Did you know the city of Aurora has **22 boards and commissions** that are made up entirely of community volunteers who want to make their voices heard and impact the way the city serves its residents?

Those boards and commissions impact how the city funds affordable housing, how it serves young people and how its parks, rec centers and libraries operate and so much more. Come learn about these groups and how you can be a part of them at our upcoming Boards and Commissions Convention.

AUG 6, 2026 | 6 TO 7:30 P.M
