated with any securities issued by the District.

7. 2023 ACTIVITIES, PROJECTS AND CHANGES

(a) Activities, Projects, and Public Improvements

The District does not anticipate undertaking projects or Public Improvements in 2023.

(b) Summary of 2023 Activities and Changes from Prior Year

The District did not have any activity in 2022 and anticipates it will not have any activity in 2023.

Boundary changes: Boundary changes are not anticipated to occur in 2023.

Changes to board or governance structure: No changes to board or governance structure are anticipated in 2023.

Mill levy changes: The District did not impose a mill levy in 2022 and does not anticipate imposing a mill levy in 2023.

New, refinanced or fully discharged debt: The District does not anticipate issuing debt in 2023.

Elections: None anticipated.

Major changes in development activity or valuation: No major changes in development activity or valuation are anticipated in 2023.

Ability to meet current financial obligations: See 2023 Budget attached as **EXHIBIT B**.

8. DISSOLUTION

The District is anticipated to have ongoing operations and maintenance obligations that will necessitate perpetual existence. However, the District may be dissolved under the conditions of Section 31-25-1225, C.R.S.

9. CONCLUSION

It is submitted that this Operating Plan and Budget for the District meets the requirements of the Business Improvement District Act and further meets applicable requirements of the Colorado Constitution and other law. It is further submitted that the types of services and improvements to be provided by the District are those services and improvements which satisfy the purposes of Part 12 of Article 25 of Title 31, C.R.S.

INTRODUCTIONS AND MINUTES

August 23, 2022 minutes were approved.

AUGUST 2022 SALES TAX CHARTSummary of Issue and Discussion

Bill Levine presented the August 2022 Sales Tax Chart. The sales tax increased by 10.5% in August. This can be interpreted in two ways. One is as a revenue number with August about \$360,000 over the projection. With this, the city looks to be on track to meet or beat the projection for the year. The sales tax can also be representative of how business is doing in the city. In this regard, the 10.5% increase appears to be misleading. In August 2022, there was a large amount received from a foreign online retailer making payments for over two years of taxes owed to the city from October 2019 to April 2022. This was due to the passing of the Economic Nexus Ordinance and the Sales and Use Tax System (SUTS) only being set up in August. If this one-payment growth is not taken into account, the sales tax growth for August would only have been 9.6%.

The variable sales tax payments grew by 85% in August, meaning that a lot of the 10.5% growth is due to big one-time payments. These variable payments were for large construction projects including storm, drainage, and decking systems. If the variable sales tax payment only grew at a neutral rate equal to the inflation rate of 8.3%, the growth for August would only be 7.2% instead of 10.5%. This number is more reflective of the consistent taxpayers and the business community in Aurora.

Committee Discussion:

CM Gardner: Makes sense. Thanks for that analysis. That's helpful. Council Member Zvonek, any questions?

CM Zvonek: I don't have any now. Thanks.

CM Gardner: All right. Thank you. Okay. Council Member Murillo, do you have any questions on that?

CM Murillo: No. I think I logged in just right at one. Did we start the presentation earlier?

CM Gardner: No. It was 1:00 when we started. You might have just been a couple of seconds late. We just have a really crowded agenda, so I just wanted to get started on it.

CM Murillo: That's fine. No questions here.

CM Gardner: All right. I appreciate that. Thanks, Bill, for your presentation.

B. Levine: Thank you, Council. I appreciate it.

Outcome

Information only.

Follow-up Action

No follow-up needed.

OCCUPATIONAL PRIVILEGE TAX REPEALSummary of Issue and Discussion

Council Member Jurinsky and Jeff Edwards presented this ordinance that will repeal the occupational privilege tax (OPT) that was implemented in 1986. Aurora is one in five cities in Colorado that has this. This is a \$4 tax per employee with half being withheld from the employee, and half being matched by the employer per paycheck once a month. CM Jurinsky noted that there is a surplus in the budget and there is no reason to figure out what to cut out of the budget to make the tax cut work.

Once the repeal is implemented, it would have to go through the voters to be reinstated. The fiscal impact would be \$5.9 million for 2023. There would be no cuts to the police, fire, 911, courts, transfers, and other mandates. This leaves \$170 million of people and supplies that would need to be cut by 5% from the 2023 budget. Nine entities received OPT revenue of \$590,000 in 2021. In addition, some of the revenues are used by the Aurora Urban Renewal Authority

(AURA) for incentive and development projects. About 72% of the city's revenue is dependent on sales and use tax.

Committee Discussion:

CM Jurinsky: Now, I actually have a question because I asked thoroughly about this when I was on the CABC and I asked where these funds go, and I was told by Greg Hays that all of these funds go into the general fund. That's really concerning to me if the AURA is using some of these funds, because just last night I was told that none of those funds come out of the general fund, specifically regarding our parking lot structure.

T. Velasquez: And I would address that Council Member basically when we have a TIF area, any of the revenues that are generated from the specific project, including OPT, would go back to the project. I think on Jeff's slides, it's just acknowledging that the revenue that's generated from specific projects is then shared back as a part of incentive agreements that were approved by previous city councils. So, it would definitely change the revenue flow to some of those projects. And I also have Greg online to answer any budgetary-related questions. I know from an almost \$6 million budget perspective it does have some larger impacts. And maybe, Greg, you can put it a little bit into perspective from a standpoint of what that reduction would mean.

G. Hays: I sure can. Thank you very much. If you're looking at \$5.9 million, it's the equivalent of about 80 people. We do have a balanced budget for 2023, and if you take \$6 million out, it would not be balanced. We would have to go find that money from somewhere. It is a significant amount of money. It's larger than six different budgets, general fund budgets. Aurora Water, City Council, Communications, General Management, HR, Planning. Their entire budgets are actually less than that. And what's more, 2024 is not -- it's close to being balance. We don't need to have a balanced budget for the future but taking on another \$6 million of ongoing funds would make that harder for the 2024 budget as well.

CM Gardner: All right. Thank you. Greg and Jeff. Council Member Murillo, questions, or comments for either staff or the sponsor?

CM Murillo: Thanks, Council Member Gardner. I think a few comments. Yes, I think that coming into the conversation and just saying that "Oh, we have a surplus and therefore I don't really need to look for the accompanying piece of where this ongoing revenue would come from" is concerning to me to the staff's comments around this does make it more challenging to balance our budget in the future. There will be budget implications. I think that was the biggest concern for me and I would like a better understanding of where the city management would take those ongoing funds because it's not just funds that would be taken out of this year's budget or whenever this comes into effect, but it is ongoing. That's just my biggest comment and request before this moves forward on my end.

CM Gardner: Council Member Zvonek, questions, or comments?

CM Zvonek: I would just say we haven't set a 2023 budget. As far as I know, we're going to do that at the budget workshop, and I think that will give us plenty of opportunity to identify what reductions we need to make in order to make this happen. But I think in terms of a signal that we want to continue to be the most business-friendly city in the state, and we are getting rid of a privilege tax of working in Aurora. We have to, I think, try to change our mental model, and recognize that it's actually a privilege for us to have employees here and it's not a privilege for them to work here. And I think this is one of the ways we can do that.

J. Twombly: And I just wanted to check with Jeff. It seems like I saw in the original ordinance that fire, police, and road maintenance were cited as reasons for instituting this tax in the first place. The funds weren't dedicated for those purposes, but I think those were cited as reasons why the council voted to approve that tax. Jeff, do you have any information on that?

J. Edwards: Correct. Thanks, City Manager Jim Twombly. Appreciate that question. That is correct. This was essentially a way for us to distribute the tax burden for the city to those that are coming into the city to work. And it pointed out that it was for police, fire, road maintenance, those types of costs, and other municipal services.

J. Twombly: Okay. Thanks.

CM Jurinsky: Yes. I asked repeatedly on CABC if these funds were dedicated for anything in particular and I was told numerous times, "No, they're not earmarked for anything. They just go into the general fund and that's where they are at in the general fund." And as Council Member Zvonek just said, the fact that we have a tax on businesses and workers in the city of Aurora states that it's their privilege to do business in this city or to be a worker in this city. I can't believe this has never been brought up before, but I think that we absolutely need to change our mindset on that and realize that it is actually the city's privilege. It is our privilege for businesses to come here and for workers to want to work in Aurora. And as Council Member Zvonek just pointed out, the budget is not set and that's exactly what we are going to go to the Budget Committee meeting to do. And the fact that we have any additional tax on people in Aurora, I think that those should be eliminated. And just as other taxes, on menstrual products and on diapers in this city have been eliminated, I look at this tax repeal as actually a more equitable tax cut, because it will be for anybody, regardless of gender, regardless of race. I mean, if you work in Aurora or have a business in Aurora, this tax is on you, and this will be a tax saving to all those who wish to do business here and work here.

CM Gardner: Any other questions or comments from the committee?

CM Murillo: Yes, I guess just the fact that we're not acknowledging that for months staff has put together our budget, essentially line item by line item. We've had public presentations at town halls, and we've had specific budget presentations. Suddenly to say that we're not essentially almost at the end and that we don't have a budget, sure, it's not yet confirmed. But let's be clear

that this would be a last-minute change that hasn't been incorporated into this current budget as it's been written. I just want to be very clear that when we say it's not yet been finalized, that's because we haven't yet made the final approval. But a last-minute change is what this would be. I just want to be very clear that that's where we're at in the budget process for this year.

CM Jurinsky: Council Member Gardner, I'd like to respond to that.

CM Gardner: Go ahead.

CM Jurinsky: The budget is created every single year. I'm not sure there's really a good time or a bad time to bring forward a tax cut. But I had some things that I needed to look into. Obviously, I wanted to come to this committee. It would be my prerogative to have brought this straight to a council meeting and to rush this process. But as I heard from my colleagues that don't always agree with me on much of anything, they would prefer me to follow the standard process that we have in place. I went about it that way this time, and I'm not sure that you can consider any kind of tax cuts on our citizens and our businesses to be something that's last minute. I find it to be something that's necessary.

CM Gardner: All right. Thanks, everybody, for comments and feedback. Council Member Murillo, would you like this to move forward?

CM Murillo: Not at this time. We were just talking about understanding fiscal notes and larger impacts last night. For it to be at the 11th hour, I think that's not something that I would prefer, but obviously, we'll talk about it if the committee approves it going forward. But like I said, I just wanted to be very clear on the rhetoric and the shaping of the conversation. So that's why I made my comments.

CM Gardner: Council Member Zvonek?

CM Zvonek: I think that now is actually the perfect time to move it forward as the elected officials who were elected by the people of Aurora to set the budget will be having a conversation about the budget for next year. It means we'll have to do some work, but that's okay. That's what we were elected to do.

CM Gardner: All right. And I'm fine with it moving forward as well.

Outcome

The Committee supported moving the item forward.

Follow-up Action

Staff will move the item forward to Study Session.

WARD REALIGNMENT RECOMMENDATION DEADLINE**Summary of Issue and Discussion**

CM Marcano presented the proposed ordinance which sets a deadline of no later than October 15th for rewarding recommendations to be before the Council. This preserves the existing timeline for the rewarding process to begin.

Committee Discussion:

CM Gardner: All right. Thank you. Council Member Zvonek, any questions or comments?

CM Zvonek: No, I think that makes sense. I know that earlier, Council Member Marcano, when we were having these discussions at the beginning of the year, there was some concern because the initial timeline, I think didn't have us finishing until into next year. As a committee, we decided to do that. I think creating some sort of guidelines going forward that keeps us on track is appropriate and I would support that moving forward.

CM Murillo: I don't have any questions. Similar to the comments just made, we intentionally moved it up so that there was less ambiguity later into next year. I think this is in line with the actions that we've taken on this committee this year. I support moving it forward.

CM Gardner: All right. And as both council members pointed out, we intentionally changed the original schedule that was presented to us to avoid this very problem where the maps wouldn't have been finalized until late spring or early summer next year for folks running, which could create some confusion. I am okay with it moving forward as well. Thank you for the presentation.

CM Marcano: All right, great. Thank you.

Outcome

The Committee unanimously supported moving the item forward.

Follow-up Action

Staff will move the item forward to Study Session.

UPDATE ON E-DISCOVERY IN COURTS**Summary of Issue and Discussion**

Julie Heckman presented an update on e-Discovery in courts. The City Attorney's Office Case Management System will help transition to an electronic case management system from the fully-paper file status. This would provide the ability to give e-discovery out electronically for any defendant in the municipal court regardless of representation. All body-worn cameras, videos, and pictures will be downloaded to a disk.

This issue was brought about at a Public Safety meeting on October 14th, 2021. The interim court administrator, Mike Ritter, at the time had asked for two additional FTEs to address the case management system and e-discovery software tool. Court IT asked city IT to be present in the next meeting to discuss buying versus building the software. Judge Shawn Day, Doug Wilson, Court IT, City IT, and other staff have been discussing how to move the court to transition electronically. It has been agreed upon that the City Attorney's Office must be the beginning of this and get case management into an electronic system. Following this would be eDiscovery then the court accepting all electronic filings. It was previously confirmed by the former interim court administrator that following the two FTEs that the work would be completed by Q1 of 2022. However, it is currently still not in place.

The city has since hired Ms. Candice Atkinson as the new court administrator and has continued conversations regarding this. City staff has gone back to CDAC about looking at the e-Discovery tool that they have which is a statewide system for all prosecutors. APD Records, the Crime Lab, and A911 package all the evidence to be sent to the state CDAC system. Due to this, there have been discussions of having other Aurora agencies package things the same way and having a system mirrored to the CDAC system. CDAC has provided a general quote of what they think it would take to look at their system, redesign it, and tweak it to Aurora's court system which currently does not have data sharing between courts. There are other municipalities that are also trying to switch to electronic and may be interested in getting onto the CDAC system.

The staff has also looked at several outside vendors that do prosecution-type case management systems which include e-Discovery. There is also one that works closely with Axon that provides body-worn cameras. They were contacted to present to City and Court IT and other city staff. The need for this implementation is past due given the inefficiencies created by the labor-intensive utilization of the files. Given that there is only one paper file, only one person or department can work on it at a time. This would then delay getting the evidence to APD and other preparations.

Committee Discussion:

CM Gardner: Appreciate that update, Julie. And I think the only comment that I have, and I had said this last year in public safety is my preference is to go with standard software, not creating our own. And it sounds like we're looking into some options like that. And those are my concerns. I have that concern because of when you have somebody who designs a program in-house and that person leaves, you create some issues there. And so, for ongoing and support purposes, I always prefer to use something standard. And I can't imagine that Aurora is that unique, that there isn't software out there that won't meet our needs. So that's just my thought or my input. But again, really appreciate the update. Obviously, it's a project that's been going on for a while and certainly something that we need to get implemented. Council Member Murillo, any questions or comments?

CM Murillo: None for me. Thanks for the update.

CM Gardner: Council Member Zvonek?

CM Zvonek: No, I would just echo what you just said. I think that to the extent that we can find a product that not only because of the reasons you pointed out but if there is some collaboration or any sort of data that can be shared across different jurisdictions, having that software would seem to make a lot of sense. I also just hope that this is a part of the broader conversation that we're continuing to have with IT in general and moving toward a capability model for the entire city. This isn't just related to courts or even prosecution, but generally across every department, I think that having a standalone IT department doesn't make a lot of sense. I think having people embedded there, but ultimately coming back to one shared capability makes a lot more sense. I hope we integrate this conversation with that broader one.

CM Gardner: Appreciate that. Thanks again, Julie.

J. Heckman: Thank you.

Outcome

Information only.

Follow-up Action

No follow-up needed.

FITZSIMONS BUSINESS IMPROVEMENT DISTRICT – NEW BOARD MEMBER APPOINTMENT

Summary of Issue and Discussion

Chad Argentar presented this item. The Fitzsimons Business Improvement District (BID) is looking to expand their existing board as they only have two out of five filled seats. The nominee for the position is interested in serving and contributing to the businesses in the BID.

Committee Discussion:

CM Gardner: I appreciate that. Council Member Murillo, comments or questions?

CM Murillo: None here.

CM Gardner: Council Member Zvonek?

CM Zvonek: No Questions.

CM Gardner: All right. And I assume both of you are okay with it moving forward.

CM Zvonek: Yes.

CM Murillo: Yes.

CM Gardner: All right. Thanks, Chad.

C. Argentar: Thank you.

Outcome

The Committee unanimously supported moving the item forward.

Follow-up Action

Staff will move the item forward to Study Session.

2023 WARD REDISTRICTING REVIEW

Summary of Issue and Discussion

Kadee Rodriguez presented this item. Staff is requesting for the M&F Policy Committee's decision to finalize which scenario to move forward to full Council.

Committee Discussion:

CM Gardner: And can you remind me which was the map that was recommended or put forward by the Election Commission?

K. Rodriguez: Scenario five.

CM Gardner: Okay. Council Member Zvonek, any thoughts, comments, or questions?

CM Zvonek: I guess my one question maybe, Kadee, is that can we have more than one recommendation from our Committee go forward to the full council? Or are you just looking for one?

K. Rodriguez: There's nothing that states you can't move forward more than one recommendation. So, I think it would be up to this Committee on how you'd like to do that.

CM Zvonek: I guess my suggestion would be to have these go forward to the full council to have a conversation with more of our colleagues about these scenarios and have maybe a presentation from the Election Commission at a Study Session. I think that's what the next step is. It would come to a Study Session. So have it come to a Study Session and a presentation as to why the Election Commission chose that map and then also lay out the other scenarios because I can imagine that some of our colleagues might ask why we chose this one, why the Election

Commission chose that one, and what were the other scenarios so that they can have eyes on them too. So that's my recommendation for moving it forward.

CM Murillo: Yes, something similar on my end. I would prefer to not narrow it down at this point since this impacts the full council and have the broader discussion at a Study Session where we can all talk about it. All the options.

CM Gardner: Okay. Well, it sounds like that's what the will of the Committee is. Kadee, is that going to be the next available study session? Is that what our schedule was?

K. Rodriguez: It's actually the second study session in October. So, it's not the one this Monday, but the next one.

CM Gardner: The next one, yes. Okay, sounds good. Well, we will get a presentation at the second Study Session in October. And Kadee, thank you. And I don't think Daniel is on the phone but thank you both for all your work this year with our committee and the presentations and all that. Really appreciate you guys working through the process.

K. Rodriguez: Okay. Thank you. And we'll work with the Election Commission to get them on the Study Session for the last study session in October.

CM Gardner: All right, thanks.

K. Rodriguez: Thank you.

Outcome

The Committee decided to have the Election Commission present all scenarios, including the recommended scenario, in the second October Study Session.

Follow-up Action

Staff will coordinate with the Election Commission regarding their presentation for the second October Study Session.

ANNUAL REVIEW OF INVESTMENT POLICY

Summary of Issue and Discussion

Teresa Sedmak presented this item. The investment policy of the city is reviewed to incorporate any changes in the state statute or other required changes. For the recent review, city staff made two non-substantive changes. One is to define the nationally recognized statistical rating organizations; namely Moody's, S&P, and Fitch. The other change made was to reformat the section related to general obligation bonds and revenue bonds to improve clarity. The revisions

were presented to the Investment Advisory Committee on August 4th. Legal counsel has advised that there is no action necessary due to the non-substantive matter of the changes.

Committee Discussion:

CM Gardner: All right. Thank you. Council Member Murillo, questions or comments?

CM Murillo: I do not have any questions.

CM Gardner: Council Member Zvonek?

CM Zvonek: No.

CM Gardner: All right. Thank you for the presentation, Teresa.

T. Sedmak: Sure.

Outcome

Information only.

Follow-up Action

No follow-up needed.

PROPOSED MODIFICATIONS TO MORAL OBLIGATIONS POLICY AND REVIEW OF EXISTING MORAL OBLIGATIONS

Summary of Issue and Discussion

Teresa Sedmak presented this item. The city has existing moral support transactions with the Hyatt Regency Conference Center and Parking Garage and FRA Bioscience III Building. Recently, City Council has approved the continuance of the moral obligations support on Hyatt refinancing which is going to close next week. The rate was locked based on a 3.81% rate on the ten-year US Treasury rate plus a spread of 25 basis points bringing the rate on the new loan locked at 4.06%. The moral support for this transaction takes the form of a debt service reserve equal to a one-year debt service at \$1.7 million. Should the debt service be depleted, it must be replenished. This would then have to go to Council for an appropriation if the funds are not available. AURA has been providing support in the form of capital advances from other TIF revenues generated within the Fitzsimons Urban Renewal Area. No draw has been made on the debt service reserve since it could be a reportable event to investors and may have negative connotations. The need for additional support is not expected until 2024.

The Bioscience III Building moral obligation support is also in the form of a debt service request of \$2.5 million. If depleted, it must be replenished. The building was completed in 2020 and most of the space has been leased out. There are approximately 25% or 30,000 square feet yet to

be leased. A possible tenant is holding off on a decision until Q1 of 2023 due to economic uncertainty. Despite this, there are other potential tenants in the pipeline. The moral obligation terminates in December 2024. The FRA has adequate liquidity to satisfy its debt service obligations and doesn't foresee a draw on the debt service reserve.

In 2021, Council Member Gruber requested a review of the moral obligation policy. Staff has been working with Bond Council to do a thorough review and recommend modifications. One of the notable changes is the change in wording from moral obligation "pledge" to moral obligation "support." This is because "pledge" implies a binding financial obligation and a pledge of collateral. A definition of what a moral obligation is was added to the policy. The new policy explicitly prohibits substantive changes in the financing and proposed financing subsequent to its presentation to M&F, unless allowed by the authorizing resolution. The evaluation criteria were also strengthened and now include the presentation of timing and frequency related to the moral obligation and the likelihood of repayment over time.

Committee Discussion:

CM Gardner: All right. Thank you for the presentation. And yes, I agree with the changes that were made. I think just clarifying some things, tightening up some language, and then even just having a description of what moral obligations are for members of the public or people who are less familiar. I think all those changes are good. So, I would support moving it forward. Council Member Murillo, any questions or comments? And then do you support moving forward as well?

CM Murillo: Yes, I was just going to ask for the red-line version, if you don't mind. And I do support adding more clarity and practical usefulness to the policy. So, I do support moving it forward.

T. Sedmak: Thank you.

CM Gardner: Council Member Zvonek?

CM Zvonek: No questions. And I do support moving forward.

CM Gardner: All right. Thank you. Thanks, Teresa.

T. Sedmak: Thank you.

Outcome

The Committee unanimously supported moving the item forward.

Follow-up Action

Staff will move the item forward to Study Session.

**SUMMARY RESULTS - SALE AND CLOSING OF CITY OF AURORA 2022 COPS
(ROAD IMPROVEMENTS PROJECTS)****Summary of Issue and Discussion**

Teresa Sedmak presented this item. On August 24th, Aurora priced its Series 2022 Certificates of Participation (COPs) to finance various roadway improvements. There was a par amount of \$31.9 million to offer to investors and the city received orders for \$102 million, which is a 3.2 times oversubscription. This allowed staff to reprice several maturities for interest rate reductions. Some longer-term maturities were repriced with a higher yield. The all-in-interest cost, including the underwriting and cost issuance on the deal, was 3.685%. The closing on the COPs occurred on September 7th and were sold to RBC and Stifel. They were packaged with a rating of AA1 from Moody's which is the highest rating afforded to an appropriation credit.

Committee Discussion:

CM Gardner: Council Member Zvonek, any questions?

CM Zvonek: No questions. That's great news. I'm happy to hear that we were able to lock in the lower rate and move this forward. I know this is ultimately going towards a much-needed road maintenance repair. So, I'm just happy to hear that we're moving forward and saving the taxpayers a little bit of money along the way.

T. Sedmak: Thank you.

CM Gardner: Council Member Murillo?

CM Murillo: Nothing on my end.

CM Gardner: All right. Thank you for the presentations, Teresa.

T. Sedmak: Thank you.

Outcome

Information only.

Follow-up Action

No follow-up needed.

2023 BID OPERATING PLANS AND BUDGETS

- 5a. Consideration of A RESOLUTION of the City Council of the City of Aurora, Colorado, approving the 2023 Operating Plan and Budget for the Parkside at City Centre Business Improvement District
- 5b. Consideration of A RESOLUTION of the City Council of the City of Aurora, Colorado, approving the 2023 Operating Plan and Budget for the Fitzsimons Business Improvement District
- 5c. Consideration of A RESOLUTION of the City Council of the City of Aurora, Colorado, approving the 2022 Operating Plan and Budget for the Havana Business Improvement District
- 5d. Consideration of A RESOLUTION of the City Council of the City of Aurora, Colorado, approving the 2023 Operating Plan and Budget for the Painted Prairie Business Improvement District No. 2
- 5e. Consideration of A RESOLUTION of the City Council of the City of Aurora, Colorado, approving the 2023 Operating Plan and Budget for the Painted Prairie Business Improvement District No. 1
- 5f. Consideration of A RESOLUTION of the City Council of the City of Aurora, Colorado, approving the 2023 Operating Plan and Budget for the Tower Business Improvement District
- 5g. Consideration of A RESOLUTION of the City Council of the City of Aurora, Colorado, approving the 2023 Operating Plan and Budget for the Windler Business Improvement District No. 2
- 5h. Consideration of A RESOLUTION of the City Council of the City of Aurora, Colorado, approving the 2023 Operating Plan and Budget for the Windler Business Improvement District No. 1
- 5i. Consideration of A RESOLUTION of the City Council of the City of Aurora, Colorado, approving the 2023 Operating Plan and Budget for the Citadel on Colfax Business Improvement District
- 5j. Consideration of A RESOLUTION of the City Council of the City of Aurora, Colorado, approving the 2023 Operating Plan and Budget for the Porteos Business Improvement District

Summary of Issue and Discussion

Carol Toth gave an overall presentation for items 5a through 5j regarding the 2023 Operating Plans and Budgets of ten business districts organized within the city. The state statute requires that each BID organized within a municipality file their upcoming budget with the City Clerk for review and approval by the City Council by December 5th.

Committee Discussion:

CM Gardner: Okay. I think since they were included in the backup, we don't need individual presentations. But to give council members an opportunity to ask questions. Council Member Murillo, any questions on 5a through 5j?

CM Murillo: No.

CM Gardner: Council Member Zvonek?

CM Zvonek: I don't have any.

CM Gardner: And are you both okay with moving these forward?

CM Zvonek: Yes.

CM Murillo: Yes.

CM Gardner: Thank you. These will move forward. Thank you for the presentation.

Outcome:

The Committee unanimously supported moving items 5a through 5j forward.

Follow-up Action:

Staff will move items 5a through 5j forward to the October 17th Study Session.

2023 GID OPERATING PLAN AND BUDGETS

- 6a. General Improvement District 1-2007 (Cherry Creek Racquet Club) 2023 operating budget
- 6b. General Improvement District 2-2009 (Pier Point 7) 2023 operating budget
- 6c. General Improvement District 2-2011 (Aurora Conference Center) 2023 operating budget
- 6d. General Improvement District 1-2016 (Cobblewood) 2023 operating budget

- 6e. General Improvement District 1-2008 (Peoria Park) 2023 operating budget
- 6f. General Improvement District 3-2008 (Meadow Hills Country Club) 2023 operating budget

Summary of Issue and Discussion

Andrew Jamison gave an overall presentation for items 6a through 6f regarding ordinances to approve the Operating Plans for the General Improvement Districts (GIDs) within Aurora. Generally, they authorize a mill levy to collect a property tax within the district to pay debt service for certain capital improvements that the districts had elected to improve. This is with the exception of the Aurora Conference Center which uses a direct funding model to pay for improvements.

Committee Discussion:

CM Gardner: Council Member Zvonek, any questions?

CM Zvonek: No.

CM Gardner: Council Member Murillo?

CM Murillo: No questions for me.

CM Gardner: And are you both okay with moving these forward?

CM Murillo: Yes.

CM Zvonek: Yes.

CM Gardner: All right. Thanks, Andrew.

A. Jamison: Thank you.

Outcome:

The Committee unanimously supported moving items 6a through 6f forward.

Follow-up Action:

Staff will move items 6a through 6f forward to the Budget Workshop and the Regular Council Meeting.

MISCELLANEOUS MATTERS FOR CONSIDERATION

None.

ADJOURNMENT

The next meeting is tentatively scheduled for Tuesday, October 25, 2022 at 1:00 PM (WebEx)

HISTORY (Dates reviewed by City council, Policy Committees, Boards and Commissions, or Staff. Summarize pertinent comments. ATTACH MINUTES OF COUNCIL MEETINGS, POLICY COMMITTEES AND BOARDS AND COMMISSIONS.)

City Council approved the establishment of the Windler Business Improvement District No. 1 (BID) in 2021 (Ord. No. 2021-32). The BID is located generally west of Harvest Road, north of E 42nd Avenue, south of E 56th Avenue and east of E-470. State statute requires that the BID file its proposed annual budget for the upcoming year with the City Clerk for City Council review and approval.

ITEM SUMMARY (Brief description of item, discussion, key points, recommendations, etc.)

The attached resolution will approve the Windler Business Improvement District No. 1 2023 operating plan and budget. The operating plan anticipates developer advances for its \$50,000 revenue and expected expenditures. The Windler No. 1 BID does not anticipate any major public improvements for 2023.

QUESTIONS FOR COUNCIL

Does the Council wish to forward the resolution approving the 2023 operating plan and budget for the Windler Business Improvement District No. 1 to the November 14, 2022, regular meeting of the City Council for formal consideration?

LEGAL COMMENTS

No business improvement district shall issue bonds, levy taxes, fees, or assessments, or provide improvements or services unless the municipality within which it is located has approved an operating plan and budget for the district. **See** Sec. 31-25-1211, C.R.S. (Hernandez).

PUBLIC FINANCIAL IMPACT

- ☐ YES ☒ NO

If yes, explain: N/A

PRIVATE FISCAL IMPACT

- ☐ Not Applicable ☐ Significant ☒ Nominal

If Significant or Nominal, explain: The attached item sets out the 2023 operating plan and budget for the Windler Business Improvement District No. 1. Funding is projected at \$50,000 from developer advances.

RESOLUTION NO. R2022-_____

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF AURORA,
COLORADO, APPROVING THE 2023 OPERATING PLAN AND BUDGET
FOR THE WINDLER BUSINESS IMPROVEMENT DISTRICT NO.1

WHEREAS, the City Council (the “Council”) of the City of Aurora, Colorado (the “City”), is vested with jurisdiction to create one or more districts within City boundaries pursuant to the Business Improvement District Act, Part 12 of Article 25 of Title 31, C.R.S. (the “Act”); and

WHEREAS, pursuant to the Act, the Council has adopted Ordinance No. 2021-32 organizing the Windler Business Improvement District No.1 (the “District”) and appointing the District’s initial Board of Directors (the “Board”); and

WHEREAS, Section 31-25-1211, C.R.S., provides that no district created under the Act shall issue bonds, levy taxes, fees, or assessments, or provide improvements or services unless the City has approved an operating plan and budget for the district; and

WHEREAS, the Board has approved a 2023 District operating plan and budget (the “2023 Operating Plan and Budget”) for submittal to the City, which Operating Plan and Budget are in full compliance with the requirements of the Act; and

WHEREAS, the Council finds and determines that the approval of the 2023 Operating Plan and Budget in the form presented to the Council at this meeting is in the best interests of both the City and the District.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AURORA, COLORADO.

Section 1. The 2023 Operating Plan and Budget for the Windler Business Improvement District No.1 are hereby approved, including the declaration of public interest and necessity for improvements contained therein.

Section 2. All resolutions or parts of resolutions of the City of Aurora, Colorado, in conflict herewith are hereby rescinded.

RESOLVED AND PASSED this _____ day of _____, 2022.

MIKE COFFMAN, Mayor

I. PURPOSE AND SCOPE OF DISTRICT

A. Requirement for this Operating Plan. The Business Improvement District Act, specifically § 31-25-1211, C.R.S., requires that the Windler Business Improvement District No. 1 (the “**District**”) file an operating plan and budget with the City of Aurora City Clerk no later than September 30th of each year.

1. Under the statute, the City of Aurora (the “**City**”) is to approve the operating plan and budget within thirty (30) days of submittal of all required information.

2. The District will operate under the authorities and powers allowed under §§ 31-25-1201, *et seq.*, C.R.S., as amended (the “**Business Improvement District Act**”), as further described and limited by this Operating Plan.

B. What Must Be Included in the Operating Plan? Pursuant to the Business Improvement District Act, this Operating Plan specifically identifies: (1) the composition of the Board of Directors; (2) the services and improvements to be provided by the District; (3) the taxes, fees, and assessments to be imposed by the District; (4) the estimated principal amount of bonds to be issued by the District; and (5) such other information as the City may require.

C. Purposes. As may be further articulated in succeeding year’s operating plans, the ongoing and contemplated purposes of the District include the financing, acquisition, construction, completion, installation, replacement and/or operation and maintenance of all the services and public improvements allowed under Colorado law for business improvement districts.

II. COMPOSITION OF THE DISTRICT’S CURRENT BOARD OF DIRECTORS

A. Current Board of Directors. The composition of the District’s current board of directors (“**Board of Directors**”) is:

1. Christopher H. Fellows
2. Timothy P. O’Connor
3. Dustin M. Anderson
4. Vacant
5. Vacant

Vacancies on the Board are to be filled by appointment by resolution of the City Council to serve until the next regular election. The Board of Directors of the District plans on adopting a resolution requesting the City appoint directors to fill the vacancies at the District’s next meeting.

B. Term Limits. Ballot Question AA of the November 2, 2021 election eliminated term limits.

C. Director Compensation. The Board of Directors shall receive compensation up to \$100 per meeting attended for their services as directors.

III. BOUNDARIES, INCLUSIONS AND EXCLUSIONS

The current District boundaries are 0.172 acres as depicted in **Exhibit A**. In subsequent years, the District anticipates inclusion requests for additional property as additional property owners participate in the District.

IV. SERVICES, ACTIVITIES, PROJECTS AND PUBLIC IMPROVEMENTS

The District will primarily be concerned with the provision of public improvements and services within the boundaries of the District; however, there may be instances where the District will provide public improvements and services outside of the boundaries of the District as part of the project. The District shall have the authority to provide these public improvements and services, but the revenue-raising powers of the District to recoup the costs of extraterritorial public improvements and services shall be as limited by state law. The public improvements that the District anticipates it will construct, install or cause to be constructed or installed, include those public improvements the cost of which may, in accordance with the Business Improvement District Act, lawfully be paid for by the District, including, without limitation, water services, safety protection devices, sanitation services, marketing, streetscape improvements, street improvements, curbs, gutters, culverts, drainage facilities, sidewalks, parking facilities, paving, lighting, grading, landscape and storm and wastewater management facilities and associated land acquisition and remediation (collectively, the “**Public Improvements**”). The costs of such Public Improvements includes the costs of design, acquisition, construction and financing.

The District shall have the power and authority to provide the Public Improvements and related operation and maintenance services within and without the boundaries of the District as such power and authority is described in the Business Improvement District Act, and other applicable statutes, common law and the Constitution. The District may provide for ownership, operation, and maintenance of Public Improvements and District facilities as activities of the District itself or by contract with other units of government or the private sector.

The property owners of the District request that the City designate the territory within the District as a location for new business or commercial development pursuant to § 31-25-1203(10), C.R.S.

A. Current Year (2022) Services, Activities, Projects and Public Improvements.

As the development within the District is still in the planning stages, the District only undertook administrative functions during 2022.

B. Future Year (2023) Services, Activities, Projects and Public Improvements.

During 2023, the District intends to continue to evaluate and plan the services, activities and Public Improvements to be provided by the District.

V. SOURCES OF REVENUE

A. Current Year (2022) Sources of Revenue. The primary source of revenue for the District in 2022 was developer advances.

B. Future Year (2023) Sources of Revenue. The primary source of revenue for the District in 2023 will be developer advances. The District intends to impose a 10.000 mill levy on all property within the District for collection in 2023, all of which will be dedicated to the General Fund. The District may also be the beneficiary of revenues derived from a privately imposed public improvement fee.

VI. PROPERTY TAX AND MILL LEVY

A. Mill Levy Caps. The maximum debt mill levy shall be the maximum mill levy the District is permitted to impose upon the taxable property within the District, and shall be 50 mills as may be adjusted for changes in the method of calculating assessed valuation so that to the extent possible, the actual tax revenues generated by the mill levy, as adjusted for changes occurring after January 1, 2004, are neither diminished nor enhanced as a result of such changes, for purposes of the foregoing, a change in the ratio of actual valuation shall be deemed to be a change in the method of calculating assessed valuation.

B. Current Year (2022) Mill Levy. The District did not impose a mill levy for 2022.

C. Future Year (2023) Mill Levy. The District intends to impose a 10.000 mill levy on all property within the District for collection in 2023, all of which will be dedicated to the General Fund.

VII. AUTHORIZED INDEBTEDNESS AND EXISTING DEBT OBLIGATIONS

A. Maximum Debt Authorization. The District held an election on November 2, 2021 for the purpose of authorizing debt, taxes, revenue limits, spending limits, special assessments, and such other matters as necessary or convenient for the implementation of Article X, Section 20 of the Colorado Constitution (“TABOR”). The initial maximum debt authorization for the District shall be \$100,000,000.

B. Current Year (2022) Debt Outstanding. The District has no outstanding debt obligations.

C. Future Year (2023) Debt Outstanding. The District does not anticipate issuing debt in 2023.

VIII. BUDGETS AND FINANCIAL STATEMENTS

A. 2023 Budget. The proposed 2023 Budget for the District is attached as **Exhibit B**.

B. 2022 Budget. The District’s 2022 Budget is attached as **Exhibit B**.

C. 2021 and 2022 Financial Statements. The District’s December 31, 2021 financial statements and June 30, 2022 financial statements are attached as **Exhibit B**. The District was exempt from audit during 2021.

IX. DISTRICT CONTACT INFORMATION

A. Contact Information. Contact information for the District's accountant and District's representative where follow-up inquires and questions should be directed is set forth on **Exhibit C**.

X. DISSOLUTION

The District is anticipated to have ongoing operations and maintenance obligations that will necessitate a perpetual existence. If the District no longer has such obligations, the District may seek to dissolve pursuant to § 31-25-1225, C.R.S.

XI. CONCLUSION

It is submitted that this Operating Plan and Budget for the District meets the requirements of the Business Improvement District Act, the Colorado Constitution, and the additional information required by the City. It is further submitted that the types of services and improvements to be provided by the District are those services and improvements which satisfy the purposes of C.R.S. §§ 32-25-1201, *et. seq.*

WINDLER BUSINESS IMPROVEMENT DISTRICT NO. 1
2022
BUDGET MESSAGE

Attached please find a copy of the adopted 2022 budget for the Windler Business Improvement District No. 1.

The Windler Business Improvement District No. 1 has adopted one fund, a General Fund to provide for general operating expenditures.

The district's accountants have utilized the modified accrual basis of accounting and the budget has been adopted after proper postings, publications and public hearing.

The primary source of revenue for the district in 2022 will be developer advances. The district does not intend to impose a mill levy on property within the district for 2022.

Windler Business Improvement Districts No. 1 & No. 2
Financial Statements
December 31, 2021

ACCOUNTANT'S COMPILATION REPORT

Board of Directors

Windler Business Improvement Districts No. 1 & No. 2

Management is responsible for the accompanying financial statements of each major fund of Windler Business Improvement Districts No. 1 & No. 2, as of and for the period ended December 31, 2021, which are comprised of the Balance Sheet and the related Statement of Revenues, Expenditures and Changes in Fund Balance – Budget and Actual – Governmental Funds and account groups for the twelve months then ended in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with the Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

Management has elected to omit the Statement of Net Position, Statement of Activities, Management Discussion and Analysis and all of the disclosures required by accounting principles generally accepted in the United States of America. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the District's financial position and results of operations. Accordingly, the financial statements are not designed for those who are not informed about such matters.

We are not independent with respect to Windler Business Improvement Districts No. 1 & No. 2 because we performed certain accounting services that impaired our independence.

MF POLICY COMMITTEE MEETING

September 27, 2022

Members Present: Council Member Gardner – Chair, Council Member Murillo, Council Member Zvonek

Others present: Council Member Jurinsky, Council Member Marcano, S. Day, D. Sisneros, K. Claspell, D. Lathers, W. Sommer, T. Hoyle, T. Velasquez, J. Ehmann, G. Hays, K. Rodriguez, B. Levine, C. Argentar, N. Wishmeyer, D. Wilson, T. Sedmak, C. Horiuchi, M. Bryant, C. Toth, M. Crawford, T. Vaughn, M. Murphy, J. Edwards, J. Twombly, S. Newman, J. Heckman, D. Brotzman, J. Schneebeck, M. Stamp, J. Orozco, J. Bajorek, D. Hudson, M. Parnes, H. Hernandez, G. Koumantakis, C. Dancy, R. Lantz, A. Jamison, M. Noble, R. Venegas, Laiba Saqib, C. Atkinson, M. Rogers, R. Goggins, C. Zapata, A. Wool, M. Barrett, N. Peykov

INTRODUCTIONS AND MINUTES

August 23, 2022 minutes were approved.

AUGUST 2022 SALES TAX CHARTSummary of Issue and Discussion

Bill Levine presented the August 2022 Sales Tax Chart. The sales tax increased by 10.5% in August. This can be interpreted in two ways. One is as a revenue number with August about \$360,000 over the projection. With this, the city looks to be on track to meet or beat the projection for the year. The sales tax can also be representative of how business is doing in the city. In this regard, the 10.5% increase appears to be misleading. In August 2022, there was a large amount received from a foreign online retailer making payments for over two years of taxes owed to the city from October 2019 to April 2022. This was due to the passing of the Economic Nexus Ordinance and the Sales and Use Tax System (SUTS) only being set up in August. If this one-payment growth is not taken into account, the sales tax growth for August would only have been 9.6%.

The variable sales tax payments grew by 85% in August, meaning that a lot of the 10.5% growth is due to big one-time payments. These variable payments were for large construction projects including storm, drainage, and decking systems. If the variable sales tax payment only grew at a neutral rate equal to the inflation rate of 8.3%, the growth for August would only be 7.2% instead of 10.5%. This number is more reflective of the consistent taxpayers and the business community in Aurora.

Committee Discussion:

CM Gardner: Makes sense. Thanks for that analysis. That's helpful. Council Member Zvonek, any questions?

CM Zvonek: I don't have any now. Thanks.

CM Gardner: All right. Thank you. Okay. Council Member Murillo, do you have any questions on that?

CM Murillo: No. I think I logged in just right at one. Did we start the presentation earlier?

CM Gardner: No. It was 1:00 when we started. You might have just been a couple of seconds late. We just have a really crowded agenda, so I just wanted to get started on it.

CM Murillo: That's fine. No questions here.

CM Gardner: All right. I appreciate that. Thanks, Bill, for your presentation.

B. Levine: Thank you, Council. I appreciate it.

Outcome

Information only.

Follow-up Action

No follow-up needed.

OCCUPATIONAL PRIVILEGE TAX REPEALSummary of Issue and Discussion

Council Member Jurinsky and Jeff Edwards presented this ordinance that will repeal the occupational privilege tax (OPT) that was implemented in 1986. Aurora is one in five cities in Colorado that has this. This is a \$4 tax per employee with half being withheld from the employee, and half being matched by the employer per paycheck once a month. CM Jurinsky noted that there is a surplus in the budget and there is no reason to figure out what to cut out of the budget to make the tax cut work.

Once the repeal is implemented, it would have to go through the voters to be reinstated. The fiscal impact would be \$5.9 million for 2023. There would be no cuts to the police, fire, 911, courts, transfers, and other mandates. This leaves \$170 million of people and supplies that would need to be cut by 5% from the 2023 budget. Nine entities received OPT revenue of \$590,000 in 2021. In addition, some of the revenues are used by the Aurora Urban Renewal Authority

(AURA) for incentive and development projects. About 72% of the city's revenue is dependent on sales and use tax.

Committee Discussion:

CM Jurinsky: Now, I actually have a question because I asked thoroughly about this when I was on the CABC and I asked where these funds go, and I was told by Greg Hays that all of these funds go into the general fund. That's really concerning to me if the AURA is using some of these funds, because just last night I was told that none of those funds come out of the general fund, specifically regarding our parking lot structure.

T. Velasquez: And I would address that Council Member basically when we have a TIF area, any of the revenues that are generated from the specific project, including OPT, would go back to the project. I think on Jeff's slides, it's just acknowledging that the revenue that's generated from specific projects is then shared back as a part of incentive agreements that were approved by previous city councils. So, it would definitely change the revenue flow to some of those projects. And I also have Greg online to answer any budgetary-related questions. I know from an almost \$6 million budget perspective it does have some larger impacts. And maybe, Greg, you can put it a little bit into perspective from a standpoint of what that reduction would mean.

G. Hays: I sure can. Thank you very much. If you're looking at \$5.9 million, it's the equivalent of about 80 people. We do have a balanced budget for 2023, and if you take \$6 million out, it would not be balanced. We would have to go find that money from somewhere. It is a significant amount of money. It's larger than six different budgets, general fund budgets. Aurora Water, City Council, Communications, General Management, HR, Planning. Their entire budgets are actually less than that. And what's more, 2024 is not -- it's close to being balance. We don't need to have a balanced budget for the future but taking on another \$6 million of ongoing funds would make that harder for the 2024 budget as well.

CM Gardner: All right. Thank you. Greg and Jeff. Council Member Murillo, questions, or comments for either staff or the sponsor?

CM Murillo: Thanks, Council Member Gardner. I think a few comments. Yes, I think that coming into the conversation and just saying that "Oh, we have a surplus and therefore I don't really need to look for the accompanying piece of where this ongoing revenue would come from" is concerning to me to the staff's comments around this does make it more challenging to balance our budget in the future. There will be budget implications. I think that was the biggest concern for me and I would like a better understanding of where the city management would take those ongoing funds because it's not just funds that would be taken out of this year's budget or whenever this comes into effect, but it is ongoing. That's just my biggest comment and request before this moves forward on my end.

CM Gardner: Council Member Zvonek, questions, or comments?

CM Zvonek: I would just say we haven't set a 2023 budget. As far as I know, we're going to do that at the budget workshop, and I think that will give us plenty of opportunity to identify what reductions we need to make in order to make this happen. But I think in terms of a signal that we want to continue to be the most business-friendly city in the state, and we are getting rid of a privilege tax of working in Aurora. We have to, I think, try to change our mental model, and recognize that it's actually a privilege for us to have employees here and it's not a privilege for them to work here. And I think this is one of the ways we can do that.

J. Twombly: And I just wanted to check with Jeff. It seems like I saw in the original ordinance that fire, police, and road maintenance were cited as reasons for instituting this tax in the first place. The funds weren't dedicated for those purposes, but I think those were cited as reasons why the council voted to approve that tax. Jeff, do you have any information on that?

J. Edwards: Correct. Thanks, City Manager Jim Twombly. Appreciate that question. That is correct. This was essentially a way for us to distribute the tax burden for the city to those that are coming into the city to work. And it pointed out that it was for police, fire, road maintenance, those types of costs, and other municipal services.

J. Twombly: Okay. Thanks.

CM Jurinsky: Yes. I asked repeatedly on CABC if these funds were dedicated for anything in particular and I was told numerous times, "No, they're not earmarked for anything. They just go into the general fund and that's where they are at in the general fund." And as Council Member Zvonek just said, the fact that we have a tax on businesses and workers in the city of Aurora states that it's their privilege to do business in this city or to be a worker in this city. I can't believe this has never been brought up before, but I think that we absolutely need to change our mindset on that and realize that it is actually the city's privilege. It is our privilege for businesses to come here and for workers to want to work in Aurora. And as Council Member Zvonek just pointed out, the budget is not set and that's exactly what we are going to go to the Budget Committee meeting to do. And the fact that we have any additional tax on people in Aurora, I think that those should be eliminated. And just as other taxes, on menstrual products and on diapers in this city have been eliminated, I look at this tax repeal as actually a more equitable tax cut, because it will be for anybody, regardless of gender, regardless of race. I mean, if you work in Aurora or have a business in Aurora, this tax is on you, and this will be a tax saving to all those who wish to do business here and work here.

CM Gardner: Any other questions or comments from the committee?

CM Murillo: Yes, I guess just the fact that we're not acknowledging that for months staff has put together our budget, essentially line item by line item. We've had public presentations at town halls, and we've had specific budget presentations. Suddenly to say that we're not essentially almost at the end and that we don't have a budget, sure, it's not yet confirmed. But let's be clear

that this would be a last-minute change that hasn't been incorporated into this current budget as it's been written. I just want to be very clear that when we say it's not yet been finalized, that's because we haven't yet made the final approval. But a last-minute change is what this would be. I just want to be very clear that that's where we're at in the budget process for this year.

CM Jurinsky: Council Member Gardner, I'd like to respond to that.

CM Gardner: Go ahead.

CM Jurinsky: The budget is created every single year. I'm not sure there's really a good time or a bad time to bring forward a tax cut. But I had some things that I needed to look into. Obviously, I wanted to come to this committee. It would be my prerogative to have brought this straight to a council meeting and to rush this process. But as I heard from my colleagues that don't always agree with me on much of anything, they would prefer me to follow the standard process that we have in place. I went about it that way this time, and I'm not sure that you can consider any kind of tax cuts on our citizens and our businesses to be something that's last minute. I find it to be something that's necessary.

CM Gardner: All right. Thanks, everybody, for comments and feedback. Council Member Murillo, would you like this to move forward?

CM Murillo: Not at this time. We were just talking about understanding fiscal notes and larger impacts last night. For it to be at the 11th hour, I think that's not something that I would prefer, but obviously, we'll talk about it if the committee approves it going forward. But like I said, I just wanted to be very clear on the rhetoric and the shaping of the conversation. So that's why I made my comments.

CM Gardner: Council Member Zvonek?

CM Zvonek: I think that now is actually the perfect time to move it forward as the elected officials who were elected by the people of Aurora to set the budget will be having a conversation about the budget for next year. It means we'll have to do some work, but that's okay. That's what we were elected to do.

CM Gardner: All right. And I'm fine with it moving forward as well.

Outcome

The Committee supported moving the item forward.

Follow-up Action

Staff will move the item forward to Study Session.

WARD REALIGNMENT RECOMMENDATION DEADLINE**Summary of Issue and Discussion**

CM Marcano presented the proposed ordinance which sets a deadline of no later than October 15th for rewarding recommendations to be before the Council. This preserves the existing timeline for the rewarding process to begin.

Committee Discussion:

CM Gardner: All right. Thank you. Council Member Zvonek, any questions or comments?

CM Zvonek: No, I think that makes sense. I know that earlier, Council Member Marcano, when we were having these discussions at the beginning of the year, there was some concern because the initial timeline, I think didn't have us finishing until into next year. As a committee, we decided to do that. I think creating some sort of guidelines going forward that keeps us on track is appropriate and I would support that moving forward.

CM Murillo: I don't have any questions. Similar to the comments just made, we intentionally moved it up so that there was less ambiguity later into next year. I think this is in line with the actions that we've taken on this committee this year. I support moving it forward.

CM Gardner: All right. And as both council members pointed out, we intentionally changed the original schedule that was presented to us to avoid this very problem where the maps wouldn't have been finalized until late spring or early summer next year for folks running, which could create some confusion. I am okay with it moving forward as well. Thank you for the presentation.

CM Marcano: All right, great. Thank you.

Outcome

The Committee unanimously supported moving the item forward.

Follow-up Action

Staff will move the item forward to Study Session.

UPDATE ON E-DISCOVERY IN COURTS**Summary of Issue and Discussion**

Julie Heckman presented an update on e-Discovery in courts. The City Attorney's Office Case Management System will help transition to an electronic case management system from the fully-paper file status. This would provide the ability to give e-discovery out electronically for any defendant in the municipal court regardless of representation. All body-worn cameras, videos, and pictures will be downloaded to a disk.

This issue was brought about at a Public Safety meeting on October 14th, 2021. The interim court administrator, Mike Ritter, at the time had asked for two additional FTEs to address the case management system and e-discovery software tool. Court IT asked city IT to be present in the next meeting to discuss buying versus building the software. Judge Shawn Day, Doug Wilson, Court IT, City IT, and other staff have been discussing how to move the court to transition electronically. It has been agreed upon that the City Attorney's Office must be the beginning of this and get case management into an electronic system. Following this would be eDiscovery then the court accepting all electronic filings. It was previously confirmed by the former interim court administrator that following the two FTEs that the work would be completed by Q1 of 2022. However, it is currently still not in place.

The city has since hired Ms. Candice Atkinson as the new court administrator and has continued conversations regarding this. City staff has gone back to CDAC about looking at the e-Discovery tool that they have which is a statewide system for all prosecutors. APD Records, the Crime Lab, and A911 package all the evidence to be sent to the state CDAC system. Due to this, there have been discussions of having other Aurora agencies package things the same way and having a system mirrored to the CDAC system. CDAC has provided a general quote of what they think it would take to look at their system, redesign it, and tweak it to Aurora's court system which currently does not have data sharing between courts. There are other municipalities that are also trying to switch to electronic and may be interested in getting onto the CDAC system.

The staff has also looked at several outside vendors that do prosecution-type case management systems which include e-Discovery. There is also one that works closely with Axon that provides body-worn cameras. They were contacted to present to City and Court IT and other city staff. The need for this implementation is past due given the inefficiencies created by the labor-intensive utilization of the files. Given that there is only one paper file, only one person or department can work on it at a time. This would then delay getting the evidence to APD and other preparations.

Committee Discussion:

CM Gardner: Appreciate that update, Julie. And I think the only comment that I have, and I had said this last year in public safety is my preference is to go with standard software, not creating our own. And it sounds like we're looking into some options like that. And those are my concerns. I have that concern because of when you have somebody who designs a program in-house and that person leaves, you create some issues there. And so, for ongoing and support purposes, I always prefer to use something standard. And I can't imagine that Aurora is that unique, that there isn't software out there that won't meet our needs. So that's just my thought or my input. But again, really appreciate the update. Obviously, it's a project that's been going on for a while and certainly something that we need to get implemented. Council Member Murillo, any questions or comments?

CM Murillo: None for me. Thanks for the update.

CM Gardner: Council Member Zvonek?

CM Zvonek: No, I would just echo what you just said. I think that to the extent that we can find a product that not only because of the reasons you pointed out but if there is some collaboration or any sort of data that can be shared across different jurisdictions, having that software would seem to make a lot of sense. I also just hope that this is a part of the broader conversation that we're continuing to have with IT in general and moving toward a capability model for the entire city. This isn't just related to courts or even prosecution, but generally across every department, I think that having a standalone IT department doesn't make a lot of sense. I think having people embedded there, but ultimately coming back to one shared capability makes a lot more sense. I hope we integrate this conversation with that broader one.

CM Gardner: Appreciate that. Thanks again, Julie.

J. Heckman: Thank you.

Outcome

Information only.

Follow-up Action

No follow-up needed.

FITZSIMONS BUSINESS IMPROVEMENT DISTRICT – NEW BOARD MEMBER APPOINTMENT

Summary of Issue and Discussion

Chad Argentar presented this item. The Fitzsimons Business Improvement District (BID) is looking to expand their existing board as they only have two out of five filled seats. The nominee for the position is interested in serving and contributing to the businesses in the BID.

Committee Discussion:

CM Gardner: I appreciate that. Council Member Murillo, comments or questions?

CM Murillo: None here.

CM Gardner: Council Member Zvonek?

CM Zvonek: No Questions.

CM Gardner: All right. And I assume both of you are okay with it moving forward.

CM Zvonek: Yes.

CM Murillo: Yes.

CM Gardner: All right. Thanks, Chad.

C. Argentar: Thank you.

Outcome

The Committee unanimously supported moving the item forward.

Follow-up Action

Staff will move the item forward to Study Session.

2023 WARD REDISTRICTING REVIEW

Summary of Issue and Discussion

Kadee Rodriguez presented this item. Staff is requesting for the M&F Policy Committee's decision to finalize which scenario to move forward to full Council.

Committee Discussion:

CM Gardner: And can you remind me which was the map that was recommended or put forward by the Election Commission?

K. Rodriguez: Scenario five.

CM Gardner: Okay. Council Member Zvonek, any thoughts, comments, or questions?

CM Zvonek: I guess my one question maybe, Kadee, is that can we have more than one recommendation from our Committee go forward to the full council? Or are you just looking for one?

K. Rodriguez: There's nothing that states you can't move forward more than one recommendation. So, I think it would be up to this Committee on how you'd like to do that.

CM Zvonek: I guess my suggestion would be to have these go forward to the full council to have a conversation with more of our colleagues about these scenarios and have maybe a presentation from the Election Commission at a Study Session. I think that's what the next step is. It would come to a Study Session. So have it come to a Study Session and a presentation as to why the Election Commission chose that map and then also lay out the other scenarios because I can imagine that some of our colleagues might ask why we chose this one, why the Election

Commission chose that one, and what were the other scenarios so that they can have eyes on them too. So that's my recommendation for moving it forward.

CM Murillo: Yes, something similar on my end. I would prefer to not narrow it down at this point since this impacts the full council and have the broader discussion at a Study Session where we can all talk about it. All the options.

CM Gardner: Okay. Well, it sounds like that's what the will of the Committee is. Kadee, is that going to be the next available study session? Is that what our schedule was?

K. Rodriguez: It's actually the second study session in October. So, it's not the one this Monday, but the next one.

CM Gardner: The next one, yes. Okay, sounds good. Well, we will get a presentation at the second Study Session in October. And Kadee, thank you. And I don't think Daniel is on the phone but thank you both for all your work this year with our committee and the presentations and all that. Really appreciate you guys working through the process.

K. Rodriguez: Okay. Thank you. And we'll work with the Election Commission to get them on the Study Session for the last study session in October.

CM Gardner: All right, thanks.

K. Rodriguez: Thank you.

Outcome

The Committee decided to have the Election Commission present all scenarios, including the recommended scenario, in the second October Study Session.

Follow-up Action

Staff will coordinate with the Election Commission regarding their presentation for the second October Study Session.

ANNUAL REVIEW OF INVESTMENT POLICY

Summary of Issue and Discussion

Teresa Sedmak presented this item. The investment policy of the city is reviewed to incorporate any changes in the state statute or other required changes. For the recent review, city staff made two non-substantive changes. One is to define the nationally recognized statistical rating organizations; namely Moody's, S&P, and Fitch. The other change made was to reformat the section related to general obligation bonds and revenue bonds to improve clarity. The revisions

were presented to the Investment Advisory Committee on August 4th. Legal counsel has advised that there is no action necessary due to the non-substantive matter of the changes.

Committee Discussion:

CM Gardner: All right. Thank you. Council Member Murillo, questions or comments?

CM Murillo: I do not have any questions.

CM Gardner: Council Member Zvonek?

CM Zvonek: No.

CM Gardner: All right. Thank you for the presentation, Teresa.

T. Sedmak: Sure.

Outcome

Information only.

Follow-up Action

No follow-up needed.

PROPOSED MODIFICATIONS TO MORAL OBLIGATIONS POLICY AND REVIEW OF EXISTING MORAL OBLIGATIONS

Summary of Issue and Discussion

Teresa Sedmak presented this item. The city has existing moral support transactions with the Hyatt Regency Conference Center and Parking Garage and FRA Bioscience III Building. Recently, City Council has approved the continuance of the moral obligations support on Hyatt refinancing which is going to close next week. The rate was locked based on a 3.81% rate on the ten-year US Treasury rate plus a spread of 25 basis points bringing the rate on the new loan locked at 4.06%. The moral support for this transaction takes the form of a debt service reserve equal to a one-year debt service at \$1.7 million. Should the debt service be depleted, it must be replenished. This would then have to go to Council for an appropriation if the funds are not available. AURA has been providing support in the form of capital advances from other TIF revenues generated within the Fitzsimons Urban Renewal Area. No draw has been made on the debt service reserve since it could be a reportable event to investors and may have negative connotations. The need for additional support is not expected until 2024.

The Bioscience III Building moral obligation support is also in the form of a debt service request of \$2.5 million. If depleted, it must be replenished. The building was completed in 2020 and most of the space has been leased out. There are approximately 25% or 30,000 square feet yet to

be leased. A possible tenant is holding off on a decision until Q1 of 2023 due to economic uncertainty. Despite this, there are other potential tenants in the pipeline. The moral obligation terminates in December 2024. The FRA has adequate liquidity to satisfy its debt service obligations and doesn't foresee a draw on the debt service reserve.

In 2021, Council Member Gruber requested a review of the moral obligation policy. Staff has been working with Bond Council to do a thorough review and recommend modifications. One of the notable changes is the change in wording from moral obligation "pledge" to moral obligation "support." This is because "pledge" implies a binding financial obligation and a pledge of collateral. A definition of what a moral obligation is was added to the policy. The new policy explicitly prohibits substantive changes in the financing and proposed financing subsequent to its presentation to M&F, unless allowed by the authorizing resolution. The evaluation criteria were also strengthened and now include the presentation of timing and frequency related to the moral obligation and the likelihood of repayment over time.

Committee Discussion:

CM Gardner: All right. Thank you for the presentation. And yes, I agree with the changes that were made. I think just clarifying some things, tightening up some language, and then even just having a description of what moral obligations are for members of the public or people who are less familiar. I think all those changes are good. So, I would support moving it forward. Council Member Murillo, any questions or comments? And then do you support moving forward as well?

CM Murillo: Yes, I was just going to ask for the red-line version, if you don't mind. And I do support adding more clarity and practical usefulness to the policy. So, I do support moving it forward.

T. Sedmak: Thank you.

CM Gardner: Council Member Zvonek?

CM Zvonek: No questions. And I do support moving forward.

CM Gardner: All right. Thank you. Thanks, Teresa.

T. Sedmak: Thank you.

Outcome

The Committee unanimously supported moving the item forward.

Follow-up Action

Staff will move the item forward to Study Session.

**SUMMARY RESULTS - SALE AND CLOSING OF CITY OF AURORA 2022 COPS
(ROAD IMPROVEMENTS PROJECTS)****Summary of Issue and Discussion**

Teresa Sedmak presented this item. On August 24th, Aurora priced its Series 2022 Certificates of Participation (COPs) to finance various roadway improvements. There was a par amount of \$31.9 million to offer to investors and the city received orders for \$102 million, which is a 3.2 times oversubscription. This allowed staff to reprice several maturities for interest rate reductions. Some longer-term maturities were repriced with a higher yield. The all-in-interest cost, including the underwriting and cost issuance on the deal, was 3.685%. The closing on the COPs occurred on September 7th and were sold to RBC and Stifel. They were packaged with a rating of AA1 from Moody's which is the highest rating afforded to an appropriation credit.

Committee Discussion:

CM Gardner: Council Member Zvonek, any questions?

CM Zvonek: No questions. That's great news. I'm happy to hear that we were able to lock in the lower rate and move this forward. I know this is ultimately going towards a much-needed road maintenance repair. So, I'm just happy to hear that we're moving forward and saving the taxpayers a little bit of money along the way.

T. Sedmak: Thank you.

CM Gardner: Council Member Murillo?

CM Murillo: Nothing on my end.

CM Gardner: All right. Thank you for the presentations, Teresa.

T. Sedmak: Thank you.

Outcome

Information only.

Follow-up Action

No follow-up needed.

- 5j. Consideration of A RESOLUTION of the City Council of the City of Aurora, Colorado, approving the 2023 Operating Plan and Budget for the Porteos Business Improvement District

Summary of Issue and Discussion

Carol Toth gave an overall presentation for items 5a through 5j regarding the 2023 Operating Plans and Budgets of ten business districts organized within the city. The state statute requires that each BID organized within a municipality file their upcoming budget with the City Clerk for review and approval by the City Council by December 5th.

Committee Discussion:

CM Gardner: Okay. I think since they were included in the backup, we don't need individual presentations. But to give council members an opportunity to ask questions. Council Member Murillo, any questions on 5a through 5j?

CM Murillo: No.

CM Gardner: Council Member Zvonek?

CM Zvonek: I don't have any.

CM Gardner: And are you both okay with moving these forward?

CM Zvonek: Yes.

CM Murillo: Yes.

CM Gardner: Thank you. These will move forward. Thank you for the presentation.

Outcome:

The Committee unanimously supported moving items 5a through 5j forward.

Follow-up Action:

Staff will move items 5a through 5j forward to the October 17th Study Session.

2023 GID OPERATING PLAN AND BUDGETS

- 6a. General Improvement District 1-2007 (Cherry Creek Racquet Club) 2023 operating budget
- 6b. General Improvement District 2-2009 (Pier Point 7) 2023 operating budget
- 6c. General Improvement District 2-2011 (Aurora Conference Center) 2023 operating budget
- 6d. General Improvement District 1-2016 (Cobblewood) 2023 operating budget

- 6e. General Improvement District 1-2008 (Peoria Park) 2023 operating budget
- 6f. General Improvement District 3-2008 (Meadow Hills Country Club) 2023 operating budget

Summary of Issue and Discussion

Andrew Jamison gave an overall presentation for items 6a through 6f regarding ordinances to approve the Operating Plans for the General Improvement Districts (GIDs) within Aurora. Generally, they authorize a mill levy to collect a property tax within the district to pay debt service for certain capital improvements that the districts had elected to improve. This is with the exception of the Aurora Conference Center which uses a direct funding model to pay for improvements.

Committee Discussion:

CM Gardner: Council Member Zvonek, any questions?

CM Zvonek: No.

CM Gardner: Council Member Murillo?

CM Murillo: No questions for me.

CM Gardner: And are you both okay with moving these forward?

CM Murillo: Yes.

CM Zvonek: Yes.

CM Gardner: All right. Thanks, Andrew.

A. Jamison: Thank you.

Outcome:

The Committee unanimously supported moving items 6a through 6f forward.

Follow-up Action:

Staff will move items 6a through 6f forward to the Budget Workshop and the Regular Council Meeting.

MISCELLANEOUS MATTERS FOR CONSIDERATION

None.

ADJOURNMENT

The next meeting is tentatively scheduled for Tuesday, October 25, 2022 at 1:00 PM (WebEx)

HISTORY (Dates reviewed by City council, Policy Committees, Boards and Commissions, or Staff. Summarize pertinent comments. ATTACH MINUTES OF COUNCIL MEETINGS, POLICY COMMITTEES AND BOARDS AND COMMISSIONS.)

City Council approved the establishment of the Windler Business Improvement District No. 2 (BID) in 2021 (Ord. No. 2021-33). The BID is located generally west of Harvest Road, north of E 42nd Avenue, south of E 56th Avenue and east of E-470. State statute requires that the BID file its proposed annual budget for the upcoming year with the City Clerk for City Council review and approval.

ITEM SUMMARY (Brief description of item, discussion, key points, recommendations, etc.)

The attached resolution will approve the Windler Business Improvement District No. 2 2023 operating plan and budget. The operating plan anticipates developer advances for its \$50,000 revenue and expected expenditures. The Windler No. 2 BID does not anticipate any major public improvements for 2023.

QUESTIONS FOR COUNCIL

Does the Council wish to forward the resolution approving the 2023 operating plan and budget for the Windler Business Improvement District No. 2 to the November 14, 2022, regular meeting of the City Council for formal consideration?

LEGAL COMMENTS

No business improvement district shall issue bonds, levy taxes, fees, or assessments, or provide improvements or services unless the municipality within which it is located has approved an operating plan and budget for the district. **See** Sec. 31-25-1211, C.R.S. (Hernandez).

PUBLIC FINANCIAL IMPACT

- ☐ YES ☒ NO

If yes, explain: N/A

PRIVATE FISCAL IMPACT

- ☐ Not Applicable ☐ Significant ☒ Nominal

If Significant or Nominal, explain: The attached item sets out the 2023 operating plan and budget for the Windler Business Improvement District No. 2. Funding is projected at \$50,000 from developer advances.

RESOLUTION NO. R2022-_____

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF AURORA,
COLORADO, APPROVING THE 2023 OPERATING PLAN AND BUDGET
FOR THE WINDLER BUSINESS IMPROVEMENT DISTRICT NO.2

WHEREAS, the City Council (the “Council”) of the City of Aurora, Colorado (the “City”), is vested with jurisdiction to create one or more districts within City boundaries pursuant to the Business Improvement District Act, Part 12 of Article 25 of Title 31, C.R.S. (the “Act”); and

WHEREAS, pursuant to the Act, the Council has adopted Ordinance No. 2021-33 organizing the Windler Business Improvement District No.2 (the “District”) and appointing the District’s initial Board of Directors (the “Board”); and

WHEREAS, Section 31-25-1211, C.R.S., provides that no district created under the Act shall issue bonds, levy taxes, fees, or assessments, or provide improvements or services unless the City has approved an operating plan and budget for the district; and

WHEREAS, the Board has approved a 2023 District Operating Plan and Budget (the “2023 Operating Plan and Budget”) for submittal to the City, which Operating Plan and Budget are in full compliance with the requirements of the Act; and

WHEREAS, the Council finds and determines that the approval of the 2023 Operating Plan and Budget in the form presented to the Council at this meeting is in the best interests of both the City and the District.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AURORA, COLORADO.

Section 1. The 2023 Operating Plan and Budget for the Windler Business Improvement District No.2 are hereby approved, including the declaration of public interest and necessity for improvements contained therein.

Section 2. All resolutions or parts of resolutions of the City of Aurora, Colorado, in conflict herewith are hereby rescinded.

RESOLVED AND PASSED this _____ day of _____, 2022.

MIKE COFFMAN, Mayor

ATTEST:

KADEE RODRIGUEZ, City Clerk

I. PURPOSE AND SCOPE OF DISTRICT

A. Requirement for this Operating Plan. The Business Improvement District Act, specifically § 31-25-1211, C.R.S., requires that the Windler Business Improvement District No. 2 (the “**District**”) file an operating plan and budget with the City of Aurora City Clerk no later than September 30th of each year.

1. Under the statute, the City of Aurora (the “**City**”) is to approve the operating plan and budget within thirty (30) days of submittal of all required information.

2. The District will operate under the authorities and powers allowed under §§ 31-25-1201, *et seq.*, C.R.S., as amended (the “**Business Improvement District Act**”), as further described and limited by this Operating Plan.

B. What Must Be Included in the Operating Plan? Pursuant to the Business Improvement District Act, this Operating Plan specifically identifies: (1) the composition of the Board of Directors; (2) the services and improvements to be provided by the District; (3) the taxes, fees, and assessments to be imposed by the District; (4) the estimated principal amount of bonds to be issued by the District; and (5) such other information as the City may require.

C. Purposes. As may be further articulated in succeeding year’s operating plans, the ongoing and contemplated purposes of the District include the financing, acquisition, construction, completion, installation, replacement and/or operation and maintenance of all the services and public improvements allowed under Colorado law for business improvement districts.

II. COMPOSITION OF THE DISTRICT’S CURRENT BOARD OF DIRECTORS

A. Current Board of Directors. The composition of the District’s current board of directors (“**Board of Directors**”) is:

1. Christopher H. Fellows
2. Timothy P. O’Connor
3. Dustin M. Anderson
4. Vacant
5. Vacant

Vacancies on the Board are to be filled by appointment by resolution of the City Council to serve until the next regular election. The Board of Directors of the District plans on adopting a resolution requesting the City appoint directors to fill the vacancies at the District’s next meeting.

B. Term Limits. Ballot Question AA of the November 2, 2021 election eliminated term limits.

C. Director Compensation. The Board of Directors shall receive compensation up to \$100 per meeting attended for their services as directors.

III. BOUNDARIES, INCLUSIONS AND EXCLUSIONS

The current District boundaries are 0.172 acres as depicted in **Exhibit A**. In subsequent years, the District anticipates inclusion requests for additional property as additional property owners participate in the District.

IV. SERVICES, ACTIVITIES, PROJECTS AND PUBLIC IMPROVEMENTS

The District will primarily be concerned with the provision of public improvements and services within the boundaries of the District; however, there may be instances where the District will provide public improvements and services outside of the boundaries of the District as part of the project. The District shall have the authority to provide these public improvements and services, but the revenue-raising powers of the District to recoup the costs of extraterritorial public improvements and services shall be as limited by state law. The public improvements that the District anticipates it will construct, install or cause to be constructed or installed, include those public improvements the cost of which may, in accordance with the Business Improvement District Act, lawfully be paid for by the District, including, without limitation, water services, safety protection devices, sanitation services, marketing, streetscape improvements, street improvements, curbs, gutters, culverts, drainage facilities, sidewalks, parking facilities, paving, lighting, grading, landscape and storm and wastewater management facilities and associated land acquisition and remediation (collectively, the “**Public Improvements**”). The costs of such Public Improvements includes the costs of design, acquisition, construction and financing.

The District shall have the power and authority to provide the Public Improvements and related operation and maintenance services within and without the boundaries of the District as such power and authority is described in the Business Improvement District Act, and other applicable statutes, common law and the Constitution. The District may provide for ownership, operation, and maintenance of Public Improvements and District facilities as activities of the District itself or by contract with other units of government or the private sector.

The property owners of the District request that the City designate the territory within the District as a location for new business or commercial development pursuant to § 31-25-1203(10), C.R.S.

A. Current Year (2022) Services, Activities, Projects and Public Improvements.

As the development within the District is still in the planning stages, the District only undertook administrative functions during 2022.

B. Future Year (2023) Services, Activities, Projects and Public Improvements.

During 2023, the District intends to continue to evaluate and plan the services, activities and Public Improvements to be provided by the District.

V. SOURCES OF REVENUE

A. Current Year (2022) Sources of Revenue. The primary source of revenue for the District in 2022 was developer advances.

B. Future Year (2023) Sources of Revenue. The primary source of revenue for the District in 2023 will be developer advances. The District intends to impose a 10.000 mill levy on all property within the District for collection in 2023, all of which will be dedicated to the General Fund. The District may also be the beneficiary of revenues derived from a privately imposed public improvement fee.

VI. PROPERTY TAX AND MILL LEVY

A. Mill Levy Caps. The maximum debt mill levy shall be the maximum mill levy the District is permitted to impose upon the taxable property within the District, and shall be 50 mills as may be adjusted for changes in the method of calculating assessed valuation so that to the extent possible, the actual tax revenues generated by the mill levy, as adjusted for changes occurring after January 1, 2004, are neither diminished nor enhanced as a result of such changes, for purposes of the foregoing, a change in the ratio of actual valuation shall be deemed to be a change in the method of calculating assessed valuation.

B. Current Year (2022) Mill Levy. The District did not impose a mill levy for 2022.

C. Future Year (2023) Mill Levy. The District intends to impose a 10.000 mill levy on all property within the District for collection in 2023, all of which will be dedicated to the General Fund.

VII. AUTHORIZED INDEBTEDNESS AND EXISTING DEBT OBLIGATIONS

A. Maximum Debt Authorization. The District held an election on November 2, 2021 for the purpose of authorizing debt, taxes, revenue limits, spending limits, special assessments, and such other matters as necessary or convenient for the implementation of Article X, Section 20 of the Colorado Constitution (“TABOR”). The initial maximum debt authorization for the District shall be \$100,000,000.

B. Current Year (2022) Debt Outstanding. The District has no outstanding debt obligations.

C. Future Year (2023) Debt Outstanding. The District does not anticipate issuing debt in 2023.

VIII. BUDGETS AND FINANCIAL STATEMENTS

A. 2023 Budget. The proposed 2023 Budget for the District is attached as **Exhibit B**.

B. 2022 Budget. The District’s 2022 Budget is attached as **Exhibit B**.

C. 2021 and 2022 Financial Statements. The District’s December 31, 2021 financial statements and June 30, 2022 financial statements are attached as **Exhibit B**. The District was exempt from audit during 2021.

IX. DISTRICT CONTACT INFORMATION

A. Contact Information. Contact information for the District's accountant and District's representative where follow-up inquires and questions should be directed is set forth on **Exhibit C**.

X. DISSOLUTION

The District is anticipated to have ongoing operations and maintenance obligations that will necessitate a perpetual existence. If the District no longer has such obligations, the District may seek to dissolve pursuant to § 31-25-1225, C.R.S.

XI. CONCLUSION

It is submitted that this Operating Plan and Budget for the District meets the requirements of the Business Improvement District Act, the Colorado Constitution, and the additional information required by the City. It is further submitted that the types of services and improvements to be provided by the District are those services and improvements which satisfy the purposes of C.R.S. §§ 32-25-1201, *et. seq.*

BUDGET MESSAGE

Attached please find a copy of the adopted 2022 budget for the Windler Business Improvement District No. 2.

The Windler Business Improvement District No. 2 has adopted one fund, a General Fund to provide for general operating expenditures.

The district's accountants have utilized the modified accrual basis of accounting and the budget has been adopted after proper postings, publications and public hearing.

The primary source of revenue for the district in 2022 will be developer advances. The district does not intend to impose a mill levy on property within the district for 2022.

Windler Business Improvement Districts No. 1 & No. 2
Financial Statements

December 31, 2021

ACCOUNTANT'S COMPILATION REPORT

Board of Directors

Windler Business Improvement Districts No. 1 & No. 2

Management is responsible for the accompanying financial statements of each major fund of Windler Business Improvement Districts No. 1 & No. 2, as of and for the period ended December 31, 2021, which are comprised of the Balance Sheet and the related Statement of Revenues, Expenditures and Changes in Fund Balance – Budget and Actual – Governmental Funds and account groups for the twelve months then ended in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with the Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

Management has elected to omit the Statement of Net Position, Statement of Activities, Management Discussion and Analysis and all of the disclosures required by accounting principles generally accepted in the United States of America. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the District's financial position and results of operations. Accordingly, the financial statements are not designed for those who are not informed about such matters.

We are not independent with respect to Windler Business Improvement Districts No. 1 & No. 2 because we performed certain accounting services that impaired our independence.

Windler Business Improvement Districts No. 1 & No. 2
Financial Statements

June 30, 2022

ACCOUNTANT'S COMPILATION REPORT

Board of Directors

Windler Business Improvement Districts No. 1 & No. 2

Management is responsible for the accompanying financial statements of each major fund of Windler Business Improvement Districts No. 1 & No. 2, as of and for the period ended June 30, 2022, which are comprised of the Balance Sheet and the related Statement of Revenues, Expenditures and Changes in Fund Balance – Budget and Actual – Governmental Funds and account groups for the six months then ended in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with the Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

Management has elected to omit the Statement of Net Position, Statement of Activities, Management Discussion and Analysis and all of the disclosures required by accounting principles generally accepted in the United States of America. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the District's financial position and results of operations. Accordingly, the financial statements are not designed for those who are not informed about such matters.

We are not independent with respect to Windler Business Improvement Districts No. 1 & No. 2 because we performed certain accounting services that impaired our independence.

INTRODUCTIONS AND MINUTES

August 23, 2022 minutes were approved.

AUGUST 2022 SALES TAX CHART**Summary of Issue and Discussion**

Bill Levine presented the August 2022 Sales Tax Chart. The sales tax increased by 10.5% in August. This can be interpreted in two ways. One is as a revenue number with August about \$360,000 over the projection. With this, the city looks to be on track to meet or beat the projection for the year. The sales tax can also be representative of how business is doing in the city. In this regard, the 10.5% increase appears to be misleading. In August 2022, there was a large amount received from a foreign online retailer making payments for over two years of taxes owed to the city from October 2019 to April 2022. This was due to the passing of the Economic Nexus Ordinance and the Sales and Use Tax System (SUTS) only being set up in August. If this one-payment growth is not taken into account, the sales tax growth for August would only have been 9.6%.

The variable sales tax payments grew by 85% in August, meaning that a lot of the 10.5% growth is due to big one-time payments. These variable payments were for large construction projects including storm, drainage, and decking systems. If the variable sales tax payment only grew at a neutral rate equal to the inflation rate of 8.3%, the growth for August would only be 7.2% instead of 10.5%. This number is more reflective of the consistent taxpayers and the business community in Aurora.

Committee Discussion:

CM Gardner: Makes sense. Thanks for that analysis. That's helpful. Council Member Zvonek, any questions?

CM Zvonek: I don't have any now. Thanks.

CM Gardner: All right. Thank you. Okay. Council Member Murillo, do you have any questions on that?

CM Murillo: No. I think I logged in just right at one. Did we start the presentation earlier?

CM Gardner: No. It was 1:00 when we started. You might have just been a couple of seconds late. We just have a really crowded agenda, so I just wanted to get started on it.

CM Murillo: That's fine. No questions here.

CM Gardner: All right. I appreciate that. Thanks, Bill, for your presentation.

B. Levine: Thank you, Council. I appreciate it.

Outcome

Information only.

Follow-up Action

No follow-up needed.

OCCUPATIONAL PRIVILEGE TAX REPEALSummary of Issue and Discussion

Council Member Jurinsky and Jeff Edwards presented this ordinance that will repeal the occupational privilege tax (OPT) that was implemented in 1986. Aurora is one in five cities in Colorado that has this. This is a \$4 tax per employee with half being withheld from the employee, and half being matched by the employer per paycheck once a month. CM Jurinsky noted that there is a surplus in the budget and there is no reason to figure out what to cut out of the budget to make the tax cut work.

Once the repeal is implemented, it would have to go through the voters to be reinstated. The fiscal impact would be \$5.9 million for 2023. There would be no cuts to the police, fire, 911, courts, transfers, and other mandates. This leaves \$170 million of people and supplies that would need to be cut by 5% from the 2023 budget. Nine entities received OPT revenue of \$590,000 in 2021. In addition, some of the revenues are used by the Aurora Urban Renewal Authority

(AURA) for incentive and development projects. About 72% of the city's revenue is dependent on sales and use tax.

Committee Discussion:

CM Jurinsky: Now, I actually have a question because I asked thoroughly about this when I was on the CABC and I asked where these funds go, and I was told by Greg Hays that all of these funds go into the general fund. That's really concerning to me if the AURA is using some of these funds, because just last night I was told that none of those funds come out of the general fund, specifically regarding our parking lot structure.

T. Velasquez: And I would address that Council Member basically when we have a TIF area, any of the revenues that are generated from the specific project, including OPT, would go back to the project. I think on Jeff's slides, it's just acknowledging that the revenue that's generated from specific projects is then shared back as a part of incentive agreements that were approved by previous city councils. So, it would definitely change the revenue flow to some of those projects. And I also have Greg online to answer any budgetary-related questions. I know from an almost \$6 million budget perspective it does have some larger impacts. And maybe, Greg, you can put it a little bit into perspective from a standpoint of what that reduction would mean.

G. Hays: I sure can. Thank you very much. If you're looking at \$5.9 million, it's the equivalent of about 80 people. We do have a balanced budget for 2023, and if you take \$6 million out, it would not be balanced. We would have to go find that money from somewhere. It is a significant amount of money. It's larger than six different budgets, general fund budgets. Aurora Water, City Council, Communications, General Management, HR, Planning. Their entire budgets are actually less than that. And what's more, 2024 is not -- it's close to being balance. We don't need to have a balanced budget for the future but taking on another \$6 million of ongoing funds would make that harder for the 2024 budget as well.

CM Gardner: All right. Thank you. Greg and Jeff. Council Member Murillo, questions, or comments for either staff or the sponsor?

CM Murillo: Thanks, Council Member Gardner. I think a few comments. Yes, I think that coming into the conversation and just saying that "Oh, we have a surplus and therefore I don't really need to look for the accompanying piece of where this ongoing revenue would come from" is concerning to me to the staff's comments around this does make it more challenging to balance our budget in the future. There will be budget implications. I think that was the biggest concern for me and I would like a better understanding of where the city management would take those ongoing funds because it's not just funds that would be taken out of this year's budget or whenever this comes into effect, but it is ongoing. That's just my biggest comment and request before this moves forward on my end.

CM Gardner: Council Member Zvonek, questions, or comments?

CM Zvonek: I would just say we haven't set a 2023 budget. As far as I know, we're going to do that at the budget workshop, and I think that will give us plenty of opportunity to identify what reductions we need to make in order to make this happen. But I think in terms of a signal that we want to continue to be the most business-friendly city in the state, and we are getting rid of a privilege tax of working in Aurora. We have to, I think, try to change our mental model, and recognize that it's actually a privilege for us to have employees here and it's not a privilege for them to work here. And I think this is one of the ways we can do that.

J. Twombly: And I just wanted to check with Jeff. It seems like I saw in the original ordinance that fire, police, and road maintenance were cited as reasons for instituting this tax in the first place. The funds weren't dedicated for those purposes, but I think those were cited as reasons why the council voted to approve that tax. Jeff, do you have any information on that?

J. Edwards: Correct. Thanks, City Manager Jim Twombly. Appreciate that question. That is correct. This was essentially a way for us to distribute the tax burden for the city to those that are coming into the city to work. And it pointed out that it was for police, fire, road maintenance, those types of costs, and other municipal services.

J. Twombly: Okay. Thanks.

CM Jurinsky: Yes. I asked repeatedly on CABC if these funds were dedicated for anything in particular and I was told numerous times, "No, they're not earmarked for anything. They just go into the general fund and that's where they are at in the general fund." And as Council Member Zvonek just said, the fact that we have a tax on businesses and workers in the city of Aurora states that it's their privilege to do business in this city or to be a worker in this city. I can't believe this has never been brought up before, but I think that we absolutely need to change our mindset on that and realize that it is actually the city's privilege. It is our privilege for businesses to come here and for workers to want to work in Aurora. And as Council Member Zvonek just pointed out, the budget is not set and that's exactly what we are going to go to the Budget Committee meeting to do. And the fact that we have any additional tax on people in Aurora, I think that those should be eliminated. And just as other taxes, on menstrual products and on diapers in this city have been eliminated, I look at this tax repeal as actually a more equitable tax cut, because it will be for anybody, regardless of gender, regardless of race. I mean, if you work in Aurora or have a business in Aurora, this tax is on you, and this will be a tax saving to all those who wish to do business here and work here.

CM Gardner: Any other questions or comments from the committee?

CM Murillo: Yes, I guess just the fact that we're not acknowledging that for months staff has put together our budget, essentially line item by line item. We've had public presentations at town halls, and we've had specific budget presentations. Suddenly to say that we're not essentially almost at the end and that we don't have a budget, sure, it's not yet confirmed. But let's be clear

that this would be a last-minute change that hasn't been incorporated into this current budget as it's been written. I just want to be very clear that when we say it's not yet been finalized, that's because we haven't yet made the final approval. But a last-minute change is what this would be. I just want to be very clear that that's where we're at in the budget process for this year.

CM Jurinsky: Council Member Gardner, I'd like to respond to that.

CM Gardner: Go ahead.

CM Jurinsky: The budget is created every single year. I'm not sure there's really a good time or a bad time to bring forward a tax cut. But I had some things that I needed to look into. Obviously, I wanted to come to this committee. It would be my prerogative to have brought this straight to a council meeting and to rush this process. But as I heard from my colleagues that don't always agree with me on much of anything, they would prefer me to follow the standard process that we have in place. I went about it that way this time, and I'm not sure that you can consider any kind of tax cuts on our citizens and our businesses to be something that's last minute. I find it to be something that's necessary.

CM Gardner: All right. Thanks, everybody, for comments and feedback. Council Member Murillo, would you like this to move forward?

CM Murillo: Not at this time. We were just talking about understanding fiscal notes and larger impacts last night. For it to be at the 11th hour, I think that's not something that I would prefer, but obviously, we'll talk about it if the committee approves it going forward. But like I said, I just wanted to be very clear on the rhetoric and the shaping of the conversation. So that's why I made my comments.

CM Gardner: Council Member Zvonek?

CM Zvonek: I think that now is actually the perfect time to move it forward as the elected officials who were elected by the people of Aurora to set the budget will be having a conversation about the budget for next year. It means we'll have to do some work, but that's okay. That's what we were elected to do.

CM Gardner: All right. And I'm fine with it moving forward as well.

Outcome

The Committee supported moving the item forward.

Follow-up Action

Staff will move the item forward to Study Session.

WARD REALIGNMENT RECOMMENDATION DEADLINE**Summary of Issue and Discussion**

CM Marcano presented the proposed ordinance which sets a deadline of no later than October 15th for rewarding recommendations to be before the Council. This preserves the existing timeline for the rewarding process to begin.

Committee Discussion:

CM Gardner: All right. Thank you. Council Member Zvonek, any questions or comments?

CM Zvonek: No, I think that makes sense. I know that earlier, Council Member Marcano, when we were having these discussions at the beginning of the year, there was some concern because the initial timeline, I think didn't have us finishing until into next year. As a committee, we decided to do that. I think creating some sort of guidelines going forward that keeps us on track is appropriate and I would support that moving forward.

CM Murillo: I don't have any questions. Similar to the comments just made, we intentionally moved it up so that there was less ambiguity later into next year. I think this is in line with the actions that we've taken on this committee this year. I support moving it forward.

CM Gardner: All right. And as both council members pointed out, we intentionally changed the original schedule that was presented to us to avoid this very problem where the maps wouldn't have been finalized until late spring or early summer next year for folks running, which could create some confusion. I am okay with it moving forward as well. Thank you for the presentation.

CM Marcano: All right, great. Thank you.

Outcome

The Committee unanimously supported moving the item forward.

Follow-up Action

Staff will move the item forward to Study Session.

UPDATE ON E-DISCOVERY IN COURTS**Summary of Issue and Discussion**

Julie Heckman presented an update on e-Discovery in courts. The City Attorney's Office Case Management System will help transition to an electronic case management system from the fully-paper file status. This would provide the ability to give e-discovery out electronically for any defendant in the municipal court regardless of representation. All body-worn cameras, videos, and pictures will be downloaded to a disk.

This issue was brought about at a Public Safety meeting on October 14th, 2021. The interim court administrator, Mike Ritter, at the time had asked for two additional FTEs to address the case management system and e-discovery software tool. Court IT asked city IT to be present in the next meeting to discuss buying versus building the software. Judge Shawn Day, Doug Wilson, Court IT, City IT, and other staff have been discussing how to move the court to transition electronically. It has been agreed upon that the City Attorney's Office must be the beginning of this and get case management into an electronic system. Following this would be eDiscovery then the court accepting all electronic filings. It was previously confirmed by the former interim court administrator that following the two FTEs that the work would be completed by Q1 of 2022. However, it is currently still not in place.

The city has since hired Ms. Candice Atkinson as the new court administrator and has continued conversations regarding this. City staff has gone back to CDAC about looking at the e-Discovery tool that they have which is a statewide system for all prosecutors. APD Records, the Crime Lab, and A911 package all the evidence to be sent to the state CDAC system. Due to this, there have been discussions of having other Aurora agencies package things the same way and having a system mirrored to the CDAC system. CDAC has provided a general quote of what they think it would take to look at their system, redesign it, and tweak it to Aurora's court system which currently does not have data sharing between courts. There are other municipalities that are also trying to switch to electronic and may be interested in getting onto the CDAC system.

The staff has also looked at several outside vendors that do prosecution-type case management systems which include e-Discovery. There is also one that works closely with Axon that provides body-worn cameras. They were contacted to present to City and Court IT and other city staff. The need for this implementation is past due given the inefficiencies created by the labor-intensive utilization of the files. Given that there is only one paper file, only one person or department can work on it at a time. This would then delay getting the evidence to APD and other preparations.

Committee Discussion:

CM Gardner: Appreciate that update, Julie. And I think the only comment that I have, and I had said this last year in public safety is my preference is to go with standard software, not creating our own. And it sounds like we're looking into some options like that. And those are my concerns. I have that concern because of when you have somebody who designs a program in-house and that person leaves, you create some issues there. And so, for ongoing and support purposes, I always prefer to use something standard. And I can't imagine that Aurora is that unique, that there isn't software out there that won't meet our needs. So that's just my thought or my input. But again, really appreciate the update. Obviously, it's a project that's been going on for a while and certainly something that we need to get implemented. Council Member Murillo, any questions or comments?

CM Murillo: None for me. Thanks for the update.

CM Gardner: Council Member Zvonek?

CM Zvonek: No, I would just echo what you just said. I think that to the extent that we can find a product that not only because of the reasons you pointed out but if there is some collaboration or any sort of data that can be shared across different jurisdictions, having that software would seem to make a lot of sense. I also just hope that this is a part of the broader conversation that we're continuing to have with IT in general and moving toward a capability model for the entire city. This isn't just related to courts or even prosecution, but generally across every department, I think that having a standalone IT department doesn't make a lot of sense. I think having people embedded there, but ultimately coming back to one shared capability makes a lot more sense. I hope we integrate this conversation with that broader one.

CM Gardner: Appreciate that. Thanks again, Julie.

J. Heckman: Thank you.

Outcome

Information only.

Follow-up Action

No follow-up needed.

FITZSIMONS BUSINESS IMPROVEMENT DISTRICT – NEW BOARD MEMBER APPOINTMENT

Summary of Issue and Discussion

Chad Argentar presented this item. The Fitzsimons Business Improvement District (BID) is looking to expand their existing board as they only have two out of five filled seats. The nominee for the position is interested in serving and contributing to the businesses in the BID.

Committee Discussion:

CM Gardner: I appreciate that. Council Member Murillo, comments or questions?

CM Murillo: None here.

CM Gardner: Council Member Zvonek?

CM Zvonek: No Questions.

CM Gardner: All right. And I assume both of you are okay with it moving forward.

CM Zvonek: Yes.

CM Murillo: Yes.

CM Gardner: All right. Thanks, Chad.

C. Argentar: Thank you.

Outcome

The Committee unanimously supported moving the item forward.

Follow-up Action

Staff will move the item forward to Study Session.

2023 WARD REDISTRICTING REVIEW

Summary of Issue and Discussion

Kadee Rodriguez presented this item. Staff is requesting for the M&F Policy Committee's decision to finalize which scenario to move forward to full Council.

Committee Discussion:

CM Gardner: And can you remind me which was the map that was recommended or put forward by the Election Commission?

K. Rodriguez: Scenario five.

CM Gardner: Okay. Council Member Zvonek, any thoughts, comments, or questions?

CM Zvonek: I guess my one question maybe, Kadee, is that can we have more than one recommendation from our Committee go forward to the full council? Or are you just looking for one?

K. Rodriguez: There's nothing that states you can't move forward more than one recommendation. So, I think it would be up to this Committee on how you'd like to do that.

CM Zvonek: I guess my suggestion would be to have these go forward to the full council to have a conversation with more of our colleagues about these scenarios and have maybe a presentation from the Election Commission at a Study Session. I think that's what the next step is. It would come to a Study Session. So have it come to a Study Session and a presentation as to why the Election Commission chose that map and then also lay out the other scenarios because I can imagine that some of our colleagues might ask why we chose this one, why the Election

Commission chose that one, and what were the other scenarios so that they can have eyes on them too. So that's my recommendation for moving it forward.

CM Murillo: Yes, something similar on my end. I would prefer to not narrow it down at this point since this impacts the full council and have the broader discussion at a Study Session where we can all talk about it. All the options.

CM Gardner: Okay. Well, it sounds like that's what the will of the Committee is. Kadee, is that going to be the next available study session? Is that what our schedule was?

K. Rodriguez: It's actually the second study session in October. So, it's not the one this Monday, but the next one.

CM Gardner: The next one, yes. Okay, sounds good. Well, we will get a presentation at the second Study Session in October. And Kadee, thank you. And I don't think Daniel is on the phone but thank you both for all your work this year with our committee and the presentations and all that. Really appreciate you guys working through the process.

K. Rodriguez: Okay. Thank you. And we'll work with the Election Commission to get them on the Study Session for the last study session in October.

CM Gardner: All right, thanks.

K. Rodriguez: Thank you.

Outcome

The Committee decided to have the Election Commission present all scenarios, including the recommended scenario, in the second October Study Session.

Follow-up Action

Staff will coordinate with the Election Commission regarding their presentation for the second October Study Session.

ANNUAL REVIEW OF INVESTMENT POLICY

Summary of Issue and Discussion

Teresa Sedmak presented this item. The investment policy of the city is reviewed to incorporate any changes in the state statute or other required changes. For the recent review, city staff made two non-substantive changes. One is to define the nationally recognized statistical rating organizations; namely Moody's, S&P, and Fitch. The other change made was to reformat the section related to general obligation bonds and revenue bonds to improve clarity. The revisions

were presented to the Investment Advisory Committee on August 4th. Legal counsel has advised that there is no action necessary due to the non-substantive matter of the changes.

Committee Discussion:

CM Gardner: All right. Thank you. Council Member Murillo, questions or comments?

CM Murillo: I do not have any questions.

CM Gardner: Council Member Zvonek?

CM Zvonek: No.

CM Gardner: All right. Thank you for the presentation, Teresa.

T. Sedmak: Sure.

Outcome

Information only.

Follow-up Action

No follow-up needed.

PROPOSED MODIFICATIONS TO MORAL OBLIGATIONS POLICY AND REVIEW OF EXISTING MORAL OBLIGATIONS

Summary of Issue and Discussion

Teresa Sedmak presented this item. The city has existing moral support transactions with the Hyatt Regency Conference Center and Parking Garage and FRA Bioscience III Building. Recently, City Council has approved the continuance of the moral obligations support on Hyatt refinancing which is going to close next week. The rate was locked based on a 3.81% rate on the ten-year US Treasury rate plus a spread of 25 basis points bringing the rate on the new loan locked at 4.06%. The moral support for this transaction takes the form of a debt service reserve equal to a one-year debt service at \$1.7 million. Should the debt service be depleted, it must be replenished. This would then have to go to Council for an appropriation if the funds are not available. AURA has been providing support in the form of capital advances from other TIF revenues generated within the Fitzsimons Urban Renewal Area. No draw has been made on the debt service reserve since it could be a reportable event to investors and may have negative connotations. The need for additional support is not expected until 2024.

The Bioscience III Building moral obligation support is also in the form of a debt service request of \$2.5 million. If depleted, it must be replenished. The building was completed in 2020 and most of the space has been leased out. There are approximately 25% or 30,000 square feet yet to

be leased. A possible tenant is holding off on a decision until Q1 of 2023 due to economic uncertainty. Despite this, there are other potential tenants in the pipeline. The moral obligation terminates in December 2024. The FRA has adequate liquidity to satisfy its debt service obligations and doesn't foresee a draw on the debt service reserve.

In 2021, Council Member Gruber requested a review of the moral obligation policy. Staff has been working with Bond Council to do a thorough review and recommend modifications. One of the notable changes is the change in wording from moral obligation "pledge" to moral obligation "support." This is because "pledge" implies a binding financial obligation and a pledge of collateral. A definition of what a moral obligation is was added to the policy. The new policy explicitly prohibits substantive changes in the financing and proposed financing subsequent to its presentation to M&F, unless allowed by the authorizing resolution. The evaluation criteria were also strengthened and now include the presentation of timing and frequency related to the moral obligation and the likelihood of repayment over time.

Committee Discussion:

CM Gardner: All right. Thank you for the presentation. And yes, I agree with the changes that were made. I think just clarifying some things, tightening up some language, and then even just having a description of what moral obligations are for members of the public or people who are less familiar. I think all those changes are good. So, I would support moving it forward. Council Member Murillo, any questions or comments? And then do you support moving forward as well?

CM Murillo: Yes, I was just going to ask for the red-line version, if you don't mind. And I do support adding more clarity and practical usefulness to the policy. So, I do support moving it forward.

T. Sedmak: Thank you.

CM Gardner: Council Member Zvonek?

CM Zvonek: No questions. And I do support moving forward.

CM Gardner: All right. Thank you. Thanks, Teresa.

T. Sedmak: Thank you.

Outcome

The Committee unanimously supported moving the item forward.

Follow-up Action

Staff will move the item forward to Study Session.

**SUMMARY RESULTS - SALE AND CLOSING OF CITY OF AURORA 2022 COPS
(ROAD IMPROVEMENTS PROJECTS)****Summary of Issue and Discussion**

Teresa Sedmak presented this item. On August 24th, Aurora priced its Series 2022 Certificates of Participation (COPs) to finance various roadway improvements. There was a par amount of \$31.9 million to offer to investors and the city received orders for \$102 million, which is a 3.2 times oversubscription. This allowed staff to reprice several maturities for interest rate reductions. Some longer-term maturities were repriced with a higher yield. The all-in-interest cost, including the underwriting and cost issuance on the deal, was 3.685%. The closing on the COPs occurred on September 7th and were sold to RBC and Stifel. They were packaged with a rating of AA1 from Moody's which is the highest rating afforded to an appropriation credit.

Committee Discussion:

CM Gardner: Council Member Zvonek, any questions?

CM Zvonek: No questions. That's great news. I'm happy to hear that we were able to lock in the lower rate and move this forward. I know this is ultimately going towards a much-needed road maintenance repair. So, I'm just happy to hear that we're moving forward and saving the taxpayers a little bit of money along the way.

T. Sedmak: Thank you.

CM Gardner: Council Member Murillo?

CM Murillo: Nothing on my end.

CM Gardner: All right. Thank you for the presentations, Teresa.

T. Sedmak: Thank you.

Outcome

Information only.

Follow-up Action

No follow-up needed.

2023 BID OPERATING PLANS AND BUDGETS

- 5a. Consideration of A RESOLUTION of the City Council of the City of Aurora, Colorado, approving the 2023 Operating Plan and Budget for the Parkside at City Centre Business Improvement District
- 5b. Consideration of A RESOLUTION of the City Council of the City of Aurora, Colorado, approving the 2023 Operating Plan and Budget for the Fitzsimons Business Improvement District
- 5c. Consideration of A RESOLUTION of the City Council of the City of Aurora, Colorado, approving the 2022 Operating Plan and Budget for the Havana Business Improvement District
- 5d. Consideration of A RESOLUTION of the City Council of the City of Aurora, Colorado, approving the 2023 Operating Plan and Budget for the Painted Prairie Business Improvement District No. 2
- 5e. Consideration of A RESOLUTION of the City Council of the City of Aurora, Colorado, approving the 2023 Operating Plan and Budget for the Painted Prairie Business Improvement District No. 1
- 5f. Consideration of A RESOLUTION of the City Council of the City of Aurora, Colorado, approving the 2023 Operating Plan and Budget for the Tower Business Improvement District
- 5g. Consideration of A RESOLUTION of the City Council of the City of Aurora, Colorado, approving the 2023 Operating Plan and Budget for the Windler Business Improvement District No. 2
- 5h. Consideration of A RESOLUTION of the City Council of the City of Aurora, Colorado, approving the 2023 Operating Plan and Budget for the Windler Business Improvement District No. 1
- 5i. Consideration of A RESOLUTION of the City Council of the City of Aurora, Colorado, approving the 2023 Operating Plan and Budget for the Citadel on Colfax Business Improvement District
- 5j. Consideration of A RESOLUTION of the City Council of the City of Aurora, Colorado, approving the 2023 Operating Plan and Budget for the Porteos Business Improvement District

Summary of Issue and Discussion

Carol Toth gave an overall presentation for items 5a through 5j regarding the 2023 Operating Plans and Budgets of ten business districts organized within the city. The state statute requires that each BID organized within a municipality file their upcoming budget with the City Clerk for review and approval by the City Council by December 5th.

Committee Discussion:

CM Gardner: Okay. I think since they were included in the backup, we don't need individual presentations. But to give council members an opportunity to ask questions. Council Member Murillo, any questions on 5a through 5j?

CM Murillo: No.

CM Gardner: Council Member Zvonek?

CM Zvonek: I don't have any.

CM Gardner: And are you both okay with moving these forward?

CM Zvonek: Yes.

CM Murillo: Yes.

CM Gardner: Thank you. These will move forward. Thank you for the presentation.

Outcome:

The Committee unanimously supported moving items 5a through 5j forward.

Follow-up Action:

Staff will move items 5a through 5j forward to the October 17th Study Session.

2023 GID OPERATING PLAN AND BUDGETS

- 6a. General Improvement District 1-2007 (Cherry Creek Racquet Club) 2023 operating budget
- 6b. General Improvement District 2-2009 (Pier Point 7) 2023 operating budget
- 6c. General Improvement District 2-2011 (Aurora Conference Center) 2023 operating budget
- 6d. General Improvement District 1-2016 (Cobblewood) 2023 operating budget

- 6e. General Improvement District 1-2008 (Peoria Park) 2023 operating budget
- 6f. General Improvement District 3-2008 (Meadow Hills Country Club) 2023 operating budget

Summary of Issue and Discussion

Andrew Jamison gave an overall presentation for items 6a through 6f regarding ordinances to approve the Operating Plans for the General Improvement Districts (GIDs) within Aurora. Generally, they authorize a mill levy to collect a property tax within the district to pay debt service for certain capital improvements that the districts had elected to improve. This is with the exception of the Aurora Conference Center which uses a direct funding model to pay for improvements.

Committee Discussion:

CM Gardner: Council Member Zvonek, any questions?

CM Zvonek: No.

CM Gardner: Council Member Murillo?

CM Murillo: No questions for me.

CM Gardner: And are you both okay with moving these forward?

CM Murillo: Yes.

CM Zvonek: Yes.

CM Gardner: All right. Thanks, Andrew.

A. Jamison: Thank you.

Outcome:

The Committee unanimously supported moving items 6a through 6f forward.

Follow-up Action:

Staff will move items 6a through 6f forward to the Budget Workshop and the Regular Council Meeting.

MISCELLANEOUS MATTERS FOR CONSIDERATION

None.

HISTORY (Dates reviewed by City council, Policy Committees, Boards and Commissions, or Staff. Summarize pertinent comments. ATTACH MINUTES OF COUNCIL MEETINGS, POLICY COMMITTEES AND BOARDS AND COMMISSIONS.)

The Fitzsimons Business Improvement District was approved for organization by City Council in 2011. It is generally located Ursula Street between 23rd Street and Montview Boulevard.

ITEM SUMMARY (Brief description of item, discussion, key points, recommendations, etc.)

The Fitzsimons Business Improvement District was approved for organization by City Council in 2011. The 2023 operating plan and budget anticipates \$13,420 in revenue from square foot charges of commercial buildings. The Fitzsimons BID does not anticipate any major public improvements for 2023 and its expenditures are primarily directed towards administrative and legal costs and parking enforcement.

QUESTIONS FOR COUNCIL

Does the Committee support approval of the resolution and wish to forward this item to City Council Study Session as proposed?

LEGAL COMMENTS

No business improvement district shall issue bonds, levy taxes, fees, or assessments, or provide improvements or services unless the municipality within which it is located has approved an operating plan and budget for the district. **See** Sec. 31-25-1211, C.R.S. (Hernandez).

PUBLIC FINANCIAL IMPACT

☐ YES ☒ NO

If yes, explain: N/A

PRIVATE FISCAL IMPACT

☐ Not Applicable ☐ Significant ☒ Nominal

If Significant or Nominal, explain: The attached item sets out the 2023 operating plan and budget for the Fitzsimons Business Improvement District. The BID is projected to generate \$13,420 in revenue based on charges per square foot of commercial space (17,743 s.f.) from within the BID. Fees are based on costs of BID administration, services and improvements. For 2023, the per square foot charge is \$0.7564.

2023 OPERATING PLAN AND BUDGET

**FITZSIMONS
BUSINESS
IMPROVEMENT
DISTRICT**

Spencer Fane LLP

**FITZSIMONS BUSINESS IMPROVEMENT
DISTRICT
2023 OPERATING
PLAN**

I. SUMMARY

The Fitzsimons Business Improvement District (“BID”) is an assessment district designed to improve the economic vitality, value and overall commercial appeal of the Ursula Street commercial area through public parking management, signage, enforcement and streetscape improvements between 23rd Street and the southern boundary of The Square at Fitzsimons Filing No. 1, Adams County, in the City of Aurora, Colorado. The BID is financed through charges based on the costs of its improvements and services and the building square footage of commercial property.

BID services are in addition to the services in the area currently provided by the City of Aurora.

Name: Fitzsimons Business Improvement District

Boundaries: The Service Area is The Square at Fitzsimons Filing No. 1, Adams County, City of Aurora, Colorado, and the streets as shown on the BID Service Area and boundary map attached as Exhibit A, Pages 1 and 2.

BID Programs: The overall goal of the BID is economic development of the commercial property within the BID’s service area. BID functions are as follows:

Parking services and public improvements including:

- * Parking management
- * Signage, including designation of parking spaces for business, parking times, and restrictions

Establishing a District Identity and Image including:

- * Signage, wayfinding and gateways
- * Design and/or implementation of streetscape and landscape improvements

**Basis of
Accounting:**

The basis of accounting utilized in preparation for the 2023 budget for the BID is cash basis. The BID’s budget includes projected revenues and expenditures for its general operation fund.

	Budget:	Approximately \$13,420 will be raised in 2023 through charges per square foot of commercial buildings in the BID based upon the costs of BID administration, services, and improvements.
Methodology:		In order to allocate the costs of the services and improvements to be furnished by the BID in a way that most closely reflects its benefits, the BID will collect charges per square foot levied on commercial property. The estimated annual charge for 2023 will be \$0.7564/square foot.
Term:		The BID is a perpetual BID with a City Council review period every five years if desired by the Council. The review will allow for appropriate adjustments to the charge methodology and/or programming, and will allow business and property owners to address and respond to changes as they occur in the BID.
City Service:		BID services will be in addition to any City services currently provided.
Governance:		The BID is managed by a 5-member Board of Directors, all of whom are voting members. The Board represents a diverse mix of commercial properties. The Board of Directors currently has three vacancies and requests the Aurora City Council appoint Scott Procop, an eligible elector within the BID, to fill one of the vacancies.
Dissolution:		The BID may be dissolved if property owners representing more than 50% of total commercial acreage and assessed value submit a petition to dissolve it or if the BID fails to submit an operating budget for two successive years and dissolution is approved by City Council.

II. RECAP OF 2022 BID ACTIVITIES

In 2022, the BID monitored parking activities.

III. FITZSIMONS BID 2023 OPERATING PLAN

As determined by area property owners and business owners, the top priorities for improvements and activities within the BID include the below listed items. In addition, the BID is continuing to work cooperatively with the Fitzsimons Redevelopment Authority (“FRA”) to coordinate access to future FRA projects with

the need to maintain and maximize available parking within the BID.

BID Programs: The following narrative lists BID programs for operating year 2023. The Board may amend program activities in the subsequent years within the general categories authorized by state law and in future approved annual operating plans and budgets. Final programs and budgets will be subject to the annual review and approval of the BID Board of Directors.

**Parking
Management:**

The commercial area in the BID has limited parking. The property owners and tenants have identified problems with parking spaces being used for long-term purposes and for distant destinations. There are approximately 108 on-street parking spaces available. The primary purposes of the BID are to obtain the ability to control the parking spaces so they may be better utilized for the commercial businesses near the spaces, to develop and implement a parking management program, and to take steps to improve parking utilization and turnover. The expectation is that BID parking management may include signs, space designations, and parking duration limits.

The BID may furnish:

- * Design, planning, financing, installation, operation, maintenance, removal and replacement of signs along the City streets within the BID, or placement in parking lanes, and/or on sidewalks in and adjacent to the premises (i.e. the defined on-street parking space areas as shown on a map attached as Exhibit B). The signs may limit parking times and/or designate allowable uses of parking spaces or areas for particular purposes, and/or words to the effect that parking restrictions will be enforced, potentially including the violators' vehicles will be towed at vehicle owner's expense,
- * Removing cars at the vehicle owner's expense in substantially the same manner as a private property owner may remove vehicles when parked in violation of comparable signs,
- * Creation of parking management plans,
- * Promotion of special events,

- * Parking striping.

District Identity: In order to create a greater sense that the area is a cohesive commercial district, the following initiatives are recommended:

Visual Identity intended to promote the overall economic health and attractiveness of the area and augment a sense of visual identity, including:

- * Gateway signs and/or treatments
- * Street furniture and amenities
- * Streetscape and landscape design and implementation
- * Seasonal banners and decorations
- * Maintenance

Capital Improvements such as streetscape, sidewalk and curb improvements. The BID can issue bonds to pay for capital improvements if the BID voters approve the bonds in an election, the Board chooses to do so, and the use of bonds is approved by the City Council in a future Operating Plan. There are no bonds authorized by this Operating Plan. BID funds can be used to match and leverage funds and other resources. There is public interest and necessity for the improvements described herein.

BID Operations: In order for the BID to effectively work for a more successful commercial area, it is recommended that BID contract personnel, with guidance from the BID Board, should implement the following tasks and activities:

- * Maintain communication with City Council, City staff and other civic leaders, other BID's and constituencies as needed;
- * Manage and support BID programs; and
- * Be a point of contact for BID property owners and commercial lessees through periodic discussions, email, in-store visits, and meetings and forums to keep them apprised of the BID's activities.

There are several ways in which the BID Board can determine to manage and staff its programs, including hiring staff and/or contracting with professional(s) to carry out BID programs. Currently, BID tasks are performed by private contractors paid by the BID.

IV. BID 2023 BUDGET

The BID Board will hold a public hearing and adopt the final budget as required by the Colorado Local Government Budget Law.

As shown in Exhibit C, the proposed 2023 budgeted expenditures will be approximately \$13,420, which includes parking enforcement, as shown in the budget, and budgeted revenue of \$13,420 to be raised through an estimated \$0.7564 per square foot charge on commercial uses/buildings within the BID.

The BID will operate in accordance with the terms of the Business Improvement District Act. The last sentence of Section 31-25-1203(10) states: "Property which is not commercial property and which is within the "service area" of a district shall not be subject to the revenue-raising powers of the district until it becomes commercial property and is included within the district's boundaries, as provided in Section 31-23-1208." Therefore, residential properties within the BID will not pay the BID's per square foot charges.

Charge Methodology: Under Colorado statutes, business improvement districts can generate revenues through several methods, including charges for services rendered by the district, taxes, special assessments, or a combination of any of these. In order to allocate the costs of the improvements and services to be furnished by the BID in a way that most closely reflects the benefits conferred upon the businesses and commercial properties in the BID, the BID shall be authorized to determine, impose and collect charges based upon costs and the square footage of commercial property located in the District. The charges will continue to be a flat rate per square foot, but may vary in the future based on parking and service-related factors.

V. BID GOVERNANCE AND PROGRAM MANAGEMENT

The BID is managed by a Board of Directors consisting of five (5) electors, all of whom are voting members. The BID Board has the following responsibilities:

- * Prepare and file the annual BID operating plan and budget with the City in accordance with state legal requirements and ensure compliance with other state laws.
- * Provide direction and coordination in carrying out BID funded improvements and services.

VI. CITY SERVICES

BID services are in addition to any City services currently provided in the area.

VII. TERM

The BID has perpetual existence with a review period every five (5) years. The review will allow for appropriate adjustments to the BID boundary, charge methodology and/or programming. The review also allows business and property owners to address and respond to changes as they occur in the area.

* Signed new parking agreement in 2019 to enforce retail parking. Expense estimated at \$24,000 a year. A portion of the expense is being reimbursed through the BID.

Fitzsimons Business Improvement District
 Attn: Carole Olite
 4582 South Ulster St., Suite 1700
 Denver, CO 80237
 (303) 691-4550

The Fitzsimons Business Improvement District (BID) was formed to improve the economic vitality, value and overall commercial appeal of the Ursula Street and E. 22nd Avenue commercial area thru public parking management, signage, enforcement and streetscape improvements between 23rd Street and the southern boundary of The Square at Fitzsimons Filing No. 1, Adams County.

In order to allocate the costs of the services and improvements to be furnished by the BID in a way that most closely reflects its benefits, the BID will collect charges per square foot levied on commercial property on an annual basis.

Revenue Notes:

2018 miss in revenue by \$4,818.52 due to Cedar Creek, Ursula Brewery and J&M Liquor not paying fee
2019 projected to miss budget by \$3,877.16 due to Cedar Creek and Ursula Brewery not paying yearly dues.
2020 Missed revenue due to only Reverie and Aimco paying dues (Cedar Creek, Ursula, Lost Coffee, CVS total \$6,262.60 in unpaid dues)
2020 Parking enforment was not reimbursed to 21 Fitz in 2020 due to lack of dues paid. Full expense hit 21 Fitz expenses.
2021 Only payment received for 2021 is 21 Fitz portion.
2021 **Did not have the funds to cover the accounting or parking enforcement reimbursement**
2022 **Cedar Creek & Ursula Brewery are on a payment plan to pay back 2018-2022 dues. Per plan, all prior year dues will be current by Dec 2022**

RESOLUTION NO. R2022-_____

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF AURORA,
COLORADO, APPROVING THE 2023 OPERATING PLAN AND BUDGET FOR
THE FITZSIMONS BUSINESS IMPROVEMENT DISTRICT

WHEREAS, the City Council (the “Council”) of the City of Aurora, Colorado (the “City”), is vested with jurisdiction to create one or more districts within City boundaries pursuant to the Business Improvement District Act, Part 12 of Article 25 of Title 31, C.R.S. (the “Act”); and

WHEREAS, pursuant to the Act, the Council has adopted Ordinance No. 2011-31 organizing the Fitzsimons Business Improvement District (the “District”) and appointing the District’s initial Board of Directors (the “Board”); and

WHEREAS, Section 31-25-1211, C.R.S., provides that no district created under the Act shall issue bonds, levy taxes, fees, or assessments, or provide improvements or services unless the City has approved an operating plan and budget for the district; and

WHEREAS, the Board has approved a 2023 District operating plan and budget (the “2023 Operating Plan and Budget”) for submittal to the City, which Operating Plan and Budget are in full compliance with the requirements of the Act; and

WHEREAS, the Council finds and determines that the approval of the 2023 Operating Plan and Budget in the form presented to the Council at this meeting is in the best interests of both the City and the District.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY
OF AURORA, COLORADO.

Section 1. The 2023 Operating Plan and Budget for the Fitzsimons Business Improvement District are hereby approved, including the declaration of public interest and necessity for improvements contained therein.

Section 2. All resolutions or parts of resolutions of the City of Aurora, Colorado, in conflict herewith are hereby rescinded.

RESOLVED AND PASSED this _____ day of _____, 2022.

MIKE COFFMAN, Mayor

ATTEST:

KADEE RODRIGUEZ, City Clerk

APPROVED AS TO FORM:

HANOSKY HERNANDEZ,
Sr. Assistant City Attorney

MF POLICY COMMITTEE MEETING

September 27, 2022

Members Present: Council Member Gardner – Chair, Council Member Murillo, Council Member Zvonek

Others present: Council Member Jurinsky, Council Member Marcano, S. Day, D. Sisneros, K. Claspell, D. Lathers, W. Sommer, T. Hoyle, T. Velasquez, J. Ehmann, G. Hays, K. Rodriguez, B. Levine, C. Argentar, N. Wishmeyer, D. Wilson, T. Sedmak, C. Horiuchi, M. Bryant, C. Toth, M. Crawford, T. Vaughn, M. Murphy, J. Edwards, J. Twombly, S. Newman, J. Heckman, D. Brotzman, J. Schneebeck, M. Stamp, J. Orozco, J. Bajorek, D. Hudson, M. Parnes, H. Hernandez, G. Koumantakis, C. Dancy, R. Lantz, A. Jamison, M. Noble, R. Venegas, Laiba Saqib, C. Atkinson, M. Rogers, R. Goggins, C. Zapata, A. Wool, M. Barrett, N. Peykov

INTRODUCTIONS AND MINUTES

August 23, 2022 minutes were approved.

AUGUST 2022 SALES TAX CHART**Summary of Issue and Discussion**

Bill Levine presented the August 2022 Sales Tax Chart. The sales tax increased by 10.5% in August. This can be interpreted in two ways. One is as a revenue number with August about \$360,000 over the projection. With this, the city looks to be on track to meet or beat the projection for the year. The sales tax can also be representative of how business is doing in the city. In this regard, the 10.5% increase appears to be misleading. In August 2022, there was a large amount received from a foreign online retailer making payments for over two years of taxes owed to the city from October 2019 to April 2022. This was due to the passing of the Economic Nexus Ordinance and the Sales and Use Tax System (SUTS) only being set up in August. If this one-payment growth is not taken into account, the sales tax growth for August would only have been 9.6%.

The variable sales tax payments grew by 85% in August, meaning that a lot of the 10.5% growth is due to big one-time payments. These variable payments were for large construction projects including storm, drainage, and decking systems. If the variable sales tax payment only grew at a neutral rate equal to the inflation rate of 8.3%, the growth for August would only be 7.2% instead of 10.5%. This number is more reflective of the consistent taxpayers and the business community in Aurora.

Committee Discussion:

CM Gardner: Makes sense. Thanks for that analysis. That's helpful. Council Member Zvonek, any questions?

CM Zvonek: I don't have any now. Thanks.

CM Gardner: All right. Thank you. Okay. Council Member Murillo, do you have any questions on that?

CM Murillo: No. I think I logged in just right at one. Did we start the presentation earlier?

CM Gardner: No. It was 1:00 when we started. You might have just been a couple of seconds late. We just have a really crowded agenda, so I just wanted to get started on it.

CM Murillo: That's fine. No questions here.

CM Gardner: All right. I appreciate that. Thanks, Bill, for your presentation.

B. Levine: Thank you, Council. I appreciate it.

Outcome

Information only.

Follow-up Action

No follow-up needed.

OCCUPATIONAL PRIVILEGE TAX REPEALSummary of Issue and Discussion

Council Member Jurinsky and Jeff Edwards presented this ordinance that will repeal the occupational privilege tax (OPT) that was implemented in 1986. Aurora is one in five cities in Colorado that has this. This is a \$4 tax per employee with half being withheld from the employee, and half being matched by the employer per paycheck once a month. CM Jurinsky noted that there is a surplus in the budget and there is no reason to figure out what to cut out of the budget to make the tax cut work.

Once the repeal is implemented, it would have to go through the voters to be reinstated. The fiscal impact would be \$5.9 million for 2023. There would be no cuts to the police, fire, 911, courts, transfers, and other mandates. This leaves \$170 million of people and supplies that would need to be cut by 5% from the 2023 budget. Nine entities received OPT revenue of \$590,000 in 2021. In addition, some of the revenues are used by the Aurora Urban Renewal Authority

(AURA) for incentive and development projects. About 72% of the city's revenue is dependent on sales and use tax.

Committee Discussion:

CM Jurinsky: Now, I actually have a question because I asked thoroughly about this when I was on the CABC and I asked where these funds go, and I was told by Greg Hays that all of these funds go into the general fund. That's really concerning to me if the AURA is using some of these funds, because just last night I was told that none of those funds come out of the general fund, specifically regarding our parking lot structure.

T. Velasquez: And I would address that Council Member basically when we have a TIF area, any of the revenues that are generated from the specific project, including OPT, would go back to the project. I think on Jeff's slides, it's just acknowledging that the revenue that's generated from specific projects is then shared back as a part of incentive agreements that were approved by previous city councils. So, it would definitely change the revenue flow to some of those projects. And I also have Greg online to answer any budgetary-related questions. I know from an almost \$6 million budget perspective it does have some larger impacts. And maybe, Greg, you can put it a little bit into perspective from a standpoint of what that reduction would mean.

G. Hays: I sure can. Thank you very much. If you're looking at \$5.9 million, it's the equivalent of about 80 people. We do have a balanced budget for 2023, and if you take \$6 million out, it would not be balanced. We would have to go find that money from somewhere. It is a significant amount of money. It's larger than six different budgets, general fund budgets. Aurora Water, City Council, Communications, General Management, HR, Planning. Their entire budgets are actually less than that. And what's more, 2024 is not -- it's close to being balance. We don't need to have a balanced budget for the future but taking on another \$6 million of ongoing funds would make that harder for the 2024 budget as well.

CM Gardner: All right. Thank you. Greg and Jeff. Council Member Murillo, questions, or comments for either staff or the sponsor?

CM Murillo: Thanks, Council Member Gardner. I think a few comments. Yes, I think that coming into the conversation and just saying that "Oh, we have a surplus and therefore I don't really need to look for the accompanying piece of where this ongoing revenue would come from" is concerning to me to the staff's comments around this does make it more challenging to balance our budget in the future. There will be budget implications. I think that was the biggest concern for me and I would like a better understanding of where the city management would take those ongoing funds because it's not just funds that would be taken out of this year's budget or whenever this comes into effect, but it is ongoing. That's just my biggest comment and request before this moves forward on my end.

CM Gardner: Council Member Zvonek, questions, or comments?

CM Zvonek: I would just say we haven't set a 2023 budget. As far as I know, we're going to do that at the budget workshop, and I think that will give us plenty of opportunity to identify what reductions we need to make in order to make this happen. But I think in terms of a signal that we want to continue to be the most business-friendly city in the state, and we are getting rid of a privilege tax of working in Aurora. We have to, I think, try to change our mental model, and recognize that it's actually a privilege for us to have employees here and it's not a privilege for them to work here. And I think this is one of the ways we can do that.

J. Twombly: And I just wanted to check with Jeff. It seems like I saw in the original ordinance that fire, police, and road maintenance were cited as reasons for instituting this tax in the first place. The funds weren't dedicated for those purposes, but I think those were cited as reasons why the council voted to approve that tax. Jeff, do you have any information on that?

J. Edwards: Correct. Thanks, City Manager Jim Twombly. Appreciate that question. That is correct. This was essentially a way for us to distribute the tax burden for the city to those that are coming into the city to work. And it pointed out that it was for police, fire, road maintenance, those types of costs, and other municipal services.

J. Twombly: Okay. Thanks.

CM Jurinsky: Yes. I asked repeatedly on CABC if these funds were dedicated for anything in particular and I was told numerous times, "No, they're not earmarked for anything. They just go into the general fund and that's where they are at in the general fund." And as Council Member Zvonek just said, the fact that we have a tax on businesses and workers in the city of Aurora states that it's their privilege to do business in this city or to be a worker in this city. I can't believe this has never been brought up before, but I think that we absolutely need to change our mindset on that and realize that it is actually the city's privilege. It is our privilege for businesses to come here and for workers to want to work in Aurora. And as Council Member Zvonek just pointed out, the budget is not set and that's exactly what we are going to go to the Budget Committee meeting to do. And the fact that we have any additional tax on people in Aurora, I think that those should be eliminated. And just as other taxes, on menstrual products and on diapers in this city have been eliminated, I look at this tax repeal as actually a more equitable tax cut, because it will be for anybody, regardless of gender, regardless of race. I mean, if you work in Aurora or have a business in Aurora, this tax is on you, and this will be a tax saving to all those who wish to do business here and work here.

CM Gardner: Any other questions or comments from the committee?

CM Murillo: Yes, I guess just the fact that we're not acknowledging that for months staff has put together our budget, essentially line item by line item. We've had public presentations at town halls, and we've had specific budget presentations. Suddenly to say that we're not essentially almost at the end and that we don't have a budget, sure, it's not yet confirmed. But let's be clear

that this would be a last-minute change that hasn't been incorporated into this current budget as it's been written. I just want to be very clear that when we say it's not yet been finalized, that's because we haven't yet made the final approval. But a last-minute change is what this would be. I just want to be very clear that that's where we're at in the budget process for this year.

CM Jurinsky: Council Member Gardner, I'd like to respond to that.

CM Gardner: Go ahead.

CM Jurinsky: The budget is created every single year. I'm not sure there's really a good time or a bad time to bring forward a tax cut. But I had some things that I needed to look into. Obviously, I wanted to come to this committee. It would be my prerogative to have brought this straight to a council meeting and to rush this process. But as I heard from my colleagues that don't always agree with me on much of anything, they would prefer me to follow the standard process that we have in place. I went about it that way this time, and I'm not sure that you can consider any kind of tax cuts on our citizens and our businesses to be something that's last minute. I find it to be something that's necessary.

CM Gardner: All right. Thanks, everybody, for comments and feedback. Council Member Murillo, would you like this to move forward?

CM Murillo: Not at this time. We were just talking about understanding fiscal notes and larger impacts last night. For it to be at the 11th hour, I think that's not something that I would prefer, but obviously, we'll talk about it if the committee approves it going forward. But like I said, I just wanted to be very clear on the rhetoric and the shaping of the conversation. So that's why I made my comments.

CM Gardner: Council Member Zvonek?

CM Zvonek: I think that now is actually the perfect time to move it forward as the elected officials who were elected by the people of Aurora to set the budget will be having a conversation about the budget for next year. It means we'll have to do some work, but that's okay. That's what we were elected to do.

CM Gardner: All right. And I'm fine with it moving forward as well.

Outcome

The Committee supported moving the item forward.

Follow-up Action

Staff will move the item forward to Study Session.

WARD REALIGNMENT RECOMMENDATION DEADLINE**Summary of Issue and Discussion**

CM Marcano presented the proposed ordinance which sets a deadline of no later than October 15th for rewarding recommendations to be before the Council. This preserves the existing timeline for the rewarding process to begin.

Committee Discussion:

CM Gardner: All right. Thank you. Council Member Zvonek, any questions or comments?

CM Zvonek: No, I think that makes sense. I know that earlier, Council Member Marcano, when we were having these discussions at the beginning of the year, there was some concern because the initial timeline, I think didn't have us finishing until into next year. As a committee, we decided to do that. I think creating some sort of guidelines going forward that keeps us on track is appropriate and I would support that moving forward.

CM Murillo: I don't have any questions. Similar to the comments just made, we intentionally moved it up so that there was less ambiguity later into next year. I think this is in line with the actions that we've taken on this committee this year. I support moving it forward.
